## 1992 CHAPTER 12

### PART IV

SHARES, SECURITIES, OPTIONS ETC.

### CHAPTER II

REORGANISATION OF SHARE CAPITAL, CONVERSION OF SECURITIES ETC.

#### *Reorganisation or reduction of share capital*

#### **126 Application of sections 127 to 131.**

- (1) For the purposes of this section and sections 127 to 131 “reorganisation” means a reorganisation or reduction of a company’s share capital, and in relation to the reorganisation—
  - (a) “original shares” means shares held before and concerned in the reorganisation,
  - (b) “new holding” means, in relation to any original shares, the shares in and debentures of the company which as a result of the reorganisation represent the original shares (including such, if any, of the original shares as remain).
- (2) The reference in subsection (1) above to the reorganisation of a company’s share capital includes—
  - (a) any case where persons are, whether for payment or not, allotted shares in or debentures of the company in respect of and in proportion to (or as nearly as may be in proportion to) their holdings of shares in the company or of any class of shares in the company, and
  - (b) any case where there are more than one class of share and the rights attached to shares of any class are altered.
- (3) The reference in subsection (1) above to a reduction of share capital does not include the paying off of redeemable share capital, and where shares in a company are

redeemed by the company otherwise than by the issue of shares or debentures (with or without other consideration) and otherwise than in a liquidation, the shareholder shall be treated as disposing of the shares at the time of the redemption.

**127 Equation of original shares and new holding.**

Subject to sections 128 to 130, a reorganisation shall not be treated as involving any disposal of the original shares or any acquisition of the new holding or any part of it, but the original shares (taken as a single asset) and the new holding (taken as a single asset) shall be treated as the same asset acquired as the original shares were acquired.

**128 Consideration given or received by holder.**

- (1) Subject to subsection (2) below, where, on a reorganisation, a person gives or becomes liable to give any consideration for his new holding or any part of it, that consideration shall in relation to any disposal of the new holding or any part of it be treated as having been given for the original shares, and if the new holding or part of it is disposed of with a liability attaching to it in respect of that consideration, the consideration given for the disposal shall be adjusted accordingly.

- (2) There shall not be treated as consideration given for the new holding or any part of it—
- (a) any surrender, cancellation or other alteration of the original shares or of the rights attached thereto, or
  - (b) any consideration consisting of any application, in paying up the new holding or any part of it, of assets of the company or of any dividend or other distribution declared out of those assets but not made,

and, in the case of a reorganisation on or after 10th March 1981, any consideration given for the new holding or any part of it otherwise than by way of a bargain made at arm's length shall be disregarded to the extent that its amount or value exceeds the relevant increase in value; and for this purpose "the relevant increase in value" means the amount by which the market value of the new holding immediately after the reorganisation exceeds the market value of the original shares immediately before the reorganisation.

- (3) Where on a reorganisation a person receives (or is deemed to receive), or becomes entitled to receive, any consideration, other than the new holding, for the disposal of an interest in the original shares, and in particular—
- (a) where under section 122 he is to be treated as if he had in consideration of a capital distribution disposed of an interest in the original shares, or
  - (b) where he receives (or is deemed to receive) consideration from other shareholders in respect of a surrender of rights derived from the original shares,

he shall be treated as if the new holding resulted from his having for that consideration disposed of an interest in the original shares (but without prejudice to the original shares and the new holding being treated in accordance with section 127 as the same asset).

- (4) Where for the purpose of subsection (3) above it is necessary in computing the gain or loss accruing on the disposal of the interest in the original shares mentioned in that subsection to apportion the cost of acquisition of the original shares between what is disposed of and what is retained, the apportionment shall be made in the like manner as under section 129.

## **129 Part disposal of new holding.**

Subject to section 130(2), where for the purpose of computing the gain or loss accruing to a person from the acquisition and disposal of any part of the new holding it is necessary to apportion the cost of acquisition of any of the original shares between what is disposed of and what is retained, the apportionment shall be made by reference to market value at the date of the disposal (with such adjustment of the market value of any part of the new holding as may be required to offset any liability attaching thereto but forming part of the cost to be apportioned).

## **130 Composite new holdings.**

- (1) This section shall apply to a new holding—
  - (a) if it consists of more than one class of shares in or debentures of the company and one or more of those classes is of shares or debentures which, at any time not later than the end of the period of 3 months beginning with the date on which the reorganisation took effect, or of such longer period as the Board may by notice allow, had quoted market values on a recognised stock exchange in the United Kingdom or elsewhere, or
  - (b) if it consists of more than one class of rights of unit holders and one or more of those classes is of rights the prices of which were published daily by the managers of the scheme at any time not later than the end of that period of 3 months (or longer if so allowed).
- (2) Where for the purpose of computing the gain or loss accruing to a person from the acquisition and disposal of the whole or any part of any class of shares or debentures or rights of unit holders forming part of a new holding to which this section applies it is necessary to apportion costs of acquisition between what is disposed of and what is retained, the cost of acquisition of the new holding shall first be apportioned between the entire classes of shares or debentures or rights of which it consists by reference to market value on the first day (whether that day fell before the reorganisation took effect or later) on which market values or prices were quoted or published for the shares, debentures or rights as mentioned in subsection (1)(a) or (1)(b) above (with such adjustment of the market value of any class as may be required to offset any liability attaching thereto but forming part of the cost to be apportioned).
- (3) For the purposes of this section the day on which a reorganisation involving the allotment of shares or debentures or unit holders' rights takes effect is the day following the day on which the right to renounce any allotment expires.

## **131 Indexation allowance.**

- (1) This section applies where—
  - (a) by virtue of section 127, on a reorganisation the original shares (taken as a single asset) and the new holding (taken as a single asset) fall to be treated as the same asset acquired as the original shares were acquired; and
  - (b) on the reorganisation, a person gives or becomes liable to give any consideration for his new holding or any part of it.
- (2) Where this section applies, so much of the consideration referred to in subsection (1)(b) above as, on a disposal to which section 53 applies of the new holding, will, by virtue of section 128(1), be treated as having been given for the original shares, shall be treated for the purposes of section 54 as an item of relevant allowable

expenditure incurred not at the time the original shares were acquired but at the time the person concerned gave or became liable to give the consideration (and, accordingly, section 54(4) shall not apply in relation to that item of expenditure).

### *Conversion of securities*

#### **132 Equation of converted securities and new holding.**

- (1) Sections 127 to 131 shall apply with any necessary adaptations in relation to the conversion of securities as they apply in relation to a reorganisation (that is to say, a reorganisation or reduction of a company's share capital).
- (2) This section has effect subject to sections 133 and 134.
- (3) For the purposes of this section and section 133—
  - (a) “conversion of securities” includes—
    - (i) a conversion of securities of a company into shares in the company, and
    - (ii) a conversion at the option of the holder of the securities converted as an alternative to the redemption of those securities for cash, and
    - (iii) any exchange of securities effected in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares or securities and the issue of securities or other securities instead,
  - (b) “security” includes any loan stock or similar security whether of the Government of the United Kingdom or of any other government, or of any public or local authority in the United Kingdom or elsewhere, or of any company, and whether secured or unsecured.

#### **133 Premiums on conversion of securities.**

- (1) This section applies where, on a conversion of securities, a person receives, or becomes entitled to receive, any sum of money (“the premium”) which is by way of consideration (in addition to his new holding) for the disposal of the converted securities.
- (2) If the inspector is satisfied that the premium is small, as compared with the value of the converted securities, and so directs—
  - (a) receipt of the premium shall not be treated for the purposes of this Act as a disposal of part of the converted securities, and
  - (b) the premium shall be deducted from any expenditure allowable under this Act as a deduction in computing a gain or loss on the disposal of the new holding by the person receiving or becoming entitled to receive the premium.
- (3) A person who is dissatisfied with the refusal of the inspector to give a direction under subsection (2) above may appeal to the Commissioners having jurisdiction on an appeal against an assessment to tax in respect of a gain accruing to him on a disposal of the securities.
- (4) Where the allowable expenditure is less than the premium (or is nil)—
  - (a) subsections (2) and (3) above shall not apply, and
  - (b) if the recipient so elects (and there is any allowable expenditure)—

- (i) the amount of the premium shall be reduced by the amount of the allowable expenditure, and
  - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the conversion, or on any subsequent occasion.
- (5) In subsection (4) above “allowable expenditure” means expenditure which immediately before the conversion was attributable to the converted securities under paragraphs (a) and (b) of section 38(1).

### 134 Compensation stock.

- (1) This section has effect where gilt-edged securities are exchanged for shares in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares and the issue of gilt-edged securities instead.
- (2) The exchange shall not constitute a conversion of securities within section 132 and shall be treated as not involving any disposal of the shares by the person from whom they were compulsorily acquired but—
- (a) there shall be calculated the gain or loss that would have accrued to him if he had then disposed of the shares for a consideration equal to the value of the shares as determined for the purpose of the exchange, and
  - (b) on a subsequent disposal of the whole or part of the gilt-edged securities by the person to whom they were issued—
    - (i) there shall be deemed to accrue to him the whole or a corresponding part of the gain or loss mentioned in paragraph (a) above, and
    - (ii) section 115(1) shall not have effect in relation to any gain or loss that is deemed to accrue as aforesaid.
- (3) Where a person to whom gilt-edged securities of any kind were issued as mentioned in subsection (1) above disposes of securities of that kind, the securities of which he disposes—
- (a) shall, so far as possible, be identified with securities which were issued to him as mentioned in subsection (1) above rather than with other securities of that kind, and
  - (b) subject to paragraph (a) above, shall be identified with securities issued at an earlier time rather than those issued at a later time.
- (4) Subsection (2)(b) above shall not apply to any disposal falling within the provisions of section 58(1), 62(4) or 171(1) but a person who has acquired the securities on a disposal falling within those provisions (and without there having been a previous disposal not falling within those provisions or a devolution on death) shall be treated for the purposes of subsections (2)(b) and (3) above as if the securities had been issued to him.
- (5) Where the gilt-edged securities to be exchanged for any shares are not issued until after the date on which the shares are compulsorily acquired but on that date a right to the securities is granted, this section shall have effect as if the exchange had taken place on that date, as if references to the issue of the securities and the person to whom they were issued were references to the grant of the right and the person to whom it was granted and references to the disposal of the securities included references to disposals of the rights.

- (6) In this section “shares” includes securities within the meaning of section 132.

### *Company reconstructions and amalgamations*

#### **135 Exchange of securities for those in another company.**

- (a) company A holds, or in consequence of the exchange will hold, more than one-quarter of the ordinary share capital (as defined in section 832(1) of the Taxes Act) of company B, or
  - (b) company A issues the shares or debentures in exchange for shares as the result of a general offer—
    - (i) which is made to members of company B or any class of them (with or without exceptions for persons connected with company A), and
    - (ii) which is made in the first instance on a condition such that if it were satisfied company A would have control of company B <sup>F1</sup>or
  - (c) company A holds, or in consequence of the exchange will hold, the greater part of the voting power in company B]
- (2) Subsection (3) below also has effect where under section 136 persons are to be treated as exchanging shares or debentures held by them in consequence of the arrangement there mentioned.
- (3) Subject to sections 137 and 138, sections 127 to 131 shall apply with any necessary adaptations as if the 2 companies mentioned in subsection (1) above or, as the case may be, in section 136 were the same company and the exchange were a reorganisation of its share capital.

then those persons shall be treated as exchanging the first-mentioned shares or debentures for those held by them in consequence of the arrangement (any shares or debentures retained being for this purpose regarded as if they had been cancelled and replaced by a new issue), and subsections (2) and (3) of section 135 shall apply accordingly.

- (2) In this section “scheme of reconstruction or amalgamation” means a scheme for the reconstruction of any company or companies or the amalgamation of any 2 or more companies, and references to shares or debentures being retained include their being retained with altered rights or in an altered form whether as the result of reduction, consolidation, division or otherwise.

- (1) Subject to subsection (2) below, and section 138, neither section 135 nor section 136 shall apply to any issue by a company of shares in or debentures of that company in exchange for or in respect of shares in or debentures of another company unless the exchange, reconstruction or amalgamation in question is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to capital gains tax or corporation tax.

## [<sup>F2</sup>138A Use of earn-out rights for exchange of securities.

- (1) For the purposes of this section an earn-out right is so much of any right conferred on any person (“the seller”) as—
  - (a) constitutes the whole or any part of the consideration for the transfer by him of shares in or debentures of a company (“the old securities”);
  - (b) consists in a right to be issued with shares in or debentures of another company (“the new company”);
  - (c) is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the new securities”) is unascertainable at the time when the right is conferred; and
  - (d) is not capable of being discharged in accordance with its terms otherwise than by the issue of the new securities.
- (2) Where—
  - (a) there is an earn-out right,
  - (b) the exchange of the old securities for the earn-out right is an exchange to which section 135 would apply, in a manner unaffected by section 137, if the earn-out right were an ascertainable amount of shares in or debentures of the new company, and
  - (c) the seller elects under this section for the earn-out right to be treated as a security of the new company,

this Act shall have effect, in the case of the seller and every other person who from time to time has the earn-out right, in accordance with the assumptions specified in subsection (3) below.
- (3) Those assumptions are—
  - (a) that the earn-out right is a security within the definition in section 132;
  - (b) that the security consisting in the earn-out right is a security of the new company and is incapable of being a qualifying corporate bond for the purposes of this Act;
  - (c) that references in this Act (including those in this section) to a debenture include references to a right that is assumed to be a security in accordance with paragraph (a) above; and
  - (d) that the issue of shares or debentures in pursuance of such a right constitutes the conversion of the right, in so far as it is discharged by the issue, into the shares or debentures that are issued.
- (4) For the purposes of this section where—
  - (a) any right which is assumed, in accordance with this section, to be a security of a company (“the old right”) is extinguished,
  - (b) the whole of the consideration for the extinguishment of the old right consists in another right (“the new right”) to be issued with shares in or debentures of that company,
  - (c) the new right is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the replacement securities”) is unascertainable at the time when the old right is extinguished,

*Changes to legislation: Taxation of Chargeable Gains Act 1992, Chapter II is up to date with all changes known to be in force on or before 13 June 2024. - (d) the new right is not capable of being discharged in accordance with its terms otherwise than by the issue of the replacement securities, and
  - (e) the person on whom the new right is conferred elects under this section for it to be treated as a security of that company,
- the assumptions specified in subsection (3) above shall have effect in relation to the new right, in the case of that person and every other person who from time to time has the new right, as they had effect in relation to the old right.
- (5) An election under this section in respect of any right must be made, by a notice given to an officer of the Board—
    - (a) in the case of an election by a company within the charge to corporation tax, within the period of two years from the end of the accounting period in which the right is conferred; and
    - (b) in any other case, on or before the first anniversary of the 31st January next following the year of assessment in which that right is conferred.
  - (6) An election under this section shall be irrevocable.
  - (7) Subject to subsections (8) to (10) below, where any right to be issued with shares in or debentures of a company is conferred on any person, the value or quantity of the shares or debentures to be issued in pursuance of that right shall be taken for the purposes of this section to be unascertainable at a particular time if, and only if—
    - (a) it is made referable to matters relating to any business or assets of one or more relevant companies; and
    - (b) those matters are uncertain at that time on account of future business or future assets being included in the business or assets to which they relate.
  - (8) Where a right to be issued with shares or debentures is conferred wholly or partly in consideration for the transfer of other shares or debentures or the extinguishment of any right, the value and quantity of the shares or debentures to be issued shall not be taken for the purposes of this section to be unascertainable in any case where, if—
    - (a) the transfer or extinguishment were a disposal, and
    - (b) a gain on that disposal fell to be computed in accordance with this Act,
 the shares or debentures to be issued would, in pursuance of section 48, be themselves regarded as, or as included in, the consideration for the disposal.
  - (9) Where any right to be issued with shares in or debentures of a company comprises an option to choose between shares in that company and debentures of that company, the existence of that option shall not, by itself, be taken for the purposes of this section either—
    - (a) to make unascertainable the value or quantity of the shares or debentures to be issued; or
    - (b) to prevent the requirements of subsection (1)(b) and (d) or (4)(b) and (d) above from being satisfied in relation to that right.
  - (10) For the purposes of this section the value or quantity of shares or debentures shall not be taken to be unascertainable by reason only that it has not been fixed if it will be fixed by reference to the other and the other is ascertainable.
  - (11) In subsection (7) above “relevant company”, in relation to any right to be issued with shares in or debentures of a company, means—
    - (a) that company or any company which is in the same group of companies as that company; or

- (b) the company for whose shares or debentures that right was or was part of the consideration, or any company in the same group of companies as that company;

and in this subsection the reference to a group of companies shall be construed in accordance with section 170(2) to (14).]

- (2) This section does not apply in relation to an asset which, until the transfer, formed part of trading stock of a trade carried on by the company making the disposal, or in relation to an asset which is acquired as trading stock for the purposes of a trade carried on by the company acquiring the asset.

Section 170(1) applies for the purposes of this subsection.

- (4) This section does not apply in the case of a transfer of the whole or part of a company's business to a unit trust scheme to which section 100(2) applies or which is an authorised unit trust or to an investment trust.
- (5) This section does not apply unless the reconstruction or amalgamation is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax; but the foregoing provisions of this subsection shall not affect the operation of this section in any case where, before the transfer, the Board have, on the application of the acquiring company, notified the company that the Board are satisfied that the reconstruction or amalgamation will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements as aforesaid.

- (b) the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee company to the transferor company;
- (c) the shares so issued, either alone or taken together with any other shares in the transferee company already held by the transferor company, amount in all to not less than one quarter of the ordinary share capital of the transferee company; and
- (d) either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing;

and also applies in any case where section 268A of the <sup>M1</sup>Income and Corporation Taxes Act 1970 applied unless the deferred gain had been wholly taken into account in accordance with that section before the coming into force of this section.

Section 170(1) shall apply for the purposes of this section.

- (2) In any case to which this section applies the transferor company may claim that this Act shall have effect in accordance with the following provisions.
- (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—
  - (a) if the securities are the whole consideration for the transfer, the whole of that gain shall be treated as not accruing to the transferor company on the transfer but an equivalent amount (“the deferred gain”) shall be brought into account in accordance with subsections (4) and (5) below;

In paragraph (b)(i) above “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

- (4) If at any time after the transfer the transferor company disposes of the whole or part of the securities held by it immediately before that time, the consideration received by it on the disposal shall be treated as increased by the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (5) below.

In this subsection “the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal.

- (5) If at any time within 6 years after the transfer the transferee company disposes of the whole or part of the relevant assets held by it immediately before that time there shall be deemed to accrue to the transferor company as a chargeable gain on that occasion the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (4) above.

In this subsection “relevant assets” means assets the chargeable gains on which were taken into account in arriving at the deferred gain and “the appropriate proportion” means the proportion which the chargeable gain so taken into account in respect of the part of the relevant assets disposed of bears to the aggregate of the chargeable gains so taken into account in respect of the relevant assets held immediately before the time of the disposal.

- (6) There shall be disregarded—
- (a) for the purposes of subsection (4) above any disposal to which section 171 applies; and
  - (b) for the purposes of subsection (5) above any disposal to which that section would apply apart from section 170(2)(a) and (9);

and where a person acquires securities or an asset on a disposal disregarded for the purposes of subsection (4) or (5) above (and without there having been a previous disposal not so disregarded) a disposal of the securities or asset by that person shall be treated as a disposal by the transferor or, as the case may be, transferee company.

[<sup>F4</sup>(6A) No claim may be made under this section as regards a transfer in relation to which a claim is made under section 140C.]

- (7) If in the case of any such transfer as was mentioned in section 268(1) of the <sup>M2</sup>Income and Corporation Taxes Act 1970 there were immediately before the coming into force of this section chargeable gains which by virtue of section 268(2) and 268A(8) of that Act were treated as not having accrued to the transferor company, subsection (4) above shall (without any claim in that behalf) apply to the aggregate of those gains as if references to the deferred gain were references to that aggregate and as if references to the transfer and the securities were references to the transfer and the shares, or shares and loan stock, mentioned in section 268(1).
- (8) If in the case of any such transfer as was mentioned in section 268A(1) of the <sup>M3</sup>Income and Corporation Taxes Act 1970 there were immediately before the coming into force of this section deferred gains which by virtue of section 268A(3) were treated as not having accrued to the transferor company, subsections (4) and (5) above shall (without any claim in that behalf) apply to those deferred gains as they apply to gains deferred by virtue of subsection (3) above (as if the references to the transfer and the securities were references to the transfer and securities mentioned in section 268A(1)).
