

# Taxation of Chargeable Gains Act 1992

## 1992 CHAPTER 12

### PART IV

SHARES, SECURITIES, OPTIONS ETC.

### CHAPTER I

GENERAL

*Share pooling, identification of securities, and indexation*

#### **110 New holdings: indexation allowance.**

- (1) This section and section 114—
  - (a) apply in place of section 54 in relation to a disposal of a new holding for the purpose of computing the indexation allowance;
  - (b) have effect subject to sections 105 and 106.
- (2) On any disposal of a new holding, other than a disposal of the whole of it—
  - (a) the qualifying expenditure and the indexed pool of expenditure shall each be apportioned between the part disposed of and the remainder in the same proportions as, under this Act, the relevant allowable expenditure is apportioned; and
  - (b) the indexation allowance is the amount by which the portion of the indexed pool which is attributed to the part disposed of exceeds the portion of the qualifying expenditure which is attributed to that part.
- (3) On a disposal of the whole of a new holding, the indexation allowance is the amount by which the indexed pool of expenditure at the time of the disposal exceeds the qualifying expenditure at that time.

---

*Status: Point in time view as at 06/04/1992. This version of this provision has been superseded.*

*Changes to legislation: Taxation of Chargeable Gains Act 1992, Section 110 is up to date with all changes known to be in force on or before 16 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

---

- (4) In relation to a new holding, the qualifying expenditure is at any time the amount which would be the aggregate of the relevant allowable expenditure in relation to a disposal of the whole of the holding occurring at that time.
- (5) Subject to subsection (6) below and section 114 the indexed pool of expenditure shall come into being at the time that the holding comes into being or, if it is earlier, when any of the qualifying expenditure is incurred and shall at the time it comes into being be the same as the qualifying expenditure at that time.
- (6) In relation to a new holding which was in existence immediately before the coming into force of this section, the indexed pool of expenditure on the coming into force of this section shall be the same as it was for the purposes of Part III of Schedule 19 to the <sup>M1</sup>Finance Act 1985 immediately before then.
- (7) Any reference below to an operative event is a reference to any event (whether a disposal or otherwise) which has the effect of reducing or increasing the qualifying expenditure referable to the new holding.
- (8) Whenever an operative event occurs—
- (a) there shall be added to the indexed pool of expenditure the indexed rise, as calculated under subsection (10) or (11) below, in the value of the pool since the last operative event or, if there has been no previous operative event, since the pool came into being; and
  - (b) if the operative event results in an increase in the qualifying expenditure then, in addition to any increase under paragraph (a) above, the same increase shall be made to the indexed pool of expenditure; and
  - (c) if the operative event is a disposal resulting in a reduction in the qualifying expenditure, the indexed pool of expenditure shall be reduced in the same proportion as the qualifying expenditure is reduced; and
  - (d) if the operative event results in a reduction in the qualifying expenditure but is not a disposal, the same reduction shall be made to the indexed pool of expenditure.
- (9) Where the operative event is a disposal—
- (a) any addition under subsection (8)(a) above shall be made before the calculation of the indexation allowance under subsection (2) above; and
  - (b) the reduction under subsection (8)(c) above shall be made after that calculation.
- (10) At the time of any operative event, the indexed rise in the indexed pool of expenditure is a sum produced by multiplying the value of the pool immediately before the event by a figure expressed as a decimal and determined, subject to subsection (11) below, by the formula—

$$\frac{RE - RL}{RL}$$

where—

RE is the retail prices index for the month in which the operative event occurs;  
and

*Changes to legislation: Taxation of Chargeable Gains Act 1992, Section 110 is up to date with all changes known to be in force on or before 16 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

---

RL is the retail prices index for the month in which occurred the immediately preceding operative event or, if there has been no such event, in which the indexed pool of expenditure came into being.

(11) If RE, as defined in subsection (10) above, is equal to or less than RL, as so defined, the indexed rise is nil.
