(2) In determining the factors to be used in the calculation of the member's (M's) guaranteed cash equivalent, the scheme manager must take account of—

- (a) M's prospective normal pension age;

(3) If the amount calculated in accordance with paragraph (1) or (5) is less than M's minimum transfer value (if any), the amount of the guaranteed cash equivalent transfer value payment is to be equal to that value.

- (b) any contributions paid by M under Part 4 as a result of which M is entitled to count such service.

(5) If the transfer is a club transfer, the amount of the transfer value payment is calculated in accordance with the club transfer arrangements rather than paragraph (1).

(6) If a club transfer value is paid later than 6 months after the guarantee date, the amount of the club transfer value as specified in the statement of entitlement must be increased if necessary so that it is equal to the amount it would have been if the guarantee date had been the date on which the payment is made.
