2 Retrospective effect of provisions making entitlement to benefit dependent on claim.

- (1) This section applies where a claim for benefit is made or treated as made at any time on or after 2nd September 1985 (the date on which section 154A of the 1975 Act (general provision as to necessity of claim for entitlement to benefit), as originally enacted, came into force) in respect of a period the whole or any part of which falls on or after that date.
- (2) Where this section applies, any question arising as to—
- (a) whether the claimant is or was at any time (whether before, on or after 2nd September 1985) entitled to the benefit in question, or to any other benefit on which his entitlement to that benefit depends; or
 - (b) in a case where the claimant’s entitlement to the benefit depends on the entitlement of another person to a benefit, whether that other person is or was so entitled,
- shall be determined as if the relevant claim enactment and any regulations made under or referred to in that enactment had also been in force, with any necessary modifications, at all times relevant for the purpose of determining the entitlement of the claimant, and, where applicable, of the other person, to the benefit or benefits in question (including the entitlement of any person to any benefit on which that entitlement depends, and so on).
- (3) In this section “the relevant claim enactment” means section 1 above as it has effect in relation to the claim referred to in subsection (1) above.

(4) In any case where—

- (a) a claim for benefit was made or treated as made (whether before, on or after 2nd September 1985, and whether by the same claimant as the claim referred to in subsection (1) above or not), and benefit was awarded on that claim, in respect of a period falling wholly or partly before that date; but
- (b) that award would not have been made had the current requirements applied in relation to claims for benefit, whenever made, in respect of periods before that date; and
- (c) entitlement to the benefit claimed as mentioned in subsection (1) above depends on whether the claimant or some other person was previously entitled or treated as entitled to that or some other benefit,

then, in determining whether the conditions of entitlement to the benefit so claimed are satisfied, the person to whom benefit was awarded as mentioned in paragraphs (a) and (b) above shall be taken to have been entitled to the benefit so awarded, notwithstanding anything in subsection (2) above.

(5) In subsection (4) above “the current requirements” means—

- (a) the relevant claim enactment, and any regulations made under or referred to in that enactment, or referred to in it, as in force at the time of the claim referred to in subsection (1) above, with any necessary modifications; and

 - (a) in relation to industrial injuries benefit, whether the relevant accident has resulted in a loss of faculty;
 - (b) in relation to both benefits, at what degree the extent of disablement resulting from a loss of faculty is to be assessed, and what period is to be taken into account by the assessment;
 but questions relating to the aggregation of percentages of disablement resulting from different accidents are not disablement questions (and accordingly fall to be determined by an adjudication officer).

- (3) Where—
- (a) the case of a claimant for disablement benefit has been referred by the adjudication officer to one or more adjudicating medical practitioners for determination of the disablement questions; and
 - (b) on that or any subsequent reference, the extent of the disablement is provisionally assessed,
- the case shall again be referred under this section, to one or more adjudicating medical practitioners as regulations may provide for the purposes of such subsequent references, not later than the end of the period taken into account by the provisional assessment.
- (4) Where, in the case of a claimant for disablement benefit, the extent of any disablement of his resulting from an aggregable accident (that is to say, an accident other than the one which is the basis of the claim in question) has been assessed in accordance with paragraph 6(3) of Schedule 6 to the Contributions and Benefits Act at less than 14 per cent., then—
- (a) the adjudication officer may refer the disablement questions relating to the aggregable accident to one or more adjudicating medical practitioners for fresh determination; and
 - (b) on any such reference—
 - (i) those questions shall be determined as at the first day of the common period; and
 - (ii) the period to be taken into account shall be the period beginning with that day.
- (5) In subsection (4) above “the first day of the common period” means whichever is the later of—
- (a) the first day of the period taken into account by the assessment of the extent of the claimant’s disablement resulting from the accident which is the basis of the claim in question;
 - (b) the first day of the period taken into account by the assessment of the extent of his disablement resulting from the aggregable accident.
- (6) In the following provisions of this Act “adjudicating medical practitioner” means, in relation to any case, one such practitioner, unless regulations applicable to cases of that description provide for references to more than one.

(2) Subject to subsection (3) below, if the claimant is dissatisfied with the decision of the adjudicating medical practitioner, he may appeal in the prescribed manner and within the prescribed time, and the case shall be referred to a medical appeal tribunal.

(3) If—

- (a) the Department notifies the adjudication officer within the prescribed time that it is of the opinion that any decision of the adjudicating medical practitioner ought to be considered by a medical appeal tribunal; or
- (b) the adjudication officer is of the opinion that any such decision ought to be so considered,

the adjudication officer shall refer the case to a medical appeal tribunal for their consideration, and the tribunal may confirm, reverse or vary the decision in whole or in part as on an appeal.

(2) Any decision under this Act of an adjudicating medical practitioner may be reviewed at any time by such a practitioner if he is satisfied that the decision was erroneous in point of law.

(3) Regulations may provide that a decision may not be reviewed under subsection (1) above unless the adjudicating medical practitioner is satisfied as mentioned in that subsection by fresh evidence.

(4) Any assessment of the extent of the disablement resulting from the relevant loss of faculty may also be reviewed by an adjudicating medical practitioner if he is satisfied that since the making of the assessment there has been an unforeseen aggravation of the results of the relevant injury.

(5) Where in connection with a claim for disablement benefit made after 20th October 1953 it is decided that the relevant accident has not resulted in a loss of faculty, the decision—

- (a) may be reviewed under subsection (4) above as if it were an assessment of the extent of disablement resulting from a relevant loss of faculty; but
- (b) subject to any further decision on appeal or review, shall be treated as deciding the question whether the relevant accident had so resulted both for the time about which the decision was given and for any subsequent time.

(6) For the purposes of subsection (5) above, a final assessment of the extent of the disablement resulting from a loss of faculty made for a period limited by reference to a definite date shall be treated as deciding that at that date the relevant accident had not resulted in a loss of faculty.

(7) An assessment made, confirmed or varied by a medical appeal tribunal shall not be reviewed under subsection (4) above without the leave of a medical appeal tribunal, and (notwithstanding the provisions of Part V of the Contributions and Benefits Act) on a review under that subsection the period to be taken into account by any revised

- (8) Subject to the foregoing provisions of this section, an adjudicating medical practitioner may deal with a case on a review in any manner in which he could deal with it on an original reference to him, and in particular may in any case relating to disablement benefit make a provisional assessment notwithstanding that the assessment under review was final.
- (9) Section 44 above applies to an application for a review under this section and to a decision of an adjudicating medical practitioner in connection with such an application as it applies to an original claim for disablement benefit or severe disablement allowance, as the case may be, and to a decision of an adjudicating medical practitioner in connection with such a claim.
- (10) In subsection (6) above the reference to a final assessment does not include an assessment made for the purpose of section 12(1)(a) or (b) of the ^{M3}National Insurance (Industrial Injuries) Act (Northern Ireland) 1946 as originally enacted and having the effect that benefit is not payable.

(4) Where an amount could have been recovered by abatement by virtue of subsection (2) or (3) above but has not been so recovered, the Department may recover it otherwise than by way of abatement—

Recovery from damages, etc. of sums equivalent to benefit

78 Recovery of sums equivalent to benefit from compensation payments in respect of accidents, injuries and diseases.

- (1) A person (“the compensator”) making a compensation payment, whether on behalf of himself or another, in consequence of an accident, injury or disease suffered by any other person (“the victim”) shall not do so until the Department has furnished him with a certificate of total benefit and shall then—
- (a) deduct from the payment an amount, determined in accordance with the certificate of total benefit, equal to the gross amount of any relevant benefits paid or likely to be paid to or for the victim during the relevant period in respect of that accident, injury or disease;
 - (b) pay to the Department an amount equal to that which is required to be so deducted; and
 - (c) furnish the person to whom the compensation payment is or, apart from this section, would have been made (“the intended recipient”) with a certificate of deduction.
- (2) Any right of the intended recipient to receive the compensation payment in question shall be regarded as satisfied to the extent of the amount certified in the certificate of deduction.

Payments, deductions and certificates

79 Time for making payment to Department.

The compensator’s liability to make the relevant payment arises immediately before the making of the compensation payment, and he shall make the relevant payment before the end of the period of 14 days following the day on which the liability arises.

80 The certificate of total benefit.

- (1) It shall be for the compensator to apply to the Department for the certificate of total benefit and he may, subject to subsection (5) below, from time to time apply for fresh certificates.
- (2) The certificate of total benefit shall specify—
- (a) the amount which has been, or is likely to be, paid on or before a specified date by way of any relevant benefit which is capable of forming part of the total benefit;
 - (b) where applicable—
 - (i) the rate of any relevant benefit which is, has been, or is likely to be paid after the date so specified and which would be capable of forming part of the total benefit; and
 - (ii) the intervals at which any such benefit is paid and the period for which it is likely to be paid;
 - (c) the amounts (if any) which, by virtue of the recoupment provisions, are to be treated as increasing the total benefit; and
 - (d) the aggregate amount of any relevant payments made on or before a specified date (reduced by so much of that amount as has been paid by the Department

to the intended recipient before that date in consequence of the recoupment provisions).

- (3) On issuing a certificate of total benefit, the Department shall be taken to have certified the total benefit as at every date for which it is possible to calculate an amount that would, on the basis of the information so provided, be the total benefit as at that date, on the assumption that payments of benefit are made on the days on which they first become payable.
- (4) The Department may estimate, in such manner as it thinks fit, any of the amounts, rates or periods specified in the certificate of total benefit.
- (5) A certificate of total benefit shall remain in force until such date as may be specified in the certificate for that purpose and no application for a fresh certificate shall be made before that date.
- (6) Where a certificate ceases to be in force, the Department may issue a fresh certificate, whether or not an application has been made to it for such a certificate.
- (7) The compensator shall not make the compensation payment at any time when there is no certificate of total benefit in force in respect of the victim, unless his liability to make the relevant deduction and the relevant payment has ceased to be enforceable by virtue of section 92 below.

81 Exemption from deduction in cases involving small payments.

- (1) Regulations may make provision exempting persons from liability to make the relevant deduction or the relevant payment in prescribed cases where the amount of the compensation payment in question, or the aggregate amount of two or more connected compensation payments, does not exceed the prescribed sum.
- (2) Regulations may make provision for cases where an amount has been deducted and paid to the Department which, by virtue of regulations under subsection (1) above, ought not to have been so deducted and paid, and any such regulations may, in particular, provide for the Department to pay that amount to the intended recipient or the compensator or to pay a prescribed part of it to each of them.
- (3) The reference in section 77(3)(a) above to a “small payment” is a reference to a payment from which by virtue of this section no relevant deduction falls to be made.
- (4) For the purposes of this section—
 - (a) two or more compensation payments are “connected” if each is made to or in respect of the same victim and in respect of the same accident, injury or disease; and
 - (b) any reference to a compensation payment is a reference to a payment which would be such a payment apart from section 77(3)(a) above.

82 Multiple compensation payments.

- (1) This section applies where—
 - (a) a compensation payment (an “earlier payment”) has been made to or in respect of the victim; and

Status: Point in time view as at 07/10/1996. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Social Security Administration (Northern Ireland) Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. - (b) subsequently another such payment (a “later payment”) falls to be made to or in respect of the same victim in respect of the same accident, injury or disease (whether by the same or another compensator).
- (2) In determining the amount of the relevant deduction and payment required to be made in connection with the later payment, the amount referred to in section 78(1)(a) above shall be reduced by the amount of any relevant payment made in connection with the earlier payment, or, if more than one, the aggregate of those relevant payments.
- (3) In relation to the later payment, the compensator shall take the amount of the reduction required by subsection (2) above to be such as may be specified under section 80(2)(d) above in the certificate of total benefit issued to him in connection with that later payment.
- (4) In any case where—
 - (a) the relevant payment made in connection with an earlier payment is not reflected in the certificate of total benefit in force in relation to a later payment, and
 - (b) in consequence, the aggregate of the relevant payments made in relation to the later payment and every earlier payment exceeds what it would have been had that relevant payment been so reflected,
 the Department shall pay the intended recipient an amount equal to the excess.
- (5) In determining any rights and liabilities in respect of contribution or indemnity, relevant payments shall be treated as damages paid to or for the intended recipient in respect of the accident, injury or disease in question.

83 Collaboration between compensators.

- (1) This section applies where compensation payments in respect of the same accident, injury or disease fall (or apart from the recoupment provisions would fall) to be made to or in respect of the same victim by two or more compensators.
- (2) Where this section applies, any two or more of those compensators may give the Department notice that they are collaborators in respect of compensation payments in respect of that victim and that accident, injury or disease.
- (3) Where such a notice is given and any of the collaborators makes a relevant payment in connection with such a compensation payment, each of the other collaborators shall be treated as if the aggregate amount of relevant payments specified in his certificate of total benefit, as in force at the time of that relevant payment, or in a fresh certificate which does not purport to reflect the payment, were increased by the amount of that payment.

84 Structured settlements.

- (1) This section applies where—
 - (a) in final settlement of a person’s claim, an agreement is entered into—
 - (i) for the making of periodical payments (whether of an income or capital nature) to or in respect of the victim; or
 - (ii) for the making of such payments and one or more lump sum payments; and

- (b) apart from this section, those payments would fall to be regarded for the purposes of the recoupment provisions as compensation payments.
- (2) Where this section applies, the recoupment provisions (other than this section) shall have effect on the following assumptions, that is to say—
- (a) the relevant period in the case of the compensator in question shall be taken to end (if it has not previously done so) on the day of settlement;
 - (b) the compensator in question shall be taken—
 - (i) to have been liable to make on that day a single compensation payment of the amount referred to in section 78(1)(a) above (reduced or increased in accordance with such of the recoupment provisions as would have applied in the case of a payment on that day); and
 - (ii) to have made from that single payment a relevant deduction of an amount equal to it; and
 - (c) the payments under the agreement referred to in subsection (1) above shall be taken to be exempt payments.
- (3) The intended recipient shall not by virtue of anything in this section become entitled to be paid any sum, whether by the compensator or the Department, and if on a review or appeal under section 93 or 95 below it appears that the amount paid by a compensator in pursuance of this section was either greater or less than it ought to have been, then—
- (a) any excess shall be repaid to the compensator instead of to the intended recipient; but
 - (b) any deficiency shall be paid to the Department by the intended recipient.
- (4) Where any further compensation payment falls to be made to or in respect of the victim otherwise than under the agreement in question, subsection (2)(a) above shall be disregarded for the purpose of determining the end of the relevant period in relation to that further payment.
- (5) In any case where—
- (a) the person making the periodical payments (“the secondary party”) does so in pursuance of arrangements entered into with another (as in a case where an insurance company purchases an annuity for the victim from another such company), and
 - (b) apart from those arrangements, that other (“the primary party”) would have been regarded as the compensator,
- then for the purposes of the recoupment provisions, the primary party shall be regarded as the compensator and the secondary party shall not be so regarded.
