[^{F76}15 Meaning of “importation of goods” into the United Kingdom

- (1) This section determines for the purposes of this Act when, and by whom, goods are imported into the United Kingdom.
- (2) Goods are imported when they are declared for a Customs procedure under Part 1 of TCTA 2018.
- (3) But—
 - (a) in the case of goods declared under TCTA 2018 for a storage procedure, a transit procedure or an inward processing procedure, the goods are imported when a liability to import duty is, or on the relevant assumptions would be, incurred in respect of them under section 4 of that Act, and
 - (b) in the case of goods which are liable to forfeiture as a result of section 5(1) of, or paragraph 1(5) or 3(4) of Schedule 1 to, that Act (goods not presented to Customs or Customs declaration not made), the goods are imported when they become liable to forfeiture as a result of those provisions.
- (4) Each person who is, or on the relevant assumptions would be, liable to import duty in respect of goods imported into the United Kingdom is a person who has imported the goods.
- (5) For the purposes of this section “the relevant assumptions” are—
 - (a) an assumption that a liability to import duty at a nil rate is replaced by a liability to import duty at a higher rate, and
 - (b) an assumption that no relief from import duty is available.
- (6) If two or more persons are regarded as importing goods, those persons are jointly and severally liable to any VAT that is payable on the importation.
- (7) The preceding provisions of this section are to be ignored in reading any reference to importation or to an importer in anything applied for the purposes of this Act by section 16(1) or (2).
- (8) But subsection (7) does not apply so far as the context otherwise requires or provision to the contrary is contained in regulations under section 16(3).]

 - (i) begins, subject to subsection (3) below, on the date of the notice; and
 - (ii) ends on the first anniversary of the last day of the period referred to in paragraph (a) above.
- (3) If—
- (a) a surcharge liability notice is served by reason of a default in respect of a prescribed accounting period, and
 - (b) that period ends at or before the expiry of an existing surcharge period already notified to the taxable person concerned,
- the surcharge period specified in that notice shall be expressed as a continuation of the existing surcharge period; and, accordingly, the existing period and its extension shall be regarded as a single surcharge period.
- (4) Subject to subsections (7) to (11) below, if—
- (a) a taxable person on whom a surcharge liability notice has been served is in default in respect of a prescribed accounting period,
 - (b) that prescribed accounting period is one ending within the surcharge period specified in (or extended by) that notice, and

- (5) Subject to subsections (7) to (11) below, the specified percentage referred to in subsection (4) above shall be determined in relation to a prescribed accounting period by reference to the number of such periods during the surcharge period which are periods in respect of which the taxable person is in default and in respect of which the value of his defaults is more than nil, so that—
- (a) in relation to the first such prescribed accounting period, the specified percentage is 2 per cent.;
 - (b) in relation to the second such period, the specified percentage is 5 per cent.;
 - (c) in relation to the third such period, the specified percentage is 10 per cent.; and
 - (d) in relation to each such period after the third, the specified percentage is 15 per cent.
- (6) For the purposes of this section the aggregate value of a person’s defaults in respect of a prescribed accounting period shall be calculated as follows—
- (a) where the whole or any part of a payment in respect of that period on account of VAT was not received by the Commissioners by the day on which it became due, an amount equal to that payment or, as the case may be, to that part of it shall be taken to be the value of the default relating to that payment;
 - (b) if there is more than one default with a value given by paragraph (a) above, those values shall be aggregated;

- (c) the total given by paragraph (b) above, or (where there is only one default) the value of the default under paragraph (a) above, shall be taken to be the value for that period of that person's defaults on payments on account;
 - (d) the value of any default by that person which is a default falling within subsection (1)(b) above shall be taken to be equal to the amount of any outstanding VAT less the amount of unpaid payments on account; and
 - (e) the aggregate value of a person's defaults in respect of that period shall be taken to be the aggregate of—
 - (i) the value for that period of that person's defaults (if any) on payments on account; and
 - (ii) the value of any default of his in respect of that period that falls within subsection (1)(b) above.
- (7) In the application of subsection (6) above for the calculation of the aggregate value of a person's defaults in respect of a prescribed accounting period—

 - (b) the amount of unpaid payments on account referred to in that paragraph is the amount (if any) equal to so much of any payments on account of VAT (being payments in respect of that period) as has not been received by the Commissioners by the last day on which that person is required (as mentioned in section 59(1)) to make a return for that period.
- (8) If a person who, apart from this subsection, would be liable to a surcharge under subsection (4) above satisfies the Commissioners or, on appeal, a tribunal—
- (a) in the case of a default that is material for the purposes of the surcharge and falls within subsection (1)(a) above—
 - (i) that the payment on account of VAT was despatched at such a time and in such a manner that it was reasonable to expect that it would be received by the Commissioners by the day on which it became due, or
 - (ii) that there is a reasonable excuse for the payment not having been so despatched,
- or
- (b) in the case of a default that is material for the purposes of the surcharge and falls within subsection (1)(b) above, that the condition specified in section 59(7)(a) or (b) is satisfied as respects the default,
- he shall not be liable to the surcharge and for the purposes of the preceding provisions of this section he shall be treated as not having been in default in respect of the prescribed accounting period in question (and, accordingly, any surcharge liability notice the service of which depended upon that default shall be deemed not to have been served).
- (9) For the purposes of subsection (8) above, a default is material to a surcharge if—
- (a) it is the default which, by virtue of subsection (4) above, gives rise to the surcharge; or
 - (b) it is a default which was taken into account in the service of the surcharge liability notice upon which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a prescribed accounting period ending within the surcharge period specified in or extended by that notice.

- (2) Where any person is in default in respect of [F507 any section 55A statement] the Commissioners may serve notice on him stating—
 - (a) that he is in default in relation to the statement specified in the notice;
 - (b) that (subject to the liability mentioned in paragraph (d) below) no action will be taken if he remedies the default before the end of the period of 14 days beginning with the day after the service of the notice;
 - (c) that if the default is not so remedied, that person will become liable in respect of his default to penalties calculated on a daily basis from the end of that period in accordance with the following provisions of this section; and

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. - (d) that that person will become liable, without any further notices being served under this section, to penalties under this section if he commits any more defaults before a period of 12 months has elapsed without his being in default.
- (3) Where a person has been served with a notice under subsection (2) above, he shall become liable under this section—
- (a) if the statement to which the notice relates is not submitted before the end of the period of 14 days beginning with the day after the service of the notice, to a penalty in respect of that statement; and
 - (b) whether or not that statement is so submitted, to a penalty in respect of [F508 any section 55A statement] the last day for the submission of which is after the service and before the expiry of the notice and in relation to which he is in default.
- (4) For the purposes of this section a notice served on any person under subsection (2) above shall continue in force—

 - (b) where at any time in that period of 12 months that person is in default in relation to [F509 any section 55A statement] other than one in relation to which he was in default when the notice was served, until a period of 12 months has elapsed without that person becoming liable to a penalty under this section in respect of [F509 any section 55A statement] .
- (5) The amount of any penalty to which a person who has been served with a notice under subsection (2) above is liable under this section shall be whichever is the greater of £50 and—
- (a) in the case of a liability in respect of the statement to which the notice relates, a penalty of £5 for every day for which the default continues after the end of the period of 14 days mentioned in subsection (3)(a) above, up to a maximum of 100 days; and
 - (b) in the case of a liability in respect of any other statement, a penalty of the relevant amount for every day for which the default continues, up to a maximum of 100 days.
- (6) In subsection (5)(b) above “the relevant amount”, in relation to a person served with a notice under subsection (2) above, means—
- (a) £5, where (that person not having been liable to a penalty under this section in respect of the statement to which the notice relates) the statement in question is the first statement in respect of which that person has become liable to a penalty while the notice has been in force;
 - (b) £10 where the statement in question is the second statement in respect of which he has become so liable while the notice has been in force (counting the statement to which the notice relates where he has become liable in respect of that statement); and
 - (c) £15 in any other case.
- (7) If a person who, apart from this subsection, would be liable to a penalty under this section satisfies the Commissioners or, on appeal a tribunal, that—

Assessments of VAT and other payments due

73 Failure to make returns etc.

- (1) Where a person has failed to make any returns required under this Act (or under any provision repealed by this Act) or to keep any documents and afford the facilities necessary to verify such returns or where it appears to the Commissioners that such returns are incomplete or incorrect, they may assess the amount of VAT due from him to the best of their judgment and notify it to him.
 - (2) In any case where, for any prescribed accounting period, there has been paid or credited to any person—
 - (a) as being a repayment or refund of VAT, or
 - (b) as being due to him as a VAT credit,
 an amount which ought not to have been so paid or credited, or which would not have been so paid or credited had the facts been known or been as they later turn out to be, the Commissioners may assess that amount as being VAT due from him for that period and notify it to him accordingly.
 - (3) An amount—
 - (a) which has been paid to any person as being due to him as a VAT credit, and
 - (b) which, by reason of the cancellation of that person's registration under paragraph 13(2) to (6) of Schedule 1, [^{F557}paragraph 9 or 11 of Schedule 1A]^{F558} ... [^{F559}or paragraph 6(1) or (2) of Schedule 3A] ought not to have been so paid,
 may be assessed under subsection (2) above notwithstanding that cancellation.
 - (4) Where a person is assessed under subsections (1) and (2) above in respect of the same prescribed accounting period the assessments may be combined and notified to him as one assessment.
 - (5) Where the person failing to make a return, or making a return which appears to the Commissioners to be incomplete or incorrect, was required to make the return as a personal representative, trustee in bankruptcy, [^{F560}trustee in sequestration], receiver, liquidator or person otherwise acting in a representative capacity in relation to another person, subsection (1) above shall apply as if the reference to VAT due from him included a reference to VAT due from that other person.
 - (6) An assessment under subsection (1), (2) or (3) above of an amount of VAT due for any prescribed accounting period must be made within the time limits provided for in section 77 and shall not be made after the later of the following—
 - (a) 2 years after the end of the prescribed accounting period; or
 - (b) one year after evidence of facts, sufficient in the opinion of the Commissioners to justify the making of the assessment, comes to their knowledge,
 but (subject to that section) where further such evidence comes to the Commissioners' knowledge after the making of an assessment under subsection (1), (2) or (3) above, another assessment may be made under that subsection, in addition to any earlier assessment.
- [^{F561}(6A) In the case of an assessment under subsection (2), the prescribed accounting period referred to in subsection (6)(a) and in section 77(1)(a) is the prescribed accounting period in which the repayment or refund of VAT, or the VAT credit, was paid or credited.]

(7) Where a taxable person—

(a) has in the course or furtherance of a business carried on by him, been supplied with any goods^{F562} ... or otherwise obtained possession or control of any goods, or

(b) has, in the course or furtherance of such a business, imported any goods^{F563} ..., the Commissioners may require him from time to time to account for the goods; and if he fails to prove that the goods have been or are available to be supplied by him or have been exported or otherwise removed from the United Kingdom without being exported or so removed by way of supply or have been lost or destroyed, they may assess to the best of their judgment and notify to him the amount of VAT that would have been chargeable in respect of the supply of the goods if they had been supplied by him.

[^{F564}(7A) Where a fiscal warehousekeeper has failed to pay VAT required by the Commissioners under section 18E(2), the Commissioners may assess to the best of their judgment the amount of that VAT due from him and notify it to him.

(7B) Where it appears to the Commissioners that goods have been removed from a warehouse or fiscal warehouse without payment of the VAT payable under section 18(4) or section 18D on that removal, they may assess to the best of their judgment the amount of VAT due from the person removing the goods or other person liable and notify it to him.]

(8) In any case where—

(a) as a result of a person's failure to make a return for a prescribed accounting period, the Commissioners have made an assessment under subsection (1) above for that period,

(b) the VAT assessed has been paid but no proper return has been made for the period to which the assessment related, and

(c) as a result of a failure to make a return for a later prescribed accounting period, being a failure by a person referred to in paragraph (a) above or a person acting in a representative capacity in relation to him, as mentioned in subsection (5) above, the Commissioners find it necessary to make another assessment under subsection (1) above,

then, if the Commissioners think fit, having regard to the failure referred to in paragraph (a) above, they may specify in the assessment referred to in paragraph (c) above an amount of VAT greater than that which they would otherwise have considered to be appropriate.

(9) Where an amount has been assessed and notified to any person under subsection (1), (2), (3) [^{F565}, (7), (7A) or (7B)] above it shall, subject to the provisions of this Act as to appeals, be deemed to be an amount of VAT due from him and may be recovered accordingly, unless, or except to the extent that, the assessment has subsequently been withdrawn or reduced.

(10) For the purposes of this section notification to a personal representative, trustee in bankruptcy, [^{F566}trustee in sequestration], receiver, liquidator or person otherwise acting as aforesaid shall be treated as notification to the person in relation to whom he so acts.

- (1) Where a party makes a further appeal, notwithstanding that the further appeal is pending, value added tax or VAT credits, or a credit of overstated or overpaid value added tax shall be payable or repayable in accordance with the determination of the tribunal or court against which the further appeal is made.
- (2) But if the amount payable or repayable is altered by the order or judgment of the tribunal or court on the further appeal—

- (3) If, on the application of HMRC, the relevant tribunal or court considers it necessary for the protection of the revenue, subsection (1) shall not apply and the relevant tribunal or court may—
 - (a) give permission to withhold any payment or repayment; or
 - (b) require the provision of adequate security before payment or repayment is made.
- (4) If, on the application of the original appellant, HMRC are satisfied that financial extremity might be reasonably expected to result if payment or repayment is required or withheld as appropriate, HMRC may do one or more of the things listed in subsection (6).

 - (a) the original appellant has applied to HMRC under subsection (4),
 - (b) HMRC have decided that application,
 - (c) financial extremity might be reasonably expected to result from that decision by HMRC,
the relevant tribunal or court may replace, vary or supplement the decision by HMRC by doing one or more of the things listed in subsection (6).
- (6) These are the things which HMRC or the relevant tribunal or court may do under subsection (4) or (5)—
 - (a) decide how much, if any, of the amount under appeal should be paid or repaid as appropriate,

PART 1

CHARGE TO VAT FOR ACQUISITIONS IN NORTHERN IRELAND FROM MEMBER STATES

Charge to VAT

- 1 (1) VAT is charged, in accordance with this Schedule, on the acquisition in Northern Ireland of goods from a member State—
- (a) by reference to the value of the acquisition as determined under Part 2 of this Schedule, and
 - (b) subject to paragraph 16, at the rate of VAT for the time being in force under section 2.
- (2) VAT charged on the acquisition of goods in Northern Ireland from a member State is a liability of the person who acquires the goods and (subject to provisions about accounting and payment) becomes due at the time of acquisition.

- (4) References to VAT (without more) in this Act include NI acquisition VAT.
- (5) The Commissioners may by regulations make provision about (including provision modifying) the application of provision that applies to value added tax made by or under any enactment (including provision made by or under this Act) to NI acquisition VAT or to goods acquired in Northern Ireland from a member State.

Scope of NI acquisition VAT

- 2 (1) NI acquisition VAT is charged on any acquisition from a member State of any goods where—

- (a) the acquisition is a taxable acquisition,
 - (b) it takes place in Northern Ireland,
 - (c) it is not in pursuance of a taxable supply (see section 4(2)), and
 - (d) the person who makes it is a taxable person or the goods acquired are subject to a duty of excise or consist in a new means of transport.
- (2) In this Act, a “taxable acquisition” means an acquisition of goods from a member State that—
- (a) is not an exempt acquisition (see paragraph 17(5)), and
 - (b) falls within sub-paragraph (3) or is an acquisition of goods consisting in a new means of transport.
- (3) An acquisition of goods from a member State falls within this sub-paragraph if—
- (a) the goods are acquired in the course or furtherance of—
 - (i) any business carried on by any person, or
 - (ii) any activities carried on otherwise than by way of business by any body corporate or by any club, association, organisation or other unincorporated body,
 - (b) it is the person who carries on that business or those activities who acquires the goods, and
 - (c) the supplier—
 - (i) is taxable in a member State at the time of the transaction in pursuance of which the goods are acquired, and
 - (ii) in participating in that transaction, acts in the course or furtherance of a business carried on by the supplier.

Meaning of acquisition of goods from a member State

- 3 (1) References in this Act to the acquisition of goods from a member State are to an acquisition of goods in pursuance of a transaction that—
- (a) is a supply of goods (including anything treated for the purposes of this Act as a supply of goods), and
 - (b) involves the removal of the goods from a member State (whether by or under the direction of the supplier, the person who acquires the goods or any other person),
- and references in this Act, in relation to such an acquisition, to the supplier are to be construed accordingly.
- (2) Where the person with the property in any goods does not change in consequence of anything which is treated for the purposes of this Act as a supply of goods, that supply is to be treated for the purposes of this Act as a transaction in pursuance of which there is an acquisition by the person making the supply.
- (3) The Treasury may by regulations make provision about the circumstances in which an acquisition of goods is not to be treated as an acquisition of goods from a member State.

Status: Point in time view as at 08/11/2021.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Time of acquisition

- 4 (1) For the purposes of this Act, the normal rule for determining the time that goods were acquired from a member State is that they are treated as being acquired on the earlier of—
- (a) the 15th day of the month after the month in which the first removal of the goods occurs, and
 - (b) the day a relevant invoice is issued in respect of the transaction in pursuance of which the goods were acquired.
- (2) But—
- (a) different rules apply to acquisitions to which Part 4 of Schedule 9ZB applies (warehouses), and
 - (b) the Commissioners may by regulations provide for different rules to apply in any case described in those regulations.
- (3) Regulations under sub-paragraph (2)(b) may include provision treating an acquisition as a series of acquisitions taking place at different times.
- (4) In sub-paragraph (1) “relevant invoice” means an invoice of a description prescribed by regulations made by the Commissioners.
- (5) For the purposes of this Act “first removal”, in relation to goods acquired, means the first removal of the goods in the course of the transaction in pursuance of which they are acquired.

Place of acquisition

- 5 (1) For the purposes of this Act, the normal rule for determining whether goods are acquired in Northern Ireland is that they are treated as being acquired in Northern Ireland if—
- (a) they are acquired in pursuance of a transaction which involves their removal from a member State to Northern Ireland and which does not involve their removal from Northern Ireland, or
 - (b) they are acquired by a person who, for the purposes of their acquisition, makes use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier (see paragraph 7).
- (2) But—
- (a) goods are not treated as being acquired in Northern Ireland by virtue of sub-paragraph (1)(b) where it is established in accordance with regulations made by the Commissioners that VAT—
 - (i) has been paid in a member State on the acquisition of those goods, and
 - (ii) fell to be paid by virtue of provisions of the law of that member State corresponding, in relation to that member State, to the provision made by sub-paragraph (1)(a), and
 - (b) different rules apply to acquisitions to which paragraph 16 or 17 of Schedule 9ZB applies.
- (3) If an acquisition of goods is not treated, for the purposes of this Act, as taking place in Northern Ireland it is treated for those purposes as an acquisition taking place outside Northern Ireland.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The Commissioners may by regulations make provision—
- (a) about the circumstances in which a person is to be treated as having made use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier for the purposes of the acquisition of any goods, and
 - (b) for the refund, in prescribed circumstances, of NI acquisition VAT paid on acquisitions of goods in relation to which the conditions in sub-paragraph (2) (a)(i) and (ii) are met.

Acquisitions from persons belonging in member States

- 6 (1) Sub-paragraph (2) applies where—
- (a) a person (“the original supplier”) makes a supply of goods to a person who belongs in a member State (“the intermediate supplier”),
 - (b) that supply involves the removal of the goods from a member State and their removal to Northern Ireland but does not involve the removal of the goods from Northern Ireland,
 - (c) both that supply and the removal of the goods to Northern Ireland are for the purposes of the making of a supply by the intermediate supplier to another person (“the customer”) who is registered under this Act,
 - (d) neither of those supplies involves the removal of the goods from a member State in which the intermediate supplier is taxable at the time of the removal without also involving the previous removal of the goods to that member State, and
 - (e) there would be a taxable acquisition by the customer if the supply to the customer involved the removal of goods from a member State to Northern Ireland.
- (2) Where this sub-paragraph applies—
- (a) the supply by the original supplier to the intermediate supplier is ignored for the purposes of this Act, and
 - (b) the supply by the intermediate supplier to the customer is treated for the purposes of this Act, other than for the purposes of Part 8 of this Schedule, as if it did involve the removal of the goods from a member State to Northern Ireland.
- (3) For the purposes of this Act, other than for the purposes of Part 8 of this Schedule, a supply of goods is treated as involving their removal from a member State to Northern Ireland, and is treated as not being a taxable supply if—
- (a) the supply is made by a person belonging in a member State to a person who is registered under this Act,
 - (b) the supply involves the installation or assembly of the goods at a place in Northern Ireland to which they are removed, and
 - (c) were the supply to be treated as described in the words before paragraph (a), there would be a taxable acquisition by the registered person.
- (4) But neither sub-paragraph (2) nor sub-paragraph (3) applies in relation to a supply unless—
- (a) in the case of sub-paragraph (2), the intermediate supplier, or
 - (b) in the case of sub-paragraph (3), the person making the supply,

- (5) The requirements to provide information that may be specified in regulations include—
- (a) requirements to provide documents (for example, invoices);
 - (b) requirements to provide information or documents before a supply is made (as well as after);
 - (c) requirements as to the content and form of information or documents to be provided;
 - (d) requirements as to the manner in which information or documents are to be provided.
- (6) Where a taxable acquisition is treated as having been made by virtue of this paragraph, that acquisition is treated as taking place at the time referred to in paragraph 4(1)(b) (day on which invoice issued).
- (7) For the purposes of this paragraph a person belongs in a member State if—
- (a) the person is taxable in a member State,
 - (b) the person does not have any business establishment or other fixed establishment in Northern Ireland,
 - (c) the person's usual place of residence is not in Northern Ireland,
 - (d) the person is not identified for the purposes of VAT in Northern Ireland and is not required, as a result of regulations under paragraph 7, to make a request to be so identified, and
 - (e) the person does not have a VAT representative who is identified for the purposes of VAT in Northern Ireland in connection with acting on the person's behalf, and is not for the time being required to appoint one who would be identified for those purposes.
- (8) In determining, for the purposes of sub-paragraph (7)(d), whether a person is required to be registered under this Act, ignore any supplies made by the person that would be ignored for the purposes of this Act if the person belonged in a member State and complied with the information requirements that would apply by virtue of sub-paragraph (4).
- (9) Where—
- (a) any goods are acquired from a member State in a case which corresponds, in relation to another member State, to the case described in sub-paragraph (1) in relation to Northern Ireland, and
 - (b) the person who acquires the goods is registered under this Act, is identified for the purposes of VAT in Northern Ireland and would be the intermediate supplier in relation to that corresponding case,
- the supply to that person of those goods and the supply by that person of those goods to the person who would be the customer in that corresponding case are to be ignored for the purposes of this Act.
- (10) References in this paragraph to a person being taxable in a member State do not include references to a person who is so taxable by virtue only of provisions of the law of that member State corresponding to the provisions of this Act by virtue of which a person who is not registered under this Act is a taxable person if the person is required to be so registered.

- (3) A person may only be identified for the purposes of VAT in Northern Ireland if—
- (a) the person is registered under this Act, or
 - (b) the person acts on behalf of a person in relation to VAT in Northern Ireland as a VAT representative.
- (4) Regulations may make provision—
- (a) about the circumstances in which a person may request to be identified for the purposes of VAT in Northern Ireland;
 - (b) for a person to be required to request to be identified for the purposes of Northern Ireland VAT;
 - (c) about the circumstances in which the Commissioners may determine that a person is identified for the purposes of VAT in Northern Ireland otherwise than at the person's request;
 - (d) requiring a person to notify the Commissioners of such matters as may be specified for the purpose of allowing the Commissioners to ascertain whether a person should be identified for the purposes VAT in Northern Ireland;
 - (e) about the circumstances in which a person is to be treated, for such purposes as may be specified, as if they were identified for the purposes of VAT in Northern Ireland (and which may include circumstances where the person is neither registered under this Act nor acting as a VAT representative);
 - (f) about the circumstances in which a person ceases to be identified for the purposes of VAT in Northern Ireland.
- (5) Regulations may also make provision—

- (6) In this paragraph “specified” means specified in regulations.

PART 2

VALUATION OF ACQUISITIONS

Valuation of acquisitions from member States

- 8 (1) For the purposes of this Act the value of any acquisition of goods from a member State is taken to be the value of the transaction in pursuance of which they are acquired.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Where goods are acquired from a member State otherwise than in pursuance of a taxable supply, the value of the transaction in pursuance of which they are acquired is to be determined for the purposes of sub-paragraph (1) in accordance with this Part, and for those purposes—
 - (a) sub-paragraphs (3) to (5) have effect subject to paragraphs 9 to 13, and
 - (b) section 19 and Schedule 6 do not apply in relation to the transaction.
- (3) If the transaction is for a consideration in money, its value is taken to be such amount as is equal to the consideration.
- (4) If the transaction is for a consideration not consisting or not wholly consisting of money, its value is taken to be such amount in money as is equivalent to the consideration.
- (5) Where a transaction in pursuance of which goods are acquired from a member State is not the only matter to which a consideration in money relates, the transaction is deemed to be for such part of the consideration as is properly attributable to it.

Transactions below market value

- 9 (1) Where, in the case of the acquisition of any goods from a member State—
 - (a) the relevant transaction (see paragraph 13) is for a consideration in money,
 - (b) the value of the relevant transaction is (apart from this paragraph) less than the transaction’s open market value,
 - (c) the supplier and the person who acquires the goods are connected, and
 - (d) that person is not entitled under sections 25 and 26 to credit for all the VAT on the acquisition,
 the Commissioners may direct that the value of the relevant transaction is taken to be its open market value.
- (2) A direction under this paragraph must be given—
 - (a) by notice in writing to the person by whom the acquisition in question is made, and
 - (b) within the period of 3 years commencing with the relevant time (see paragraph 13).
- (3) A direction given to a person under this paragraph in respect of a transaction may include a direction that the value of any transaction—
 - (a) in pursuance of which goods are acquired by the person from a member State after the giving of the notice, or after such later date as may be specified in the notice, and
 - (b) as to which the conditions in paragraphs (a) to (d) of sub-paragraph (1) are satisfied,
 is to be taken to be its open market value.
- (4) For the purposes of this paragraph, the open market value of a transaction in pursuance of which goods are acquired from a member State is to be taken to be the amount which would fall to be taken as its value under paragraph 8(3) if it were for such consideration in money as would be payable by a person standing in no such relationship with any person as would affect that consideration.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. - (5) Section 1122 of the Corporation Tax Act 2010 (“connected” persons) applies for the purpose of determining whether a person is connected with another for the purposes of this paragraph.
- (6) A direction under this paragraph may be varied or withdrawn by the Commissioners by a further direction given by notice in writing.

Value where goods subject to excise duty etc

- 10 (1) This paragraph applies, in such cases as the Commissioners may by regulations prescribe, to an acquisition—
 - (a) of goods acquired in Northern Ireland from a member State,
 - (b) where those goods are charged with a relevant duty, and
 - (c) that is not an acquisition that is treated, by virtue of paragraph 16(7) of Schedule 9ZB, as taking place before the time which is the duty point (within the meaning given by paragraph 16(11) of that Schedule).
- (2) The value of the relevant transaction in relation to an acquisition to which this paragraph applies is the sum of the value of that transaction (apart from this paragraph) and the total amount of relevant duty charged that is not already reflected in the value of that transaction.
- (3) In this paragraph “relevant duty” in relation to an acquisition means—
 - (a) a duty of excise charged in connection with the removal of goods to Northern Ireland;
 - (b) any EU customs duty or agricultural levy of the European Union charged on that removal in accordance with any provision for the time being having effect for transitional purposes in connection with the accession of any State to the European Union.

Transfer or disposal for no consideration

- 11 (1) Where goods are acquired from a member State in pursuance of anything which is treated as a supply for the purposes of this Act as a result of paragraph 5(1) of Schedule 4 or paragraph 30 of Schedule 9ZB and there is no consideration, sub-paragraph (3) applies for determining the value of the relevant transaction.
- (2) Sub-paragraph (3) also applies for determining the value of the relevant transaction in the case of an acquisition by a supplier that is deemed to take place as a result of paragraph 60(2)(c) or 61(2)(c).
- (3) The value of the relevant transaction is taken to be—
 - (a) such consideration in money as would be payable by the supplier if the supplier were, at the time of the acquisition, to purchase goods identical in every respect (including age and condition) to the goods concerned,
 - (b) where the value cannot be ascertained in accordance with paragraph (a), such consideration in money as would be payable by the supplier if the supplier were, at that time, to purchase goods similar to, and of the same age and condition as, the goods concerned, or
 - (c) where the value cannot be ascertained in accordance with paragraph (a) or (b), the cost of producing the goods concerned if they were produced at that time.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) For the purposes of sub-paragraph (3), the amount of consideration in money that would be payable by any person if the person were to purchase any goods is taken to be the amount that would be so payable after the deduction of any amount included in the purchase price in respect of VAT on the supply of the goods to that person.

Foreign currency transactions

- 12 (1) Subject to the following provisions of this paragraph, where—
- (a) goods are acquired from a member State, and
 - (b) any sum relevant for determining the value of the relevant transaction is expressed in a currency other than sterling,
- then, for the purpose of valuing the relevant transaction, that sum is to be converted into sterling at the market rate which, on the relevant day, would apply in the United Kingdom to a purchase with sterling of that sum in the currency in question by the person making the acquisition.
- (2) Where the Commissioners have published a notice which, for the purposes of this paragraph, specifies—
- (a) rates of exchange, or
 - (b) methods of determining rates of exchange,
- a rate specified in or determined in accordance with the notice, as for the time being in force, applies (instead of the rate for which sub-paragraph (1) provides) in the case of any transaction in pursuance of which goods are acquired by a person who opts, in such manner as may be allowed by the Commissioners, for the use of that rate in relation to that transaction.
- (3) An option for the purposes of sub-paragraph (2) for the use of a particular rate or method of determining a rate—
- (a) may not be exercised by any person except in relation to all such transactions in pursuance of which goods are acquired by the person from a member State as are of a particular description or after a particular date, and
 - (b) may not be withdrawn or varied except with the consent of the Commissioners and in such manner as they may require.
- (4) In specifying a method of determining a rate of exchange, a notice published by the Commissioners under sub-paragraph (2) may allow a person to apply to the Commissioners for the use, for the purpose of valuing some or all of the transactions in pursuance of which goods are acquired by the person from a member State, of a rate of exchange which is different from any which would otherwise apply.
- (5) On an application made in accordance with provision contained in a notice under sub-paragraph (4), the Commissioners may authorise the use with respect to the applicant of such a rate of exchange, in such circumstances, in relation to such transactions and subject to such conditions as they think fit.
- (6) A notice published by the Commissioners for the purposes of this paragraph may be withdrawn or varied by a subsequent notice published by the Commissioners.
- (7) Where goods are acquired from a member State, the appropriate rate of exchange is to be determined for the purpose of valuing the relevant transaction by reference to the relevant time; and, accordingly, the day on which that time falls is the relevant day for the purposes of sub-paragraph (1).

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Meaning of “relevant transaction” and “relevant time”

- 13 In this Part of this Schedule—
- “relevant transaction”, in relation to any acquisition of goods from a member State, means the transaction in pursuance of which the goods are acquired;
- “the relevant time”, in relation to any such acquisition, means—
- (a) if the person by whom the goods are acquired is not a taxable person and the time of acquisition does not fall to be determined in accordance with regulations made under paragraph 4(2)(b), the time of the first removal of the goods (see paragraph 4(5)), and
 - (b) in any other case, the time of acquisition.

PART 3

PAYMENT OF NI ACQUISITION VAT BY TAXABLE PERSONS

Input tax and output tax

- 14 (1) NI acquisition VAT is input tax in relation to the taxable person acquiring the goods in question if the goods are used or are to be used for the purpose of any business carried on or to be carried on by the person.
- (2) NI acquisition VAT is output tax in relation to the taxable person acquiring the goods in question (including VAT which is also to be counted as input tax by virtue of subparagraph (1)).

 - (b) references in that section to a prescribed accounting period included a tax period.
- (2) See also the modifications in paragraph 23.
- (3) In this Schedule “relevant non-UK return” means a non-UK return (see paragraph 38(1)) that is required to be made (wholly or partly) in respect of scheme supplies that are treated as made in the United Kingdom.

- (a) have effect for the purposes of this Schedule, and
 - (b) are in addition to any other modifications of those sections made by this Schedule.

- “(3A) Where a person has failed to make an amendment or notification that the person is required to make under paragraph 33 of Schedule 9ZD in respect of an increase in the consideration for a UK supply (as defined in paragraph 33(7)), the Commissioners may assess the amount of VAT due from the person as a result of the increase to the best of their judgement and notify it to the person.
- (3B) An assessment under subsection (3A)—
- (a) is of VAT due for the tax period mentioned in paragraph 33(1)(a) of Schedule 9ZD;
 - (b) must be made within the time limits provided for in section 77, and must not be made after the end of the period of—
 - (i) 2 years after the end of the tax period referred to in paragraph 33(1)(a) of Schedule 9ZD, or if later,
 - (ii) one year after evidence of facts sufficient in the opinion of the Commissioners to justify making the assessment comes to their knowledge.
- (3C) Subject to section 77, where further evidence such as is mentioned in subsection (3B)(b)(ii) comes to the Commissioners' knowledge after they have made an assessment under subsection (3A), another assessment may be made under that subsection, in addition to any earlier assessment.”
- (3) The reference in section 73(9) to subsection (1) of that section is taken to include a reference to section 73(3A) (treated as inserted by sub-paragraph (2)).

Deemed amendments of relevant non-UK returns

- 25 (1) Where a person who has made a relevant non-UK return makes a claim under paragraph 31(7)(b) (overpayments) in relation to an error in the return, the relevant non-UK return is taken for the purposes of this Act to have been amended by the information in the claim.
- (2) Where a person who has made a relevant non-UK return gives the Commissioners a notice relating to the return under paragraph 33(2)(b) (increase or decrease in consideration), the relevant non-UK return is taken for the purposes of this Act to have been amended by that information.
- (3) Where (in a case not falling within sub-paragraph (1) or (2)) a person who has made a relevant non-UK return notifies the Commissioners (after the expiry of the period during which the non-UK return may be amended under Article 61 of the Implementing Regulation) of a change that needs to be made to the return to correct an error, or rectify an omission, in it, the relevant non-UK return is taken for the purposes of this Act to have been amended by that information.

Interest on VAT: “reckonable date”

- 26 (1) Sub-paragraph (2) states the “reckonable date” for the purposes of section 74(1) and (2) for any case where an amount carrying interest under that section—
- (a) is an amount assessed under section 73(2) (refunds etc) in reliance on paragraph 22, or that could have been so assessed, and
 - (b) was correctly paid or credited to the person, but would not have been paid or credited to the person had the facts been as they later turn out to be.
- (2) The “reckonable date” is the first day after the end of the tax period in which the events occurred as a result of which the Commissioners were authorised to make the assessment (that was or could have been made) under section 73(2).
- (3) Sub-paragraph (4) states the “reckonable date” for any other case where an amount carrying interest under section 74 is assessed under section 74(1) or (2) in reliance on paragraph 22, or could have been so assessed.
- (4) The “reckonable date” is taken to be the latest date by which a non-UK return was required to be made for the tax period to which the amount assessed relates.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Where section 74(1) or (2) (interest on VAT recovered or recoverable by assessment) applies in relation to an amount assessed under section 73(3A) (treated as inserted by paragraph 23(2)), the “reckonable date” for the purposes of section 74(1) or (2) is taken to be the day after the end of the tax period referred to in paragraph 33(2).

Default surcharge: notice of special surcharge period

- 27 (1) A person who is required to make a relevant non-UK return for a tax period is regarded for the purposes of this paragraph and paragraph 28 as being in default in respect of that period if either—
- (a) conditions 1A and 2A are met, or
 - (b) conditions 1B and 2B are met,
- (but see also paragraph 29).
- (2) The conditions are as follows—
- (a) condition 1A is that the tax authorities for the administering member State have not received the return by the deadline for submitting it;
 - (b) condition 2A is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the obligation to submit the return;
 - (c) condition 1B is that, by the deadline for submitting the return, those tax authorities have received the return but have not received the amount of VAT shown on the return as payable by the person in respect of the tax period;
 - (d) condition 2B is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the VAT outstanding.
- (3) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—
- (a) ending on the first anniversary of the last day of that tax period, and
 - (b) beginning on the date of the notice.
- (4) A period specified under sub-paragraph (3) is a “special surcharge period”.
- (5) If a special surcharge liability notice is served in respect of a tax period which ends on or before the day on which an existing special surcharge period ends, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 28 (1) If a person on whom a special surcharge liability notice has been served—
- (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and
 - (b) has outstanding special scheme VAT for that tax period,
- the person is to be liable to a surcharge of the amount given by sub-paragraph (2).
- (2) The surcharge is equal to whichever is the greater of—
- (a) £30, and
 - (b) the specified percentage of the person's outstanding special scheme VAT for the tax period.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The specified percentage depends on whether the tax period is the first, second or third etc period in respect of which the person is in default and has outstanding special scheme VAT, and is—
 - (a) for the first such tax period, 2%;
 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a non-UK scheme in respect of scheme supplies treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a non-UK return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 29
- (1) A person who would otherwise have been liable to a surcharge under paragraph 28(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
 - (a) the non-UK return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
 - (2) Where sub-paragraph (1) applies to a person—
 - (a) the person is treated as not having been in default in respect of the tax period in question, and
 - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
 - (3) A default is “material” to a surcharge if—
 - (a) it is the default which gives rise to the surcharge, under paragraph 28(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
 - (4) A default is left out of account for the purposes of paragraphs 27(3) and 28(1) if—
 - (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.

Status: Point in time view as at 08/11/2021.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 27(3) and 28(1).
- (6) Section 71(1) (meaning of “reasonable excuse”) applies for the purposes of this paragraph as it applies for the purposes of sections 59 to 70.

Interest in certain cases of official error

- 30 (1) Section 78 (interest in certain cases of official error) applies as follows in relation to a case where, due to an error on the part of the Commissioners—
- (a) a person has accounted under a non-UK scheme for an amount by way of UK VAT that was not UK VAT due from the person, and as a result the Commissioners are liable under paragraph 31 to pay (or repay) an amount to the person, or
 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a non-UK scheme, an amount by way of UK VAT that was not UK VAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK scheme.
- (4) In section 78, as it applies as a result of this paragraph, “output tax” has the meaning that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

Overpayments

- 31 (1) A person may make a claim if the person—
- (a) has made a non-UK return for a tax period relating wholly or partly to scheme supplies treated as made in the United Kingdom,
 - (b) has accounted to the tax authorities for the administering member State for VAT in respect of those supplies, and
 - (c) in doing so has brought into account as UK VAT due to those authorities an amount (“the overpaid amount”) that was not UK VAT due to them.
- (2) A person may make a claim if the person has, as a participant in a non-UK scheme, paid (to the tax authorities for the administering member State or to the Commissioners) an amount by way of UK VAT that was not UK VAT due (“the overpaid amount”), otherwise than in the circumstances mentioned in subparagraph (1)(c).
- (3) A person who is or has been a participant in a non-UK scheme may make a claim if the Commissioners—
- (a) have assessed the person to VAT for a tax period, and
 - (b) in doing so, have brought into account as VAT an amount (“the amount not due”) that was not VAT due.

- (4) Where a person makes a claim under sub-paragraph (1) or (2), the Commissioners must repay the overpaid amount to the person.
- (5) Where a person makes a claim under sub-paragraph (3), the Commissioners must credit the person with the amount not due.
- (6) Where—
 - (a) as a result of a claim under sub-paragraph (3) an amount is to be credited to a person, and
 - (b) after setting any sums against that amount under or by virtue of this Act, some or all of the amount remains to the person's credit,
 the Commissioners must pay (or repay) to the person so much of the amount as remains to the person's credit.
- (7) The reference in sub-paragraph (1) to a claim is to a claim made—
 - (a) by correcting, in accordance with Article 61 of the Implementing Regulation, the error in the non-UK return mentioned in sub-paragraph (1)(a), or
 - (b) (after the expiry of the period during which the non-UK return may be amended under Article 61) to the Commissioners.
- (8) Sub-paragraphs (1) and (2) do not require any amount to be repaid except to the extent that is required by Article 63 of the Implementing Regulation.

- (b) the disclosure is made in a later tax period, and
- (c) some or all of the disclosed amount is not in fact VAT due.

(5) The Commissioners may by regulations specify—

- (a) the latest time by which, and the form and manner in which, a claim or other notice under sub-paragraph (2)(b) must be given;

Interest on VAT: “reckonable date”

- 20 (1) Sub-paragraph (2) states the “reckonable date” for the purposes of section 74(1) and (2) for any case where an amount carrying interest under that section—
- (a) is an amount assessed under section 73(2) (refunds etc) in reliance on paragraph 16, or that could have been so assessed, and
 - (b) was correctly paid or credited to the person, but would not have been paid or credited to the person had the facts been as they later turn out to be.
- (2) The “reckonable date” is the first day after the end of the tax period in which the events occurred as a result of which the Commissioners were authorised to make the assessment (that was or could have been made) under section 73(2).
- (3) Sub-paragraph (4) states the “reckonable date” for any other case where an amount carrying interest under section 74 is assessed under section 74(1) or (2) in reliance on paragraph 16, or could have been so assessed.
- (4) The “reckonable date” is taken to be the latest date by which a non- UK return was required to be made for the tax period to which the amount assessed relates.
- (5) Where section 74(1) or (2) (interest on VAT recovered or recoverable by assessment) applies in relation to an amount assessed under section 73(3A) (treated as inserted by paragraph 17(2)), the “reckonable date” for the purposes of section 74(1) or (2) is taken to be the day after the end of the tax period referred to in paragraph 27(2).

Default surcharge: notice of special surcharge period

- 21 (1) A person who is required to make a relevant special scheme return for a tax period is regarded for the purposes of this paragraph and paragraph 22 as being in default in respect of that period if either—
- (a) conditions 1A and 2A are met, or
 - (b) conditions 1B and 2B are met,
- (but see also paragraph 23).
- (2) The conditions are as follows—
- (a) condition 1A is that the tax authorities for the administering member State have not received the return by the deadline for submitting it;
 - (b) condition 2A is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the obligation to submit the return;
 - (c) condition 1B is that, by the deadline for submitting the return, those tax authorities have received the return but have not received the amount of VAT shown on the return as payable by the person in respect of the tax period;
 - (d) condition 2B is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the VAT outstanding.
- (3) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—
- (a) ending on the first anniversary of the last day of that tax period, and
 - (b) beginning on the date of the notice.
- (4) A period specified under sub-paragraph (3) is a “special surcharge period”.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If a special surcharge liability notice is served in respect of a tax period which ends on or before the day on which an existing special surcharge period ends, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 22 (1) If a person on whom a special surcharge liability notice has been served—
- (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and
 - (b) has outstanding special scheme VAT for that tax period,
- the person is to be liable to a surcharge of the amount given by sub-paragraph (2).
- (2) The surcharge is equal to whichever is the greater of—
- (a) £30, and
 - (b) the specified percentage of the person's outstanding special scheme VAT for the tax period.
- (3) The specified percentage depends on whether the tax period is the first, second or third etc period in respect of which the person is in default and has outstanding special scheme VAT, and is—
- (a) for the first such tax period, 2%;
 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a special scheme in respect of qualifying supplies of goods treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a special scheme return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 23 (1) A person who would otherwise have been liable to a surcharge under paragraph 22(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
- (a) the special scheme return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
- (2) Where sub-paragraph (1) applies to a person—
- (a) the person is treated as not having been in default in respect of the tax period in question, and

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
 - (a) it is the default which gives rise to the surcharge, under paragraph 22(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 21(3) and 22(1) if—
 - (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.
- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 21(3) and 22(1).
- (6) Section 71(1) (meaning of “reasonable excuse”) applies for the purposes of this paragraph as it applies for the purposes of sections 59 to 70.

Interest in certain cases of official error

- 24 (1) Section 78 (interest in certain cases of official error) applies as follows in relation to a case where, due to an error on the part of the Commissioners—
 - (a) a person has accounted under a special scheme for an amount by way of UK VAT that was not UK VAT due from the person, and as a result the Commissioners are liable under paragraph 25 to pay (or repay) an amount to the person, or
 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a special scheme, an amount by way of UK VAT that was not UK VAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK special scheme.
- (4) In section 78, as it applies as a result of this section, “output tax” has the meaning that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

Overpayments

- 25 (1) A person may make a claim if the person—
 - (a) has made a special scheme return for a tax period relating wholly or partly to qualifying supplies of goods treated as made in the United Kingdom,

- (3) A person who is or has been a participant in a special scheme may make a claim if the Commissioners—
- (a) have assessed the person to VAT for a tax period, and

- (6) Where—
- (a) as a result of a claim under sub-paragraph (3) an amount is to be credited to a person, and
 - (b) after setting any sums against that amount under or by virtue of this Act, some or all of the amount remains to the person's credit,
- the Commissioners must pay (or repay) to the person so much of the amount as remains to the person's credit.
- (7) The reference in sub-paragraph (1) to a claim is to a claim made—
- (a) by correcting, in accordance with Article 61 of the Implementing Regulation, the error in the special scheme return mentioned in sub-paragraph (1)(a), or

- (3) The condition mentioned in sub-paragraph (1) above is that—

 - (b) there is at least a part of the supply which is not or, as the case may be, would not be zero-rated; and
 - (c) the charging of VAT on the supply otherwise than by reference to its full value gives rise or, as the case may be, would give rise to a tax advantage.
- (4) For the purposes of this paragraph the charging of VAT on a supply (“the undercharged supply”) otherwise than by reference to its full value shall be taken to give rise to a tax advantage if, and only if, a person has become entitled—

- the question, so far as it falls to be determined by reference to those assets, whether a credit for input tax to which any person has become entitled is one allowable as attributable to the whole or any part of a supply shall be determined as if the transferor and the transferee were the same person.

- (8) For the purposes of this paragraph any question—

- (b) whether any repayment is a repayment in respect of the whole or any part of a supply,

shall be determined, in relation to a supply of a right to goods or services or to a supply of goods or services by virtue of such a right, as if the supply of the right and supplies made by virtue of the right were a single supply of which the supply of the right and each of those supplies constituted different parts.

- (9) References in this paragraph to the full value of a supply are references to the amount which (having regard to any direction under paragraph 1 of Schedule 6) would be the full value of that supply for the purposes of the charge to VAT if that supply were not a supply falling to be disregarded, to any extent, in pursuance of section 43(1)(a).

- 6 (1) Subject to sub-paragraph (3) below, where—
- (a) a direction is given under this Schedule, and
 - (b) there is an amount of VAT (“the unpaid tax”) for which a relevant person would have been liable before the giving of the direction if the facts had accorded with the assumptions specified in the direction,
- the Commissioners may, to the best of their judgement, assess the amount of unpaid tax as tax due from the person to whom the direction was given or another relevant person and notify their assessment to that person.
- (2) In sub-paragraph (1) above the reference to an amount of VAT for which a person would, on particular assumptions, have been liable before the giving of a direction under this Schedule is a reference to the aggregate of the following—
- (a) any amount of output tax which, on those assumptions but not otherwise, would have been due from a relevant person at the end of a prescribed accounting period ending before the giving of the direction;
 - (b) the amount of any credit for input tax to which a relevant person is treated as having been entitled at the end of such an accounting period but to which he would not have been entitled on those assumptions; and
 - (c) the amount of any repayment of tax made to a relevant person in accordance with regulations under section 39 but to which he would not have been entitled on those assumptions.
- (3) Where any assessment falls to be made under this paragraph in a case in which the Commissioners are satisfied that the actual revenue loss is less than the unpaid tax, the total amount to be assessed under this paragraph shall not exceed what appears to them, to the best of their judgement, to be the amount of that loss.
- (4) For the purposes of the making of an assessment under this paragraph in relation to any direction, the actual revenue loss shall be taken to be equal to the amount of the unpaid tax less the amount given by aggregating the amounts of every entitlement—
- (a) to credit for input tax, or
 - (b) to a repayment in accordance with regulations under section 39,
- which (whether as an entitlement of the person in relation to whom the assessment is made or as an entitlement of any other person) would have arisen on the assumptions contained in the direction, but not otherwise.

PART 1

THE OPTION TO TAX LAND

Introduction

Overview of the option to tax

1. (1) This Part of the Schedule makes provision for a person to opt to tax any land.
- (2) The effect of the option to tax is dealt with in paragraph 2 (exempt supplies become taxable), as read with paragraph 3.
- (3) Grants are excluded from the effect of paragraph 2 by—
 - (a) paragraph 5 (dwellings designed or adapted, and intended for use, as dwelling etc),
 - (b) paragraph 6 (conversion of buildings for use as dwelling etc),
 - (c) paragraph 7 (charities),
 - (d) paragraph 8 (residential caravans),
 - (e) paragraph 9 (residential houseboats),
 - (f) paragraph 10 (relevant housing associations), and
 - (g) paragraph 11 (grant to individual for construction of dwelling).
- (4) Paragraphs 12 to 17 (anti-avoidance: developers of land etc) provide for certain supplies to which any grant gives rise to be excluded from the effect of paragraph 2.
- (5) Paragraphs 18 to 30 deal with—
 - (a) the scope of the option to tax,
 - (b) the day from which the option to tax has effect,
 - (c) notification requirements,
 - (d) elections to opt to tax land subsequently acquired,
 - (e) the revocation of the option,
 - (f) the effect of the option to tax in relation to new buildings, and
 - (g) requirements for prior permission in the case of exempt grants made before the exercise of an option to tax.
- (6) Paragraphs 31 to 34 deal with definitions which apply for the purposes of this Part, as well as other supplemental matters.

The option to tax

Effect of the option to tax: exempt supplies become taxable

2. (1) This paragraph applies if—
 - (a) a person exercises the option to tax any land under this Part of this Schedule, and
 - (b) a grant is made in relation to the land at any time when the option to tax it has effect.
- (2) If the grant is made—
 - (a) by the person exercising that option, or

(b) by a relevant associate (if that person is a body corporate),
the grant does not fall within Group 1 of Schedule 9 (exemptions for land).

(3) For the meaning of “relevant associate”, see paragraph 3.

Meaning of “relevant associate”

3. (1) This paragraph explains for the purposes of this Part of this Schedule what is meant by a “relevant associate” in a case where a [F1596 person] (“the opter”) exercises an option to tax in relation to any building or land.

(2) A [F1597 person] is a relevant associate of the opter if under sections 43A to 43D (groups of companies) the [F1597 person]—

- (a) was treated as a member of the same group as the opter at the time when the option first had effect,
- (b) has been so treated at any later time when the opter had a relevant interest in the building or land, or
- (c) has been treated as a member of the same group as a [F1598 person] within paragraph (a) or (b) of this sub-paragraph at a time when [F1599 that person] had a relevant interest in the building or land.

(3) But a [F1600 person (“P”)] ceases to be a relevant associate of the opter in relation to the building or land in the following circumstances.

(4) [F1601 P] ceases to be a relevant associate of the opter in relation to the building or land at the time when all of the following conditions are first met—

- (a) [F1602 P] has no relevant interest in the building or land [F1603],
- (aa) where [F1604 P] has disposed of such an interest, it is not the case that a supply for the purposes of the charge to VAT in respect of the disposal—
 - (i) is yet to take place, or
 - (ii) would be yet to take place if one or more conditions (such as the happening of an event or the doing of an act) were to be met.]
- (b) [F1605 P] or the opter is not treated under sections 43A to 43D as a member of the group mentioned above, and
- (c) [F1606 P] is not connected with any person who has a relevant interest in the building or land where that person is the opter or another relevant associate of the opter.

(5) [F1607 P] also ceases to be a relevant associate of the opter in relation to the building or land if [F1607 P]—

- (a) meets conditions specified in a public notice (see paragraph 4), or
- (b) gets the prior permission of the Commissioners (also, see that paragraph).

The time when [F1608 P] ceases to be a relevant associate of the opter is determined in accordance with that paragraph.

(6) In this paragraph “relevant interest in the building or land” means an interest in, right over or licence to occupy the building or land (or any part of it).

Anti-avoidance

Developers of exempt land

- (a) the grant giving rise to the supply was made by a person (“the grantor”) who was a developer of the land, and
 - (b) the exempt land test is met.
- (2) The exempt land test is met if, at the time when the grant was made (or treated for the purposes of this paragraph as made), the relevant person intended or expected that the land—
- (a) would become exempt land (whether immediately or eventually and whether or not as a result of the grant), or
 - (b) would continue, for a period at least, to be exempt land.
- (3) “The relevant person” means—
- (a) the grantor, or
 - (b) a development financier.

- (a) the person making the supply is treated for the purposes of this paragraph as the person who made the grant giving rise to it, and
 - (b) the grant is treated for the purposes of this paragraph as made at the time when that person made the first supply arising from the grant.
- (7) For a special rule in the case of a grant made on or after 19th March 1997 and before 10th March 1999, see paragraph 17.
- (8) Nothing in this paragraph applies in relation to a supply arising from—
- (a) a grant made before 26th November 1996, or
 - (b) a grant made on or after that date but before 30th November 1999, in pursuance of a written agreement entered into before 26th November 1996, on terms which (as terms for which provision was made by that agreement) were fixed before 26th November 1996.

- (a) the land, or
 - (b) the building or part of a building on the land,
- is a capital item in relation to the grantor.

- would become a capital item in relation to the grantor or any relevant transferee.
- (5) A person is a relevant transferee if the person is someone to whom the land, building or part of a building was to be transferred—
- (a) in the course of a supply, or

Scope of the option, its duration, notification etc

Scope of the option

18. (1) An option to tax has effect in relation to the particular land specified in the option.
- (2) If an option to tax is exercised in relation to—
- (a) a building, or
 - (b) part of a building,
- the option has effect in relation to the whole of the building and all the land within its curtilage.
- (3) If an option to tax—
- (a) is exercised in relation to any land, but
 - (b) is not exercised by reference to a building or part of a building,
- the option is nonetheless taken to have effect in relation to any building which is (or is to be) constructed on the land (as well as in relation to land on which no building is constructed).
- (4) For the purposes of this paragraph—
- (a) buildings linked internally or by a covered walkway, and
 - (b) complexes consisting of a number of units grouped around a fully enclosed concourse,
- are treated as a single building.
- (5) But for those purposes—
- (a) buildings which are linked internally are not treated as a single building if the internal link is created after the buildings are completed, and
 - (b) buildings which are linked by a covered walkway are not treated as a single building if the walkway starts to be constructed after the buildings are completed.
- (6) In this paragraph a “building” includes—
- (a) an enlarged or extended building,
 - (b) an annexe to a building, and
 - (c) a planned building.

period), the option is treated for the purposes of this Act as if it had never been exercised.

- (3) An option to tax may be revoked in accordance with paragraph 22(2) or (3) and any of paragraphs 23 to 25, but not otherwise.
- (4) This paragraph needs to be read with—
 - (a) paragraph 20 (requirement to notify the option), and
 - (b) paragraph 29(3) (application for prior permission in the case of an exempt grant before the exercise of an option to tax).

Requirement to notify the option

20. (1) An option to tax has effect only if—
 - (a) notification of the option is given to the Commissioners within the allowed time, and
 - (b) that notification is given together with such information as the Commissioners may require.
- (2) Notification of an option is given within the allowed time if (and only if) it is given—
 - (a) before the end of the period of 30 days beginning with the day on which the option was exercised, or
 - (b) before the end of such longer period beginning with that day as the Commissioners may in any particular case allow.
- (3) The Commissioners may publish a notice for the purposes of this paragraph specifying—

21. (1) A person (E) may make an election (a “real estate election”) for this paragraph to have effect in relation to—
 - (a) relevant interests in any building or land which E acquires after the election is made, and
 - (b) relevant interests in any building or land which a [^{F1632}person] acquires after the election is made at a time when [^{F1633}the person] is a relevant group member.
- (2) If E makes a real estate election—
 - (a) E is treated for the purposes of this Part of this Schedule as if E had exercised an option to tax in relation to the building or land in which the relevant interest is acquired,
 - (b) that option is treated for those purposes as if it had been exercised on the day on which the acquisition was made and as if it had effect from the start of that day, and
 - (c) paragraph 20 does not apply in relation to that option, but this sub-paragraph is subject to sub-paragraphs (3) to (5).

- (3) A person (P) is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land where at any time—
- (a) P, or any [^{F1634}person who] was a relevant group member at that time, exercises an option to tax in relation to the building (or part of the building) or land apart from this paragraph, and
 - (b) that option has effect from a time earlier than the time from which an option to tax exercised by P in relation to the building or land would otherwise have been treated as having effect as a result of this paragraph.
- (4) A person (P) is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land in which a relevant interest is acquired (“the later interest”) if—
- (a) the person making the acquisition in question held another relevant interest in that building or land before P makes a real estate election, and
 - (b) the person making the acquisition in question continues to hold that other relevant interest at the time when the later interest is acquired.
- (5) A person is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land if—
- (a) a relevant interest in the building or land is acquired as mentioned in subparagraph (1), and
 - (b) on the relevant assumptions the case would fall within paragraph 28 (pre-option exempt grants: requirement for prior permission before exercise of option to tax).
- (6) The relevant assumptions are that—
- (a) the effect of this paragraph is disregarded, and
 - (b) the day from which the person would want the option to tax to have effect for the purposes of paragraphs 28 or 29(3) is the day on which the relevant interest is acquired.
- (7) A real estate election has effect only if—
- (a) notification of the election is given to the Commissioners before the end of the period of 30 days beginning with the day on which it was made or such longer period as the Commissioners may in any particular case allow,
 - (b) the notification is made in a form specified in a public notice, and
 - (c) the notification contains information so specified.
- (8) The Commissioners may at any time require a person who has made a real estate election to give to the Commissioners information specified in a public notice before the end of—
- (a) the period of 30 days beginning with that time, or
 - (b) such longer period as the Commissioners may in any particular case allow.
- (9) If a person (P) does not comply with that requirement—
- (a) the Commissioners may revoke the election, and
 - (b) that revocation has effect in relation to relevant interests in any building or land acquired after the notified time by P or a [^{F1635}person who] is a relevant group member at the time of acquisition.
- “The notified time” means the time specified in a notification given by the Commissioners to P (which may not be before the notification is given).

- (10) A real estate election may not be revoked except in accordance with sub-paragraph (9).
- (11) If a real estate election made by a person (P) is revoked in accordance with that sub-paragraph, another real estate election may be made at any subsequent time by—
- (a) P, or
 - (b) any [^{F1636}person who] is a relevant group member at that subsequent time, but only with the prior permission of the Commissioners.
- (12) In this paragraph—
- “relevant group member”, in relation to any person [^{F1637}(“P”)] making a real estate election and any time, means a [^{F1638}person who] is treated under sections 43A to 43D as a member of the same group as [^{F1639}P] at that time, and
- “relevant interest”, in relation to any building or land, means any interest in, right over or licence to occupy the building or land (or any part of it).
- ^{F1640}(13) For the purposes of this paragraph, the time at which a relevant interest in any building or land is acquired is—
- (a) the time at which a supply is treated as taking place for the purposes of the charge to VAT in respect of the acquisition, or
 - (b) if there is more than one such time, the earliest of them.
- (14) For the purposes of sub-paragraph (13)(a), any order under section 5(3)(c) that would otherwise have the effect that the acquisition in question is to be treated as neither a supply of goods nor a supply of services is to be disregarded.]

Real estate elections: supplementary

22. (1) This paragraph applies if, at any time (“the relevant time”), a person (E) makes a real estate election under paragraph 21.
- (2) An option to tax exercised in relation to any building or part of any building before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- is treated for the purposes of this Part of this Schedule as if it had been revoked from the relevant time if, at that time, neither E nor any relevant group member has a relevant interest in that building.
- (3) An option to tax exercised in relation to any land (otherwise than by reference to any building or part of a building) before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- is treated for the purposes of this Part of this Schedule as if it had been revoked in accordance with sub-paragraph (4) from the relevant time if, at that time, neither E nor any relevant group member has a relevant interest in that land, or E or any relevant group member has a relevant interest in only some of it.
- (4) The option is treated for the purposes of this Part of this Schedule as if it had been revoked in relation to—
- (a) that land, or
 - (b) the parts of that land in which neither E nor any relevant group member has a relevant interest at the relevant time,
- as the case may be.
- (5) Sub-paragraphs (2) and (3) are subject to paragraph 26 (anti-avoidance).
- (6) An option to tax (“the original option”) exercised in relation to any land (otherwise than by reference to any building or part of a building) before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- may, in circumstances specified in a public notice, be converted by E into separate options to tax if, at the relevant time, E or any relevant group member has a relevant interest in the land or any part of it.
- (7) The original option is converted into separate options to tax different parcels of land comprised in that land or part.
- (8) Those separate options to tax are treated for the purposes of this Part of this Schedule—
- (a) as if they had been exercised by E, and
 - (b) as if they had effect from the time from which the original option had effect.
- (9) But—
- (a) those separate options to tax are treated for the purposes of paragraph 3(2) as if they had effect from the relevant time, and
 - (b) paragraph 23 (revocation of an option: the “cooling off” period) does not apply to those separate options to tax.

Status: Point in time view as at 08/11/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 25 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (10) The notification of the election given by E must identify—
- (a) the separate options to tax treated as exercised by E as a result of sub-paragraphs (6) to (8), and
 - (b) the different parcels of land in relation to which those separate options to tax are treated as having effect.
- (11) In this paragraph—
- (a) any reference to any relevant group member is to a body corporate which is a relevant group member at the relevant time, and
 - (b) any reference to any relevant group member, in relation to any relevant interest in any building or land (or any part of it), is to any relevant group member regardless of whether it has exercised an option to tax the building or land (or any part of it).
- (12) In this paragraph “relevant group member” and “relevant interest”, have the meaning given by paragraph 21.
- (13) In this paragraph any reference to a real estate election under paragraph 21 does not include an election which is made under sub-paragraph (11) of that paragraph.

Revocation of option: the “cooling off” period

23. (1) An option to tax any land exercised by any person (“the taxpayer”) may be revoked with effect from the day on which it was exercised if—
- (a) the time that has lapsed since the day on which the option had effect is less than 6 months,
 - ^{F1641}(b)
 - (c) no tax has become chargeable as a result of the option,
 - (d) there is no relevant transfer of a business as a going concern (see sub-paragraph (2)), and
 - (e) notification of the revocation is given to the Commissioners (see sub-paragraph (3)).
- (2) There is no relevant transfer of a business as a going concern if, since the option had effect, no grant in relation to the land has been made which is treated as neither a supply of goods nor a supply of services because—
- (a) the supply is a supply of the assets of a business by the taxpayer to a person to whom the business (or part of it) is transferred as a going concern, or
 - (b) the supply is a supply of assets of a business by a person to the taxpayer to whom the business (or part of it) is so transferred.
- (3) The notification of the revocation must—
- (a) be made in a form specified in a public notice, and
 - (b) contain information so specified.
- (4) The Commissioners may publish a notice for the purposes of this paragraph providing that a revocation under this paragraph is effective only if—
- (a) the conditions specified in the notice are met in relation to the option, or
 - (b) the taxpayer gets the prior permission of the Commissioners on an application made to them before the end of the 6 month period mentioned above.

Status: Point in time view as at 08/11/2021.

- (5) A notice under sub-paragraph (4) may—
- (a) provide that, in a case falling with paragraph (a) of that sub-paragraph, the taxpayer must certify that the conditions specified under that paragraph are met in relation to the option,
 - (b) specify the form in which an application under paragraph (b) of that sub-paragraph must be made,
 - (c) provide that an application under that paragraph must contain a statement by the taxpayer certifying which (if any) of the conditions specified under sub-paragraph (4)(a) are met in relation to the option,
 - (d) specify other information which an application under sub-paragraph (4)(a) must contain, and
 - (e) provide that the Commissioners may specify conditions subject to which their permission is given and, if any of those conditions are broken, the Commissioners may treat the revocation as if it had not been made.

Revocation of option: lapse of 6 years since having a relevant interest

24. - (2) The option to tax is treated for the purposes of this Part of this Schedule as revoked from the end of that period.

- (a) at the time when the option is to be revoked the conditions specified in a public notice are met in relation to the option (in which case, see sub-paragraphs (2) to (4)), or
 - (b) the taxpayer gets the prior permission of the Commissioners (in which case, see the remaining sub-paragraphs).
- (2) If the conditions specified in the public notice are met in relation to the option, the revocation has effect only if notification of the revocation is given to the Commissioners.
- (3) The notification must—

 - (d) contain other information specified in a public notice.
- (4) If—

 - (b) it is subsequently discovered that those conditions were not met in relation to the option,
- the Commissioners may nonetheless treat the option as if it had been validly revoked in accordance with this paragraph.
- (5) An application for the prior permission of the Commissioners must—
- (a) be made in a form specified in a public notice,

- (6) If the taxpayer gets the prior permission of the Commissioners for the revocation of an option, the option is revoked from—
- (a) the day on which the Commissioners give their permission, or
 - (b) such earlier or later day [^{F1642}or time as they may] specify in their permission.
- (7) The Commissioners may specify an earlier day [^{F1643}or time] only if—
- (a) the taxpayer has purported to give a notification of the revocation of the option,
 - (b) the conditions specified in the public notice are not, in the event, met in relation to the option, and
 - (c) the Commissioners consider that the grounds on which those conditions are not so met are insignificant.
- [^{F1644}(8) The Commissioners may specify a day or time under sub-paragraph (6)(b) by reference to the happening of an event or the meeting of a condition.]
- (9) The Commissioners may specify conditions subject to which their permission is given and, if any of those conditions are broken, they may treat the revocation as if it had not been made.

Revocation of option under paragraph 22(2) or (3) or 24: anti-avoidance

[^{F1645}26(1) Sub-paragraphs (2) and (3) of paragraph 22 (revocation of option to tax where a real estate election is made) do not apply if condition A or B is met.

(2) Paragraph 24 (lapse of option to tax) does not apply if condition A, B or C is met.

(3) Condition A is that—

- (a) the opter, or a relevant associate of the opter, disposes of a relevant interest in the building or land before the relevant time, and
- (b) at the relevant time, a supply for the purposes of the charge to VAT in respect of the disposal—
 - (i) is yet to take place, or
 - (ii) would be yet to take place if one or more conditions (such as the happening of an event or the doing of an act) were to be met.

(4) Condition B is that—

- (a) the opter is a body corporate that was, at any time before the relevant time, treated under sections 43A to 43D as a member of a group (“the group”), and
- (b) before the relevant time, a relevant associate of the opter in relation to the building or land ceased to be treated under those sections as a member of the group without at the same time meeting the conditions in sub-paragraph (5).

(5) A person (“A”) meets the conditions in this sub-paragraph if—

- (a) A has no relevant interest in the building or land,
- (b) where A has disposed of such an interest, it is not the case that a supply for the purposes of the charge to VAT in respect of the disposal—
 - (i) is yet to take place, or
 - (ii) would be yet to take place if one or more conditions (such as the happening of an event or the doing of an act) were to be met, and
- (c) A is not connected with any person who has a relevant interest in the building or land where that person is the opter or another relevant associate of the opter.

(6) Condition C is that the opter is a body corporate and, at the relevant time, a relevant associate of the opter in relation to the building or land—

- (a) is treated under sections 43A to 43D as a member of the same group as the opter, and
- (b) holds a relevant interest in the building or land or has held such an interest at any time within the previous 6 years.

(7) In this paragraph—

“relevant interest in the building or land” means an interest in, right over or license to occupy the building or land (or any part of it);

“the relevant time”, in relation to any option to tax, means the time from which the option would (but for this paragraph) have been treated as revoked as a result of paragraph 22(2) or (3) or 24;

“opter” means the person who exercised the option to tax in question.]

Pre-option exempt grants: requirement for prior permission before exercise of option to tax

28. (1) This paragraph applies if—
- (a) a person wants to exercise an option to tax any land with effect from a particular day,
 - (b) at any time (“the relevant time”) before that day the person has made, makes or intends to make an exempt supply to which any grant in relation to the land gives rise, and
 - (c) the relevant time is within the period of 10 years ending with that day.
- (2) The person may exercise the option to tax the land only if—
- (a) the conditions specified in a public notice are met in relation to the land, or
 - (b) the person gets the prior permission of the Commissioners (but see also paragraph 30).
- (3) The Commissioners must refuse their permission if they are not satisfied that there would be a fair and reasonable attribution of relevant input tax to relevant supplies.
- (4) For this purpose—
- “relevant input tax” means input tax incurred, or likely to be incurred, in relation to the land, and
 - “relevant supplies” means supplies to which any grant in relation to the land gives rise which would be taxable (if the option has effect).
- (5) In deciding whether there would be a fair and reasonable attribution of relevant input tax to relevant supplies, the Commissioners must have regard to all the circumstances of the case.
- (6) But they must have regard in particular to—
- (a) the total value of any exempt supply to which any grant in relation to the land gives rise and which is made or to be made before the day from which the person wants the option to have effect,
 - (b) the expected total value of any supply to which any grant in relation to the land gives rise that would be taxable (if the option has effect), and

- (2) The Commissioners may specify conditions subject to which their permission is given and, if any of those conditions are broken, they may treat the application as if it had not been made.
- (3) If the applicant (A) gets the prior permission of the Commissioners, A is, as a result of this sub-paragraph, treated for the purposes of this Part of this Schedule as if A had exercised the option to tax the land with effect from—
 - (a) the start of the day on which the application was made, or
 - (b) the start of any later day specified in the application.

Paragraph 28: purported exercise where prior permission not obtained

- 30. (1) This paragraph applies if—
 - (a) an option to tax was purportedly exercised in a case where, before the option could be exercised, the prior permission of the Commissioners was required under paragraph 28, and
 - (b) notification of the purported option was purportedly given to the Commissioners in accordance with paragraph 20.
- (2) The Commissioners may, in the case of any such option, subsequently dispense with the requirement for their prior permission to be given under paragraph 28.
- (3) If the Commissioners dispense with that requirement, a purported option—
 - (a) is treated for the purposes of this Part of this Schedule as if it had instead been validly exercised, and
 - (b) has effect in accordance with paragraph 19.

- (2) For the purposes of this Part of this Schedule, the option to tax has effect, in relation to those supplies, as if the grant had been made after that time.

Supplies in relation to a building where part designed or intended for residential or charitable use and part designed or intended for other uses
