41 Disposals of interests in land effected indirectly.

- (1) *Where after 17th December 1973 a person disposes of shares in a company (“the said company”) and immediately before the disposal either—*
- (a) *the said company is or has control of a land-owning company, and is a close company in which he has a material interest; or*
 - (b) *the said company, or a company of which it has control, has a material interest in a land-owning company which is a close company, and the said company is one of which he has control or of which he and persons connected with him have control,*
- the disposal shall be deemed to be a disposal of an interest in land to which section 38 of this Act applies.*
- (2) *Where a chargeable gain accrues to a person on a disposal of shares in a company to which the preceding subsection applies, then, subject to the provisions of section 39 of this Act and this section, the development gain accruing to him in respect of the disposal shall be equal to that chargeable gain.*
- (3) *Where, apart from this subsection, a development gain would by virtue of the preceding provisions of this section accrue to a person in respect of a disposal of shares in a company, then—*
- (a) *a development gain shall not accrue to him in respect of the disposal unless an excess of development gains over development losses would have accrued to the company, being a land-owning company, or to a land-owning company mentioned in paragraph (a) or (b), as the case may be, of subsection (1) above, on the company disposing of its relevant land at market value at the time of his disposal and any such land-owning company disposing likewise of the relevant land of that company; and*
 - (b) *the development gain accruing to him in respect of the disposal shall not exceed one-half of the excess of the total development gains over the total development losses that would have accrued as mentioned in paragraph (a) above, or one-half of such part of that excess as is attributable to the shares disposed of by him.*

If a claim under section 40(2) of this Act could have been made in respect of any disposal which is to be assumed for the purposes of this subsection, that claim shall for those purposes be assumed to have been made.

- (4) *Where a person disposes of shares in a company (“the said company”) in circumstances such that subsection (1) above would apply to the disposal if the said company or, as the case may be, a land-owning company mentioned in paragraph*

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974, PART III. (See end of Document for details)

(b) of that subsection had been a close company at the material time (that is to say, immediately before the disposal), then, if the said company or that land-owning company was not resident in the United Kingdom at that time but would have been a close company at that time if it had been so resident, this Chapter shall apply in relation to the disposal as if the said company or, as the case may be, the land-owning company had been resident in the United Kingdom at that time.

(5) Where a person disposes of shares in a company (“the said company”) in a case falling within subsection (1)(a) above and at the material time (that is to say, immediately before the disposal) the said company had control of a land-owning company which, because it was not resident in the United Kingdom, was not a close company, then this Chapter shall apply in relation to the disposal as if that land-owning company had been resident in the United Kingdom at that time.

(6) For the purposes of this section—

- (a) “land-owning company” means a company that owns relevant land to a value exceeding three-quarters of the net value of all its assets (that is to say, their value less the value of the debts and liabilities of the company);
- (b) subject to subsection (11) below, a person has a material interest in a company if under subsection (6) of section 285 of the Taxes Act he would have a material interest in it . . . ^{F12} if in the said subsection (6) for “5 per cent.”, in both places, there were substituted “10 per cent.”;
- (c) an unauthorised unit trust which owns relevant land to a value exceeding three-quarters of the net value of all its assets (that is to say, their value less the value of the debts and liabilities of the unit trust) shall be treated as if it were both a land-owning company and a close company;
- (d) the part attributable to any shares in a company of the amount of an excess of total development gains over total development losses shall be the sum which that amount would add to the distributions made in respect of those shares in a winding-up of the company if the amount represented assets of the company, and if apart from that amount the assets of the company were enough, and no more than enough, to ensure the satisfaction of its liabilities (including the return of share capital), and the part of any such amount which is directly or indirectly attributable under this paragraph to shares held by a company shall (so far as is necessary for the determination of any question as to the tax chargeable in consequence of this section) be apportioned by the like method between the shares in that company to arrive at the part attributable to any of those shares.

In its application by virtue of [^{F13}section 93 of the Capital Gains Tax Act 1979 ^{F13}] to an unauthorised unit trust, paragraph (d) above shall have effect with any necessary modifications.

(7) For the purposes of this and the preceding subsection—

- (a) “relevant land” (subject to subsections (8) to (10) below) means any interest in land situated in the United Kingdom, other than an interest held as a trading stock;
- (b) the value of the relevant land of a company or unauthorised unit trust shall be taken to be its value free of any liability charged or secured thereon;
- (c) a company or unauthorised unit trust shall be treated as owning any interest in land which it has unconditionally contracted to acquire, but not as owning any interest in land which it has unconditionally contracted to dispose of;

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974, PART III. (See end of Document for details)

- (d) “value”, in relation to the relevant land of a company or unauthorised unit trust, means market value;
 - (e) the net value of the assets of a company other than a unit trust scheme is the net value they would have on a sale in the open market of the business of the company as a going concern; and
 - (f) an interest under a settlement shall be treated as an interest in land situated in the United Kingdom if a disposal thereof would fall within section 42(1) of this Act.
- (8) *The interest of a company in any building or part of a building—*
- (a) *which the company occupies and uses for the purposes only of a trade carried on by it (other than a trade of providing services for the occupier of land in which the company has an interest); or*
 - (b) *which, in a case where the company is a member of a group of companies, some other member of the group occupies and uses for the purposes only of a trade carried on by that other member (other than a trade of providing services for the occupier of land in which any member of the group has an interest),*
- shall not be relevant land in relation to the company for the purposes of subsections (6) and (7) above, nor shall its interest in the site of any such building or part of a building (including in the site any land in the immediate vicinity of the building which the company or, as the case may be, that other member of the group occupies for purposes ancillary to its occupation and use of the building or part of a building).*
- (9) *If, in the case of a building or part of a building in which a company has an interest, it is established to the satisfaction of the inspector or, on appeal, of the Commissioners concerned that the company or, in a case where the company is a member of a group of companies, some other member of the group intends within three years of the relevant disposal of shares to occupy and use that building or part as mentioned in paragraph (a) or, as the case may be, paragraph (b) of the preceding subsection, that paragraph shall have effect as if the company were so occupying that building or part.*
- (10) *Subsections (8) and (9) above—*
- (a) *shall apply in relation to any permanent or semi-permanent structure in the nature of a building as they apply in relation to a building; and*
 - (b) *shall apply in relation to the discharge of the functions of a public authority, and to the occupation of woodlands where the woodlands are managed by the occupier on a commercial basis and with a view to the realisation of profits, as they apply in relation to a trade;*
- and section 272 of the Taxes Act (groups of companies: definitions) shall apply for the purposes of those subsections as it applies for the purposes of sections 273 to 281 of that Act.*
- (11) *In the case of a close company (within the meaning of this Chapter) which for the purposes of the Corporation Tax Acts is not a close company because it falls within section 282(4) or 283 of the Taxes Act, subsection (6)(b) above shall, except in relation to an excepted person, have effect as if for “ “10 per cent.” ” there were substituted “ “20 per cent.” ”.*
- (12) *In the preceding subsection “excepted person”, in relation to a company, means any of the following, namely—*
- (a) *any director or associate of a director of the company; or*

- (c) any associated company of the company; or
- (d) the trustees of any fund the capital or income of which is applicable or applied wholly or mainly for the benefit of, or of the dependants of, the employees or directors, or past employees or directors, of the company, or of any company within paragraph (b) or (c) above.

Expressions used in this subsection and in subsection (5) of section 283 of the Taxes Act have the same meaning in this subsection as in that.

- (13) A disposal of an interest in shares in a company which under [F14 section 72 of the Capital Gains Tax Act 1979 F14] (capital distributions by companies) a person is treated as having made in consideration of a capital distribution from the company in the form of an interest in land shall be disregarded for the purposes of this section if the distribution is made or due in respect of share capital in the course of a dissolution or winding-up of the company.

42 Disposals of interests in settled property.

- (1) Where after 17th December 1973 a person disposes of an interest under a settlement which immediately before the disposal is a land settlement, the disposal shall be deemed to be a disposal of an interest in land to which section 38 of this Act applies.
- (2) Where a chargeable gain accrues to a person on a disposal of an interest under a settlement to which the preceding subsection applies, then, subject to the provisions of section 39 of this Act and this section, the development gain accruing to him in respect of the disposal shall be equal to that chargeable gain.
- (3) Where, apart from this subsection, a development gain would by virtue of the preceding provisions of this section accrue to a person in respect of a disposal of an interest under a settlement then—
 - (a) a development gain shall not accrue to him in respect of the disposal unless an excess of development gains over development losses would have accrued to the trustees of the settlement on their disposing of the relevant land comprised in the settled property at market value at the time of his disposal; and
 - (b) the development gain accruing to him in respect of the disposal shall not exceed the amount (if any) by which the market value of the interest at that time exceeds what its market value would then have been if the value of the relevant land then comprised in the settled property had been equal to the actual value of that relevant land at that time reduced by one-half of the excess of development gains over development losses that would have accrued as mentioned in paragraph (a) above.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974, PART III. (See end of Document for details)

If a claim under section 40(2) of this Act could have been made in respect of any disposal which is to be assumed for the purposes of this subsection, that claim shall for those purposes be assumed to have been made.

- (4) *Where a gain accrues to a person on a disposal of an interest under a settlement which immediately before the disposal is a land settlement and—*
- (a) *[^{F15}section 58(1) of the Capital Gains Tax Act 1979 ^{F15}] (exemption for gains accruing on disposals of interests under settlements) would, apart from this subsection, apply to that gain; and*
 - (b) *immediately before the disposal it was the case that under the terms of the settlement the person making the disposal would or might become absolutely entitled to all or any part of the settled property as against the trustee,*
then the development gain accruing to him in respect of that disposal shall first be computed as if the [said section 58(1) ^{F16}] did not so apply, and the [^{F16}said section 58(1) ^{F16}] shall then apply to so much, if any, of the gain as is not by virtue of this Chapter a development gain.
- (5) *Where by virtue of [^{F16}section 58(2) of the Capital Gains Tax Act 1979 ^{F16}] a person who has acquired an interest in settled property is treated as disposing of the interest on the occasion of his becoming, as the holder of that interest, absolutely entitled to any settled property as against the trustee, then—*
- (a) *subsection (4) above shall not apply in the case of that disposal if the trustee is chargeable to tax on that occasion by virtue of [^{F16}section 54(1) of the Capital Gains Tax Act 1979 ^{F16}](settled property); and*
 - (b) *where the preceding paragraph would apply if the trustee were resident and ordinarily resident in the United Kingdom, then, if any beneficiary under the settlement is by virtue of [^{F16}section 17 of the Capital Gains Tax Act 1979 ^{F16}] (non-resident trusts) treated as if the whole or part of the relevant amount had been development gains accruing to that beneficiary, the development gain accruing to the first-mentioned person in respect of the said disposal shall not exceed the difference between what that development gain would be apart from this paragraph and the relevant fraction of what that development gain would be apart from this paragraph.*
- (6) *For the purposes of this and the preceding subsection—*
- (a) *“the relevant amount” means the amount on which the trustee of the settlement mentioned in that subsection would have been chargeable to income tax in respect of development gains by virtue of section 38(2) of this Act as mentioned in subsection (2) of the said [section 17 ^{F16}];*
 - (b) *“the relevant fraction” means the fraction of which the numerator is equal to so much of the relevant amount as is by virtue of subsection (2) of the said [^{F16}section 17 ^{F16}] treated as development gains accruing to beneficiaries under the said settlement, and the denominator is the relevant amount; and*
 - (c) *references to the said [section 17 ^{F17}] are references to that section as it has effect in relation to development gains by virtue of paragraph 3 of Schedule 8 to this Act.*
- (7) *Where, in a case to which subsection (4) above applies, a person having an interest in settled property is charged to tax in respect of a development gain accruing to him by virtue of this section, then, for the purposes of the computation under [^{F17}Chapter II of Part II of the Capital Gains Tax Act 1979 ^{F17}] of the gain accruing to the trustees of the settlement on a disposal of all or any part of the relevant land which was*

comprised in the settled property immediately before the disposal in respect of which that development gain accrued to him, [F¹⁷section 32(1)(a) of the Capital Gains Tax Act 1979 F¹⁷] (computation of chargeable gains: allowable expenditure) shall apply—

- (a) as if a sum equal to the amount of that development gain formed part of the consideration given by the trustees for the acquisition of the relevant land which was so comprised in the settled property; and
- (b) if the relevant land which was so comprised in the settled property consisted of more than one interest in land, as if such proportion of that sum as is just and reasonable formed part of the consideration given by the trustees for the acquisition of each of those interests.

(8) For the purposes of this section—

- (a) a settlement is a “land settlement” if the settled property comprises relevant land to a value exceeding three-quarters of the net value of all the settled property (that is to say, its value less the value of any debts or liabilities of the trustees in their capacity as such); and
- (b) “value”, in relation to any settled property, means market value.

(9) For the purposes of this and the preceding subsection—

- (a) “relevant land” (subject to subsection (10) below) means any interest in land situated in the United Kingdom, other than an interest held as trading stock;
- (b) the value of the relevant land comprised in settled property shall be taken to be its value free of any liability charged or secured thereon;
- (c) the net value of the assets of any business comprised in settled property shall be taken to be the net value they would have on a sale in the open market of the business as a going concern;
- (d) the settled property comprised in a settlement shall be treated as including any interest in land which the trustees in their capacity as such have unconditionally contracted to acquire, but not as including any interest in land which the trustees in that capacity have unconditionally contracted to dispose of; and
- (e) shares in a company shall be treated as an interest in land situated in the United Kingdom if a disposal thereof would fall within section 41(1) of this Act.

(10) Subsections (8) to (10) of section 41 of this Act, except paragraph (b) of subsection (8) and so much of subsection (9) as refers to, or relates to the case mentioned in, that paragraph, shall apply for the purposes of subsections (8) and (9) above as they apply for the purposes of subsections (6) and (7) of that section, subject to the modification that for references to a company there shall be substituted references to the trustees of settled property in their capacity as such.

46 Interpretation, etc.

(1) *In this Chapter—*

“chargeable building” has the meaning given by subsections (3) to (5) below ^{F27};

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974, PART III. (See end of Document for details)

“interest in land” and “land” have the same meaning as in Chapter I of this Part of this Act;

“lease” includes an underlease, sublease or tenancy, and “lessor”, “lessee”, “let” and “rent” shall be construed accordingly;

“material development” has the meaning given by paragraph 6 of Schedule 3 to this Act;

“the material date”, in relation to a chargeable building which after 17th December 1973 is first let or occupied to a material extent after the commencement of the relevant development, means the later of the following dates, namely the date after 17th December 1973 on which the chargeable building was first let or occupied as aforesaid and the date on which the relevant development is substantially completed;

“the relevant development”, in relation to a chargeable building, means the material development from which the building has resulted or of which it has been the subject, so far as that development directly concerns that building^{F27};

“the relevant land”, in relation to a chargeable building, means the chargeable building and its site (including in the site, subject to subsection (6) below, any land occupied for purposes ancillary to the use of the chargeable building).

- (2) *For the purposes of this Chapter a person shall be treated as occupying land if, but only if, his occupation of it is or, but for any exemption from rates which he enjoys, would be such as to render him or some other person liable to be assessed to rates in respect thereof under the law relating to rating in the part of the United Kingdom in which the land is situated, and references to occupation shall be construed accordingly.*
- (3) *Subject to subsections (4) and (5) below, every separate building in the United Kingdom that has resulted from or been the subject of material development (whenever carried out) shall be a chargeable building for the purposes of this Chapter, except that for those purposes—*
- (a) *a separate building constructed or adapted for use wholly as one or more private dwellings shall not be a chargeable building; and*
 - (b) *a separate building constructed or adapted for use only partly as one or more private dwellings shall be a chargeable building but shall be deemed not to include any part constructed or adapted for use as a private dwelling.*
- (4) *For the purposes of the preceding subsection a building which is physically connected with another building—*
- (a) *shall, although so connected, be treated as a separate building if it is so constructed as to be capable of remaining in position and being used independently of the other building or as to require only minor modification to render it so capable; and*
 - (b) *shall not be treated as other than a separate building merely because it is so connected with the other building at or below ground level or by means of a bridge or similar structure (whether affording access or accommodation or both).*
- (5) *Where—*
- (a) *subsection (1) of section 45 of this Act has operated in the case of a chargeable building or would have so operated if that section had been enacted and come into force before the commencement of the relevant development, and had*

been so enacted with the omission of subsection (3) and of the words “after 17th December 1973” in subsection (1); and

- (b) *after the material date there is carried out in relation to that building further material development which, apart from this subsection, would make the said subsection (1) liable to operate as regards the whole of any chargeable building (“the resulting chargeable building”) consisting of or including the whole or part of the first-mentioned chargeable building; and*
- (c) *one or more parts, but not the whole, of the resulting chargeable building has or have directly resulted from or been directly the subject of the further material development,*

then, without prejudice to subsection (3)(a) and (b) above, the resulting chargeable building shall for the purposes of this Chapter be deemed not to include any part which has not directly resulted from or been directly the subject of the further material development.

- (6) *Where land is occupied for purposes ancillary to the use of two or more chargeable buildings, it shall for the purposes of this Chapter be apportioned between those buildings in a fair and reasonable manner; and so much of the land as is apportioned to any one chargeable building shall for those purposes be taken to form part of the site of that, and of no other, chargeable building.*
- (7) *For the purposes of this Chapter “floor area” means gross floor area as ascertained by external measurement; and where different parts of a building are separately let or occupied, floor space used in common shall be apportioned rateably.*
- (8) *In relation to a chargeable building, references in this Chapter to the commencement of the relevant development are references to the date on which that development was begun, determined in accordance with paragraph 9 of Schedule 3 to this Act.*
- (9) *Where a lease of land is granted for a term commencing later than the date of the grant, the land shall for the purposes of this Chapter not be taken to become let under that lease until the commencement of the term.*
- (10) *This Chapter shall be deemed to have come into force on 18th December 1973* ^{F28}.
