  - (a) there is on, under or over the land any apparatus vested in or belonging to statutory undertakers; and

the undertakers may serve on the acquiring or appropriating authority a notice claiming the right to enter on the land and carry out such works for the removal or re-siting of the apparatus or any part of it as may be specified in the notice.
- (2) No notice under this section shall be served later than 21 days after the beginning of the development of land which has been acquired or appropriated as mentioned in section 271(1).
- (3) Where a notice is served under this section, the authority on whom it is served may, before the end of the period of 28 days from the date of service, serve on the statutory undertakers a counter-notice—

- (6) Where, by virtue of this section or of an order of Ministers under it, statutory undertakers have the right to execute works for the removal or re-siting of apparatus, they may arrange with the acquiring or appropriating authority for the works to be carried out by that authority, under the superintendence of the undertakers, instead of by the undertakers themselves.

**278 Objections to orders under ss. 275 and 277.**

- (1) For the purposes of sections 275 to 277, an objection to the making of an order shall not be treated as duly made unless—

- (2) Where an objection to the making of such an order is duly made in accordance with subsection (1) and is not withdrawn, the following provisions of this section shall have effect in relation to it.
- (3) Unless the appropriate Minister decides without regard to the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, before he makes a final decision he—
  - (a) shall consider the grounds of the objection as set out in the statement; and

- (b) may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.
- (4) In so far as the appropriate Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the appropriate Minister may treat the objection as irrelevant for the purpose of making a final decision.
- (5) If—
- (a) after considering the grounds of the objection as so set out, the appropriate Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates; or

  - (a) any right vested in or belonging to an operator of a telecommunications code system is extinguished; or
  - (b) any requirement is imposed on such an operator,the operator shall be entitled to compensation from the acquiring or appropriating authority at whose instance the right was extinguished or the requirement imposed.
- (4) Where—
  - (a) works are carried out for the removal or re-siting of statutory undertakers' apparatus; and

- (5) Subsection (1) shall not apply in respect of a decision or order if—
  - (a) it relates to land acquired by the statutory undertakers after 7th January 1947; and
  - (b) the Secretary of State and the appropriate Minister include in the decision or order a direction that subsection (1) shall not apply to it.
- (6) The Secretary of State and the appropriate Minister may only give a direction under subsection (5) if they are satisfied, having regard to the nature, situation and existing development of the land and of any neighbouring land, and to any other material considerations, that it is unreasonable that compensation should be recovered in respect of the decision or order in question.
