- (3) Subject to regulation 20(6) a decision of the Secretary of State under section 12 of the Act may be revised where—

(5) In determining whether it is reasonable to grant an application for an extension of time, the Secretary of State shall have regard to the principle that the greater the time that has elapsed between the expiration of the period of one month described in regulation 17(1) (a) from the date of notification of the decision which it is sought to have revised and the making of the application for an extension of time, the more compelling should be the special circumstances on which the application is based.
