- (2) The report shall—

- 9 (1) Where it is proposed to declare a distribution during the accounting reference period of the successor company which includes the appointed day, or before any accounts are laid or delivered to the registrar of companies in respect of that period, sections 270 to 276 of the ^{M18}Companies Act 1985 (relevant accounts) shall have effect as if—

 - (c) that the value of any asset and the amount of any liability of the BAA vested in the successor company by virtue of that section had been the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the statement of accounts prepared by the BAA in respect of its accounting year immediately preceding the relevant year;
 - (d) that any securities of the successor company issued or allotted before the declaration of the distribution had been issued or allotted before the end of the relevant year; and
 - (e) such other assumptions (if any) as may appear to the directors of the successor company to be necessary or expedient for the purposes of this paragraph.
- (4) for the purposes of such accounts as are mentioned in sub-paragraph (2) the amount to be included in respect of any item shall be determined as if anything done by the BAA (whether by way of acquiring, revaluing or disposing of any asset or incurring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise) had been done by the successor company.
