DRIVER INFORMATION SYSTEMS: UNDERTAKERS' WORKS

Counter-notices

- 4 Where a counter-notice given under paragraph 3 above states that the operator intends himself to make any alteration—
- (a) the operator shall (subject to paragraph 6 below) have the right, instead of the relevant undertaker, to execute any works for the purpose of making that alteration; and
 - (b) any expenses incurred by the operator in or in connection with the execution of those works and the amount of any loss or damage sustained by the operator in consequence of the alteration shall be recoverable by the operator from the undertaker in any court of competent jurisdiction.
