2003 No. 235

The Landfill (Scotland) Regulations 2003

PART II S

LANDFILL PERMITS

Initial site inspections by SEPA S

15.—(1) The operator of a landfill shall not commence disposal operations before SEPA has inspected the site in order to ensure that it complies with the relevant conditions of the landfill permit.

(2) Nothing in paragraph (1) in any way reduces the obligations of the operator to comply with the conditions of the permit.

Changes to legislation:

There are currently no known outstanding effects for the The Landfill (Scotland) Regulations 2003, Section 15.
