- (a) plant or machinery is the subject of a sale and finance leaseback for the purposes of section 221, and
 - (b) section 222 (restriction of disposal value) applies.
- (2) Sections 228B to 228D also apply, with the modifications set out in section 228F, where plant or machinery is the subject of a lease and finance leaseback (as defined in section 228F).

228B Lessee's income or profits: deductions

- (1) For the purpose of income tax or corporation tax, in calculating the lessee's income or profits for a period of account the amount deducted in respect of amounts payable under the leaseback may not exceed the permitted maximum.

Status: This is the original version (as it was originally enacted).

- (2) The permitted maximum is the total of—
- (a) finance charges shown in the accounts, and
 - (b) depreciation, taking the value of the plant or machinery at the beginning of the leaseback to be the restricted disposal value.
- (3) In relation to a period of account during which the leaseback terminates, the permitted maximum shall also include an amount calculated in accordance with subsection (4).
- (4) The calculation is—

$$\text{Current Book Value} \times \frac{\text{Original Consideration}}{\text{Original Book Value}}$$

where—

“Current Book Value” means the net book value of the leased plant or machinery immediately before the termination,

“Original Consideration” means the consideration payable to S for entering into the relevant transaction, and

“Original Book Value” means the net book value of the leased plant or machinery at the beginning of the leaseback.

$$\text{Net Consideration} \times \frac{\text{Current Book Value}}{\text{Original Book Value}}$$

where—

“Net Consideration” means—

- (a) the consideration payable to S for entering into the relevant transaction, minus
- (b) the restricted disposal value,

- (6) In subsection (5), “amounts received by way of refund” includes any amount that would be so received in respect of the lessee’s interest under the leaseback if any amounts due to the lessor under the leaseback were disregarded.

 - (b) that amount is reduced by an amount due to the lessee under the leaseback,
- that reduction shall be disregarded when taking the amount receivable into account.
- (3) The amounts receivable in respect of the lessor’s interest under the leaseback that fall to be taken into account in that calculation may be disregarded to the extent that they exceed the permitted threshold (whether or not subsection (2) applies).
- (4) The permitted threshold is the total of—
- (a) gross earnings, and
 - (b) the allowable proportion of the capital repayment.

- (6) In subsection (4)(b) “allowable proportion of the capital repayment” means the amount obtained by this calculation—

$$\text{Restricted Disposal Value} \times \frac{\text{Investment Reduction For Period}}{\text{Net Investment}}$$

where—

“Investment Reduction For Period” means the amount shown in the lessor’s accounts in respect of the reduction in net investment in the leaseback, and

“Net Investment” means the amount shown in the lessor’s accounts as the lessor’s net investment in the leaseback at the beginning of its term.

- (7) This section does not apply to a leaseback if the lessee is a lessee by way of an assignment made before 17 March 2004.

228E Lessor’s income or profits: termination of leaseback

- (1) Subsection (2) applies where—
- (a) the leaseback terminates,
 - (b) the lessor disposes of the plant or machinery, and
 - (c) the amount of the disposal value required to be brought into account because of that disposal is limited by section 62.

Status: This is the original version (as it was originally enacted).

 - (c) it is directly as a consequence of having been leased under a finance lease that the plant or machinery is available to be so used after that date.
- (6) For the purposes of subsection (5), S leases the plant or machinery to B only if—
- (a) S grants B rights over the plant or machinery,
 - (b) consideration is given for that grant, and
 - (c) S is not required to bring all of that consideration into account under this Part.
- (7) Plant or machinery is not the subject of a lease and finance leaseback for the purposes of this section in any case where the condition in subsection (6)(c) is met only because of an election under section 199 made before 18 May 2004.

 - (b) can be ascertained by reference to the connected person’s accounts for one or more periods,
- that amount as ascertained by reference to the connected person’s accounts shall be used for the purposes of the relevant calculation.
- (4) Subsections (5) and (6) apply in a case where the leaseback is not accounted for as a finance lease in the accounts of a person connected with the lessee.
- (5) Sections 228B and 228C do not apply in relation to the leaseback.
- (6) If the term of the leaseback begins on or after 18 May 2004 then, for the purposes of income tax or corporation tax, the income or profits of the lessee from the relevant qualifying activity for the period of account during which the term of the leaseback begins shall be increased by—
