- (a) more than 10% of the issued shares in the company of any particular class,
 - (b) more than 10% of the voting rights in the company,

 - (d) such rights as would, in the event of the winding up of the company or in any other circumstances, give an entitlement to receive more than 10% of the assets of the company which would then be available for distribution among the participators.

- (5) In any case where—
- (a) the shares of any particular class attributed to a person consist of or include shares which he or another person has a right to acquire, and
 - (b) the circumstances are such that if that right were to be exercised the shares acquired would be shares which were previously unissued and which the company is contractually bound to issue in the event of the exercise of the right,
- then in determining at any time prior to the exercise of the right whether the number of shares of that class attributed to the person exceeds a particular percentage of the issued shares of that class, the number of issued shares of that class shall be taken to be increased by the number of unissued shares referred to in paragraph (b) above.
- (6) The references in sub-paragraph (5) above to the shares of any particular class attributed to a person are to the shares which in accordance with sub-paragraph (1)(a) above fall to be brought into account in his case to determine whether their number exceeds a particular percentage of the issued shares of the company of that class.

 - (c) rights which would, in the event of the winding up of the company or in any other circumstances, give an entitlement to receive any of the assets of the company which would then be available for distribution among the participators (and attribution of such rights to a person in accordance with sub-paragraph (1)(d) above),
- as they apply in relation to shares of any particular class (and their attribution to a person in accordance with sub-paragraph (1)(a) above).

 - (b) a fixed-term entitlement.
- (3) In sub-paragraph (2) above “fixed-term entitlement”, in relation to property comprised in a settlement, means any interest under that settlement which is limited to a term that is fixed and is not a term at the end of which the person with that interest will become entitled to the property.

Cases where there are non-qualifying beneficiaries

 - (b) the asset would not otherwise have been a business asset; and
 - (c) there is a non-qualifying part of the relevant income, or there would be if there were any relevant income for that period.
- (2) The period throughout which the asset disposed of is to be taken to have been a business asset shall be determined as if the relevant fraction of every sharing period were a period throughout which the asset was not a business asset.

- (5) For the purposes of this paragraph the non-qualifying part of any relevant income for any period is so much of that income for that period as is or, as the case may be, would be—

 - (b) income to which a non-qualifying eligible beneficiary has an entitlement.
- (6) In sub-paragraph (5) above “non-qualifying eligible beneficiary”, in relation to a period, means an eligible beneficiary who is not a beneficiary by reference to whom (if he were the only beneficiary) the asset disposed of would be a business asset throughout that period.

 - (b) was, at the same time, being put to a non-qualifying use.
- (2) The period throughout which the asset disposed of is to be taken to have been a business asset shall be determined as if the relevant fraction of every mixed-use period were a period throughout which the asset was not a business asset.

(7) In this paragraph—

“non-qualifying use”, in relation to an asset, means any use of the asset for purposes which are not purposes in respect of which the asset would fall to be treated as a business asset at the time of its use; and

“non-qualifying part” and “relevant income” have the same meanings as in paragraph 8 above.

PART I

QUOTED SECURITIES

Deemed acquisition at 6th April 1965 value

- 1 (1) This paragraph applies—
- (a) to shares and securities which on 6th April 1965 had quoted market values on a recognised stock exchange, or which had such quoted market values at any time in the period of 6 years ending on 6th April 1965, and
 - (b) to rights of unit holders in any unit trust scheme the prices of which are published regularly by the managers of the scheme.
- (2) For the purposes of this Act it shall be assumed, wherever relevant, that any assets to which this paragraph applies were sold by the owner, and immediately reacquired by him, at their market value on 6th April 1965.
- (3) This paragraph shall not apply in relation to a disposal of shares or securities of a company by a person to whom those shares or securities were issued as an employee either of the company or of some other person on terms which restrict his rights to dispose of them.

Restriction of gain or loss by reference to actual cost

- 2 (1) Subject to paragraph 4 below and section 109(4), paragraph 1(2) above shall not apply in relation to a disposal of assets—
- (a) if on the assumption in paragraph 1(2) a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue if paragraph 1(2) did not apply, or
 - (b) if on the assumption in paragraph 1(2) a loss would so accrue and either a smaller loss or a gain would accrue if paragraph 1(2) did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the preceding provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (2) For the purpose of—

- (a) identifying shares or securities held on 6th April 1965 with shares or securities previously acquired, and
- (b) identifying the shares or securities held on that date with shares or securities subsequently disposed of, and distinguishing them from shares or securities acquired subsequently,

so far as that identification is needed for the purposes of sub-paragraph (1) above, and so far as the shares or securities are of the same class, shares or securities acquired at a later time shall be deemed to be disposed of before shares or securities acquired at an earlier time.

(3) Sub-paragraph (2) above has effect subject to section 105.

3 (1) Where—

- (a) a disposal was made out of quoted securities before 20th March 1968, and
- (b) by virtue of paragraph 2 of Schedule 7 to the ^{M9}Finance Act 1965 some of the quoted securities out of which the disposal was made were acquired before 6th April 1965 and some later,

then in computing the gain accruing on any disposal of quoted securities the question of what remained undisposed of on the earlier disposal shall be decided on the footing that paragraph 2 of that Schedule did not apply as respects that earlier disposal.

(2) The rules of identification in paragraph 2(2) above shall apply for the purposes of this paragraph as they apply for the purposes of that paragraph.

Election for pooling

- 4 (1) This paragraph applies in relation to quoted securities as respects which an election under paragraphs 4 to 7 of Schedule 5 to the 1979 Act had not been made before the operative date, within the meaning of Part II of Schedule 13 to the ^{M10}Finance Act 1982, (so that they do not constitute a 1982 holding within the meaning of section 109), but does not apply in relation to relevant securities within the meaning of section 108.
- (2) If a person so elects, quoted securities covered by the election shall be excluded from paragraph 2 above, so that paragraph 1(2) above is not excluded by that paragraph as respects those securities, and sub-paragraphs (3) to (7) (which re-enact section 65 of the 1979 Act) apply.
- (3) Subject to section 105, any number of quoted securities of the same class held by one person in one capacity shall for the purposes of this Act be regarded as indistinguishable parts of a single asset (in this paragraph referred to as a holding) growing or diminishing on the occasions on which additional securities of the class in question are acquired, or some of the securities of the class in question are disposed of.
- (4) Without prejudice to the generality of sub-paragraph (3) above, a disposal of quoted securities in a holding, other than the disposal outright of the entire holding, is a disposal of part of an asset and the provisions of this Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.

- (5) Securities shall not be treated for the purposes of this paragraph as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on such a stock exchange, but shall be treated in accordance with this paragraph notwithstanding that they are identified in some other way by the disposal or by the transfer or delivery giving effect to it.
- (6) This paragraph shall apply separately in relation to any securities held by a person to whom they were issued as an employee of the company or of any other person on terms which restrict his rights to dispose of them, so long as those terms are in force, and, while applying separately to any such securities, shall have effect as if the owner held them in a capacity other than that in which he holds any other securities of the same class.
- (7) Nothing in this paragraph shall be taken as affecting the manner in which the market value of any asset is to be ascertained.
- (8) An election made by any person under this paragraph shall be as respects all disposals made by him at any time, including disposals made before the election but after 19th March 1968—
- (a) of quoted securities of kinds other than fixed-interest securities and preference shares, or
 - (b) of fixed-interest securities and preference shares,
- and references to the quoted securities covered by an election shall be construed accordingly.

Any person may make both of the elections.

- (9) An election under this paragraph shall not cover quoted securities which the holder acquired on a disposal after 19th March 1968 in relation to which either section 58 or 171(1) applies, but this paragraph shall apply to the quoted securities so held if the person who made the original disposal (that is to say the [^{F82}spouse or civil partner] of the holder, or the other member of the group of companies) makes an election covering quoted securities of the kind in question.

For the purpose of identifying quoted securities disposed of by the holder with quoted securities acquired by him on a disposal in relation to which either section 58 or 171(1) applies, so far as they are of the same class, quoted securities acquired at an earlier time shall be deemed to be disposed of before quoted securities acquired at a later time.

- (10) For the avoidance of doubt it is hereby declared—
- (a) that where a person makes an election under this paragraph as respects quoted securities which he holds in one capacity, that election does not cover quoted securities which he holds in another capacity, and
 - (b) that an election under this paragraph is irrevocable.
- (11) An election under this paragraph shall be made by notice to [^{F83}an officer of the Board given—
- (a) in the case of an election for the purposes of capital gains tax, on or before the first anniversary of the 31st January next following the year of assessment in which the first relevant disposal is made;

- (12) Subject to paragraph 5 below, in this paragraph the “first relevant disposal”, in relation to each of the elections referred to in sub-paragraph (8) of this paragraph, means the first disposal after 19th March 1968 by the person making the election of quoted securities of the kind covered by that election.

Election by principal company of group

- 5 (1) In the case of companies which at the relevant time are members of a group of companies—
- (a) an election under paragraph 4 above by the company which at that time is the principal company of the group shall have effect also as an election by any other company which at that time is a member of the group, and
 - (b) no election under that paragraph may be made by any other company which at that time is a member of the group.
- (2) In this paragraph “the relevant time”, in relation to a group of companies, and in relation to each of the elections referred to in paragraph 4(8) above, is the first occasion after 19th March 1968 when any company which is then a member of a group disposes of quoted securities of a kind covered by that election, and for the purposes of paragraph 4(11) above that occasion is, in relation to the group, “the first relevant disposal”.
- (3) This paragraph shall not apply in relation to quoted securities of either kind referred to in paragraph 4(8) above which are owned by a company which, in some period after 19th March 1968 and before the relevant time, was not a member of the group if in that period it had made an election under paragraph 4 above in relation to securities of that kind (or was treated by virtue of this paragraph, in relation to another group, as having done so), or had made a disposal of quoted securities of that kind and did not make an election within the time limited by paragraph 4(11) above.
- (4) This paragraph shall apply notwithstanding that a company ceases to be a member of the group at any time after the relevant time.

- (5) In this paragraph “company” and “group” shall be construed in accordance with section 170(2) to (9).

Pooling at value on 6th April 1965: exchange of securities etc.

- 6 (1) Where a person who has made only one of the elections under paragraph 4 above disposes of quoted securities which, in accordance with Chapter II of Part IV, are to be regarded as being or forming part of a new holding, the election shall apply according to the nature of the quoted securities disposed of, notwithstanding that under that Chapter the new holding is to be regarded as the same asset as the original holding and that the election would apply differently to the original holding.
- (2) Where the election does not cover the disposal out of the new holding but does cover quoted securities of the kind comprised in the original holding, then in computing the gain accruing on the disposal out of the new holding (in accordance with paragraph 3 above) the question of what remained undisposed of on any disposal out of the original holding shall be decided on the footing that paragraph 3 above applied to that earlier disposal.
- (3) In the converse case (that is to say, where the election covers the disposal out of the new holding, but does not cover quoted securities of the kind comprised in the original holding) the question of how much of the new holding derives from quoted securities held on 6th April 1965 and how much derives from other quoted securities, shall be decided as it is decided for the purposes of paragraph 3 above.

Underwriters

- 7 No election under paragraph 4 above shall cover quoted securities comprised in any underwriter’s premiums trust fund, or premiums trust fund deposits, or personal reserves, being securities comprised in funds to which section 206 applies.

Interpretation of paragraphs 3 to 7

- 8 (1) In paragraphs 3 to 7 above—
“quoted securities” means assets to which paragraph 1 above applies,
“fixed interest security” means any security as defined by section 132,
“preference share” means any share the holder whereof has a right to a dividend at a fixed rate, but has no other right to share in the profits of the company.
- (2) If and so far as the question whether at any particular time a share was a preference share depends on the rate of dividends payable on or before 5th April 1973, the reference in the definition of “preference share” in sub-paragraph (1) above to a dividend at a fixed rate includes a dividend at a rate fluctuating in accordance with the standard rate of income tax.

PART II

LAND REFLECTING DEVELOPMENT VALUE

- 9 (1) Subject to paragraph 17(2) of Schedule 11, this Part of this Schedule shall apply in relation to a disposal of an asset which is an interest in land situated in the United Kingdom—
- (a) if, but for this paragraph, the expenditure allowable as a deduction in computing the gain accruing on the disposal would include any expenditure incurred before 6th April 1965, and
 - (b) if the consideration for the asset acquired on the disposal exceeds the current use value of the asset at the time of the disposal, or if any material development of the land has been carried out after 17th December 1973 since the person making the disposal acquired the asset.
- (2) For the purposes of this Act, it shall be assumed that, in relation to the disposal and, if it is a part disposal, in relation to any subsequent disposal of the asset which is an interest in land situated in the United Kingdom, that asset was sold by the person making the disposal, and immediately reacquired by him, at its market value on 6th April 1965.
- (3) Sub-paragraph (2) above shall apply also in relation to any prior part disposal of the asset and, if tax has been charged, or relief allowed, by reference to that part disposal on a different footing, all such adjustments shall be made, whether by way of assessment or discharge or repayment of tax, as are required to give effect to the provisions of this sub-paragraph.
- (4) Sub-paragraph (2) above shall not apply in relation to a disposal of assets—
- (a) on the assumption in that sub-paragraph a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue (computed in accordance with the provisions of this Act) if it did not apply, or
 - (b) if on the assumption in sub-paragraph (2) a loss would so accrue and either a smaller loss or a gain would accrue if that sub-paragraph did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (5) For the purposes of this Part of this Schedule—
- (a) “interest in land” means any estate or interest in land, any right in or over land or affecting the use or disposition of land, and any right to obtain such an estate, interest or right from another which is conditional on that other’s ability to grant the estate, interest or right in question, except that it does not include the interest of a creditor (other than a creditor in respect of a rentcharge) whose debt is secured by way of a mortgage, an agreement for a mortgage or a charge of any kind over land, or, in Scotland, the interest of a creditor in a charge or security of any kind over land; and
 - (b) “land” includes buildings.
- 10 (1) For the purposes of this Part of this Schedule, the current use value of an interest in land shall be ascertained in accordance with the following provisions of this Part,

and in this Part the time as at which current use value is to be ascertained is referred to as “the relevant time”.

- (2) Subject to the following provisions of this Part of this Schedule, the current use value of an interest in land at the relevant time is the market value of that interest at that time calculated on the assumption that it was at that time, and would continue to be, unlawful to carry out any material development of the land other than any material development thereof which, being authorised by planning permission in force at that time, was begun before that time.

In relation to any material development which was begun before 18th December 1973 this sub-paragraph shall have effect with the omission of the words from “other than” to “before that time”.

- (3) In this paragraph “planning permission” has the same meaning as in the ^{M11}Town and Country Planning Act 1990, or, in Scotland, the ^{M12}Town and Country Planning (Scotland) Act 1972, or, in Northern Ireland, the ^{M13}Planning (Northern Ireland) Order 1991, and in determining for the purposes of this paragraph what material development of any land was authorised by planning permission at a time when there was in force in respect of the land planning permission granted on an outline application (that is to say, an application for planning permission subject to subsequent approval on any matters), any such development of the land which at that time—

- (a) was authorised by that permission without any requirement as to subsequent approval; or
- (b) not being so authorised, had been approved in the manner applicable to that planning permission,

but no other material development, shall for those purposes be taken to have been authorised by that permission at that time.

- (4) Where the value to be ascertained is the current use value of an interest in land which has been disposed of by way of a part disposal of an asset (“the relevant asset”) consisting of an interest in land, the current use value at the relevant time of the interest disposed of shall be the relevant fraction of the current use value of the relevant asset at that time, calculated on the same assumptions as to the lawfulness or otherwise of any material development as fall to be made under this Part in calculating the current use value at that time of the interest disposed of.
- (5) For the purposes of sub-paragraph (4) above “the relevant fraction” means that fraction of the sums mentioned in paragraph (6) below which under subsection (2) of section 42 is, or would but for subsection (4) of that section be, allowable as a deduction in computing the amount of the gain accruing on the part disposal.
- (6) The sums referred to in sub-paragraph (5) above are the sums which, if the entire relevant asset had been disposed of at the time of the part disposal, would be allowable by virtue of section 38(1)(a) and (b) as a deduction in computing the gain accruing on that disposal of the relevant asset.
- (7) Sub-paragraphs (4) to (6) above shall not apply—
- (a) in the case of a disposal of an interest in land by way of a part disposal if, on making the disposal, the person doing so no longer has any interest in the land which is subject to that interest; or
 - (b) in a case to which the following provisions of this paragraph apply.

Status: Point in time view as at 29/11/2007.

- (8) In computing any gain accruing to a person on a part disposal of an interest in land resulting under subsection (1) of section 22 from the receipt as mentioned in paragraph (a), (c) or (d) of that subsection of a capital sum, the current use value at the relevant time of the interest out of which the part disposal was made shall be taken to be what it would have been at that time if the circumstances which caused the capital sum to be received had not arisen.

PART III

OTHER ASSETS

Apportionment by reference to straightline growth of gain or loss over period of ownership

- 16 (1) This paragraph applies subject to Parts I and II of this Schedule.
- (2) On the disposal of assets by a person whose period of ownership began before 6th April 1965 only so much of any gain accruing on the disposal as is under this paragraph to be apportioned to the period beginning with 6th April 1965 shall be a chargeable gain.
 - (3) Subject to the following provisions of this Schedule, the gain shall be assumed to have grown at a uniform rate from nothing at the beginning of the period of ownership to its full amount at the time of the disposal so that, calling the part of that period before 6th April 1965, P, and the time beginning with 6th April 1965 and ending with the time of the disposal T, the fraction of the gain which is a chargeable gain is—

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

$$\frac{T}{P + T}.$$

- (4) If any of the expenditure which is allowable as a deduction in the computation of the gain is within section 38(1)(b)—
- the gain shall be attributed to the expenditure, if any, allowable under section 38(1)(a) as one item of expenditure, and to the respective items of expenditure under section 38(1)(b) in proportion to the respective amounts of those items of expenditure,
 - sub-paragraph (3) of this paragraph shall apply to the part of the gain attributed to the expenditure under section 38(1)(a),
 - each part of the gain attributed to the items of expenditure under section 38(1)(b) shall be assumed to have grown at a uniform rate from nothing at the time when the relevant item of expenditure was first reflected in the value of the asset to the full amount of that part of the gain at the time of the disposal,

so that, calling the respective proportions of the gain $E(0)$, $E(1)$, $E(2)$ and so on (so that they add up to unity) and calling the respective periods from the times when the items under section 38(1)(b) were reflected in the value of the asset to 5th April 1965 $P(1)$, $P(2)$ and so on, and employing also the abbreviations in sub-paragraph (3) above, the fraction of the gain which is a chargeable gain is—

$$E(0) \frac{T}{P + T} + E(1) \frac{T}{P(1) + T} + E(2) \frac{T}{P(2) + T} \text{ and so on.}$$

- (5) In a case within sub-paragraph (4) above where there is no initial expenditure (that is no expenditure under section 38(1)(a)) or that initial expenditure is, compared with any item of expenditure under section 38(1)(b), disproportionately small having regard to the value of the asset immediately before the subsequent item of expenditure was incurred, the part of the gain which is not attributable to the enhancement of the value of the asset due to any item of expenditure under section 38(1)(b) shall be deemed to be attributed to expenditure incurred at the beginning of the period of ownership and allowable under section 38(1)(a), and the part or parts of the gain attributable to expenditure under section 38(1)(b) shall be reduced accordingly.
- (6) The beginning of the period over which a gain, or part of a gain, is under sub-paragraphs (3) and (4) above to be treated as growing shall not be earlier than 6th April 1945, and this sub-paragraph shall have effect notwithstanding any provision in this Schedule or elsewhere in this Act.
- (7) If in pursuance of section 42 an asset's market value at a date before 6th April 1965 is to be ascertained, sub-paragraphs (3) to (5) above shall have effect as if that asset had been on that date sold by the owner, and immediately reacquired by him, at that market value.
- (8) If in pursuance of section 42 an asset's market value at a date on or after 6th April 1965 is to be ascertained sub-paragraphs (3) to (5) above shall have effect as if—
- the asset on that date had been sold by the owner, and immediately reacquired by him, at that market value, and

- (b) accordingly, the computation of any gain on a subsequent disposal of that asset shall be computed—
 - (i) by apportioning in accordance with this paragraph the gain or loss over a period ending on that date (the date of the part disposal), and
 - (ii) by bringing into account the entire gain or loss over the period from the date of the part disposal to the date of subsequent disposal.
- (9) For the purposes of this paragraph the period of ownership of an asset shall, where under section 43 account is to be taken of expenditure in respect of an asset from which the asset disposed of was derived, or where it would so apply if there were any relevant expenditure in respect of that other asset, include the period of ownership of that other asset.
- (10) If under this paragraph part only of a gain is a chargeable gain, the fraction in section 223(2) shall be applied to that part instead of to the whole of the gain.

Election for valuation at 6th April 1965

- 17 (1) If the person making a disposal so elects, paragraph 16 above shall not apply in relation to that disposal and it shall be assumed, both for the purposes of computing the gain accruing to that person on the disposal, and for all other purposes both in relation to that person and other persons, that the assets disposed of, and any assets of which account is to be taken in relation to the disposal under section 43, being assets which were in the ownership of that person on 6th April 1965, were on that date sold, and immediately reacquired, by him at their market value on 6th April 1965.
- (2) Sub-paragraph (1) above shall not apply in relation to a disposal of assets if on the assumption in that sub-paragraph a loss would accrue on that disposal to the person making the disposal and either a smaller loss or a gain would accrue if sub-paragraph (1) did not apply, but in a case where this sub-paragraph would otherwise substitute a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- The displacement of sub-paragraph (1) above by this sub-paragraph shall not be taken as bringing paragraph 16 above into operation.
- (3) An election under this paragraph shall be made by notice to [^{F84}an officer of the Board given—
- (a) in the case of an election for the purposes of capital gains tax, on or before the first anniversary of the 31st January next following the year of assessment in which the disposal is made;
 - (b) in the case of an election for the purposes of corporation tax, within 2 years from the end of the accounting period in which the disposal is made; or
 - (c) in either case, within such further time as the Board may by notice allow.]
- (4) For the avoidance of doubt it is hereby declared that an election under this paragraph is irrevocable.
- (5) An election may not be made under this paragraph as respects, or in relation to, an asset the market value of which at a date on or after 6th April 1965, and before the date of the disposal to which the election relates, is to be ascertained in pursuance of section 42.

Status: Point in time view as at 29/11/2007.

MISCELLANEOUS

Capital allowances

- 20 If under any provision in this Schedule it is to be assumed that any asset was on 6th April 1965 sold by the owner, and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by the owner in providing the asset, and so made for the year 1965-66 or for any subsequent year of assessment, as if it were made in respect of the expenditure which, on that assumption, was incurred by him in reacquiring the asset on 7th April 1965.

Assets transferred to close companies

- 21 (1) This paragraph has effect where—
- (a) at any time, including a time before 7th April 1965, any of the persons having control of a close company, or any person who is connected with a person having control of a close company, has transferred assets to the company, and
 - (b) paragraph 16 above applies in relation to a disposal by one of the persons having control of the company of shares or securities in the company, or in relation to a disposal by a person having, up to the time of disposal, a substantial holding of shares or securities in the company, being in either case a disposal after the transfer of the assets.
- (2) So far as the gain accruing to the said person on the disposal of the shares is attributable to a profit on the assets so transferred, the period over which the gain is to be treated under paragraph 16 above as growing at a uniform rate shall begin with the time when the assets were transferred to the company, and accordingly a part of a gain attributable to a profit on assets transferred on or after 6th April 1965 shall all be a chargeable gain.
- (3) This paragraph shall not apply where a loss, and not a gain, accrues on the disposal.

SCHEDULE 3

Section 35.

ASSETS HELD ON 31ST MARCH 1982

Previous no gain/no loss disposals

- 1 (1) Where—
- (a) a person makes a disposal, not being a no gain/no loss disposal, of an asset which he acquired after 31st March 1982, and
 - (b) the disposal by which he acquired the asset and any previous disposal of the asset after 31st March 1982 was a no gain/no loss disposal,
- he shall be treated for the purposes of section 35 as having held the asset on 31st March 1982.
- (2) For the purposes of this paragraph a no gain/no loss disposal is one on which by virtue of any of the enactments specified in section 35(3)(d) neither a gain nor a loss accrues to the person making the disposal.
- 2 (1) Sub-paragraph (2) below applies where a person makes a disposal of an asset acquired by him on or after 6th April 1988 in circumstances in which section 58 or 171 applied.
- (2) Where this sub-paragraph applies—
- (a) an election under section 35(5) by the person making the disposal shall not cover the disposal, but
 - (b) the making of such an election by the person from whom the asset was acquired shall cause the disposal to fall outside subsection (3) of that section (so that subsection (2) of that section is not excluded by it) whether or not the person making the disposal makes such an election.
- (3) Where the person from whom the asset was acquired by the person making the disposal himself acquired it on or after 6th April 1988 in circumstances in which

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. section 58 or 171 applied, an election made by him shall not have the effect described in sub-paragraph (2)(b) above but an election made by—

- (a) the last person by whom the asset was acquired after 5th April 1988 otherwise than in such circumstances, or
- (b) if there is no such person, the person who held the asset on 5th April 1988, shall have that effect.

Capital allowances

- 3 If under section 35 it is to be assumed that any asset was on 31st March 1982 sold by the person making the disposal and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by him in providing the asset as if it were made in respect of expenditure which, on that assumption, was incurred by him in reacquiring the asset on 31st March 1982.

Part disposals etc.

- 4 (1) Where, in relation to a disposal to which section 35(2) applies, section 42 has effect by reason of an earlier disposal made after 31st March 1982 and before 6th April 1988, the sums to be apportioned under section 42 shall for the purposes of the later disposal be ascertained on the assumption stated in section 35(2).
- (2) In any case where—
- (a) subsection (2) of section 35 applies in relation to the disposal of an asset,
 - (b) if that subsection did not apply, section 23(2), 122(4), 133(4) or 244 would operate to disallow expenditure as a deduction in computing a gain accruing on the disposal, and
 - (c) the disallowance would be attributable to the reduction of the amount of the consideration for a disposal made after 31st March 1982 but before 6th April 1988,

the amount allowable as a deduction on the disposal shall be reduced by the amount which would be disallowed if section 35(2) did not apply.

Assets derived from other assets

- 5 Section 35 shall have effect with the necessary modifications in relation to a disposal of an asset which on 31st March 1982 was not itself held by the person making the disposal, if its value is derived from another asset of which account is to be taken in relation to the disposal under section 43.

Apportionment of pre-1965 gains and losses

- 6 In a case where because of paragraph 16 of Schedule 2 only part of a gain or loss is a chargeable gain or allowable loss, section 35(3)(a) and (b) shall have effect as if the amount of the gain or loss that would accrue if subsection (2) did not apply were equal to that part.

Elections under section section 35(5): excluded disposals

- 7 (1) An election under section 35(5) shall not cover disposals such as are specified in sub-paragraph (2) below.

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The disposals mentioned in sub-paragraph (1) above are disposals of, or of an interest in—
- (a) plant or machinery,
 - (b) an asset which the person making the disposal has at any time held for the purposes of or in connection with—
 - (i) a trade consisting of the working of a source of mineral deposits, or
 - (ii) where a trade involves (but does not consist of) such working, the part of the trade which involves such working, or
 - (c) a licence under [^{F87}Part I of the Petroleum Act 1998] or the ^{M14}Petroleum (Production) Act (Northern Ireland) 1964; or
 - (d) shares which, on 31st March 1982, were unquoted and derived their value, or the greater part of their value, directly or indirectly from oil exploration or exploitation assets situated in the United Kingdom or a designated area or from such assets and oil exploration or exploitation rights taken together; but a disposal does not fall within paragraph (a) or (b) above unless a capital allowance in respect of any expenditure attributable to the asset has been made to the person making the disposal or would have been made to him had he made a claim.
- (3) For the purposes of sub-paragraph (2)(d) above,—
- (a) “shares” includes stock and any security, as defined in section 254(1) of the Taxes Act; and
 - (b) shares (as so defined) were unquoted on 31st March 1982 if, on that date, they were neither quoted on a recognised stock exchange nor dealt in on the Unlisted Securities Market;
- but nothing in this paragraph affects the operation, in relation to such unquoted shares, of sections 126 to 130.
- (4) In sub-paragraph (2)(d) above—
- “designated area” means an area designated by Order in Council under section 1(7) of the ^{M15}Continental Shelf Act 1964;
 - “oil exploration or exploitation assets” shall be construed in accordance with sub-paragraphs (5) and (6) below; and
 - “oil exploration or exploitation rights” means rights to assets to be produced by oil exploration or exploitation activities (as defined in sub-paragraph (6) below) or to interests in or to the benefit of such assets.
- (5) For the purposes of sub-paragraph (2)(d) above an asset is an oil exploration or exploitation asset if either—
- (a) it is not a mobile asset and is being or has at some time been used in connection with oil exploration or exploitation activities carried on in the United Kingdom or a designated area; or
 - (b) it is a mobile asset which has at some time been used in connection with oil exploration or exploitation activities so carried on and is dedicated to an oil field in which the company whose shares are disposed of by the disposal, or a person connected with that company, is or has been a participator;
- and, subject to sub-paragraph (6) below, expressions used in paragraphs (a) and (b) above have the same meaning as if those paragraphs were included in Part I of the ^{M16}Oil Taxation Act 1975.

Status: Point in time view as at 29/11/2007.

F106 Sch. 4B inserted (with effect in accordance with s. 92(5) of the amending Act) by [Finance Act 2000](#) (c. 17), s. 92(2), [Sch. 25](#)

General scheme of this Schedule

- 1 (1) This Schedule applies where trustees of a settlement—
 - (a) make a transfer of value (see paragraph 2) in a year of assessment in which the settlement is within section 77, 86 or 87 (see paragraph 3), and
 - (b) in accordance with this Schedule the transfer of value is treated as linked with trustee borrowing (see paragraphs 4 to 9).
- (2) Where this Schedule applies the trustees are treated as disposing of and immediately reacquiring the whole or a proportion of each of the chargeable assets that continue to form part of the settled property (see paragraphs 10 to 13).

Transfers of value

- 2 (1) For the purposes of this Schedule trustees of a settlement make a transfer of value if they—
 - (a) lend money or any other asset to any person,
 - (b) transfer an asset to any person and receive either no consideration or a consideration whose amount or value is less than the market value of the asset transferred, or
 - (c) issue a security of any description to any person and receive either no consideration or a consideration whose amount or value is less than the value of the security.
- (2) References in this Schedule to “the material time”, in relation to a transfer of value, are to the time when the loan is made, the transfer is effectively completed or the security is issued.

The effective completion of a transfer means the point at which the person acquiring the asset becomes for practical purposes unconditionally entitled to the whole of the intended subject matter of the transfer.

- (3) In the case of a loan, the amount of value transferred is taken to be the market value of the asset.
- (4) In the case of a transfer, the amount of value transferred is taken to be—
 - (a) if any part of the value of the asset is attributable to trustee borrowing, the market value of the asset;
 - (b) if no part of the value of the asset is attributable to trustee borrowing, the market value of the asset reduced by the amount or value of any consideration received for it.

Paragraph 12 below explains what is meant by the value of an asset being attributable to trustee borrowing.

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) In the case of the issue of a security, the amount of value transferred shall be taken to be the value of the security reduced by the amount or value of any consideration received by the trustees for it.
- (6) References in this paragraph to the value of an asset are to its value immediately before the material time, unless the asset does not exist before that time in which case its value immediately after that time shall be taken.

Settlements within section 77, 86 or 87

- 3 (1) This paragraph explains what is meant in this Schedule by a settlement being “within section 77, 86 or 87” in a year of assessment.
- (2) A settlement is “within section 77” in a year of assessment if, assuming—
- (a) that there were chargeable gains accruing to the trustees from the disposal of any or all of the settled property, and
 - (b) that the condition in subsection (1)(b) of that section was met,
- chargeable gains would, under that section, be treated as accruing to the settlor in that year [^{F107}(otherwise than by virtue of section 31 of the Finance Act 2005)].

Expressions used in this sub-paragraph have the same meaning as in section 77.

- (3) A settlement is “within section 86” in a year of assessment if, assuming—
- (a) that there were chargeable gains accruing to the trustees by virtue of disposals of any of the settled property originating from the settlor, and
 - (b) that the other elements of the condition in subsection (1)(e) of that section were met,
- chargeable gains would, under that section, be treated as accruing to the settlor in that year.

Expressions used in this sub-paragraph have the same meaning as in section 86.

- (4) A settlement is “within section 87” in a year of assessment if, assuming—
- (a) there were trust gains for the year within the meaning of subsection (2) of that section, and
 - (b) that beneficiaries of the settlement received capital payments from the trustees in that year or had received such payments in an earlier year,
- chargeable gains would, under that section or section 89(2), be treated as accruing to the beneficiaries in that year.

- (2) The regulations may—
- (a) add to, amend or repeal any of the provisions of paragraphs 6 to 8 above,
 - (b) make different provision for different cases, and
 - (c) contain such supplementary, incidental, consequential and transitional provision as the Treasury may think fit.

Deemed disposal of remaining chargeable assets

- 10 (1) Where in accordance with this Schedule a transfer of value by trustees is treated as linked with trustee borrowing, the trustees are treated for all purposes of this Act—
- (a) as having at the material time disposed of, and
 - (b) as having immediately reacquired,
- the whole or a proportion (see paragraph 11) of each of the chargeable assets that form part of the settled property immediately after the material time (“the remaining chargeable assets”).
- (2) The deemed disposal and reacquisition shall be taken—
- (a) to be for a consideration equal to the whole or, as the case may be, a proportion of the market value of each of those assets, and
 - (b) to be under a bargain at arm’s length.
- (3) For the purposes of sub-paragraph (1) an asset is a chargeable asset if a gain on a disposal of the asset by the trustees at the material time would be a chargeable gain.

Whether deemed disposal is of whole or a proportion of the assets

- 11 (1) This paragraph provides for determining whether the deemed disposal and reacquisition is of the whole or a proportion of each of the remaining chargeable assets.
- (2) If the amount of value transferred—
- (a) is less than the amount of outstanding trustee borrowing, and
 - (b) is also less than the effective value of the remaining chargeable assets,

[^{F166}SCHEDULE 5AA

MEANING OF “SCHEME OF RECONSTRUCTION”

Textual Amendments

F166 Sch. 5AA inserted (with effect in accordance with Sch. 9 paras. 7, 8 of the amending Act) by [Finance Act 2002 \(c. 23\)](#), [Sch. 9 para. 3](#)

Introductory

- 1 In section 136 “scheme of reconstruction” means a scheme of merger, division or other restructuring that meets the first and second, and either the third or the fourth, of the following conditions.

First condition: issue of ordinary share capital

- 2 The first condition is that the scheme involves the issue of ordinary share capital of a company (“the successor company”) or of more than one company (“the successor companies”)—
- (a) to holders of ordinary share capital of another company (“the original company”) or, where there are different classes of ordinary share capital of that company, to holders of one or more classes of ordinary share capital of that company (the classes “involved in the scheme of reconstruction”), or
 - (b) to holders of ordinary share capital of more than one other company (“the original companies”) or, where there are different classes of ordinary share capital of one or more of the original company or companies, to holders of ordinary share capital of any of those companies or of one or more classes of ordinary share capital of any of those companies (the classes “involved in the scheme of reconstruction”),
- and does not involve the issue of ordinary share capital of the successor company, or (as the case may be) any of the successor companies, to anyone else.

Second condition: equal entitlement to new shares

- 3 (1) The second condition is that under the scheme the entitlement of any person to acquire ordinary share capital of the successor company or companies by virtue of holding relevant shares, or relevant shares of any class, is the same as that of any other person holding such shares or shares of that class.
- (2) For this purpose “relevant shares” means shares comprised—
- (a) where there is one original company, in the ordinary share capital of that company or, as the case may be, in the ordinary share capital of that company of a class involved in the scheme of reconstruction;
 - (b) where there is more than one original company, in the ordinary share capital of any of those companies or, as the case may be, in the ordinary share capital of any of those companies of a class involved in the scheme of reconstruction.

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Third condition: continuity of business

- 4 (1) The third condition is that the effect of the restructuring is—
- (a) where there is one original company, that the business or substantially the whole of the business carried on by the company is carried on—
 - (i) by a successor company which is not the original company, or
 - (ii) by two or more successor companies (which may include the original company);
 - (b) where there is more than one original company, that all or part of the business or businesses carried on by one or more of the original companies is carried on by a different company, and the whole or substantially the whole of the businesses carried on by the original companies are carried on—
 - (i) where there is one successor company, by that company (which may be one of the original companies), or
 - (ii) where there are two or more successor companies, by those companies (which may be the same as the original companies or include any of those companies).
- (2) The reference in sub-paragraph (1)(a)(ii) or (b)(ii) to the whole or substantially the whole of a business, or businesses, being carried on by two or more companies includes the case where the activities of those companies taken together embrace the whole or substantially the whole of the business, or businesses, in question.
- (3) For the purposes of this paragraph a business carried on by a company that is under the control of another company is treated as carried on by the controlling company as well as by the controlled company.

Section 840 of the Taxes Act (meaning of “control”) applies for the purposes of this sub-paragraph.

- (4) For the purposes of this paragraph the holding and management of assets that are retained by the original company, or any of the original companies, for the purpose of making a capital distribution in respect of shares in the company shall be disregarded.

In this sub-paragraph “capital distribution” has the same meaning as in section 122.

Fourth condition: compromise or arrangement with members

- 5 The fourth condition is that—
- (a) the scheme is carried out in pursuance of a compromise or arrangement—
 - (i) under section 425 of the Companies Act 1985 or Article 418 of the Companies (Northern Ireland) Order 1986, or
 - (ii) under any corresponding provision of the law of a country or territory outside the United Kingdom, and
 - (b) no part of the business of the original company, or of any of the original companies, is transferred under the scheme to any other person.

Preliminary reorganisation of share capital to be disregarded

- 6 Where a reorganisation of the share capital of the original company, or of any of the original companies, is carried out for the purposes of the scheme of reconstruction, the provisions of the first and second conditions apply in relation to the position after the reorganisation.

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Subsequent issue of shares or debentures to be disregarded

- 7 An issue of shares in or debentures of the successor company, or any of the successor companies, after the latest date on which any ordinary share capital of the successor company, or any of them, is issued—
- (a) in consideration of the transfer of any business, or part of a business, under the scheme, or
 - (b) in pursuance of the compromise or arrangement mentioned in paragraph 5(a),
- shall be disregarded for the purposes of the first and second conditions.

Interpretation

- 8 (1) In this Schedule “ordinary share capital” has the meaning given by section 832(1) of the Taxes Act and also includes—
- (a) in relation to a unit trust scheme, any rights that are treated by section 99(1)(b) of this Act (application of Act to unit trust schemes) as shares in a company, and
 - (b) in relation to a company that has no share capital, any interests in the company possessed by members of the company.

 - (b) the whole or part of the original gain is treated as not having accrued at the time of that disposal because of expenditure on shares being set against it under paragraph 2 of Schedule 5B; and
 - (c) a chargeable gain (“the revived gain”) is subsequently treated as accruing in accordance with paragraph 4 of Schedule 5B as a result of the disposal (“the relevant disposal”) of shares expenditure on which has been set under paragraph 2 of Schedule 5B against the whole or part of the original gain or the whole or part of a gain derived from the original gain.

Taper relief on revived gains

- 2 (1) Where this Schedule applies, the provisions of paragraphs 3 to 5 below have effect for applying taper relief under section 2A in relation to the revived gain.
- (2) Those provisions do not apply to the extent that the revived gain is treated as not having accrued at the time of the relevant disposal because of expenditure being set against it under paragraph 2 of Schedule 5B.

Qualifying holding period

- 3 (1) The qualifying holding period of the original shares for the purposes of taper relief is the period beginning with the date of issue of the original shares and ending with the date of the relevant disposal.

Gains on disposal of business or non-business assets

- 5
- (1) The following rules apply to determine whether, or to what extent, the revived gain is for taper relief purposes a gain on the disposal of a business asset or a gain on the disposal of a non-business asset.
 - (2) The revived gain is treated as a gain on the disposal of an asset which was acquired on the issue of the original shares and disposed of on the date of the relevant disposal.
 - (3) That asset is treated as being the original shares during the period for which they were held.
 - (4) That asset is treated as being any relevant re-investment shares during the period for which those shares were held, or so much of that period as is not an overlap period in relation to those shares.
 - (5) For the purposes of sub-paragraph (4) an “overlap period”, in relation to any relevant re-investment shares, means a period during which those shares and also—
 - (a) any of the original shares, or
 - (b) any relevant re-investment shares issued before the relevant re-investment shares in question,are held.

Savings

- 6
- The application of paragraphs 3 to 5 above in relation to the revived gain does not affect the treatment for the purposes of taper relief under section 2A of—
- (a) any gain which is treated as accruing in accordance with paragraph 4 of Schedule 5B at the same time as the revived gain, or
 - (b) any part of a gain where no expenditure was set under paragraph 2 of Schedule 5B against that part of the gain.

Relevant re-investment shares

- 7
- For the purposes of this Schedule—
- (a) shares are “re-investment shares” if expenditure on them is set under paragraph 2 of Schedule 5B against all or part of a gain; and
 - (b) re-investment shares are “relevant re-investment shares”, in relation to a revived gain, if—
 - (i) their disposal results in a gain being treated as accruing under paragraph 4 of Schedule 5B, and
 - (ii) that gain is the revived gain or a gain from which the revived gain is derived.

Derivation of gains

- 8
- For the purposes of this Schedule a gain (“the later gain”) is derived from another gain (“the earlier gain”) if—
- (a) the later gain is treated as accruing in accordance with paragraph 4 of Schedule 5B on the disposal of any shares, and
 - (b) expenditure on those shares has been set under paragraph 2 of Schedule 5B against all or part of the earlier gain or a gain which, by virtue of this paragraph, is derived from the earlier gain.

- (a) an asset is a business asset in relation to a company or a group if it is or is an interest in an asset used for the purposes of a trade, profession or vocation carried on by the company, or as the case may be by a member of the group; and
 - (b) an asset is a chargeable asset in relation to a company or a group at any time if, on a disposal at that time, a gain accruing to the company, or as the case may be to a member of the group, would be a chargeable gain.
- (3) Where the shares disposed of are shares of the holding company of a trading group, then for the purposes of this paragraph—
- (a) the holding by one member of the group of the ordinary share capital of another member shall not count as a chargeable asset, and
 - (b) if the whole of the ordinary share capital of a 51 per cent. subsidiary of the holding company is not owned directly or indirectly by that company, the value of the chargeable assets of the subsidiary shall be taken to be reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the amount of the ordinary share capital of the subsidiary owned directly or indirectly by the holding company, and

B is the whole of that share capital.

Application and construction of Schedule

- 1 (1) This Schedule shall have effect, in the case of a company which is or has been a member of a group of companies (“the relevant group”), in relation to any pre-entry losses of that company^[F331], but this Schedule shall have no effect in any case where section 184A (restrictions on buying losses: tax avoidance schemes) has effect in relation to those losses].
- (2) In this Schedule “pre-entry loss”, in relation to any company, means—
- (a) any allowable loss that accrued to that company at a time before it became a member of the relevant group; or
 - (b) the pre-entry proportion of any allowable loss accruing to that company on the disposal of any pre-entry asset;
- and for the purposes of this Schedule the pre-entry proportion of any loss shall be calculated in accordance with paragraphs 2 to 5 below.
- (3) In this Schedule “pre-entry asset”, in relation to any disposal, means (subject to sub-paragraph (4) below) any asset which was held, at the time immediately before ^[F332]the relevant event occurred in relation to it], by any company (whether or not

[In this paragraph references to the relevant event occurring in relation to a ^{F334}(3A) company—

(a) in a case in which—

(i) the company was resident in the United Kingdom at the time when it became a member of the relevant group, or

[in a case in which (whether or not paragraph (a)(i) also applies)—

(ii) the asset was transferred to the SE as part of the process of its formation by the merger by acquisition of two or more companies in accordance with Articles 2(1) and 17(2)(a) or (b) of Council Regulation (EC) 2157/2001 on the Statute for a European Company (Societas Europaea),

are references to the asset becoming a chargeable asset in relation to the SE or, if at the time of the formation of the SE the asset was a chargeable asset in relation to a company which ceased to exist as part of the process of the formation of the SE, to the asset becoming a chargeable asset in relation to that company;]

(b) in any other case, are references to whichever is the first of—

(i) the company becoming resident in the United Kingdom, or

(ii) the asset becoming a chargeable asset in relation to the company.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F336}10B][^{F337}(or, if the company is an SE, by reason of the asset having been transferred to the SE on its formation)] form part of its chargeable profits for corporation tax purposes.]

(4) Subject to paragraph 3 below, an asset is not a pre-entry asset if—

(a) the company which held the asset at the time [^{F338}the relevant event occurred in relation to it] is not the company which makes the disposal; and

(b) since that time that asset has been disposed of otherwise than by a disposal to which section 171 applies;

but (without prejudice to sub-paragraph (8) below) where, on a disposal to which section 171 does not apply, any asset would cease to be a pre-entry asset by virtue of this sub-paragraph but the company making the disposal retains any interest in or over the asset in question, that interest shall be a pre-entry asset for the purposes of this Schedule.

(5) References in this Schedule, in relation to a pre-entry asset, to the relevant time are references to the time when [^{F339}the relevant event occurred in relation to the company by reference to which that asset is a pre-entry asset]; and for the purposes of this Schedule—

if it would be a pre-entry asset by reference to that company in respect of any one of those occasions; but

- (b) references in the following provisions of this Schedule to the time when [^{F341}a relevant event occurred in relation to a company], in relation to assets held on more than one such occasion as is mentioned in paragraph (a) above, are references to the later or latest of those occasions.

(6) Subject to so much of sub-paragraph (6) of paragraph 9 below as requires groups of companies to be treated as separate groups for the purposes of that paragraph, if—

- (a) the principal company of a group of companies (“the first group”) has at any time become a member of another group (“the second group”) so that the two groups are treated as the same by virtue of subsection (10) [^{F342}or (10A)] of section 170, and
- (b) the second group, together in pursuance of that subsection with the first group, is the relevant group,

then, except where sub-paragraph (7) below applies, the members of the first group shall be treated for the purposes of this Schedule as having become members of the relevant group at that time, and not by virtue of that subsection at the times when they became members of the first group.

(7) This sub-paragraph applies where—

- (a) the persons who immediately before the time when the principal company of the first group became a member of the second group owned the shares comprised in the issued share capital of the principal company of the first group are the same as the persons who, immediately after that time, owned the shares comprised in the issued share capital of the principal company of the relevant group; and
- (b) the company which is the principal company of the relevant group immediately after that time—
 - (i) was not the principal company of any group immediately before that time; and
 - (ii) immediately after that time had assets consisting entirely, or almost entirely, of shares comprised in the issued share capital of the principal company of the first group.

(8) For the purposes of this Schedule, but subject to paragraph 3 below—

- (a) an asset acquired or held by a company at any time and an asset held at a later time by that company, or by any company which is or has been a member of the same group of companies as that company, shall be treated as the same asset if the value of the second asset is derived in whole or in part from the first asset; and
- (b) if—
 - (i) any asset is treated (whether by virtue of paragraph (a) above or otherwise) as the same as an asset held by a company at a later time, and
 - (ii) the first asset would have been a pre-entry asset in relation to that company,

the second asset shall also be treated as a pre-entry asset in relation to that company;

and paragraph (a) above shall apply, in particular, where the second asset is a freehold and the first asset is a leasehold the lessee of which acquires the reversion.

- (9) In determining for the purposes of this Schedule whether any allowable loss accruing to a company under section 116(10)(b) is a loss that accrued before the company became a member of the relevant group, any loss so accruing shall be deemed to have accrued at the time of the relevant transaction within the meaning of section 116(2).

Pre-entry proportion of losses on pre-entry assets

- 2 (1) Subject to paragraphs 3 to 5 below, the pre-entry proportion of an allowable loss accruing on the disposal of a pre-entry asset shall be whatever would be the allowable loss accruing on that disposal if that loss were the sum of the amounts determined, for every item of relevant allowable expenditure, according to the following formula—

$$A \times BC \times DE$$

- (2) In sub-paragraph (1) above, in relation to any disposal of a pre-entry asset—
- A is the total amount of the allowable loss;
 - [^{F343}B is the amount of the item of relevant allowable expenditure for which an amount falls to be determined under this paragraph;
 - C is the total amount of all the relevant allowable expenditure;]

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. D is the length of the period beginning with the relevant pre-entry date and ending with the relevant time or, if that date is after that time, nil; and

E is the length of the period beginning with the relevant pre-entry date and ending with the day of the disposal.

(3) In sub-paragraph (2) above “the relevant pre-entry date”, in relation to any item of relevant allowable expenditure, means whichever is the later of—

- (a) the date on which that item of expenditure is, or (on the ^{F344}assumptions applying by virtue of sub-paragraphs (4) to (6B)] below) would be, treated for the purposes of section 54 as having been incurred; and
- (b) 1st April 1982.

(4) Where any asset (“the second asset”) is treated by virtue of section 127 as the same as another asset (“the first asset”) previously held by any company, this paragraph and (so far as applicable) paragraph 3 below shall have effect, ^{F345}... —

- (a) as if any item of relevant allowable expenditure consisting in consideration given for the acquisition of the second asset had been incurred at the same time as the expenditure consisting in the consideration for the acquisition of the first asset; and
- (b) where there is more than one such time as if that item were incurred at those different times in the same proportions as the consideration for the acquisition of the first asset.

(5) Without prejudice to sub-paragraph (4) above, this paragraph shall have effect in relation to any asset which—

- (a) was held by a company at the time when it became a member of the relevant group, and
- (b) is treated as having been acquired by that company for such a consideration as secured that on the disposal in pursuance of which it was acquired neither a gain nor a loss accrued,

as if that company and every person who acquired that asset or the equivalent asset at a material time had been the same person and, accordingly, as if the asset had been acquired by that company when it or the equivalent asset was acquired by the first of those persons to have acquired it at a material time and the time at which any expenditure had been incurred were to be determined accordingly.

(6) In sub-paragraph (5) above, the reference, in relation to any asset, to a material time is a reference to any time which—

- (a) is before the occasion on which the company in question is treated as having acquired the asset for such a consideration as is mentioned in that sub-paragraph; and
- (b) is or is after the last occasion before that occasion on which any person acquired that asset or the equivalent asset otherwise than by virtue of an acquisition which—
 - (i) is treated as an acquisition for such a consideration; or
 - (ii) is the acquisition by virtue of which any asset is treated as the equivalent asset;

and this paragraph shall have effect in relation to any asset to which that sub-paragraph applies without regard to the provisions of section 56(2).

- (a) any company has at any time between the relevant time and the time of the disposal acquired that asset or the equivalent asset, and

the items of relevant allowable expenditure and the times when those items shall be treated as having been incurred shall be determined for the purposes of this paragraph on the assumptions specified in sub-paragraph (6B) below.

(6B) Those assumptions are that—

- (a) the company by reference to which the asset in question is a pre-entry asset, and
- (b) the company mentioned in sub-paragraph (6A) above and every other company which has made an acquisition which, in relation to the disposal of that asset, falls within that sub-paragraph,

were the same person and, accordingly, that the pre-entry asset had been acquired by the company disposing of it at the time when it or the equivalent asset would have been treated for the purposes of this paragraph as acquired by the company mentioned in paragraph (a) above.

as if the disposal on which the loss accrues were that disposal of the old asset which is assumed to have been made for the purposes of the calculation required by section 116(10)(a).

- (1) This paragraph shall apply (subject to paragraphs 4 and 5 below) where any assets acquired by any company fall to be treated with other assets as indistinguishable parts of the same asset (“a pooled asset”) and the whole or any part of that asset is referable to pre-entry assets.
 - (2) For the purposes of this Schedule, where a pooled asset has at any time contained a pre-entry asset—
 - (a) the pooled asset shall be treated, until all the pre-entry assets included in that asset have (on the assumptions for which this paragraph provides) been disposed of, as incorporating a part which is referable to pre-entry assets; and
 - (b) the size of that part shall be determined in accordance with the following provisions of this paragraph.
 - (3) Where there is a disposal of any part of a pooled asset and the proportion of the asset which is disposed of does not exceed the proportion of that asset which is represented by any part of it which is not, at the time of the disposal, referable to pre-entry assets, that disposal shall be deemed for the purposes of this Schedule to be confined to assets which are not pre-entry assets so that—
 - (a) except where paragraph 4(2) below applies, no part of any loss accruing on that disposal shall be deemed to be a pre-entry loss, and
 - (b) the part of the pooled asset which after the disposal is to be treated as referable to pre-entry assets shall be correspondingly increased.

paragraph (3) above, that disposal shall be deemed for the purposes of this Schedule to relate to pre-entry assets only so far as required for the purposes of the excess, so that—

- (a) any loss accruing on that disposal shall be deemed for the purposes of this Schedule to be an allowable loss on the disposal of a pre-entry asset;
 - (b) the pre-entry proportion of that loss shall be deemed (except where paragraph 4(3) below applies) to be the amount (so far as it does not exceed the amount of the loss actually accruing) which would have been the pre-entry proportion under paragraph 2 above of any loss accruing on the disposal of the excess if the excess were a separate asset; and
 - (c) the pooled asset shall be treated after the disposal as referable entirely to pre-entry assets.
- (5) Where there is a disposal of the whole of a pooled asset or of any part of a pooled asset which, at the time of the disposal, is referable entirely to pre-entry assets, paragraphs (a) and (b) of sub-paragraph (4) above shall apply to the disposal of the asset or the part as they apply in relation to the assumed disposal of the excess mentioned in that sub-paragraph but, in the case of the disposal of the whole of a pooled asset only a part of which is referable to pre-entry assets, as if the reference in paragraph (b) of that sub-paragraph to the excess were a reference to that part.

 - (d) subject to paragraphs (a) to (c) above, that a company disposes of assets in the order in which it acquired them.
- (8) Where in the case of any asset there is more than one date which is the relevant pre-entry date in relation to the consideration for its acquisition, the date taken into account for the purposes of sub-paragraph (7)(a) above shall be the date which is the earlier or earliest of those dates if any date which is the relevant pre-entry date in relation to the acquisition of an option to acquire that asset is disregarded.

- (a) any asset (“the latest asset”) falls (whether by virtue of paragraph 1(8) above or otherwise) to be treated as acquired at the same time as another asset (“the original asset”) which was acquired before the latest asset, and
 - (b) the latest asset is either comprised in a pooled asset a part of which is referable to pre-entry assets or is or includes an asset which is to be treated as so comprised,
- sub-paragraph (7) above shall apply not only in relation to the latest asset as if it were the original asset but also, in the first place, for identifying the asset which is to be treated as the original asset for the purposes of this paragraph.
- (11) Sub-paragraphs (3)(b) and (4)(c) above shall have effect in relation to any disposal without prejudice to the effect of any subsequent acquisition of assets falling to be treated as part of a pooled asset on the determination of whether, and to what extent, any part of that pooled asset is to be treated as referable to pre-entry assets.

Rule to prevent pre-entry losses on pooled assets being treated as post-entry losses

- 4 (1) This paragraph shall apply if—
- (a) there is a disposal of any part of a pooled asset which for the purposes of paragraph 3 above is treated as incorporating a part which is referable to pre-entry assets;
 - (b) the assets disposed of are or include assets (“the post-entry element of the disposal”) which for the purposes of that paragraph are treated as having been incorporated in the part of the pooled asset which is not referable to pre-entry assets;
 - (c) an allowable loss (“the actual loss”) accrues on the disposal; and
 - (d) the amount which in computing the allowable loss is allowed as a deduction of relevant allowable expenditure (“the expenditure actually allowed”) exceeds the relevant allowable expenditure attributable to the post-entry element of the disposal.
- (2) Subject to sub-paragraph (6) below, where the post-entry element of the disposal comprises all of the assets disposed of—
- (a) the actual loss shall be treated for the purposes of this Schedule as a loss accruing on the disposal of a pre-entry asset; and
 - (b) the pre-entry proportion of that loss shall be treated as being the amount (so far as it does not exceed the amount of the actual loss) by which the expenditure actually allowed exceeds the relevant allowable expenditure attributable to the post-entry element of the disposal.
- (3) Subject to sub-paragraph (6) below, where—
- (a) the actual loss is treated by virtue of paragraph 3 above as a loss accruing on the disposal of a pre-entry asset, and

- (b) the expenditure actually allowed exceeds the actual cost of the assets to which the disposal is treated as relating,
the pre-entry proportion of the loss shall be treated as being the amount which (so far as it does not exceed the amount of the actual loss) is equal to the sum of that excess and what would, apart from this paragraph and paragraph 5 below, be the pre-entry proportion of the loss accruing on the disposal.
- (4) For the purposes of sub-paragraph (3) above the actual cost of the assets to which the disposal is treated as relating shall be taken to be the sum of—
- (a) the relevant allowable expenditure attributable to the post-entry element of the disposal; and
 - (b) the amount which, in computing the pre-entry proportion of the loss in accordance with paragraph 3(4)(b) and (6) above, would be treated for the purposes of C in the formula in paragraph 2(1) above as the total amount allowable as a deduction of relevant allowable expenditure in respect of such of the assets disposed of as are treated as having been incorporated in the part of the pooled asset which is referable to pre-entry assets.
- (5) Without prejudice to sub-paragraph (6) below, where sub-paragraph (2) or (3) above applies for the purpose of determining the pre-entry proportion of any loss, no election shall be capable of being made under paragraph 5 below for the purpose of enabling a different amount to be taken as the pre-entry proportion of that loss.
- (6) Where—
- (a) the pre-entry proportion of the loss accruing to any company on the disposal of any part of a pooled asset falls to be determined under sub-paragraph (2) or (3) above,
 - (b) the amount determined under that sub-paragraph exceeds the amount determined under sub-paragraph (7) below (“the alternative pre-entry loss”), and
 - (c) the company makes an election for the purposes of this sub-paragraph,
- the pre-entry proportion of the loss determined under sub-paragraph (2) or (3) above shall be reduced to the amount of the alternative pre-entry loss.
- (7) For the purposes of sub-paragraph (6) above the alternative pre-entry loss is whatever apart from this paragraph would have been the pre-entry proportion of the loss on the disposal in question, if for the purposes of this Schedule the identification of the assets disposed of were to be made disregarding the part of the pooled asset which was not referable to pre-entry assets, except to the extent (if any) by which the part referable to pre-entry assets fell short of what was disposed of.
- (8) An election for the purposes of sub-paragraph (6) above with respect to any loss shall be made by the company to which the loss accrued by notice to the inspector given within—
- (a) the period of two years beginning with the end of the accounting period of that company in which the disposal is made on which the loss accrues; or
 - (b) such longer period as the Board may by notice allow;
- and paragraph 5 below may be taken into account under sub-paragraph (7) above in determining the amount of the alternative pre-entry loss as if an election had been made under that paragraph but shall be so taken into account only if the election for the purposes of sub-paragraph (6) above contains an election corresponding to the election that, apart from this paragraph, might have been made under that paragraph.

- (9) For the purposes of this paragraph the relevant allowable expenditure attributable to the post-entry element of the disposal shall be the amount which, in computing any allowable loss accruing on a disposal of that element as a separate asset, would have been allowed as a deduction of relevant allowable expenditure if none of the assets comprised in that element had ever been comprised in a pooled asset with any assets other than those which are taken to constitute that separate asset for the purposes of this sub-paragraph.
- (10) For the purpose of identifying the assets which are to be treated for the purposes of sub-paragraph (9) above as comprised in the post-entry element of the disposal, a company shall be taken to dispose of assets in the order in which it acquired them.
- (11) Paragraph 3(9) above shall apply for the purposes of sub-paragraph (9) above as it applies for the purposes of the application as mentioned in paragraph 3(9) above of the formula so mentioned; and paragraph 3(10) above shall apply for the purposes of this paragraph in relation to sub-paragraph (10) above as it applies for the purposes of paragraph 3 above in relation to sub-paragraph (7) of that paragraph.

- 9 (1) This paragraph shall apply where there is more than one group of companies which would be the relevant group in relation to any company.

- (b) so that, where the loss accruing on the disposal of any asset is a pre-entry loss by virtue of paragraph 1(2)(a) above in the case of any of the connected groups, that loss shall be the pre-entry loss for the purposes of paragraph 6 above, and not any amount which is the pre-entry proportion of that loss in relation to any of the other groups.
- (5) Where, on the separate application of this Schedule in the case of each of the groups by reference to which this Schedule applies, there is, in the case of the disposal of any asset, a pre-entry loss by reference to each of two or more of the connected groups, no amount in respect of the loss accruing on the disposal shall be deductible under paragraph 7 above from any chargeable gain if any of the connected groups is a group in the case of which, on separate applications of that paragraph in relation to each group, the amount deductible from that gain in respect of that loss is nil.
- (6) Notwithstanding that the principal company of one group (“the first group”) has become a member of another (“the second group”), those two groups shall not by virtue of section 170(10) [^{F353} or (10A)] be treated [^{F354} in relation to any company that is or has become a member of the second group (“the relevant company”) as the same group for the purposes of this paragraph if—

- this paragraph shall have effect as if that principal company had been a member of each of the groups mentioned in paragraph (a) above.

PART 1

THE EXEMPTIONS

The main exemption

- 1 (1) A gain accruing to a company (“the investing company”) on a disposal of shares or an interest in shares in another company (“the company invested in”) is not a chargeable gain if the requirements of this Schedule are met.
- (2) The requirements are set out in—
 Part 2 (the substantial shareholding requirement), and
 Part 3 (requirements to be met in relation to the investing company and the company invested in).
- (3) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of asset related to shares where main exemption conditions met

- 2 (1) A gain accruing to a company (“company A”) on a disposal of an asset related to shares in another company (“company B”) is not a chargeable gain if either of the following conditions is met.
- (2) The first condition is that—
 (a) immediately before the disposal company A holds shares or an interest in shares in company B, and
 (b) any gain accruing to company A on a disposal at that time of the shares or interest would, by virtue of paragraph 1, not be a chargeable gain.
- (3) The second condition is that—
 (a) immediately before the disposal company A does not hold shares or an interest in shares in company B but is a member of a group and another member of that group does hold shares or an interest in shares in company B, and
 (b) if company A, rather than that other company, held the shares or interest, any gain accruing to company A on a disposal at that time of the shares or interest would, by virtue of paragraph 1, not be a chargeable gain.
- (4) Where assets of a company are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. or otherwise, this paragraph applies as if the assets were vested in, and the acts of the liquidator in relation to the assets were the acts of, the company (acquisitions from or disposals to him by the company being disregarded accordingly).

- (5) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of shares or related asset where main exemption conditions previously met

- 3 (1) A gain accruing to a company (“company A”) on a disposal of shares, or an interest in shares or an asset related to shares, in another company (“company B”) is not a chargeable gain if the following conditions are met.
- (2) The conditions are—
- (a) that at the time of the disposal company A meets the requirement in paragraph 7 (the substantial shareholding requirement) in relation to company B;
 - (b) that a chargeable gain or allowable loss would, apart from this paragraph, accrue to company A on the disposal (but see sub-paragraph (3) below);
 - (c) that at the time of the disposal—
 - (i) company A is resident in the United Kingdom, or
 - (ii) any chargeable gain accruing to company A on the disposal would, by virtue of [^{F358}section 10B], form part of that company’s chargeable profits for corporation tax purposes;
 - (d) that there was a time within the period of two years ending with the disposal (“the relevant period”) when, if—
 - (i) company A, or
 - (ii) a company that at any time in the relevant period was a member of the same group as company A, had disposed of shares or an interest in shares in company B that it then held, a gain accruing would, by virtue of paragraph 1, not have been a chargeable gain; and
 - (e) that, if at the time of the disposal the requirements of paragraph 19 (requirements relating to company invested in) are not met in relation to company B, there was a time within the relevant period when company B was controlled by—
 - (i) company A, or
 - (ii) company A together with any persons connected with it, or
 - (iii) a company that at any time in the relevant period was a member of the same group as company A, or
 - (iv) any such company together with any persons connected with it.
- (3) Sub-paragraph (1) does not apply if—
- (a) the condition in sub-paragraph (2)(b) is met but would not be met but for a failure to meet the requirement in paragraph 18(1)(b) (requirement as to investing company to be met immediately after the disposal), and
 - (b) the failure to meet that requirement is not due to—
 - (i) the fact that company A has been wound up or dissolved, or

- (ii) where the winding up or dissolution takes place as soon as is reasonably practicable in the circumstances, the fact that company A is about to be wound up or dissolved.
- (4) In determining for the purpose of sub-paragraph (2)(d) whether a gain accruing on the hypothetical disposal referred to would have been a chargeable gain, the requirements of paragraph 18(1)(b) and of paragraph 19(1)(b) (requirement as to company invested in to be met immediately after the disposal) shall be assumed to be met.
- (5) Where—
- (a) immediately before the disposal company B holds an asset,
 - (b) the expenditure allowable in computing any gain or loss on that asset, were it to be disposed of by company B immediately before that disposal, would fall to be reduced because of a claim to relief under section 165 (gifts relief) in relation to an earlier disposal, and
 - (c) that earlier disposal took place within the relevant period,
- sub-paragraph (1) does not prevent a gain accruing to company A on the disposal from being a chargeable gain but any loss so accruing is not an allowable loss.
- (6) Where assets of company B are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, sub-paragraph (5)(a) applies as if the assets were vested in the company.
- (7) In determining “the relevant period” for the purposes of sub-paragraph (2)(d) or (e) or sub-paragraph (5)(c), section 28 (time of disposal under contract) applies with the omission of subsection (2) (postponement of time of disposal in case of conditional contract).
- (8) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

[^{F362}SCHEDULE 7AD

GAINS OF INSURANCE COMPANY FROM VENTURE CAPITAL INVESTMENT PARTNERSHIP

Textual Amendments

F362 Sch. 7AD inserted (24.7.2002) by Finance Act 2002 (c. 23), s. 85(2), Sch. 31

Introduction

- 1 This Schedule applies where the assets of the long-term insurance fund of an insurance company (“the company”) include assets held by the company as a limited partner in a venture capital investment partnership (“the partnership”).

Meaning of “venture capital investment partnership”

- 2 (1) A “venture capital investment partnership” means a partnership in relation to which the following conditions are met.
- (2) The first condition is that the sole or main purpose of the partnership is to invest in unquoted shares or securities.
- This condition shall not be regarded as met unless it appears from—
- (a) the agreement constituting the partnership, or
 - (b) any prospectus issued to prospective partners,
- that that is the sole or main purpose of the partnership.
- (3) The second condition is that the partnership does not carry on a trade.
- (4) The third condition is that not less than 90% of the book value of the partnership’s investments is attributable to investments that are either—
- (a) shares or securities that were unquoted at the time of their acquisition by the partnership, or
 - (b) shares that were quoted at the time of their acquisition by the partnership but which it was reasonable to believe would cease to be quoted within the next twelve months.
- (5) For the purposes of the third condition—
- (a) the following shall be disregarded—
 - (i) any holding of cash, including cash deposited in a bank account or similar account but not cash acquired wholly or partly for the purpose of realising a gain on its disposal;
 - (ii) any holding of quoted shares or securities acquired by the partnership in exchange for unquoted shares or securities;

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) whether the 90% test is met shall be determined by reference to the values shown in the partnership's accounts at the end of a period of account of the partnership.

(6) Where a partnership ceases to meet the above conditions, the company shall be treated as if the partnership had continued to be a venture capital investment partnership until the end of the period of account of the partnership during which it ceased to meet the conditions.

(7) A partnership that ceases to meet those conditions cannot qualify again as a venture capital investment partnership.

For this purpose a partnership is treated as the same partnership notwithstanding a change in membership if any person who was a member before the change remains a member.

Interest in relevant assets of partnership treated as single asset

3 (1) Where this Schedule applies section 59 (partnerships) does not have effect to make the company chargeable on its share of gains accruing on each disposal of relevant assets of the partnership.

(2) Instead—

(a) the company's interest in relevant assets of the partnership is treated as a single asset ("the single asset") acquired by the company when it became a member of the partnership, and

(b) the following provisions of this Schedule have effect.

(3) For the purposes of this Schedule the "relevant assets" of the partnership are the shares and securities held by the partnership, other than qualifying corporate bonds.

(4) Nothing in this Schedule shall be read—

(a) as affecting the operation of section 59 in relation to partners who are not insurance companies carrying on long-term business or are not limited partners, or

(b) as imposing any liability on the partnership as such.

The cost of the single asset

4 (1) The company is treated as having given, wholly and exclusively for the acquisition of the single asset, consideration equal to the amount of capital contributed by it on becoming a member of the partnership.

(2) Any further amounts of capital contributed by it to the partnership are treated on a disposal of the single asset as expenditure incurred wholly and exclusively on the asset for the purpose of enhancing its value and reflected in its state or nature at the time of the disposal.

(3) Where the investments of the partnership include qualifying corporate bonds, the amount to be taken into account under sub-paragraph (1) or (2) is proportionately reduced.

(4) The reduction is made by applying to that amount the fraction:

where—

A is the book value of all shares and securities held by the partnership at the end of the period of account of the partnership in which the amount of capital in question is fully invested by the partnership, and

B is the book value of all qualifying corporate bonds held by the partnership at the end of that period of account.

- (5) For the purposes of sub-paragraph (4) the “book value” means the value shown in the partnership’s accounts at the end of the period of account.

Deemed disposal of single asset in case of distribution

- 5 (1) There is a disposal of the single asset on each occasion on which the company receives a distribution from the partnership that does not consist entirely of income or the proceeds of sale or redemption of assets that are not relevant assets.

- (2) The disposal is taken to be for a consideration equal to the amount of the distribution or of so much of it as does not consist of income or the proceeds of sale or redemption of assets that are not relevant assets.

- (3) Where—

- (a) the partnership disposes of relevant assets on which a chargeable gain or allowable loss would accrue if they were held by the company alone, and
 (b) no distribution of the proceeds of the disposal is made within twelve months of the disposal,

the company is treated as having received its share of the proceeds as a distribution at the end of the period of account of the partnership following that in which the disposal took place, or at the end of the period of six months after the date of the disposal, whichever is the later.

- (4) The operation of sub-paragraph (3) is not affected by the partnership having ceased to be a venture capital investment partnership before the time at which the distribution is treated as received by the company.

- (5) Where sub-paragraph (3) applies, any subsequent actual distribution of the proceeds is disregarded.

Apportionment in case of part disposal

- 6 (1) For the purposes of section 42 (apportionment of cost etc in case of part disposal) the market value of the property remaining undisposed of on a part disposal of the single asset shall be determined as follows.

- (2) If there is no further disposal of that asset in the period of account in which the part disposal in question takes place, the market value of the property remaining undisposed of shall be taken to be equal to the company’s share of the book value of the relevant assets of the partnership as shown in the partnership’s accounts at the end of that period of account.

- (3) If there is a further disposal of that asset in the period of account in which the part disposal in question takes place, or more than one, the market value of the property remaining undisposed of shall be taken to be equal to the sum of—

- (a) the amount or value of the consideration on the further disposal or, as the case may be, the total amount or value of the consideration on the further disposals, and
- (b) the amount (if any) of the company's share of the book value of the relevant assets of the partnership as shown in the partnership's accounts at the end of that period of account.

Disposal of partnership asset giving rise to offshore income gain

- 7 (1) Nothing in this Schedule shall be read as affecting the operation of Chapter 5 of Part 17 of the Taxes Act (offshore funds).
- (2) Where an offshore income gain accrues to the company under that Chapter from the disposal of any relevant asset of the partnership, the amount of any distribution received or treated as received by the company from the partnership that represents the whole or part of the proceeds of disposal of that asset is treated for the purposes of this Schedule as reduced by the amount of the whole or a corresponding part of the offshore income gain.

Exclusion of negligible value claim

- 8 No claim may be made in respect of the single asset under section 24(2) (assets that have become of negligible value).

Investment in other venture capital investment partnerships

- 9 (1) For the purposes of paragraph 2 (meaning of “venture capital investment partnership”) an investment by way of capital contribution to another venture capital investment partnership shall be treated as an investment in unquoted shares or securities.
- (2) The Treasury may by regulations make provision, in place of but corresponding to that made by paragraphs 3 to 8, in relation to gains accruing on a disposal of relevant assets by such a partnership.
- (3) The regulations may make provision for any period of account to which, in accordance with paragraphs 11 to 13, this Schedule applies.

LEASES

Modifications etc. (not altering text)

C11 Sch. 8 modified (with effect in accordance with s. 39(4)(a)(5) of the amending Act) by [Finance Act 1995](#) (c. 4), s. 39(3), [Sch. 6 para. 37](#)

Leases of land as wasting assets: curved line restriction of allowable expenditure

- 1 (1) A lease of land shall not be a wasting asset until the time when its duration does not exceed 50 years.
- (2) If at the beginning of the period of ownership of a lease of land it is subject to a sublease not at a rackrent and the value of the lease at the end of the duration of the sublease, estimated as at the beginning of the period of ownership, exceeds the expenditure allowable under section 38(1)(a) in computing the gain accruing on a disposal of the lease, the lease shall not be a wasting asset until the end of the duration of the sublease.

Status: Point in time view as at 29/11/2007.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 September 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) In the case of a wasting asset which is a lease of land the rate at which expenditure is assumed to be written off shall, instead of being a uniform rate as provided by section 46, be a rate fixed in accordance with the Table below.
- (4) Accordingly, for the purposes of the computation of the gain accruing on a disposal of a lease, and given that —
- (a) the percentage derived from the Table for the duration of the lease at the beginning of the period of ownership is P(1),
 - (b) the percentage so derived for the duration of the lease at the time when any item of expenditure attributable to the lease under section 38(1)(b) is first reflected in the nature of the lease is P(2), and
 - (c) the percentage so derived for the duration of the lease at the time of the disposal is P(3), then—
 - (i) there shall be excluded from the expenditure attributable to the lease under section 38(1)(a) a fraction equal to —

$$\frac{P(1) - P(3)}{P(1)},$$

and

- (ii) there shall be excluded from any item of expenditure attributable to the lease under section 38(1)(b) a fraction equal to—

$$\frac{P(2) - P(3)}{P(2)}.$$

- (5) This paragraph applies notwithstanding that the period of ownership of the lease is a period exceeding 50 years and, accordingly, no expenditure shall be written off under this paragraph in respect of any period earlier than the time when the lease becomes a wasting asset.
- (6) Section 47 shall apply in relation to this paragraph as it applies in relation to section 46.

If the duration of the lease is not an exact number of years the percentage to be derived from the Table above shall be the percentage for the whole number of years plus one-twelfth of the difference between that and the percentage for the next higher number of years for each odd month counting an odd 14 days or more as one month.

Disposal before acquisition

21 The substitution of this Act for the corresponding enactments repealed by this Act shall not alter the effect of any provision enacted before this Act (whether or not there is a corresponding provision in this Act) so far as it relates to an asset which—

Amendments in other Acts

- 24 (1) The repeal by this Act of the Income and Corporation Taxes Act 1970 does not affect—

27 Where the acquisition or provision of any asset by one person was, immediately before the commencement of this paragraph and by virtue of any enactment, to be taken for the purposes of Schedule 5 to the 1979 Act to be the acquisition or disposal of it by another person, then, notwithstanding the repeal by this Act of that enactment, Schedule 2 to this Act shall also have effect as if the acquisition or provision of the asset by the first-mentioned person had been the acquisition or provision of it by that other person.
