 - (b) as to which the conditions in Part II of Schedule 9 are fulfilled,to an individual who participates in the scheme (“the participant”).
- (2) ^{M9}Notwithstanding that, by virtue of such an appropriation of shares as is mentioned in subsection (1) above, the beneficial interest in the shares passes to the participant to whom they are appropriated—
 - (a) the value of the shares at the time of the appropriation shall be treated as not being income of his chargeable to tax under Schedule E; and

virtue of section 162 in any case where the shares are appropriated to him at an undervalue within the meaning of that section.

- (3) ^{M10}Subject to the provisions of this section and paragraph 4 of Schedule 10, if, in respect of or by reference to any of a participant's shares, the trustees become or the participant becomes entitled, before the release date, to receive any money or money's worth ("a capital receipt"), ^{F503} . . . the appropriate percentage (determined as at the time the trustees become or the participant becomes so entitled) of so much of the amount or value of the receipt as exceeds the appropriate allowance for that year, as determined under subsection (12) below [^{F504} counts as employment income of the participant for the year of assessment in which the entitlement arises].
- (4) ^{M11}If the trustees dispose of any of a participant's shares at any time before the release date or, if it is earlier, the date of the participant's death, then, subject to subsections (6) and (7) below, ^{F505} . . . the appropriate percentage of the locked-in value of the shares at the time of the disposal [^{F506} counts as employment income of the participant for the year of assessment in which the disposal takes place].
- (5) ^{M12}Subject to paragraphs 5 and 6(6) of Schedule 10, the locked-in value of a participant's shares at any time is—
- (a) if prior to that time he has become [^{F507} entitled to a capital receipt (within the meaning of subsection (3) above) which is referable to those shares and—
 - (i) an amount calculated by reference to that capital receipt counts as his employment income by virtue of subsection (3) above, or

the amount by which their initial market value exceeds the amount or value of that capital receipt or, if there has been more than one such receipt, the aggregate of them; and
 - (b) in any other case, their initial market value.
- (6) Subject to subsection (7) below, if, on a disposal of shares falling within subsection (4) above, the proceeds of the disposal are less than the locked-in value of the shares at the time of the disposal, subsection (4) above shall have effect as if that locked-in value were reduced to an amount equal to the proceeds of the disposal.
- (7) If, at any time prior to the disposal of any of a participant's shares, a payment was made to the trustees to enable them to exercise rights arising under a rights issue, then, subject to subsection (8) below, subsections (4) and (6) above shall have effect as if the proceeds of the disposal were reduced by an amount equal to that proportion of that payment or, if there was more than one, of the aggregate of those payments which, immediately before the disposal, the market value of the shares disposed of bore to the market value of all the participant's shares held by the trustees at that time.
- (8) ^{M13}For the purposes of subsection (7) above—
- (a) no account shall be taken of any payment to the trustees if or to the extent that it consists of the proceeds of a disposal of rights arising under a rights issue; and
 - (b) in relation to a particular disposal the amount of the payment or, as the case may be, of the aggregate of the payments referred to in that subsection shall be taken to be reduced by an amount equal to the total of the reduction (if any) previously made under that subsection in relation to earlier disposals;

and any reference in subsection (7) or paragraph (a) above to the rights arising under a rights issue is a reference to rights conferred in respect of a participant's shares, being rights to be allotted, on payment, other shares or securities or rights of any description in the same company.

(9) ^{M14}If at any time the participant's beneficial interest in any of his shares is disposed of, the shares in question shall be treated for the purposes of the relevant provisions as having been disposed of at that time by the trustees for (subject to subsection (10) below) the like consideration as was obtained for the disposal of the beneficial interest; and for the purposes of this subsection there is no disposal of the participant's beneficial interest if and at the time when—

- (a) in England and Wales or Northern Ireland, that interest becomes vested in any person on the insolvency of the participant or otherwise by operation of law, or
- (b) in Scotland, that interest becomes vested in a judicial factor, in a trustee on the participant's sequestrated estate or in a trustee for the benefit of the participant's creditors.

(10) If—

(a) a disposal of shares falling within subsection (4) above is a transfer to which paragraph 2(2)(c) of Schedule 9 applies, or

[^{F508}(b) any other disposal falling within that subsection is not at arm's length,]

(c) a disposal of shares falling within [^{F509}that subsection] is one which is treated as taking place by virtue of subsection (9) above and takes place within the period of retention,

then for the purposes of the relevant provisions the proceeds of the disposal shall be taken to be equal to the market value of the shares at the time of the disposal.

(11) ^{M15}Where the trustees of an approved scheme acquire any shares as to which the requirements of Part II of Schedule 9 are fulfilled and, within the period of 18 months beginning with the date of their acquisition, those shares are appropriated in accordance with the scheme, section 686 shall not apply to income consisting of dividends on those shares received by the trustees; and, for the purpose of determining whether any shares are appropriated within that period, shares which were acquired at an earlier time shall be taken to be appropriated before shares of the same class which were acquired at a later time.

(12) ^{M16}For the purposes of subsection (3) above, "the appropriate allowance", in relation to any year of assessment, means a sum which, subject to a maximum of [^{F510}£60], is the product of multiplying £20 by 1 plus the number of years which fall within the period of [^{F511}three years] immediately preceding the year in question and in which shares were appropriated to the participant under the scheme; and if in any year (and before the release date) the trustees become or the participant becomes entitled, in respect of or by reference to any of his shares, to more than one capital receipt, the receipts shall be set against the appropriate allowance for that year in the order in which they are received.

(13) Schedule 10 shall have effect with respect to profit sharing schemes.

- (1) Subsection (2) applies in a case where members of a qualifying contemplative religious community transfer all their income and assets, or covenant all their income, to the community (“the independent community”) (and for this purpose it is irrelevant whether or not the community is part of an order or religious institution).
- (2) As respects each chargeable period of the independent community, and each person who is a qualifying member of the independent community at any time in that period, the independent community shall be treated for the purposes of corporation tax as if an amount of its profits for the chargeable period equal to the relevant amount (see subsections (5) to (7)) were income of the qualifying member.
- (3) Subsection (4) applies in a case where—
 - (a) one or more qualifying contemplative religious communities (“constituent communities”) are part of an order or religious institution (“the parent body”), and
 - (b) members of the constituent communities transfer all their income and assets, or covenant all their income, to the parent body.
- (4) As respects each chargeable period of the parent body, and each person who is a qualifying member of a constituent community at any time in that period, the parent body shall be treated for the purposes of corporation tax as if an amount of its profits for the chargeable period equal to the relevant amount (see subsections (5) to (7)) were income of the qualifying member.
- (5) For the purposes of subsections (2) and (4), the relevant amount, in relation to a chargeable period, is the amount of the annual personal allowance for persons ^{F1586}born after 5 April 1948] (see section 35 of ITA 2007) for—
 - (a) the tax year which begins in the chargeable period, or
 - (b) if no tax year begins in the chargeable period, the tax year which is current when the chargeable period begins.
- (6) But, if the chargeable period is less than 12 months, the relevant amount is—

(a) has transferred or covenanted income to the community (in the case of an independent community) or the parent body (in the case of a constituent community), and

(b) has income for a tax year which does not exceed 20% of the annual personal allowance for persons [^{F1586}born after 5 April 1948] (see section 35 of ITA 2007) for that tax year,

the member is, for the purposes of this section, to be taken to have transferred or covenanted all his or her income for that tax year to the community or parent body.

(a) the community is established in the United Kingdom,

(b) the members of the community live and practise their religion in a communal establishment, and

[^{F1904}(6A) The benefit accrual condition is—

- (a) that, in the case of any money purchase arrangement relating to a member of the fund that is not a cash balance arrangement, no contributions are made under the arrangement on or after 6 April 2017;
- (b) that, in the case of any cash balance arrangement relating to a member of the fund, there is no increase on or after 6 April 2017 in the value of any person's rights under the arrangement;
- (c) that, in the case of any defined benefits arrangement relating to a member of the fund, there is no increase on or after 6 April 2017 in the value of any person's rights under the arrangement; and

- (a) for determining whether there is an increase in the value of a person's rights,
- (b) for determining the amount of any increase, and
- (c) for ignoring the whole or part of any increase;

and regulations under this subsection may make provision having effect in relation to times before the regulations are made.

(6E) In this section, “relevant percentage”, in relation to a tax year, means—
