## 1992 CHAPTER 12

### PART IV **U.K.**

SHARES, SECURITIES, OPTIONS ETC.

### CHAPTER I **U.K.**

GENERAL

*Share pooling, identification of securities, and indexation*

#### **104 Share pooling: general interpretative provisions. **U.K.****

- (1) Any number of securities of the same class acquired by the same person in the same capacity shall for the purposes of this Act [<sup>F1</sup>(subject to express provision to the contrary)] be regarded as indistinguishable parts of a single asset growing or diminishing on the occasions on which additional securities of the same class are acquired or some of the securities of that class are disposed of.
- [<sup>F2</sup>(2) For the purposes of corporation tax, subsection (1) does not apply to any securities acquired by a company before 1 April 1982.
- (2A) See also sections 105 to 105B and—
  - (a) section 106A in the case of capital gains tax, or
  - (b) sections 107 to 114 in the case of corporation tax.]
  - (3) For the purposes of this section and sections 105, 107, 110 <sup>F3</sup>... and 114—
    - [<sup>F4</sup>“a section 104 holding” is] a holding of securities which, by virtue of subsection (1) above, is to be regarded as a single asset;
    - “securities” does not include relevant securities as defined in section 108 but, subject to that, means—
      - (i) shares or securities of a company; and

*Status: Point in time view as at 06/04/2009.*

*Changes to legislation: Taxation of Chargeable Gains Act 1992, Chapter I is up to date with all changes known to be in force on or before 15 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (ii) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired; and  
“relevant allowable expenditure” has the meaning assigned to it by section 53(2)(b) and (3);

but shares or securities of a company shall not be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.

[<sup>F5</sup>(3A) For the purposes of capital gains tax section 35(2) applies in relation to a section 104 holding as if the reference to an asset were to any of the securities constituting or forming part of the section 104 holding which were held by the person making the disposal on 31 March 1982.]

[<sup>F6</sup>(4) For the purposes of this Chapter securities of a company which are held—

(a) by a person who acquired them as an employee of the company or of any other person, and

(b) on terms which for the time being restrict his right to dispose of them, shall (notwithstanding that they would otherwise fall to be treated as of the same class) be treated as of a different class from any securities acquired by him otherwise than as an employee of the company or of any other person and also from any shares that are not held subject to restrictions, or the same restrictions, on disposal or in the case of which the restrictions are no longer in force.]

(5) Nothing in this section or sections 110 <sup>F7</sup>... and 114 shall be taken as affecting the manner in which the market value of any securities is to be ascertained.

(6) Without prejudice to the generality of subsections (1) and (2) above, a disposal of securities in a [<sup>F8</sup>section 104 holding], other than a disposal of the whole of it, is a disposal of part of an asset and the provisions of this Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.

- (3) In circumstances where section 105 applies, that section shall have effect as if—
- (a) paragraph (a) of subsection (1) of that section required the approved-scheme shares to be treated as acquired by the individual by a single transaction separate from the remainder of the relevant shares (which shall also be treated by virtue of that paragraph as acquired by the individual by a single transaction), and
  - (b) subsection (1) of that section required the approved-scheme shares to be treated as disposed of after the remainder of the relevant shares.
- (4) If the relevant shares include shares to which relief under Chapter 3 of Part 7 of the Taxes Act [<sup>F16</sup>, relief under Part 5 of ITA 2007] or deferral relief (within the meaning of Schedule 5B to this Act) is attributable—

- (5) Where section 127 applies in relation to any of the relevant shares (“the reorganisation shares”), that section shall apply separately to such of those shares as are approved-scheme shares and to the remainder of the reorganisation shares (so that those approved-scheme shares and the remainder of the reorganisation shares are treated as comprised in separate holdings of original shares and identified with separate new holdings).

## 110 [F48] **Indexation for section 104 holdings for corporation tax.** **U.K.**

- (1) [F49] For the purposes of corporation tax this] section and section 114—
    - (a) apply in place of section 54 in relation to a disposal of a [F50] section 104 holding] for the purpose of computing the indexation allowance;
    - (b) have effect subject to [F51] section 105].
  - (2) On any disposal of a [F50] section 104 holding], other than a disposal of the whole of it—
    - (a) the qualifying expenditure and the indexed pool of expenditure shall each be apportioned between the part disposed of and the remainder in the same proportions as, under this Act, the relevant allowable expenditure is apportioned; and
    - (b) the indexation allowance is the amount by which the portion of the indexed pool which is attributed to the part disposed of exceeds the portion of the qualifying expenditure which is attributed to that part.
  - (3) On a disposal of the whole of a [F50] section 104 holding], the indexation allowance is the amount by which the indexed pool of expenditure at the time of the disposal exceeds the qualifying expenditure at that time.
  - (4) In relation to a [F50] section 104 holding], the qualifying expenditure is at any time the amount which would be the aggregate of the relevant allowable expenditure in relation to a disposal of the whole of the holding occurring at that time.
  - (5) Subject to subsection (6) below and section 114 the indexed pool of expenditure shall come into being at the time that the holding comes into being or, if it is earlier, when any of the qualifying expenditure is incurred and shall at the time it comes into being be the same as the qualifying expenditure at that time.
  - (6) In relation to a [F50] section 104 holding] which was in existence immediately before the coming into force of this section, the indexed pool of expenditure on the coming into force of this section shall be the same as it was for the purposes of Part III of Schedule 19 to the <sup>M2</sup>Finance Act 1985 immediately before then.
- [F52] (6A) Where a disposal to a person acquiring or adding to a [F50] section 104 holding] is treated by virtue of any enactment as one on which neither a gain nor a loss accrues to the person making the disposal—
- (a) section 56(2) shall not apply to the disposal (and, accordingly, the amount of the consideration shall not be calculated on the assumption that a gain of an amount equal to the indexation allowance accrues to the person making the disposal), but
  - (b) an amount equal to the indexation allowance on the disposal shall be added to the indexed pool of expenditure for the holding acquired or, as the case may be, held by the person to whom the disposal is made (and, where it is added to the indexed pool of expenditure for a holding so held, it shall be added after any increase required by subsection (8)(a) below).]
- (7) Any reference below to an operative event is a reference to any event (whether a disposal or otherwise) which has the effect of reducing or increasing the qualifying expenditure referable to the [F50] section 104 holding].
  - (8) Whenever an operative event occurs—
    - (a) there shall be added to the indexed pool of expenditure the indexed rise, as calculated under subsection (10) or (11) below, in the value of the pool since

- the last operative event or, if there has been no previous operative event, since the pool came into being; and
- (b) if the operative event results in an increase in the qualifying expenditure then, in addition to any increase under paragraph (a) above, the same increase shall be made to the indexed pool of expenditure; and
  - (c) if the operative event is a disposal resulting in a reduction in the qualifying expenditure, the indexed pool of expenditure shall be reduced in the same proportion as the qualifying expenditure is reduced; and
  - (d) if the operative event results in a reduction in the qualifying expenditure but is not a disposal, the same reduction shall be made to the indexed pool of expenditure.
- (9) Where the operative event is a disposal—
- (a) any addition under subsection (8)(a) above shall be made before the calculation of the indexation allowance under subsection (2) above; and
  - (b) the reduction under subsection (8)(c) above shall be made after that calculation.
- (10) At the time of any operative event, the indexed rise in the indexed pool of expenditure is a sum produced by multiplying the value of the pool immediately before the event by a figure expressed as a decimal and determined, subject to subsection (11) below, by the formula—

$$\frac{RE - RL}{RL}$$

where—

RE is the retail prices index for the month in which the operative event occurs; and

RL is the retail prices index for the month in which occurred the immediately preceding operative event or, if there has been no such event, in which the indexed pool of expenditure came into being.

[<sup>F59</sup>(A1) This section has effect for the purposes of corporation tax.]

- (1) If, in a case where section 110(8)(b) applies, the increase in the qualifying expenditure is, in whole or in part, attributable to the cost of acquiring an option binding the grantor to sell (“the option consideration”), then, in addition to any increase under section 110(8)(a) or (b), the indexed pool of expenditure shall be increased by an amount equal to the indexed rise in the option consideration, as determined under subsection (2) below.
- (2) The indexed rise in the option consideration is a sum produced by multiplying the consideration by a figure expressed as a decimal and determined, subject to subsection (3) below, by the formula—

where—

RO is the retail prices index for the month in which falls the date on which the option is exercised; and

RA is the retail prices index for the month in which falls the date in which the option was acquired or, if it is later, March 1982.

### *Gilt-edged securities and qualifying corporate bonds*

## 115 Exemptions for gilt-edged securities and qualifying corporate bonds etc. **U.K.**

- (1) A gain which accrues on the disposal by any person of—
  - (a) gilt-edged securities or qualifying corporate bonds, or
  - (b) any option or contract to acquire or dispose of gilt-edged securities or qualifying corporate bonds,
 shall not be a chargeable gain.

- (2) In subsection (1) above the reference to the disposal of a contract to acquire or dispose of gilt-edged securities or qualifying corporate bonds is a reference to the disposal of the outstanding obligations under such a contract.
- (3) Without prejudice to section 143(5), where a person who has entered into any such contract as is referred to in subsection (1)(b) above closes out that contract by entering into another contract with obligations which are reciprocal to those of the first-mentioned contract, that transaction shall for the purposes of this section constitute the disposal of an asset, namely, his outstanding obligations under the first-mentioned contract.

## 116 Reorganisations, conversions and reconstructions. **U.K.**

- (1) This section shall have effect in any case where a transaction occurs of such a description that, apart from the provisions of this section—
  - (a) sections 127 to 130 would apply by virtue of any provision of Chapter II of this Part; and
  - (b) either the original shares would consist of or include a qualifying corporate bond and the new holding would not, or the original shares would not and the new holding would consist of or include such a bond;

and in paragraph (b) above “the original shares” and “the new holding” have the same meaning as they have for the purposes of sections 127 to 130.

- (2) In this section [F60 references to a transaction include references to any conversion of securities (whether or not effected by a transaction) within the meaning of section 132 and] “relevant transaction” means a reorganisation, conversion of securities or other transaction such as is mentioned in subsection (1) above, and, in addition to its application where the transaction takes place after the coming into force of this section, subsection (10) below applies where the relevant transaction took place before the coming into force of this section so far as may be necessary to enable any gain or loss deferred under paragraph 10 of Schedule 13 to the M7 Finance Act 1984 to be taken into account on a subsequent disposal.
- (3) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the original shares for the purposes of sections 127 to 130, it is in this section referred to as “the old asset” and the shares or securities which would constitute the new holding for those purposes are referred to as “the new asset”.
- (4) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the new holding for the purposes of sections 127 to 130, it is in this section referred to as “the new asset” and the shares or securities which would constitute the original shares for those purposes are referred to as “the old asset”.

[F61(4A) In determining for the purposes of subsections (1) to (4) above, as they apply for the purposes of corporation tax—

- (a) whether sections 127 to 130 would apply in any case, and
- (b) what, in a case where they would apply, would constitute the original shares and the new holding,

it shall be assumed that every asset representing a loan relationship of a company is a security within the meaning of section 132.]

- (5) So far as the relevant transaction relates to the old asset and the new asset, sections 127 to 130 shall not apply in relation to it.

---

- (6) In accordance with subsection (5) above, the new asset shall not be treated as having been acquired on any date other than the date of the relevant transaction or, subject to subsections (7) and (8) below, for any consideration other than the market value of the old asset as determined immediately before that transaction.
- (7) If, on the relevant transaction, the person concerned receives, or becomes entitled to receive, any sum of money which, in addition to the new asset, is by way of consideration for the old asset, that sum shall be deducted from the consideration referred to in subsection (6) above.
- (8) If, on the relevant transaction, the person concerned gives any sum of money which, in addition to the old asset, is by way of consideration for the new asset, that sum shall be added to the consideration referred to in subsection (6) above.
- <sup>F62</sup><sup>F63</sup>(8A) Where subsection (6) above applies for the purposes of corporation tax in a case where the old asset consists of a qualifying corporate bond, [<sup>F64</sup>Part 5 of CTA 2009] (loan relationships) shall have effect<sup>F65</sup>, subject to subsection (8B) below,] so as to require such debits and credits to be brought into account for the purposes of [<sup>F64</sup>that Part] in relation to the relevant transaction as would have been brought into account if the transaction had been a disposal of the old asset at the market value mentioned in [<sup>F66</sup>subsection (6) above].
- [<sup>F67</sup>This subsection does not apply in relation to a [<sup>F68</sup>relevant loan relationship transaction].]
- <sup>F69</sup>(8AA) In subsection (8A) “relevant loan relationship transaction” means a transaction to which any of the following provisions applies—
- section 342 of CTA 2009 (continuity of treatment on transfers within groups or reorganisations: issues of new securities on reorganisations: disposal at notional carrying value),
  - section 343 of that Act (continuity of treatment on transfers within groups or reorganisations: receiving company using fair value accounting),
  - section 424 of that Act (European cross-border transfers of business: reorganisations involving loan relationships),
  - section 425 of that Act (European cross-border transfers of business: original holder using fair value accounting),
  - section 435 of that Act (European cross-border mergers: reorganisations involving loan relationships),
  - section 436 of that Act (European cross-border mergers: original holder using fair value accounting).]
- <sup>F62</sup><sup>F70</sup>(8B) Subsection (8A) above does not apply where the relevant transaction is a conversion of securities occurring in consequence of the operation of the terms of any security or of any debenture which is not a security.

Expressions used in this subsection have the same meaning as they have for the purposes of section 132.]

- (9) In any case where the old asset consists of a qualifying corporate bond, then, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as a disposal of the old asset and an acquisition of the new asset.

---

- (10) Except in a case falling within subsection (9) above, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as not involving any disposal of the old asset but—
- (a) there shall be calculated the chargeable gain or allowable loss that would have accrued if, at the time of the relevant transaction, the old asset had been disposed of for a consideration equal to its market value immediately before that transaction; and
  - (b) subject to subsections (12) to (14) below, the whole or a corresponding part of the chargeable gain or allowable loss mentioned in paragraph (a) above shall be deemed to accrue on a subsequent disposal of the whole or part of the new asset (in addition to any gain or loss that actually accrues on that disposal); and
  - (c) on that subsequent disposal, section 115 shall have effect only in relation to any gain or loss that actually accrues and not in relation to any gain or loss which is deemed to accrue by virtue of paragraph (b) above.
- (11) Subsection (10)(b) and (c) above shall not apply to any disposal falling within section 58(1), 62(4), 139, [F71 140A,][F72 140E,][F73 or 171(1)], but a person who has acquired the new asset on a disposal falling within any of those sections (and without there having been a previous disposal not falling within any of those sections or a devolution on death) shall be treated for the purposes of subsection (10)(b) and (c) above as if the new asset had been acquired by him at the same time and for the same consideration as, having regard to subsections (5) to (8) above, it was acquired by the person making the disposal.
- (12) In any case where—
- (a) on the calculation under subsection (10)(a) above, a chargeable gain would have accrued, and
  - (b) the consideration for the old asset includes such a sum of money as is referred to in subsection (7) above,
- then, subject to subsection (13) below, the proportion of that chargeable gain which that sum of money bears to the market value of the old asset immediately before the relevant transaction shall be deemed to accrue at the time of that transaction.
- (13) If F74 ... the sum of money referred to in subsection (12)(b) above is small, as compared with the market value of the old asset immediately before the relevant transaction, F74 ... subsection (12) above shall not apply.
- (14) In a case where subsection (12) above applies, the chargeable gain which, apart from that subsection, would by virtue of subsection (10)(b) above be deemed to accrue on a subsequent disposal of the whole or part of the new asset shall be reduced or, as the case may be, extinguished by deducting therefrom the amount of the chargeable gain which, by virtue of subsection (12) above, is deemed to accrue at the time of the relevant transaction.
- (15) In any case where—
- (a) the new asset mentioned in subsections (10) and (11) above is a qualifying corporate bond in respect of which an allowable loss is treated as accruing under section 254(2), and
  - (b) the loss is treated as accruing at a time falling after the relevant transaction but before any actual disposal of the new asset subsequent to the relevant transaction,
