2016 No. 58

The Microchipping of Dogs (Scotland) Regulations 2016

Adverse reaction, migration and failure of a compliant microchip

5. An individual who identifies any of the following in respect of a compliant microchip implanted in a dog must report it to the Scottish Ministers within 21 days beginning with the day of so identifying—

- (a) an adverse reaction;
- (b) a migration; or
- (c) a failure of a microchip.
