- 13 (1) This paragraph applies where—
- (a) an application made under paragraph 6 in respect of a mining site is finally determined,
 - (b) the conditions to which the mineral permissions relating to the site are to be subject, as determined under this Schedule, differ in any respect from the proposed conditions set out in the application, and
 - (c) the effect of the new conditions, except in so far as they are restoration or aftercare conditions, as compared with the effect of the existing conditions, except in so far as they were restoration or aftercare conditions, is to restrict working rights in respect of the site.
- (2) For the purposes of this paragraph—
- “the new conditions”, in relation to a mining site, means the conditions, determined under this Schedule, to which the mineral permissions relating to the site are to be subject; and
- “the existing conditions”, in relation to a mining site, means the conditions to which the mineral permissions relating to the site were subject immediately prior to the final determination of the application made under paragraph 6 in respect of that site.
- (3) For the purposes of this paragraph, working rights are restricted in respect of a mining site if any of—
- (a) the size of the area which may be used for the winning and working of minerals or the depositing of mineral waste,

- is restricted or reduced in respect of the mining site in question.
- (4) In a case to which this paragraph applies, but subject to sub-paragraph (6), Parts IV and X of this Act shall have effect as if an order made under section 65—

Status: This is the original version (as it was originally enacted).

- (a) had been confirmed by the Secretary of State under section 66 at the time when the application in question was finally determined, and
 - (b) as so confirmed, had effect to modify those permissions to the extent specified in sub-paragraph (6).
- (5) For the purposes of this paragraph, the order referred to in sub-paragraph (4) is one whose only effect adverse to the interests of any person having an interest in the land or minerals comprised in the mineral site is to restrict working rights in respect of the site to the same extent as the relevant restriction.
- (6) For the purposes of Schedule 13 and of any regulations made under that Schedule, the permissions treated as being modified by the order mentioned in sub-paragraph (4) shall be treated as if they were planning permissions for development which neither consists of nor includes any minerals development.
