- (3) Sections 178 to 180 shall apply for the purposes of section 13 as if for any reference therein to a group of companies there were substituted a reference to a non-resident group of companies, and as if references to companies were references to companies not resident in the United Kingdom.
- (4) For the purposes of this section —
- (a) a “non-resident group” of companies—
 - (i) in the case of a group, none of the members of which are resident in the United Kingdom, means that group, and
 - (ii) in the case of a group, 2 or more members of which are not resident in the United Kingdom, means the members which are not resident in the United Kingdom;
 - (b) “group” shall be construed in accordance with section 170 without subsections (2)(a), (9) and (12) to (14).

PART II

GENERAL PROVISIONS RELATING TO COMPUTATION OF GAINS AND ACQUISITIONS AND DISPOSALS OF ASSETS

CHAPTER I

INTRODUCTORY

15 Computation of gains.

- (1) The amount of the gains accruing on the disposal of assets shall be computed in accordance with this Part, subject to the other provisions of this Act.
- (2) Every gain shall, except as otherwise expressly provided, be a chargeable gain.

16 Computation of losses.

- (1) Subject to section 72 of the ^{M4}Finance Act 1991 and except as otherwise expressly provided, the amount of a loss accruing on a disposal of an asset shall be computed in the same way as the amount of a gain accruing on a disposal is computed.
 - (2) Except as otherwise expressly provided, all the provisions of this Act which distinguish gains which are chargeable gains from those which are not, or which make part of a gain a chargeable gain, and part not, shall apply also to distinguish losses which are allowable losses from those which are not, and to make part of a loss an allowable loss, and part not; and references in this Act to an allowable loss shall be construed accordingly.
- [^{F12}(2A) A loss accruing to a person in a year of assessment shall not be an allowable loss for the purposes of this Act unless, in relation to that year, he gives a notice to an officer of the Board quantifying the amount of that loss; and sections 42 and 43 of the Management Act shall apply in relation to such a notice as if it were a claim for relief.]

- (4) In accordance with section 12(1), losses accruing on the disposal of assets situated outside the United Kingdom to an individual resident or ordinarily resident but not domiciled in the United Kingdom shall not be allowable losses.

17 Disposals and acquisitions treated as made at market value.

- (1) Subject to the provisions of this Act, a person's acquisition or disposal of an asset shall for the purposes of this Act be deemed to be for a consideration equal to the market value of the asset—
- (a) where he acquires or, as the case may be, disposes of the asset otherwise than by way of a bargain made at arm's length, and in particular where he acquires or disposes of it by way of gift or on a transfer into settlement by a settlor or by way of distribution from a company in respect of shares in the company, or
 - (b) where he acquires or, as the case may be, disposes of the asset wholly or partly for a consideration that cannot be valued, or in connection with his own or another's loss of office or employment or diminution of emoluments, or otherwise in consideration for or recognition of his or another's services or past services in any office or employment or of any other service rendered or to be rendered by him or another.
- (2) Subsection (1) shall not apply to the acquisition of an asset if—

18 Transactions between connected persons.

- (1) This section shall apply where a person acquires an asset and the person making the disposal is connected with him.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Without prejudice to the generality of section 17(1) the person acquiring the asset and the person making the disposal shall be treated as parties to a transaction otherwise than by way of a bargain made at arm's length.
- (3) Subject to subsection (4) below, if on the disposal a loss accrues to the person making the disposal, it shall not be deductible except from a chargeable gain accruing to him on some other disposal of an asset to the person acquiring the asset mentioned in subsection (1) above, being a disposal made at a time when they are connected persons.
- (4) Subsection (3) above shall not apply to a disposal by way of gift in settlement if the gift and the income from it is wholly or primarily applicable for educational, cultural or recreational purposes, and the persons benefiting from the application for those purposes are confined to members of an association of persons for whose benefit the gift was made, not being persons all or most of whom are connected persons.
- (5) Where the asset mentioned in subsection (1) above is an option to enter into a sale or other transaction given by the person making the disposal a loss accruing to the person acquiring the asset shall not be an allowable loss unless it accrues on a disposal of the option at arm's length to a person who is not connected with him.
- (6) Subject to subsection (7) below, in a case where the asset mentioned in subsection (1) above is subject to any right or restriction enforceable by the person making the disposal, or by a person connected with him, then (where the amount of the consideration for the acquisition is, in accordance with subsection (2) above, deemed to be equal to the market value of the asset) that market value shall be—
 - (a) what its market value would be if not subject to the right or restriction, minus—
 - (b) the market value of the right or restriction or the amount by which its extinction would enhance the value of the asset to its owner, whichever is the less.
- (7) If the right or restriction is of such a nature that its enforcement would or might effectively destroy or substantially impair the value of the asset without bringing any countervailing advantage either to the person making the disposal or a person connected with him or is an option or other right to acquire the asset or, in the case of incorporeal property, is a right to extinguish the asset in the hands of the person giving the consideration by forfeiture or merger or otherwise, the market value of the asset shall be determined, and the amount of the gain accruing on the disposal shall be computed, as if the right or restriction did not exist.
- (8) Subsections (6) and (7) above shall not apply to a right of forfeiture or other right exercisable on breach of a covenant contained in a lease of land or other property, and shall not apply to any right or restriction under a mortgage or other charge.

19 Deemed consideration in certain cases where assets disposed of in a series of transactions.

- (1) For the purposes of this Act, in any case where—
 - (a) by way of 2 or more material transactions which are linked (a series of linked transactions), one person disposes of assets to another person with whom he is connected or to 2 or more other persons with each of whom he is connected, and

- (b) the original market value of the assets disposed of by any of the transactions in the series, as determined under section 20, is less than the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series, as so determined,

then, subject to subsection (2) below, the disposal effected by any linked transaction in the series in respect of which the condition in paragraph (b) above is fulfilled shall be deemed to be for a consideration equal to the appropriate portion referred to in that paragraph.

- (2) Where the disposal effected by a material transaction is one to which section 58 applies, nothing in subsection (1) above shall affect the amount which, for the purposes of this Act, is the consideration for that disposal.
- (3) Subject to subsection (5) below, any reference in this section to a material transaction is a reference to a transaction by way of gift or otherwise; and, for the purposes of this section, 2 or more material transactions are linked if they occur within the period of 6 years ending on the date of the last of them.
- (4) This section shall apply or, as the case may be, shall again apply—
- (a) when a second material transaction causes a series of linked transactions to come into being; and
 - (b) whenever, on the occurrence of a further material transaction, an existing series is extended by the inclusion of that transaction (whether or not an earlier transaction ceases to form part of the series);

and all such assessments and adjustments of assessments shall be made as may be necessary to give effect to this section on each such occasion.

- (5) Where a member of a group of companies disposes of an asset to another member of the group in circumstances such that, by virtue of section 171, both companies are treated, so far as relates to corporation tax on chargeable gains, as if the consideration for the disposal were of such an amount as would secure that neither a gain nor a loss would accrue, the transaction by which that disposal is effected is not a material transaction; and a disposal in these circumstances is in this section referred to as an “inter-group transfer”.
- (6) In any case where—
- (a) a company (“company A”) disposes of an asset by way of a material transaction, and
 - (b) company A acquired the asset after 19th March 1985 by way of an inter-group transfer, and
 - (c) the disposal by company A is to a person who is connected with another company (“company B”) which at some time after 19th March 1985 disposed of the asset by way of an inter-group transfer, and
 - (d) either the disposal by way of inter-group transfer which is referred to in paragraph (c) above was the occasion of the acquisition referred to in paragraph (b) above or, between that disposal and that acquisition, there has been no disposal of the asset which was not an inter-group transfer,

then, for the purpose of determining whether subsection (1) above applies in relation to a series of linked transactions, the disposal by company A shall be treated as having been made by company B; but any increase in the consideration for that disposal resulting from the application of subsection (1) above shall have effect with respect to company A.

Status: Point in time view as at 31/12/1995.

20 Original market value and aggregate market value for purposes of section 19.

- (1) This section has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 19.
- (2) Expressions used in this section have the same meaning as in that section.
- (3) Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
 - (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from section 19, would be deemed to be the consideration for that transaction for the purposes of this Act; and
 - (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of this Act to be the consideration for the transaction concerned (whether by virtue of the previous operation of section 19, or by virtue of any other provision of this Act).
- (4) Subject to subsections (6) to (9) below, in relation to any transaction in a series of linked transactions—
 - (a) any reference in this section or section 19 to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of this Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
 - (b) any reference in section 19 to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.
- (5) The reference in subsection (4)(a) above to considering all the assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.
- (6) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of subsections (4) and (5) above in relation to each of the transactions in the series—
 - (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer; and
 - (b) subject to subsection (7) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately before the first of the transactions in the series and ending immediately before the last.
- (7) If, before the first of the transactions referred to in paragraph (b) of subsection (6) above, the person concerned (being a company) disposed of any assets by way of an

inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.

- (8) In the application of subsection (6) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (9) In subsection (8) above “securities” includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

CHAPTER II

- (a) references to a disposal of an asset include, except where the context otherwise requires, references to a part disposal of an asset, and
 - (b) there is a part disposal of an asset where an interest or right in or over the asset is created by the disposal, as well as where it subsists before the disposal, and generally, there is a part disposal of an asset where, on a person making a disposal, any description of property derived from the asset remains undisposed of.

22 Disposal where capital sums derived from assets.

- (1) Subject to sections 23 and 26(1), and to any other exceptions in this Act, there is for the purposes of this Act a disposal of assets by their owner where any capital sum is derived from assets notwithstanding that no asset is acquired by the person paying the capital sum, and this subsection applies in particular to—
- (a) capital sums received by way of compensation for any kind of damage or injury to assets or for the loss, destruction or dissipation of assets or for any depreciation or risk of depreciation of an asset,
 - (b) capital sums received under a policy of insurance of the risk of any kind of damage or injury to, or the loss or depreciation of, assets,

- (c) capital sums received in return for forfeiture or surrender of rights, or for refraining from exercising rights, and
 - (d) capital sums received as consideration for use or exploitation of assets.
- (2) In the case of a disposal within paragraph (a), (b), (c) or (d) of subsection (1) above, the time of the disposal shall be the time when the capital sum is received as described in that subsection.
- (3) In this section “capital sum” means any money or money’s worth which is not excluded from the consideration taken into account in the computation of the gain.

Modifications etc. (not altering text)

C9 S. 22 excluded (27.7.1993) by 1993 c. 37, s. 12, Sch. 2 Pt. I para.17

23 Receipt of compensation and insurance money not treated as a disposal.

- (1) If the recipient so claims, receipt of a capital sum within paragraph (a), (b), (c) or (d) of section 22(1) derived from an asset which is not lost or destroyed shall not be treated for the purposes of this Act as a disposal of the asset if—
- (a) the capital sum is wholly applied in restoring the asset, or
 - (b) (subject to subsection (2) below), the capital sum is applied in restoring the asset except for a part of the capital sum which is not reasonably required for the purpose and which is small as compared with the whole capital sum, or
 - (c) (subject to subsection (2) below), the amount of the capital sum is small, as compared with the value of the asset,
- but, if the receipt is not treated as a disposal, all sums which would, if the receipt had been so treated, have been brought into account as consideration for that disposal in the computation of the gain shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.
- (2) If the allowable expenditure is less than the consideration for the disposal constituted by the receipt of the capital sum (or is nil)—
- (a) paragraphs (b) and (c) of subsection (1) above shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the consideration for the disposal shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the disposal or any subsequent occasion.

In this subsection “allowable expenditure” means expenditure which, immediately before the disposal, was attributable to the asset under paragraphs (a) and (b) of section 38(1).

- (3) If, in a case not falling within subsection (1)(b) above, a part of a capital sum within paragraph (a) or paragraph (b) of section 22(1) derived from an asset which is not lost or destroyed is applied in restoring the asset, then if the recipient so claims, that part of the capital sum shall not be treated as consideration for the disposal deemed to be effected on receipt of the capital sum but shall be deducted from any expenditure

allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.

- (4) If an asset is lost or destroyed and a capital sum received by way of compensation for the loss or destruction, or under a policy of insurance of the risk of the loss or destruction, is within one year of receipt, or such longer period as the inspector may allow, applied in acquiring an asset in replacement of the asset lost or destroyed the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of the old asset were (if otherwise of a greater amount) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the excess of the amount of the capital sum received by way of compensation or under the policy of insurance, together with any residual or scrap value, over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (5) A claim shall not be made under subsection (4) above if part only of the capital sum is applied in acquiring the new asset but if all of that capital sum except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old asset is so applied, then the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the amount by which the gain is reduced under paragraph (a) of this subsection.
- (6) This section shall not apply in relation to a wasting asset.

- (3) For the purposes of subsections (1) and (2) above, a building and any permanent or semi-permanent structure in the nature of a building may be regarded as an asset separate from the land on which it is situated, but where either of those subsections applies in accordance with this subsection, the person deemed to make the disposal of the building or structure shall be treated as if he had also sold, and immediately reacquired, the site of the building or structure (including in the site any land occupied for purposes ancillary to the use of the building or structure) for a consideration equal to its market value at that time.

25 Non-residents: deemed disposals.

- (1) Where an asset ceases by virtue of becoming situated outside the United Kingdom to be a chargeable asset in relation to a person, he shall be deemed for all purposes of this Act—
- (a) to have disposed of the asset immediately before the time when it became situated outside the United Kingdom, and
 - (b) immediately to have reacquired it,
- at its market value at that time.
- (2) Subsection (1) above does not apply—
- (a) where the asset becomes situated outside the United Kingdom contemporaneously with the person there mentioned ceasing to carry on a trade in the United Kingdom through a branch or agency, or
 - (b) where the asset is an exploration or exploitation asset.
- (3) Where an asset ceases to be a chargeable asset in relation to a person by virtue of his ceasing to carry on a trade in the United Kingdom through a branch or agency, he shall be deemed for all purposes of this Act—
- (a) to have disposed of the asset immediately before the time when he ceased to carry on the trade in the United Kingdom through a branch or agency, and
 - (b) immediately to have reacquired it,
- at its market value at that time.
- (4) Subsection (3) above shall not apply to an asset by reason of a transfer of the whole or part of the long term business of an insurance company to another company if section 139 has effect in relation to the asset by virtue of section 211.
- (5) Subsection (3) above does not apply to an asset which is a chargeable asset in relation to the person there mentioned at any time after he ceases to carry on the trade in the United Kingdom through a branch or agency and before the end of the chargeable period in which he does so.
- (6) In this section—
- “exploration or exploitation asset” means an asset used in connection with exploration or exploitation activities carried on in the United Kingdom or a designated area, and
- “designated area” and “exploration or exploitation activities” have the same meanings as in section 276.

- (7) For the purposes of this section an asset is at any time a chargeable asset in relation to a person if, were it to be disposed of at that time, any chargeable gains accruing to him on the disposal—
- (a) would be gains in respect of which he would be chargeable to capital gains tax under section 10(1), or
 - (b) would form part of his chargeable profits for corporation tax purposes by virtue of section 10(3).
- (8) This section shall apply as if references to a trade included references to a profession or vocation.

26 Mortgages and charges not to be treated as disposals.

- (1) The conveyance or transfer by way of security of an asset or of an interest or right in or over it, or transfer of a subsisting interest or right by way of security in or over an asset (including a retransfer on redemption of the security), shall not be treated for the purposes of this Act as involving any acquisition or disposal of the asset.
- (2) Where a person entitled to an asset by way of security or to the benefit of a charge or incumbrance on an asset deals with the asset for the purpose of enforcing or giving effect to the security, charge or incumbrance, his dealings with it shall be treated for the purposes of this Act as if they were done through him as nominee by the person entitled to it subject to the security, charge or incumbrance; and this subsection shall apply to the dealings of any person appointed to enforce or give effect to the security, charge or incumbrance as receiver and manager or judicial factor as it applies to the dealings of the person entitled as aforesaid.
- (3) An asset shall be treated as having been acquired free of any interest or right by way of security subsisting at the time of any acquisition of it, and as being disposed of free of any such interest or right subsisting at the time of the disposal; and where an asset is acquired subject to any such interest or right the full amount of the liability thereby assumed by the person acquiring the asset shall form part of the consideration for the acquisition and disposal in addition to any other consideration.

27 Disposals in cases of hire-purchase and similar transactions.

A hire-purchase or other transaction under which the use and enjoyment of an asset is obtained by a person for a period at the end of which the property in the asset will or may pass to that person shall be treated for the purposes of this Act, both in relation to that person and in relation to the person from whom he obtains the use and enjoyment of the asset, as if it amounted to an entire disposal of the asset to that person at the beginning of the period for which he obtains the use and enjoyment of the asset, but subject to such adjustments of tax, whether by way of repayment or discharge of tax or otherwise, as may be required where the period for which that person has the use and enjoyment of the asset terminates without the property in the asset passing to him.

29 General provisions.

- (1) Without prejudice to the generality of the provisions of this Act as to the transactions which are disposals of assets, any transaction which under the following subsections is to be treated as a disposal of an asset—
- (a) shall be so treated (with a corresponding acquisition of an interest in the asset) notwithstanding that there is no consideration, and
 - (b) so far as, on the assumption that the parties to the transaction were at arm's length, the party making the disposal could have obtained consideration, or additional consideration, for the disposal, shall be treated as not being at arm's length and the consideration so obtainable, or the additional consideration so obtainable added to the consideration actually passing, shall be treated as the market value of what is acquired.
- (2) If a person having control of a company exercises his control so that value passes out of shares in the company owned by him or a person with whom he is connected, or out of rights over the company exercisable by him or by a person with whom he is connected, and passes into other shares in or rights over the company, that shall be a disposal of the shares or rights out of which the value passes by the person by whom they were owned or exercisable.
- (3) A loss on the disposal of an asset shall not be an allowable loss to the extent to which it is attributable to value having passed out of other assets, being shares in or rights over a company which by virtue of the passing of value are treated as disposed of under subsection (2) above.
- (4) If, after a transaction which results in the owner of land or of any other description of property becoming the lessee of the property there is any adjustment of the rights and liabilities under the lease, whether or not involving the grant of a new lease, which is as a whole favourable to the lessor, that shall be a disposal by the lessee of an interest in the property.
- (5) If an asset is subject to any description of right or restriction the extinction or abrogation, in whole or in part, of the right or restriction by the person entitled to enforce it shall be a disposal by him of the right or restriction.

30 Tax-free benefits.

- (1) This section has effect as respects the disposal of an asset if a scheme has been effected or arrangements have been made (whether before or after the disposal) whereby—
 - (a) the value of the asset or a relevant asset has been materially reduced, and
 - (b) a tax-free benefit has been or will be conferred—
 - (i) on the person making the disposal or a person with whom he is connected, or
 - (ii) subject to subsection (4) below, on any other person.
- (2) For the purposes of this section, where the asset disposed of by a company (“the disposing company”) consists of shares in, or securities of, another company, another asset is a relevant asset if, at the time of the disposal, it is owned by a company associated with the disposing company; but no account shall be taken of any reduction in the value of a relevant asset except in a case where—
 - (a) during the period beginning with the reduction in value and ending immediately before the disposal by the disposing company, there is no disposal of the asset to any person, other than a disposal falling within section 171(1),
 - (b) no disposal of the asset is treated as having occurred during that period by virtue of section 178 or 179, and
 - (c) if the reduction had not taken place but any consideration given for the relevant asset and any other material circumstances (including any consideration given before the disposal for the asset disposed of) were unchanged, the value of the asset disposed of would, at the time of the disposal, have been materially greater;

and in this subsection “securities” has the same meaning as in section 132.
- (3) For the purposes of subsection (1)(b) above a benefit is conferred on a person if he becomes entitled to any money or money’s worth or the value of any asset in which he has an interest is increased or he is wholly or partly relieved from any liability to which he is subject; and a benefit is tax-free unless it is required, on the occasion on which it is conferred on the person in question, to be brought into account in computing his income, profits or gains for the purposes of income tax, capital gains tax or corporation tax.
- (4) This section shall not apply by virtue of subsection (1)(b)(ii) above if it is shown that avoidance of tax was not the main purpose or one of the main purposes of the scheme or arrangements in question.
- (5) Where this section has effect in relation to any disposal, any allowable loss or chargeable gain accruing on the disposal shall be calculated as if the consideration for the disposal were increased by such amount as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable having regard to the scheme or arrangements and the tax-free benefit in question.
- (6) Where—
 - (a) by virtue of subsection (5) above the consideration for the disposal of an asset has been treated as increased, and
 - (b) the benefit taken into account under subsection (1)(b) above was an increase in the value of another asset,

any allowable loss or chargeable gain accruing on the first disposal of the other asset after the increase in its value shall be calculated as if the consideration for that

- (7) References in this section to a disposal do not include references to any disposal falling within section 58(1), 62(4) or 171(1).
- (8) References in this section, in relation to any disposal, to a reduction in the value of an asset, where the asset consists of shares owned by a company in another company, shall be interpreted in accordance with sections 31 to 33 and, in those sections, the disposal, the asset and those companies are referred to respectively as “the section 30 disposal”, “the principal asset”, “the first company” and “the second company”.
- (9) In relation to a case in which the disposal of an asset precedes its acquisition the references in subsections (1)(a) and (2) above to a reduction shall be read as including a reference to an increase.

31 Distributions within a group followed by a disposal of shares.

- (1) The references in section 30 to a reduction in the value of an asset, in the case mentioned in subsection (8) of that section, do not include a reduction attributable to the payment of a dividend by the second company at a time when it and the first company are associated, except to the extent (if any) that the dividend is attributable to chargeable profits of the second company and, in such a case, the tax-free benefit shall be ascertained without regard to any part of the dividend that is not attributable to such profits.
- (2) Subsections (3) to (11) below apply for the interpretation of subsection (1) above.
- (3) Chargeable profits shall be ascertained as follows—
- the distributable profits of any company are chargeable profits of that company to the extent that they are profits arising on a transaction caught by this section, and
 - where any company makes a distribution attributable wholly or partly to chargeable profits (including any profits that are chargeable profits by virtue of this paragraph) to another company, the distributable profits of the other company, so far as they represent that distribution or so much of it as was attributable to chargeable profits, are chargeable profits of the other company, and for this purpose any loss or other amount to be set against the profits of a company in determining the distributable profits shall be set first against profits other than the profits so arising or, as the case may be, representing so much of the distribution as was attributable to chargeable profits.

- (4) The distributable profits of a company are such profits computed on a commercial basis as, after allowing for any provision properly made for tax, the company is empowered, assuming sufficient funds, to distribute to persons entitled to participate in the profits of the company.
- (5) Profits of a company (“company A”) are profits arising on a transaction caught by this section where each of the following 3 conditions is satisfied.
- (6) The first condition is that the transaction is—
- (a) a disposal of an asset by company A to another company in circumstances such that company A and the other company are treated as mentioned in section 171(1), or
 - (b) an exchange, or a transaction treated for the purposes of section 135(2) and (3) as an exchange, of shares in or debentures of a company held by company A for shares in or debentures of another company, being a company associated with company A immediately after the transaction, and is treated by virtue of section 135(3) as a reorganisation of share capital, or
 - (c) a revaluation of an asset in the accounting records of company A.
- In the following conditions the “asset with enhanced value” means (subject to section 33), in the paragraph (a) case, the asset acquired by the person to whom the disposal is made, in the paragraph (b) case, the shares in or debentures of the other company and, in the paragraph (c) case, the revalued asset.
- (7) The second condition is that—
- (a) during the period beginning with the transaction referred to in subsection (6) above and ending immediately before the section 30 disposal, there is no disposal of the asset with enhanced value to any person, other than a disposal falling within section 171(1), and
 - (b) no disposal of the asset with enhanced value is treated as having occurred during that period by virtue of section 178 or 179.
- (8) The third condition is that, immediately after the section 30 disposal, the asset with enhanced value is owned by a person other than the company making that disposal or a company associated with it.
- (9) The conditions in subsections (6) to (8) above are not satisfied if—
- (a) at the time of the transaction referred to in subsection (6) above, company A carries on a trade and a profit on a disposal of the asset with enhanced value would form part of the trading profits, or
 - (b) by reason of the nature of the asset with enhanced value, a disposal of it could give rise neither to a chargeable gain nor to an allowable loss, or
 - (c) immediately before the section 30 disposal, the company owning the asset with enhanced value carries on a trade and a profit on a disposal of the asset would form part of the trading profits.
- (10) The amount of chargeable profits of a company to be attributed to any distribution made by the company at any time in respect of any class of shares, securities or rights shall be ascertained by—
- (a) determining the total of distributable profits, and the total of chargeable profits, that remains after allowing for earlier distributions made in respect of that or any other class of shares, securities or rights, and for distributions

made at or to be made after that time in respect of other classes of shares, securities or rights, and

- (b) attributing first to that distribution distributable profits other than chargeable profits.
- (11) The amount of chargeable profits of a company to be attributed to any part of a distribution made at any time to which a person is entitled by virtue of any part of his holding of any class of shares, securities or rights, shall be such proportion of the chargeable profits as are attributable under subsection (10) above to the distributions made at that time in respect of that class as corresponds to that part of his holding.

32 Disposals within a group followed by a disposal of shares.

- (1) The references in section 30 to a reduction in the value of an asset, in the case mentioned in subsection (8) of that section, do not include a reduction attributable to the disposal of any asset (“the underlying asset”) by the second company at a time when it and the first company are associated, being a disposal falling within section 171(1), except in a case within subsection (2) below.
- (2) A case is within this subsection if the amount or value of the actual consideration for the disposal of the underlying asset—
- (a) is less than the market value of the underlying asset, and
 - (b) is less than the cost of the underlying asset,
- unless the disposal is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax.
- (3) For the purposes of subsection (2) above, the cost of an asset owned by a company is the aggregate of—
- (a) any capital expenditure incurred by the company in acquiring or providing the asset, and
 - (b) any other capital expenditure incurred by the company in respect of the asset while owned by that company.
- (4) For the purposes of this section, where the disposal of the underlying asset is a part disposal, the reference in subsection (2)(a) above to the market value of the underlying asset is to the market value of the asset acquired by the person to whom the disposal is made and the amounts to be attributed to the underlying asset under paragraphs (a) and (b) of subsection (3) above shall be reduced to the appropriate proportion of those amounts, that is—
- (a) the proportion of capital expenditure in respect of the underlying asset properly attributed in the accounting records of the company to the asset acquired by the person to whom the disposal is made, or
 - (b) where paragraph (a) above does not apply, such proportion as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable.
- (5) Where by virtue of a distribution in the course of dissolving or winding up the second company the first company is treated as disposing of an interest in the principal asset, the exception mentioned in subsection (1) above does not apply.

33 Provisions supplementary to sections 30 to 32.

- (1) For the purposes of sections 30(2) and 31(7) to (9), subsections (2) to (6) below apply for the purpose of determining in the case of any asset (“the original asset”) whether it is subsequently disposed of or treated as disposed of or owned or any other condition is satisfied in respect of it.
- (2) References in sections 30(2)(a) and (b) and 31(7) to a disposal are to a disposal other than a part disposal.
- (3) References to an asset are to the original asset or, where at a later time one or more assets are treated by virtue of subsections (5) or (6) below as the same as the original asset—
 - (a) if no disposal falling within paragraph (a) or (b) of section 30(2) or, as the case may be, of 31(7) has occurred, those references are to the asset so treated or, as the case may be, all the assets so treated, and
 - (b) in any other case, those references are to an asset or, as the case may be, all the assets representing that part of the value of the original asset that remains after allowing for earlier disposals falling within the paragraphs concerned, references in this subsection to a disposal including a disposal which would fall within the paragraphs concerned but for subsection (2) above.
- (4) Where by virtue of subsection (3) above those references are to 2 or more assets—
 - (a) those assets shall be treated as if they were a single asset,
 - (b) any disposal of any one of them is to be treated as a part disposal, and
 - (c) the reference in section 30(2) to the asset owned at the time of the disposal by a company associated with the disposing company and the reference in section 31(8) to the asset with enhanced value is to all or any of those assets.
- (5) Where there is a part disposal of an asset, that asset and the asset acquired by the person to whom the disposal is made are to be treated as the same.
- (6) Where the value of an asset is derived from any other asset in the ownership of the same or an associated company, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the first asset is to be treated as the same as the second.
- (7) For the purposes of section 30(2), where account is to be taken under that subsection of a reduction in the value of a relevant asset and at the time of the disposal by the disposing company referred to in that subsection—
 - (a) references to the relevant asset are by virtue of this section references to 2 or more assets treated as a single asset, and
 - (b) one or more but not all of those assets are owned by a company associated with the disposing company,

the amount of the reduction in the value of the relevant asset to be taken into account by virtue of that subsection shall be reduced to such amount as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable.
- (8) For the purposes of section 31, where—
 - (a) a dividend paid by the second company is attributable to chargeable profits of that company, and

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. - (b) the condition in subsection (7), (8) or (9)(c) of that section is satisfied by reference to an asset, or assets treated as a single asset, treated by virtue of subsection (3)(b) above as the same as the asset with enhanced value, the amount of the reduction in value of the principal asset shall be reduced to such amount as appears to the inspector, or on appeal the Commissioners concerned, to be just and reasonable.
- (9) For the purposes of sections 30 to 32 and this section, companies are associated if they are members of the same group.
- (10) Section 170(2) to (11) applies for the purposes of sections 30 to 32 and this section as it applies for the purposes of that section.

34 Transactions treated as a reorganisation of share capital.

- (1) Where—
 - (a) but for sections 127 and 135(3), section 30 would have effect as respects the disposal by a company (“the disposing company”) of an asset consisting of shares in or debentures of another company (“the original holding”) in exchange for shares in or debentures of a further company which, immediately after the disposal, is not a member of the same group as the disposing company, and
 - (b) if section 30 had effect as respects that disposal, any allowable loss or chargeable gain accruing on the disposal would be calculated as if the consideration for the disposal were increased by an amount, the disposing company shall be treated for the purposes of section 128(3) as receiving, on the reorganisation of share capital that is treated as occurring by virtue of section 135(3), that amount for the disposal of the original holding.
- (2) For the purposes of subsection (1) above it shall be assumed that section 136 has effect generally for the purposes of this Act, and in that subsection “group” has the same meaning as in sections 30 to 33.

- (2) Subject to the following provisions of this section, in computing for the purpose of this Act the gain or loss accruing on the disposal it shall be assumed that the asset was on 31st March 1982 sold by the person making the disposal, and immediately reacquired by him, at its market value on that date.
- (3) Subject to subsection (5) below, subsection (2) above shall not apply to a disposal—

- (a) where a gain would accrue on the disposal to the person making the disposal if that subsection did apply, and either a smaller gain or a loss would so accrue if it did not,
 - (b) where a loss would so accrue if that subsection did apply, and either a smaller loss or a gain would accrue if it did not,
 - (c) where, either on the facts of the case or by virtue of Schedule 2, neither a gain nor a loss would accrue if that subsection did not apply, or
 - (d) where neither a gain nor a loss would accrue by virtue of any of—

- (4) Where in the case of a disposal of an asset—

 - (b) the application of subsection (2) is excluded by subsection (3),
- it shall be assumed in relation to the disposal that the asset was acquired by the person making the disposal for a consideration such that, on the disposal, neither a gain nor a loss accrues to him.
- (5) If a person so elects, disposals made by him (including any made by him before the election) shall fall outside subsection (3) above (so that subsection (2) above is not excluded by that subsection).
- (6) An election by a person under subsection (5) above shall be irrevocable and shall be made by notice to the inspector at any time before 6th April 1990 or at any time during the period beginning with the day of the first relevant disposal and ending—

37 Consideration chargeable to tax on income.

- (1) There shall be excluded from the consideration for a disposal of assets taken into account in the computation of the gain any money or money's worth charged to income tax as income of, or taken into account as a receipt in computing income or profits or gains or losses of, the person making the disposal for the purposes of the Income Tax Acts.
- (2) Subsection (1) above shall not be taken as excluding from the consideration so taken into account any money or money's worth which is—

the sums so allowable under section 38 shall, subject to subsection (2) below, include the amount of any interest on that borrowed money which is referable to a period or part of a period ending on or before the disposal.

(2) Subsection (1) above has effect subject to section 39 and does not apply to interest which is a charge on income.

and the sums so allowable under section 38 shall include the amount of that interest charged to capital.”;

41 Restriction of losses by reference to capital allowances and renewals allowances.

(1) Section 39 shall not require the exclusion from the sums allowable as a deduction in the computation of the gain of any expenditure as being expenditure in respect of which a capital allowance or renewals allowance is made, but the amount of any losses accruing on the disposal of an asset shall be restricted by reference to capital allowances and renewals allowances as follows.

(2) In the computation of the amount of a loss accruing to the person making the disposal, there shall be excluded from the sums allowable as a deduction any expenditure to the extent to which any capital allowance or renewals allowance has been or may be made in respect of it.

(3) If the person making the disposal acquired the asset—

(a) by a transfer by way of sale in relation to which an election under section 158 of the 1990 Act was made, or

(b) by a transfer to which section 78(2) of that Act applies,

(being enactments under which a transfer is treated for the purposes of capital allowances as being made at written down value), the preceding provisions of this section shall apply as if any capital allowance made to the transferor in respect of the asset had (except so far as any loss to the transferor was restricted under those provisions) been made to the person making the disposal (that is the transferee); and where the transferor acquired the asset by such a transfer, capital allowances which by virtue of this subsection can be taken into account in relation to the transferor shall also be taken into account in relation to the transferee (that is the person making the disposal), and so on for any series of transfers before the disposal.

- (b) any relief given under section 30 of the Taxes Act (expenditure on sea walls), and

- (5) In this section “renewals allowance” means a deduction allowable in computing the profits or gains of a trade, profession or vocation for the purpose of income tax by reference to the cost of acquiring an asset for the purposes of the trade, profession or vocation in replacement of another asset, and for the purposes of this Chapter a renewals allowance shall be regarded as a deduction allowable in respect of the expenditure incurred on the asset which is being replaced.

$$\frac{A}{A+B}$$

and the remainder shall be attributed to the property which remains undisposed of.

- (3) Any apportionment to be made in pursuance of this section shall be made before operating the provisions of section 41 and if, after a part disposal, there is a subsequent disposal of an asset the capital allowances or renewals allowances to be taken into account in pursuance of that section in relation to the subsequent disposal shall, subject to subsection (4) below, be those referable to the sums which under paragraphs (a) and (b) of section 38(1) are attributable to the asset whether before or after the part disposal, but those allowances shall be reduced by the amount (if any) by which the loss on the earlier disposal was restricted under the provisions of section 41.
- (4) This section shall not be taken as requiring the apportionment of any expenditure which, on the facts, is wholly attributable to what is disposed of, or wholly attributable to what remains undisposed of.
- (5) It is hereby declared that this section, and all other provisions for apportioning on a part disposal expenditure which is deductible in computing a gain, are to be operated before the operation of, and without regard to, section 58(1), sections 152 to 158 (but without prejudice to section 152(10)), section 171(1) or any other enactment making an adjustment to secure that neither a gain nor a loss occurs on a disposal.

43 Assets derived from other assets.

If and so far as, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the value of an asset is derived from any other asset in the same ownership, an appropriate proportion of the sums allowable as a deduction in the computation of a gain in respect of the other asset under paragraphs (a) and (b) of section 38(1) shall, both for the purpose of the computation of a gain accruing on the disposal of the first-mentioned asset and, if the other asset remains in existence, on a disposal of that other asset, be attributed to the first-mentioned asset.

Wasting assets

44 Meaning of “wasting asset”.

- (1) In this Chapter “wasting asset” means an asset with a predictable life not exceeding 50 years but so that—
 - (a) freehold land shall not be a wasting asset whatever its nature, and whatever the nature of the buildings or works on it;
 - (b) “life”, in relation to any tangible movable property, means useful life, having regard to the purpose for which the tangible assets were acquired or provided by the person making the disposal;
 - (c) plant and machinery shall in every case be regarded as having a predictable life of less than 50 years, and in estimating that life it shall be assumed that its life will end when it is finally put out of use as being unfit for further use, and that it is going to be used in the normal manner and to the normal extent and is going to be so used throughout its life as so estimated;

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (d) a life interest in settled property shall not be a wasting asset until the predictable expectation of life of the life tenant is 50 years or less, and the predictable life of life interests in settled property and of annuities shall be ascertained from actuarial tables approved by the Board.
- (2) In this Chapter “the residual or scrap value”, in relation to a wasting asset, means the predictable value, if any, which the wasting asset will have at the end of its predictable life as estimated in accordance with this section.
- (3) The question what is the predictable life of an asset, and the question what is its predictable residual or scrap value at the end of that life, if any, shall, so far as those questions are not immediately answered by the nature of the asset, be taken, in relation to any disposal of the asset, as they were known or ascertainable at the time when the asset was acquired or provided by the person making the disposal.

45 Exemption for certain wasting assets.

- (1) Subject to the provisions of this section, no chargeable gain shall accrue on the disposal of, or of an interest in, an asset which is tangible movable property and which is a wasting asset.
- (2) Subsection (1) above shall not apply to a disposal of, or of an interest in, an asset—
- (a) if, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, the asset has been used and used solely for the purposes of a trade, profession or vocation and if that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset or interest under paragraph (a) or paragraph (b) of section 38(1); or
 - (b) if the person making the disposal has incurred any expenditure on the asset or interest which has otherwise qualified in full for any capital allowance.
- (3) In the case of the disposal of, or of an interest in, an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset or interest by virtue of section 38(1)(a) and (b), shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) subsection (1) above shall not apply to any gain accruing by reference to the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances.
- (4) Subsection (1) above shall not apply to a disposal of commodities of any description by a person dealing on a terminal market or dealing with or through a person ordinarily engaged in dealing on a terminal market.

Status: Point in time view as at 31/12/1995.

46 **Straightline restriction of allowable expenditure.**

- (1) In the computation of the gain accruing on the disposal of a wasting asset it shall be assumed—
- (a) that any expenditure attributable to the asset under section 38(1)(a) after deducting the residual or scrap value, if any, of the asset, is written off at a uniform rate from its full amount at the time when the asset is acquired or provided to nothing at the end of its life, and
 - (b) that any expenditure attributable to the asset under section 38(1)(b) is written off from the full amount of that expenditure at the time when that expenditure is first reflected in the state or nature of the asset to nothing at the end of its life, so that an equal daily amount is written off day by day.
- (2) Thus, calling the predictable life of a wasting asset at the time when it was acquired or provided by the person making the disposal L , the period from that time to the time of disposal $T(1)$, and, in relation to any expenditure attributable to the asset under section 38(1)(b), the period from the time when that expenditure is first reflected in the state or nature of the asset to the said time of disposal $T(2)$, there shall be excluded from the computation of the gain—
- (a) out of the expenditure attributable to the asset under section 38(1)(a) a fraction—

$$\frac{T(1)}{L}$$

of an amount equal to the amount of that expenditure minus the residual or scrap value, if any, of the asset, and

- (b) out of the expenditure attributable to the asset under section 38(1)(b) a fraction—

$$\frac{T(2)}{L - (T(1) - T(2))}$$

of the amount of the expenditure.

- (3) If any expenditure attributable to the asset under section 38(1)(b) creates or increases a residual or scrap value of the asset, the provisions of subsection (1)(a) above shall be applied so as to take that into account.

47 **Wasting assets qualifying for capital allowances.**

- (1) Section 46 shall not apply in relation to a disposal of an asset—
- (a) which, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, is used and used solely for the purposes of a trade, profession or vocation and in respect of which that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset under paragraph (a) or paragraph (b) of section 38(1), or
 - (b) on which the person making the disposal has incurred any expenditure which has otherwise qualified in full for any capital allowance.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In the case of the disposal of an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset by paragraph (a) or paragraph (b) of section 38(1) shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) section 46 shall not apply for the purposes of the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances, and
 - (d) if an apportionment of the consideration for the disposal has been made for the purposes of making any capital allowance to the person making the disposal or for the purpose of making any balancing charge on him, that apportionment shall be employed for the purposes of this section, and
 - (e) subject to paragraph (d) above, the consideration for the disposal shall be apportioned for the purposes of this section in the same proportions as the expenditure attributable to the asset is apportioned under paragraph (a) above.

Miscellaneous provisions

48 Consideration due after time of disposal.

In the computation of the gain consideration for the disposal shall be brought into account without any discount for postponement of the right to receive any part of it and, in the first instance, without regard to a risk of any part of the consideration being irrecoverable or to the right to receive any part of the consideration being contingent; and if any part of the consideration so brought into account is subsequently shown to the satisfaction of the inspector to be irrecoverable, such adjustment, whether by way of discharge or repayment of tax or otherwise, shall be made as is required in consequence.

49 Contingent liabilities.

- (1) In the first instance no allowance shall be made in the computation of the gain—
- (a) in the case of a disposal by way of assigning a lease of land or other property, for any liability remaining with, or assumed by, the person making the disposal by way of assigning the lease which is contingent on a default in respect of liabilities thereby or subsequently assumed by the assignee under the terms and conditions of the lease,
 - (b) for any contingent liability of the person making the disposal in respect of any covenant for quiet enjoyment or other obligation assumed as vendor of land, or of any estate or interest in land, or as a lessor,
 - (c) for any contingent liability in respect of a warranty or representation made on a disposal by way of sale or lease of any property other than land.

- (2) If it is subsequently shown to the satisfaction of the inspector that any such contingent liability has become enforceable, and is being or has been enforced, such adjustment, whether by way of discharge or repayment of tax or otherwise, shall be made as is required in consequence.
- (3) Subsection (2) above also applies where the disposal in question was before the commencement of this section.

50 Expenditure reimbursed out of public money.

There shall be excluded from the computation of a gain any expenditure which has been or is to be met directly or indirectly by the Crown or by any Government, public or local authority whether in the United Kingdom or elsewhere.

51 Exemption for winnings and damages etc.

- (1) It is hereby declared that winnings from betting, including pool betting, or lotteries or games with prizes are not chargeable gains, and no chargeable gain or allowable loss shall accrue on the disposal of rights to winnings obtained by participating in any pool betting or lottery or game with prizes.
- (2) It is hereby declared that sums obtained by way of compensation or damages for any wrong or injury suffered by an individual in his person or in his profession or vocation are not chargeable gains.

52 Supplemental.

- (1) No deduction shall be allowable in a computation of the gain more than once from any sum or from more than one sum.
- (2) References in this Chapter to sums taken into account as receipts or as expenditure in computing profits or gains or losses for the purposes of income tax shall include references to sums which would be so taken into account but for the fact that any profits or gains of a trade, profession, employment or vocation are not chargeable to income tax or that losses are not allowable for those purposes.
- (3) In this Chapter references to income or profits charged or chargeable to tax include references to income or profits taxed or as the case may be taxable by deduction at source.
- (4) For the purposes of any computation of the gain any necessary apportionments shall be made of any consideration or of any expenditure and the method of apportionment adopted shall, subject to the express provisions of this Chapter, be such method as appears to the inspector or on appeal the Commissioners concerned to be just and reasonable.

CHAPTER IV

COMPUTATION OF GAINS: THE INDEXATION ALLOWANCE

General

53 The indexation allowance and interpretative provisions.

(1) Subject to any provision to the contrary, [^{F21}if on the disposal of an asset there is an unindexed gain, an allowance (“the indexation allowance”) shall be allowed against the unindexed gain—

- (a) so as to give the gain for the purposes of this Act, or
- (b) if the indexation allowance equals or exceeds the unindexed gain, so as to extinguish it (in which case the disposal shall be one on which, after taking account of the indexation allowance, neither a gain nor a loss accrues)];

and any reference in this Act to an indexation allowance or to the making of an indexation allowance shall be construed accordingly.

(2) For the purposes of [^{F22}this Chapter], in relation to any disposal of an asset—

- [^{F23}(a) “unindexed gain” means the amount of the gain on the disposal computed in accordance with this Part]; and
- (b) “relevant allowable expenditure” means, subject to subsection (3) below, any sum which, in the computation of the unindexed [^{F24}gain] was taken into account by virtue of paragraph (a) or paragraph (b) of section 38(1).

[^{F25}(2A) Notwithstanding anything in section 16 of this Act, this section shall not apply to a disposal on which a loss accrues.]

(3) In determining what sum (if any) was taken into account as mentioned in subsection (2) (b) above, account shall be taken of any provision of any enactment which, for the purpose of the computation of the gain, increases, excludes or reduces the whole or any part of any item of expenditure falling within section 38 or provides for it to be written-down.

(4) Sections 54 and 108 and this section have effect subject to sections 56, 57, 109, 110, 113, 131 and 145.

54 Calculation of indexation allowance.

- (1) Subject to any provision to the contrary, the indexation allowance is the aggregate of the indexed rise in each item of relevant allowable expenditure; and, in relation to any such item of expenditure, the indexed rise is a sum produced by multiplying the amount of that item by a figure expressed as a decimal and determined, subject to subsections (2) and (3) below, by the formula—

$$\frac{(RD - RI)}{RI}$$

where—

RD is the retail prices index for the month in which the disposal occurs; and
 RI is the retail prices index for March 1982 or the month in which the expenditure was incurred, whichever is the later.

- (2) If, in relation to any item of expenditure—
- (a) the expenditure is attributable to the acquisition of relevant securities, within the meaning of section 108, which are disposed of within the period of 10 days beginning on the day on which the expenditure was incurred, or
 - (b) RD, as defined in subsection (1) above, is equal to or less than RI, as so defined,
- the indexed rise in that item is nil.
- (3) If, in relation to any item of expenditure, the figure determined in accordance with the formula in subsection (1) above would, apart from this subsection, be a figure having more than 3 decimal places, it shall be rounded to the nearest third decimal place.
- (4) For the purposes of this section—
- (a) relevant allowable expenditure falling within paragraph (a) of subsection (1) of section 38 shall be assumed to have been incurred at the time when the asset in question was acquired or provided; and
 - (b) relevant allowable expenditure falling within paragraph (b) of that subsection shall be assumed to have been incurred at the time when that expenditure became due and payable.

55 Assets owned on 31st March 1982 or acquired on a no gain/no loss disposal.

- (1) For the purpose of computing the indexation allowance on a disposal of an asset where, on 31st March 1982, the asset was held by the person making the disposal, it shall be assumed that on that date the asset was sold by the person making the disposal and immediately reacquired by him at its market value on that date.
- (2) Except where an election under section 35(5) has effect, neither subsection (1) above nor section 35(2) shall apply for the purpose of computing the indexation allowance in a case where that allowance would be greater if they did not apply.
- (3) If under subsection (1) above it is to be assumed that any asset was on 31st March 1982 sold by the person making the disposal and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by him in providing the asset as if it

were made in respect of expenditure which, on that assumption, was incurred by him in reacquiring the asset on 31st March 1982.

- (4) Where, after 31st March 1982, an asset which was held on that date has been merged or divided or has changed its nature or rights in or over the asset have been created, then, subject to subsection (2) above, subsection (1) above shall have effect to determine for the purposes of section 43 the amount of the consideration for the acquisition of the asset which was so held.
- (5) Subsection (6) below applies to a disposal of an asset which is not a no gain/no loss disposal if—
- (a) the person making the disposal acquired the asset after 31st March 1982; and
 - (b) the disposal by which he acquired the asset and any previous disposal of the asset after 31st March 1982 was a no gain/no loss disposal;
- and for the purposes of this subsection a no gain/no loss disposal is one on which, by virtue of section 257(2) or 259(2) or any of the enactments specified in section 35(3) (d), neither a gain nor a loss accrues (or accrued) to the person making the disposal.
- (6) Where this subsection applies to a disposal of an asset—
- (a) the person making the disposal shall be treated for the purpose of computing the indexation allowance on the disposal as having held the asset on 31st March 1982; and
 - (b) for the purpose of determining any gain or loss on the disposal, the consideration which, apart from this subsection, that person would be treated as having given for the asset shall be taken to be reduced by deducting therefrom any indexation allowance brought into account by virtue of section 56(2) on any disposal falling within subsection (5)(b) above.
- [^{F26}(7) The rules in subsection (8) below apply (after the application of section 53 but before the application of section 35(3) or (4)) to give the gain or loss for the purposes of this Act where—
- (a) subsection (6) above applies to the disposal (the “disposal in question”) of an asset by any person (the “transferor”), and
 - (b) but for paragraph (b) of that subsection, the consideration the transferor would be treated as having given for the asset would include an amount or amounts of indexation allowance brought into account by virtue of section 56(2) on any disposal made before 30th November 1993.
- (8) The rules are as follows—
- (a) where (apart from this subsection) there would be a loss, an amount equal to the rolled-up indexation shall be added to it so as to increase it,
 - (b) where (apart from this subsection) the unindexed gain or loss would be nil, there shall be a loss of an amount equal to the rolled-up indexation, and
 - (c) where (apart from this subsection)—
 - (i) there would be an unindexed gain, and
 - (ii) the gain or loss would be nil but the amount of the indexation allowance used to extinguish the gain would be less than the rolled-up indexation,
 the difference shall constitute a loss.
- (9) In this section the “rolled-up indexation” means, subject to subsections (10) and (11) below, the amount or, as the case may be, the aggregate of the amounts referred to in

subsection (7)(b) above; and subsections (10) and (11) below shall, as well as applying on the disposal in question, be treated as having applied on any previous part disposal by the transferor.

- (10) Where, for the purposes of any disposal of the asset by the transferor, any amount falling within any, or any combination of, paragraphs (a) to (c) of section 38(1) is required by any enactment to be excluded, reduced or written down, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (11) below on a previous part disposal) shall be reduced in proportion to any reduction made in the amount falling within the paragraph, or the combination of paragraphs, in question.
- (11) Where the transferor makes a part disposal of the asset at any time, then, for the purposes of that and any subsequent disposal, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (10) above on a previous part disposal by him or after the application of subsection (10) above on the part disposal) shall be apportioned between the property disposed of and the property which remains in the same proportions as the sums falling within section 38(1)(a) and (b).]

56 Part disposals and disposals on a no-gain/no-loss basis.

- (1) For the purpose of determining the indexation allowance (if any) on the occasion of a part disposal of an asset, the apportionment under section 42 of the sums which make up the relevant allowable expenditure shall be effected before the application of section 54 and, accordingly, in relation to a part disposal—
- (a) references in section 54 to an item of expenditure shall be construed as references to that part of that item which is so apportioned for the purposes of the computation of the unindexed gain ^{F27}... on the part disposal; and
 - (b) no indexation allowance shall be determined by reference to the part of each item of relevant allowable expenditure which is apportioned to the property which remains undisposed of.
- (2) [^{F28}On a no gain/no loss disposal by any person (“the transferor”)]—
- (a) the amount of the consideration shall be calculated for the purposes of this Act on the assumption that, on the disposal, an unindexed gain accrues to the transferor which is equal to the indexation allowance on the disposal, and
 - (b) the disposal shall accordingly be one on which, after taking account of the indexation allowance, neither a gain nor a loss accrues;

and for the purposes of the application of sections 53 and 54 there shall be disregarded so much of any enactment as provides that, on the subsequent disposal of the asset by the person acquiring the asset on the disposal (“the transferee”), the transferor’s acquisition of the asset is to be treated as the transferee’s acquisition of it.

- (b) the sums allowable as a deduction in computing that loss would include an amount attributable to the application of the assumption in subsection (2) above on any no gain/no loss disposal made on or after 30th November 1993, those sums shall be determined as if that subsection had not applied on any such disposal made on or after that date and the loss shall be reduced accordingly or, if those sums are then equal to or less than the consideration for the disposal, the disposal shall be one on which neither a gain nor a loss accrues.
- (4) For the purposes of this section a no gain/no loss disposal is one which, by virtue of any enactment other than section 35(4), 53(1) or this section, is treated as a disposal on which neither a gain nor a loss accrues to the person making the disposal.]

- (7) Subsection (6) above does not apply to a variation unless the person or persons making the instrument so elect by notice given to the Board within 6 months after the date of the instrument or such longer time as the Board may allow.

- (2) Notwithstanding subsection (1) above, a person carrying on a business which consists of or includes the management of trusts, and acting as trustee of a trust in the course of that business, shall be treated in relation to that trust as not resident in the United Kingdom if the whole of the settled property consists of or derives from property provided by a person not at the time (or, in the case of a trust arising under a testamentary disposition or on an intestacy or partial intestacy, at his death) domiciled, resident or ordinarily resident in the United Kingdom, and if in such a case the trustees or a majority of them are or are treated in relation to that trust as not resident in the United Kingdom, the general administration of the trust shall be treated as ordinarily carried on outside the United Kingdom.

70 Transfers into settlement.

A transfer into settlement, whether revocable or irrevocable, is a disposal of the entire property thereby becoming settled property notwithstanding that the transferor has some interest as a beneficiary under the settlement and notwithstanding that he is a trustee, or the sole trustee, of the settlement.

71 Person becoming absolutely entitled to settled property.

- (1) On the occasion when a person becomes absolutely entitled to any settled property as against the trustee all the assets forming part of the settled property to which he becomes so entitled shall be deemed to have been disposed of by the trustee, and immediately reacquired by him in his capacity as a trustee within section 60(1), for a consideration equal to their market value.
- (2) On the occasion when a person becomes absolutely entitled to any settled property as against the trustee, any allowable loss which has accrued to the trustee in respect of property which is, or is represented by, the property to which that person so becomes entitled (including any allowable loss carried forward to the year of assessment in which that occasion falls), being a loss which cannot be deducted from chargeable gains accruing to the trustee in that year, but before that occasion, shall be treated as if it were an allowable loss accruing at that time to the person becoming so entitled, instead of to the trustee.
- (3) References in this section to the case where a person becomes absolutely entitled to settled property as against the trustee shall be taken to include references to the case where a person would become so entitled but for being an infant or other person under disability.

- (1) On the termination, on the death of the person entitled to it, of a life interest in possession in all or any part of settled property—
- (a) the whole or a corresponding part of each of the assets forming part of the settled property and not ceasing at that time to be settled property shall be deemed for the purposes of this Act at that time to be disposed of and immediately reacquired by the trustee for a consideration equal to the whole or a corresponding part of the market value of the asset; but
 - (b) no chargeable gain shall accrue on that disposal.

For the purposes of this subsection a life interest which is a right to part of the income of settled property shall be treated as a life interest in a corresponding part of the settled property.

- (2) Subsection (1) above shall apply where the person entitled to a life interest in possession in all or any part of settled property dies (although the interest does not then terminate) as it applies on the termination of such a life interest.
- (3) In this section “life interest” in relation to a settlement—
- (a) includes a right under the settlement to the income of, or the use or occupation of, settled property for the life of a person other than the person entitled to the right, or for lives,
 - (b) does not include any right which is contingent on the exercise of the discretion of the trustee or the discretion of some other person, and
 - (c) subject to subsection (4) below, does not include an annuity, notwithstanding that the annuity is payable out of or charged on settled property or the income of settled property.

- (a) some or all of the settled property is appropriated by the trustees as a fund out of which the annuity is payable, and
 - (b) there is no right of recourse to settled property not so appropriated, or to the income of settled property not so appropriated;

and, without prejudice to subsection (5) below, the settled property so appropriated shall, while the annuity is payable, and on the occasion of the death of the annuitant, be treated for the purposes of this section as being settled property under a separate settlement.

- (5) If there is a life interest in a part of the settled property and, where that is a life interest in income, there is no right of recourse to, or to the income of, the remainder of the settled property, the part of the settled property in which the life interest subsists shall while it subsists be treated for the purposes of this section as being settled property under a separate settlement.

73 Death of life tenant: exclusion of chargeable gain.

- (1) Where, by virtue of section 71(1), the assets forming part of any settled property are deemed to be disposed of and reacquired by the trustee on the occasion when a person becomes (or would but for a disability become) absolutely entitled thereto as against the trustee, then, if that occasion is the termination of a life interest (within the meaning of section 72) by the death of the person entitled to that interest—
 - (a) no chargeable gain shall accrue on the disposal, and
 - (b) if on the death the property reverts to the disponer, the disposal and reacquisition under that subsection shall be deemed to be for such consideration as to secure that neither a gain nor a loss accrues to the trustee, and shall, if the trustee had first acquired the property at a date earlier than 6th April 1965, be deemed to be at that earlier date.
- (2) Where the life interest referred to in subsection (1) above is an interest in part only of the settled property to which section 71 applies, subsection (1)(a) above shall not apply but any chargeable gain accruing on the disposal shall be reduced by a proportion corresponding to that represented by the part.
- (3) The last sentence of subsection (1) of section 72 and subsection (5) of that section shall apply for the purposes of subsection (2) above as they apply for the purposes of section 72(1).

74 Effect on sections 72 and 73 of relief under section 165 or 260.

- (1) This section applies where—
 - (a) a claim for relief was made under section 165 or 260 in respect of the disposal of an asset to a trustee, and
 - (b) the trustee is deemed to have disposed of the asset, or part of it, by virtue of section 71(1) or 72(1)(a).
- (2) Sections 72(1)(b) and 73(1)(a) shall not apply to the disposal of the asset or part by the trustee, but any chargeable gain accruing to the trustee on the disposal shall be restricted to the amount of the held-over gain (or a corresponding part of it) on the disposal of the asset to him.
- (3) Subsection (2) above shall not have effect in a case within section 73(2) but in such a case the reduction provided for by section 73(2) shall be diminished by an amount equal to the proportion there mentioned of the held-over gain.
- (4) In this section “held-over gain” has the same meaning as in section 165 or, as the case may be, 260.

75 Death of annuitant.

CHAPTER I

GENERAL

Share pooling, identification of securities, and indexation

104 Share pooling: general interpretative provisions.

- (1) Any number of securities of the same class acquired by the same person in the same capacity shall for the purposes of this Act be regarded as indistinguishable parts of a single asset growing or diminishing on the occasions on which additional securities of the same class are acquired or some of the securities of that class are disposed of.
- (2) Subsection (1) above—
 - (a) does not apply to any securities which were acquired before 6th April 1982 or in the case of a company 1st April 1982; and

- (3) For the purposes of this section and sections 105, 107, 110 and 114—

“a new holding” is a holding of securities which, by virtue of subsection (1) above, is to be regarded as a single asset;

“securities” does not include relevant securities as defined in section 108 but, subject to that, means—

 - (i) shares or securities of a company; and
 - (ii) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired; and

“relevant allowable expenditure” has the meaning assigned to it by section 53(2)(b) and (3);

but shares or securities of a company shall not be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.

- (4) This section and sections 110 and 114—
- (a) shall apply separately in relation to any securities held by a person to whom they were issued as an employee of the company or of any other person on terms which restrict his rights to dispose of them, so long as those terms are in force, and
 - (b) while applying separately to any such securities, shall have effect as if the owner held them in a capacity other than that in which he holds any other securities of the same class.
- (5) Nothing in this section or sections 110 and 114 shall be taken as affecting the manner in which the market value of any securities is to be ascertained.
- (6) Without prejudice to the generality of subsections (1) and (2) above, a disposal of securities in a new holding, other than a disposal of the whole of it, is a disposal of part of an asset and the provisions of this Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.

Modifications etc. (not altering text)

C29 S. 104 applied (with modifications) by S.I. 1989/469, **reg. 27(2)** (as inserted by S.I. 1996/846, **reg. 11(b)**)

105 Disposal on or before day of acquisition of shares and other unidentified assets.

- (1) The following provisions shall apply where securities of the same class are acquired or disposed of by the same person on the same day and in the same capacity—
- (a) all the securities so acquired shall be treated as acquired by a single transaction and all the securities so disposed of shall be treated as disposed of by a single transaction, and
 - (b) all the securities so acquired shall, so far as their quantity does not exceed that of the securities so disposed of, be identified with those securities.
- (2) Subject to section 106, where the quantity of the securities so disposed of exceeds the quantity of the securities so acquired, then so far as the excess is not required by any provision of section 104 or 107 or Schedule 2 to be identified with securities acquired before the day of the disposal, it shall be treated as diminishing a quantity subsequently acquired, and a quantity so acquired at an earlier date, rather than one so acquired at a later date.

106 Disposal of shares and securities by company within prescribed period of acquisition.

- (1) For the purposes of corporation tax on chargeable gains, shares disposed of by a company shall be identified in accordance with the following provisions where—
- (a) the number of shares of that class held by the company at any time during the prescribed period before the disposal amounted to not less than 2 per cent. of the number of issued shares of that class; and

- (2) Where a company is a member of a group, shares held or acquired by another member of the group shall be treated for the purposes of paragraphs (a) and (b) of subsection (1) above as held or acquired by that company and for the purposes of paragraph (b) any shares acquired by that company from another company which was a member of the group throughout the prescribed period before and after the disposal shall be disregarded.
 - (3) References in subsection (1) above to a company's disposing, holding and acquiring shares are references to its doing so in the same capacity; and references in that subsection to the holding or acquisition of shares do not include references to the holding or acquisition of shares as trading stock.
 - (4) The shares disposed of shall be identified—
 - (a) with shares acquired as mentioned in subsection (1)(b) above (“available shares”) rather than other shares; and
 - (b) with available shares acquired by the company making the disposal rather than other available shares.
 - (5) The shares disposed of shall be identified with available shares acquired before the disposal rather than available shares acquired after the disposal and—
 - (a) in the case of available shares acquired before the disposal, with those acquired later rather than those acquired earlier;
 - (b) in the case of available shares acquired after the disposal, with those acquired earlier rather than those acquired later.
 - (6) Where available shares could be identified—
 - (a) with shares disposed of either by the company that acquired them or by another company; or
 - (b) with shares disposed of either at an earlier date or at a later date,
 they shall in each case be identified with the former rather than the latter; and the identification of any available shares with shares disposed of by a company on any occasion shall preclude their identification with shares comprised in a later disposal by that company or in a disposal by another company.
 - (7) Where a company disposes of shares which have been identified with shares disposed of by another company, the shares disposed of by the first-mentioned company shall be identified with the shares that would, apart from this section, have been comprised in the disposal by the other company or, if those shares have themselves been identified with shares disposed of by a third company, with the shares that would, apart from this section, have been comprised in the disposal by the third company and so on.
 - (8) Where shares disposed of by one company are identified with shares acquired by another, the sums allowable to the company making the disposal under section 38 shall be—
 - (a) the sums allowable under subsection (1)(c) of that section; and
 - (b) the sums that would have been allowable under subsection (1)(a) and (b) of that section to the company that acquired the shares if they have been disposed of by that company.

- (12) This section applies to securities as defined in section 132 as it applies to shares.

107 Identification of securities etc: general rules.

- (1) Where a person disposes of securities, the securities disposed of shall be identified in accordance with the provisions of this section with securities of the same class acquired by him which could be comprised in that disposal.
- (2) This section applies notwithstanding that securities disposed of are otherwise identified by the disposal or by a transfer or delivery giving effect to it (but so that where a person disposes of securities in one capacity, they shall not be identified with securities which he holds or can dispose of only in some other capacity).
- (3) Without prejudice to section 105 if, within a period of 10 days, a number of securities are acquired and subsequently a number of securities are disposed of and, apart from this subsection—
 - (a) the securities acquired would increase the size of, or constitute a new holding, and
 - (b) the securities disposed of would decrease the size of, or extinguish, the same new holding,then, subject to subsections (4) and (5) below, the securities disposed of shall be identified with the securities acquired and none of them shall be regarded as forming part of an existing new holding or constituting a new holding.
- (4) If, in a case falling within subsection (3) above, the number of securities acquired exceeds the number disposed of—
 - (a) the excess shall be regarded as forming part of an existing new holding or, as the case may be, as constituting a new holding; and
 - (b) if the securities acquired were acquired at different times (within the 10 days referred to in subsection (3) above) the securities disposed of shall be identified with securities acquired at an earlier time rather than with securities acquired at a later time.
- (5) If, in a case falling within subsection (3) above, the number of securities disposed of exceeds the number acquired, the excess shall not be identified in accordance with that subsection.
- (6) Securities which, by virtue of subsection (3) above, do not form part of or constitute a new holding shall be treated for the purposes of section 54(2) as relevant securities within the meaning of section 108.

- (9) Securities disposed of shall be identified with securities forming part of a 1982 holding, within the meaning of section 109, rather than with other securities and, subject to that, shall be identified with securities acquired at a later time rather than with securities acquired at an earlier time.

- (2) Where a person disposes of relevant securities, the securities disposed of shall be identified in accordance with the rules contained in this section with the securities of the same class acquired by him which could be comprised in that disposal, and shall be so identified notwithstanding that they are otherwise identified by the disposal or by a transfer or delivery giving effect to it (but so that where a person disposes of securities in one capacity, they shall not be identified with securities which he holds or can dispose of only in some other capacity).
- (3) Relevant securities disposed of on an earlier date shall be identified before securities disposed of on a later date, and the identification of the securities first disposed of shall accordingly determine the securities which could be comprised in the later disposal.

- (2) On any disposal of a new holding, other than a disposal of the whole of it—
 - (a) the qualifying expenditure and the indexed pool of expenditure shall each be apportioned between the part disposed of and the remainder in the same proportions as, under this Act, the relevant allowable expenditure is apportioned; and
 - (b) the indexation allowance is the amount by which the portion of the indexed pool which is attributed to the part disposed of exceeds the portion of the qualifying expenditure which is attributed to that part.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) On a disposal of the whole of a new holding, the indexation allowance is the amount by which the indexed pool of expenditure at the time of the disposal exceeds the qualifying expenditure at that time.
 - (4) In relation to a new holding, the qualifying expenditure is at any time the amount which would be the aggregate of the relevant allowable expenditure in relation to a disposal of the whole of the holding occurring at that time.
 - (5) Subject to subsection (6) below and section 114 the indexed pool of expenditure shall come into being at the time that the holding comes into being or, if it is earlier, when any of the qualifying expenditure is incurred and shall at the time it comes into being be the same as the qualifying expenditure at that time.
 - (6) In relation to a new holding which was in existence immediately before the coming into force of this section, the indexed pool of expenditure on the coming into force of this section shall be the same as it was for the purposes of Part III of Schedule 19 to the ^{M20}Finance Act 1985 immediately before then.
- [^{F45}(6A) Where a disposal to a person acquiring or adding to a new holding is treated by virtue of any enactment as one on which neither a gain nor a loss accrues to the person making the disposal—
- (a) section 56(2) shall not apply to the disposal (and, accordingly, the amount of the consideration shall not be calculated on the assumption that a gain of an amount equal to the indexation allowance accrues to the person making the disposal), but
 - (b) an amount equal to the indexation allowance on the disposal shall be added to the indexed pool of expenditure for the holding acquired or, as the case may be, held by the person to whom the disposal is made (and, where it is added to the indexed pool of expenditure for a holding so held, it shall be added after any increase required by subsection (8)(a) below).]
 - (7) Any reference below to an operative event is a reference to any event (whether a disposal or otherwise) which has the effect of reducing or increasing the qualifying expenditure referable to the new holding.
 - (8) Whenever an operative event occurs—
 - (a) there shall be added to the indexed pool of expenditure the indexed rise, as calculated under subsection (10) or (11) below, in the value of the pool since the last operative event or, if there has been no previous operative event, since the pool came into being; and
 - (b) if the operative event results in an increase in the qualifying expenditure then, in addition to any increase under paragraph (a) above, the same increase shall be made to the indexed pool of expenditure; and
 - (c) if the operative event is a disposal resulting in a reduction in the qualifying expenditure, the indexed pool of expenditure shall be reduced in the same proportion as the qualifying expenditure is reduced; and
 - (d) if the operative event results in a reduction in the qualifying expenditure but is not a disposal, the same reduction shall be made to the indexed pool of expenditure.
 - (9) Where the operative event is a disposal—
 - (a) any addition under subsection (8)(a) above shall be made before the calculation of the indexation allowance under subsection (2) above; and

- (b) the reduction under subsection (8)(c) above shall be made after that calculation.
- (10) At the time of any operative event, the indexed rise in the indexed pool of expenditure is a sum produced by multiplying the value of the pool immediately before the event by a figure expressed as a decimal and determined, subject to subsection (11) below, by the formula—

$$\frac{RE - RL}{RL}$$

where—

RE is the retail prices index for the month in which the operative event occurs; and

RL is the retail prices index for the month in which occurred the immediately preceding operative event or, if there has been no such event, in which the indexed pool of expenditure came into being.

- (11) If RE, as defined in subsection (10) above, is equal to or less than RL, as so defined, the indexed rise is nil.

114 Consideration for options.

- (1) If, in a case where section 110(8)(b) applies, the increase in the qualifying expenditure is, in whole or in part, attributable to the cost of acquiring an option binding the grantor to sell (“the option consideration”), then, in addition to any increase under section 110(8)(a) or (b), the indexed pool of expenditure shall be increased by an amount equal to the indexed rise in the option consideration, as determined under subsection (2) below.

Gilt-edged securities and qualifying corporate bonds

115 Exemptions for gilt-edged securities and qualifying corporate bonds etc.

- (1) A gain which accrues on the disposal by any person of—
- (a) gilt-edged securities or qualifying corporate bonds, or
 - (b) any option or contract to acquire or dispose of gilt-edged securities or qualifying corporate bonds,
- shall not be a chargeable gain.
- (2) In subsection (1) above the reference to the disposal of a contract to acquire or dispose of gilt-edged securities or qualifying corporate bonds is a reference to the disposal of the outstanding obligations under such a contract.
- (3) Without prejudice to section 143(5), where a person who has entered into any such contract as is referred to in subsection (1)(b) above closes out that contract by entering into another contract with obligations which are reciprocal to those of the first-mentioned contract, that transaction shall for the purposes of this section constitute the disposal of an asset, namely, his outstanding obligations under the first-mentioned contract.

116 Reorganisations, conversions and reconstructions.

- (1) This section shall have effect in any case where a transaction occurs of such a description that, apart from the provisions of this section—
- (a) sections 127 to 130 would apply by virtue of any provision of Chapter II of this Part; and
 - (b) either the original shares would consist of or include a qualifying corporate bond and the new holding would not, or the original shares would not and the new holding would consist of or include such a bond;
- and in paragraph (b) above “the original shares” and “the new holding” have the same meaning as they have for the purposes of sections 127 to 130.
- (2) In this section “relevant transaction” means a reorganisation, conversion of securities or other transaction such as is mentioned in subsection (1) above, and, in addition to its application where the transaction takes place after the coming into force of this section, subsection (10) below applies where the relevant transaction took place before the coming into force of this section so far as may be necessary to enable any gain or loss deferred under paragraph 10 of Schedule 13 to the ^{M25}Finance Act 1984 to be taken into account on a subsequent disposal.
- (3) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the original shares for the purposes of sections 127 to 130, it is in this section referred to as “the old asset” and the shares or securities which would constitute the new holding for those purposes are referred to as “the new asset”.

Status: Point in time view as at 31/12/1995.

- (4) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the new holding for the purposes of sections 127 to 130, it is in this section referred to as “the new asset” and the shares or securities which would constitute the original shares for those purposes are referred to as “the old asset”.
- (5) So far as the relevant transaction relates to the old asset and the new asset, sections 127 to 130 shall not apply in relation to it.
- (6) In accordance with subsection (5) above, the new asset shall not be treated as having been acquired on any date other than the date of the relevant transaction or, subject to subsections (7) and (8) below, for any consideration other than the market value of the old asset as determined immediately before that transaction.
- (7) If, on the relevant transaction, the person concerned receives, or becomes entitled to receive, any sum of money which, in addition to the new asset, is by way of consideration for the old asset, that sum shall be deducted from the consideration referred to in subsection (6) above.
- (8) If, on the relevant transaction, the person concerned gives any sum of money which, in addition to the old asset, is by way of consideration for the new asset, that sum shall be added to the consideration referred to in subsection (6) above.
- (9) In any case where the old asset consists of a qualifying corporate bond, then, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as a disposal of the old asset and an acquisition of the new asset.
- (10) Except in a case falling within subsection (9) above, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as not involving any disposal of the old asset but—
 - (a) there shall be calculated the chargeable gain or allowable loss that would have accrued if, at the time of the relevant transaction, the old asset had been disposed of for a consideration equal to its market value immediately before that transaction; and
 - (b) subject to subsections (12) to (14) below, the whole or a corresponding part of the chargeable gain or allowable loss mentioned in paragraph (a) above shall be deemed to accrue on a subsequent disposal of the whole or part of the new asset (in addition to any gain or loss that actually accrues on that disposal); and
 - (c) on that subsequent disposal, section 115 shall have effect only in relation to any gain or loss that actually accrues and not in relation to any gain or loss which is deemed to accrue by virtue of paragraph (b) above.
- (11) Subsection (10)(b) and (c) above shall not apply to any disposal falling within section 58(1), 62(4), 139, [F47 140A,] 171(1) or 172, but a person who has acquired the new asset on a disposal falling within any of those sections (and without there having been a previous disposal not falling within any of those sections or a devolution on death) shall be treated for the purposes of subsection (10)(b) and (c) above as if the new asset had been acquired by him at the same time and for the same consideration as, having regard to subsections (5) to (8) above, it was acquired by the person making the disposal.
- (12) In any case where—
 - (a) on the calculation under subsection (10)(a) above, a chargeable gain would have accrued, and

- (b) the consideration for the old asset includes such a sum of money as is referred to in subsection (7) above,
then, subject to subsection (13) below, the proportion of that chargeable gain which that sum of money bears to the market value of the old asset immediately before the relevant transaction shall be deemed to accrue at the time of that transaction.
- (13) If the inspector is satisfied that the sum of money referred to in subsection (12)(b) above is small, as compared with the market value of the old asset immediately before the relevant transaction, and so directs, subsection (12) above shall not apply.
- (14) In a case where subsection (12) above applies, the chargeable gain which, apart from that subsection, would by virtue of subsection (10)(b) above be deemed to accrue on a subsequent disposal of the whole or part of the new asset shall be reduced or, as the case may be, extinguished by deducting therefrom the amount of the chargeable gain which, by virtue of subsection (12) above, is deemed to accrue at the time of the relevant transaction.
- (15) In any case where—
- (a) the new asset mentioned in subsections (10) and (11) above is a qualifying corporate bond in respect of which an allowable loss is treated as accruing under section 254(2), and
 - (b) the loss is treated as accruing at a time falling after the relevant transaction but before any actual disposal of the new asset subsequent to the relevant transaction,
- then for the purposes of subsections (10) and (11) above a subsequent disposal of the new asset shall be treated as occurring at (and only at) the time the loss is treated as accruing.

- (4) Where a disposal of a deep discount security is to be treated for the purposes of this Act as one on which neither a gain nor a loss accrues to the person making the disposal, the consideration for which the person acquiring the security would, apart from this subsection, be treated for those purposes as having acquired the security shall be increased by the amount mentioned in paragraph 4(1)(a) of Schedule 4 to the Taxes Act (including any amount mentioned in paragraph 3 of that Schedule).

CHAPTER II

REORGANISATION OF SHARE CAPITAL, CONVERSION OF SECURITIES ETC.

Reorganisation or reduction of share capital

126 Application of sections 127 to 131.

- (1) For the purposes of this section and sections 127 to 131 “reorganisation” means a reorganisation or reduction of a company’s share capital, and in relation to the reorganisation—
 - (a) “original shares” means shares held before and concerned in the reorganisation,
 - (b) “new holding” means, in relation to any original shares, the shares in and debentures of the company which as a result of the reorganisation represent the original shares (including such, if any, of the original shares as remain).
- (2) The reference in subsection (1) above to the reorganisation of a company’s share capital includes—
 - (a) any case where persons are, whether for payment or not, allotted shares in or debentures of the company in respect of and in proportion to (or as nearly as may be in proportion to) their holdings of shares in the company or of any class of shares in the company, and
 - (b) any case where there are more than one class of share and the rights attached to shares of any class are altered.
- (3) The reference in subsection (1) above to a reduction of share capital does not include the paying off of redeemable share capital, and where shares in a company are redeemed by the company otherwise than by the issue of shares or debentures (with or without other consideration) and otherwise than in a liquidation, the shareholder shall be treated as disposing of the shares at the time of the redemption.

127 Equation of original shares and new holding.

Subject to sections 128 to 130, a reorganisation shall not be treated as involving any disposal of the original shares or any acquisition of the new holding or any part of it, but the original shares (taken as a single asset) and the new holding (taken as a single asset) shall be treated as the same asset acquired as the original shares were acquired.

128 Consideration given or received by holder.

- (1) Subject to subsection (2) below, where, on a reorganisation, a person gives or becomes liable to give any consideration for his new holding or any part of it, that consideration shall in relation to any disposal of the new holding or any part of it be treated as having been given for the original shares, and if the new holding or part of it is disposed of with a liability attaching to it in respect of that consideration, the consideration given for the disposal shall be adjusted accordingly.
- (2) There shall not be treated as consideration given for the new holding or any part of it—
 - (a) any surrender, cancellation or other alteration of the original shares or of the rights attached thereto, or

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) any consideration consisting of any application, in paying up the new holding or any part of it, of assets of the company or of any dividend or other distribution declared out of those assets but not made,
- and, in the case of a reorganisation on or after 10th March 1981, any consideration given for the new holding or any part of it otherwise than by way of a bargain made at arm's length shall be disregarded to the extent that its amount or value exceeds the relevant increase in value; and for this purpose "the relevant increase in value" means the amount by which the market value of the new holding immediately after the reorganisation exceeds the market value of the original shares immediately before the reorganisation.
- (3) Where on a reorganisation a person receives (or is deemed to receive), or becomes entitled to receive, any consideration, other than the new holding, for the disposal of an interest in the original shares, and in particular—
- (a) where under section 122 he is to be treated as if he had in consideration of a capital distribution disposed of an interest in the original shares, or
- (b) where he receives (or is deemed to receive) consideration from other shareholders in respect of a surrender of rights derived from the original shares,
- he shall be treated as if the new holding resulted from his having for that consideration disposed of an interest in the original shares (but without prejudice to the original shares and the new holding being treated in accordance with section 127 as the same asset).
- (4) Where for the purpose of subsection (3) above it is necessary in computing the gain or loss accruing on the disposal of the interest in the original shares mentioned in that subsection to apportion the cost of acquisition of the original shares between what is disposed of and what is retained, the apportionment shall be made in the like manner as under section 129.

129 Part disposal of new holding.

Subject to section 130(2), where for the purpose of computing the gain or loss accruing to a person from the acquisition and disposal of any part of the new holding it is necessary to apportion the cost of acquisition of any of the original shares between what is disposed of and what is retained, the apportionment shall be made by reference to market value at the date of the disposal (with such adjustment of the market value of any part of the new holding as may be required to offset any liability attaching thereto but forming part of the cost to be apportioned).

130 Composite new holdings.

- (1) This section shall apply to a new holding—
- (a) if it consists of more than one class of shares in or debentures of the company and one or more of those classes is of shares or debentures which, at any time not later than the end of the period of 3 months beginning with the date on which the reorganisation took effect, or of such longer period as the Board may by notice allow, had quoted market values on a recognised stock exchange in the United Kingdom or elsewhere, or
- (b) if it consists of more than one class of rights of unit holders and one or more of those classes is of rights the prices of which were published daily by the

managers of the scheme at any time not later than the end of that period of 3 months (or longer if so allowed).

- (2) Where for the purpose of computing the gain or loss accruing to a person from the acquisition and disposal of the whole or any part of any class of shares or debentures or rights of unit holders forming part of a new holding to which this section applies it is necessary to apportion costs of acquisition between what is disposed of and what is retained, the cost of acquisition of the new holding shall first be apportioned between the entire classes of shares or debentures or rights of which it consists by reference to market value on the first day (whether that day fell before the reorganisation took effect or later) on which market values or prices were quoted or published for the shares, debentures or rights as mentioned in subsection (1)(a) or (1)(b) above (with such adjustment of the market value of any class as may be required to offset any liability attaching thereto but forming part of the cost to be apportioned).
- (3) For the purposes of this section the day on which a reorganisation involving the allotment of shares or debentures or unit holders' rights takes effect is the day following the day on which the right to renounce any allotment expires.

131 Indexation allowance.

- (1) This section applies where—
 - (a) by virtue of section 127, on a reorganisation the original shares (taken as a single asset) and the new holding (taken as a single asset) fall to be treated as the same asset acquired as the original shares were acquired; and
 - (b) on the reorganisation, a person gives or becomes liable to give any consideration for his new holding or any part of it.
- (2) Where this section applies, so much of the consideration referred to in subsection (1) (b) above as, on a disposal to which section 53 applies of the new holding, will, by virtue of section 128(1), be treated as having been given for the original shares, shall be treated for the purposes of section 54 as an item of relevant allowable expenditure incurred not at the time the original shares were acquired but at the time the person concerned gave or became liable to give the consideration (and, accordingly, section 54(4) shall not apply in relation to that item of expenditure).

Conversion of securities

132 Equation of converted securities and new holding.

- (1) Sections 127 to 131 shall apply with any necessary adaptations in relation to the conversion of securities as they apply in relation to a reorganisation (that is to say, a reorganisation or reduction of a company's share capital).
- (2) This section has effect subject to sections 133 and 134.
- (3) For the purposes of this section and section 133—
 - (a) “conversion of securities” includes—
 - (i) a conversion of securities of a company into shares in the company, and
 - (ii) a conversion at the option of the holder of the securities converted as an alternative to the redemption of those securities for cash, and

- (iii) any exchange of securities effected in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares or securities and the issue of securities or other securities instead,
- (b) “security” includes any loan stock or similar security whether of the Government of the United Kingdom or of any other government, or of any public or local authority in the United Kingdom or elsewhere, or of any company, and whether secured or unsecured.

133 Premiums on conversion of securities.

- (1) This section applies where, on a conversion of securities, a person receives, or becomes entitled to receive, any sum of money (“the premium”) which is by way of consideration (in addition to his new holding) for the disposal of the converted securities.
- (2) If the inspector is satisfied that the premium is small, as compared with the value of the converted securities, and so directs—
 - (a) receipt of the premium shall not be treated for the purposes of this Act as a disposal of part of the converted securities, and
 - (b) the premium shall be deducted from any expenditure allowable under this Act as a deduction in computing a gain or loss on the disposal of the new holding by the person receiving or becoming entitled to receive the premium.
- (3) A person who is dissatisfied with the refusal of the inspector to give a direction under subsection (2) above may appeal to the Commissioners having jurisdiction on an appeal against an assessment to tax in respect of a gain accruing to him on a disposal of the securities.
- (4) Where the allowable expenditure is less than the premium (or is nil)—
 - (a) subsections (2) and (3) above shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the premium shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the conversion, or on any subsequent occasion.
- (5) In subsection (4) above “allowable expenditure” means expenditure which immediately before the conversion was attributable to the converted securities under paragraphs (a) and (b) of section 38(1).

134 Compensation stock.

- (1) This section has effect where gilt-edged securities are exchanged for shares in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares and the issue of gilt-edged securities instead.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The exchange shall not constitute a conversion of securities within section 132 and shall be treated as not involving any disposal of the shares by the person from whom they were compulsorily acquired but—
- (a) there shall be calculated the gain or loss that would have accrued to him if he had then disposed of the shares for a consideration equal to the value of the shares as determined for the purpose of the exchange, and
 - (b) on a subsequent disposal of the whole or part of the gilt-edged securities by the person to whom they were issued—
 - (i) there shall be deemed to accrue to him the whole or a corresponding part of the gain or loss mentioned in paragraph (a) above, and
 - (ii) section 115(1) shall not have effect in relation to any gain or loss that is deemed to accrue as aforesaid.
- (3) Where a person to whom gilt-edged securities of any kind were issued as mentioned in subsection (1) above disposes of securities of that kind, the securities of which he disposes—
- (a) shall, so far as possible, be identified with securities which were issued to him as mentioned in subsection (1) above rather than with other securities of that kind, and
 - (b) subject to paragraph (a) above, shall be identified with securities issued at an earlier time rather than those issued at a later time.
- (4) Subsection (2)(b) above shall not apply to any disposal falling within the provisions of section 58(1), 62(4) or 171(1) but a person who has acquired the securities on a disposal falling within those provisions (and without there having been a previous disposal not falling within those provisions or a devolution on death) shall be treated for the purposes of subsections (2)(b) and (3) above as if the securities had been issued to him.
- (5) Where the gilt-edged securities to be exchanged for any shares are not issued until after the date on which the shares are compulsorily acquired but on that date a right to the securities is granted, this section shall have effect as if the exchange had taken place on that date, as if references to the issue of the securities and the person to whom they were issued were references to the grant of the right and the person to whom it was granted and references to the disposal of the securities included references to disposals of the rights.
- (6) In this section “shares” includes securities within the meaning of section 132.
- (7) This section does not apply where the compulsory acquisition took place before 7th April 1976.

- (2) Any application under subsection (1) above shall be in writing and shall contain particulars of the operations that are to be effected and the Board may, within 30 days of the receipt of the application or of any further particulars previously required under this subsection, by notice require the applicant to furnish further particulars for the purpose of enabling the Board to make their decision; and if any such notice is not complied with within 30 days or such longer period as the Board may allow, the Board need not proceed further on the application.

- (4) If the Board notify the applicant that they are not satisfied as mentioned in subsection (1) above or do not notify their decision to the applicant within the time required by subsection (3) above, the applicant may within 30 days of the notification or of that time require the Board to transmit the application, together with any notice given and further particulars furnished under subsection (2) above, to the Special Commissioners; and in that event any notification by the Special Commissioners shall have effect for the purposes of subsection (1) above as if it were a notification by the Board.

- (1) For the purposes of this section an earn-out right is so much of any right conferred on any person (“the seller”) as—

 - (b) consists in a right to be issued with shares in or debentures of another company (“the new company”);
 - (c) is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the new securities”) is unascertainable at the time when the right is conferred; and

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. - (d) is not capable of being discharged in accordance with its terms otherwise than by the issue of the new securities.

(2) Where—

- (a) there is an earn-out right,
- (b) the exchange of the old securities for the earn-out right is an exchange to which section 135 would apply, in a manner unaffected by section 137, if the earn-out right were an ascertainable amount of shares in or debentures of the new company, and
- (c) the seller elects under this section for the earn-out right to be treated as a security of the new company,

this Act shall have effect, in the case of the seller and every other person who from time to time has the earn-out right, in accordance with the assumptions specified in subsection (3) below.

(3) Those assumptions are—

- (a) that the earn-out right is a security within the definition in section 132;
- (b) that the security consisting in the earn-out right is a security of the new company and is incapable of being a qualifying corporate bond for the purposes of this Act;
- (c) that references in this Act (including those in this section) to a debenture include references to a right that is assumed to be a security in accordance with paragraph (a) above; and
- (d) that the issue of shares or debentures in pursuance of such a right constitutes the conversion of the right, in so far as it is discharged by the issue, into the shares or debentures that are issued.

(4) For the purposes of this section where—

- (a) any right which is assumed, in accordance with this section, to be a security of a company (“the old right”) is extinguished,
- (b) the whole of the consideration for the extinguishment of the old right consists in another right (“the new right”) to be issued with shares in or debentures of that company,
- (c) the new right is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the replacement securities”) is unascertainable at the time when the old right is extinguished,
- (d) the new right is not capable of being discharged in accordance with its terms otherwise than by the issue of the replacement securities, and
- (e) the person on whom the new right is conferred elects under this section for it to be treated as a security of that company,

the assumptions specified in subsection (3) above shall have effect in relation to the new right, in the case of that person and every other person who from time to time has the new right, as they had effect in relation to the old right.

(5) An election under this section in respect of any right must be made, by a notice given to an officer of the Board—

- (a) in the case of an election by a company within the charge to corporation tax, within the period of two years from the end of the accounting period in which the right is conferred; and
- (b) in any other case, on or before the first anniversary of the 31st January next following the year of assessment in which that right is conferred.

- (6) An election under this section shall be irrevocable.
- (7) Subject to subsections (8) to (10) below, where any right to be issued with shares in or debentures of a company is conferred on any person, the value or quantity of the shares or debentures to be issued in pursuance of that right shall be taken for the purposes of this section to be unascertainable at a particular time if, and only if—
- (a) it is made referable to matters relating to any business or assets of one or more relevant companies; and
 - (b) those matters are uncertain at that time on account of future business or future assets being included in the business or assets to which they relate.
- (8) Where a right to be issued with shares or debentures is conferred wholly or partly in consideration for the transfer of other shares or debentures or the extinguishment of any right, the value and quantity of the shares or debentures to be issued shall not be taken for the purposes of this section to be unascertainable in any case where, if—
- (a) the transfer or extinguishment were a disposal, and
 - (b) a gain on that disposal fell to be computed in accordance with this Act,
- the shares or debentures to be issued would, in pursuance of section 48, be themselves regarded as, or as included in, the consideration for the disposal.
- (9) Where any right to be issued with shares in or debentures of a company comprises an option to choose between shares in that company and debentures of that company, the existence of that option shall not, by itself, be taken for the purposes of this section either—
- (a) to make unascertainable the value or quantity of the shares or debentures to be issued; or
 - (b) to prevent the requirements of subsection (1)(b) and (d) or (4)(b) and (d) above from being satisfied in relation to that right.
- (10) For the purposes of this section the value or quantity of shares or debentures shall not be taken to be unascertainable by reason only that it has not been fixed if it will be fixed by reference to the other and the other is ascertainable.
- (11) In subsection (7) above “relevant company”, in relation to any right to be issued with shares in or debentures of a company, means—
- (a) that company or any company which is in the same group of companies as that company; or
 - (b) the company for whose shares or debentures that right was or was part of the consideration, or any company in the same group of companies as that company;
- and in this subsection the reference to a group of companies shall be construed in accordance with section 170(2) to (14).]

 - (b) the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee company to the transferor company;
 - (c) the shares so issued, either alone or taken together with any other shares in the transferee company already held by the transferor company, amount in all to not less than one quarter of the ordinary share capital of the transferee company; and

- (d) either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing;

and also applies in any case where section 268A of the ^{M38}Income and Corporation Taxes Act 1970 applied unless the deferred gain had been wholly taken into account in accordance with that section before the coming into force of this section.

Section 170(1) shall apply for the purposes of this section.

- (2) In any case to which this section applies the transferor company may claim that this Act shall have effect in accordance with the following provisions.
- (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—
- (a) if the securities are the whole consideration for the transfer, the whole of that gain shall be treated as not accruing to the transferor company on the transfer but an equivalent amount (“the deferred gain”) shall be brought into account in accordance with subsections (4) and (5) below;
- (b) if the securities are not the whole of that consideration—
- (i) paragraph (a) above shall apply to the appropriate proportion of that gain; and
- (ii) the remainder shall be treated as accruing to the transferor company on the transfer.

In paragraph (b)(i) above “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

- (4) If at any time after the transfer the transferor company disposes of the whole or part of the securities held by it immediately before that time, the consideration received by it on the disposal shall be treated as increased by the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (5) below.

In this subsection “the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal.

- (5) If at any time within 6 years after the transfer the transferee company disposes of the whole or part of the relevant assets held by it immediately before that time there shall be deemed to accrue to the transferor company as a chargeable gain on that occasion the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (4) above.

In this subsection “relevant assets” means assets the chargeable gains on which were taken into account in arriving at the deferred gain and “the appropriate proportion” means the proportion which the chargeable gain so taken into account in respect of the part of the relevant assets disposed of bears to the aggregate of the chargeable gains so taken into account in respect of the relevant assets held immediately before the time of the disposal.

- (a) for the purposes of subsection (4) above any disposal to which section 171 applies; and

and where a person acquires securities or an asset on a disposal disregarded for the purposes of subsection (4) or (5) above (and without there having been a previous disposal not so disregarded) a disposal of the securities or asset by that person shall be treated as a disposal by the transferor or, as the case may be, transferee company.

[^{F55}(6A) No claim may be made under this section as regards a transfer in relation to which a claim is made under section 140C.]

(7) If in the case of any such transfer as was mentioned in section 268(1) of the ^{M39}Income and Corporation Taxes Act 1970 there were immediately before the coming into force of this section chargeable gains which by virtue of section 268(2) and 268A(8) of that Act were treated as not having accrued to the transferor company, subsection (4) above shall (without any claim in that behalf) apply to the aggregate of those gains as if references to the deferred gain were references to that aggregate and as if references to the transfer and the securities were references to the transfer and the shares, or shares and loan stock, mentioned in section 268(1).

(8) If in the case of any such transfer as was mentioned in section 268A(1) of the ^{M40}Income and Corporation Taxes Act 1970 there were immediately before the coming into force of this section deferred gains which by virtue of section 268A(3) were treated as not having accrued to the transferor company, subsections (4) and (5) above shall (without any claim in that behalf) apply to those deferred gains as they apply to gains deferred by virtue of subsection (3) above (as if the references to the transfer and the securities were references to the transfer and securities mentioned in section 268A(1)).

142 Capital gains on certain stock dividends.

- (1) This section applies where a company issues any share capital to which section 249 of the Taxes Act applies in respect of shares in the company held by a person as trustee, and another person is at the time of the issue absolutely entitled thereto as against the trustee or would be so entitled but for being an infant or other person under disability (or 2 or more other persons are or would be jointly so entitled thereto).
- (2) Notwithstanding paragraph (a) of section 126(2) the case shall not constitute a reorganisation of the company's share capital for the purposes of sections 126 to 128.
- (3) Notwithstanding section 17(1), the person who is or would be so entitled to the share capital (or each of the persons who are or would be jointly so entitled thereto) shall be treated for the purposes of section 38(1)(a) as having acquired that share capital, or his interest in it, for a consideration equal to the appropriate amount in cash within the meaning of section 251(2) to (4) of the Taxes Act.

143 Commodity and financial futures and qualifying options.

- (1) If, apart from section 128 of the Taxes Act, gains arising to any person in the course of dealing in commodity or financial futures or in qualifying options would constitute, for the purposes of the Tax Acts, profits or gains chargeable to tax under Schedule D otherwise than as the profits of a trade, then his outstanding obligations under any futures contract entered into in the course of that dealing and any qualifying option granted or acquired in the course of that dealing shall be regarded as assets to the disposal of which this Act applies.

PART V

TRANSFER OF BUSINESS ASSETS

CHAPTER I

GENERAL PROVISIONS

Replacement of business assets

152 Roll-over relief.

- (1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—
 - (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.
- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments may be made.
- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

153 Assets only partly replaced.

(1) Section 152(1) shall not apply if part only of the amount or value of the consideration for the disposal of, or of the interest in, the old assets is applied as described in that subsection, but if all of the amount or value of the consideration except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of, or of the interest in, the old assets is so applied, then the person carrying on the trade, on making a claim as respects the consideration which has been so applied, shall be treated for the purposes of this Act—

- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the amount by which the gain is reduced (or as the case may be the amount by which the chargeable gain is proportionately reduced) under paragraph (a) of this subsection,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

(2) Subsections (3) to (11) of 152 shall apply as if this section formed part of that section.

154 New assets which are depreciating assets.

(1) Sections 152, 153 and 229 shall have effect subject to the provisions of this section in which—

- (a) the “held-over gain” means the amount by which, under those sections, and apart from the provisions of this section, any chargeable gain on one asset (“asset No.1”) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (“asset No.2”), and

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.
- (2) If asset No.2 is a depreciating asset, the held-over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No.1 as is equal to the held-over gain did not accrue until—
- the claimant disposes of asset No.2, or
 - he ceases to use asset No.2 for the purposes of a trade carried on by him, or
 - the expiration of a period of 10 years beginning with the acquisition of asset No.2,
- whichever event comes first.
- (3) Where section 229 has effect subject to the provisions of this section, subsection (2) (b) above shall have effect as if it read—
- “(b) section 232(3) applies as regards asset No.2 (whether or not by virtue of section 232(5)), or”.
- (4) If, in the circumstances specified in subsection (5) below, the claimant acquires an asset (“asset No.3”) which is not a depreciating asset, and claims under section 152 or 153—
- the gain held-over from asset No.1 shall be carried forward to asset No.3, and
 - the claim which applies to asset No.2 shall be treated as withdrawn (so that subsection (2) above does not apply).
- (5) The circumstances are that asset No.3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—
- that the consideration for asset No.1 was applied in acquiring asset No.3, and
 - that the time between the disposal of asset No.1 and the acquisition of asset No.3 was within the time limited by section 152(3),
- the whole amount of the postponed gain could be carried forward from asset No.1 to asset No.3; and the claim under subsection (4) above shall be accepted as if those assumptions were true.
- (6) If part only of the postponed gain could be carried forward from asset No.1 to asset No.3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from 2 separate assets, so that, on that claim—
- subsection (4) above applies to the first-mentioned part, and
 - the other part remains subject to subsection (2) above.
- (7) For the purposes of this section, an asset is a depreciating asset at any time if—
- at that time it is a wasting asset, as defined in section 44, or
 - within the period of 10 years beginning at that time it will become a wasting asset (so defined).

Stock in trade

161 Appropriations to and from stock.

- (1) Subject to subsection (3) below, where an asset acquired by a person otherwise than as trading stock of a trade carried on by him is appropriated by him for the purposes of the trade as trading stock (whether on the commencement of the trade or otherwise) and, if he had then sold the asset for its market value, a chargeable gain or allowable loss would have accrued to him, he shall be treated as having thereby disposed of the asset by selling it for its then market value.
- (2) If at any time an asset forming part of the trading stock of a person's trade is appropriated by him for any other purpose, or is retained by him on his ceasing to carry on the trade, he shall be treated as having acquired it at that time for a consideration equal to the amount brought into the accounts of the trade in respect of it for tax purposes on the appropriation or on his ceasing to carry on the trade, as the case may be.
- (3) Subject to subsection (4) below, subsection (1) above shall not apply in relation to a person's appropriation of an asset for the purposes of a trade if he is chargeable to income tax in respect of the profits of the trade under Case I of Schedule D, and elects that instead the market value of the asset at the time of the appropriation shall, in computing the profits of the trade for purposes of tax, be treated as reduced by the amount of the chargeable gain or increased by the amount of the allowable loss referred to in subsection (1), and where that subsection does not apply by reason of such an election, the profits of the trade shall be computed accordingly.
- (4) If a person making an election under subsection (3) is at the time of the appropriation carrying on the trade in partnership with others, the election shall not have effect unless concurred in by the others.

Transfer of business to a company

162 Roll-over relief on transfer of business.

- (1) This section shall apply for the purposes of this Act where a person who is not a company transfers to a company a business as a going concern, together with the whole assets of the business, or together with the whole of those assets other than cash, and the business is so transferred wholly or partly in exchange for shares issued by the company to the person transferring the business.

Any shares so received by the transferor in exchange for the business are referred to below as "the new assets".

- (2) The amount determined under subsection (4) below shall be deducted from the aggregate of the chargeable gains less allowable losses ("the amount of the gain on the old assets").

- (a) the amount determined under subsection (4) below shall be apportioned between the new assets as a whole, and
 - (b) the sums allowable as a deduction under section 38(1)(a) shall be reduced by the amount apportioned to the new asset under paragraph (a) above;
- and if the shares which comprise the new assets are not all of the same class, the apportionment between the shares under paragraph (a) above shall be in accordance with their market values at the time they were acquired by the transferor.
- (4) The amount referred to in subsections (2) and (3)(a) above shall not exceed the cost of the new assets but, subject to that, it shall be the fraction—

$$\frac{A}{B}$$

of the amount of the gain on the old assets where—

“A” is the cost of the new assets, and

“B” is the value of the whole of the consideration received by the transferor in exchange for the business;

and for the purposes of this subsection “the cost of the new assets” means any sums which would be allowable as a deduction under section 38(1)(a) if the new assets were disposed of as a whole in circumstances giving rise to a chargeable gain.

- (5) References in this section to the business, in relation to shares or consideration received in exchange for the business, include references to such assets of the business as are referred to in subsection (1) above.

Retirement relief

163 Relief for disposals by individuals on retirement from family business.

[^{F85}CHAPTER IA

ROLL-OVER RELIEF ON RE-INVESTMENT

Textual Amendments

F85 Ss. 164A-164N (Pt. V, Ch. 1A) inserted (27.7.1993 with effect in relation to any disposal made on or after 16.3.1993 as mentioned in s. 87(2)) by 1993 c. 34, s. 87, **Sch. 7 Pt. II para.3**

164A Relief on re-investment for individuals.

- (1) Subject to the following provisions of this Chapter, roll-over relief under this section shall be available where—
- (a) a chargeable gain would (apart from this section) accrue to any individual (“the re-investor”) [^{F86}on any disposal by him of any asset (“the asset disposed of”); and]
 - (b) that individual acquires a qualifying investment at any time in the qualifying period.
- (2) ^{F87}..., where roll-over relief under this section is available, the re-investor shall, on making a claim as respects the qualifying investment, be treated—
- (a) as if the consideration for the disposal of the [^{F88}asset disposed of] were reduced by whichever is the smallest of the following, that is to say—
 - (i) the amount of the chargeable gain which apart from this subsection would accrue on the disposal of the [^{F88}asset disposed of], so far as that amount has not already been held over by way of reductions under this subsection,
 - (ii) the actual amount or value of the consideration for the acquisition of the qualifying investment,
 - (iii) in the case of a qualifying investment acquired otherwise than by a transaction at arm’s length, the market value of that investment at the time of its acquisition, and
 - (iv) the amount specified for the purposes of this subsection in the claim;
 - and
 - (b) as if the amount or value of the consideration for the acquisition of the qualifying investment were reduced by the amount of the reduction made under paragraph (a) above,
- but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the [^{F88}asset disposed of] or of the other party to the transaction involving the qualifying investment.

[Where the chargeable gain referred to in subsection (1)(a) above is one which (apart ^{F89}(2A) from this section) would be deemed to accrue by virtue of section 116(10)(b)—

- (a) any reduction falling to be made by virtue of subsection (2)(a) above shall be treated as one made in the consideration mentioned in section 116(10)(a), instead of in the consideration for the disposal of the asset disposed of; but
- (b) if the disposal on which that gain is deemed to accrue is a disposal of only part of the new asset, it shall be assumed, for the purpose only of making a reduction affecting the amount of that gain—
 - (i) that the disposal is a disposal of the whole of a new asset,

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (ii) that the gain accruing on that disposal relates to an old asset consisting in the corresponding part of what was in fact the old asset, and
- (iii) that the corresponding part of the consideration deemed to be given for what was in fact the old asset is taken to be the consideration by reference to which the amount of that gain is computed;

and in this subsection “new asset” and “old asset” have the same meanings as in section 116.

(2B) Where a chargeable gain accrues in accordance with subsection (12) of section 116, this Chapter shall have effect—

- (a) as if that gain were a gain accruing on the disposal of an asset; and
- (b) in relation to that deemed disposal, as if references in this Chapter to the consideration for the disposal were references to the sum of money falling, apart from this Chapter, to be used in computing the gain accruing under that subsection.]

- ^{F90}(4)
- ^{F90}(5)
- ^{F90}(6)
- ^{F90}(7)

[^{F91}(8) For the purposes of this section, a person who acquires any eligible shares in a qualifying company shall be regarded as acquiring a qualifying investment unless, where the asset disposed of consisted of shares in or other securities of any company (“the initial holding”), the qualifying company—

- (a) is the company in which the initial holding subsisted, or
- (b) is a company that was, at the time of the disposal of the initial holding, or is, at the time of the acquisition of the qualifying investment, a member of the same group of companies as the company in which the initial holding subsisted.]

(9) For the purposes of this section the acquisition of a qualifying investment shall be taken to be in the qualifying period if, and only if, it takes place—

- (a) at any time in the period beginning 12 months before and ending 3 years after the disposal of the [^{F92}asset disposed of], or
- (b) at such time before the beginning of that period or after it ends as the Board may by notice allow.

(10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied; and, without prejudice to the generality of this subsection, section 42(5) shall apply in relation to an adjustment under this section of the consideration for the acquisition of any shares as it applies in relation to an adjustment under any enactment to secure that neither a gain nor a loss accrues on a disposal.

^{F93}(11)

[^{F94}(12) Without prejudice to section 52(4), where consideration is given for the acquisition of any assets some of which are shares to the acquisition of which a claim under this section relates and some of which are not, the consideration shall be apportioned in such manner as is just and reasonable.]

[Where an acquisition is made on or after 29th November 1994 section 164H shall
^{F95}(13) be ignored in deciding whether it is an acquisition of a qualifying investment for the
purposes of this section.]

[^{F100}(1) This section shall apply where a person has acquired any eligible shares in a qualifying company (“the acquired holding”) for a consideration which is treated as reduced, under section 164A or this section, by any amount (“the held-over gain”).]

(2) Subject to the following provisions of this section, if at any time in the relevant period—

- (a) the shares comprised in the acquired holding cease to be eligible shares,
- (b) the company in which the acquired holding subsists ceases to be a qualifying company,
- (c) the person who acquired the acquired holding becomes neither resident nor ordinarily resident in the United Kingdom, or
- (d) any of the shares comprised in the acquired holding are included in the original shares (within the meaning of sections 127 to 130) in the case of any transaction with respect to which section 116 has effect,

a chargeable gain equal to the appropriate proportion of the held-over gain shall be treated as accruing to that person immediately before that time or, in a case falling within paragraph (d) above, immediately before the disposal assumed for the purposes of section 116(10)(a).

[In deciding for the purposes of subsection (2)(b) above whether a company is a
^{F101}(2A) qualifying company at a time falling on or after 29th November 1994 section 164H shall be ignored.]

(3) For the purposes of this section the appropriate proportion of the held-over gain is so much, if any, of that gain as has not already been [^{F102}charged on any disposal or under this section] or, in a case to which subsection (2) above applies by virtue of paragraph (d) of that subsection or in accordance with subsection (7) below, such part of that proportion of that gain as is just and reasonable having regard to the extent to which the acquired holding comprises the original shares.

[^{F103}(4) For the purposes of this section the whole or a part of any held-over gain on the acquisition of the acquired holding shall be treated—

- (a) in accordance with subsection (4A) below as charged on any disposal in relation to which the whole or any part of the held-over gain falls to be taken into account in determining the chargeable gain or allowable loss accruing on the disposal, and
- (b) as charged under this section so far as it falls to be disregarded in accordance with subsection (11) below.

(4A) In the case of any such disposal as is mentioned in subsection (4)(a) above, the amount of the held-over gain charged on that disposal—

- (a) shall, except in the case of a part disposal, be the amount taken into account as so mentioned, and
- (b) in the case of a part disposal, shall be calculated by multiplying the following, that is to say—

 - (b) the disposal shall not be included in the disposals on which the whole or any part of the held-over gain may be treated as charged for the purposes of this section;

 - (e) paragraph (c) of that subsection shall have effect as if the reference in that paragraph to that individual included a reference to the spouse;
 - (f) a charge by virtue of that paragraph shall be imposed only on a person who becomes neither resident nor ordinarily resident in the United Kingdom; and
 - (g) the amount of the charge imposed on any person by virtue of that paragraph shall be that part of the charge on the appropriate proportion of the held-over gain which would be apportioned to that person in a case to which paragraph (d) above applies.
- (6) Subject to subsection (7) below, where the qualifying company in which the acquired holding subsists ceases to be an unquoted company this section shall have effect as if the relevant period ended immediately before it so ceased.
- (7) Where there is a transaction by virtue of which any shares in a company are to be regarded under section 127 as the same asset as the acquired holding or the whole or any part of an asset comprising that holding, this section shall not apply by virtue of subsection (2)(a) or (b) above except where—
 - (a) those shares are not, or cease to be, eligible shares in that company;
 - (b) neither that company nor (if different) the company in which the acquired holding subsisted —

 - (ii) would be or continue to be a qualifying company if it were an unquoted company;
 - (c) the transaction is one by virtue of which the shares comprised in the acquired holding cease to be eligible shares in pursuance of section 164L; or

- (a) relief is given under section 165 in respect of a disposal to an individual or under section 260 in respect of a disposal to an individual (“the relevant disposal”); and
 - (b) at a time when he has not disposed of the asset in question, the transferee becomes neither resident nor ordinarily resident in the United Kingdom,
- then, subject to the following provisions of this section, a chargeable gain shall be deemed to have accrued to the transferee immediately before that time, and its amount shall be equal to the held-over gain (within the meaning of section 165 or 260) on the relevant disposal.
- (2) For the purposes of subsection (1) above the transferee shall be taken to have disposed of an asset before the time there referred to only if he has made a disposal or disposals in connection with which the whole of the held-over gain on the relevant disposal was represented by reductions made in accordance with section 165(4)(b) or 260(3)(b) and where he has made a disposal in connection with which part of that gain was so represented, the amount of the chargeable gain deemed by virtue of this section to accrue to him shall be correspondingly reduced.
- (3) The disposals by the transferee that are to be taken into account under subsection (2) above shall not include any disposal to which section 58 applies; but where any such disposal is made by the transferee, disposals by his spouse shall be taken into account under subsection (2) above as if they had been made by him.
- (4) Subsection (1) above shall not apply by reason of a person becoming neither resident nor ordinarily resident more than 6 years after the end of the year of assessment in which the relevant disposal was made.
- (5) Subsection (1) above shall not apply in relation to a disposal made to an individual if—
- (a) the reason for his becoming neither resident nor ordinarily resident in the United Kingdom is that he works in an employment or office all the duties of which are performed outside the United Kingdom, and
 - (b) he again becomes resident or ordinarily resident in the United Kingdom within the period of 3 years from the time when he ceases to be so, without having meanwhile disposed of the asset in question;
- and accordingly no assessment shall be made by virtue of subsection (1) above before the end of that period in any case where the condition in paragraph (a) above is, and the condition in paragraph (b) above may be, satisfied.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) For the purposes of subsection (5) above a person shall be taken to have disposed of an asset if he has made a disposal in connection with which the whole or part of the held-over gain on the relevant disposal would, had he been resident in the United Kingdom, have been represented by a reduction made in accordance with section 165(4)(b) or 260(3)(b) and subsection (3) above shall have effect for the purposes of this subsection as it has effect for the purposes of subsection (2) above.
- (7) Where an amount of tax assessed on a transferee by virtue of subsection (1) above is not paid within the period of 12 months beginning with the date when the tax becomes payable then, subject to subsection (8) below, the transferor may be assessed and charged (in the name of the transferee) to all or any part of that tax.
- (8) No assessment shall be made under subsection (7) above more than 6 years after the end of the year of assessment in which the relevant disposal was made.
- (9) Where the transferor pays an amount of tax in pursuance of subsection (7) above, he shall be entitled to recover a corresponding sum from the transferee.
- (10) Gains on disposals made after a chargeable gain has under this section been deemed to accrue by reference to a held-over gain shall be computed without any reduction under section 165(4)(b) or 260(3)(b) in respect of that held-over gain.

169 Gifts into dual resident trusts.

- (1) This section applies where there is or has been a disposal of an asset to the trustees of a settlement in such circumstances that, on a claim for relief, section 165 or 260 applies, or would but for this section apply, so as to reduce the amounts of the chargeable gain and the consideration referred to in section 165(4) or 260(3).
- (2) In this section “a relevant disposal” means such a disposal as is referred to in subsection (1) above.
- (3) Relief under section 165 or 260 shall not be available on a relevant disposal if—
 - (a) at the material time the trustees to whom the disposal is made fall to be treated, under section 69, as resident and ordinarily resident in the United Kingdom, although the general administration of the trust is ordinarily carried on outside the United Kingdom; and
 - (b) on a notional disposal of the asset concerned occurring immediately after the material time, the trustees would be regarded for the purposes of any double taxation relief arrangements—
 - (i) as resident in a territory outside the United Kingdom; and
 - (ii) as not liable in the United Kingdom to tax on a gain arising on that disposal.
- (4) In subsection (3) above—
 - (a) “the material time” means the time of the relevant disposal; and
 - (b) a “notional disposal” means a disposal by the trustees of the asset which was the subject of the relevant disposal.

PART VI

COMPANIES, OIL, INSURANCE ETC.

CHAPTER I

COMPANIES

Groups of companies

170 Interpretation of sections 171 to 181.

(1) This section has effect for the interpretation of sections 171 to 181 except in so far as the context otherwise requires, and in those sections—

- (a) “profits” means income and chargeable gains, and
- (b) “trade” includes “vocation”, and includes also an office or employment.

Until 6th April 1993 paragraph (b) shall have effect with the addition at the end of the words “or the occupation of woodlands in any context in which the expression is applied to that in the Income Tax Acts”.

(2) Except as otherwise provided—

- (a) references to a company apply only to a company, as that expression is limited by subsection (9) below, which is resident in the United Kingdom;
- (b) subsections (3) to (6) below apply to determine whether companies form a group and, where they do, which is the principal company of the group;
- (c) in applying the definition of “75 per cent. subsidiary” in section 838 of the Taxes Act any share capital of a registered industrial and provident society shall be treated as ordinary share capital; and
- (d) “group” and “subsidiary” shall be construed with any necessary modifications where applied to a company incorporated under the law of a country outside the United Kingdom.

(3) Subject to subsections (4) to (6) below—

- (a) a company (referred to below and in sections 171 to 181 as the “principal company of the group”) and all its 75 per cent. subsidiaries form a group and, if any of those subsidiaries have 75 per cent. subsidiaries, the group includes them and their 75 per cent. subsidiaries, and so on, but
- (b) a group does not include any company (other than the principal company of the group) that is not an effective 51 per cent. subsidiary of the principal company of the group.

(4) A company cannot be the principal company of a group if it is itself a 75 per cent. subsidiary of another company.

(5) Where a company (“the subsidiary”) is a 75 per cent. subsidiary of another company but those companies are prevented from being members of the same group by subsection (3)(b) above, the subsidiary may, where the requirements of subsection (3) above are satisfied, itself be the principal company of another group notwithstanding subsection (4) above unless this subsection enables a further company to be the principal company of a group of which the subsidiary would be a member.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) A company cannot be a member of more than one group; but where, apart from this subsection, a company would be a member of 2 or more groups (the principal company of each group being referred to below as the “head of a group”), it is a member only of that group, if any, of which it would be a member under one of the following tests (applying earlier tests in preference to later tests)—
- (a) it is a member of the group it would be a member of if, in applying subsection (3)(b) above, there were left out of account any amount to which a head of a group is or would be beneficially entitled of any profits available for distribution to equity holders of a head of another group or of any assets of a head of another group available for distribution to its equity holders on a winding-up,
 - (b) it is a member of the group the head of which is beneficially entitled to a percentage of profits available for distribution to equity holders of the company that is greater than the percentage of those profits to which any other head of a group is so entitled,
 - (c) it is a member of the group the head of which would be beneficially entitled to a percentage of any assets of the company available for distribution to its equity holders on a winding-up that is greater than the percentage of those assets to which any other head of a group would be so entitled,
 - (d) it is a member of the group the head of which owns directly or indirectly a percentage of the company’s ordinary share capital that is greater than the percentage of that capital owned directly or indirectly by any other head of a group (interpreting this paragraph as if it were included in section 838(1) (a) of the Taxes Act).
- (7) For the purposes of this section and sections 171 to 181, a company (“the subsidiary”) is an effective 51 per cent. subsidiary of another company (“the parent”) at any time if and only if—
- (a) the parent is beneficially entitled to more than 50 per cent. of any profits available for distribution to equity holders of the subsidiary; and
 - (b) the parent would be beneficially entitled to more than 50 per cent. of any assets of the subsidiary available for distribution to its equity holders on a winding-up.
- (8) Schedule 18 to the Taxes Act (group relief: equity holders and profits or assets available for distribution) shall apply for the purposes of subsections (6) and (7) above as if the references to subsection (7), or subsections (7) to (9), of section 413 of that Act were references to subsections (6) and (7) above and as if, in paragraph 1(4), the words from “but” to the end and paragraphs 5(3) [^{F124}and 5B to 5E] and 7(1)(b) were omitted.
- (9) For the purposes of this section and sections 171 to 181, references to a company apply only to—
- (a) a company within the meaning of the ^{M51}Companies Act 1985 or the corresponding enactment in Northern Ireland, and
 - (b) a company which is constituted under any other Act or a Royal Charter or letters patent or (although resident in the United Kingdom) is formed under the law of a country or territory outside the United Kingdom, and
 - (c) a registered industrial and provident society within the meaning of section 486 of the Taxes Act; and
 - (d) a building society.

Status: Point in time view as at 31/12/1995.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (10) For the purposes of this section and sections 171 to 181, a group remains the same group so long as the same company remains the principal company of the group, and if at any time the principal company of a group becomes a member of another group, the first group and the other group shall be regarded as the same, and the question whether or not a company has ceased to be a member of a group shall be determined accordingly.
- (11) For the purposes of this section and sections 171 to 181, the passing of a resolution or the making of an order, or any other act, for the winding-up of a member of a group of companies shall not be regarded as the occasion of that or any other company ceasing to be a member of the group.
- (12) Sections 171 to 181, except in so far as they relate to recovery of tax, shall also have effect in relation to bodies from time to time established by or under any enactment for the carrying on of any industry or part of an industry, or of any undertaking, under national ownership or control as if they were companies within the meaning of those sections, and as if any such bodies charged with related functions (and in particular the Boards and Holding Company established under the ^{M52}Transport Act 1962 and the new authorities within the meaning of the ^{M53}Transport Act 1968 established under that Act of 1968) and subsidiaries of any of them formed a group, and as if also any 2 or more such bodies charged at different times with the same or related functions were members of a group.
- (13) Subsection (12) shall have effect subject to any enactment by virtue of which property, rights, liabilities or activities of one such body fall to be treated for corporation tax as those of another, including in particular any such enactment in Chapter VI of Part XII of the Taxes Act.
- (14) Sections 171 to 181, except in so far as they relate to recovery of tax, shall also have effect in relation to the Executive for a designated area within the meaning of section 9(1) of the ^{M54}Transport Act 1968 as if that Executive were a company within the meaning of those sections.

Transactions within groups

171 Transfers within a group: general provisions.

- (1) Notwithstanding any provision in this Act fixing the amount of the consideration deemed to be received on a disposal or given on an acquisition, where a member of a group of companies disposes of an asset to another member of the group, both members shall, except as provided by subsections (2) and (3) below, be treated, so far as relates to corporation tax on chargeable gains, as if the asset acquired by the member to whom the disposal is made were acquired for a consideration of such amount as would secure that on the other's disposal neither a gain nor a loss would accrue to that other; but where it is assumed for any purpose that a member of a group of companies has sold or acquired an asset, it shall be assumed also that it was not a sale to or acquisition from another member of the group.
- (2) Subsection (1) above shall not apply where the disposal is—
- (a) a disposal of a debt due from a member of a group of companies effected by satisfying the debt or part of it; or
 - (b) a disposal of redeemable shares in a company on the occasion of their redemption; or
 - (c) a disposal by or to an investment trust; or
 - (d) a disposal to a dual resident investing company; ^{F125}...
 - ^{F125}(e)
- and the reference in subsection (1) above to a member of a group of companies disposing of an asset shall not apply to anything which under section 122 is to be treated as a disposal of an interest in shares in a company in consideration for a capital distribution (as defined in that section) from that company, whether or not involving a reduction of capital.
- (3) Subsection (1) above shall not apply to a transaction treated by virtue of sections 127 and 135 as not involving a disposal by the company first mentioned in that subsection.
- (4) For the purposes of subsection (1) above, so far as the consideration for the disposal consists of money or money's worth by way of compensation for any kind of damage or injury to assets, or for the destruction or dissipation of assets or for anything which depreciates or might depreciate an asset, the disposal shall be treated as being to the person who, whether as an insurer or otherwise, ultimately bears the burden of furnishing that consideration.

172 Transfer of United Kingdom branch or agency.

- (1) Subject to subsections (3) and (4) below, subsection (2) below applies for the purposes of corporation tax on chargeable gains where—
- (a) there is a scheme for the transfer by a company (“company A”)—
 - (i) which is not resident in the United Kingdom, but
 - (ii) which carries on a trade in the United Kingdom through a branch or agency,

 - (b) section 25(3) shall not apply to the asset by reason of the transfer.
- (3) Subsection (2) above does not apply where—
- ^{F126}(a)
 - (b) company B is either a dual resident investing company or an investment trust.
- (4) Subsection (2) above shall not apply unless any gain accruing to company A—
- (a) on the disposal of the asset in accordance with the scheme, or
 - (b) where that disposal occurs after the transfer has taken place, on a disposal of the asset immediately before the transfer,
would be a chargeable gain and would, by virtue of section 10(3), form part of its profits for corporation tax purposes.
- (5) In this section “company” and “group” have the meanings which would be given by section 170 if subsections (2)(a) and (9) of that section were omitted.

- (1) Where a member of a group of companies acquires an asset as trading stock from another member of the group, and the asset did not form part of the trading stock of any trade carried on by the other member, the member acquiring it shall be treated for purposes of section 161 as having acquired the asset otherwise than as trading stock and immediately appropriated it for the purposes of the trade as trading stock.

175 Replacement of business assets by members of a group.

(1) Subject to subsection (2) below, for the purposes of sections 152 to 158 all the trades carried on by members of a group of companies shall, for the purposes of corporation tax on chargeable gains, be treated as a single trade ^{F128}....

(2) Subsection (1) above does not apply where so much of the consideration for the disposal of the old assets as is applied in acquiring the new assets or the interest in them is so applied by a member of the group which is a dual resident investing company ^{F129}... and in this subsection “the old assets” and “the new assets” have the same meanings as in section 152.

[^{F130}(2A) Section 152 shall apply where—

Losses attributable to depreciatory transactions

176 Depreciatory transactions within a group.

- (1) This section has effect as respects a disposal of shares in, or securities of, a company (“the ultimate disposal”) if the value of the shares or securities has been materially reduced by a depreciatory transaction effected on or after 31st March 1982; and for this purpose “depreciatory transaction” means—
 - (a) any disposal of assets at other than market value by one member of a group of companies to another, or
 - (b) any other transaction satisfying the conditions of subsection (2) below, except that a transaction shall not be treated as a depreciatory transaction to the extent that it consists of a payment which is required to be or has been brought into account, for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.
- (2) The conditions referred to in subsection (1)(b) above are—
 - (a) that the company, the shares in which, or securities of which, are the subject of the ultimate disposal, or any 75 per cent. subsidiary of that company, was a party to the transaction, and
 - (b) that the parties to the transaction were or included 2 or more companies which at the time of the transaction were members of the same group of companies.
- (3) Without prejudice to the generality of subsection (1) above, the cancellation of any shares in or securities of one member of a group of companies under section 135 of the ^{M55}Companies Act 1985 shall, to the extent that immediately before the cancellation those shares or securities were the property of another member of the group, be taken to be a transaction fulfilling the conditions in subsection (2) above.
- (4) If the person making the ultimate disposal is, or has at any time been, a member of the group of companies referred to in subsection (1) or (2) above, any allowable loss accruing on the disposal shall be reduced to such extent as appears to the inspector, or, on appeal, the Commissioners concerned, to be just and reasonable having regard to the depreciatory transaction, but if the person making the ultimate disposal is not a member of that group when he disposes of the shares or securities, no reduction of the loss shall be made by reference to a depreciatory transaction which took place when that person was not a member of that group.
- (5) The inspector or the Commissioners shall make the decision under subsection (4) above on the footing that the allowable loss ought not to reflect any diminution in the value of the company’s assets which was attributable to a depreciatory transaction, but allowance may be made for any other transaction on or after 31st March 1982 which has enhanced the value of the company’s assets and depreciated the value of the assets of any other member of the group.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) If, under subsection (4) above, a reduction is made in an allowable loss, any chargeable gain accruing on a disposal of the shares or securities of any other company which was a party to the depreciatory transaction by reference to which the reduction was made, being a disposal not later than 6 years after the depreciatory transaction, shall be reduced to such extent as appears to the inspector, or, on appeal, the Commissioners concerned, to be just and reasonable having regard to the effect of the depreciatory transaction on the value of those shares or securities at the time of their disposal, but the total amount of any one or more reductions in chargeable gains made by reference to a depreciatory transaction shall not exceed the amount of the reductions in allowable losses made by reference to that depreciatory transaction.

All such adjustments, whether by way of discharge or repayment of tax, or otherwise, as are required to give effect to the provisions of this subsection may be made at any time.

- (7) For the purposes of this section—
- (a) “securities” includes any loan stock or similar security whether secured or unsecured,
 - (b) references to the disposal of assets include references to any method by which one company which is a member of a group appropriates the goodwill of another member of the group, and
 - (c) a “group of companies” may consist of companies some or all of which are not resident in the United Kingdom.
- (8) References in this section to the disposal of shares or securities include references to the occasion of the making of a claim under section 24(2) that the value of shares or securities has become negligible, and references to a person making a disposal shall be construed accordingly.
- (9) In any case where the ultimate disposal is not one to which section 35(2) applies, the references above to 31st March 1982 shall be read as references to 6th April 1965.

Companies leaving groups

178 Company ceasing to be member of group: pre-appointed day cases.

- (1) If a company (“the chargeable company”) ceases to be a member of a group of companies, this section shall have effect as respects any asset which the chargeable company acquired from another company which was at the time of acquisition a member of that group of companies, but only if the time of acquisition fell within the period of 6 years ending with the time when the company ceases to be a member of the group; and references in this section to a company ceasing to be a member of a group of companies do not apply to cases where a company ceases to be a member of a group [^{F133}in consequence of another member of the group ceasing to exist].
- (2) Where 2 or more associated companies cease to be members of the group at the same time, subsection (1) above shall not have effect as respects an acquisition by one from another of those associated companies.
- (3) If, when the chargeable company ceases to be a member of the group, the chargeable company, or an associated company also leaving the group, owns, otherwise than as trading stock—
 - (a) the asset, or
 - (b) property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,the chargeable company shall be treated for all the purposes of this Act as if immediately after its acquisition of the asset it had sold, and immediately reacquired, the asset at market value at that time.
- (4) Where, apart from subsection (5) below, a company ceasing to be a member of a group by reason only of the fact that the principal company of the group becomes a member of another group would be treated by virtue of subsection (3) above as selling an asset at any time, subsections (5) and (6) below shall apply.
- (5) The company in question shall not be treated as selling the asset at that time; but if—
 - (a) within 6 years of that time the company in question ceases at any time (“the relevant time”) to satisfy the following conditions, and
 - (b) at the relevant time, the company in question, or a company in the same group as that company, owns otherwise than as trading stock the asset or property

the company in question shall be treated for all the purposes of this Act as if, immediately after its acquisition of the asset, it had sold and immediately reacquired the asset at the value that, at the time of acquisition, was its market value.

(6) Those conditions are—

- (a) that the company is a 75 per cent. subsidiary of one or more members of the other group referred to in subsection (4) above, and
- (b) that the company is an effective 51 per cent. subsidiary of one or more of those members.

(7) Where—

- (a) by virtue of this section a company is treated as having sold an asset at any time, and

subsections (3) and (5) above shall have effect as if the market value at that time had been that amount greater.

(8) For the purposes of this section—

- (b) a chargeable gain is carried forward from an asset to other property on a replacement of business assets if, by one or more claims under sections 152 to 158, the chargeable gain accruing on a disposal of the asset is reduced, and as a result an amount falls to be deducted from the expenditure allowable in computing a gain accruing on the disposal of the other property,
- (c) an asset acquired by the chargeable company shall be treated as the same as an asset owned at a later time by that company or an associated company if the value of the second asset is derived in whole or in part from the first asset, and in particular where the second asset is a freehold, and the first asset was a leasehold and the lessee has acquired the reversion.

(9) If any of the corporation tax assessed on a company in consequence of this section is not paid within 6 months from the date when it becomes payable then—

- (a) a company which on that date, or immediately after the chargeable company ceased to be a member of the group, was the principal company of the group, and

- (1) In this section any reference to a disposal (including a part disposal) is a reference to a disposal made by way of a bargain at arm's length.
- (2) If, at the time of the disposal, the licence relates to an undeveloped area, then, to the extent that the consideration for the disposal consists of—
 - (a) another licence which at that time relates to an undeveloped area or an interest in another such licence, or
 - (b) an obligation to undertake exploration work or appraisal work in an area which is or forms part of the licensed area in relation to the licence disposed of,the value of that consideration shall be treated as nil for the purposes of this Act.
- (3) If the disposal of a licence which, at the time of the disposal, relates to an undeveloped area is part of a larger transaction under which one party makes to another disposals of 2 or more licences, each of which at the time of the disposal relates to an undeveloped area, the reference in subsection (2)(b) above to the licensed area in relation to the licence disposed of shall be construed as a reference to the totality of the licensed areas in relation to those 2 or more licences.

(ii) the indexation allowance on the disposal.

(5) Where section 42 has effect in relation to such a disposal as is referred to in subsection (4) above, it shall have effect as if, for subsection (2) thereof, there were substituted the following subsection—

- (b) the aggregate referred to in section 194(4) on the other hand (call that aggregate C),

and the fraction of the said sums allowable as a deduction in computing the amount of the gain (if any) accruing on the disposal shall be—

shall be treated as expenditure falling within section 38(1)(b).

(2) Expenditure incurred as mentioned in subsection (1) above is relevant expenditure if, and only if—

- (a) it is expenditure of a capital nature on scientific research; and
- (b) either it was allowed or allowable under section 137 of the 1990 Act (capital expenditure on scientific research) for a relevant chargeable period which, or the basis year for which, began before the date of the disposal or it would have been so allowable if the trading condition had been fulfilled; and
- (c) the disposal is an occasion by virtue of which section 138 of the 1990 Act (termination of user of assets representing scientific research expenditure of a capital nature) applies in relation to the expenditure or would apply if the trading condition had been fulfilled and the expenditure had been allowed accordingly.

(3) In subsection (2) above and subsection (4) below, the expression “if the trading condition had been fulfilled” means, in relation to expenditure of a capital nature on scientific research, if, after the expenditure was incurred but before the disposal concerned was made, the person incurring the expenditure had set up and commenced a trade connected with that research; and in subsection (2)(b) above—

- (5) On the disposal of a licence, sections 37 and 41 shall apply in relation to any such trading receipt as is mentioned in subsection (4)(a) above as if it were a balancing charge falling to be made by reference to the disposal.
- (6) Where, on the disposal of a licence, subsection (1) above has effect in relation to any relevant qualifying expenditure which had not in fact been allowed or become allowable as mentioned in subsection (2)(b) above—

204 Policies of insurance.

- (1) The rights of the insurer under any policy of insurance shall not constitute an asset on the disposal of which a gain may accrue, whether the risks insured relate to property or not; and the rights of the insured under any policy of insurance of the risk of any kind of damage to, or the loss or depreciation of, assets shall constitute an asset on the disposal of which a gain may accrue only to the extent that those rights relate to assets on the disposal of which a gain may accrue or might have accrued.
- (2) Notwithstanding subsection (1) above, sums received under a policy of insurance of the risk of any kind of damage to, or the loss or depreciation of, assets are for the purposes of this Act, and in particular for the purposes of section 22, sums derived from the assets.
- (3) Where any investments or other assets are or have been, in accordance with a policy issued in the course of life assurance business carried on by an insurance company, transferred to the policy holder on or after 6th April 1967, the policy holder's acquisition of the assets and the disposal of them to him shall be deemed to be, for the purposes of this Act, for a consideration equal to the market value of the assets.
- (4) In subsections (1) and (2) above “policy of insurance” does not include a policy of assurance on human life and in subsection (3) “life assurance business” and “insurance company” have the same meaning as in Chapter I of Part XII of the Taxes Act.

205 Disallowance of insurance premiums as expenses.

Without prejudice to the provisions of section 39, there shall be excluded from the sums allowable as a deduction in the computation of the gain accruing on the disposal of an asset any premiums or other payments made under a policy of insurance of the risk of any kind of damage or injury to, or loss or depreciation of, the asset.

213 Spreading of gains and losses under section 212.

- (1) Any chargeable gains or allowable losses which would otherwise accrue on disposals deemed by virtue of section 212 to have been made at the end of a company's accounting period shall be treated as not accruing to it, but instead—
- there shall be ascertained the difference (“the net amount”) between the aggregate of those gains and the aggregate of those losses, and
 - one-seventh of the net amount shall be treated as a chargeable gain or, where it represents an excess of losses over gains, as an allowable loss accruing to the company at the end of the accounting period, and

- (b) the net amount for one of the next 6 accounting periods (after taking account of any reductions made by virtue of this subsection) represents an excess of losses over gains,
- (c) there is (after taking account of any such reductions) no net amount for any intervening accounting period, and
- (d) within 2 years after the end of the later accounting period the company makes a claim for the purpose in respect of the whole or part of the net amount for that period,

the net amounts for both the earlier and the later period shall be reduced by the amount in respect of which the claim is made.

- (4) Subject to subsection (5) below, where a company ceases to carry on long term business before the end of the last of the accounting periods for which subsection (1) (c) above would apply in relation to a net amount, the fraction of that amount that is treated as accruing at the end of the accounting period ending with the cessation shall be such as to secure that the whole of the net amount has been accounted for.

- (d) “pre-commencement policies or contracts” means—
 - (i) policies issued in respect of insurances made before 1st April 1990, and
 - (ii) annuity contracts made before that date, but excluding policies or annuity contracts varied on or after that date so as to increase the benefits secured or to extend the term of the insurance or annuity (any exercise of rights conferred by a policy or annuity contract being regarded for this purpose as a variation);
- (e) “basic life assurance and general annuity business” means life assurance business, other than pension business and overseas life assurance business.

(2) The assets which are to be regarded for the purposes of this section as linked solely to an insurance company’s basic life assurance and general annuity business at any time before the first accounting period of the company which begins on or after 1st January 1992 are all the assets which at that time—

- (6) Subject to subsection (7) below, subsection (9) below applies where—
- (a) after the end of 1989 [^{F167}and before the time when it is first deemed under section 212 to have made a disposal of any assets] an insurance company exchanges section 212 assets (“the old assets”) for other assets (“the new assets”) to be held as assets of the long term business fund,
 - (b) the new assets are not section 212 assets but are assets on the disposal of which any gains accruing would be chargeable gains,
 - (c) both the old assets and the new assets are linked solely to basic life assurance and general annuity business, or both are neither linked solely to basic life assurance and general annuity business or pension business nor assets of the overseas life assurance fund, and
 - (d) the company makes a claim for the purpose within 2 years after the end of the accounting period in which the exchange occurs.

 - (b) as if the amount or value of the consideration for the acquisition of the new land were reduced by the excess of the amount or value of the actual consideration for the disposal of the old land over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (3) If part only of the consideration for the disposal of the old land was applied as mentioned in subsection (1)(c) above, then, subject to section 248, if the part of the consideration which was not so applied (“the unexpended consideration”) is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old land, the landowner, on making a claim as respects the consideration which was so applied, shall be treated for the purposes of this Act—

- (1) In this section “a qualifying loan” means a loan in the case of which—

- (2) If, on a claim by a person who has made a qualifying loan, the inspector is satisfied that one of the following 3 conditions is fulfilled, this Act shall have effect as if an allowable loss equal to the allowable amount had accrued to the claimant when the claim was made.
- (3) The first condition is that—
 - (a) the value of the security has become negligible,
 - (b) the claimant has not assigned his right to recover any outstanding amount of the principal of the loan, and
 - (c) the claimant and the borrower are not companies which have been in the same group at any time after the loan was made.
- (4) The second condition is that—
 - (a) the security’s redemption date has passed,
 - (b) all the outstanding amount of the principal of the loan was irrecoverable (taking the facts existing on that date) or proved to be irrecoverable (taking the facts existing on a later date), and

 - (c) subsection (3)(b) and (c) above are fulfilled.
- (6) In a case where the inspector is satisfied that the first or second condition is fulfilled, the allowable amount is the lesser of—

- (a) the outstanding amount of the principal of the loan;
 - (b) the amount of the security's acquisition cost;
- and if any amount of the principal of the loan has been recovered the amount of the security's acquisition cost shall for this purpose be treated as reduced (but not beyond nil) by the amount recovered.
- (7) In a case where the inspector is satisfied that the third condition is fulfilled, then—

- (2) In this section “local constituency association” means an unincorporated association (whether described as an association, a branch or otherwise) whose primary purpose is to further the aims of a political party in an area which at any time is or was the same or substantially the same as the area of a parliamentary constituency or 2 or more parliamentary constituencies and, in relation to any relevant date—
