The Treasury have determined that, in relation to Great Britain, regulations 3 to 5 should be made under section 141 of the Administration Act to amend Part 1 of the Contributions Act by altering the rate of, and small profits threshold for, Class 2 contributions, the amount of a Class 3 contribution and the lower limit of profits to be taken into account for Class 4 contributions.

Regulations 3 to 5 make provision for Northern Ireland which corresponds to that mentioned in relation to Great Britain in the preceding recital, in accordance with section 129 of the Northern Ireland Administration Act.

With a view to adjusting the level at which the National Insurance Fund stands for the time being and having regard to estimated benefit expenditure for the financial year ending with 31st March 2023, the Treasury think it expedient that regulation 7 should be made under section 2(2) of the 1993 Act.

With a view to adjusting the level at which the Northern Ireland National Insurance Fund stands for the time being and having regard to estimated benefit expenditure for the financial year ending with 31st March 2023, the Treasury think it expedient that regulation 8 should be made under article 4(3) of the 1993 Order.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Social Security Contributions and Benefits Act 1992 (c. 4) and corresponding provisions in the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (c. 7) (“the Acts”) and the Social Security (Contributions) Regulations 2001 (S.I. 2001/1004) (“the Contributions Regulations”). The amendments have effect from 6th April 2022.

Regulation 3 increases the rate at which Class 2 National Insurance contributions (“NICs”) are payable by self-employed earners, specified in section 11(2) and (6) of the Acts, from £3.05 to £3.15 per week. It also increases the small profits threshold specified in section 11(4) of the Acts, which is the minimum amount of profits chargeable to income tax that a self-employed earner must generate to incur liability to Class 2 NICs, from £6,515 to £6,725 per year.

Regulation 4 increases the amount of voluntary Class 3 NICs, specified in section 13(1) of the Acts, from £15.40 to £15.85.

Regulation 5 increases the lower profits limit for Class 4 NICs specified in sections 15 and 18 of the Acts, above which Class 4 NICs are payable by the self-employed at the main Class 4 percentage rate, from £9,568 to £9,880 per year. The upper limit remains at £50,270.

Regulation 6(2) increases or maintains at the same level (as the case may be) a number of weekly earnings limits and thresholds specified in regulation 10 of the Contributions Regulations which are used for determining liability to Class 1 NICs and entitlement to associated state benefits: (i) the lower earnings limit, on or above which an earner gains access to certain state benefits, increases from £120 to £123; (ii) the upper earnings limit, above which primary Class 1 NICs are payable at the additional primary percentage, remains at £967; (iii) the primary threshold, above which primary Class 1 NICs are payable at the main primary percentage, increases from £184 to £190; (iv) the secondary threshold, above which secondary Class 1 NICs are payable, increases from £170 to £175; (v) the upper secondary threshold for the Under 21 age group, below which secondary Class 1 NICs are payable at a zero-rate, remains at £967; and (vi) the upper secondary threshold for relevant apprentices, below which secondary Class 1 NICs are payable at a zero-rate, remains at £967.

Regulation 6(3) increases the prescribed equivalents of the primary threshold and the secondary threshold specified in regulation 11 of the Contributions Regulations, for monthly and yearly earnings periods. The prescribed equivalents of the upper earnings limit and the upper secondary thresholds for the Under 21 age group and relevant apprentices remain the same.

Regulation 7 provides for section 2(2) of the Social Security Act 1993 (c. 3) to have effect for the tax year 2022-23. This allows money provided by Parliament to be paid into the National Insurance Fund up to a limit of 17 per cent of the estimated benefit expenditure for the financial year ending with 31st March 2023. Regulation 8 makes corresponding provision for Northern Ireland, by giving effect to article 4(3) of the Social Security (Northern Ireland) Order 1993 (S.I. 1993/592 (N.I. 2)).

In accordance with section 142(1) of the Social Security Administration Act 1992 (c. 5) a copy of the report by the Government Actuary, giving the Actuary’s opinion on the likely effect on the National Insurance Fund of the making of these Regulations, was laid before Parliament with a draft of these Regulations. A copy of the report can be found at <https://www.gov.uk/government/collections/uk-social-security-short-term-and-long-term-reports>; this is also available to purchase from the TSO Shop on their website at <https://www.tsoshop.co.uk/> or by telephone on 0333 202 5070.

A Tax Information and Impact Note has not been prepared for this instrument as it gives effect to previously announced policy and it relates to routine changes to rates, limits and thresholds.
