

Taxation of Chargeable Gains Act 1992

1992 CHAPTER 12

PART II

GENERAL PROVISIONS RELATING TO COMPUTATION OF GAINS AND ACQUISITIONS AND DISPOSALS OF ASSETS

CHAPTER I

INTRODUCTORY

15 Computation of gains.

- (1) The amount of the gains accruing on the disposal of assets shall be computed in accordance with this Part, subject to the other provisions of this Act.
- (2) Every gain shall, except as otherwise expressly provided, be a chargeable gain.

16 Computation of losses.

- (1) Subject to [^{F1}sections 261B, 261D and 263ZA] and except as otherwise expressly provided, the amount of a loss accruing on a disposal of an asset shall be computed in the same way as the amount of a gain accruing on a disposal is computed.
- (2) Except as otherwise expressly provided, all the provisions of this Act which distinguish gains which are chargeable gains from those which are not, or which make part of a gain a chargeable gain, and part not, shall apply also to distinguish losses which are allowable losses from those which are not, and to make part of a loss an allowable loss, and part not; and references in this Act to an allowable loss shall be construed accordingly.

[^{F2}(2A) A loss accruing to a person in a year of assessment shall not be an allowable loss for the purposes of this Act unless, in relation to that year, he gives a notice to an officer of the Board quantifying the amount of that loss; and sections 42 and 43 of the Management Act shall apply in relation to such a notice as if it were a claim for relief.]

Status: Point in time view as at 16/12/2010.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part II is up to date with all changes known to be in force on or before 19 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) A loss accruing to a person in a year of assessment during no part of which he is resident or ordinarily resident in the United Kingdom shall not be an allowable loss for the purposes of this Act unless, under section 10 [^{F3}or 10B], he would be chargeable to tax in respect of a chargeable gain if there had been a gain instead of a loss on that occasion.

[^{F5}16ZA Losses: non-UK domiciled individuals

- (1) In this section “the relevant tax year”, in relation to an individual, means the first tax year for which—

- (3) If an individual does not make such an election, foreign losses accruing to the individual in—
- (a) the relevant tax year, or
 - (b) any subsequent tax year except one in which the individual is domiciled in the United Kingdom,
- are not allowable losses.

16ZB Individual who has made election under section 16ZA: foreign chargeable gains remitted in tax year after tax year in which accrue

- (1) This section applies to an individual for a tax year (“the applicable tax year”) if—
- the individual has made an election under section 16ZA,
 - foreign chargeable gains accrued to the individual in or after the relevant tax year (within the meaning of section 16ZA) but before the applicable tax year, and
 - by reason of the remission of any of the foreign chargeable gains to the United Kingdom, chargeable gains are treated under section 12 as accruing to the individual in the applicable tax year (“the relevant gains”).
- (2) Section 2(2) or (4) has effect for the applicable tax year as if the relevant gains had not accrued.
- (3) The amount on which the individual is charged to capital gains tax for the applicable tax year is (instead of the amount given by section 2(2) or (4)(b), as reduced under section 3) the sum of—
- the adjusted taxable amount, and
 - the amount of the relevant gains.
- (4) “The adjusted taxable amount” is—
- if section 3(1) (annual exempt amount) does not apply to the individual for the applicable tax year, the amount given by section 2(2) or (4)(b) as it has effect by virtue of subsection (2), and
 - otherwise, so much of that amount as exceeds the exempt amount for the applicable tax year (within the meaning of section 3).
- (5) In subsection (1) “foreign chargeable gains” has the meaning given by section 12(4).
- (6) For the purposes of subsection (1)(c) foreign chargeable gains are remitted to the United Kingdom if they are regarded as so remitted for the purposes of section 12.

Textual Amendments

16ZC Individual who has made election under section 16ZA and to whom remittance basis applies

- (1) This section applies to an individual for a tax year if—

Status: Point in time view as at 16/12/2010.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part II is up to date with all changes known to be in force on or before 19 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the individual has made an election under section 16ZA for the tax year or any earlier tax year,
 - (b) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the individual for the tax year, and
 - (c) the individual is not domiciled in the United Kingdom in the tax year.
- (2) The following steps apply for the purpose of calculating the amount on which the individual is to be charged to capital gains tax for the tax year.

Step 1

Deduct any relevant allowable losses from the chargeable gains referred to in subsection (3) in the order in which they appear there (starting with paragraph (a) of that subsection).

If allowable losses are deductible from the chargeable gains referred to in subsection (3)(b) but are not enough to exhaust them all—

- (a) those chargeable gains are to be ordered according to the day on which they accrued,
- (b) the losses are to be deducted from those gains in reverse chronological order (starting with the last chargeable gain to accrue), and
- (c) if allowable losses are deductible from chargeable gains that accrued on a particular day but are not enough to exhaust all of the chargeable gains that accrued on that day, the amount deducted from each of those chargeable gains is the appropriate proportion of the losses.

In paragraph (c) “the appropriate proportion”, in relation to a chargeable gain, is the amount of that gain divided by the total amount of the chargeable gains that accrued on the day in question.

Step 2

Treat the amount referred to in section 2(2) or (4)(a) or 16ZB(3)(a) as being equal to—

- (a) the amount it would be if there were no relevant allowable losses, minus
- (b) the total amount deducted under Step 1 from chargeable gains within subsection (3)(a) or (c).

- (3) The chargeable gains are—
- (a) foreign chargeable gains accruing to the individual in the tax year, to the extent that they are remitted to the United Kingdom in that year,
 - (b) foreign chargeable gains accruing to the individual in that year, to the extent that they are not so remitted in that year, and
 - (c) chargeable gains accruing to the individual in that year (other than foreign chargeable gains).
- (4) Chargeable gains treated as accruing under section 87 or 89(2) (read, where appropriate, with section 10A) are not within any paragraph of subsection (3).
- (5) Chargeable gains treated as accruing under section 12 are not within subsection (3)(c).
- (6) For the purposes of subsection (3) foreign chargeable gains are remitted to the United Kingdom if they are regarded as so remitted for the purposes of section 12.
- (7) In this section—

“relevant allowable losses” means the allowable losses that section 2(2) provides may be deducted from chargeable gains accruing to the individual in the tax year, and

“foreign chargeable gains” has the meaning given by section 12(4).

[^{F6}16A Restrictions on allowable losses

- (1) For the purposes of this Act, “allowable loss” does not include a loss accruing to a person if—
 - (a) it accrues to the person directly or indirectly in consequence of, or otherwise in connection with, any arrangements, and
 - (b) the main purpose, or one of the main purposes, of the arrangements is to secure a tax advantage.
- (2) For the purposes of subsection (1)—

“arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable), and

“tax advantage” means—

 - (a) relief or increased relief from tax,
 - (b) repayment or increased repayment of tax,
 - (c) the avoidance or reduction of a charge to tax or an assessment to tax, or
 - (d) the avoidance of a possible assessment to tax,

and for the purposes of this definition “tax” means capital gains tax, corporation tax or income tax.
- (3) For the purposes of subsection (1) it does not matter—
 - (a) whether the loss accrues at a time when there are no chargeable gains from which it could otherwise have been deducted, or

17 Disposals and acquisitions treated as made at market value.

- (1) Subject to the provisions of this Act, a person's acquisition or disposal of an asset shall for the purposes of this Act be deemed to be for a consideration equal to the market value of the asset—
- (a) where he acquires or, as the case may be, disposes of the asset otherwise than by way of a bargain made at arm's length, and in particular where he acquires or disposes of it by way of gift or on a transfer into settlement by a settlor or by way of distribution from a company in respect of shares in the company, or
- (b) where he acquires or, as the case may be, disposes of the asset wholly or partly for a consideration that cannot be valued, or in connection with his own or another's loss of office or employment or diminution of emoluments, or otherwise in consideration for or recognition of his or another's services or past services in any office or employment or of any other service rendered or to be rendered by him or another.
- (2) Subsection (1) shall not apply to the acquisition of an asset if—
- (a) there is no corresponding disposal of it, and
- (b) there is no consideration in money or money's worth or the consideration is of an amount or value lower than the market value of the asset.

18 Transactions between connected persons.

- (1) This section shall apply where a person acquires an asset and the person making the disposal is connected with him.
- (2) Without prejudice to the generality of section 17(1) the person acquiring the asset and the person making the disposal shall be treated as parties to a transaction otherwise than by way of a bargain made at arm's length.
- (3) Subject to subsection (4) below, if on the disposal a loss accrues to the person making the disposal, it shall not be deductible except from a chargeable gain accruing to him on some other disposal of an asset to the person acquiring the asset mentioned in subsection (1) above, being a disposal made at a time when they are connected persons.
- (4) Subsection (3) above shall not apply to a disposal by way of gift in settlement if the gift and the income from it is wholly or primarily applicable for educational, cultural or recreational purposes, and the persons benefiting from the application for those purposes are confined to members of an association of persons for whose benefit the gift was made, not being persons all or most of whom are connected persons.
- (5) Where the asset mentioned in subsection (1) above is an option to enter into a sale or other transaction given by the person making the disposal a loss accruing to the person acquiring the asset shall not be an allowable loss unless it accrues on a disposal of the option at arm's length to a person who is not connected with him.
- (6) Subject to subsection (7) below, in a case where the asset mentioned in subsection (1) above is subject to any right or restriction enforceable by the person making the disposal, or by a person connected with him, then (where the amount of the consideration for the acquisition is, in accordance with subsection (2) above, deemed to be equal to the market value of the asset) that market value shall be—
 - (a) what its market value would be if not subject to the right or restriction, minus—
 - (b) the market value of the right or restriction or the amount by which its extinction would enhance the value of the asset to its owner, whichever is the less.
- (7) If the right or restriction is of such a nature that its enforcement would or might effectively destroy or substantially impair the value of the asset without bringing any countervailing advantage either to the person making the disposal or a person connected with him or is an option or other right to acquire the asset or, in the case of incorporeal property, is a right to extinguish the asset in the hands of the person giving the consideration by forfeiture or merger or otherwise, the market value of the asset shall be determined, and the amount of the gain accruing on the disposal shall be computed, as if the right or restriction did not exist.
- (8) Subsections (6) and (7) above shall not apply to a right of forfeiture or other right exercisable on breach of a covenant contained in a lease of land or other property, and shall not apply to any right or restriction under a mortgage or other charge.

19 Deemed consideration in certain cases where assets disposed of in a series of transactions.

- (1) For the purposes of this Act, in any case where—
 - (a) by way of 2 or more material transactions which are linked (a series of linked transactions), one person disposes of assets to another person with whom he

Status: Point in time view as at 16/12/2010.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part II is up to date with all changes known to be in force on or before 19 June 2024. is connected or to 2 or more other persons with each of whom he is connected, and

- (b) the original market value of the assets disposed of by any of the transactions in the series, as determined under section 20, is less than the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series, as so determined,

then, subject to subsection (2) below, the disposal effected by any linked transaction in the series in respect of which the condition in paragraph (b) above is fulfilled shall be deemed to be for a consideration equal to the appropriate portion referred to in that paragraph.

- (2) Where the disposal effected by a material transaction is one to which section 58 applies, nothing in subsection (1) above shall affect the amount which, for the purposes of this Act, is the consideration for that disposal.
- (3) Subject to subsection (5) below, any reference in this section to a material transaction is a reference to a transaction by way of gift or otherwise; and, for the purposes of this section, 2 or more material transactions are linked if they occur within the period of 6 years ending on the date of the last of them.
- (4) This section shall apply or, as the case may be, shall again apply—
 - (a) when a second material transaction causes a series of linked transactions to come into being; and
 - (b) whenever, on the occurrence of a further material transaction, an existing series is extended by the inclusion of that transaction (whether or not an earlier transaction ceases to form part of the series);

and all such assessments and adjustments of assessments shall be made as may be necessary to give effect to this section on each such occasion.

- (5) Where a member of a group of companies disposes of an asset to another member of the group in circumstances such that, by virtue of section 171, both companies are treated, so far as relates to corporation tax on chargeable gains, as if the consideration for the disposal were of such an amount as would secure that neither a gain nor a loss would accrue, the transaction by which that disposal is effected is not a material transaction; and a disposal in these circumstances is in this section referred to as an “inter-group transfer”.
- (6) In any case where—
 - (a) a company (“company A”) disposes of an asset by way of a material transaction, and
 - (b) company A acquired the asset after 19th March 1985 by way of an inter-group transfer, and
 - (c) the disposal by company A is to a person who is connected with another company (“company B”) which at some time after 19th March 1985 disposed of the asset by way of an inter-group transfer, and
 - (d) either the disposal by way of inter-group transfer which is referred to in paragraph (c) above was the occasion of the acquisition referred to in paragraph (b) above or, between that disposal and that acquisition, there has been no disposal of the asset which was not an inter-group transfer,

then, for the purpose of determining whether subsection (1) above applies in relation to a series of linked transactions, the disposal by company A shall be treated as having been made by company B; but any increase in the consideration for that disposal

resulting from the application of subsection (1) above shall have effect with respect to company A.

20 Original market value and aggregate market value for purposes of section 19.

- (1) This section has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 19.
- (2) Expressions used in this section have the same meaning as in that section.
- (3) Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
 - (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from section 19, would be deemed to be the consideration for that transaction for the purposes of this Act; and
 - (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of this Act to be the consideration for the transaction concerned (whether by virtue of the previous operation of section 19, or by virtue of any other provision of this Act).
- (4) Subject to subsections (6) to (9) below, in relation to any transaction in a series of linked transactions—
 - (a) any reference in this section or section 19 to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of this Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
 - (b) any reference in section 19 to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.
- (5) The reference in subsection (4)(a) above to considering all the assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.
- (6) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of subsections (4) and (5) above in relation to each of the transactions in the series—
 - (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer; and
 - (b) subject to subsection (7) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately

Status: Point in time view as at 16/12/2010.

before the first of the transactions in the series and ending immediately before the last.

- (7) If, before the first of the transactions referred to in paragraph (b) of subsection (6) above, the person concerned (being a company) disposed of any assets by way of an inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.
- (8) In the application of subsection (6) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (9) In subsection (8) above “securities” includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

- (a) capital sums received by way of compensation for any kind of damage or injury to assets or for the loss, destruction or dissipation of assets or for any depreciation or risk of depreciation of an asset,

- (1) If the recipient so claims, receipt of a capital sum within paragraph (a), (b), (c) or (d) of section 22(1) derived from an asset which is not lost or destroyed shall not be treated for the purposes of this Act as a disposal of the asset if—
- (a) the capital sum is wholly applied in restoring the asset, or
 - (b) (subject to subsection (2) below), the capital sum is applied in restoring the asset except for a part of the capital sum which is not reasonably required for the purpose and which is small as compared with the whole capital sum, or
 - (c) (subject to subsection (2) below), the amount of the capital sum is small, as compared with the value of the asset,

the computation of the gain shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.

- (2) If the allowable expenditure is less than the consideration for the disposal constituted by the receipt of the capital sum (or is nil)—
- (a) paragraphs (b) and (c) of subsection (1) above shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the consideration for the disposal shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the disposal or any subsequent occasion.

In this subsection “allowable expenditure” means expenditure which, immediately before the disposal, was attributable to the asset under paragraphs (a) and (b) of section 38(1).

- (3) If, in a case not falling within subsection (1)(b) above, a part of a capital sum within paragraph (a) or paragraph (b) of section 22(1) derived from an asset which is not lost or destroyed is applied in restoring the asset, then if the recipient so claims, that part of the capital sum shall not be treated as consideration for the disposal deemed to be effected on receipt of the capital sum but shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.
- (4) If an asset is lost or destroyed and a capital sum received by way of compensation for the loss or destruction, or under a policy of insurance of the risk of the loss or destruction, is within one year of receipt, or such longer period as the inspector may allow, applied in acquiring an asset in replacement of the asset lost or destroyed the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of the old asset were (if otherwise of a greater amount) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the excess of the amount of the capital sum received by way of compensation or under the policy of insurance, together with any residual or scrap value, over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (5) A claim shall not be made under subsection (4) above if part only of the capital sum is applied in acquiring the new asset but if all of that capital sum except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old asset is so applied, then the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the amount by which the gain is reduced under paragraph (a) of this subsection.

- [^{F9}(6) If a building (“the old building”) is destroyed or irreparably damaged, and all or part of a capital sum received by way of compensation for the destruction or damage, or under a policy of insurance of the risk of the destruction or damage, is applied by the recipient in constructing or otherwise acquiring a replacement building situated on other land (“the new building”), then for the purposes of subsections (4) and (5) above each of the old building and the new building shall be regarded as an asset separate from the land on which it is or was situated and the old building shall be treated as lost or destroyed.

29 General provisions.

- (1) Without prejudice to the generality of the provisions of this Act as to the transactions which are disposals of assets, any transaction which under the following subsections is to be treated as a disposal of an asset—
 - (a) shall be so treated (with a corresponding acquisition of an interest in the asset) notwithstanding that there is no consideration, and
 - (b) so far as, on the assumption that the parties to the transaction were at arm's length, the party making the disposal could have obtained consideration, or additional consideration, for the disposal, shall be treated as not being at arm's length and the consideration so obtainable, or the additional consideration so obtainable added to the consideration actually passing, shall be treated as the market value of what is acquired.
- (2) If a person having control of a company exercises his control so that value passes out of shares in the company owned by him or a person with whom he is connected, or out of rights over the company exercisable by him or by a person with whom he is connected, and passes into other shares in or rights over the company, that shall be a disposal of the shares or rights out of which the value passes by the person by whom they were owned or exercisable.
- (3) A loss on the disposal of an asset shall not be an allowable loss to the extent to which it is attributable to value having passed out of other assets, being shares in or rights over a company which by virtue of the passing of value are treated as disposed of under subsection (2) above.
- (4) If, after a transaction which results in the owner of land or of any other description of property becoming the lessee of the property there is any adjustment of the rights and liabilities under the lease, whether or not involving the grant of a new lease, which is as a whole favourable to the lessor, that shall be a disposal by the lessee of an interest in the property.
- (5) If an asset is subject to any description of right or restriction the extinction or abrogation, in whole or in part, of the right or restriction by the person entitled to enforce it shall be a disposal by him of the right or restriction.

30 Tax-free benefits.

- (1) This section has effect as respects the disposal of an asset if a scheme has been effected or arrangements have been made (whether before or after the disposal) whereby—
 - (a) the value of the asset or a relevant asset has been materially reduced, and
 - (b) a tax-free benefit has been or will be conferred—
 - (i) on the person making the disposal or a person with whom he is connected, or
 - (ii) subject to subsection (4) below, on any other person.
- (2) For the purposes of this section, where the asset disposed of by a company (“the disposing company”) consists of shares in, or securities of, another company, another asset is a relevant asset if, at the time of the disposal, it is owned by a company associated with the disposing company; but no account shall be taken of any reduction in the value of a relevant asset except in a case where—

- (a) during the period beginning with the reduction in value and ending immediately before the disposal by the disposing company, there is no disposal of the asset to any person, other than a disposal falling within section 171(1),
 - (b) no disposal of the asset is treated as having occurred during that period by virtue of section ^{F24}... 179, and
 - (c) if the reduction had not taken place but any consideration given for the relevant asset and any other material circumstances (including any consideration given before the disposal for the asset disposed of) were unchanged, the value of the asset disposed of would, at the time of the disposal, have been materially greater;
- and in this subsection “securities” has the same meaning as in section 132.
- (3) For the purposes of subsection (1)(b) above a benefit is conferred on a person if he becomes entitled to any money or money’s worth or the value of any asset in which he has an interest is increased or he is wholly or partly relieved from any liability to which he is subject; and a benefit is tax-free unless it is required, on the occasion on which it is conferred on the person in question, to be brought into account in computing his income, profits or gains for the purposes of income tax, capital gains tax or corporation tax.
- (4) This section shall not apply by virtue of subsection (1)(b)(ii) above [^{F25}in a case where] avoidance of tax was not the main purpose or one of the main purposes of the scheme or arrangements in question.
- (5) Where this section has effect in relation to any disposal, any allowable loss or chargeable gain accruing on the disposal shall be calculated as if the consideration for the disposal were increased by such amount as [^{F26}is] just and reasonable having regard to the scheme or arrangements and the tax-free benefit in question.
- (6) Where—
- (a) by virtue of subsection (5) above the consideration for the disposal of an asset has been treated as increased, and
 - (b) the benefit taken into account under subsection (1)(b) above was an increase in the value of another asset,
- any allowable loss or chargeable gain accruing on the first disposal of the other asset after the increase in its value shall be calculated as if the consideration for that disposal were reduced by such amount as [^{F27}is] just and reasonable having regard to the scheme or arrangements in question and the increase made in relation to the disposal mentioned in paragraph (a) above.
- (7) References in this section to a disposal do not include references to any disposal falling within section 58(1), 62(4) or 171(1).
- (8) References in this section, in relation to any disposal, to a reduction in the value of an asset, where the asset consists of shares owned by a company in another company, shall be interpreted in accordance with sections 31 to 33 and, in those sections, the disposal, the asset and those companies are referred to respectively as “the section 30 disposal”, “the principal asset”, “the first company” and “the second company”.
- (9) In relation to a case in which the disposal of an asset precedes its acquisition the references in subsections (1)(a) and (2) above to a reduction shall be read as including a reference to an increase.

31 Distributions within a group followed by a disposal of shares.

- (1) The references in section 30 to a reduction in the value of an asset, in the case mentioned in subsection (8) of that section, do not include a reduction attributable to the payment of a dividend by the second company at a time when it and the first company are associated, except to the extent (if any) that the dividend is attributable to chargeable profits of the second company and, in such a case, the tax-free benefit shall be ascertained without regard to any part of the dividend that is not attributable to such profits.
- (2) Subsections (3) to (11) below apply for the interpretation of subsection (1) above.
- (3) Chargeable profits shall be ascertained as follows—
- the distributable profits of any company are chargeable profits of that company to the extent that they are profits arising on a transaction caught by this section, and
 - where any company makes a distribution attributable wholly or partly to chargeable profits (including any profits that are chargeable profits by virtue of this paragraph) to another company, the distributable profits of the other company, so far as they represent that distribution or so much of it as was attributable to chargeable profits, are chargeable profits of the other company,

and for this purpose any loss or other amount to be set against the profits of a company in determining the distributable profits shall be set first against profits other than the profits so arising or, as the case may be, representing so much of the distribution as was attributable to chargeable profits.

- (4) The distributable profits of a company are such profits computed on a commercial basis as, after allowing for any provision properly made for tax, the company is empowered, assuming sufficient funds, to distribute to persons entitled to participate in the profits of the company.
- (5) Profits of a company (“company A”) are profits arising on a transaction caught by this section where each of the following 3 conditions is satisfied.
- (6) The first condition is that the transaction is—
- (a) a disposal of an asset by company A to another company in circumstances such that company A and the other company are treated as mentioned in section 171(1), or
 - [^{F28}(b) an exchange, or deemed exchange, of shares in or debentures of a company held by company A for shares in or debentures of another company, being a company associated with company A immediately after the transaction, that is treated by virtue of section 135 or 136 as a reorganisation of share capital within the meaning of section 126 to which sections 127 to 131 apply with the necessary adaptations, or]
 - (c) a revaluation of an asset in the accounting records of company A.

In the following conditions the “asset with enhanced value” means (subject to section 33), in the paragraph (a) case, the asset acquired by the person to whom the disposal is made, in the paragraph (b) case, the shares in or debentures of the other company and, in the paragraph (c) case, the revalued asset.

- (7) The second condition is that—
- (a) during the period beginning with the transaction referred to in subsection (6) above and ending immediately before the section 30 disposal, there is no disposal of the asset with enhanced value to any person, other than a disposal falling within section 171(1), and
 - (b) no disposal of the asset with enhanced value is treated as having occurred during that period by virtue of section ^{F29}... 179.
- (8) The third condition is that, immediately after the section 30 disposal, the asset with enhanced value is owned by a person other than the company making that disposal or a company associated with it.
- (9) The conditions in subsections (6) to (8) above are not satisfied if—
- (a) at the time of the transaction referred to in subsection (6) above, company A carries on a trade and a profit on a disposal of the asset with enhanced value would form part of the trading profits, or
 - (b) by reason of the nature of the asset with enhanced value, a disposal of it could give rise neither to a chargeable gain nor to an allowable loss, or
 - (c) immediately before the section 30 disposal, the company owning the asset with enhanced value carries on a trade and a profit on a disposal of the asset would form part of the trading profits.

- (10) The amount of chargeable profits of a company to be attributed to any distribution made by the company at any time in respect of any class of shares, securities or rights shall be ascertained by—
- (a) determining the total of distributable profits, and the total of chargeable profits, that remains after allowing for earlier distributions made in respect of that or any other class of shares, securities or rights, and for distributions made at or to be made after that time in respect of other classes of shares, securities or rights, and
 - (b) attributing first to that distribution distributable profits other than chargeable profits.
- (11) The amount of chargeable profits of a company to be attributed to any part of a distribution made at any time to which a person is entitled by virtue of any part of his holding of any class of shares, securities or rights, shall be such proportion of the chargeable profits as are attributable under subsection (10) above to the distributions made at that time in respect of that class as corresponds to that part of his holding.

32 Disposals within a group followed by a disposal of shares.

- (1) The references in section 30 to a reduction in the value of an asset, in the case mentioned in subsection (8) of that section, do not include a reduction attributable to the disposal of any asset (“the underlying asset”) by the second company at a time when it and the first company are associated, being a disposal falling within section 171(1) [^{F33}or 211], except in a case within subsection (2) below.

 - (a) the proportion of capital expenditure in respect of the underlying asset properly attributed in the accounting records of the company to the asset acquired by the person to whom the disposal is made, or
 - (b) where paragraph (a) above does not apply, such proportion as [^{F34}is] just and reasonable.

33 Provisions supplementary to sections 30 to 32.

(1) For the purposes of sections 30(2) and 31(7) to (9), subsections (2) to (6) below apply for the purpose of determining in the case of any asset (“the original asset”) whether it is subsequently disposed of or treated as disposed of or owned or any other condition is satisfied in respect of it.

[^{F35}(1A) For the purposes of section 31A, subsections (2) to (6) below apply for the purpose of determining any question in relation to the asset with enhanced value.]

(2) References in sections 30(2)(a) and (b)[^{F36}, 31(7) and 31A(6)] to a disposal are to a disposal other than a part disposal.

(3) [^{F37}For the purposes of sections 30(2) and 31(7) to (9),] References to an asset are to the original asset or, where at a later time one or more assets are treated by virtue of subsections (5) or (6) below as the same as the original asset—

- (a) if no disposal falling within paragraph (a) or (b) of section 30(2) or, as the case may be, of 31(7) has occurred, those references are to the asset so treated or, as the case may be, all the assets so treated, and
- (b) in any other case, those references are to an asset or, as the case may be, all the assets representing that part of the value of the original asset that remains after allowing for earlier disposals falling within the paragraphs concerned,

references in this subsection to a disposal including a disposal which would fall within the paragraphs concerned but for subsection (2) above.

[^{F38}(3A) Subsections (3B) and (3C) below apply (instead of subsection (3) above) for the purposes of section 31A where one or more assets are treated by virtue of subsection (5) or (6) below as the same as the asset with enhanced value.

(3B) If in the period beginning with the time of the transaction referred to in section 31(6) and ending immediately before the event referred to in section 31A(4) or (5)(b)—

- (a) there is no disposal of the asset with enhanced value to any person other than a disposal falling with section 171(1), and
- (b) no disposal of the asset with enhanced value is treated as having occurred by virtue of section 179,

then references to the asset with enhanced value are to the asset which is treated by virtue of subsection (5) or (6) below as the same as that asset or, as the case may be, all the assets so treated.

(3C) In any other case, references to the asset with enhanced value are to an asset or, as the case may be, all the assets representing that part of the value of the asset with enhanced value that remains after allowing for disposals of a kind mentioned in subsection (3B) (a) or (b).]

(4) [^{F39}Where by virtue of subsection (3), (3B) or (3C) above references to an asset are taken as references to two or more assets]—

- (a) those assets shall be treated as if they were a single asset,
- (b) any disposal of any one of them is to be treated as a part disposal, and
- (c) the reference in section 30(2) to the asset owned at the time of the disposal by a company associated with the disposing company and [^{F40}a reference in section 31(8) or 31A(3)] to the asset with enhanced value is to all or any of those assets.

- (5) Where there is a part disposal of an asset, that asset and the asset acquired by the person to whom the disposal is made are to be treated as the same.
- (6) Where the value of an asset is derived from any other asset in the ownership of the same or an associated company, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the first asset is to be treated as the same as the second.
- (7) For the purposes of section 30(2), where account is to be taken under that subsection of a reduction in the value of a relevant asset and at the time of the disposal by the disposing company referred to in that subsection—
- references to the relevant asset are by virtue of this section references to 2 or more assets treated as a single asset, and
 - one or more but not all of those assets are owned by a company associated with the disposing company,

43 Assets derived from other assets.

If and so far as, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the value of an asset is derived from any other asset in the same ownership, an appropriate proportion of the sums allowable as a deduction in the computation of a gain in respect of the other asset under paragraphs (a) and (b) of section 38(1) shall, both for the purpose of the computation of a gain accruing on the disposal of the first-mentioned asset and, if the other asset remains in existence, on a disposal of that other asset, be attributed to the first-mentioned asset.

Wasting assets

44 Meaning of “wasting asset”.

- (1) In this Chapter “wasting asset” means an asset with a predictable life not exceeding 50 years but so that—
- (a) freehold land shall not be a wasting asset whatever its nature, and whatever the nature of the buildings or works on it;
 - (b) “life”, in relation to any tangible movable property, means useful life, having regard to the purpose for which the tangible assets were acquired or provided by the person making the disposal;
 - (c) plant and machinery shall in every case be regarded as having a predictable life of less than 50 years, and in estimating that life it shall be assumed that its life will end when it is finally put out of use as being unfit for further use, and that it is going to be used in the normal manner and to the normal extent and is going to be so used throughout its life as so estimated;
 - (d) a life interest in settled property shall not be a wasting asset until the predictable expectation of life of the life tenant is 50 years or less, and the predictable life of life interests in settled property and of annuities shall be ascertained from actuarial tables approved by the Board.
- (2) In this Chapter “the residual or scrap value”, in relation to a wasting asset, means the predictable value, if any, which the wasting asset will have at the end of its predictable life as estimated in accordance with this section.

Status: Point in time view as at 16/12/2010.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part II is up to date with all changes known to be in force on or before 19 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The question what is the predictable life of an asset, and the question what is its predictable residual or scrap value at the end of that life, if any, shall, so far as those questions are not immediately answered by the nature of the asset, be taken, in relation to any disposal of the asset, as they were known or ascertainable at the time when the asset was acquired or provided by the person making the disposal.

45 Exemption for certain wasting assets.

- (1) Subject to the provisions of this section, no chargeable gain shall accrue on the disposal of, or of an interest in, an asset which is tangible movable property and which is a wasting asset.
- (2) Subsection (1) above shall not apply to a disposal of, or of an interest in, an asset—
- (a) if, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, the asset has been used and used solely for the purposes of a trade, profession or vocation and if that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset or interest under paragraph (a) or paragraph (b) of section 38(1); or
 - (b) if the person making the disposal has incurred any expenditure on the asset or interest which has otherwise qualified in full for any capital allowance.
- (3) In the case of the disposal of, or of an interest in, an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset or interest by virtue of section 38(1)(a) and (b), shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) subsection (1) above shall not apply to any gain accruing by reference to the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances.
- (4) Subsection (1) above shall not apply to a disposal of commodities of any description by a person dealing on a terminal market or dealing with or through a person ordinarily engaged in dealing on a terminal market.

46 Straightline restriction of allowable expenditure.

- (1) In the computation of the gain accruing on the disposal of a wasting asset it shall be assumed—
- (a) that any expenditure attributable to the asset under section 38(1)(a) after deducting the residual or scrap value, if any, of the asset, is written off at a uniform rate from its full amount at the time when the asset is acquired or provided to nothing at the end of its life, and

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part II is up to date with all changes known to be in force on or before 19 June 2024. (b) that any expenditure attributable to the asset under section 38(1)(b) is written off from the full amount of that expenditure at the time when that expenditure is first reflected in the state or nature of the asset to nothing at the end of its life, so that an equal daily amount is written off day by day.

(2) Thus, calling the predictable life of a wasting asset at the time when it was acquired or provided by the person making the disposal L, the period from that time to the time of disposal T(1), and, in relation to any expenditure attributable to the asset under section 38(1)(b), the period from the time when that expenditure is first reflected in the state or nature of the asset to the said time of disposal T(2), there shall be excluded from the computation of the gain—

(a) out of the expenditure attributable to the asset under section 38(1)(a) a fraction—

$$\frac{T(1)}{L}$$

of an amount equal to the amount of that expenditure minus the residual or scrap value, if any, of the asset, and

(b) out of the expenditure attributable to the asset under section 38(1)(b) a fraction—

$$\frac{T(2)}{L - (T(1) - T(2))}$$

of the amount of the expenditure.

(3) If any expenditure attributable to the asset under section 38(1)(b) creates or increases a residual or scrap value of the asset, the provisions of subsection (1)(a) above shall be applied so as to take that into account.

47 **Wasting assets qualifying for capital allowances.**

(1) Section 46 shall not apply in relation to a disposal of an asset—

(a) which, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, is used and used solely for the purposes of a trade, profession or vocation and in respect of which that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset under paragraph (a) or paragraph (b) of section 38(1), or

(b) on which the person making the disposal has incurred any expenditure which has otherwise qualified in full for any capital allowance.

(2) In the case of the disposal of an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—

(a) the consideration for the disposal, and any expenditure attributable to the asset by paragraph (a) or paragraph (b) of section 38(1) shall be apportioned

Status: Point in time view as at 16/12/2010.

- by reference to the extent to which that expenditure qualified for capital allowances, and
- (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) section 46 shall not apply for the purposes of the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances, and
 - (d) if an apportionment of the consideration for the disposal has been made for the purposes of making any capital allowance to the person making the disposal or for the purpose of making any balancing charge on him, that apportionment shall be employed for the purposes of this section, and
 - (e) subject to paragraph (d) above, the consideration for the disposal shall be apportioned for the purposes of this section in the same proportions as the expenditure attributable to the asset is apportioned under paragraph (a) above.

Miscellaneous provisions

48 Consideration due after time of disposal.

[^{F102}(1)] In the computation of the gain consideration for the disposal shall be brought into account without any discount for postponement of the right to receive any part of it and, in the first instance, without regard to a risk of any part of the consideration being irrecoverable or to the right to receive any part of the consideration being contingent; and if any part of the consideration so brought into account [^{F103}subsequently proves to be irrecoverable, there shall be made, on a claim being made to that effect, such adjustment, whether by way of discharge or repayment of tax or otherwise, as is required in consequence].

[^{F104}(2)] Subsection (1) above does not apply in relation to so much of any consideration as consists of rights under a creditor relationship to which a company becomes a party as a result of the disposal.

(3) In the computation of the gain in a case where subsection (2) above has effect in relation to any consideration, the amount to be brought into account in respect of that consideration is the fair value of the creditor relationship.

(4) In this section—

- (a) “creditor relationship”, and
- (b) “fair value”, in relation to a creditor relationship,

each have the same meaning as in [^{F105}Part 5 of CTA 2009 (see sections 302(5) and 313(6))].]

- (10) Where, for the purposes of any disposal of the asset by the transferor, any amount falling within any, or any combination of, paragraphs (a) to (c) of section 38(1) is required by any enactment to be excluded, reduced or written down, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (11) below on a previous part disposal) shall be reduced in proportion to any reduction made in the amount falling within the paragraph, or the combination of paragraphs, in question.

56 Part disposals and disposals on a no-gain/no-loss basis.

- (1) For the purpose of determining the indexation allowance (if any) on the occasion of a part disposal of an asset, the apportionment under section 42 of the sums which make up the relevant allowable expenditure shall be effected before the application of section 54 and, accordingly, in relation to a part disposal—
- (a) references in section 54 to an item of expenditure shall be construed as references to that part of that item which is so apportioned for the purposes of the computation of the unindexed gain^{F123} ... on the part disposal; and

- (b) no indexation allowance shall be determined by reference to the part of each item of relevant allowable expenditure which is apportioned to the property which remains undisposed of.
- (2) ^{F124}On a no gain/no loss disposal by any person (“the transferor”)—
- (a) the amount of the consideration shall be calculated for the purposes of this Act on the assumption that, on the disposal, an unindexed gain accrues to the transferor which is equal to the indexation allowance on the disposal, and
- (b) the disposal shall accordingly be one on which, after taking account of the indexation allowance, neither a gain nor a loss accrues;
- and for the purposes of the application of sections 53 and 54 there shall be disregarded so much of any enactment as provides that, on the subsequent disposal of the asset by the person acquiring the asset on the disposal (“the transferee”), the transferor’s acquisition of the asset is to be treated as the transferee’s acquisition of it.
- ^{F125}(3) Where apart from this subsection—
- (a) a loss would accrue on the disposal of an asset, and
- (b) the sums allowable as a deduction in computing that loss would include an amount attributable to the application of the assumption in subsection (2) above on any no gain/no loss disposal made on or after 30th November 1993, those sums shall be determined as if that subsection had not applied on any such disposal made on or after that date and the loss shall be reduced accordingly or, if those sums are then equal to or less than the consideration for the disposal, the disposal shall be one on which neither a gain nor a loss accrues.
- (4) For the purposes of this section a no gain/no loss disposal is one which, by virtue of any enactment other than section 35(4), 53(1) or this section, is treated as a disposal on which neither a gain nor a loss accrues to the person making the disposal.]
