SCHEDULE 12

Section 180.

COMPENSATION ETC. IN RESPECT OF PIPE-LAYING AND OTHER WORKS POWERS

Compensation in respect of street works powers

- 1 (1) This paragraph applies, in relation to a relevant undertaker, to the powers conferred on it in relation to streets by sections 158, 161 and 162 of this Act.
- (2) It shall be the duty of every relevant undertaker—
- (a) to do as little damage as possible in the exercise of the powers to which this paragraph applies; and
 - (b) to pay compensation for any loss caused or damage done in the exercise of those powers.
- (3) Any dispute as to whether compensation should be paid under sub-paragraph (2) above, or as to the amount of any such compensation, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the Secretary of State.
- (4) Until the coming into force of Part III of the New Roads and Street Works Act 1991, a payment of compensation under this paragraph shall be treated for the purposes of section 32 of the Public Utilities Street Works Act 1950 (provisions against duplication of compensation) as made under an enactment passed before that Act of 1950; but nothing in this sub-paragraph shall be taken to prejudice the power of the Secretary of State under that Act of 1991 to make an order bringing Part III of that Act into force on different days for different purposes (including the purposes of this paragraph).

Compensation in respect of pipe-laying works in private land

- 2 (1) If the value of any interest in any relevant land is depreciated by virtue of the exercise, by any relevant undertaker, of any power to carry out pipe-laying works on private land, the person entitled to that interest shall be entitled to compensation from the undertaker of an amount equal to the amount of the depreciation.
- (2) Where the person entitled to an interest in any relevant land sustains loss or damage which—
- (a) is attributable to the exercise by any relevant undertaker of any power to carry out pipe-laying works on private land;
 - (b) does not consist in depreciation of the value of that interest; and
 - (c) is loss or damage for which he would have been entitled to compensation by way of compensation for disturbance, if his interest in that land had been compulsorily acquired under section 155 of this Act,
- he shall be entitled to compensation from the undertaker in respect of that loss or damage, in addition to compensation under sub-paragraph (1) above.

Status: This is the original version (as it was originally enacted).

- (3) Where any damage to, or injurious affection of, any land which is not relevant land is attributable to the exercise by any relevant undertaker, of any power to carry out pipe-laying works on private land, the undertaker shall pay compensation in respect of that damage or injurious affection to every person entitled to an interest in that land.
- (4) The Secretary of State may by regulations make provision requiring a relevant undertaker, where it is proposing or has begun, in a prescribed case, to exercise any power to carry out pipe-laying works on private land, to make advance payments on account of compensation that will become payable in respect of the exercise of that power.
- (5) In this paragraph “relevant land”, in relation to any exercise of a power to carry out pipe-laying works on private land, means the land where the power is exercised or land held with that land.
- (6) In this paragraph the references to a power to carry out pipe-laying works on private land are references to any of the powers conferred by virtue of sections 159, 161(2) and 163 of this Act.

Assessment of compensation under paragraph 2

- 3 (1) Any question of disputed compensation under paragraph 2 above shall be referred to and determined by the Lands Tribunal; and in relation to the determination of any such compensation the provisions of sections 2 and 4 of the Land Compensation Act 1961 shall apply, subject to any necessary modifications.
- (2) For the purpose of assessing any compensation under paragraph 2 above, so far as that compensation is in respect of loss or damage consisting in depreciation of the value of an interest in land, the rules set out in section 5 of the Land Compensation Act 1961 shall, so far as applicable and subject to any necessary modifications, have effect as they have effect for the purpose of assessing compensation for the compulsory acquisition of an interest in land.
- (3) Where the interest in land in respect of which any compensation falls to be assessed in accordance with sub-paragraph (2) above is subject to a mortgage—
 - (a) the compensation shall be assessed as if the interest were not subject to the mortgage;
 - (b) a claim for compensation may be made by any mortgagee of the interest, but without prejudice to the making of a claim by the person entitled to the interest;
 - (c) no such compensation shall be payable in respect of the interest of the mortgagee (as distinct from the interest which is subject to the mortgage); and
 - (d) any such compensation which is payable in respect of the interest which is subject to the mortgage shall be paid to the mortgagee or, if there is more than one mortgagee, to the first mortgagee, and shall in either case be applied by him as if it were proceeds of sale.
- (4) Where, apart from this sub-paragraph, any person entitled to an interest in any land would be entitled under paragraph 2 above to an amount of compensation in respect of any works, there shall be deducted from that amount an amount equal to the amount by which the carrying out of the works has enhanced the value of any other land which—

- (a) is contiguous or adjacent to that land; and
- (b) is land to an interest in which that person is entitled in the same capacity.

Compensation in respect of sewerage works etc.

- 4 (1) Subject to the following provisions of this paragraph, a sewerage undertaker shall make full compensation to any person who has sustained damage by reason of the exercise by the undertaker, in relation to a matter as to which that person has not himself been in default, of any of its powers under the relevant sewerage provisions.
- (2) Subject to sub-paragraph (3) below, any dispute arising under this paragraph as to the fact of damage, or as to the amount of compensation, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the Secretary of State.
- (3) If the compensation claimed under this paragraph in any case does not exceed £50, all questions as to the fact of damage, liability to pay compensation and the amount of compensation may, on the application of either party, be determined by, and any compensation awarded may be recovered before, a magistrates' court.
- (4) Sections 300 and 301 of the Public Health Act 1936 (which relate to the determination of questions by courts of summary jurisdiction and to appeals against such determinations) shall apply for the purposes of and in relation to a determination on an application under sub-paragraph (3) above as they apply for the purposes of and in relation to a determination by a magistrates' court under that Act.
- (5) No person shall be entitled by virtue of this paragraph to claim compensation on the ground that a sewerage undertaker has, in the exercise of its powers under the relevant sewerage provisions, declared any sewer or sewage disposal works, whether belonging to that person or not, to be vested in the undertaker.

Compensation in respect of metering works

- 5 (1) Without prejudice to section 148 of this Act or to paragraph 11 of Schedule 6 to this Act or paragraph 1 above, where a person authorised by any relevant undertaker carries out any works by virtue of section 162 of this Act on any premises, the undertaker shall make good, or pay compensation for, any damage caused by that person or by any person accompanying him by or in connection with the carrying out of the works.
- (2) Any dispute between a relevant undertaker and any other person (including another such undertaker)—
- (a) as to whether the undertaker should pay any compensation under this paragraph; or
 - (b) as to the amount of any such compensation,
- shall be referred to the arbitration of a single arbitrator appointed by agreement between the undertaker and that person or, in default of agreement, by the Director.

Compensation in respect of discharges for works purposes

- 6 (1) It shall be the duty of every water undertaker—
- (a) to cause as little loss and damage as possible in the exercise of the powers conferred on it by section 165 of this Act; and

Status: This is the original version (as it was originally enacted).

- (b) to pay compensation for any loss caused or damage done in the exercise of those powers.
- (2) For the purposes of subsection (1) above any extra expenditure—
 - (a) which it becomes reasonably necessary for any other water undertaker or any sewerage undertaker or public authority to incur for the purpose of properly carrying out any statutory functions; and
 - (b) which is attributable to any discharge of water under section 165 of this Act, shall be deemed to be a loss sustained by the undertaker or public authority and to have been caused in exercise of the powers conferred by that section.
- (3) Any dispute as to whether compensation should be paid under sub-paragraph (1) above, or as to the amount of any such compensation, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the President of the Institution of Civil Engineers.
