## 1980 CHAPTER 66

### PART XI **E+W**

#### MAKING UP OF PRIVATE STREETS

##### *Introductory*

#### **203 Interpretation of Part XI. **E+W****

- (1) In this Part of this Act (and elsewhere in this Act) “the private street works code” means sections 205 to 218 below; and “the advance payments code” means sections 219 to 225 below.
- (2) In this Part of this Act “private street” means a street that is not a highway maintainable at the public expense, and—
  - (a) includes any land that is deemed to be a private street by virtue of a declaration made under section 232 below, and
  - (b) for the purpose of the application of the advance payments code or section 229 below in relation to any building, includes—
    - (i) any land shown as a proposed street on plans deposited with respect to that building either under building regulations or on an application for planning permission under [<sup>F1</sup>the Town and Country Planning Act 1990], and
    - (ii) any land which, if work for the erection of that building had been commenced, would have become part of an existing highway by virtue of section 188(6) above;

but the fact that a part of a street is a highway maintainable at the public expense does not prevent any other part of it from being a part of a private street for the purposes of this Part of this Act.
