 - (b) the worker, or an associate of the worker, receives (from any person) a payment or benefit which can reasonably be taken to be in respect of the services, and
 - (c) the payment or benefit is not earnings (within Chapter 1 of Part 3) received by the worker directly from the MSC.
- (2) The MSC is treated as making to the worker, and the worker is treated as receiving, a payment which is to be treated as earnings from an employment (“the deemed employment payment”).

Status: Point in time view as at 17/07/2014.

Changes to legislation: Finance Act 2007 is up to date with all changes known to be in force on or before 09 August 2024. There are changes that may be brought into force at a future date.  - “the relevant services” means the services mentioned in that subsection, and
 - “the client” means the person to whom the relevant services are provided.

61E Calculation of deemed employment payment

- (1) The amount of the deemed employment payment is the amount resulting from the following steps—

Step 1

Find (applying section 61F) the amount of the payment or benefit mentioned in section 61D(1)(b).

Step 2

Deduct (applying Chapters 1 to 5 of Part 5) the amount of any expenses met by the worker that would have been deductible from the taxable earnings from the employment if—

- (a) the worker had been employed by the client to provide the relevant services, and
- (b) the expenses had been met by the worker out of those earnings.

If the result at this point is nil or a negative amount, there is no deemed employment payment.

Step 3

Assume that the result of step 2 represents an amount together with employer's national insurance contributions on it, and deduct what (on that assumption) would be the amount of those contributions.

The result is the deemed employment payment.

- (2) In step 2 of subsection (1), the reference to expenses met by the worker includes, where the MSC is a partnership and the worker is a member of the partnership, expenses met by the worker for and on behalf of the partnership.
- (3) In step 2 of subsection (1), the expenses deductible include the amount of any mileage allowance relief which the worker would have been entitled to in respect of the use of a vehicle falling within subsection (4) if—
 - (a) the worker had been employed by the client to provide the relevant services, and
 - (b) the vehicle had not been a company vehicle (within the meaning of Chapter 2 of Part 4).
- (4) A vehicle falls within this subsection if—

- (5) A payment or benefit is treated as received—
- (a) in the case of a payment or cash benefit, when payment is made of or on account of the payment or benefit;
 - (b) in the case of a non-cash benefit, when it would have been treated as received for the purposes of Chapter 4 or 5 of this Part (see section 19 or 32) if—
 - (i) the worker had been an employee, and

61G Application of Income Tax Acts in relation to deemed employment

SCHEDULE 4

Section 26

RESTRICTIONS ON TRADE LOSS RELIEF FOR PARTNERS

Limit on amount of sideways relief and capital gains relief available in any tax year

1 (1) In ITA 2007, before section 104 (and the italic cross-heading before it) insert—

“Limit on amount of sideways relief and capital gains relief

Limit on reliefs in any tax year not to exceed cap for tax year

- 103(1) This section applies if an individual carries on one or more trades—
- (a) as a non-active partner in a firm during a tax year, or
 - (b) as a limited partner in a firm at a time in that tax year,
- and the individual makes a loss in any of those trades (an “affected loss”) in that tax year.
- (2) There is a restriction on the amount of sideways relief and capital gains relief which (after applying the restrictions under the other provisions of this Chapter) may be given to the individual for any affected loss (but see subsections (6) and (7)).
 - (3) The restriction is that the total amount of the sideways relief and capital gains relief given to the individual for all the affected losses must not exceed the cap for that tax year.
 - (4) The cap for any tax year is £25,000.
 - (5) The Treasury may by order amend the sum for the time being specified in subsection (4).
 - (6) The restriction under this section does not apply to so much of any affected loss as derives from qualifying film expenditure (see section 103D).
 - (7) The restriction under this section does not affect the giving of sideways relief for a loss made in a trade against the profits of that trade.
 - (8) In this section “trade” does not include a trade which consists of the underwriting business of a member of Lloyd's (within the meaning of section 184 of FA 1993).”
- (2) The amendment made by sub-paragraph (1) has effect in relation to any loss made by an individual in a trade in the tax year 2007-08 or any subsequent tax year.
 - (3) But, in the case of a loss made by an individual in a trade in a tax year the basis period for which begins before 2nd March 2007 (a “straddling basis period”), the amount of that loss for the purposes of section 103C of ITA 2007 is—
 - (a) the amount of sideways relief and capital gains relief which (after applying the restrictions under the other provisions of Chapter 3 of Part 4 of that Act) may be given to the individual for that loss, less
 - (b) the amount (if any) of the pre-announcement loss.
 - (4) “The pre-announcement loss” is determined as follows.

- (5) Calculate the profits or losses of the straddling basis period, but without regard to capital allowances and qualifying film expenditure (within the meaning of section 103D of ITA 2007).
- (6) If that calculation produces a loss and the individual has made a contribution of an amount as capital to the firm or LLP in question—
 - (a) on or before the start of the straddling basis period, or
 - (b) after the start of that period but before 2nd March 2007,
 apportion the loss produced by that calculation to the part of the straddling basis period which begins with the relevant date and falls before 2nd March 2007 in proportion to the number of days in that part.
- (7) Calculate so much of the loss of the straddling basis period as derives from relevant pre-announcement capital expenditure.
- (8) The pre-announcement loss is the sum of—
 - (a) the amount of the loss apportioned under sub-paragraph (6) (if any), and
 - (b) so much of the loss of the straddling basis period (if any) as derives from relevant pre-announcement capital expenditure.
- (9) In sub-paragraph (6) “the relevant date” means—
 - (a) in any case where a contribution was made on or before the start of the straddling basis period, the start of that period, and
 - (b) in any other case, the date on which the contribution was made or, if more than one contribution was made, the date on which the first contribution was made.
- (10) For the purposes of this paragraph the amount of the loss of the straddling basis period that derives from relevant pre-announcement capital expenditure is determined on a just and reasonable basis.
- (11) In this paragraph “relevant pre-announcement capital expenditure” means—
 - (a) any capital allowance in respect of expenditure paid before 2nd March 2007, and
 - (b) any capital allowance in respect of expenditure paid on or after that date pursuant to an unconditional obligation in a contract made before that date, and for this purpose “an unconditional obligation” means an obligation which may not be varied or extinguished by the exercise of any right conferred on the firm or LLP in question (whether or not under the contract).
- (12) For the purposes of this paragraph—
 - (a) an amount of money is not to be taken as contributed as capital to a firm or LLP until the money is paid to the firm or LLP, and
