shall be treated as a trading receipt in computing the profits arising from that business for the year of assessment which corresponds to the underwriting year in which the loss [^{F137}was declared].

(3) Where, as respects the payment of any such insurance money or amount as is mentioned in subsection (2) above—

- (a) the inspector is not notified of the payment at least 30 days before the time after which any assessment or further assessment of profits for the year of assessment is precluded by section 34 of the Management Act (ordinary time limit of [^{F138}4 years]), and
- (b) the inspector is not entitled, after that time, to make any such assessment or further assessment by virtue of section 36 ([^{F139}loss of tax brought about carelessly or deliberately]) or 40(2) (assessment on personal representatives) of that Act,

and where the taking over of a member’s rights and liabilities is conditional upon the occurrence of any event, the contract does not take effect until that event occurs; and

“transferred loss”, in relation to such a contract, means a loss for which that other person takes over liability under the contract (disregarding, in the case of a loss that has been declared at the time it is taken over, any part of it in respect of which the member has paid a cash call before that time).]
