## Corporation tax

### 8 Company's total profits to include chargeable gains. **U.K.**

- (1) Subject to the provisions of this section and section 400 of the Taxes Act, the amount to be included in respect of chargeable gains in a company's total profits for any accounting period shall be the total amount of chargeable gains accruing to the company in the accounting period after deducting—
  - (a) any allowable losses accruing to the company in the period, and
  - (b) so far as they have not been allowed as a deduction from chargeable gains accruing in any previous accounting period, any allowable losses previously accruing to the company while it has been within the charge to corporation tax.
- (2) For the purposes of corporation tax in respect of chargeable gains, "allowable loss" does not include a loss accruing to a company in such circumstances that if a gain accrued the company would be exempt from corporation tax in respect of it.
- (3) Except as otherwise provided by this Act or any other provision of the Corporation Tax Acts, the total amount of the chargeable gains to be included in respect of chargeable gains in a company's total profits for any accounting period shall for purposes of corporation tax be computed in accordance with the principles applying for capital gains tax, all questions—
  - (a) as to the amounts which are or are not to be taken into account as chargeable gains or as allowable losses, or in computing gains or losses, or charged to tax as a person's gain; or
  - (b) as to the time when any such amount is to be treated as accruing,  
being determined in accordance with the provisions relating to capital gains tax as if accounting periods were years of assessment.
- (4) Subject to subsection (5) below, where the enactments relating to capital gains tax contain any reference to income tax or to the Income Tax Acts the reference shall, in relation to a company, be construed as a reference to corporation tax or to the Corporation Tax Acts; but—
  - (a) this subsection shall not affect the references to income tax in section 39(2); and
  - (b) in so far as those enactments operate by reference to matters of any specified description, account shall for corporation tax be taken of matters of that description which are confined to companies, but not of any which are confined to individuals.
- (5) This Act as it has effect in accordance with this section shall not be affected in its operation by the fact that capital gains tax and corporation tax are distinct taxes but, so far as is consistent with the Corporation Tax Acts, shall apply in relation to capital gains tax and corporation tax on chargeable gains as if they were one tax, so that, in particular, a matter which in a case involving 2 individuals is relevant for both of them in relation to capital gains tax shall in a like case involving an individual and a company be relevant for him in relation to that tax and for it in relation to corporation tax.
- (6) Where assets of a company are vested in a liquidator under section 145 of the <sup>M1</sup>Insolvency Act 1986 or Article 123 of the <sup>M2</sup>Insolvency (Northern Ireland) Order 1989 or otherwise, this section and the enactments applied by this section shall apply as if the assets were vested in, and the acts of the liquidator in relation to the assets
