- (b) that there should be a reduction in the rate determined by the authority to which the report relates, the authority shall forthwith determine under this paragraph a new rate less, by the proposed reduction in the rate or by such smaller amount as the Secretary of State may agree, than the rate determined by them under section 108 of the Local Government (Scotland) Act 1973:

(6) The Secretary of State may by order under this subsection repeal or amend any enactment (including this Act) in so far as that enactment relates to the determination, levy or payment of a regional, general or district rate and such determination, levy or payment is affected by a determination (or deemed determination) under paragraph (b) of subsection (4) above.

(7) An order made under subsection (6) above shall have no effect until approved by resolution of each House of Parliament.

(8) A reference in this Act (except this section) and in any other enactment (except subsection (1) of the said section 108) whether passed before or after the passing of this Act, to such rates as are determined under the said section 108 shall be construed as including a reference to such rates as are determined, or are deemed to have been determined, under paragraph (b) of subsection (4) above.

(9) Section 19 of the Local Government (Miscellaneous Provisions) (Scotland) Act 1981 (which among other things empowers the Secretary of State to make certain estimates where a local authority fail to supply him timeously with information) shall apply for the purposes of such of the Secretary of State's functions under this section as do not relate to rate support grants as it applies for the purposes of those which do.”.]
