“284A Concessions that defer a charge.

- (1) This section applies where—
 - (a) a person (“the original taxpayer”) has at any time obtained for any chargeable period (“the first chargeable period”) the benefit of any capital gains relief to which he had no statutory entitlement;
 - (b) the benefit of the relief was obtained in reliance on any concession;
 - (c) the concession was first published by the Board before 9th March 1999 or (having been published on or after that date) replaced a concession satisfying the requirements of this paragraph with a concession to the same or substantially the same effect; and
 - (d) the concession involved the application (with or without modifications), to a case to which they would not otherwise have applied, of the provisions of any enactment (“the relevant statutory provisions”).
- (2) This section applies only if, at the time when the original taxpayer obtained the benefit of the relief, the concession was one available generally to any person falling within its terms.
- (3) If the benefit obtained for the first chargeable period by the original taxpayer is repudiated for any later chargeable period (whether by the original taxpayer or by another person), the enactments relating to the taxation of chargeable gains shall have effect as if a chargeable gain equal to the amount of that benefit accrued in the later chargeable period to the person repudiating the benefit.
- (4) For the purposes of this section—
 - (a) a capital gains relief for any chargeable period is a relief (of whatever description) the effect of which is that the amount of the chargeable gains taken to have accrued to that person in that period is less than it otherwise would have been; and
 - (b) the amount of the benefit of any such relief is the amount by which, as a consequence of that relief, those gains are less than they otherwise would have been.
- (5) Where, without applying a specific enactment, any concession has the effect that—
 - (a) any asset is treated as the same as another asset and as acquired as the other asset was acquired,
 - (b) any two or more assets are treated as a single asset, or
 - (c) any disposal is treated as having been a disposal on which neither a gain nor a loss accrued,

that concession shall be assumed for the purposes of this section to have involved the application, to a case to which it would not otherwise have applied, of the provisions of an enactment to the corresponding effect.
- (6) For the purposes of this section the benefit of any relief obtained by the original taxpayer for the first chargeable period is repudiated by a person for a later chargeable period if—
 - (a) circumstances arise such that, had the equivalent circumstances arisen in the case of the corresponding relief under the relevant statutory

- provisions, the whole or a part of the benefit of that relief would have fallen to be recouped from that person in the later chargeable period;
- (b) apart from this section, the recouping in the actual circumstances of the whole or a part of the benefit obtained by the original taxpayer is prevented by the fact that the original taxpayer relied on a concession (rather than on the relevant statutory provisions) to obtain that benefit; and
- (c) the person from whom, in the equivalent circumstances, the amount of the benefit or any part of it would have fallen to be recouped is not precluded by subsection (8) below from relying on that fact in relation to that amount or part.
- (7) For the purposes of this section an amount of the benefit of a capital gains relief is recouped from any person in a chargeable period to the extent that an amount is so brought into account in his case for that period as to secure that—
- (a) the amount of his chargeable gains for that period is taken to be more than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit; or
- (b) the amount of his allowable losses for that period is taken to be less than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit.
- (8) Where—
- (a) any such circumstances as are mentioned in subsection (6)(a) above have arisen in relation to the relief the benefit of which has been obtained by the original taxpayer,
- (b) the person from whom, in the equivalent circumstances, the whole or any part of the amount of the benefit would have fallen to be recouped has accepted that, in the actual circumstances, the whole or a part of the benefit obtained by the original taxpayer may be recouped from him, and
- (c) that acceptance is indicated in writing to the Board (whether by the making or amendment of a self-assessment or otherwise),
- that person's rights subsequently to amend, appeal against or otherwise challenge any assessment shall not be exercised in any manner inconsistent with his acceptance of that matter (which shall be irrevocable).

- (a) the person assessed, within any of the periods allowed by subsection (4) below, gives an indication for the purposes of section 284A(8), or

- (4) The periods allowed by this subsection are—
 - (a) the period of twelve months beginning with the making of the assessment;

81 Acquisitions disregarded under insurance companies concession.

- (1) This section applies for the purposes of corporation tax in relation to the disposal by a company (“the relevant company”) of any asset where—
- (a) the asset is one acquired by the relevant company from an insurance company at a time when the relevant company and that insurance company were both members of the same group of companies;
 - (b) there was an occasion before the disposal (whether the occasion of the transfer of the asset to the relevant company or the occasion of an earlier transfer of the asset) in relation to which the non-statutory arrangements for groups of insurance companies were applied in the case of the transferring company;
 - (c) the application of those arrangements in relation to that occasion had the effect of preventing the cost of the asset’s acquisition by the transferring company (“the previous acquisition”) from being brought into account for tax purposes; and
 - (d) there has not, between that occasion and the making of the disposal, been any relevant event by reference to which the cost of the previous acquisition has been brought into account in computing the profits or losses of any company for tax purposes.
- (2) Subject to subsection (5) below, where the computation of the relevant company’s profits or losses from any trade requires the cost of the acquisition of the asset by that company to be brought into account in the accounting period in which the disposal takes place, that cost shall be brought into account in that period as if it were an amount equal to the cost of the previous acquisition.
- (3) Subject to subsections (4) and (5) below, where—
- (a) the asset disposed of represents a creditor relationship,

Status: Point in time view as at 01/04/2012.

- (b) the disposal is such that paragraph 6 of Schedule 15 to the ^{M30}Finance Act 1996 (adjustment for pre-commencement trading relationships) would require an amount to be brought into account in the accounting period in which the disposal takes place in any case in which there is, for that relationship, a difference such as is mentioned in sub-paragraph (1) of that paragraph, and
- (c) the cost of the previous acquisition is less than the amount which for the purposes of paragraph 5(2) of that Schedule would (apart from this subsection) be the notional closing value of the relationship on 31st March 1996,
- the question whether an amount falls to be brought into account in accordance with paragraph 6(2) or (3) of that Schedule, and the amount (if any) falling to be so brought into account, shall be determined as if the notional closing value of the relationship on 31st March 1996 had been equal to the cost of the previous acquisition.
- (4) In any case where the asset represents a creditor relationship in relation to which an election under paragraph 6(4) of Schedule 15 to the ^{M31}Finance Act 1996 has effect—
- ^{F48}(a)
- (b) paragraph 6(1) and (2) of that Schedule shall be treated as applying, notwithstanding [^{F49}paragraph 6(4)] , if, in the case of that relationship, the amount referred to in subsection (3)(c) above exceeds the cost of the previous acquisition; and
- (c) the amount falling by virtue of paragraph (b) above to be brought into account in accordance with paragraph 6(2) of that Schedule shall be determined as if the excess referred to in paragraph 6(2)(a) were the excess mentioned in paragraph (b) above.
- (5) Where—
- (a) there are two or more occasions such as are mentioned in paragraph (b) of subsection (1) above, and
- (b) paragraph (d) of that subsection is satisfied in relation to each of them,
- subsections (2) to (4) above shall have effect as if the references to the previous acquisition were references to the acquisition which is the previous acquisition in relation to the earliest of those occasions.
- (6) In subsection (1)(d) above “relevant event”, in relation to any asset, means—
- (a) a disposal of the asset; or
- (b) any event by reference to which the conditions of the non-statutory arrangements for groups of insurance companies has required the cost of the previous acquisition to be brought into account in computing the profits or losses of any company for tax purposes.
- (7) Section 170 of the ^{M32}Taxation of Chargeable Gains Act 1992 (meaning of groups etc.) shall apply for construing references in the preceding provisions of this section to a group of companies as it applies for the purposes of sections 171 to 181 of that Act.
- (8) In the preceding provisions of this section—
- “creditor relationship” has the same meaning as in [^{F50}Part 5 of the Corporation Tax Act 2009 (see section 302(5))] ; and
- “insurance company” means an insurance company within the meaning of Chapter I of Part XII of the Taxes Act 1988.

applied for the purposes of this section as it applies for [^{F52}the purpose of calculating the profits of a company's trade] ; and [^{F53}section 340(2) to (4) of the Corporation Tax Act 2009] (cases where different companies are treated as the same) shall apply for the purposes of this section as it applies for the purposes of [^{F53}Part 5 of that Act]

(10) In this section any reference to the non-statutory arrangements for groups of insurance companies is a reference to so much of any arrangements made by the Board otherwise than by virtue of an enactment as—

- (a) in relation to an accounting period beginning before 1st January 2000—
 - (i) provided for a single assessment of the trading profits of a group of insurance companies to be made on the principal company of the group; and
 - (ii) excluded trading profits on intra-group transfers of investments from the group assessment;

or

- (b) contains transitional provision, in connection with the withdrawal of any arrangements falling within paragraph (a) above, for allowing trading profits on intra-group transfers to be excluded from assessments of members of groups of insurance companies that relate to accounting periods beginning on or after 1st January 1999 and before 1st January 2000.

(11) This section—

- (a) shall not be construed as requiring any amount representing a gain on the disposal of the asset to be brought into account for tax purposes in so far as an amount representing that gain is or has already been brought into account, as an attributed gain, under any regulations made by virtue of Schedule 16 to the ^{M33}Finance Act 1993 (Forex transitional provisions); and
- (b) shall be without prejudice to any power of the Board apart from this section to enforce any conditions subject to which any relief in accordance with the non-statutory arrangements for groups of insurance companies has been allowed.

(12) This section applies in relation to disposals by the relevant company made in accounting periods beginning on or after 1st January 1999.

[^{F54}(13) If the relevant company changes from—

- (a) not recognising a profit or loss on an asset until it is realised, to
- (b) bringing assets into account in each period of account at a fair value,

then, in calculating the amount of any adjustment required under [^{F55}Chapter 14 of Part 3 of the Corporation Tax Act 2009] (calculation of adjustment on change of basis), the amount to be taken into account as the cost of the asset in relation to a period of account before the change is the cost of the previous acquisition.]
