EXPLANATORY NOTE

This note is not part of the Regulations

These Regulations make provision as to a person who may be authorised to remove a part of the body of a deceased person for the purposes of transplantation, research, education or training or audit under section 11(1)(b) of the Human Tissue (Scotland) Act 2006.

Regulation 2 provides that a registered medical practitioner may authorise any person, who is not such a practitioner, to carry out such a removal of a part for the purposes of transplantation, research, education or training or audit provided the practitioner is satisfied that the person authorised is sufficiently qualified and trained to perform the operation competently.
