PRELIMINARY

- 1 In this Schedule an application under section 302(3) and a determination given on such an application are referred to respectively as “a compliance determination application” and “a compliance determination”.

Status: Point in time view as at 26/09/2012.

Changes to legislation: Town and Country Planning Act 1990 is up to date with all changes known to be in force on or before 19 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Making of compliance determination applications

- 2 (1) A compliance determination application may be made with respect to any land—
- (a) by the owner or occupier of the land, or
 - (b) by any person who proves that he has or intends to acquire an interest in the land which will be affected by a compliance determination or that he has borne any of the cost of carrying out works on the land during the war period.
- (2) In the case of land owned or occupied by or on behalf of the Crown, or leased to, or to a person acting on behalf of, the Crown, or land with respect to which it is proved that there is held, or intended to be acquired, by or on behalf of the Crown an interest in the land which will be affected as mentioned in sub-paragraph (1) or that any of the cost there mentioned has been borne by the Crown, a compliance determination application may be made by any person acting on behalf of the Crown.
- 3 A compliance determination application shall be accompanied by such plans and other information as are necessary to enable the application to be determined.
- 4 (1) The authority to whom a compliance determination application is made shall within 14 days from the receipt of the application publish notice of it in one or more local newspapers circulating in the area in which the land is situated and serve notice of it on any person appearing to the authority to be specially affected by the application.
- (2) The authority shall take into consideration any representations made to them in connection with the application within 14 days from the publication of the notice.

- (2) Where the authority determine that works or a use fail so to comply they shall further determine whether having regard to all relevant circumstances the works or use shall, notwithstanding the failure, be deemed so to comply, either unconditionally or subject to such conditions as to the time for which the works or use may be continued, the carrying out of alterations, or other matters, as the authority think expedient.

Appeals against compliance determinations or failure to make such determinations

- 6 (1) Where the applicant is aggrieved by a compliance determination, or where a person by whom representations have been made as mentioned in paragraph 4 is aggrieved by such a determination, he may appeal to the Secretary of State.
- (2) The applicant may also appeal if he is aggrieved by the failure of the authority to determine the application within two months from the last day on which representations under paragraph 4 may be made and has served notice on the authority that he appeals to the Secretary of State.
- (3) An appeal under this paragraph must be made within the period of 28 days after the applicant has notice of the determination or, in the case of an appeal under sub-paragraph (2), after the applicant has served notice on the authority of the appeal, or within such extended period as the Secretary of State may allow.

Fresh applications where alteration in circumstances

- 9 Where a compliance determination has been given that works on land or a use of land shall not be deemed to comply with planning control or shall be deemed to comply with it subject to conditions, then if a person entitled to make a compliance determination application with respect to the land satisfies the authority or on appeal the Secretary of State that there has been a material change of circumstances since the previous application was determined, he may make a subsequent application and on such an application the authority or on appeal the Secretary of State may substitute for the compliance determination such determination as appears proper having regard to all relevant circumstances.

References of application to Secretary of State

- 10 (1) If it appears to the Secretary of State that it is expedient, having regard to considerations affecting the public interest (whether generally or in the locality concerned), that any compliance determination application to an authority or any class or description of such applications, should instead of being determined by the authority be referred to him for decision, he may give directions to the authority requiring that application, or applications of that class or description, to be so referred.
