Status: This is the original version (as it was originally enacted).

- (2) An order under this section may be made at the same time as an order under section 134 above.
- (3) No order under this section shall have effect until approved by a resolution of each House of Parliament.

136 Objects and general powers

- (1) The object of an urban development corporation shall be to secure the regeneration of its area.
- (2) The object is to be achieved in particular by the following means (or by such of them as seem to the corporation to be appropriate in the case of its area), namely, by bringing land and buildings into effective use, encouraging the development of existing and new industry and commerce, creating an attractive environment and ensuring that housing and social facilities are available to encourage people to live and work in the area.

 - (b) may, with the like consent, contribute such sums as the Secretary of State with the like concurrence may determine by way of assistance towards the provision of amenities.

- (6) To avoid doubt it is declared that subsection (3) above relates only to the capacity of an urban development corporation as a statutory corporation ; and nothing in this section authorises such a corporation to disregard any enactment or rule of law.
- (7) A transaction between a person and an urban development corporation shall not be invalidated by reason of any failure by the corporation to observe the object in subsection (1) above or the requirement in subsection (3) above that the corporation shall exercise the powers conferred by that subsection for the purpose of achieving that object.

- (3) A transaction between a person and an urban development corporation acting in purported exercise of its powers under this Act shall not be void by reason only that it was carried out in contravention of a direction given under subsection (1) above, and such a person shall not be concerned to see or enquire whether a direction under that subsection has been given or complied with.

139 Allocation or transfer of functions

- (1) If it appears to the Secretary of State, in the case of an urban development area, that there are exceptional circumstances which render it expedient that the functions of an urban development corporation under this Part of this Act should be performed by the urban development corporation established for the purposes of any other area instead of by a separate corporation established for the purpose, he may, instead of establishing such a separate corporation, by order direct that those functions shall be performed by the urban development corporation established for the other area.
