- (3) An exemption may not be granted under subsection (2) above on the application of a Passenger Transport Executive, or on the joint application of authorities who include such an Executive, unless the application is made with the consent of the Passenger Transport Authority for that Executive's area.
- (4) Subject to any regulations under section 94(1)(d) of this Act, where it appears to the authority or authorities responsible for administration of any such scheme, in the case of any operator or prospective operator of an eligible service who applies to be admitted to participate in the scheme in respect of that service, that fares currently charged or proposed to be charged by that operator for relevant journeys on that service include a special amenity element, the authority or authorities in question shall not be required by subsection (1) above to admit that operator to participation in the scheme in respect of that service unless that operator agrees to appropriate modifications of the current reimbursement arrangements for eligible service operators participating in the scheme.
- (5) Subject to any such regulations, where it appears to the authority or authorities responsible for administration of any such scheme, in the case of any operator of an eligible service participating in the scheme, that fares currently charged by that operator for relevant journeys on that service include a special amenity element, the authority or authorities in question may by notice of not less than such period as may be prescribed exclude that operator from participation in the scheme in respect of that service unless before the end of that period that operator agrees to appropriate modifications of the current reimbursement arrangements for eligible service operators participating in the scheme.
- (6) For the purposes of subsections (4) and (5) above fares for relevant journeys are to be regarded as including a special amenity element if they are significantly high in relation to the general level of fares for comparable journeys in the principal area covered by the scheme (within the meaning of section 93 of this Act).
- (7) References in those subsections to appropriate modifications of the reimbursement arrangements there mentioned are references to such modifications of those arrangements as the authority or authorities concerned consider appropriate for providing reimbursement in respect of travel concessions provided for relevant journeys on the service in question by reference to the general level of fares mentioned in subsection (6) above instead of by reference to the actual fares charged (or proposed to be charged) for those journeys.
- (8) For the purposes of this section "relevant journeys" are journeys on which travel concessions are to be provided under the scheme in question.
- (9) For the purposes of this section and section 97 of this Act, references to a prospective operator of an eligible service are references to a person who has registered a local service under section 6 of this Act but is not yet operating that service.

97 Compulsory participation in travel concession schemes.

(1) Subject to subsection (8) below, where the arrangements currently adopted by the authority or authorities responsible for administration of a scheme under section 93 of this Act with respect to the terms on which operators of eligible services may withdraw from participation in the scheme require such an operator to give notice before withdrawing from the scheme in respect of any such service, any such operator shall be obliged to provide any travel concessions required by the scheme on journeys on any such service in respect of which he is participating in the scheme until he gives the required notice of withdrawal and the period of notice has expired.

(2) Subject to the following provisions of this section, the authority or authorities responsible for administration of any such scheme may at any time by notice in writing served on any operator or prospective operator of an eligible service (including an operator already participating in the scheme) impose on him an obligation to provide travel concessions in accordance with the scheme on journeys on any such service operated by that operator to which the notice applies.

A notice under this subsection is referred to below in this Part of this Act as a participation notice.

(3) The power under subsection (2) above to serve a participation notice shall not be exercisable in relation to any such scheme until after the date (or whichever last occurs of the respective dates) of first publication under section 95 of this Act of particulars of the scheme and of the current reimbursement arrangements for eligible service operators participating in the scheme as they are to apply on initial establishment of the scheme.

(4) An obligation imposed by a participation notice shall, subject to subsection (8) below and sections 98 and 99 of this Act, be effective in relation to any service to which the obligation applies as from the appropriate commencement date for that service until the end of such period beginning with that date as may be specified in the participation notice.

(5) Subject to subsection (9) below, for the purposes of subsection (4) above the appropriate commencement date for any service to which an obligation imposed by a participation notice applies is—

- (a) the date immediately following the end of such period of notice as may be specified in the participation notice; or
- (b) the date when the service begins;

whichever last occurs.

(6) Where it is proposed—

- (a) to vary a scheme under section 93 of this Act; or

- (b) to vary the current reimbursement arrangements for eligible service operators participating in any such scheme;
- the authority or authorities responsible for administration of the scheme may, not less than such period before the variation is to take effect as may be prescribed, by notice served on any operator of any such service who is under an obligation under this section to provide travel concessions in accordance with the scheme, require him to indicate, within such period and in such manner as may be prescribed, whether or not he is willing to continue to participate in the scheme after the variation takes effect.
- (7) Any notice under subsection (6) above shall give particulars of the proposed variation.
- (8) Where in pursuance of subsection (6) above an operator indicates that he is not willing to continue to participate in the scheme after the variation takes effect, any obligation of that operator under this section to provide travel concessions in accordance with the scheme which was current at the date of the notice under that subsection and would still apart from this subsection be in force on the date when the variation takes effect shall cease on the latter date (without prejudice, however, to the service of a new participation notice).
- (9) Where a notice is served on an operator under subsection (6) above the preceding provisions of this section shall apply, on and after the date when the variation in question takes effect, in relation to any obligation of that operator under subsection (2) above to provide travel concessions in accordance with the scheme in question which—
- (a) was current at the date of the notice; and
- (b) does not cease (by virtue of subsection (8) above or otherwise) before the date when that variation takes effect;

- (10) The exercise of the power to serve a participation notice under this section on any person—

- (2) Subject to the following provisions of this section, a person on whom a participation notice has been served may apply to the Secretary of State for cancellation or variation of that notice on either or both of the following grounds, that is to say—
