1992 CHAPTER 12

PART VI

CHAPTER I

COMPANIES

Groups of companies

170 Interpretation of sections 171 to 181.

(1) This section has effect for the interpretation of sections 171 to 181 except in so far as the context otherwise requires, and in those sections—

- (a) “profits” means income and chargeable gains, and
- (b) “trade” includes “vocation”, and includes also an office or employment.

Until 6th April 1993 paragraph (b) shall have effect with the addition at the end of the words “or the occupation of woodlands in any context in which the expression is applied to that in the Income Tax Acts”.

(2) Except as otherwise provided—

- ^{F1}(a)
- (b) subsections (3) to (6) below apply to determine whether companies form a group and, where they do, which is the principal company of the group;
- (c) in applying [^{F2}section 1154(3) of CTA 2010 (meaning of “75% subsidiary”)] any share capital of a [^{F3}registered society (see section 1119 of that Act)] shall be treated as ordinary share capital; and
- (d) “group” and “subsidiary” shall be construed with any necessary modifications where applied to a company incorporated under the law of a country outside the United Kingdom.

Status: Point in time view as at 26/03/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Chapter I is up to date with all changes known to be in force on or before 07 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Subject to subsections (4) to (6) below—
- (a) a company (referred to below and in sections 171 to 181 as the “principal company of the group”) and all its 75 per cent. subsidiaries form a group and, if any of those subsidiaries have 75 per cent. subsidiaries, the group includes them and their 75 per cent. subsidiaries, and so on, but
 - (b) a group does not include any company (other than the principal company of the group) that is not an effective 51 per cent. subsidiary of the principal company of the group.
- (4) A company cannot be the principal company of a group if it is itself a 75 per cent. subsidiary of another company.
- (5) Where a company (“the subsidiary”) is a 75 per cent. subsidiary of another company but those companies are prevented from being members of the same group by subsection (3)(b) above, the subsidiary may, where the requirements of subsection (3) above are satisfied, itself be the principal company of another group notwithstanding subsection (4) above unless this subsection enables a further company to be the principal company of a group of which the subsidiary would be a member.
- (6) A company cannot be a member of more than one group; but where, apart from this subsection, a company would be a member of 2 or more groups (the principal company of each group being referred to below as the “head of a group”), it is a member only of that group, if any, of which it would be a member under one of the following tests (applying earlier tests in preference to later tests)—
- (a) it is a member of the group it would be a member of if, in applying subsection (3)(b) above, there were left out of account any amount to which a head of a group is or would be beneficially entitled of any profits available for distribution to equity holders of a head of another group or of any assets of a head of another group available for distribution to its equity holders on a winding-up,
 - (b) it is a member of the group the head of which is beneficially entitled to a percentage of profits available for distribution to equity holders of the company that is greater than the percentage of those profits to which any other head of a group is so entitled,
 - (c) it is a member of the group the head of which would be beneficially entitled to a percentage of any assets of the company available for distribution to its equity holders on a winding-up that is greater than the percentage of those assets to which any other head of a group would be so entitled,
 - (d) it is a member of the group the head of which owns directly or indirectly a percentage of the company’s ordinary share capital that is greater than the percentage of that capital owned directly or indirectly by any other head of a group (interpreting this paragraph as if it were included in [F4 section 1154(2) of CTA 2010]).
- (7) For the purposes of this section and sections 171 to 181, a company (“the subsidiary”) is an effective 51 per cent. subsidiary of another company (“the parent”) at any time if and only if—
- (a) the parent is beneficially entitled to more than 50 per cent. of any profits available for distribution to equity holders of the subsidiary; and
 - (b) the parent would be beneficially entitled to more than 50 per cent. of any assets of the subsidiary available for distribution to its equity holders on a winding-up.

Status: Point in time view as at 26/03/2015.

- [^{F5}(8) Chapter 6 of Part 5 of CTA 2010 (group relief: equity holders and profits or assets available for distribution) applies for the purposes of subsections (6) and (7) as if—
- (a) references to section 151(4)(a) and (b) of that Act were references to subsections (6) and (7) above, ^{F6}...
 - [^{F7}(aa) in section 158 of that Act after subsection (2) there were inserted—
 - “(2A) But for those purposes a person carrying on a business of banking is not treated as a loan creditor of a company in respect of any loan capital or debt issued or incurred by the company for money lent by the person to the company in the ordinary course of that business.”,
 - and]

- (9) For the purposes of this section and sections 171 to 181, references to a company apply only to—

 - [^{F13}(cc) an incorporated friendly society within the meaning of the Friendly Societies Act 1992; and]
 - (d) a building society.
- (10) For the purposes of this section and sections 171 to 181, a group remains the same group so long as the same company remains the principal company of the group, and if at any time the principal company of a group becomes a member of another group, the first group and the other group shall be regarded as the same, and the question whether or not a company has ceased to be a member of a group shall be determined accordingly.
- [^{F14}(10A) Where the principal company of a group (Group 1)—
- (a) becomes an SE by reason of being the acquiring company in the formation of an SE by merger by acquisition (in accordance with Articles 2(1), 17(2)(a) and 29(1) of Council Regulation (EC) 2157/2001 on the Statute for a European Company (Societas Europaea)),

- (11) For the purposes of this section and sections 171 to 181, the passing of a resolution or the making of an order, or any other act, for the winding-up of a member of a group of companies shall not be regarded as the occasion of that or any other company ceasing to be a member of the group.

- [F29](5) In subsection (2)(cd) above “qualifying friendly society” means a company which is a qualifying society for the purposes of [F30]section 165 of the Finance Act 2012] (incorporated friendly societies entitled to exemption from income tax and corporation tax on certain profits).]

[^{F32}171A] Election to reallocate gain or loss to another member of the group

- (1) This section applies where—
 - (a) a chargeable gain or an allowable loss accrues to a company (“company A”) in respect of an asset (or would so accrue but for an election under this section),
 - (b) at the time of accrual, company A and another company (“company B”) are members of the same group, and
 - (c) had company A disposed of the asset to company B immediately before the time of accrual, section 171(1) would have applied.
- (2) In determining for the purposes of subsection (1)(c) whether subsection (1) of section 171 would have applied, it is to be assumed that subsection (1A)(b) of that section read—
 - “(b) that, at the time of the disposal, company B is resident in the United Kingdom, or carrying on a trade in the United Kingdom through a permanent establishment there.”
- (3) In this section “the time of accrual” means the time the chargeable gain or allowable loss accrues to company A (or would so accrue but for an election under this section).
- (4) Companies A and B may make a joint election to transfer the chargeable gain or allowable loss, or such part of it as is specified in the election, from company A to company B [^{F33}(but see subsection (4A))].

[^{F34}(4A) An election may not be made under this section to transfer the whole or part of a ring fence chargeable gain from a company carrying on a ring fence trade to a company not carrying on such a trade.

(4B) In subsection (4A)—

“ring fence chargeable gain”, in relation to a company, means—

- (a) a chargeable gain accruing to the company on a material disposal within the meaning of section 197 (disposals of interests in oil fields etc: ring fence provisions), or
- (b) a chargeable gain treated as accruing to the company by virtue of section 197(4);

“ring fence trade” has the same meaning as in Part 8 of CTA 2010 (see section 277 of that Act).]

(5) An election under this section must be made—

- (a) by notice to an officer of Revenue and Customs, and
- (b) no later than two years after the end of the accounting period of company A in which the time of accrual falls.

(6) An election, or two or more elections made simultaneously, is or are of no effect if, taken together with each earlier election (if any) made in respect of the same gain or loss, it or they would (apart from this subsection) have effect in relation to an amount exceeding the gain or loss.

Losses attributable to depreciatory transactions

176 Depreciatory transactions within a group.

- (1) This section has effect as respects a disposal of shares in, or securities of, a company (“the ultimate disposal”) if the value of the shares or securities has been materially reduced by a depreciatory transaction effected [^{F61}within the period of 6 years ending with the disposal]; and for this purpose “depreciatory transaction” means—
- (a) any disposal of assets at other than market value by one member of a group of companies to another, or
 - (b) any other transaction satisfying the conditions of subsection (2) below,
- except that a transaction shall not be treated as a depreciatory transaction to the extent that it consists of a payment which is required to be or has been brought into account, for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.
- (2) The conditions referred to in subsection (1)(b) above are—
- (a) that the company, the shares in which, or securities of which, are the subject of the ultimate disposal, or any 75 per cent. subsidiary of that company, was a party to the transaction, and
 - (b) that the parties to the transaction were or included 2 or more companies which at the time of the transaction were members of the same group of companies.
- (3) Without prejudice to the generality of subsection (1) above, the cancellation of any shares in or securities of one member of a group of companies under section [^{F62}641] of the Companies Act [^{F62}2006] shall, to the extent that immediately before the cancellation those shares or securities were the property of another member of the group, be taken to be a transaction fulfilling the conditions in subsection (2) above.
- (4) If the person making the ultimate disposal is, or has at any time been, a member of the group of companies referred to in subsection (1) or (2) above, any allowable loss accruing on the disposal shall be reduced to such extent as [^{F63}is] just and reasonable having regard to the depreciatory transaction, but if the person making the ultimate disposal is not a member of that group when he disposes of the shares or securities, no reduction of the loss shall be made by reference to a depreciatory transaction which took place when that person was not a member of that group.

Status: Point in time view as at 26/03/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Chapter I is up to date with all changes known to be in force on or before 07 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) [^{F64}A reduction under subsection (4) above shall be made] on the footing that the allowable loss ought not to reflect any diminution in the value of the company's assets which was attributable to a depreciatory transaction, but allowance may be made for any other transaction on or after 31st March 1982 which has enhanced the value of the company's assets and depreciated the value of the assets of any other member of the group.
- (6) If, under subsection (4) above, a reduction is made in an allowable loss, any chargeable gain accruing on a disposal of the shares or securities of any other company which was a party to the depreciatory transaction by reference to which the reduction was made, being a disposal not later than 6 years after the depreciatory transaction, shall be reduced to such extent as [^{F65}is] just and reasonable having regard to the effect of the depreciatory transaction on the value of those shares or securities at the time of their disposal, but the total amount of any one or more reductions in chargeable gains made by reference to a depreciatory transaction shall not exceed the amount of the reductions in allowable losses made by reference to that depreciatory transaction.

All such adjustments, whether by way of discharge or repayment of tax, or otherwise, as are required to give effect to the provisions of this subsection may be made at any time.

- (7) For the purposes of this section—
- (a) “securities” includes any loan stock or similar security whether secured or unsecured,
 - (b) references to the disposal of assets include references to any method by which one company which is a member of a group appropriates the goodwill of another member of the group, ^{F66}...
 - ^{F66}(c)
- (8) References in this section to the disposal of shares or securities include references to the occasion of the making of a claim under section 24(2) that the value of shares or securities has become negligible, and references to a person making a disposal shall be construed accordingly.
- (9) In any case where the ultimate disposal is not one to which section 35(2) applies, the references above to 31st March 1982 shall be read as references to 6th April 1965.

[^{F92}(2D) This section shall not have effect as respects any asset if, before the time when [^{F87}company A] ceases to be a member of the group or, as the case may be, the second group, an event has already occurred by virtue of which the company falls by virtue of section 101C(3) to be treated as having sold and immediately reacquired the asset at the time specified in subsection (3) below.]

- (3) If, when [^{F87}company A] ceases to be a member of the group, [^{F87}company A], or an associated company also leaving the group, owns, otherwise than as trading stock—

 - (b) property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,

In this section “group disposal” means a disposal within subsection (3A)(a) to which this subsection applies and the company making the disposal is referred to as “the transferor company”.

- (3C) For the purposes of subsections (3A) and (3B), the question whether there is a disposal is to be determined ignoring section 127 (share reorganisations etc treated as not involving disposal).
- (3D) If subsection (3A) applies, any chargeable gain or allowable loss accruing to the transferor company on a group disposal (other than a group disposal to which section 127 applies) is to be calculated—
- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A), as if the amount of the consideration for the group disposal were increased by the amount of the gain, and
 - (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the group disposal.
- (3E) If subsection (3A) applies, and section 127 applies to a group disposal, any chargeable gain or allowable loss accruing to the transferor company on a disposal of the new holding arising from the group disposal (or any part of that holding) is to be calculated—
- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A)—
 - (i) as if an amount equal to the amount of the gain were excluded from the expenditure allowable as a deduction under section 38 in the computation of the gain or loss accruing on the disposal (but not so as to reduce that expenditure below nil), and
 - (ii) where (ignoring sub-paragraph (i)) the amount of the gain exceeds the expenditure allowable as such a deduction, as if a gain equal to that excess accrued on the disposal of the new holding (or, if the disposal is of a part of the new holding, a gain equal to the corresponding part of that excess accrued on that disposal), in addition to any gain or loss that actually accrues on the disposal of the new holding or part, and
 - (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the disposal.

In this subsection “new holding” has the meaning given by section 126.

- (3F) If there is more than one group disposal, the references in subsections (3D) and (3E) to the amount of the gain or loss which would accrue to company A in the absence of subsection (3A) are to be read, in relation to each disposal, as references to—
- (a) such proportion of that amount as the transferor companies in relation to the group disposals jointly elect as the appropriate proportion in relation to the disposal in question, or
 - (b) where no election is made, the proportion of that amount attributable to that disposal if that amount is divided equally between the group disposals.
- (3G) An election under subsection (3F) must—
- (a) specify the appropriate proportion in relation to each group disposal, and

- (b) be made, by notice to an officer of Revenue and Customs, no later than 2 years after the end of the first accounting period of a company in which any chargeable gain or allowable loss on a group disposal accrues.
- (3H) If a group disposal by a company consists of shares of more than one class, then, for the purposes of subsections (3D) and (3E), the company may apportion any increase or deduction to be made between the classes of shares in such manner as it considers appropriate.]
- (4) Any chargeable gain or allowable loss [^{F94}accruing] to [^{F95}company A] on the sale referred to in subsection (3) above shall be treated as accruing to [^{F95}company A][^{F96}at whichever is the later of the following, that is to say—
- (a) the time immediately after the beginning of the accounting period of that company in which or, as the case may be, at the end of which the company ceases to be a member of the group; and
 - (b) the time when under subsection (3) above it is treated as having reacquired the asset;
- [^{F97}and sections 138 to 142 of CTA 2010 have effect accordingly as if the actual circumstances were as they are treated as having been].]
- [^{F98}(5) Subsections (6) to (8) apply where—
- (a) in the absence of subsection (6), company A would be treated by virtue of subsection (3) as selling an asset at any time, by reason of ceasing to be a member of the group, and
 - (b) company A ceases to be a member of the group by reason only of the fact that the principal company of that group becomes a member of another group.]
- (6) [^{F99}Subsection (3) does not apply to treat company A as selling the asset at that time; but] if—
- (a) within 6 years of that time [^{F100}company A] ceases at any time (“the relevant time”) to satisfy the following conditions, and
 - (b) at the relevant time, [^{F100}company A], or a company in the same group as that company, owns otherwise than as trading stock the asset or property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,
- [^{F100}company A] shall be treated for all the purposes of this Act as if, immediately after its acquisition of the asset, it had sold and immediately reacquired the asset at the value that, at the time of acquisition, was its market value.
- (7) Those conditions are—
- (a) that [^{F101}company A] is a 75 per cent. subsidiary of one or more members of the other group referred to in subsection (5) above, and
 - (b) that [^{F101}company A] is an effective 51 per cent. subsidiary of one or more of those members.
- [^{F102}(7A) Any chargeable gain or allowable loss which would otherwise accrue to company A on the sale referred to in subsection (6) does not so accrue if—
- (a) company A ceases at the relevant time to satisfy the conditions in subsection (7) in consequence of—
 - (i) a disposal of shares in company A, or another member of the other group mentioned in subsection (5)(b), made by a member of that other group, or

 - (c) in the absence of this subsection, section 535 of CTA 2010 (UK REITS: exemption of gains) would not apply to the chargeable gain or allowable loss which would accrue to company A on the sale.
- (7B) Where subsection (7A) applies, subsections (3C) to (3H) apply to the calculation of any chargeable gain or allowable loss accruing on a disposal within subsection (7A) (a) to which subsection (3B) applies (a “relevant disposal”) with the following modifications—
 - (a) in subsections (3C) to (3H) for the references to a group disposal substitute references to a relevant disposal, and
 - (b) in subsections (3C), (3D) and (3E) for the references to subsection (3A) substitute references to subsection (7A).]
- (8) Any chargeable gain or allowable loss accruing to [F103] company A on the sale referred to in subsection (6) is to be treated as accruing immediately before the relevant time.]
- (9) Where—
 - (a) by virtue of this section a company is treated as having sold an asset at any time, and
 - (b) if at that time the company had in fact sold the asset at market value at that time, then, by virtue of section 30 [F104] or 31], any allowable loss or chargeable gain accruing on the disposal would have been calculated as if the consideration for the disposal were increased by an amount,subsections (3) and (6) above shall have effect as if the market value at that time had been that amount greater.
- [F105](9A) [F106]Sections 450 and 451 of CTA 2010] (meaning of control) shall have effect for the purposes of subsection (2B) above as [F107]they have] effect for the purposes of [F108]Part 10 of CTA 2010]; but a person carrying on a business of banking shall not for the purposes of that subsection be regarded as having control of any company by reason only of having, or of the consequences of having exercised, any rights of that person in respect of loan capital or debt issued or incurred by the company for money lent by that person to the company in the ordinary course of that business.]

 - (b) a chargeable gain is carried forward from an asset to other property on a replacement of business assets if, by one or more claims under sections 152 to 158, the chargeable gain accruing on a disposal of the asset is reduced, and as a result an amount falls to be deducted from the expenditure allowable in computing a gain accruing on the disposal of the other property,

(1) This section applies where—

- (a) a gain accrues to a company (“company A”) on a sale referred to in subsection (3) or (6) of section 179, or
- (b) a gain would so accrue but for subsection (3A) or (7A) of that section.

- (2) If subsection (3D) or (3E) of that section applies in relation to one or more group disposals (within the meaning of that section)—
 - (a) the company making the disposal, or
 - (b) if there is more than one disposal, the companies making those disposals acting jointly,may make a claim for the amount of the gain to be treated for the purposes of the subsection in question as reduced by an amount specified in the claim.
- (3) In any other case, company A may make a claim for the amount of the gain to be treated for all purposes of this Act as reduced by an amount specified in the claim.
- (4) Where a claim is made under subsection (2) or (3), the gain must be treated, for the purposes mentioned in the subsection in question, as reduced by such amount (if any) as is just and reasonable.

- (6) Where under this section the gain accruing to company A on a sale referred to in subsection (3) or (6) of section 179 is treated as reduced by an amount (“the permitted deduction”), the subsection in question has effect, so far as it provides for the immediate reacquisition of the asset by company A, as if the reference to market value of the asset were to its market value less the permitted deduction.]

184C Sections 184A and 184B: meaning of “qualifying change of ownership”

- (1) For the purposes of sections 184A and 184B, there is a qualifying change of ownership in relation to a company at any time if any one or more of the following occur at that time—
- (a) the company joins a group of companies (see subsections (2) to (5)),
 - (b) the company ceases to be a member of a group of companies,

- (c) the company becomes subject to different control (see subsections (6) to (9)).
- (2) Whether a company is a member of a group of companies at any time is determined in accordance with section 170.
- (3) But, apart from in the excepted case, nothing in section 170(10) or (10A) is to prevent all the companies of one group from being regarded as joining another group when the principal company of the first group becomes a member of the other group at any time.
- (4) The excepted case is the case where—
- (a) the persons owning the shares of the principal company of the first group immediately before that time are the same as the persons owning the shares of the principal company of the other group immediately after that time,
 - (b) the principal company of the other group was not the principal company of any group immediately before that time, and
 - (c) immediately after that time the principal company of the other group had assets consisting entirely (or almost entirely) of shares of the principal company of the first group.
- (5) For this purpose, references to shares of a company are to the shares comprised in the issued share capital of the company.
- (6) The general rule is that a company becomes subject to different control at any time if any one or more of the following occur—
- (a) a person has control of the company at that time (whether alone or together with one or more others) and the person did not previously have control of the company,
 - (b) a person has control of the company at that time together with one or more others and the person previously had control of the company alone,
 - (c) a person ceases to have control of the company at that time (whether the person had control alone or together with one or more others).
- (7) The general rule is subject to the following exceptions.
- (8) A company does not become subject to different control in any case where it joins a group of companies and the case is the excepted case mentioned above.
- (9) A company (“the subsidiary”) does not become subject to different control at any time in any case where—
- (a) immediately before that time the subsidiary is the 75 per cent. subsidiary of another company, and
 - (b) (although there is a change in the direct ownership of the subsidiary) that other company continues immediately after that time to own it as a 75 per cent. subsidiary.

184E Sections 184A and 184B: “pre-change assets”: basic rules

- (1) If—
 - (a) a company other than the relevant company makes a disposal of an asset, and
 - (b) the asset has been disposed of at any time after the relevant time by a disposal to which section 171(1) does not apply (a “non-section 171(1) transfer”),the asset ceases to be regarded as a pre-change asset for the purposes of sections 184A and 184B (but see also subsections (10) and (11)).
- (2) But (without affecting the generality of the provision made by the following subsection) if, on a non-section 171(1) transfer,—
 - (a) an asset would cease to be regarded as a pre-change asset as a result of subsection (1), and
 - (b) the company making the non-section 171(1) transfer retains any interest in or over the asset,that interest is to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (3) If—
 - (a) the relevant company or any other company holds an asset (“the new asset”) at or after the relevant time,
 - (b) the value of the new asset derives in whole or in part from a pre-change asset, and
 - (c) the new asset is not acquired by the company concerned as a result of a non-section 171(1) transfer,the new asset is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (4) For this purpose the cases in which the value of an asset may be derived from any other asset include any case where—
 - (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (5) If a pre-change asset is “the old asset” for the purposes of section 116 (reorganisations, conversions and reconstructions), “the new asset” for the purposes of that section is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (6) If a pre-change asset is the “original shares” for the purposes of sections 127 to 131 (reorganisation or reduction of share capital), the “new holding” for the purposes of those sections is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (7) The following subsection applies if, as a result of the application of a relevant deferral provision in the case of a disposal of a pre-change asset (“the original disposal”),—
 - (a) a gain or loss that would otherwise accrue to a company does not so accrue, or
 - (b) any part of any such gain is treated as forming part of a single chargeable gain which does not accrue to the company on the original disposal,and a gain or loss does, wholly or partly in consequence of the application of that provision in the case of the original disposal, accrue to the company or any other company on a subsequent occasion.

Status: Point in time view as at 26/03/2015.

- (8) So much of the gain or loss accruing on the subsequent occasion as accrues in consequence of the application of the relevant deferral provision in the case of the original disposal is to be regarded for the purposes of sections 184A and 184B as accruing on a disposal of a pre-change asset (so far as it would not otherwise be so regarded).
- (9) A “relevant deferral provision” means any of the following—
- (a) section 139 (reconstruction involving transfer of business),
 - (b) section 140 (postponement of charge on transfer of assets to non-resident company),
 - (c) section 140A (transfer of a UK trade),
 - (d) section 140E (merger leaving assets within UK tax charge),
 - (e) sections 152 and 153 (replacement of business assets),
 - (f) section 187 (postponement of charge on deemed disposal under section 185).
- (10) If—

- (5) The day on which a pooling election is made must not be later than the 30th day after the day specified as its effective date.
- (6) A pooling election is irrevocable.
- (7) In this section—
