

Environment Act 1995

1995 CHAPTER 25

PART IV

AIR QUALITY

Modifications etc. (not altering text)

C1 Pt. IV (ss. 80-91) amended (3.7.2000) by 1999 c. 29, s. 364 (with Sch. 12 para. 9(1)); S.I. 2000/801, art. 2(2)(c), Sch. Pt. 3

80 National air quality strategy.

- (1) The Secretary of State shall as soon as possible prepare and publish a statement (in this Part referred to as “the strategy”) containing policies with respect to the assessment or management of the quality of air.
- (2) The strategy may also contain policies for implementing—
 - (a) obligations of the United Kingdom under the Community Treaties, or
 - (b) international agreements to which the United Kingdom is for the time being a party,so far as relating to the quality of air.
- (3) The strategy shall consist of or include—
 - (a) a statement which relates to the whole of Great Britain; or
 - (b) two or more statements which between them relate to every part of Great Britain.
- (4) The Secretary of State—
 - (a) shall keep under review his policies with respect to the quality of air; and
 - (b) may from time to time modify the strategy.
- (5) Without prejudice to the generality of what may be included in the strategy, the strategy must include statements with respect to—

Status: Point in time view as at 23/12/1997. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Environment Act 1995, Part IV is up to date with all changes known to be in force on or before 29 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) standards relating to the quality of air;
 - (b) objectives for the restriction of the levels at which particular substances are present in the air; and
 - (c) measures which are to be taken by local authorities and other persons for the purpose of achieving those objectives.
- (6) In preparing the strategy or any modification of it, the Secretary of State shall consult—
- (a) the appropriate new Agency;
 - (b) such bodies or persons appearing to him to be representative of the interests of local government as he may consider appropriate;
 - (c) such bodies or persons appearing to him to be representative of the interests of industry as he may consider appropriate; and
 - (d) such other bodies or persons as he may consider appropriate.
- (7) Before publishing the strategy or any modification of it, the Secretary of State—
- (a) shall publish a draft of the proposed strategy or modification, together with notice of a date before which, and an address at which, representations may be made to him concerning the draft so published; and
 - (b) shall take into account any such representations which are duly made and not withdrawn.

81 Functions of the new Agencies.

- (1) In discharging its pollution control functions, each new Agency shall have regard to the strategy.
- (2) In this section “pollution control functions”, in relation to a new Agency, means—
- (a) in the case of the Agency, the functions conferred on it by or under the enactments specified in section 5(5) above; or
 - (b) in the case of SEPA, the functions conferred on it by or under the enactments specified in section 33(5) above.

82 Local authority reviews.

- (1) Every local authority shall from time to time cause a review to be conducted of the quality for the time being, and the likely future quality within the relevant period, of air within the authority’s area.
- (2) Where a local authority causes a review under subsection (1) above to be conducted, it shall also cause an assessment to be made of whether air quality standards and objectives are being achieved, or are likely to be achieved within the relevant period, within the authority’s area.
- (3) If, on an assessment under subsection (2) above, it appears that any air quality standards or objectives are not being achieved, or are not likely within the relevant period to be achieved, within the local authority’s area, the local authority shall identify any parts of its area in which it appears that those standards or objectives are not likely to be achieved within the relevant period.

Status: Point in time view as at 23/12/1997. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Environment Act 1995, Part IV is up to date with all changes known to be in force on or before 29 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

83 Designation of air quality management areas.

- (1) Where, as a result of an air quality review, it appears that any air quality standards or objectives are not being achieved, or are not likely within the relevant period to be achieved, within the area of a local authority, the local authority shall by order designate as an air quality management area (in this Part referred to as a “designated area”) any part of its area in which it appears that those standards or objectives are not being achieved, or are not likely to be achieved within the relevant period.
- (2) An order under this section may, as a result of a subsequent air quality review,—
 - (a) be varied by a subsequent order; or
 - (b) be revoked by such an order, if it appears on that subsequent air quality review that the air quality standards and objectives are being achieved, and are likely throughout the relevant period to be achieved, within the designated area.

84 Duties of local authorities in relation to designated areas.

- (1) Where an order under section 83 above comes into operation, the local authority which made the order shall, for the purpose of supplementing such information as it has in relation to the designated area in question, cause an assessment to be made of—
 - (a) the quality for the time being, and the likely future quality within the relevant period, of air within the designated area to which the order relates; and
 - (b) the respects (if any) in which it appears that air quality standards or objectives are not being achieved, or are not likely within the relevant period to be achieved, within that designated area.
- (2) A local authority which is required by subsection (1) above to cause an assessment to be made shall also be under a duty—
 - (a) to prepare, before the expiration of the period of twelve months beginning with the coming into operation of the order mentioned in that subsection, a report of the results of that assessment; and
 - (b) to prepare, in accordance with the following provisions of this Part, a written plan (in this Part referred to as an “action plan”) for the exercise by the authority, in pursuit of the achievement of air quality standards and objectives in the designated area, of any powers exercisable by the authority.
- (3) An action plan shall include a statement of the time or times by or within which the local authority in question proposes to implement each of the proposed measures comprised in the plan.
- (4) A local authority may from time to time revise an action plan.
- (5) This subsection applies in any case where the local authority preparing an action plan or a revision of an action plan is the council of a district in England which is comprised in an area for which there is a county council; and if, in a case where this subsection applies, the county council disagrees with the authority about the contents of the proposed action plan or revision of the action plan—
 - (a) either of them may refer the matter to the Secretary of State;
 - (b) on any such reference the Secretary of State may confirm the authority’s proposed action plan or revision of the action plan, with or without modifications (whether or not proposed by the county council) or reject it and, if he rejects it, he may also exercise any powers of his under section 85 below; and

Status: Point in time view as at 23/12/1997. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Environment Act 1995, Part IV is up to date with all changes known to be in force on or before 29 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) the authority shall not finally determine the content of the action plan, or the revision of the action plan, except in accordance with his decision on the reference or in pursuance of directions under section 85 below.

Modifications etc. (not altering text)

C2 S. 84(2)(b): power to amend repeal revoke or disapply conferred (E.W.) (18.10.2000 (E.) and 1.11.2000 (W.)) by 2000 c. 22, s. 7(2)(c); S.I. 2000/2836, art. 2(a); S.I. 2000/2948, art. 2

85 Reserve powers of the Secretary of State or SEPA.

- (1) In this section, “the appropriate authority” means—
- (a) in relation to England and Wales, the Secretary of State; and
 - (b) in relation to Scotland, SEPA acting with the approval of the Secretary of State.
- (2) The appropriate authority may conduct or make, or cause to be conducted or made,—
- (a) a review of the quality for the time being, and the likely future quality within the relevant period, of air within the area of any local authority;
 - (b) an assessment of whether air quality standards and objectives are being achieved, or are likely to be achieved within the relevant period, within the area of a local authority;
 - (c) an identification of any parts of the area of a local authority in which it appears that those standards or objectives are not likely to be achieved within the relevant period; or
 - (d) an assessment of the respects (if any) in which it appears that air quality standards or objectives are not being achieved, or are not likely within the relevant period to be achieved, within the area of a local authority or within a designated area.
- (3) If it appears to the appropriate authority—
- (a) that air quality standards or objectives are not being achieved, or are not likely within the relevant period to be achieved, within the area of a local authority,
 - (b) that a local authority has failed to discharge any duty imposed on it under or by virtue of this Part,
 - (c) that the actions, or proposed actions, of a local authority in purported compliance with the provisions of this Part are inappropriate in all the circumstances of the case, or
 - (d) that developments in science or technology, or material changes in circumstances, have rendered inappropriate the actions or proposed actions of a local authority in pursuance of this Part,
- the appropriate authority may give directions to the local authority requiring it to take such steps as may be specified in the directions.
- (4) Without prejudice to the generality of subsection (3) above, directions under that subsection may, in particular, require a local authority—
- (a) to cause an air quality review to be conducted under section 82 above in accordance with the directions;

Status: Point in time view as at 23/12/1997. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Environment Act 1995, Part IV is up to date with all changes known to be in force on or before 29 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) to cause an air quality review under section 82 above to be conducted afresh, whether in whole or in part, or to be so conducted with such differences as may be specified or described in the directions;
 - (c) to make an order under section 83 above designating as an air quality management area an area specified in, or determined in accordance with, the directions;
 - (d) to revoke, or modify in accordance with the directions, any order under that section;
 - (e) to prepare in accordance with the directions an action plan for a designated area;
 - (f) to modify, in accordance with the directions, any action plan prepared by the authority; or
 - (g) to implement, in accordance with the directions, any measures in an action plan.
- (5) The Secretary of State shall also have power to give directions to local authorities requiring them to take such steps specified in the directions as he considers appropriate for the implementation of—
- (a) any obligations of the United Kingdom under the Community Treaties, or
 - (b) any international agreement to which the United Kingdom is for the time being a party,
- so far as relating to the quality of air.
- (6) Any direction given under this section shall be published in such manner as the body or person giving it considers appropriate for the purpose of bringing the matters to which it relates to the attention of persons likely to be affected by them; and—
- (a) copies of the direction shall be made available to the public; and
 - (b) notice shall be given—
 - (i) in the case of a direction given to a local authority in England and Wales, in the London Gazette, or
 - (ii) in the case of a direction given to a local authority in Scotland, in the Edinburgh Gazette,of the giving of the direction and of where a copy of the direction may be obtained.
- (7) It is the duty of a local authority to comply with any direction given to it under or by virtue of this Part.

86 Functions of county councils for areas for which there are district councils.

- (1) This section applies in any case where a district in England for which there is a district council is comprised in an area for which there is a county council; and in this paragraph—
- (a) any reference to the county council is a reference to the council of that area; and
 - (b) any reference to a district council is a reference to the council of a district comprised in that area.
- (2) The county council may make recommendations to a district council with respect to the carrying out of—
- (a) any particular air quality review,

- (b) any particular assessment under section 82 or 84 above, or
 - (c) the preparation of any particular action plan or revision of an action plan,
- and the district council shall take into account any such recommendations.
- (3) Where a district council is preparing an action plan, the county council shall, within the relevant period, submit to the district council proposals for the exercise (so far as relating to the designated area) by the county council, in pursuit of the achievement of air quality standards and objectives, of any powers exercisable by the county council.
- (4) Where the county council submits proposals to a district council in pursuance of subsection (3) above, it shall also submit a statement of the time or times by or within which it proposes to implement each of the proposals.
- (5) An action plan shall include a statement of—
- (a) any proposals submitted pursuant to subsection (3) above; and
 - (b) any time or times set out in the statement submitted pursuant to subsection (4) above.
- (6) If it appears to the Secretary of State—
- (a) that air quality standards or objectives are not being achieved, or are not likely within the relevant period to be achieved, within the area of a district council,
 - (b) that the county council has failed to discharge any duty imposed on it under or by virtue of this Part,
 - (c) that the actions, or proposed actions, of the county council in purported compliance with the provisions of this Part are inappropriate in all the circumstances of the case, or
 - (d) that developments in science or technology, or material changes in circumstances, have rendered inappropriate the actions or proposed actions of the county council in pursuance of this Part,
- the Secretary of State may give directions to the county council requiring it to take such steps as may be specified in the directions.
- (7) Without prejudice to the generality of subsection (6) above, directions under that subsection may, in particular, require the county council—
- (a) to submit, in accordance with the directions, proposals pursuant to subsection (3) above or a statement pursuant to subsection (4) above;
 - (b) to modify, in accordance with the directions, any proposals or statement submitted by the county council pursuant to subsection (3) or (4) above;
 - (c) to submit any proposals or statement so modified to the district council in question pursuant to subsection (3) or (4) above; or
 - (d) to implement, in accordance with the directions, any measures included in an action plan.
- (8) The Secretary of State shall also have power to give directions to county councils for areas for which there are district councils requiring them to take such steps specified in the directions as he considers appropriate for the implementation of—
- (a) any obligations of the United Kingdom under the Community Treaties, or
 - (b) any international agreement to which the United Kingdom is for the time being a party,
- so far as relating to the quality of air.
