PUBLIC HEALTH

The Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Amendment (No. 10) Regulations 2021

Approved by the Scottish Parliament

<i>Made</i>	- - - -	<i>4th January 2021</i>
<i>Laid before the Scottish Parliament</i>	- - - -	<i>5th January 2021</i>
<i>Coming into force</i>	- -	<i>5th January 2021</i>

The Scottish Ministers make the following Regulations in exercise of the power conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020(1) (“the Act”) and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by, a resolution of the Scottish Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 (“the Local Levels Regulations”). These Regulations come into force on 5 January 2021.

Regulation 3 adds new paragraphs (7A) and (7B) into regulation 4 of the Local Levels Regulations to add to the enforcement powers of a constable. The amendment permits a relevant person, where they consider that a person is outside the place where they are living, to direct the person to return to the place where they are living or remove the person to that place. It also permits a constable, when exercising that power to remove a person, to use reasonable force, if necessary. The definition of “relevant person” in regulation 4(11) of the Local Levels Regulations means that this new power is only available to a constable and not a person designated by a local authority.

Regulations 4(a) and 4(b) amend paragraphs 11 and 12 of schedule 5 of the Local Levels Regulations so that the number of persons (including persons aged 12 to 17 years old) that may participate in either an indoor or an outdoor public gathering in a Level 4 area is reduced from six to two, but still from no more than two households. Regulation 4(b) also reduces the list of permitted purposes for outdoor public gatherings. In particular, regulation 4(b)(ii) removes the purposes of organised exercise which is either not a contact sport or is for persons under 18 years of age but which is not a public procession. The purpose of organised activity for persons under 12 years of age has been retained. As such, regulation 4(b)(iv) also makes a consequential amendment to the relevant definition of “organised”. Regulation 4(c) amends paragraph 13 of schedule 5 so that the number of persons (including persons aged 12 to 17 years old) that may participate in an outdoor gathering in a private dwelling is reduced from six to two.

Regulation 4(d) omits paragraph 14 of schedule 5 (restrictions on leaving level 4 area). Regulation 4(f) inserts new paragraphs 17 and 18 replacing restrictions on movement into a Level 4 area with a prohibition on a person who lives in a Level 4 area leaving the place where they live unless they have a reasonable excuse as listed in new paragraph 18.
