
SCOTTISH STATUTORY INSTRUMENTS

2007 No. 1

The Products of Animal Origin (Third
Country Imports) (Scotland) Regulations 2007

PART 8

Products Returned from Third Countries

Physical check of returned products

52. Any person required by regulation 18 to present a returned product, or ensure that it is presented, to the official veterinary surgeon at a border inspection post need only permit the official veterinary surgeon, or an assistant appointed under regulation 6(1)(b) or 6(2)(c), to carry out a physical check on the returned product if the official veterinary surgeon has reasonable grounds for believing—

- (a) that these Regulations have not been, or are not being, complied with in relation to the returned product;
- (b) that the returned product does not comply with the import conditions; or
- (c) that the identity or destination of the returned product does not correspond with the information given in any relevant document.
