CHAPTER 3

CALCULATION OF INCOME TAX LIABILITY

22 Overview of Chapter

- (1) This Chapter deals with the calculation of a person's income tax liability for a tax year.
- (2) But it does not deal with any income tax liability mentioned in section 32.
- (3) This Chapter needs to be read with Chapter 1 of Part 14 (limits on liability to income tax of non-UK residents).

23 The calculation of income tax liability

To find the liability of a person (“the taxpayer”) to income tax for a tax year, take the following steps. *Step 1*

Identify the amounts of income on which the taxpayer is charged to income tax for the tax year.

The sum of those amounts is “total income”.

Each of those amounts is a “component” of total income.

Step 2

Deduct from the components the amount of any relief under a provision listed in relation to the taxpayer in section 24 to which the taxpayer is entitled for the tax year.

See section 25 for further provision about the deduction of those reliefs.

The sum of the amounts of the components left after this step is “net income”.

Step 3

Deduct from the amounts of the components left after Step 2 any allowances to which the taxpayer is entitled for the tax year under Chapter 2 of Part 3 of this Act or ^{F73}... (individuals: personal allowance and blind person's allowance).

See section 25 for further provision about the deduction of those allowances.

Step 4

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Calculate tax at each applicable rate on the amounts of the components left after Step 3.

See Chapter 2 of this Part for the rates at which income tax is charged and the income charged at particular rates.

If the taxpayer is a trustee, see also Chapters 3 to 6 and 10 of Part 9 (special rules about settlements and trustees) for further provision about the income charged at particular rates.

Step 5

Add together the amounts of tax calculated at Step 4.

Step 6

Deduct from the amount of tax calculated at Step 5 any tax reductions to which the taxpayer is entitled for the tax year under a provision listed in relation to the taxpayer in section 26.

See sections 27 to 29 for further provision about the deduction of those tax reductions.

Step 7

Add to the amount of tax left after Step 6 any amounts of tax for which the taxpayer is liable for the tax year under any provision listed in relation to the taxpayer in section 30.

The result is the taxpayer's liability to income tax for the tax year.

Trade loss relief against general income

64 Deduction of losses from general income

- (1) A person may make a claim for trade loss relief against general income if the person—
 - (a) carries on a trade in a tax year, and
 - (b) makes a loss in the trade in the tax year (“the loss-making year”).
- (2) The claim is for the loss to be deducted in calculating the person's net income—
 - (a) for the loss-making year,
 - (b) for the previous tax year, or
 - (c) for both tax years.

(See Step 2 of the calculation in section 23.)
- (3) If the claim is made in relation to both tax years, the claim must specify the tax year for which a deduction is to be made first.
- (4) Otherwise the claim must specify either the loss-making year or the previous tax year.
- (5) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the loss-making year.
- (6) Nothing in this section prevents a person who makes a claim specifying a particular tax year in respect of a loss from making a further claim specifying the other tax year in respect of the unused part of the loss.
- (7) This section applies to professions and vocations as it applies to trades.
- (8) This section needs to be read with—
 - (a) section 65 (how relief works),
 - (b) sections 66 to 70 (restrictions on the relief),

65 How relief works

- (1) This subsection explains how the deductions are to be made.

The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss in calculating the person's net income for the specified tax year.

Step 2

This step applies only if the claim is made in relation to both tax years.

Deduct the part of the loss not deducted at Step 1 in calculating the person's net income for the other tax year.

Other claims

If the loss has not been deducted in full at Steps 1 and 2, the person may use the part not so deducted in giving effect to any other relief under this Chapter (depending on the terms of the relief).

- (2) There is a priority rule if a person—
- (a) makes a claim for trade loss relief against general income (“the first claim”) in relation to the loss-making year, and
 - (b) makes a separate claim in respect of a loss made in the following tax year in relation to the same tax year as the first claim.
- (3) The rule is that priority is given to making deductions under the first claim.
- (4) For this purpose a “separate claim” means—
- (a) a claim for trade loss relief against general income, or
 - (b) a claim for employment loss relief against general income under section 128.

Status: Point in time view as at 31/01/2013.

Restriction on relief for uncommercial trades

66 Restriction on relief unless trade is commercial

- (1) Trade loss relief against general income for a loss made in a trade in a tax year is not available unless the trade is commercial.
- (2) The trade is commercial if it is carried on throughout the basis period for the tax year—
 - (a) on a commercial basis, and
 - (b) with a view to the realisation of profits of the trade.
- (3) If at any time a trade is carried on so as to afford a reasonable expectation of profit, it is treated as carried on at that time with a view to the realisation of profits.
- (4) If the trade forms part of a larger undertaking, references to profits of the trade are to be read as references to profits of the undertaking as a whole.
- (5) If there is a change in the basis period in the way in which the trade is carried on, the trade is treated as carried on throughout the basis period in the way in which it is carried on by the end of the basis period.
- (6) The restriction imposed by this section does not apply to a loss made in the exercise of functions conferred by or under an Act.

68 Reasonable expectation of profit

- (1) This section explains how the farming or market gardening activities (“the activities”) meet the reasonable expectation of profit test for the purposes of section 67.
- (2) The test is decided by reference to the expectations of a competent farmer or market gardener (a “competent person”) carrying on the activities.
- (3) The test is met if—
 - (a) a competent person carrying on the activities in the current tax year would reasonably expect future profits (see subsection (4)), but
 - (b) a competent person carrying on the activities at the beginning of the prior period of loss (see subsection (5)) could not reasonably have expected the activities to become profitable until after the end of the current tax year.
- (4) In determining whether a competent person carrying on the activities in the current tax year would reasonably expect future profits regard must be had to—

- (5) “The prior period of loss” means—
 - (a) the 5 tax years before the current tax year, or

70 Determining losses in previous tax years

- (1) This section applies for the purposes of sections 67(2) and 68(5) in determining whether a loss, calculated without regard to capital allowances, is made in the trade in any tax year before the current tax year.
- (2) The loss made in a tax year before the current tax year is not taken to be the loss (if any) made in the basis period for the tax year, but is instead the loss made in the tax year itself.
- (3) This loss is determined by reference to—
 - (a) the profits or losses of periods of account of the trade (calculated for income tax purposes, but without regard to capital allowances), or
 - (b) if (as a result of section 69) a person claiming the relief is treated as the same person as a company within the charge to corporation tax, the profits or losses of the company's accounting periods (calculated for corporation tax purposes, but without regard to capital allowances),

For this purpose references in section 203(2) of that Act to basis periods are read as references to tax years and references to periods of account are read as including accounting periods.
- (5) The steps must be taken in accordance with section 203(3) or (4) of ITTOIA 2005.
- (6) A loss in a trade is calculated without regard to capital allowances by ignoring—
 - (a) the allowances treated as expenses of the trade under CAA 2001, and

- (2) The claim is for the loss to be deducted in calculating the individual's net income for the 3 tax years before the one in which the loss is made (see Step 2 of the calculation in section 23).
- (3) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the tax year in which the loss is made.

73 How relief works

This section explains how the deductions are made for the 3 tax years mentioned in section 72(2). The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss in calculating the individual's net income for the earliest of the 3 tax years.

Step 2

Deduct any part of the loss not deducted at Step 1 in calculating the individual's net income for the next tax year.

Step 3

Deduct any part of the loss not deducted at Step 1 or 2 in calculating the individual's net income for the latest of the 3 tax years.

Other claims

If the loss has not been deducted in full at Steps 1 to 3, the individual may use the part not so deducted in giving effect to any other relief under this Chapter (depending on the terms of the relief).

Carry-forward trade loss relief

83 Carry forward against subsequent trade profits

- (1) A person may make a claim for carry-forward trade loss relief if—
 - (a) the person has made a loss in a trade in a tax year, and
 - (b) relief for the loss has not been fully given under this Chapter or any other provision of the Income Tax Acts or under section 261B of TCGA 1992 (use of trading loss as a CGT loss).
- (2) The claim is for the part of the loss for which relief has not been given under any such provision (“the unrelieved loss”) to be deducted in calculating the person's net income for subsequent tax years (see Step 2 of the calculation in section 23).
- (3) But a deduction for that purpose is to be made only from profits of the trade.
- (4) In calculating a person's net income for a tax year, deductions under this section from the profits of a trade are to be made before deductions of any other reliefs from those profits.
- (5) This section applies to professions and vocations as it applies to trades (and section 84 is to be read accordingly).
- (6) This section needs to be read with—
 - (a) section 84 (how relief works),
 - (b) section 85 (use of trade-related interest and dividends if trade profits insufficient),
 - (c) section 86 (trade transferred to a company),
 - (d) section 87 (ring fence trades),
 - (e) section 88 (carry forward of certain interest as loss), and
 - (f) sections 17(3) and 852(7) of ITTOIA 2005 (effect of becoming or ceasing to be UK resident).

84 How relief works

This section explains how the deductions are to be made. The amount of the unrelieved loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the unrelieved loss from the profits of the trade of the next tax year.

Step 2

Deduct from the profits of the trade of the following tax year the amount of the unrelieved loss not previously deducted.

Step 3

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Continue to apply Step 2 in relation to the profits of the trade of subsequent tax years until all the unrelieved loss is deducted.

85 Use of trade-related interest and dividends if trade profits insufficient

- (1) This section applies if carry-forward trade loss relief cannot be fully given in relation to the profits of a trade of a tax year because (apart from this section) there are no profits, or insufficient profits, of the trade of the tax year.
- (2) For the purposes of the relief any interest or dividends for the tax year that relate to the trade are treated as profits of the trade of the tax year.
- (3) Interest or dividends for the tax year relate to the trade if they—
 - (a) arise in the tax year, and
 - (b) would be brought into account in calculating the profits of the trade but for the fact that they have been subjected to tax under other provisions of the Income Tax Acts.

86 Trade transferred to a company

- (1) This section applies if—
 - (a) a trade is carried on by an individual otherwise than as a partner in a firm or by individuals in partnership,
 - (b) the trade is transferred to a company,
 - (c) the consideration for the transfer is wholly or mainly the allotment of shares to the individual or individuals, and
 - (d) in the case of any individual to whom, or to whose nominee or nominees, shares are so allotted, the individual's total income for a relevant tax year includes income derived by the individual from the company.
- (2) For the purposes of carry-forward trade loss relief, the income so derived is treated as—
 - (a) profits of the trade of the relevant tax year carried on by the individual, or
 - (b) if the trade was carried on by the individual in partnership, profits of the individual's notional trade of the relevant tax year.
- (3) The tax year in which the transfer is made is a relevant one if—
 - (a) the individual is the beneficial owner of the shares allotted as mentioned above, and
 - (b) the company carries on the trade,
throughout the period beginning with the date of the transfer and ending with the next 5 April.
- (4) Otherwise a tax year is a relevant one if—
 - (a) the individual is the beneficial owner of the shares allotted as mentioned above, and
 - (b) the company carries on the trade,
throughout the tax year.
- (5) The income derived from the company may be by way of dividends on the shares or otherwise.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(6) This section applies to businesses which are not trades as it applies to trades.

87 Ring fence trades

(1) This section applies if—

- (a) a person makes a loss in a tax year carrying on oil-related activities (within the meaning of section 16 of ITTOIA 2005),
- (b) those activities are treated under that section as a separate trade for the tax year or a subsequent tax year,
- (c) the person makes profits in a subsequent tax year from other activities, and
- (d) the other activities and the oil-related activities would, but for that section, together form a single trade.

(2) For the purposes of carry-forward trade loss relief for the loss, the person may treat profits from the other activities in a subsequent tax year as if they were profits of the separate trade (despite section 16 of ITTOIA 2005).

88 Carry forward of certain interest as loss

(1) This section applies if—

- (a) an individual pays interest in a tax year which is eligible for relief under section 383 (as a result of section 388 or 398),
- (b) the interest is an expense incurred wholly and exclusively for the purposes of a trade carried on wholly or partly in the United Kingdom, and
- (c) relief under section 383 cannot be fully given in respect of the interest because there is no income or insufficient income in the tax year.

(2) For the purposes of carry-forward trade loss relief, the amount for which relief has not been given may be carried forward to subsequent tax years as if it were a loss made in the trade.

(3) This section applies to professions and vocations as it applies to trades.

Terminal trade loss relief

89 Carry back of losses on a permanent cessation of a trade

(1) A person may make a claim for terminal trade loss relief if the person—

- (a) permanently ceases to carry on a trade in a tax year (“the final tax year”), and
- (b) makes a terminal loss in the trade (see section 90).

(2) The claim is for the total amount of terminal losses made in the trade by the person (“the relievable loss”) to be deducted in calculating the person's net income for the final tax year and the 3 previous tax years (see Step 2 of the calculation in section 23).

(3) But a deduction for that purpose is to be made only from profits of the trade.

(4) This section applies to professions and vocations as it applies to trades (and sections 90 and 91 are to be read accordingly).

(5) This section needs to be read with—

- (a) section 91 (how relief works),

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) section 92 (use of trade-related interest and dividends if trade profits insufficient),
- (c) section 93 (mineral extraction trade and carry back of balancing allowances), and
- (d) section 94 (carry back of certain interest as loss).

90 Losses that are “terminal losses”

- (1) Each of the following is a terminal loss made in the trade—
 - (a) the loss (if any) made in the trade in the period beginning with the start of the final tax year and ending with the cessation, and
 - (b) the loss (if any) made in the trade in the period consisting of so much of the previous tax year as falls in the 12 months prior to the cessation.
- (2) The profit or loss of a period mentioned in subsection (1)(a) or (b) (a “terminal loss period”) is determined by reference to the profits or losses of periods of account of the trade (calculated for income tax purposes).
- (3) If no period of account coincides with a terminal loss period, any of the following steps may be taken if they are necessary in order to arrive at the profit or loss of the terminal loss period—
 - (a) apportioning the profit or loss of a period of account between the part of the period that falls in the terminal loss period and the part that does not, and
 - (b) adding the profit or loss of a period of account (or part of a period) to profits or losses of other periods of account (or parts).
- (4) Section 203(3) and (4) of ITTOIA 2005 applies for the purposes of subsection (3) as it applies for the purposes of section 203(2) of that Act.
- (5) If as a result of section 205 of ITTOIA 2005 a deduction is allowed for overlap profit in calculating the profits of the trade of the final tax year, that deduction is to be made in calculating the loss (if any) mentioned in subsection (1)(a) (and is therefore irrelevant for the purposes of subsection (1)(b)).
- (6) In the case of a notional trade carried on by a partner in a firm—
 - (a) the periods of account of the notional trade are taken to be the periods of account of the actual trade, and
 - (b) the references in subsections (2) and (3) to the profits or losses of periods of account of the trade are to the partner's share of the profits or losses of the actual trade determined in accordance with sections 849 and 850 of ITTOIA 2005.

91 How relief works

This section explains how the deductions are to be made. The amount of the relievable loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the relievable loss from the profits of the trade of the final tax year.

Step 2

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Deduct any part of the relievable loss not deducted at Step 1 from the profits of the trade of the previous tax year.

Step 3

Deduct any part of the relievable loss not deducted at Step 1 or 2 from the profits of the trade of the tax year before the previous one.

Step 4

Deduct any part of the relievable loss not deducted at Step 1, 2 or 3 from the profits of the trade of the tax year before that one.

Other claims

If the relievable loss has not been deducted in full at Steps 1 to 4, the person may use the part not so deducted in giving effect to any other relief under this Chapter (depending on the terms of the relief).

92 Use of trade-related interest and dividends if trade profits insufficient

- (1) This section applies if terminal trade loss relief cannot be fully given in relation to the profits of a trade of a tax year because (apart from this section) there are no profits, or insufficient profits, of the trade of the tax year.
- (2) For the purposes of the relief any interest or dividends for the tax year that relate to the trade are treated as profits of the trade of the tax year.
- (3) Interest or dividends for the tax year relate to the trade if they—
 - (a) arise in the tax year, and
 - (b) would be brought into account in calculating the profits of the trade but for the fact that they have been subjected to tax under other provisions of the Income Tax Acts.

93 Mineral extraction trade and carry back of balancing allowances

- (1) This section applies if—
 - (a) a person permanently ceases to carry on a mineral extraction trade, and
 - (b) the person makes a claim for terminal trade loss relief and a claim in respect of a balancing allowance under section 355 of CAA 2001.
- (2) Terminal trade loss relief must be given before relief under section 355 of CAA 2001.
- (3) In giving effect to the terminal trade loss relief, the balancing allowance is to be ignored.
- (4) “Mineral extraction trade” has the same meaning as in Part 5 of CAA 2001 (see section 394 of that Act).

94 Carry back of certain interest as loss

- (1) This section applies if—
 - (a) an individual pays interest in a tax year which is eligible for relief under section 383 (as a result of section 388 or 398),

Status: Point in time view as at 31/01/2013.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the interest is an expense incurred wholly and exclusively for the purposes of a trade carried on wholly or partly in the United Kingdom, and
 - (c) relief under section 383 cannot be fully given in respect of the interest because there is no income or insufficient income in the tax year.
- (2) For the purposes of terminal trade loss relief, the amount for which relief has not been given may be treated as a loss made in the trade at the date of payment.
- (3) This section applies to professions and vocations as it applies to trades.

Wholly foreign trades

95 Foreign trades etc: reliefs only against foreign income

- (1) This section applies if a person—
- (a) carries on a trade, profession or vocation wholly outside the United Kingdom, and

 - (b) trade income relief for the loss is available only against the person's qualifying foreign trade income, and
 - (c) section 261B of TCGA 1992 (use of trading loss as a CGT loss) does not apply in relation to the loss.

- (5) “Qualifying foreign trade income” means the profits of any trade, profession or vocation carried on wholly outside the United Kingdom.
- (6) But “qualifying foreign income” and “qualifying foreign trade income” do not include any income which is charged to income tax in accordance with section 832 of ITTOIA 2005 (relevant foreign income charged on the remittance basis).

- (2) If the claim is made in respect of a payment, the claim is for the payment to be deducted in calculating the person's net income for the tax year in which the payment is made (see Step 2 of the calculation in section 23).
- (3) If the claim is made in respect of an event, the claim is for the appropriate amount of the debt to be deducted in calculating the person's net income for the relevant tax year (see Step 2 of the calculation in section 23).
- (4) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the tax year for which the deduction is to be made.

- (6) This section applies to professions and vocations as it applies to trades (and sections 97 and 98 are to be read accordingly).
- (7) This section needs to be read with—
 - (a) section 97 (meaning of “qualifying payment”),

100 Prohibition against double counting

- (1) Post-cessation trade relief is not available for an amount for which relief is given, or is available, under any other provision of the Income Tax Acts.
- (2) For this purpose—
 - (a) relief available under section 254 of ITTOIA 2005 (allowable deductions against post-cessation receipts) is treated as given for other amounts before any amount for which post-cessation trade relief is available, and
 - (b) relief under that section is treated as available if it would have been available but for the fact that the post-cessation receipts (against which the deductions would have been allowed) are exempt under section 524 of this Act.

101 Treating excess post-cessation trade relief as CGT loss

A person who cannot deduct all of an amount under a claim for post-cessation trade relief may be able to treat the unused part as an allowable loss for capital gains tax purposes: see sections 261D and 261E of TCGA 1992.

- (2) Amount A is the amount which the individual has contributed to the firm as capital less so much of that amount (if any) as is within subsection (4).
- (3) In particular, the individual's share of any profits of the firm is to be included in the amount which the individual has contributed to the firm as capital so far as that share has been added to the firm's capital.
- (4) An amount of capital is within this subsection if it is an amount which—
 - (a) the individual has previously drawn out or received back,
 - (b) the individual draws out or receives back during the period of 5 years beginning with the relevant time,
 - (c) the individual is or may be entitled to draw out or receive back at any time when the individual is carrying on a trade as a partner in the firm, or
 - (d) the individual is or may be entitled to require another person to reimburse to the individual.
- (5) In subsection (4) any reference to drawing out or receiving back an amount is to doing so directly or indirectly but does not include drawing out or receiving back an amount which, because of its being drawn out or received back, is chargeable to income tax as profits of a trade.
- (6) Amount B is the amount of the individual's total share of profits within subsection (7) except so far as—
 - (a) that share has been added to the firm's capital, or
 - (b) the individual has received that share in money or money's worth.
- (7) Profits are within this subsection if they are from the relevant trade.
- (8) In determining the amount of the individual's total share of profits within subsection (7) ignore the individual's share of any losses from the relevant trade which would (apart from this subsection) reduce that amount.
- (9) In subsections (3), (7) and (8) any reference to profits or losses are to profits or losses calculated in accordance with generally accepted accounting practice (before any adjustment required or authorised by law in calculating profits or losses for income tax purposes).
- (10) If the firm is carrying on, or has carried on, other trades apart from the relevant trade, subsections (7) and (8) have effect as if references to the relevant trade were references to the relevant trade or any of the other trades.

Subsection (8) of section 110 applies for the purposes of this subsection as it applies for the purposes of that section.
- (11) Amount C is the amount which the individual has contributed to the assets of the firm on its winding up so far as it is not included in amount A or B.
- (12) This section needs to be read with [F199] section 113A and any regulations made under section 114 (exclusion of amounts] in calculating the individual's contribution to the firm for the purposes of section 110).

Status: Point in time view as at 31/01/2013.

Carry-forward property loss relief

118 Carry forward against subsequent property business profits

- (1) Relief is given to a person under this section if the person—
 - (a) carries on a UK property business or overseas property business (alone or in partnership) in a tax year, and
 - (b) makes a loss in the business in the tax year.
- (2) The relief is given by deducting the loss in calculating the person's net income for subsequent tax years (see Step 2 of the calculation in section 23).
- (3) But a deduction for that purpose is to be made only from profits of the business.
- (4) In calculating a person's net income for a tax year, deductions under this section from the profits of a business are to be made before deductions of any other reliefs from those profits.
- (5) No relief is to be given under this section so far as relief for the loss is given under section 120.
- (6) This section needs to be read with section 119 (how relief works).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

119 How relief works

This section explains how the deductions are to be made. The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss from the profits of the business for the next tax year.

Step 2

Deduct from the profits of the business for the following tax year the amount of the loss not previously deducted.

Step 3

Continue to apply Step 2 in relation to the profits of the business for subsequent tax years until all the loss is deducted.

Property loss relief against general income

120 Deduction of property losses from general income

- (1) A person may make a claim for property loss relief against general income if—
 - (a) in a tax year (“the loss-making year”) the person makes a loss in a UK property business or overseas property business (whether carried on alone or in partnership), and
 - (b) the loss has a capital allowances connection or the business has a relevant agricultural connection.
- (2) The claim is for the applicable amount of the loss to be deducted in calculating the person's net income—
 - (a) for the loss-making year, or
 - (b) for the next tax year.

(See Step 2 of the calculation in section 23.)
- (3) The claim must specify the tax year for which the deduction is to be made.
- (4) But if the applicable amount of the loss is not deducted in full in giving effect to a claim for the specified tax year, the person may make a separate claim for property loss relief against general income for the other tax year.
- (5) For this purpose “the other tax year” means the tax year which was not specified in the claim already made, but which could have been specified.
- (6) This section needs to be read with—
 - (a) section 121 (how relief works),
 - (b) section 122 (meaning of “the applicable amount of the loss”),
 - (c) section 123 (meaning of “the loss has a capital allowances connection” and “the business has a relevant agricultural connection”), and
 - (d) section 124 (supplementary).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

[^{F210}(7) See also section 127A (no relief for tax-generated losses attributable to annual investment allowance) [^{F211}and section 127B (no relief for tax-generated agricultural expenses)].]

Textual Amendments

F210 S. 120(7) inserted (8.4.2010 with effect in accordance with s. 25(5)-(7) of the amending Act) by [Finance Act 2010 \(c. 13\), s. 25\(3\)](#)

F211 Words in s. 120(7) inserted (17.7.2012) (with effect in accordance with s. 10(5)-(7) of the amending Act) by [Finance Act 2012 \(c. 14\), s. 10\(3\)](#)

121 How relief works

(1) This subsection explains how the deductions are to be made.

The amount of the applicable amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the applicable amount of the loss in calculating the person's net income for the specified tax year.

Step 2

This step applies if the applicable amount of the loss has not been deducted in full and the person makes a separate claim for the other tax year.

Deduct the part of the applicable amount of the loss not deducted at Step 1 in calculating the person's net income for the other tax year.

Other relief

If the applicable amount of the loss has not been deducted in full at Steps 1 and 2, relief is given under section 118 for the part not so deducted.

(2) There is a priority rule if—

- (a) a person makes a claim for property loss relief against general income (“the prior claim”) in respect of a loss made in a tax year,
- (b) the prior claim specifies the next tax year as the one for which the deduction is to be made (“the relevant tax year”),
- (c) the person makes another claim for property loss relief against general income in respect of a loss made in the relevant tax year, and
- (d) that other claim also specifies the relevant tax year as the one for which the deduction is to be made.

(3) The rule is that priority is given to making deductions under the prior claim.

122 Meaning of “the applicable amount of the loss”

(1) This section defines “the applicable amount of the loss” for the purposes of sections 120 and 121.

(2) “The applicable amount of the loss” is—

- (3) If—
- (a) the loss has a capital allowances connection, but

- the amount arising from the relevant connection is the amount (“the net capital allowances”) by which the capital allowances exceed the charges under CAA 2001.
- (4) If—
- (a) the business has a relevant agricultural connection, but
 - (b) the loss does not have a capital allowances connection,

- (a) the loss has a capital allowances connection, and
 - (b) the business has a relevant agricultural connection,
- the amount arising from the relevant connection is the sum of the net capital allowances and the amount of the allowable agricultural expenses.

123 Meaning of “the loss has a capital allowances connection” and “the business has a relevant agricultural connection”

- (1) This section applies for the purposes of sections 120 and 122.
- (2) The loss has a capital allowances connection if, in calculating the loss—
 - (a) the amount of the capital allowances treated as expenses of the business, exceeds
 - (b) the amount of any charges under CAA 2001 treated as receipts of the business.
- (3) The business has a relevant agricultural connection if—
 - (a) the business is carried on in relation to land that consists of or includes an agricultural estate, and
 - (b) allowable agricultural expenses deducted in calculating the loss are attributable to the estate.
- (4) “Agricultural estate” means land—
 - (a) which is managed as one estate, and
 - (b) which consists of or includes land occupied wholly or mainly for purposes of husbandry.
- (5) “Allowable agricultural expenses”, in relation to an agricultural estate, means any expenses attributable to the estate which are deductible—
 - (a) in respect of maintenance, repairs, insurance or management of the estate, and
 - (b) otherwise than in respect of interest payable on a loan.
- (6) But expenses attributable to the parts of the estate used wholly for purposes other than those of husbandry are to be ignored.
- (7) And if parts of the estate are used both—

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) for purposes of husbandry, and
- (b) for other purposes,

the expenses in respect of those parts are to be reduced so far as those parts are used for the other purposes.

124 Supplementary

- (1) A claim for property loss relief against general income must be made on or before the first anniversary of the normal self-assessment filing date for the tax year specified in the claim.
- (2) If a loss has previously been carried forward under section 118, the claim must be accompanied by the amendments of any return made under—
 - (a) section 8 of TMA 1970, or
 - (b) section 8A of TMA 1970,
 that are necessary to give effect to section 118(5) (reducing the amount of the loss carried forward (if necessary, to nil)).

Post-cessation property relief

125 Post-cessation property relief

- (1) A person may make a claim for post-cessation property relief if, after permanently ceasing to carry on a UK property business (whether carried on alone or in partnership) —
 - (a) the person makes a qualifying payment, or
 - (b) a qualifying event occurs in relation to a debt owed to the person,
 and the payment is made, or the event occurs, within 7 years of that cessation.
- (2) If the claim is made in respect of a payment, the claim is for the payment to be deducted in calculating the person's net income for the tax year in which the payment is made (see Step 2 of the calculation in section 23).
- (3) If the claim is made in respect of an event, the claim is for the appropriate amount of the debt to be deducted in calculating the person's net income for the relevant tax year (see Step 2 of the calculation in section 23).
- (4) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the tax year for which the deduction is to be made.
- (5) If—
 - (a) the person is a company within the charge to income tax under Chapter 3 of Part 3 of ITTOIA 2005 in respect of a UK property business, and
 - (b) the company ceases at any time to be within that tax charge in respect of the business,
 the company is treated for the purposes of this section as permanently ceasing to carry on the business at that time.
- (6) The following provisions apply for the purposes of post-cessation property relief as they apply for the purposes of post-cessation trade relief (but as if any reference to a trade were to a UK property business)—

CHAPTER 5

LOSSES IN AN EMPLOYMENT OR OFFICE

128 Employment loss relief against general income

- (1) A person may make a claim for employment loss relief against general income if the person—
 - (a) is in employment or holds an office in a tax year, and
 - (b) makes a loss in the employment or office in the tax year (“the loss-making year”).
- (2) The claim is for the loss to be deducted in calculating the person's net income—
 - (a) for the loss-making year,
 - (b) for the previous tax year, or
 - (c) for both tax years.

(See Step 2 of the calculation in section 23.)
- (3) If the claim is made in relation to both tax years, the claim must specify the year for which a deduction is to be made first.
- (4) Otherwise the claim must specify either the loss-making year or the previous tax year.
- (5) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the loss-making year.
- [^{F217}(5A) No claim may be made in respect of the loss if and to the extent that it is made as a result of anything done in pursuance of arrangements the main purpose, or one of the main purposes, of which is the avoidance of tax.]
- (6) Nothing in this section prevents a person who makes a claim specifying a particular tax year in respect of a loss from making a further claim specifying the other tax year in respect of the unused part of the loss.
- (7) This Chapter is subject to paragraph 2 of Schedule 1B to TMA 1970 (claims for loss relief involving two or more years).
- (8) This section needs to be read with section 129 (how relief works).

Textual Amendments

F217 S. 128(5A) inserted (with effect in accordance with s. 68(2) of the amending Act) by [Finance Act 2009](#) (c. 10), [s. 68\(1\)](#) (with [s. 68\(3\)](#))

129 How relief works

- (1) This subsection explains how the deductions are to be made.

The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss in calculating the person's net income for the specified tax year.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 2

This step applies only if the claim is made in relation to both tax years.

Deduct the part of the loss not deducted at Step 1 in calculating the person's net income for the other tax year.

- (2) There is a priority rule if a person—
 - (a) makes a claim for employment loss relief against general income (“the first claim”) in relation to the loss-making year, and
 - (b) makes a separate claim in respect of a loss made in the following tax year in relation to the same tax year as the first claim.
- (3) The rule is that priority is given to making deductions under the first claim.
- (4) For this purpose a “separate claim” means—
 - (a) a claim for employment loss relief against general income, or
 - (b) a claim for trade loss relief against general income (see sections 64 to 70).

130 Treating loss in employment or office as CGT loss

A person who cannot deduct all of a loss in an employment or office under a claim for employment loss relief against general income may be able to treat the unused part as an allowable loss for capital gains tax purposes: see sections 261B and 261C of TCGA 1992.

CHAPTER 6

LOSSES ON DISPOSAL OF SHARES

Share loss relief against general income

131 Share loss relief

- (1) An individual is eligible for relief under this Chapter (“share loss relief”) if—
 - (a) the individual incurs an allowable loss for capital gains tax purposes on the disposal of any shares in any tax year (“the year of the loss”), and
 - (b) the shares are qualifying shares.

This is subject to subsections (3) and (4) and section 136(2).

- (2) Shares are qualifying shares for the purposes of this Chapter if—
 - (a) EIS relief is attributable to them, or
 - (b) if EIS relief is not attributable to them, they are shares in a qualifying trading company which have been subscribed for by the individual.
- (3) Subsection (1) applies only if the disposal of the shares is—
 - (a) by way of a bargain made at arm's length,
 - (b) by way of a distribution in the course of dissolving or winding up the company,
 - (c) a disposal within section 24(1) of TCGA 1992 (entire loss, destruction dissipation or extinction of asset), or

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (d) a deemed disposal under section 24(2) of that Act (claim that value of the asset has become negligible).
- (4) Subsection (1) does not apply to any allowable loss incurred on the disposal if—
- (a) the shares are the subject of an exchange or arrangement of the kind mentioned in section 135 or 136 of TCGA 1992 (company reconstructions etc), and
 - (b) because of section 137 of that Act, the exchange or arrangement involves a disposal of the shares.

132 Entitlement to claim

- (1) An individual who is eligible for share loss relief may make a claim for the loss to be deducted in calculating the individual's net income—
- (a) for the year of the loss,
 - (b) for the previous tax year, or
 - (c) for both tax years.

(See Step 2 of the calculation in section 23.)

- (2) If the claim is made in relation to both tax years, the claim must specify the year for which a deduction is to be made first.
- (3) Otherwise the claim must specify either the year of the loss or the previous tax year.
- (4) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the year of the loss.

133 How relief works

- (1) This subsection explains how the deductions are to be made.

The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss in calculating the individual's net income for the specified tax year.

Step 2

This step applies only if the claim is made in relation to both tax years.

Deduct the part of the loss not deducted at Step 1 in calculating the individual's net income for the other tax year.

- (2) Subsection (1) is subject to sections 136(5) and 147 (which set limits on the amounts of share loss relief that may be obtained in particular cases).
- (3) If an individual—
 - (a) makes a claim for share loss relief against income (“the first claim”) in relation to the year of the loss, and
 - (b) makes a separate claim for share loss relief against income in respect of a loss made in the following tax year in relation to the same tax year as the first claim, priority is to be given to making deductions under the first claim.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Any share loss relief claimed in respect of any income has priority over any relief claimed in respect of that income under section 64 (deduction of losses from general income) or 72 (early trade losses relief).
- (5) A claim for share loss relief does not affect any claim for a deduction under TCGA 1992 for so much of the allowable loss as is not deducted under subsection (1).

Shares to which EIS relief is not attributable

134 Qualifying trading companies

- (1) In relation to shares to which EIS relief is not attributable (see section 131(2)(b)), a qualifying trading company is a company which meets each of conditions A to D.
- (2) Condition A is that the company either—
 - (a) meets each of the following requirements on the date of the disposal—
 - (i) the trading requirement (see section 137),
 - (ii) the control and independence requirement (see section 139),
 - (iii) the qualifying subsidiaries requirement (see section 140), and
 - (iv) the property managing subsidiaries requirement (see section 141), or
 - (b) has ceased to meet any of those requirements at a time which is not more than 3 years before that date and has not since that time been an excluded company, an investment company or a trading company.
- (3) Condition B is that the company either—
 - (a) has met each of the requirements mentioned in condition A for a continuous period of 6 years ending on that date or at that time, or
 - (b) has met each of those requirements for a shorter continuous period ending on that date or at that time and has not before the beginning of that period been an excluded company, an investment company or a trading company.
- (4) Condition C is that the company—
 - (a) met the gross assets requirement (see section 142) both immediately before and immediately after the issue of the shares in respect of which the share loss relief is claimed, and
 - (b) met the unquoted status requirement (see section 143) at the relevant time within the meaning of that section.
- (5) Condition D is that the company has carried on its business wholly or mainly in the United Kingdom throughout the period—
 - (a) beginning with the incorporation of the company or, if later, 12 months before the shares in question were issued, and
 - (b) ending with the date of the disposal.

135 Subscriptions for shares

- (1) This section has effect in relation to shares to which EIS relief is not attributable.
- (2) An individual subscribes for shares in a company if they are issued to the individual by the company in consideration of money or money's worth.
- (3) If—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) an individual (“A”) subscribed for, or is treated under subsection (4) or this subsection as having subscribed for, any shares,
 - (b) A transferred the shares to another individual (“B”) during their lives, and
 - (c) A was B's spouse or civil partner at the time of the transfer,
- B is treated as having subscribed for the shares.
- (4) If—
- (a) an individual has subscribed for, or is treated under subsection (3) or this subsection as having subscribed for, any shares, and
 - (b) any corresponding bonus shares are subsequently issued to the individual, the individual is treated as having subscribed for the bonus shares.

136 Disposals of new shares

- (1) This section has effect in relation to shares to which EIS relief is not attributable.
- (2) If—
- (a) an individual disposes of shares (“the new shares”), and
 - (b) the new shares are, by virtue of section 127 of TCGA 1992 (reorganisation etc treated as not involving disposal), identified with other shares (“the old shares”) previously held by the individual,
- the individual is not eligible for share loss relief on the disposal of the new shares unless [F218condition A or B] is met.
- This is subject to section 145(3).
- (3) Condition A is that the individual would have been eligible for share loss relief on a disposal of the old shares—
- (a) if the individual had incurred an allowable loss in disposing of them by way of a bargain made at arm's length on the occasion of the disposal that would have occurred but for section 127 of TCGA 1992, and
 - (b) where applicable, if this Chapter had then been in force.
- (4) Condition B is that the individual gave for the new shares consideration in money or money's worth other than consideration of the kind mentioned in paragraph (a) or (b) of section 128(2) of TCGA 1992 (“new consideration”).
- (5) If the individual relies on condition B, the amount of share loss relief on the disposal of the new shares must not exceed the amount or value of the new consideration taken into account as a deduction in calculating the amount of the loss incurred on the disposal.

LOSSES FROM MISCELLANEOUS TRANSACTIONS

Loss relief against miscellaneous income

152 Losses from miscellaneous transactions

- (1) A person may make a claim for loss relief against miscellaneous income if in a tax year (“the loss-making year”) the person makes a loss in any relevant transaction.
- (2) A transaction is a relevant one if, assuming there were profits or other income arising from it—
 - (a) those profits or that other income would be section 1016 income, and
 - (b) the person would be liable for income tax charged on those profits or that other income.
- (3) The claim is for the loss to be deducted in calculating the person's net income for the loss-making year and subsequent tax years (see Step 2 of the calculation in section 23).
- (4) But a deduction for that purpose is to be made only from the person's miscellaneous income.
- (5) A person's miscellaneous income is so much of the person's total income as is—
 - (a) income or gains arising from transactions, and
 - (b) section 1016 income.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

This is subject to subsection (6).

- (6) If the loss was made by the person as a partner in a partnership, the transactions covered by subsection (5)(a) are limited to transactions entered into by the partnership.
- (7) In calculating a person's net income for a tax year, deductions under this section from the person's miscellaneous income are to be made before deductions of any other reliefs from that miscellaneous income.
- (8) In this section “section 1016 income” means income on which income tax is charged under or by virtue of any provision to which section 1016 applies [F234 except that income on which income tax is charged under [F235 regulation 17 of the Offshore Funds (Tax) Regulations 2009 (S.I. 2009/3001)] [F236 or Chapter 9 of Part 4 of ITTOIA 2005] is not “section 1016 income” for the purposes of subsection (2)(a)].
- (9) This section needs to be read with—
 - (a) section 153 (how relief works),
 - (b) section 154 (transactions in deposit rights), and
 - (c) section 155 (claims).

This section explains how the deductions are to be made. The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss from the miscellaneous income for the loss-making year.

Step 2

Deduct from the miscellaneous income for the next tax year the amount of the loss not previously deducted.

Step 3

Continue to apply Step 2 in relation to miscellaneous income for subsequent tax years until all the loss is deducted.

- (3) For the purposes of the giving of loss relief against miscellaneous income for the loss mentioned in subsection (1)(a), the interest mentioned in subsection (1)(c) is treated as miscellaneous income for the tax year.

Supplementary

155 Time limit for claiming relief

- (1) So far as a claim for loss relief against miscellaneous income concerns the amount of the loss for a tax year, it must be made [^{F237}not more than 4 years after the end of] the tax year.
- (2) But—
 - (a) the question whether, and

<i>Provision</i>	<i>The amount of value received</i>
Section 216(2)(a), (b) or (c)	The amount received by the investor or, if greater, the market value of the shares, securities or debt

218 Value received where there is more than one issue of shares

- (1) This section applies if—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) two or more issues of shares in the issuing company have been made to the investor which include shares in respect of which the investor obtains EIS relief, and
 - (b) value is received by the investor at any time in the applicable periods for two or more of those issues.
- (2) Section 213(2) has effect in relation to the shares included in each of the issues referred to in subsection (1)(b) as if the amount of value referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the amount on which the investor obtains EIS relief in respect of the shares included in the issue in question, and

B is the sum of that amount and the corresponding amount or amounts in respect of the other issue or issues.

- (3) For the purposes of subsection (1) “the applicable period” for an issue of shares is period C in relation to those shares.

219 Value received where part of share issue treated as made in previous tax year

- (1) This section applies if—
- (a) section 213(2) applies to an issue of shares, and
 - (b) section 158(1) and (2) (form and amount of EIS relief) applies in the case of that issue as if part of the issue had been issued in a previous tax year.
- (2) This subsection explains how the calculation under section 213(2) is to be made.

Step 1

Apportion the amount referred to as “R” between the tax year in which the shares were issued and the previous tax year by multiplying that amount by the fraction—

$$\frac{A}{B}$$

where—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

A is the amount on which the investor obtains EIS relief in respect of the shares treated as issued in the tax year in question, and

B is the sum of that amount and the corresponding amount in respect of the shares treated as issued in the other tax year.

Step 2

In relation to each of the amounts (“R1” and “R2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if there were separate issues of shares in those tax years.

In calculating amounts X1 and X2, apply section 220 if appropriate but do not apply section 218.

Step 3

Add amounts X1 and X2 together.

The result is the required amount.

220 Cases where maximum EIS relief not obtained

- (1) If the investor's liability to income tax is reduced for any tax year in respect of any issue of shares and—
- (a) the amount of the reduction (“A”), is less than
 - (b) the amount (“B”) which is equal to income tax at the [^{F319}EIS original rate] on the amount on which the investor claims EIS relief in respect of the shares,
- section 213(2) has effect in relation to any value received as if the amount referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

- (2) If the amount of EIS relief attributable to any of the relevant shares has been reduced before the EIS relief was obtained, the amount referred to in subsection (1) as “A” is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.
- (3) Subsection (2) does not apply to a reduction of EIS relief by virtue of section 201(4) (attribution of EIS relief where there is a corresponding issue of bonus shares).

221 Receipts of value by and from connected persons etc

In sections 213, 214 and 216 to 218—

- (b) any reference to the investor includes a reference to an associate of the investor, and
- (c) any reference to the issuing company includes a reference to a person who at any time in period A relating to the relevant shares is connected with that company (whether or not that person is so connected at the material time).

222 Receipt of replacement value

(1) If—

- (a) any EIS relief attributable to the relevant shares would, in the absence of this section, be reduced or withdrawn under section 213 because of a receipt of value within section 216(2) or (6) (“the original value”),
- (b) the original supplier receives value (“the replacement value”) from the original recipient and the receipt is a qualifying receipt, and
- (c) the amount of the replacement value is at least the amount of the original value, section 213 does not, because of the receipt of the original value, have effect to reduce or withdraw the EIS relief.

This is subject to section 223(1) and (2).

(2) For the purposes of this section—

- “the original recipient” means the person who receives the original value,
- “the original supplier” means the person from whom that value was received.

(3) If the amount of the original value is, by virtue of section 218, treated as reduced for the purposes of section 213(2) as it applies in relation to the relevant shares in question, the reference in subsection (1)(c) to the amount of the original value is to be read as a reference to the amount of that value ignoring the reduction.

(4) A receipt of the replacement value is a qualifying receipt for the purposes of subsection (1) if it arises—

- (a) because of the original recipient doing one or more of the following—
 - (i) making a payment to the original supplier, other than a payment within paragraph (c) or a payment to which subsection (5) applies,
 - (ii) acquiring any asset from the original supplier for a consideration the amount or value of which is more than the market value of the asset,
 - (iii) disposing of any asset to the original supplier for no consideration or for a consideration the amount or value of which is less than the market value of the asset,
- (b) if the receipt of the original value was within section 216(2)(d), because of an event the effect of which is to reverse the event which constituted the receipt of the original value, or
- (c) if the receipt of the original value was within section 216(6), because of the original recipient repurchasing the share capital or securities in question, or

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. (as the case may be) re-acquiring the right in question, for a consideration the amount or value of which is at least the amount of the original value.

(5) This subsection applies to—

- (a) any payment for any goods, services or facilities, provided (whether in the course of trade or otherwise) by—
 - (i) the original supplier, or
 - (ii) any other person who, at any time in period C relating to the relevant shares, is an associate of, or is connected with, that supplier (whether or not the other person is such an associate, or is so connected, at the material time),

which is reasonable in relation to the market value of those goods, services or facilities,

- (b) any payment of any interest which represents no more than a reasonable commercial return on any money lent to—
 - (i) the original recipient, or
 - (ii) any person who, at any time in period C relating to the relevant shares, is an associate of that recipient (whether or not the person is such an associate at the material time),
- (c) any payment for the acquisition of an asset which does not exceed its market value,
- (d) any payment, as rent for any property occupied by—
 - (i) the original recipient, or
 - (ii) any person who, at any time in period C relating to the relevant shares, is an associate of that recipient (whether or not the person is such an associate at the material time),
 of an amount not exceeding a reasonable and commercial rent for the property,
- (e) any payment in discharge of an ordinary trade debt, and
- (f) any payment for shares in or securities of any company in circumstances that do not fall within subsection (4)(a)(ii).

(6) For the purposes of this section, the amount of the replacement value is—

- (a) in a case within paragraph (a) of subsection (4), the sum of—
 - (i) the amount of any payment within sub-paragraph (i) of that paragraph, and
 - (ii) the difference between the market value of any asset to which sub-paragraph (ii) or (iii) of that paragraph applies and the amount or value of the consideration (if any) received for it,
- (b) in a case within subsection (4)(b), the same as the amount of the original value, and
- (c) in a case within subsection (4)(c), the amount or value of the consideration received by the original supplier.

Section 217 applies for the purpose of determining the amount of the original value.

(7) In this section—

- (a) any reference to a payment to a person (however expressed) includes a reference to a payment made to the person indirectly or to the person's order or for the person's benefit, and
- (b) “ordinary trade debt” has the meaning given by section 216(10).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. 223 Section 222: supplementary

- (1) The receipt of the replacement value by the original supplier is ignored for the purposes of section 222(1) to the extent to which it has previously been set (under that section) against a receipt of value to prevent any reduction or withdrawal of EIS relief under section 213.
- (2) The receipt of the replacement value by the original supplier (“the event”) is ignored for the purposes of section 222 if—
 - (a) the event occurs before period C relating to the relevant shares,
 - (b) if the event occurs after the time the original recipient receives the original value, it does not occur as soon after that time as is reasonably practicable in the circumstances, or
 - (c) if an appeal has been brought by the investor against an assessment to withdraw or reduce any EIS relief attributable to the relevant shares because of the receipt of the original value, the event occurs more than 60 days after the day on which the amount of relief which falls to be withdrawn has been finally determined.

But nothing in section 222 or this section requires the replacement value to be received after the original value.

- (3) This subsection applies if—
 - (a) the receipt of the replacement value by the original supplier is a qualifying receipt for the purposes of section 222(1), and
 - (b) in consequence of the receipt any receipts of value are ignored for the purposes of section 213 as that section applies in relation to the shares in question or any other shares subscribed for by the investor, and
 - (c) the event which gives rise to the receipt is (or includes) a subscription for shares by—
 - (i) the investor, or
 - (ii) any person who at any time in period C relating to the relevant shares is an associate of the investor (whether or not the person is such an associate at the material time).

226 Amount of repayments etc where there is more than one issue of shares

- (1) This section applies if, in relation to the same repayment, section 224(2) applies to EIS relief attributable to two or more issues of shares.
- (2) Section 224(2) has effect in relation to the shares included in each of those issues as if the amount referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the amount on which EIS relief was obtained by the individuals in respect of shares which are included in the issue and to which EIS relief is or, but for section 224(2)(b), would be attributable, and

B is the sum of that amount and the corresponding amount or amounts in respect of the other issue or issues.

227 Single issue affecting more than one individual

- (1) This section applies if, in relation to the same repayment, section 224(2) applies to EIS relief attributable to shares held by two or more individuals.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. 228 Single issue treated as made partly in previous tax year

- (1) This section applies if—
- (a) section 224(2) applies to EIS relief attributable to shares held by an individual, and
 - (b) part of the issue of shares has been treated as issued to the individual in a previous tax year for the purposes of section 158(1) and (2) (form and amount of EIS relief).
- (2) This subsection explains how the calculation under section 224(2) is to be made.

Step 1

Apportion the amount referred to as “R” between the tax year in which the shares were issued and the previous tax year by multiplying that amount by the fraction—

$$\frac{A}{B}$$

where—

A is the amount on which the individual obtains EIS relief in respect of the shares treated as issued in the tax year in question, and

B is the sum of that amount and the corresponding amount in respect of the shares treated as issued in the other tax year.

Step 2

In relation to each of the amounts (“R1” and “R2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if there were separate issues of shares in those tax years.

In calculating amounts X1 and X2, apply section 229 if appropriate but do not apply section 226 or 227.

Step 3

Add amounts X1 and X2 together.

The result is the required amount.

229 Maximum relief not obtained for share issue

- (1) This section applies if section 224(2) applies to EIS relief attributable to shares held by an individual and—
- (a) the amount of the reduction (“A”) in the individual's liability to income tax for any tax year in respect of the shares, is less than
 - (b) the amount (“B”) which is equal to income tax at the [^{F323}EIS original rate] on the amount on which the individual claims EIS relief in respect of the shares.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Section 224(2) has effect as if the amount referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

- (3) If the amount of EIS relief attributable to any of the relevant shares has been reduced before the EIS relief was obtained, the amount referred to in subsections (1) and (2) as “A” is to be treated for the purposes of those subsections as the amount that it would have been without that reduction.
- (4) Subsection (3) does not apply to a reduction of EIS relief by virtue of section 201(4) (attribution of EIS relief where there is a corresponding issue of bonus shares).

CHAPTER 6

WITHDRAWAL OR REDUCTION OF SEIS RELIEF

Introduction

257F Overview of Chapter

This Chapter provides for SEIS relief to be withdrawn or reduced under—

- (a) section 257FA (disposal of shares),
- (b) section 257FC (call options),
- (c) section 257FD (put options),
- (d) section 257FE (value received by the investor),
- (e) section 257FP (acquisition of a trade or trading asset),
- (f) section 257FQ (acquisition of share capital), and
- (g) section 257FR (relief subsequently found not to have been due).

257FA Disposal of shares

- (1) This section applies if—
 - (a) the investor disposes of any of the relevant shares,
 - (b) the disposal takes place before period B ends, and
 - (c) SEIS relief is attributable to the shares.
- (2) If the disposal is not made by way of a bargain made at arm's length, the SEIS relief attributable to the shares must be withdrawn.
- (3) If the disposal is made by way of a bargain made at arm's length, the SEIS relief attributable to the shares must—
 - (a) if it is greater than the amount given by the formula set out below, be reduced by that amount, and
 - (b) in any other case, be withdrawn.

The formula is—

$$R \times \text{SEISR}$$

where—

R is the amount or value of the consideration received by the investor for the shares, and

SEISR is the SEIS rate.

- (4) This section does not apply to a disposal of shares to which an amount of SEIS relief is attributable if—
 - (a) the disposal was made by an individual (“A”) to another individual (“B”), and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (5) Section 257HA contains rules for determining which shares of any class are treated as disposed of for the purposes of this section if the investor disposes of some but not all of the shares of that class which are held by the investor.
- (6) Nothing in this section applies to a disposal of shares occurring as a result of the investor's death.

257FB Cases where maximum SEIS relief not obtained

- (1) If the investor's liability to income tax is reduced for any tax year in respect of any issue of shares and—
 - (a) the amount of the reduction (“A”), is less than
 - (b) the amount (“B”) which is equal to tax at the SEIS rate on the amount on which the investor claims SEIS relief in respect of the shares,section 257FA(3) has effect in relation to a disposal of any of the shares as if the amount or value referred to as “R” were reduced by multiplying it by the fraction—
$$\frac{A}{B}$$
- (2) If section 257AB(1) and (2) applies in the case of any issue of shares as if part of the issue had been issued in a previous tax year, subsection (1) has effect as if that part and the remainder were separate issues of shares (and that part had been issued on a day in the previous tax year).
- (3) If the amount of SEIS relief attributable to any of the relevant shares has been reduced before the SEIS relief was obtained, the amount referred to in subsection (1) as A is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.

257FI The amount of value received

In a case falling within a provision listed in column 1 of the following table, the amount of value received for the purposes of sections 257FE and 257FJ is given by the corresponding entry in column 2 of the table.

<i>Provision</i>	<i>The amount of value received</i>
Section 257FH(2)(a), (b) or (c)	The amount received by the investor or, if greater, the market value of the shares, securities or debt
Section 257FH(2)(d)	The amount of the liability
Section 257FH(2)(e)	The amount of the loan or advance, less the amount of any repayment made before the issue of the relevant shares
Section 257FH(2)(f)	The cost to the issuing company of providing the benefit or facility, less any consideration given for it by the investor
Section 257FH(2)(g)	The difference between the market value of the asset and the consideration (if any) given for it
Section 257FH(2)(h)	The amount of the payment
Section 257FH(7)	The amount of the payment or the market value of the asset
Section 257FH(8)	The amount received by the investor or, if greater, the market value of the shares or securities

257FJ Value received where there is more than one issue

- (1) This section applies if—
- (a) two or more issues of shares in the issuing company have been made to the investor which include shares in respect of which the investor obtains SEIS relief, and
 - (b) value is received by the investor at any time in the applicable periods for two or more of those issues.
- (2) Section 257FE(2) has effect in relation to the shares included in each of the issues referred to in subsection (1)(b) as if the amount of value referred to as “R” were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the amount on which the investor obtains SEIS relief in respect of the shares included in the issue in question, and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

B is the sum of that amount and the corresponding amount or amounts in respect of the other issue or issues.

- (3) For the purposes of subsection (1) “the applicable period” for an issue of shares is period A in relation to those shares.

257FK Value received where part of issue treated as made in previous tax year

- (1) This section applies if—
- (a) section 257FE(2) applies to an issue of shares, and
 - (b) section 257AB(1) and (2) (form and amount of SEIS relief) applies in the case of that issue as if part of the issue had been issued in a previous tax year.
- (2) This subsection explains how the calculation under section 257FE(2) is to be made.
- Step 1* Apportion the amount referred to as “R” between the tax year in which the shares were issued and the previous tax year by multiplying that amount by the fraction—

A B

where—

A is the amount on which the investor obtains SEIS relief in respect of the shares treated as issued in the tax year in question, and

B is the sum of that amount and the corresponding amount in respect of the shares treated as issued in the other tax year.

Step 2 In relation to each of the amounts (“R1” and “R2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if there were separate issues of shares in those tax years. In calculating amounts X1 and X2, apply section 257FL if appropriate but do not apply section 257FJ.

Step 3 Add amounts X1 and X2 together. The result is the required amount.

257FL Cases where maximum SEIS relief not obtained

- (1) If the investor's liability to income tax is reduced for any tax year in respect of any issue of shares and—
- (a) the amount of the reduction (“A”), is less than
 - (b) the amount (“B”) which is equal to income tax at the SEIS rate on the amount on which the investor claims SEIS relief in respect of the shares,
- section 257FE(2) has effect in relation to any value received as if the amount referred to as “R” were reduced by multiplying it by the fraction—

A B

- (2) If the amount of SEIS relief attributable to any of the relevant shares has been reduced before the SEIS relief was obtained, the amount referred to in subsection (1) as A is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.
- (3) Subsection (2) does not apply to a reduction of SEIS relief by virtue of section 257E(4) (attribution of SEIS relief where there is a corresponding issue of bonus shares).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. 257FM Receipts of value by and from connected persons etc

In sections 257FE, 257FF and 257FH to 257FJ—

- (b) any reference to the investor includes a reference to an associate of the investor, and
- (c) any reference to the issuing company includes a reference to a person who at any time in period A relating to the relevant shares is connected with that company (whether or not that person is so connected at the material time).

257FN Receipt of replacement value

(1) If—

- (a) any SEIS relief attributable to the relevant shares would, in the absence of this section, be reduced or withdrawn under section 257FE because of a receipt of value within section 257FH(2), (7) or (8) (“the original value”),
- (b) the original supplier receives value (“replacement value”) from the original recipient and the receipt is a qualifying receipt, and
- (c) the amount of the replacement value is at least the amount of the original value, section 257FE does not, because of the receipt of value, have effect to reduce or withdraw the SEIS relief.

This is subject to section 257FO(1) and (2).

(2) For the purposes of this section—

- “the original recipient” means the person who receives the original value;
- “the original supplier” means the person from whom that value was received.

- (3) If the amount of the original value is, by virtue of section 257FJ, treated as reduced for the purposes of section 257FE(2) as it applies in relation to the relevant shares in question, the reference in subsection (1)(c) to the amount of the original value is to be read as a reference to the amount of that value ignoring the reduction.
- (4) A receipt of the replacement value is a qualifying receipt for the purposes of subsection (1) if it arises—
 - (a) because of the original recipient doing one or more of the following—
 - (i) making a payment to the original supplier, other than a payment within paragraph (c) or a payment to which subsection (5) applies,
 - (ii) acquiring any asset from the original supplier for a consideration the amount or value of which is more than the market value of the asset,
 - (iii) disposing of any asset to the original supplier for no consideration or for a consideration the amount or value of which is less than the market value of the asset,
 - (b) if the receipt of the original value was within section 257FH(2)(d), because of an event the effect of which is to reverse the event which constituted the receipt of the original value, or
 - (c) if the receipt of the original value was within section 257FH(8), because of the original recipient repurchasing the share capital or securities in question,

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. or (as the case may be) re-acquiring the right in question, for a consideration the amount or value of which is at least the amount of the original value.

(5) This subsection applies to—

- (a) any payment for any goods, services or facilities, provided (whether in the course of trade or otherwise) by—
 - (i) the original supplier, or
 - (ii) any other person who, at any time in period A relating to the relevant shares, is an associate of, or is connected with, that supplier (whether or not the other person is such an associate, or is so connected, at the material time),

which is reasonable in relation to the market value of those goods, services or facilities,

- (b) any payment of any interest which represents no more than a reasonable commercial return on any money lent to—
 - (i) the original recipient, or
 - (ii) any person who, at any time in period A relating to the relevant shares, is an associate of that recipient (whether or not the person is such an associate at the material time),
- (c) any payment for the acquisition of an asset which does not exceed its market value,
- (d) any payment, as rent for any property occupied by—
 - (i) the original recipient, or
 - (ii) any person who, at any time in period A relating to the relevant shares, is an associate of that recipient (whether or not the person is such an associate at the material time),

of an amount not exceeding a reasonable and commercial rent for the property,

- (e) any payment in discharge of an ordinary trade debt, and
- (f) any payment for shares in or securities of any company in circumstances that do not fall within subsection (4)(a)(ii).

(6) For the purposes of this section, the amount of the replacement value is—

- (a) in a case within paragraph (a) of subsection (4), the sum of—
 - (i) the amount of any payment within sub-paragraph (i) of that paragraph, and
 - (ii) the difference between the market value of any asset to which sub-paragraph (ii) or (iii) of that paragraph applies and the amount or value of the consideration (if any) received for it,
- (b) in a case within subsection (4)(b), the same as the amount of the original value, and
- (c) in a case within subsection (4)(c), the amount or value of the consideration received by the original supplier.

Section 257FI applies for the purpose of determining the original value.

(7) In this section—

- (a) any reference to a payment to a person (however expressed) includes a reference to a payment made to the person indirectly or to the person's order or for the person's benefit, and
- (b) “ordinary trade debt” has the meaning given by section 257FH(13).

Status: Point in time view as at 31/01/2013.

257FO Section 257FN: supplementary

- (1) The receipt of the replacement value by the original supplier is ignored for the purposes of section 257FN(1) to the extent to which it has previously been set (under that section) against a receipt of value to prevent any reduction or withdrawal of SEIS relief under section 257FE.
- (2) The receipt of the replacement value by the original supplier (“the event”) is ignored for the purposes of section 257FN if—
 - (a) the event occurs before period A relating to the relevant shares,
 - (b) if the event occurs after the time the original recipient receives the original value, it does not occur as soon after that time as is reasonably practicable in the circumstances, or
 - (c) if an appeal has been brought by the investor against an assessment to withdraw or reduce any SEIS relief attributable to the relevant shares because of the receipt of the original value, the event occurs more than 60 days after the day on which the amount of relief which falls to be withdrawn has been finally determined.

But nothing in section 257FN or this section requires the replacement value to be received after the original value.

- (3) This subsection applies if—
 - (a) the receipt of the replacement value by the original supplier is a qualifying receipt for the purposes of section 257FN(1),
 - (b) in consequence of the receipt, any receipts of value are ignored for the purposes of section 257FE as that section applies in relation to the shares in question or any other shares subscribed for by the investor, and
 - (c) the event which gives rise to the receipt is (or includes) a subscription for shares by—
 - (i) the investor, or
 - (ii) any person who at any time in period A relating to the relevant shares is an associate of the investor (whether or not the person is such an associate at the material time).
- (4) If subsection (3) applies, the person who subscribes for the shares is not to be eligible for any SEIS relief in relation to those shares or any other shares in the same issue.
- (5) In this section “the original recipient”, “the original supplier” and “replacement value” have the same meaning as in section 257FN.

- to be met in relation to those old shares, that requirement ceases at that time to be met in relation to the matching new shares.

 - (b) raised that amount by an issue of shares in the new company made at the time when the issue of the matching old shares took place (or, as the case may be, is treated as having taken place).
- (7) In determining whether the requirements of section 296 are met in relation to the old company or the new company at a time in the period for giving effect to the arrangements, ignore both—

^{F480}384A Restriction on relief where arrangements minimise risk to borrower

- (1) Relief is not to be given under this Chapter for interest paid by a person on a loan if—
 - (a) the loan is made to the person (“the borrower”) as part of arrangements which appear very likely to produce a post-tax advantage, and
 - (b) the arrangements seem to have been designed to reduce any income tax or capital gains tax to which the borrower (or any person whose circumstances are like those of the borrower) would be liable apart from the arrangements.
- (2) Arrangements “appear very likely” to produce a post-tax advantage if (and only if) it would be reasonable to assume from either or both of—
 - (a) the likely effect of the arrangements, and
 - (b) the circumstances in which the arrangements, or any parts of the arrangements, are entered into or effected,that there is no risk, or only an insignificant risk, that they will not produce a post-tax advantage.

- (a) the amount required to meet the borrower's obligations in respect of the loan, and
 - (b) any amount which is used by the borrower in the same way as that which entitles the borrower to relief under this Chapter in respect of the loan and is not money lent to the borrower under any loan.
- (5) If, with a view to securing that the condition in subsection (1)(a) is not met, the arrangements make provision for securing that, in all or any circumstances in which they do not produce a post-tax advantage, they will produce a broadly compensatory amount, the arrangements are to be regarded for the purposes of subsection (2) as making provision for securing the production of a post-tax advantage in those circumstances.
- (6) “Produce a broadly compensatory amount” means give rise to a sum or sums payable as mentioned in subsection (3) of an amount (or aggregate amount) which, after making the appropriate tax adjustments, is not significantly less than the relevant amount.
- (7) For the purposes of subsections (3) and (6) causing the value of an asset to be obtainable, directly or indirectly, by a person is to be treated as equivalent to giving rise to a sum payable to the person of an amount equal to that value.

- (a) if A exceeds B, deduct the amount of the excess from the amount (or aggregate amount), and

- (10) Arrangements seem to have been designed to reduce any income tax or capital gains tax to which the borrower (or any person whose circumstances are like those of the borrower) would be liable apart from the arrangements if (and only if) it would be reasonable to assume from either or both of—
- (a) the likely effect of the arrangements, and
 - (b) the circumstances in which the arrangements, or any parts of the arrangements, are entered into or effected,
- that the arrangements, or any parts of the arrangements, are designed to do so.

406 Effect of recovery of capital in the case of some loans

- (1) This section applies if the individual to whom a loan is made to which section 392, 396, 398 or 401 applies recovers any amount of capital from the company, partnership or co-operative concerned at any time after the loan is used.
- (2) The individual is treated for the purposes of this Chapter as having repaid that amount out of the loan at that time, whether or not such a repayment occurred.
- (3) Accordingly, only part of the interest that, apart from any such repayment, would be payable on the loan for any period after that time and eligible for relief is so eligible.
- (4) That part is so much of that interest as is attributable to the amount of the loan after the repayment.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) In the case of a loan to which section 386 applies (loans partly meeting requirements), subsection (3) applies instead of section 386(3) (under which repayments are apportioned between the qualifying and non-qualifying parts of such loans).
- (6) The cases in which an individual is treated as having recovered an amount of capital for the purposes of this section are set out in section 407(1) to (3).

 - (a) the individual receives consideration of that amount or value—
 - (i) for the sale, exchange or assignment of part of the ordinary share capital of the company,
 - (ii) by way of repayment of part of that ordinary share capital, or
 - (iii) for assigning a debt due to the individual from the company, or
 - (b) the company repays that amount of a loan or advance from the individual.
- (2) An individual is treated as having recovered an amount of capital from a partnership for those purposes if—
 - (a) the individual receives consideration of that amount or value—
 - (i) for the sale, exchange or assignment of part of the individual's interest in the partnership, or
 - (ii) for assigning a debt due to the individual from the partnership, or
 - (b) the partnership repays that amount of a loan or advance from the individual, or

 - (ii) by way of repayment of part of the individual's shares in the co-operative, or
 - (iii) for assigning a debt due to the individual from the co-operative, or
 - (b) the co-operative repays that amount of a loan or advance from the individual.
- (4) A sale or assignment that is not a bargain made at arm's length is treated for the purposes of this section as being made for a consideration of an amount equal to the market value of what is disposed of.

- (2) In subsection (1) “replacement loan” means a loan to which section 392, 396, 398 or 401 applies because the loan is used in repaying another loan (“the replaced loan”) to which that section applies.
- (3) This Chapter, except for sections 385 and 386, applies to the replacement loan as if that loan and the replaced loan were a single loan (subject to subsection (5)).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (4) Accordingly, any restriction under section 406 (effect of recovery of capital in the case of some loans) which applies to the replaced loan applies to the replacement loan.
- (5) But this Chapter, except for sections 385 and 386, applies as if references to the use of the loan were references to the use of the original loan.

 - (c) interest payable on the original loan for the period ending with the time of the transaction was eligible for relief (or would have been had any been payable), and
 - (d) had the original loan been made at the time of the transaction and applied in acquiring the shares in or making the loan to the other company or the co-operative, the original loan would have fallen within one of the business loan provisions.
- (2) If subsection (1) applies, from the time of the transaction referred to in subsection (1)
 - (b) the original loan is treated as if it had been made and applied as mentioned in subsection (1)(d).

433 Meaning of “qualifying interest in land”

(1) In this Chapter “qualifying interest in land” means—

- (a) a freehold interest in land in the United Kingdom, or
- (b) a leasehold interest in land in the United Kingdom which is a term of years absolute.

This is subject to subsections (2) to (5).

(2) Subsection (3) applies if an individual with a beneficial interest in a freehold or leasehold interest mentioned in subsection (1)(a) or (b) makes a disposal to a charity of—

- (a) the whole of the beneficial interest, and
- (b) an easement, servitude, right or privilege so far as benefiting the land in question.

(3) The disposal mentioned in subsection (2)(b) is regarded for the purposes of this Chapter as a disposal by the individual of the whole of the individual's beneficial interest in a qualifying interest in land separate from the disposal mentioned in subsection (2)(a).

(4) If an individual who has a freehold or leasehold interest in land in the United Kingdom grants a lease for a term of years absolute to a charity of the whole or part of that land, the grant of the lease is regarded for the purposes of this Chapter as a disposal by the individual of the whole of the beneficial interest in the leasehold interest so granted.

(6) In the application of this section to Scotland—

- (a) references to a freehold interest in land are to the interest of the owner,

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (d) in subsection (4) the reference to granting a lease for a term of years absolute is to granting a lease.

Amount of relief

434 The relievable amount

- (1) If the disposal is a gift, the relievable amount is given by the formula—

$$V + IC - B$$

where—

V is the value of the net benefit to the charity at, or immediately after, the time when the disposal is made, whichever is less,

IC is the amount of the incidental costs of making the disposal to the individual making it, and

B is the total value of any benefits received in consequence of making the disposal by the individual making the disposal or a person connected with the individual.

- (2) If the disposal is at an undervalue, the relievable amount is given by the formula—

$$E + C - B$$

where—

E is the amount (if any) by which V (as defined in subsection (1)) exceeds the amount or value of the consideration for the disposal,

C is given by subsection (4), and

B is as defined in subsection (1).

- (3) But if the amount given by the formula in subsection (1) or (2) is a negative amount, the relievable amount is nil.

- (4) C is found by taking the following steps.

Step 1

Calculate the consideration for which the disposal is treated as made for the purposes of TCGA 1992 as a result of section 257(2)(a) of that Act (in case of disposal to charity etc, consideration to be such that no gain or loss accrues).

Step 2

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Find the excess (if any) of the amount calculated at Step 1 over the amount or value of the consideration for the disposal.

If there is such an excess, C is the amount of that excess or, if less, the amount of the incidental costs of making the disposal to the individual making it.

If there is no such excess, C is nil.

- (5) This section needs to be read with—
- (a) section 435 (incidental costs of making disposal),
 - (b) section 436 (consideration), and
 - (c) sections 437 to 440 (value of net benefit to charity).

435 Incidental costs of making disposal

References in section 434 to the incidental costs of making the disposal to the individual making it are to—

- (a) fees, commission or remuneration paid for the professional services of a surveyor, valuer, auctioneer, accountant, agent or legal adviser which are wholly and exclusively incurred by the individual for the purposes of the disposal,
- (b) costs of transfer or conveyance wholly and exclusively incurred by the individual for the purposes of the disposal,
- (c) costs of advertising to find a buyer, and
- (d) costs reasonably incurred in making any valuation or apportionment required for the purposes of this Chapter.

436 Consideration

- (1) For the purposes of the formula in section 434(2) consideration for the disposal is brought into account—
- (a) without any discount for postponement of the right to receive any part of it,
 - (b) in the first instance, without regard to a risk of any part of it being irrecoverable, and
 - (c) in the first instance, without regard to the right to receive any part of it being contingent.
- (2) If—
- (a) any part of the consideration so brought into account subsequently proves to be irrecoverable, and
 - (b) a claim is made,
- such adjustment as is required in consequence must be made.
- (3) An adjustment under subsection (2) may be made by way of discharge or repayment of tax or otherwise.

Value of net benefit to charity

- (b) otherwise, the market value.

(1B) This subsection applies where—

- (a) the qualifying investment, or anything from which it derives or which it represents (whether in whole or in part and whether directly or indirectly), was acquired by the individual making the disposal within the period of 4 years ending with the day on which the disposal is made,

CHAPTER 4

TRUSTEES' EXPENSES AND SPECIAL RATES FOR TRUSTEES

484 Trustees' expenses to be set against trustees' trust rate income

- (1) This section applies if the trustees of a settlement incur allowable expenses in a tax year (“the current tax year”).
- (2) The allowable expenses are to be set against the trustees' trust rate income for the current tax year in accordance with section 486.
- (3) That is to be done before working out whether section 491 applies in relation to the trustees for the current tax year.
- (4) So far as any of the trustees' trust rate income has an amount set against it in accordance with section 486, income tax is charged on it at the rate or rates which would apply apart from Chapter 3 (see Chapter 2 of Part 2).
- (5) Expenses are allowable for the purposes of this Chapter only so far as—
 - (a) they are expenses of the trustees, and
 - (b) they are properly chargeable to income, ignoring the express terms of the settlement.
- (6) Expenses are not allowable for the purposes of this Chapter if they are expenses which (apart from this section) have fallen, or may fall, to be taken into account for the purpose of calculating the trustees' liability to income tax for any tax year.

485 Carry forward of unused expenses

- (1) This section applies if (apart from this section) the trustees incur an allowable expense in a tax year prior to the current tax year (“the earlier tax year”).
- (2) For the purposes of this Chapter the trustees are treated as having incurred the allowable expense in the current tax year so far as conditions A and B are met in relation to the expense.
- (3) Condition A is that the allowable expense could not be set against the trustees' trust rate income for the earlier tax year only because the trustees' trust rate income was insufficient or they had no trust rate income.
- (4) Condition B is that the allowable expense has not been set against the trustees' trust rate income for a tax year prior to the current tax year as a result of this section.

486 How allowable expenses are to be set against trust rate income

- (1) Take the following steps to determine how the allowable expenses are to be set against the trustees' trust rate income for the current tax year.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 1

Reduce the allowable expenses by the proportion of those expenses (if any) which is excluded in accordance with section 487.

References at Steps 3 to 6 below to the allowable expenses are references to the expenses as so reduced.

Step 2

Identify the type or types of income which make up the trust rate income.

The possible types are dividend income, savings income and other income.

Step 3

If there is dividend income within subsection (2)—

- (a) gross up by reference to the dividend ordinary rate so much of the allowable expenses as is necessary to give a result equal to the amount of that income, or
- (b) if there are not enough allowable expenses to give that result, gross them all up by reference to that rate.

The grossed up amount is set against the dividend income within subsection (2).

Step 4

If there are remaining expenses and there is dividend income not within subsection (2)

- (a) gross up by reference to the dividend ordinary rate so much of the remaining expenses as is necessary to give a result equal to the amount of that income, or
- (b) if there are not enough remaining expenses to give that result, gross them all up by reference to that rate.

The grossed up amount is set against the dividend income not within subsection (2).

For the purposes of this step “the remaining expenses” are the allowable expenses so far as they have not been grossed up at Step 3.

Step 5

If there are remaining expenses and there is savings income—

- (a) gross up by reference to the [^{F544}basic rate] so much of the remaining expenses as is necessary to give a result equal to the amount of that income, or
- (b) if there are not enough remaining expenses to give that result, gross them all up by reference to that rate.

The grossed up amount is set against the savings income.

For the purposes of this step “the remaining expenses” are the allowable expenses so far as they have not been grossed up at Step 3 or 4.

Step 6

If there are remaining expenses and there is other income—

- (a) gross up by reference to the basic rate so much of the remaining expenses as is necessary to give a result equal to the amount of that income, or

Status: Point in time view as at 31/01/2013.

- (b) if there are not enough remaining expenses to give that result, gross them all up by reference to that rate.

The grossed up amount is set against the other income.

For the purposes of this step “the remaining expenses” are the allowable expenses so far as they have not been grossed up at Step 3, 4 or 5.

- (2) Income is within this subsection so far as it is—
 - (a) chargeable under Chapter 3 of Part 4 of ITTOIA 2005 (dividends etc from UK resident companies),
 - (b) chargeable under Chapter 5 of that Part (stock dividends from UK resident companies), or
 - (c) chargeable under Chapter 6 of that Part (release of loan to participator in close company).
- (3) If income tax would, apart from Chapter 3, be charged on any income mentioned at Steps 3 to 6 at a rate different to the rate mentioned at the step in question, for the purpose of setting any expenses against that income, gross up the expenses by reference to the different rate instead of at the rate mentioned.

502 Meaning of “untaxed income” in section 501

 - (a) has been non-UK resident, or
 - (b) has been treated as resident in a territory outside the United Kingdom under double taxation arrangements.
- (2) If the income tax charged on the beneficiary for the beneficiary's income is limited under Chapter 1 of Part 14 (limits on liability to income tax of non-UK residents), the untaxed income includes so much of the beneficiary's income which is disregarded income (within the meaning of that Chapter) except so far as the disregarded income is within subsection (3).

 - second, reduce dividend income not within that subsection (if any),
 - third, reduce savings income (if any), and

 - (b) chargeable under Chapter 5 of that Part (stock dividends from UK resident companies), or
 - (c) chargeable under Chapter 6 of that Part (release of loan to participator in close company).
- (4) If the trustees are liable for income tax charged on a component of the beneficiary's income at a particular rate, then any reduction of that component is to be made in accordance with the steps set out in subsection (5).
- (5) Here are the steps.

Step 1

Deduct from the component the amount of income tax charged on it at the particular rate for which the trustees are liable.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 2

Take the result from Step 1 and reduce it (but not below nil) by the amount of the trustees' expenses so far as they have not already been used to reduce other components of the beneficiary's income.

Step 3

Take the result from Step 2 and gross it up by reference to the particular rate.

The result is the reduced amount of the component of the beneficiary's income.

- (4) For the purposes of this Part a charitable trust's “available income and gains” for a tax year is the sum of—
- (a) the charitable trust's total income for the tax year (ignoring any restrictions on the exemptions under this Part which result from sections 539(2) and 541),

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) If the conditions in subsection (2) are met in the case of more than one earlier tax year, the excess expenditure is to be attributed to a later tax year in priority to an earlier tax year.
- (4) The amount of excess expenditure that is to be attributed to an earlier tax year must not be greater than the amount by which the charitable trust's available income and gains for the earlier tax year exceed its non-charitable expenditure for the earlier tax year.
- (5) For the purposes of subsections (2)(b) and (4) the charitable trust's non-charitable expenditure for the earlier tax year includes any excess expenditure attributed to the earlier tax year as a result of a previous operation of this section, but ignores the attribution in question.

CHAPTER 4

DEEMED MANUFACTURED PAYMENTS

Stock lending arrangements

596 Deemed manufactured payments: stock lending arrangements

- (1) This section applies if—
 - (a) there is a stock lending arrangement in respect of securities,
 - (b) a dividend or interest on the securities is paid, as a result of the arrangement, to a person other than the person who is the lender under the arrangement, and
 - (c) no provision is made for securing that the lender receives payments representative of the dividend or interest.
- (2) The rules about manufactured payments apply as if the person who is the borrower under the arrangement—
 - (a) were required, under the arrangement, to pay the lender an amount representative of the dividend or interest, and
 - (b) discharged the requirement when the dividend or interest was paid.
- (3) But the borrower is not entitled (whether as a result of the rules about manufactured payments or otherwise) to an income deduction in respect of the deemed requirement to pay or the deemed payment.
- (4) “Income deduction” means—
 - (a) a deduction in calculating profits or gains for income tax purposes, or
 - (b) a deduction in calculating net income.
- (5) For the purposes of this section, a quasi-stock lending arrangement is treated as if it were a stock lending arrangement.

597 Deemed interest: cash collateral under stock lending arrangements

- (1) This section applies if—
 - (a) the borrower under a stock lending arrangement is treated under section 596(2) as paying under the arrangement an amount representative of a dividend or interest on any securities (“the relevant securities”),
 - (b) an amount of money (“cash collateral”) is payable to or for the benefit of the lender for the purpose of securing the discharge of the requirement to transfer the relevant securities back to the lender,

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) the stock lending arrangement is designed to produce a return to the borrower which equates, in substance, to the return on an investment of money at interest, and
 - (d) the main purpose, or one of the main purposes, of the stock lending arrangement is the obtaining of a tax advantage (within the meaning given by ^{F673}section 1139 of CTA 2010).
- (2) If this section applies—
- (a) the Income Tax Acts apply as if the borrower receives an amount of interest payable in respect of the cash collateral, and
 - (b) the amount of the interest is calculated in accordance with subsections (3) to (7).
- (3) The interest is treated for the purposes of the Income Tax Acts as if it were received on the date (“the return date”) on which the borrower transfers the relevant securities back to the lender.
- (4) The interest is treated for the purposes of the Income Tax Acts as if it were payable in respect of the period (“the interest period”)—
- (a) beginning with the date on which the lender transfers the relevant securities to the borrower, and
 - (b) ending with the return date.
- (5) The rate of interest payable in respect of the cash collateral is a rate that is reasonably comparable to the rate that the borrower could obtain by placing the cash collateral on deposit for the interest period.
- (6) For the purposes of this section, the amount of the cash collateral on which the interest is payable is taken to be—
- (a) in any case where the amount of the cash collateral varies at any time on or before the return date, the highest amount of the cash collateral at any time on or before the return date, and
 - (b) in any other case, the amount of the cash collateral as at the return date.
- (7) The amount of the interest which the borrower is treated as receiving in respect of the cash collateral for the interest period is reduced (but not below nil) by any interest which the borrower actually receives in respect of that collateral for that period.
- (8) This section needs to be read with sections 598 and 599.

- (4) For the purposes of section 597—
 - (a) any reference in that section to the transfer of securities back has the same meaning as the reference in section 568(1)(d) (see subsections (2) to (6) of section 568), but
 - (b) if it becomes apparent that the borrower will not comply with the requirement to transfer any securities back, the borrower is treated as transferring them back on the date on which it becomes so apparent.
- (5) For the purposes of section 597 it does not matter—
 - (a) whether the cash collateral is payable by the borrower or by any other person,
 - (b) whether the cash collateral is payable under the stock lending arrangement or under any other arrangement, or
 - (c) whether collateral in another form is also provided in connection with the stock lending arrangement.
- (6) See section 599—
 - (a) for provision treating some arrangements as stock lending arrangements for the purposes of section 597 and this section, and

 - (a) quasi-cash collateral is treated as if it were cash collateral, and
 - (b) the amount of that cash collateral is taken to be the amount of the quasi-cash collateral in relation to the stock lending arrangement or quasi-stock lending arrangement.
- (3) If—
 - (a) section 597 applies in relation to a quasi-stock lending arrangement, and
 - (b) the person for whom the tax advantage was designed to be obtained is a person (“the other person”) other than the borrower under the arrangement,
 that section and section 598 have effect as if the other person were the person who receives the amount of interest mentioned in that section.
- (4) If section 597 applies in relation to a quasi-stock lending arrangement—
 - (a) any reference in that section to cash collateral being payable to or for the benefit of the lender includes its being payable to or for the benefit of a person connected with the lender,
 - (b) the reference in subsection (1)(c) of that section to a return to the borrower includes a return to any other person, and

 - (a) becoming due when the repurchase price becomes due, and

Textual Amendments

F687 Pt. 11A Ch. 2 inserted (with effect in accordance with s. 381(1) of the amending Act) by [Taxation \(International and Other Provisions\) Act 2010 \(c. 8\)](#), s. 381(1), **Sch. 3 para. 3** (with Sch. 9 paras. 1-9, 22)

Introduction

614B Arrangements to which this Chapter applies

- (1) This Chapter applies to arrangements involving the lease of an asset that meet conditions A and B.
- (2) Condition A is that in accordance with generally accepted accounting practice the arrangements fall to be treated as a finance lease or loan.
- (3) Condition B is that the effect of the arrangements is that some or all of the return on investment in respect of the finance lease or loan—
 - (a) is or may be in the form of a sum that is not rent, and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) would not, apart from this Part and Part 21 of CTA 2010, be wholly brought into account for tax purposes as rent from the lease of the asset.
- (4) It does not matter—
 - (a) when the arrangements are or have been entered into, or
 - (b) whether they are or have been entered into by companies or other persons.

614BA Purposes of this Chapter

- (1) This section sets out the main purposes of this Chapter where there are any arrangements to which this Chapter applies.
- (2) The first main purpose is to charge any person entitled to the lessor's interest under the lease of the asset to income tax on amounts of income determined as mentioned in subsections (3) and (4).
- (3) The amounts referred to in subsection (2) are determined by reference to the amounts that fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the income return on and after 26 November 1996 on investment in respect of the finance lease or loan.
- (4) The amounts referred to in subsection (2) are also determined taking into account the substance of the matter as a whole, including, in particular, the state of affairs—
 - (a) as between connected persons, or
 - (b) within a group of companies,
 as reflected or falling to be reflected in accounts of any of those persons or in consolidated group accounts.
- (5) The second main purpose of this Chapter is, if the sum mentioned in section 614B(3)
 - (a) that is not rent falls due, to recover by reference to that sum the whole or any part of the capital expenditure reliefs.
- (6) In subsection (5) “the capital expenditure reliefs” means any reliefs, allowances or deductions that are or have been allowed or made in respect of capital expenditure incurred in respect of the leased asset.

Leases to which this Chapter applies

614BB Application of this Chapter

- (1) This Chapter applies if—
 - (a) a lease of an asset is or has been granted, and
 - (b) the conditions in section 614BC are or have been met in relation to the lease at some time in a period of account of the current lessor.
- (2) But this Chapter does not apply so far as, in relation to the current lessor, the lease falls to be regarded as a long funding lease for the purposes of Part 2 of CAA 2001 (plant and machinery allowances) in accordance with Chapter 6A of that Part (interpretation of provisions about long funding leases) (see section 70G of that Act).
- (3) If the conditions in section 614BC have been met at some time in a period of account of the person who was at that time the lessor, they are taken to continue to be met for the purposes of this Chapter unless and until one of the conditions in subsection (4) is met.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The conditions are that—
 - (a) the asset ceases to be leased under the lease, or
 - (b) the lessor's interest under the lease is assigned to a person who is not connected with any of the persons specified in subsection (5).
- (5) Those persons are—
 - (a) the assignor,
 - (b) any person who was the lessor at some time before the assignment, and
 - (c) any person who at some time after the assignment becomes the lessor pursuant to arrangements made by a person who was the lessor, or was connected with the lessor, at some time before the assignment.
- (6) If at any time the person who was the lessor at that time was a person within the charge to corporation tax on income, the reference in subsection (3) to the conditions in section 614BC having been met at that time includes a reference to the conditions in section 902 of CTA 2010 having been so met.
- (7) Nothing in subsection (3) prevents this Chapter from applying again in relation to the lease where the lessor's interest is assigned if the conditions for its application are met after the assignment.

614BC The conditions referred to in section 614BB(1)

- (1) This section sets out the conditions required by section 614BB(1) to be met for this Chapter to apply (conditions A to E).
- (2) Condition A is that at the relevant time—
 - (a) the leasing arrangements fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a finance lease or a loan, and
 - (b) subsection (3) or (4) applies.
- (3) This subsection applies if the lessor (“L”), or a person connected with L, falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the finance lessor in relation to the finance lease or loan.
- (4) This subsection applies if the finance lease or loan falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as subsisting for the purposes of consolidated group accounts of a group of companies of which L is a member.
- (5) Condition B is that, under the leasing arrangements, there is or may be payable to L, or to a person connected with L, a sum (a “major lump sum”) that is not rent but falls for accounting purposes to be treated, in accordance with generally accepted accounting practice—
 - (a) as to part, as repayment of some or all of the investment in respect of a finance lease or loan, and
 - (b) as to part, as a return on investment in respect of a finance lease or loan.
- (6) Condition C is that not all of that part of the sum that falls within subsection (5)(b) would, apart from this Chapter, fall to be brought into account for income tax purposes in tax years ending with the relevant tax year as the normal rent from the lease for periods of account of L.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (7) Condition D is that, in relation to L at the relevant time—
- (a) the period of account of L in which the relevant time falls, or
 - (b) an earlier period of account of L during which L was the lessor,
- is a period of account for which the accountancy rental earnings in respect of the lease exceed the normal rent for the period.
- (8) Condition E is that at the relevant time—
- (a) arrangements within section 614BE(1) exist, or
 - (b) paragraph (a) does not apply and circumstances within section 614BE(3) exist.
- (9) Section 614BD supplements this section.

614BD Provisions supplementing section 614BC

- (1) In section 614BC—
- “the relevant tax year”, in relation to a major lump sum, means—
- (a) the tax year which is related to the period of account of the lessor (“L”) in which the major lump sum is or may be payable in accordance with the leasing arrangements, or
 - (b) if there are two or more such tax years, the latest of them, and
- “the relevant time” means the time as at which it must be determined for the purposes of section 614BB(1) or (3) whether the conditions in section 614BC are or, as the case may be, were met.
- (2) For the meaning of a tax year being related to a period of account, see section 614DB(4).
- (3) Subsection (4) applies for determining the normal rent for a period of account for the purpose of determining whether condition D in section 614BC is met as respects L unless subsection (5) applies.
- (4) Rent that falls to be brought into account for income tax purposes as it falls due is treated—
- (a) as accruing evenly throughout the period to which, in accordance with the terms of the lease, each payment falling due relates, and
 - (b) as falling due as it so accrues.
- (5) This subsection applies if any such payment as is mentioned in subsection (4)(a) falls due more than 12 months after the time at which any of the rent to which that payment relates is treated as accruing under subsection (4)(a).

614BE The arrangements and circumstances referred to in section 614BC(8)

- (1) The arrangements referred to in section 614BC(8)(a) are arrangements under which—
- (a) the lessee or a person connected with the lessee may acquire, whether directly or indirectly, the leased asset or an asset representing the leased asset from the lessor or a person connected with the lessor, and
 - (b) in connection with that acquisition, the lessor or a person connected with the lessor may receive, whether directly or indirectly, a qualifying lump sum from the lessee or a person connected with the lessee.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In this section “qualifying lump sum” means any sum that is not rent but at least part of which would fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a return on investment in respect of a finance lease or loan.
- (3) The circumstances referred to in section 614BC(8)(b) are circumstances which make it more likely—
 - (a) that the events described in subsection (4) will occur, than
 - (b) that the event described in subsection (5) will occur.
- (4) The events mentioned in subsection (3)(a) are—
 - (a) that the lessee or a person connected with the lessee will acquire, whether directly or indirectly, the leased asset or an asset representing the leased asset from the lessor or a person connected with the lessor, and
 - (b) that, in connection with that acquisition, the lessor or a person connected with the lessor will receive, whether directly or indirectly, a qualifying lump sum from the lessee or a person connected with the lessee.
- (5) The event mentioned in subsection (3)(b) is that, before any such acquisition as is mentioned in subsection (4) takes place, the leased asset or, as the case may be, the asset representing the leased asset, will have been acquired, in a sale on the open market, by an independent third party.
- (6) In subsection (5) “independent third party” means a person who—
 - (a) is not the lessor or the lessee, and
 - (b) is not connected with either of them.
- (7) For the meaning of an asset representing the leased asset, see section 614DD.

Current lessor taxed by reference to accountancy rental earnings

614BF Current lessor taxed by reference to accountancy rental earnings

- (1) This section applies if, in the case of any period of account of the current lessor (“L”)—
 - (a) this Chapter applies in relation to the lease, and
 - (b) the accountancy rental earnings in respect of the lease for that period of account exceed the normal rent for that period.
- (2) For income tax purposes, L is treated as if in that period of account L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to those accountancy rental earnings (instead of the normal rent referred to in subsection (1)(b)).
- (3) Such rent from the lease of an asset is treated for income tax purposes—
 - (a) as if it had accrued at an even rate throughout so much of the period of account as falls within the period for which the asset is leased, and
 - (b) as if L had become entitled to it as it accrued.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Reduction of taxable rent by cumulative rental excesses

614BG Reduction of taxable rent by cumulative rental excesses: introduction

- (1) This section and sections 614BH to 614BK provide for reductions of the taxable rent of a current lessor (“L”) under a lease to which this Chapter applies.
- (2) In this section and sections 614BH to 614BK “taxable rent”, in relation to a period of account of L, means the amount that would, apart from those sections, be treated for income tax purposes as rent from the lease that arises to L in that period of account for the purpose of determining L's liability to tax for the related tax year or years.
- (3) The reductions of taxable rent under sections 614BH to 614BK depend on there being—
 - (a) a cumulative accountancy rental excess for the period of account of L in question, or
 - (b) a cumulative normal rental excess for the period of account of L in question.
- (4) For the meaning of “cumulative accountancy rental excess” and “cumulative normal rental excess”, see sections 614BH and 614BJ respectively.

614BH Meaning of “accountancy rental excess” and “cumulative accountancy rental excess”

- (1) For the purposes of this Chapter, there is an “accountancy rental excess” in relation to the lease for a period of account of the current lessor (“L”) if the taxable rent in relation to the lease for the period is as a result of section 614BF (current lessor taxed by reference to accountancy rental earnings) an amount equal to the accountancy rental earnings.
- (2) The amount of the accountancy rental excess for the period is equal to the difference between the accountancy rental earnings for the period and the normal rent for the period.
- (3) But if the taxable rent for the period is reduced under section 614BK (reduction of taxable rent by the cumulative normal rental excess), there is only an accountancy rental excess for the period if—
 - (a) the accountancy rental earnings, reduced by an amount equal to the reduction under that section, exceed
 - (b) the normal rent.
- (4) And in that case the amount of the accountancy rental excess for the period is equal to that excess.
- (5) In this Chapter the “cumulative accountancy rental excess”, in relation to the lease and a period of account of L, means so much of the total of the accountancy rental excesses for previous periods of account of L (as increased under section 614BM: recovery of bad debts following reduction under section 614BL) as has not been—
 - (a) set off under section 614BI (reduction of taxable rent by the cumulative accountancy rental excess) against the taxable rent for any such previous period,
 - (b) reduced under section 614BL (relief for bad debts: reduction of cumulative accountancy rental excess), or

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) set off under section 37A of TCGA 1992 (consideration on disposal of certain leases) against the consideration for a disposal.

614BI Reduction of taxable rent by the cumulative accountancy rental excess

- (1) This section applies if a period of account of the current lessor (“L”) is one for which—
 - (a) the normal rent in relation to the lease exceeds the accountancy rental earnings, and
 - (b) there is a cumulative accountancy rental excess.
- (2) The taxable rent for the period of account is reduced by setting against it the cumulative accountancy rental excess (but not so as to reduce that rent below the amount of the accountancy rental earnings).
- (3) But see section 614BL(3) and (4) (under which the amount of the cumulative accountancy rental excess which may be set against the taxable rent is limited in some circumstances).

614BJ Meaning of “normal rental excess” and “cumulative normal rental excess”

- (1) For the purposes of this Chapter, there is a “normal rental excess” in relation to a lease for any period of account of the current lessor (“L”) throughout which the leasing arrangements fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a finance lease or loan if—
 - (a) the normal rent for the period, exceeds
 - (b) the accountancy rental earnings for the period.
- (2) The amount of the normal rental excess for that period is equal to that excess.
- (3) But if the taxable rent for the period is reduced under section 614BI (reduction of taxable rent by the cumulative accountancy rental excess), there is only a normal rental excess for the period if—
 - (a) the normal rent, reduced by an amount equal to the reduction under that section, exceeds
 - (b) the accountancy rental earnings.
- (4) And in that case the amount of the normal rental excess for the period is equal to that excess.
- (5) In this Chapter “cumulative normal rental excess”, in relation to the lease and a period of account of L, means so much of the total of the normal rental excesses for previous periods of account of L (as increased under section 614BO: recovery of bad debts following reduction under section 614BN) as has not been—
 - (a) set off under section 614BK (reduction of taxable rent by the cumulative normal rental excess) against the taxable rent for any such previous period, or
 - (b) reduced under section 614BN (relief for bad debts: reduction of cumulative normal rental excess).

614BK Reduction of taxable rent by the cumulative normal rental excess

- (1) This section applies if a period of account of the current lessor (“L”) is one for which—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the taxable rent in relation to the lease is as a result of section 614BF (current lessor taxed by reference to accountancy rental earnings) an amount equal to the accountancy rental earnings, and
 - (b) there is a cumulative normal rental excess.
- (2) The taxable rent for the period of account is reduced by setting against it the cumulative normal rental excess (but not so as to reduce that rent below the amount of the normal rent).
- (3) But see section 614BN(3) and (4) (under which the amount of the cumulative normal rental excess which may be set against the taxable rent is limited in some circumstances).

Relief for bad debts by reduction of cumulative rental excesses

614BL Relief for bad debts: reduction of cumulative accountancy rental excess

- (1) This section applies if in relation to the lease for any period of account of the current lessor—
- (a) there is a cumulative accountancy rental excess, and
 - (b) a bad debt deduction falls to be made in respect of rent from the lease.
- (2) If for that period—
- (a) the accountancy rental earnings in relation to the lease exceed the normal rent, and
 - (b) the amount of the bad debt deduction exceeds the amount of the accountancy rental earnings,
- the cumulative accountancy rental excess for that period is reduced by the amount of the excess of that deduction over those earnings (but not so as to reduce the amount of that rental excess below nil).
- (3) Subsections (4) and (5) apply if for that period the accountancy rental earnings in relation to the lease do not exceed the normal rent.
- (4) The amount of the cumulative accountancy rental excess that may be set against the taxable rent for that period under section 614BI(2) (reduction of taxable rent by the cumulative accountancy rental excess) is limited to the amount (if any) by which the normal rent exceeds the bad debt deduction.
- (5) If for that period the bad debt deduction exceeds the normal rent, the cumulative accountancy rental excess for that period is reduced by the amount of that excess (but not so as to reduce the amount of that rental excess below nil).
- (6) In this section—
- “bad debt deduction”, in relation to a period of account of the lessor, means the total of any sums falling within section 35(1)(a), (b) or (c) of ITTOIA 2005 in respect of amounts in respect of rents from the lease of the asset which are deductible as expenses for that period, and
 - “taxable rent” has the meaning given in section 614BG(2).

614BM Recovery of bad debts following reduction under section 614BL

- (1) This section applies if in relation to the lease—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the cumulative accountancy rental excess for any period of account of the current lessor (“L”) has been reduced under section 614BL(2) or (5) because of a bad debt deduction,
 - (b) in a subsequent period of account of L, an amount (“the relevant credit”) is recovered or credited in respect of the amount which constituted the bad debt deduction, and
 - (c) there is a cumulative accountancy rental excess for that subsequent period.
- (2) The cumulative accountancy rental excess for the subsequent period is increased.
 - (3) If the relevant credit does not exceed the total of the reductions under section 614BL(2) or (5), the increase is by the relevant credit.
 - (4) Otherwise, the increase is limited to that total.
 - (5) In this section “bad debt deduction” has the meaning given in section 614BL(6).

614BN Relief for bad debts: reduction of cumulative normal rental excess

- (1) This section applies if in relation to the lease for any period of account of the current lessor—
 - (a) there is a cumulative normal rental excess, and
 - (b) a bad debt deduction falls to be made in respect of rent from the lease.
- (2) If for that period—
 - (a) the accountancy rental earnings in the case of the lease do not exceed the normal rent, and
 - (b) the amount of the bad debt deduction exceeds the amount of that rent,the cumulative normal rental excess for that period is reduced by the amount of the excess of that deduction over that rent (but not so as to reduce the amount of that rental excess below nil).
- (3) Subsections (4) and (5) apply if for that period the accountancy rental earnings in relation to the lease exceed the normal rent.
- (4) The amount of the cumulative normal rental excess that may be set against the taxable rent for that period under section 614BK (reduction of taxable rent by the cumulative normal rental excess) is limited to the amount (if any) by which the accountancy rental earnings exceed the bad debt deduction.
- (5) If for that period the bad debt deduction exceeds the accountancy rental earnings, the cumulative normal rental excess for that period is reduced by the amount of the excess (but not so as to reduce the amount of that rental excess below nil).
- (6) In this section, in relation to a period of account of the lessor—

“bad debt deduction” has the meaning given in section 614BL(6), and
“taxable rent” has the meaning given in section 614BG(2).

614BO Recovery of bad debts following reduction under section 614BN

- (1) This section applies if in relation to the lease—
 - (a) the cumulative normal rental excess for any period of account of the current lessor (“L”) has been reduced under section 614BN(2) or (5) as a result of a bad debt deduction,

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) in a subsequent period of account of L, an amount (“the relevant credit”) is recovered or credited in respect of the amount which constituted the bad debt deduction, and
 - (c) there is a cumulative normal rental excess for that subsequent period.
- (2) The cumulative normal rental excess for the subsequent period is increased.
- (3) If the relevant credit does not exceed the total of the reductions under section 614BN(2) or (5), the increase is by the relevant credit.
- (4) Otherwise, the increase is limited to that total.
- (5) In this section “bad debt deduction” has the meaning given in section 614BL(6).

Effect of disposals

614BP Effect of disposals of leases: general

- (1) This section applies if the current lessor (“L”) or a person connected with L disposes of—
- (a) the lessor's interest under the lease,
 - (b) the leased asset, or
 - (c) an asset representing the leased asset (see section 614DD).
- (2) This Part has effect as if immediately before the disposal a period of account of L ended and another began.
- (3) If—
- (a) two or more disposals within subsection (1) are made at the same time, and
 - (b) there is any cumulative accountancy rental excess for any period of account of L in which the disposal occurs,
- subsection (2) has effect in relation to those disposals as if they together constituted a single disposal.
- (4) In this section “dispose” and “disposal” are to be read in accordance with TCGA 1992.
- (5) In cases where there is any cumulative accountancy rental excess for L's period of account in which the disposal occurs, section 37A of that Act (consideration on disposal of certain leases) makes provision for the purposes of that Act about the reduction of the consideration for the disposal by that excess in determining if a gain has accrued.

614BQ Assignments on which neither a gain nor a loss accrues

- (1) This section applies if—
- (a) the current lessor (“L”) assigns the lessor's interest under the lease, and
 - (b) the assignment is a disposal on which, as a result of any of the no gain/no loss provisions, neither a gain nor a loss accrues.
- (2) This Part has effect as if—
- (a) a period of account of L (“L's period”) ended with the assignment, and
 - (b) a period of account of the assignee (“A's period”) began with the assignment.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Any cumulative accountancy rental excess for L's period becomes the cumulative accountancy rental excess for A's period.
- (4) Any cumulative normal rental excess for L's period becomes the cumulative normal rental excess for A's period.
- (5) If the assignee is a company subject to the charge to corporation tax on income, so far as this section relates to the assignee, it applies for the purposes of Part 21 of CTA 2010 as it would otherwise apply for the purposes of this Part.
- (6) In this section “the no gain/no loss provisions” has the same meaning as in TCGA 1992 (see section 288(3A) of that Act).

Capital allowances: claw-back of major lump sum

614BR Effect of capital allowances: introduction

- (1) This section and sections 614BS to 614BW apply if an occasion occurs on which a major lump sum falls to be paid in relation to the lease of the asset.
- (2) In those sections the occasion is called “the relevant occasion”.

614BS Cases where expenditure taken into account under Part 2, 5 or 8 of CAA 2001

- (1) This section applies if capital expenditure incurred by the current lessor (“L”) in respect of the leased asset is or has been taken into account for the purposes of any allowance or charge under—
 - (a) Part 2 of CAA 2001 (plant and machinery allowances),
 - (b) Part 5 of that Act (mineral extraction allowances), or
 - (c) Part 8 of that Act (patent allowances).
- (2) The Part of that Act in question (“the relevant Part”) has effect as if the relevant occasion were an event (“the relevant event”) as a result of which a disposal value is to be brought into account of an amount equal to the amount or value of the major lump sum (but subject to any applicable limiting provision).
- (3) In this section “limiting provision” means a provision to the effect that the disposal value of the asset in question is not to exceed an amount (“the limit”) described by reference to capital expenditure incurred in respect of the asset.
- (4) Subsection (5) applies if—
 - (a) as a result of subsection (2), a disposal value (“the relevant disposal value”) falls or has fallen to be brought into account by a person in respect of the leased asset for the purposes of the relevant Part, and
 - (b) a limiting provision has effect in the case of that Part.
- (5) The limiting provision has effect (so far as it would not otherwise do so), in relation to the relevant disposal value and any simultaneous or later disposal value, as if—
 - (a) it did not limit any particular disposal value, but
 - (b) it limited the total amount of all the disposal values brought into account for the purposes of the relevant Part by L in respect of the leased asset.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (6) In subsection (5) “simultaneous or later disposal value” means any disposal value which falls to be brought into account by L in respect of the leased asset as a result of any event occurring at the same time as, or later than, the relevant event.

614BT Cases where expenditure taken into account under other provisions of CAA 2001

- (1) This section applies if any allowance is or has been given in respect of capital expenditure incurred by the current lessor (“L”) in respect of the leased asset under any provision of CAA 2001 other than—
- (a) Part 2 of CAA 2001 (plant and machinery allowances),
 - (b) Part 5 of that Act (mineral extraction allowances), or
 - (c) Part 8 of that Act (patent allowances).
- (2) The amount specified in subsection (3) is treated, in relation to L, as if it were a balancing charge to be made on L for the chargeable period in which the relevant occasion falls.
- (3) That amount is an amount equal to—
- (a) the total of the allowances given as mentioned in subsection (1) (so far as not previously recovered or withdrawn), or
 - (b) if it is less, the amount or value of the major lump sum.
- (4) In this section “chargeable period” has the meaning given by section 6 of CAA 2001.

614BU Capital allowances deductions: waste disposal and cemeteries

- (1) This section applies if any deduction is or has been allowed to the current lessor (“L”) in respect of capital expenditure incurred in connection with the leased asset as a result of—
- (a) section 165 or 168 of ITTOIA 2005 (preparation and restoration expenditure in relation to waste disposal site), or
 - (b) section 170 of that Act (cemeteries and crematoria: deduction for capital expenditure).
- (2) L is treated as if trading receipts arose to L from the trade in question on the relevant occasion.
- (3) The amount of those receipts is equal to the lesser of—
- (a) the amount or value of the major lump sum, and
 - (b) the deductions previously allowed.

614BV Capital allowances deductions: films and sound recordings

- (1) This section applies if—
- (a) any relevant deduction has been allowed to the current lessor (“L”) in respect of expenditure incurred in connection with the leased asset, and
 - (b) the amount or value of the major lump sum exceeds so much of that sum as was treated as receipts of a revenue nature under section 134(2) of ITTOIA 2005 (disposal proceeds of original master version of film or sound recording treated as receipt of a revenue nature).
- (2) In subsection (1) “relevant deduction” means any deduction as a result of—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) section 135 of ITTOIA 2005 (allocation of expenditure on master versions of films or sound recordings to periods), or
 - (b) section 138, 138A, 139 or 140 of that Act (relief for production or acquisition expenditure in respect of films).
- (3) L is treated as if receipts of a revenue nature arose to L from the trade or business in question on the relevant occasion.
- (4) The amount of those receipts is equal to the excess mentioned in subsection (1)(b).

614BW Contributors to capital expenditure

- (1) This section applies if—
- (a) section 614BS or 614BT applies in relation to a leased asset,
 - (b) allowances are or have been made to a person (“the contributor”) as a result of sections 537 to 542 of CAA 2001 (allowances in respect of contributions to capital expenditure), and
 - (c) those allowances are or were in respect of the contributor's contribution of a capital sum to expenditure on the provision of the leased asset.
- (2) Section 614BS or, as the case may be, section 614BT has effect in relation to the contributor and those allowances as it has effect in relation to the current lessor and allowances in respect of capital expenditure incurred by the current lessor in respect of the leased asset.

Schemes to which this Chapter does not at first apply

614BX Pre-26 November 1996 schemes where this Chapter does not at first apply

- (1) This section applies if—
- (a) the lease of an asset forms part of a pre-26 November 1996 scheme, but
 - (b) the conditions in section 614BC become met after 26 November 1996.
- (2) For the meaning of “forming part of a pre-26 November 1996 scheme”, see section 614D.
- (3) This Part has effect as if—
- (a) a period of account (“period 1”) of the current lessor (“L”) ended immediately before the time at which those conditions become met,
 - (b) another period of account of L (“period 2”) began immediately before that time and ended immediately after that time, and
 - (c) another period of account of L began immediately after that time.
- (4) If, on the continuous application assumption (see subsection (9)), there would be an amount of cumulative accountancy rental excess for period 2, that amount is the cumulative accountancy rental excess for period 2.
- (5) If subsection (4) applies, L is treated for income tax purposes as if in period 1 L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to that cumulative accountancy rental excess.
- (6) The amount of rent mentioned in subsection (5)—
- (a) is in addition to any other rent from the lease for period 1, and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (b) is left out of account for the purposes of section 614BF (current lessor taxed by reference to accountancy rental earnings).
- (7) Rent within subsection (5) is treated for income tax purposes as if it had accrued and L had become entitled to it immediately before the end of period 1.
- (8) If, on the continuous application assumption, there would be an amount of cumulative normal rental excess for period 2, that amount is the cumulative normal rental excess for period 2.
- (9) In this section “the continuous application assumption” means the assumption that this Chapter (other than this section) had applied in the case of the lease at all times on or after 26 November 1996.
- (10) If at any time the person who was the lessor at that time was a person within the charge to corporation tax on income, the reference in subsection (9) to this Chapter (other than this section) includes a reference to Chapter 2 of Part 21 of CTA 2010 (other than section 923 of that Act).

614BY Post-25 November 1996 schemes to which Chapter 3 applied first

- (1) This section applies if—
 - (a) the conditions in section 614BC become met in the case of the lease of the asset, and
 - (b) immediately before those conditions become met, Chapter 3 applied.
- (2) Subsection (3) applies for the purpose of determining—
 - (a) the cumulative accountancy rental excess for any period of account ending after those conditions become met, or
 - (b) the cumulative normal rental excess for any such period.
- (3) This Part has effect as if this Chapter had applied in relation to the lease at any time when Chapter 3 applied in relation to it.
- (4) If at any time the person who was the lessor at that time was a person within the charge to corporation tax on income—
 - (a) the reference in subsection (1)(a) to the conditions in section 614BC becoming met at that time includes a reference to the conditions in section 902 of CTA 2010 becoming so met,
 - (b) the reference in subsection (1)(b) to Chapter 3 applying immediately before that time includes a reference to Chapter 3 of Part 21 of that Act so applying, and
 - (c) the reference in subsection (3) to Chapter 3 applying at that time includes a reference to Chapter 3 of that Part so applying.]

OTHER FINANCE LEASES

Textual Amendments

F688 Pt. 11A Ch. 3 inserted (with effect in accordance with s. 381(1) of the amending Act) by [Taxation \(International and Other Provisions\) Act 2010 \(c. 8\)](#), s. 381(1), **Sch. 3 para. 4** (with [Sch. 9 paras. 1-9, 22](#))

Introduction

614C Introduction to Chapter

- (1) This Chapter applies to arrangements involving the lease of an asset that—
 - (a) fall to be treated, in accordance with generally accepted accounting practice, as a finance lease or loan, but
 - (b) are not arrangements to which Chapter 2 applies.
- (2) It does not matter whether the arrangements are or have been entered into by companies or other persons.

614CA Purpose of this Chapter

- (1) The main purpose of this Chapter where there are arrangements to which this Chapter applies is to charge a person entitled to the lessor's interest under the lease of the asset to income tax on amounts of income determined as mentioned in subsection (2).
- (2) The amounts referred to in subsection (1) are determined by reference to the amounts that fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the income return on and after 26 November 1996 on investment in respect of the finance lease or loan.

 - section 649(4) (issue of new securities with extra return treated as transfer with accrued interest).

624 Transfers without accrued interest

- (1) The general rule is that securities are transferred without accrued interest for the purposes of this Chapter if they are transferred without the right to receive interest payable as mentioned in section 623(1)(a) or (b).
- (2) But, in the case of the transfers specified in subsection (3), subsection (4) applies instead of subsection (1).
- (3) The transfers are those treated as made under—
 - (a) section 620(1)(b) (conversion),
 - (b) section 650 (trading stock appropriations etc),
 - (c) section 651 (owner becoming entitled to securities as trustee), and
 - (d) section 652 (securities ceasing to be held on charitable trusts).
- (4) If the person treated as the transferor did not have the right to receive interest payable as mentioned in section 623(1)(a) or (b), the securities are treated as transferred without accrued interest.

- (6) See also section 648(5) (certain exchanges of strips treated as transfers without accrued interest).

625 Transfers with unrealised interest

- (2) Such transfers are not treated as transfers with accrued interest or transfers without accrued interest.

627 Meaning of “variable rate securities”

- (1) For the purposes of this Chapter securities are “variable rate securities” unless their terms of issue provide that throughout the period from issue to redemption (whenever redemption might occur) they are to carry interest at a rate which falls into one, and one only, of the categories specified in subsection (2).
- (2) The categories are—
 - (a) a fixed rate which is the same throughout the period,
 - (b) a rate which bears the same fixed relationship to a standard published base rate throughout the period, and
 - (c) a rate which bears the same fixed relationship to a published index of prices throughout the period.
- (3) In subsection (2) “published index of prices” means the retail prices index or any similar general index of prices which is published by the government of any territory outside the United Kingdom or by an agent of such a government.
- (4) In determining whether new securities (within the meaning of section 649 (new securities issued with extra return)) are variable rate securities, the interest payable on them on the first interest payment day after their issue is treated as payable in respect of the period beginning with the relevant period and ending with that day.
- (5) In subsection (4) “the relevant period” has the meaning given by section 649(8).

Calculating accrued income profits and losses

628 Making accrued income profits and losses: general rule

- (2) This section does not apply in a case where section 630 applies.
- (3) A separate calculation is to be made for each kind of security that is transferred by or to the person and for each interest period of each such kind of security.
- (4) Each such calculation is to find—
 - (a) the total amount (“A”) of the payments treated under this Chapter as made to the person in the interest period in question in respect of transfers of securities of the particular kind, and
 - (b) the total amount (“B”) of the payments treated under this Chapter as made by the person in that period in respect of such transfers.
- (5) A person is treated as making accrued income profits in an interest period as a result of transfers of securities of a particular kind if A exceeds B.

The payments treated as made on transfers

632 Payment on transfer with accrued interest

- (1) In the case of a transfer of securities with accrued interest, for the purposes of this Chapter a payment is treated as made by the transferee to the transferor in the interest period in which the settlement day falls.
- (2) The amount of that payment depends on whether the transfer is under an arrangement by which the transferee accounts to the transferor separately—
 - (a) for the consideration for the securities, and
 - (b) for gross interest accruing to the settlement day.
- (3) If the transfer is under such an arrangement, the amount of the payment is the amount of gross interest which the transferee accounts for.
- (4) If—
 - (a) the transfer is not under such an arrangement, and
 - (b) the settlement day is itself an interest payment day for the securities,the amount of the payment is the amount of interest payable on the securities on that day.
- (5) If—
 - (a) the transfer is not under such an arrangement, and
 - (b) the settlement day is not an interest payment day for the securities,the amount of the payment is an amount equal to—

$$I \times \frac{A}{B}$$

where—

I is the interest payable on the securities on the first interest payment day after the settlement day (“the payment day”),

A is the number of days in the period beginning with the first day on which that interest accrues and ending with the settlement day, and

B is the number of days in the period beginning with the first day on which that interest accrues and ending with the payment day.

- (6) For the purposes of subsection (5), the first day on which that interest accrues is taken to be—
 - (a) the day after the last interest payment day before the settlement day, or
 - (b) if there was no interest payment day before the settlement day, the first day of the first interest period of the securities.
- (7) In a case where no one is treated as the transferor (see sections 648(4) and 649(5)), this section has effect as if—
 - (a) in subsection (1) the words “to the transferor” were omitted, and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (b) subsections (2), (3), (4)(a) and (5)(a) were omitted.
- (8) In a case where no one is treated as the transferee (see sections 621(2) and (3) and 648(2)), this section has effect as if—
 - (a) in subsection (1) the words “by the transferee” were omitted, and
 - (b) subsections (2), (3), (4)(a) and (5)(a) were omitted.
- (9) Subsections (2) to (5) are subject to section 662 (new securities issued with extra return: special rules about payments).
- (10) Subsections (4) and (5) are subject to section 659 (transfers with or without accrued interest: interest in default).

633 Payment on transfer without accrued interest

- (1) In the case of a transfer of securities without accrued interest, for the purposes of this Chapter a payment is treated as made by the transferor to the transferee in the interest period in which the settlement day falls.
- (2) The amount of that payment depends on whether the transfer is under an arrangement by which the transferor accounts to the transferee for gross interest accruing from the settlement day to the next interest payment day.
- (3) If the transfer is under such an arrangement, the amount of the payment is the amount of gross interest which the transferor accounts for.
- (4) If—
 - (a) the transfer is not under such an arrangement, and
 - (b) the settlement day is itself an interest payment day for the securities,
 the amount of the payment is nil.
- (5) If—
 - (a) the transfer is not under such an arrangement, and
 - (b) the settlement day is not an interest payment day for the securities,
 the amount of the payment is an amount equal to—

$$I \times \frac{A}{B}$$

where—

I is the interest payable on the securities on the first interest payment day after the settlement day (“the payment day”),

A is the number of days in the period beginning with the day after the settlement day and ending with the payment day, and

B is the number of days in the period beginning with the first day on which that interest accrues and ending with the payment day.

- (6) For the purposes of subsection (5), the first day on which that interest accrues is taken to be—
 - (a) the day after the last interest payment day before the settlement day, or
 - (b) if there is no interest payment day before the settlement day, the first day of the first interest period of the securities.
- (7) In a case where no one is treated as the transferor (see section 648(4)), this section has effect as if—
 - (a) in subsection (1) the words “by the transferor” were omitted, and
 - (b) subsections (2), (3), (4)(a) and (5)(a) were omitted.
- (8) In a case where no one is treated as the transferee (see sections 621(2) and (3) and 648(2)), this section has effect as if—
 - (a) in subsection (1) the words “to the transferee” were omitted, and
 - (b) subsections (2), (3), (4)(a) and (5)(a) were omitted.
- (9) Subsection (5) is subject to section 659 (transfers with or without accrued interest: interest in default).
- (10) See also section 663(2) (reduction of amount of payment under this section where transfer to maker of manufactured payments).

634 Payment on transfer with unrealised interest

- (1) In the case of a transfer of securities with unrealised interest where the settlement day falls within an interest period, for the purposes of this Chapter a payment is treated as made to the transferor in that period.
- (2) The amount of the payment is equal to the unrealised interest.
- (3) Subsection (2) is subject to section 660 (transfers with unrealised interest: interest in default).
- (4) No one is treated as making the payment.
- (5) Accordingly, the payment is not brought into account in determining whether the transferee is treated as making accrued income profits or losses under section 628.
- (6) But see section 681 (exemption for unrealised interest received by transferee after transfer).
- (7) See section 630 for the rules that apply to transfers of securities with unrealised interest where the settlement day falls outside an interest period.

Special rules about some calculations

659 Transfers with or without accrued interest: interest in default

- (1) This section applies if—
- (a) the amount of the payments treated as made on a transfer of securities is to be determined under section 632(4) or (5), 633(5) or 662(4) (cases where interest is not accounted for separately),
 - (b) there has been a failure to pay interest due on the securities, and
 - (c) as a result of the failure, on the interest payment day which is or follows the settlement day the value of the right to receive the interest payable on the securities is less than the interest payable.
- (2) The calculation under section 632(4) or (5), 633(5) or 662(4) is to be made by reference to that value instead of the interest.

660 Transfers with unrealised interest: interest in default

- (1) This section applies if—
- (a) securities are transferred with unrealised interest,
 - (b) there has been a failure to pay interest due on the securities transferred, and
 - (c) as a result of the failure, on the day of the transfer the value of the right to receive the unrealised interest (“the unrealised interest value”) is less than the unrealised interest.
- (2) The amount of the payment treated as made to the transferor under section 634(2) is taken to be the unrealised interest value instead of the amount of the unrealised interest.
- (3) The amount of accrued income profits under section 631(1) is taken to be the unrealised interest value instead of the amount of the unrealised interest.
- (4) Subsections (2) and (3) are subject to section 661 (successive transfers with unrealised interest in default).
- (5) For the purposes of this section and section 661, a person is treated as transferring securities of a particular kind which the person acquired later before securities of that kind acquired earlier.
- (6) See also section 681 (exemption for unrealised interest received by transferee after transfer).

661 Successive transfers with unrealised interest in default

- (1) The amount taken as the unrealised interest value for the purposes of section 660(2) or (3) is reduced if the person (“T”) who makes the transfer referred to in section 660(1) also acquired the securities with the right to receive unrealised interest.
- (2) The amount of the reduction depends on whether subsection (3) applies.
- (3) This subsection applies if—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) T has received, as transferee, some or all of that unrealised interest, and
 - (b) T is liable for income tax on it for the tax year in which it was received.
- (4) If subsection (3) applies, the reduction is equal to the value on the day of the transfer to T of the right to receive the unrealised interest (“the earlier value”) less the total so received.
- (5) If subsection (3) does not apply, the reduction is equal to the earlier value.
- (6) But if the reduction under subsection (4) or (5) exceeds the amount mentioned in subsection (1), that amount is treated as reduced to nil.

662 New securities issued with extra return: special rules about payments

- (1) In the case of a transfer treated as made under section 649 (new securities issued with extra return), the amount of the payment treated as made under section 632(1) (payment on transfer with accrued interest) is not determined under section 632(2) to (5).
- (2) Instead, that amount depends on whether under the issue arrangements the person to whom the new securities are issued accounts to the issuer separately—
- (a) for the extra return, and
 - (b) for the rest of the issue price.
- (3) If the person does account for them separately, the amount of the payment is the amount of the extra return separately accounted for.
- (4) If the person does not account for them separately, the amount of the payment is an amount equal to—

$$I \times \frac{A}{B}$$

where—

I is the interest payable on the new securities on the first interest payment day after the new issue day (“the payment day”),

A is the number of days in the relevant period, and

B is the number of days in the period beginning with the first day of the relevant period and ending with the payment day.

- (5) Subsection (4) is subject to section 659 (transfers with or without accrued interest: interest in default).
- (6) In this section “the extra return”, “the new issue day”, “new securities” and “the relevant period” have the same meaning as in section 649.

663 Transfers without accrued interest to makers of manufactured payments

- (1) This section applies if—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the manufactured payments conditions are met (see section 647(2)), and
 - (b) the nominal value of the securities subject to the seller's contract is less than that of the securities transferred to the seller.
- (2) The amount of the payment treated as made to the seller under section 633 on the transfer of the securities to the seller is reduced.
 - (3) The reduction is by so much of that amount as is attributable to securities (“the matched securities”) of a nominal value equal to that of the securities subject to the seller's contract.
 - (4) If there is more than one transfer of securities to the seller, those transferred to the seller earlier are treated as the matched securities before those transferred later.
 - (5) In this section “the seller” and “the seller's contract” have the same meaning as in section 647.
 - (6) For cases where subsection (1)(b) does not apply, see section 647(3) (under which the seller is treated as an excluded transferee).

664 Foreign currency securities: sterling equivalent of payments on transfers

- (1) The sterling equivalent of the amount of the payment treated as made on a transfer of securities is determined in accordance with this section if interest on the securities is payable in a currency other than sterling (“a foreign currency”).
- (2) If the payment is determined under section 632(3), 633(3) or 662(3) (transfers under an arrangement by which interest is accounted for separately), the amount of the payment depends on whether the sterling equivalent of the interest separately accounted for is shown in an agreement for transfer.
- (3) If the sterling equivalent is so shown, the amount of the payment is taken to be that sterling equivalent.
- (4) If the sterling equivalent is not so shown, the amount is taken to be the sterling equivalent on the settlement day of the interest separately accounted for.
- (5) If the amount of the payment treated as made is determined under any other provision (except section 660 (transfers with unrealised interest: interest in default)), the amount is taken to be its sterling equivalent on the settlement day.
- (6) For the purposes of this section, the sterling equivalent of an amount or value in a foreign currency is to be calculated by reference to the London closing rate of exchange for the day concerned.

665 Foreign currency securities: unrealised interest payable in foreign currency

- (1) This section applies if unrealised interest is payable in a currency other than sterling (“a foreign currency”).
- (2) For the purposes of section 631(1) (amount of accrued income profits where settlement day outside interest period) the amount of the unrealised interest is taken to be its sterling equivalent on the settlement day.
- (3) For the purposes of sections 660 (transfers with unrealised interest: interest in default) and 661 (successive transfers with unrealised interest in default), the value on any day

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. of the right to receive unrealised interest is the sterling equivalent on that day of that value in the foreign currency.

- (4) For the purposes of those sections unrealised interest received in a foreign currency is taken to be the sterling equivalent on the day of receipt of the amount received.
- (5) For the purposes of this section, the sterling equivalent of an amount or value in a foreign currency is to be calculated by reference to the London closing rate of exchange for the day concerned.

- (1) Transfers of securities by or to a person as nominee for another person (“A”) are treated for the purposes of this Chapter as transfers by or to A.
- (2) Transfers of securities by or to a person (“T”) as trustee for another person (“B”) are treated for the purposes of this Chapter as transfers by or to B if B is absolutely entitled as against T.

- (4) For the purposes of subsection (2) where T is the transferee, B is absolutely entitled as against T if immediately after the transfer B has that exclusive right.
- (5) For the purposes of subsections (3) and (4), a right to direct how securities are to be dealt with is treated as an exclusive right despite being subject to satisfying any outstanding charge, lien or other right of the trustee to resort to the securities for payment of duty, taxes, costs or other outgoings.
- (6) Subsection (1) applies to a transfer of securities by or to a person as nominee for two or more persons as it applies to a transfer of securities by or to a person as nominee for one person, taking the references to A as references to the two or more persons.
- (7) This section applies to a transfer of securities by or to a person as trustee for two or more persons as it applies to a transfer of securities as trustee for one person, taking—
 - (a) the references to B as references to the two or more persons, and
 - (b) the references to B being absolutely entitled as references to the two or more persons being jointly absolutely entitled.
- (8) The fact that a person is an infant or otherwise lacks legal capacity is to be disregarded in determining for the purposes of this section whether the person is absolutely entitled as against T.

 - (b) would have been treated as making an amount or an additional amount of qualifying accrued income profits in the interest period if the trustees had been UK resident or domiciled in the United Kingdom during a part of each such tax year.
- (3) The amount or additional amount of qualifying accrued income profits that the trustees would have been treated as making is to be taken to be income arising under the settlement for the purposes of Chapter 5 of Part 5 of ITTOIA 2005.
- (4) In this section—
- (a) “qualifying accrued income profits” means accrued income profits which are treated as made—
 - (i) under section 628(5), or
 - (ii) under section 630(2) in respect of a transfer of variable rate securities, and
 - (b) in any case where there are no trustees of a settlement, references to such trustees are to any persons entitled to securities comprised in the settlement.
- (5) In the case of qualifying accrued income profits within subsection (4)(a)(ii)—

673 Meaning of “interest period”

- (3) See section 698 for the serving of counteraction notices, and sections 696 and 697 for cases where the person on whom the notice under this section is served disagrees that section 684 applies.

- (3) The officer may also send the tribunal a counter-statement with the certificate.
- (4) The tribunal must—
 - (a) consider the declaration and certificate and any counter-statement, and
 - (b) determine whether there is a prima facie case for the officer to take further action on the basis that section 684 (person liable to counteraction of income tax advantage) applies to the person by whom the declaration was made in respect of the transaction or transactions in question.
- (5) If the tribunal determines that there is no such case—

 - (i) the transfer, or
 - (ii) one or more associated operations,
 - (d) the individual is not liable to income tax under section 720 or 727 by reference to the transfer and would not be so liable if the effect of sections 726 and 730 were ignored, and
 - (e) the individual is not liable to income tax on the amount or value of the benefit (apart from section 731).
- (2) Income is treated as arising to the individual for income tax purposes for any tax year for which section 733 provides that income arises.
- (3) Also see that section for the amount of income treated as arising for any such tax year.

733 Income charged under section 731

- (1) To find the amount (if any) of the income treated as arising under section 732(2) for any tax year in respect of benefits provided as mentioned in section 732(1)(c) take the following steps.

Step 1

Identify the amount or value of such benefits received by the individual in the tax year and in any earlier tax years in which section 732 has applied.

The sum of those amounts and values is “the total benefits”.

Step 2

Deduct from the total benefits the total amount of income treated as arising to the individual under section 732(2) for earlier tax years as a result of the relevant transfer or associated operations.

The result is “the total untaxed benefits”.

Step 3

Identify the amount of any income which—

- (a) arises in the tax year to a person abroad, and
- (b) as a result of the relevant transfer or associated operations can be used directly or indirectly for providing a benefit for the individual.

That amount is “the relevant income of the tax year” in relation to the individual and the tax year.

Step 4

Add together the relevant income of the tax year and the relevant income of earlier tax years in relation to the individual (identified as mentioned in Step 3).

The sum of those amounts is “total relevant income”.

Step 5

Deduct from total relevant income—

- (a) the amount deducted at Step 2, and
- (b) any other amount which may not be taken into account because of section 743(1) and (2) (no duplication of charges).

The result is “the available relevant income”.

Step 6

Compare the total untaxed benefits and the available relevant income.

The amount of the income treated as arising under section 732(2) for any tax year is the total untaxed benefits unless the available relevant income is lower.

If the available relevant income is lower, it is the amount of income treated as so arising.

- (2) Subsection (1) is subject to section 734 (reduction in amount charged: previous capital gains tax charge).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) See also section 740(5) to (7) (which makes provision about relevant income and benefits where relevant transactions include both transactions before 5 December 2005 and transactions after 4 December 2005 and exemptions under this Chapter cease to apply).

734 Reduction in amount charged: previous capital gains tax charge

- (1) This section applies if—
- (a) benefits provided as mentioned in section 732(1)(c) are received in a tax year,
 - (b) for that tax year the whole or part of any benefits so provided is a capital payment to which section 87 or 89(2) of, or paragraph 8 of Schedule 4C to, TCGA 1992 applies (chargeable gains: gains attributed to beneficiaries),
 - (c) it is such a payment because the total untaxed benefits exceed the available relevant income (see Step 6 in section 733(1)) and so it is not treated as income arising to the individual under section 732(2), and
 - (d) because of that capital payment chargeable gains are treated as accruing to the individual in that or a subsequent tax year under any of the provisions referred to in paragraph (b).
- (2) For any tax year after one in which such chargeable gains are so treated, the amount of income treated as arising to the individual under section 732(2) in respect of benefits provided as mentioned in section 732(1)(c) as a result of the transfer or operations in question is calculated as follows.
- (3) The amount is calculated under section 733(1) as if the total untaxed benefits were reduced by the amount of those gains.
- (4) In this section “the total untaxed benefits” and “the available relevant income” have the same meaning as in section 733(1) (see Steps 2 and 5).
- [^{F728}(5) References in this section to chargeable gains treated as accruing to an individual include offshore income gains treated as arising to the individual (see [^{F729}regulations 20 and 22 to 24 of the Offshore Funds (Tax) Regulations 2009 (S.I. 2009/3001)]).]

- (5) For those purposes treat income for a period as arising immediately before the end of the period.

Introduction

752 Overview of Chapter

- (1) This Chapter has effect for the purpose of preventing the avoidance of income tax by persons concerned with land or the development of land.
- (2) This Chapter imposes a charge to income tax in some circumstances where gains of a capital nature are obtained from disposing of land.

753 Meaning of disposing of land

- (1) For the purposes of this Chapter land is disposed of if the property in the land or control over the land is effectively disposed of—
 - (a) by one or more transactions, or
 - (b) by any arrangement or scheme.
- (2) It does not matter for the purposes of subsection (1) if the transactions, arrangement or scheme concern—
 - (a) the land, or
 - (b) property deriving its value from the land (see section 772(2)).
- (3) See also—
 - section 761 (transactions, arrangements, sales and realisations relevant for this Chapter), and
 - section 762 (tracing value).

754 Priority of other income tax provisions

This Chapter has effect subject to—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Charge on gains from transactions in land

755 Charge to tax on gains from transactions in land

 - (c) all or part of the land is situated in the United Kingdom, and
 - (d) a person within section 757(1)(a), (b) or (c) obtains the gain.
- (2) The gain is treated for income tax purposes as income arising when the gain is realised.
- (3) The conditions are that—
 - (a) the land is acquired with the sole or main object of realising a gain from disposing of all or part of the land,
 - (b) any property deriving its value from the land is acquired with the sole or main object of realising a gain from disposing of all or part of the land,
 - (c) the land is held as trading stock, and
 - (d) the land is developed with the sole or main object of realising a gain from disposing of all or part of the land when developed.
- (4) It does not matter for the purposes of this section whether the person within section 757(1)(a), (b) or (c) obtains the gain for that person or another person.
- (5) For the purposes of this section, if, for example by a premature sale, a person (“A”) directly or indirectly transmits the opportunity of realising a gain to another person (“B”), A obtains B's gain for B.

757 Person obtaining gain

 - (a) the person acquiring, holding or developing the land,

 - (b) there is other sufficient evidence of a common purpose.

758 Income charged

- (1) Tax is charged under this Chapter on the full amount of income treated as arising in the tax year.
- (2) See section 760 (method of calculating gain) for how to calculate the amount of income charged.

759 Person liable

- (1) The person liable for any tax charged under this Chapter on income is the person whose income it is.
- (2) The general rule is that that person is the person who realises the gain.
- (3) But that rule is subject to subsections (4) and (6).
- (4) If all or any part of the gain accruing to a person (“A”) is derived from value provided directly or indirectly by another person (“B”), the income is B's.
- (5) Subsection (4) applies whether or not the value is put at the disposal of A.
- (6) If all or any part of the gain accruing to a person is derived from an opportunity of realising a gain provided directly or indirectly by another person, the income is the other person's.
- (7) For the meaning of “another person”, see section 763.
- (8) In applying section 1015 (territorial scope of charges including the charge under this Chapter) for the purposes of this Chapter, an amount treated as arising to a non-UK resident under section 756 is treated as being from a source in the United Kingdom so far (and only so far) as the land to which the disposal relates is in the United Kingdom.

760 Method of calculating gain

- (1) Subsections (3) to (5) apply for calculating a gain for the purposes of this Chapter.
- (2) But, except so far as those subsections make provision, such method is to be used for those purposes as is just and reasonable in the circumstances.
- (3) The method must—
 - (a) take into account the value of what is obtained for disposing of the land, and
 - (b) allow only such expenses as are attributable to the land disposed of.
- (4) If a freehold is acquired and on disposal the reversion is retained, account may be taken of the way in which trading profits are calculated in such a case.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (5) Account may be taken of the adjustments to be made in calculating trading profits under section 158 of ITTOIA 2005 (lease premiums etc: reduction of receipts).
- (6) In this section “trading profits” means the profits under Part 2 of ITTOIA 2005 (trading profits) of a person dealing in land.
- (7) In the application of this section in Scotland—
 - “freehold” means the interest of the owner, and

- (6) For the purposes of subsection (5), the cases where an individual (“A”) obtains a capital amount for another person (“B”) include cases where A has put B in a position to receive the capital amount by providing B with something of value derived, directly or indirectly, from A's activities in the occupation.
- (7) In this Chapter “capital amount” means an amount in money or money's worth which does not fall to be included in a calculation of income for ^{F744}purposes of the Tax Acts otherwise than as a result of] this Chapter.

CHAPTER 5

AVOIDANCE INVOLVING TRADING LOSSES

Introduction

790 Overview of Chapter

- (1) This Chapter imposes charges to income tax on—
 - (a) individuals who are treated as receiving income under section 792 (individuals in partnership claiming excess relief),
 - (b) individuals who are treated as receiving income under section 797 (individuals claiming relief for film-related trading losses), and
 - (c) individuals who are treated as receiving income under section 805 (individuals in partnership claiming relief for licence-related trading losses).
- (2) The charges apply if (among other things) the individual makes a loss in a trade for which the individual claims sideways relief or capital gains relief.
- (3) For the purposes of this Chapter sideways relief is—
 - (a) trade loss relief against general income (see sections 64 to 70), or
 - (b) early trade losses relief (see sections 72 to 74).
- (4) For the purposes of this Chapter—
 - (a) capital gains relief is, in relation to a loss, the treatment of the loss as an allowable loss by virtue of section 261B of TCGA 1992 (use of trading loss as a CGT loss), and
 - (b) capital gains relief is claimed for a loss when a claim under that section is made in relation to the loss.
- (5) References in this Chapter to a firm are to be read in the same way as references to a firm in Part 9 of ITTOIA 2005 (which contains special provision about partnerships).

Individuals in partnership: recovery of excess relief

791 Charge to tax on income treated as received under section 792

- (1) Income tax is charged on income treated as received by an individual under section 792.
- (2) Tax is charged under this section on the amount of the income treated as received in the tax year.
- (3) The person liable for any tax charged under this section is the individual treated as receiving the income.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

792 Partners claiming excess sideways or capital gains relief

- (1) This section applies if—
- (a) an individual carrying on a trade (“the relevant trade”) as a partner in a firm makes post-1 December 2004 losses in the relevant trade for which the individual claims relief within subsection (2),
 - (b) any of sections 104, 107 and 110 applies in relation to the relief (whether or not any of those sections restricts the amount of the relief), and
 - (c) after the individual makes the claim or claims, a chargeable event occurs.
- (2) The relief within this subsection is—
- (a) sideways relief but only if the whole or part of the relief is claimed against income of the individual apart from profits of the relevant trade, and
 - (b) capital gains relief.
- (3) A chargeable event occurs whenever—
- (a) the amount of the individual's contribution to the firm is reduced as a result of the application of regulations made under section 114, and
 - (b) that reduction in the individual's contribution to the firm immediately results in—
 - (i) the total amount of trade losses claimed (less any reclaimed relief) becoming greater than the contribution, or
 - (ii) an increase in the amount by which the total amount of trade losses claimed (less any reclaimed relief) exceeds the contribution.
- (4) The individual is treated as receiving an amount of income every time a chargeable event occurs.

The income is treated as arising otherwise than as profits of a trade.

- (5) The amount of the income is calculated in accordance with section 793.
- (6) If—
- (a) the firm is carrying on, or has carried on, more than one trade, and
 - (b) subsection (1)(a) and (b) applies in relation to losses made by the individual in one or more of those trades as a partner in the firm,

the firm's trades are taken together for the purpose of determining whether a chargeable event occurs at any time after a claim in relation to any of those losses has been made and, if one does occur, the amount of income treated as received by the individual at that time.

See section 794(6) for modifications giving effect to this.

- (7) References in this section to an individual being a partner in a firm include a reference to an individual being a limited partner within the meaning of section [F746]103A as a result of subsection (1)(c) of that section.
- (8) And, accordingly, in the case of an individual who is such a limited partner, in this section and in sections 793 to 795 references to the individual's firm are references to the relationship between the individual and the other persons mentioned in section [F747]103A(3)(a).

Status: Point in time view as at 31/01/2013.

793 Calculating the amount of income treated as received

- (1) The amount of income treated as received by the individual under section 792 when the chargeable event occurs is the lowest of amounts A to C.
- (2) Amount A is the amount by which the individual's contribution to the firm is reduced as a result of the application of regulations made under section 114.
- (3) Amount B is the amount given by—
 - (a) taking, at the time immediately after the chargeable event occurs, the total amount of trade losses claimed that are post-1 December 2004 losses, and
 - (b) reducing that amount (but not below nil) by any reclaimed relief.
- (4) Amount C is the amount given by—
 - (a) taking the amount by which, at the time immediately after the chargeable event occurs, the total amount of trade losses claimed exceeds the individual's contribution to the firm, and
 - (b) reducing that amount (but not below nil) by any reclaimed relief.

794 Meaning of “the total amount of trade losses claimed” etc

- (1) In sections 792 and 793 “the total amount of trade losses claimed” means the total amount of losses within subsection (2) for which the individual has claimed sideways relief or capital gains relief.
- (2) The losses within this subsection are losses made by the individual in the relevant trade—
 - (a) in a tax year at a time during which the individual carries on the relevant trade as a limited partner or as a member of an LLP, or
 - (b) in an early tax year during which the individual carries on the relevant trade as a non-active partner.

Expressions used in this subsection are to be read as if contained in Chapter 3 of Part 4.

- (3) In sections 792 and 793 “reclaimed relief” means the total amount of income treated as received by the individual under section 792 as a result of that section being previously applied in relation to claims for relief for losses made by the individual in the relevant trade.
- (4) In sections 792 and 793 “the individual's contribution to the firm” at any time means the individual's contribution to the firm or the LLP (as the case may be) at that time as calculated for the purposes of the relevant restriction provision.
- (5) The “relevant restriction provision” means—
 - (a) whichever of sections 104, 107 and 110 applied as mentioned in section 792(1)
 - (b), or

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) if more than one of those sections applied as mentioned in section 792(1)(b), the section which so applied to the amount of relief which could be given for the loss most recently made by the individual in the relevant trade.
- (6) In a case to which section 792(6) applies, for the purpose of determining the total amount of trade losses claimed, the amount of the reclaimed relief and the relevant restriction provision—
- (a) apply subsections (1) and (2) in relation to each of the trades that the firm is carrying on, or has carried on, and then add the results together, and
 - (b) apply subsections (3) and (5)(b) as if references to the relevant trade were references to any of the trades that the firm is carrying on, or has carried on.
- But if a trade is of the kind mentioned in section 110(8), do not apply subsection (2)(b) in relation to it.

795 Meaning of “post-1 December 2004 loss”

- (1) For the purposes of sections 792 and 793 a “post-1 December 2004 loss” means—
- (a) any loss made by an individual in a trade in a tax year the basis period for which begins on or after 2 December 2004, or
 - (b) the post-1 December 2004 part of any loss made by an individual in a trade in a tax year the basis period for which includes 2 December 2004 (but begins before that date).
- (2) The “post-1 December 2004 part” of any loss made by an individual in a trade means the individual's share of any losses made by the relevant firm in the trade in the period—
- (a) beginning with 2 December 2004, and
 - (b) ending with the end of the basis period for the tax year concerned.
- (3) For this purpose “the relevant firm” means the firm in which the individual carried on the trade, and—
- (a) the losses of that firm are calculated as if that period were one for which profits and losses had to be calculated for the purposes of section 849 of ITTOIA 2005 (calculation of firm's profits or losses), and
 - (b) the individual's share of the losses is determined in accordance with the individual's interest in the firm during that period.
- (4) In this section “basis period”, in relation to an individual with a notional trade, means the basis period for the notional trade (within the meaning of Part 9 of ITTOIA 2005).

 - (i) those losses becoming greater than that contribution, or
 - (ii) an increase in the amount by which those losses exceed that contribution.
- (3) The individual is treated as receiving an amount of income every time a chargeable event occurs.

The income is treated as arising otherwise than as profits of the trade.

- (4) A chargeable event occurs whenever—
- (a) the individual makes a relevant claim (if by that time a relevant disposal and an exit event have occurred),
 - (b) a relevant disposal occurs (if by that time an exit event has occurred and the individual has made a relevant claim), or
 - (c) an exit event occurs (if by that time a relevant disposal has occurred and the individual has made a relevant claim).

The calculation in this subsection is made immediately after the chargeable event occurs and is subject to section 803.

- (6) For the purposes of this section it does not matter—
- (a) if the individual (or anyone else) is still carrying on the trade when a chargeable event occurs, or

801 Meaning of “capital contribution”

- (1) This section applies for the purposes of section 797.
- (2) The individual's capital contribution is the amount which the individual has contributed to the trade as capital less so much of that amount (if any) as is within subsection (6).

This is subject to subsection (3).

- (3) If the individual has made a relevant claim for a film-related loss made in the trade as a partner in a firm, the individual's capital contribution is the amount which the individual has contributed to the firm as capital less so much of that amount (if any) as is within subsection (6).
- (4) In particular, the individual's share of any profits of the firm is to be included for the purposes of subsection (3) in the amount which the individual has contributed to the firm as capital so far as that share has been added to the firm's capital.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (5) In subsection (4) the reference to profits are to profits calculated in accordance with generally accepted accounting practice (before any adjustment required or authorised by law in calculating profits for income tax purposes).
- (6) An amount of capital is within this subsection if it is an amount which—
- (a) the individual has previously drawn out or received back,
 - (b) the individual is entitled to draw out or receive back,
 - (c) another person has reimbursed to the individual, or
 - (d) the individual is entitled to require another person to reimburse to the individual.
- (7) But if a chargeable event occurs, anything treated for the purposes of section 797(5)(a) as consideration received by the individual for a relevant disposal is not to be treated as capital within subsection (6) in calculating the individual's capital contribution for the purposes of section 797(5)(b).
- (8) In this section—
- (a) any reference to drawing out, receiving back or reimbursing an amount is to doing so directly or indirectly,
 - (b) any reference to drawing out or receiving back an amount does not include drawing out or receiving back an amount which, because of its being drawn out or received back, is chargeable to income tax as profits of a trade, and
 - (c) any reference to reimbursing an amount includes discharging or assuming all or part of a liability of the individual,
- but the express provision made by paragraph (c) does not affect what counts as the receipt back or reimbursement of an amount.
- (9) This section needs to be read with any regulations made under section 802 (specified amounts to be excluded in calculating a partner's capital contribution for the purposes of section 797).

802 Exclusion of amounts in calculating capital contribution by a partner

- (1) This section applies if an individual makes a relevant claim for a film-related loss made by the individual in a trade as a partner in a firm.
- (2) The Commissioners for Her Majesty's Revenue and Customs may by regulations provide that any amount of a specified description is to be excluded in calculating the individual's capital contribution for the purposes of section 797.

- (6) No regulations may be made under this section unless a draft of them has been laid before and approved by a resolution of the House of Commons.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

803 Prohibition against double counting

- (1) Subsections (2) and (3) apply for the purpose of calculating the amount of income received under section 797 on a chargeable event in respect of the individual and the trade.
- (2) If chargeable events have previously occurred in respect of the individual and the trade, any consideration taken into account in calculating the amount of income received on an earlier chargeable event is left out of account.
- (3) If chargeable events have previously occurred in respect of the individual and the trade, the amount of income received as a result of section 797(5)(b) is reduced (but not below nil) by the total amount of income received on earlier chargeable events as a result of that provision.
- (4) In a case to which section 800(10) (cases in which firm is carrying on, or has carried on, more than one trade) applies—
 - (a) subsections (2) and (3) of this section have effect as if references to the trade were references to any of the firm's trades, and
 - (b) if chargeable events in respect of the individual and any of the firm's trades occur at the same time, to find the total amount of income received under section 797 at that time on those chargeable events—
 - (i) calculate separately the income received on each chargeable event ignoring the other chargeable events,
 - (ii) add the results from sub-paragraph (i) together, and
 - (iii) reduce the total amount of income resulting from sub-paragraph (ii) so far as necessary to ensure that no amount is included more than once in that total.

Individuals in partnership claiming relief for licence-related trading losses

804 Charge to tax on income treated as received under section 805

- (1) Income tax is charged on income treated as received by an individual under section 805.
- (2) Tax is charged under this section on the amount of the income treated as received in the tax year.
- (3) The person liable for any tax charged under this section is the individual treated as receiving the income.

805 Partners claiming relief for licence-related trading losses

- (1) This section applies if—
 - (a) an individual carries on a trade as a non-active partner during an early tax year,
 - (b) the individual makes a loss in the trade in that tax year for which the individual claims sideways relief or capital gains relief (a “relevant claim”),
 - (c) the loss derives to any extent from expenditure incurred in the trade in exploiting a licence acquired in carrying on the trade, and
 - (d) there is a relevant disposal of the licence.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purposes of this section and section 806 there is a relevant disposal of the licence whenever the individual receives non-taxable consideration for—
- (a) a disposal of the licence, or
 - (b) a disposal of a right to income under an agreement related to or containing the licence.
- (3) If one or more chargeable events occur in any tax year, the individual is treated as receiving an amount of income in the tax year.
- The income is treated as arising otherwise than as profits of the trade.
- (4) For the purposes of this section and section 806 a chargeable event occurs whenever—
- (a) there is a relevant disposal of the licence (if by that time the individual has made a relevant claim), or
 - (b) the individual makes a relevant claim (if by that time there has been a relevant disposal of the licence).
- (5) For the purposes of this section and section 806 consideration is non-taxable if—
- (a) (apart from section 804) it is not chargeable to income tax, and
 - (b) its receipt is not an exit event for the purposes of section 797.
- (6) For the purposes of this section and section 806 it does not matter—
- (a) if the individual (or anyone else) is still carrying on the trade when a chargeable event occurs,
 - (b) if the individual receives both non-taxable and taxable consideration for a relevant disposal of the licence, or
 - (c) if a relevant disposal of the licence is part of a larger disposal.

806 Calculation of amount of income treated as received by the individual

The amount of income treated under section 805 as received by the individual in the tax year is calculated by taking the following steps. *Step 1*

Calculate, at the end of the tax year, the total amount of the claimed losses (so far as relating to the licence) made by the individual in the trade in any early tax year during which the individual carried on the trade as a non-active partner.

Step 2

Calculate, at the end of the tax year, the total amount of the profits (so far as relating to the licence) made by the individual in the trade in any tax year.

Step 3

Deduct the total calculated at Step 2 from the total calculated at Step 1.

The result is “the net licence-related loss”.

If the net licence-related loss is nil or a negative figure—

- (a) the income treated as received in the tax year is nil, and
- (b) ignore Steps 4 and 5.

Step 4

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Calculate, at the end of the tax year, the total amount or value of all non-taxable consideration received by the individual for relevant disposals (including consideration received in previous tax years).

Step 5

Deduct from—

- (a) the net licence-related loss, or
- (b) if less, the total calculated at Step 4,

the total amount of all income treated under section 805 as received by the individual in previous tax years as a result of chargeable events.

The result is the amount of the income treated as received in the tax year.

(If the result is a negative figure, the income is nil.)

807 Supplementary provision relating to calculation in section 806

- (1) This section applies for the purposes of section 806.
- (2) For the purposes of Step 1, the amount of a loss made in a tax year that relates to the licence is so much of the loss in the tax year as derives from expenditure incurred in the trade in exploiting the licence.
- (3) The amount of the loss that derives from such expenditure is determined on a just and reasonable basis.
- (4) For the purposes of Step 1, a loss is a claimed loss if the individual has claimed sideways relief or capital gains relief for the loss.
- (5) For the purposes of Step 2, the amount of profits made in a tax year that relates to the licence is so much of the individual's profits from the trade in the tax year as derives from income arising from an agreement related to or containing the licence.
- (6) The amount of the profits that derives from such income is determined on a just and reasonable basis.

808 Meaning of “disposal of the licence” etc

- (1) For the purposes of section 805 any reference to—
 - (a) a disposal of a licence acquired in carrying on a trade, or
 - (b) a disposal of a right to income under an agreement related to or containing a licence acquired in carrying on a trade (“a licence-related agreement”),includes, in particular, any of events A to E.
- (2) Event A is the revocation of the licence.
- (3) Event B is the disposal, giving up or loss of—
 - (a) a right under the licence, or
 - (b) a right to income (or any part of any income) under a licence-related agreement,by the individual or by a firm in which the individual is a partner.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

It does not matter if the right is disposed of, given up or lost as part of a larger disposal, giving up or loss.

- (4) Event C is the disposal, giving up or loss of the individual's interest in a firm that has the licence or a right to income under a licence-related agreement (including the dissolution of the firm).
- (5) Event D is a default in the payment of income to which—
 - (a) the individual, or
 - (b) a firm in which the individual is a partner, has a right under a licence-related agreement.
- (6) Event E is a change in the individual's entitlement to any profits or losses relating to the licence the effect of which is that—
 - (a) the individual's share of any profits is reduced (including to nil), or
 - (b) the individual becomes entitled to a share, or a greater share, of any losses without becoming entitled to a corresponding share of profits.
- (7) The changes covered by event E include cases where there is an agreement under which the individual is entitled—
 - (a) to a particular share of any profits or losses relating to the licence in a period (including a nil share), and
 - (b) to a different share of any such profits or losses in a succeeding period (including a nil share).
- (8) In such cases the change in the individual's entitlement is treated for the purposes of section 805 as occurring at the beginning of the succeeding period.
- (9) For the purposes of this section—
 - (a) references to any profits relating to the licence are to any profits deriving to any extent from income to which the individual has a right under a licence-related agreement, and
 - (b) references to any losses relating to the licence are to losses deriving to any extent from expenditure incurred in exploiting the licence.

809 Other definitions

- (1) References in sections 805 and 806 to an individual carrying on a trade as a non-active partner in an early tax year are to be read as if those sections were contained in Chapter 3 of Part 4 (see, in particular, section [F748]103B).
- (2) But for that purpose, section [F749]103B(1)(b)] (which contains a requirement that the individual does not carry on the trade as a limited partner at any time during the tax year) is treated as if it were omitted.
- (3) For the purposes of sections 805 to 808 an agreement is related to a licence if the agreement and licence are entered into under the same arrangement (regardless of when the agreement or licence is entered into).
- (4) For the purposes of sections 805 to 808 an agreement, or part of an agreement, is not prevented from being a licence merely because it imposes an obligation to do a thing (rather than merely gives authority to do it).

References to exploiting a licence are to be read in that light.

Status: Point in time view as at 31/01/2013.

809AZA Application of Chapter

- (1) This Chapter applies where—
 - (a) a person within the charge to income tax (“the transferor”) makes a transfer to another person (“the transferee”) of a right to relevant receipts (see subsection (2)), and
 - (b) (subject to subsection (3)) the transfer of the right is not a consequence of the transfer to the transferee of an asset from which the right to relevant receipts arises.
- (2) “Relevant receipts” means any income—
 - (a) which (but for the transfer) would be charged to income tax as income of the transferor, or
 - (b) which (but for the transfer) would be brought into account in calculating profits of the transferor for the purposes of income tax.
- (3) Despite paragraph (b) of subsection (1), this Chapter applies if the transfer of the right is a consequence of the transfer to the transferee of all rights under an agreement for annual payments; and for the purposes of that paragraph the transfer of an asset under a sale and repurchase agreement is not to be regarded as a transfer of the asset.
- (4) Section 809AZB makes provision as to the consequences of this Chapter applying.
- (5) For exclusions from this Chapter, see—
 - (a) section 809AZC (amount otherwise taxed),
 - (b) section 809AZD (certain annuities), and
 - (c) section 809AZE (transfer by way of security).
- (6) Section 809AZF makes special provision about transfers of partnership shares.
- (7) Section 809AZG contains supplementary provisions.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

809AZB Value of transferred income stream treated as income

- (1) The relevant amount (see subsection (2)) is to be treated as income of the transferor chargeable to income tax in the same way and to the same extent as that in which the relevant receipts—
 - (a) would have been chargeable to income tax, or
 - (b) would have been brought into account in calculating any profits for the purposes of income tax,
 but for the transfer of the right to relevant receipts.
- (2) The relevant amount is—
 - (a) (except where paragraph (b) applies) the amount of the consideration for the transfer of the right, or
 - (b) where the amount of any such consideration is substantially less than the market value of the right at the time when the transfer takes place (or where there is no consideration for the transfer of the right), the market value of the right at that time.
- (3) The income under subsection (1) is to be treated as arising in the chargeable period of the transferor in which the transfer takes place.
- (4) But subsection (5) applies if (apart from the transfer) any of the relevant receipts—
 - (a) would have been brought into account in accordance with Part 2 or 3 of ITTOIA 2005 (trading income and property income) in calculating any profits for the purposes of income tax, and
 - (b) in accordance with generally accepted accounting practice, would have been recognised otherwise than wholly in the chargeable period in which the transfer takes place.
- (5) If this subsection applies, the income under subsection (1) is to be treated as arising—
 - (a) to the extent that it does not exceed the amount of the consideration for the transfer of the right, in the chargeable period or periods for which, in accordance with generally accepted accounting practice, the consideration for the transfer is recognised for accounting purposes in a profit and loss account or income statement of the transferor, and
 - (b) otherwise, in the chargeable period or periods for which, in accordance with generally accepted accounting practice, the consideration for the transfer would be so recognised if it were of an amount equal to the market value of the right at the time when the transfer takes place.
- (6) But if in a case where the transferor is a company it at any time becomes reasonable to assume that the income (to any extent) is not, or would not be, treated by subsection (5) as arising in an accounting period of the transferor, the income is to that extent to be treated as arising immediately before that time.

809AZC Exception: amount otherwise taxed

This Chapter does not apply if and to the extent that the income under section 809AZB(1) is (apart from this Chapter)—

- (a) charged to tax as income of the transferor,
- (b) brought into account in calculating the profits of the transferor, or
- (c) brought into account under CAA 2001.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. 809AZD Exception: certain annuities

This Chapter does not apply to a transfer of a right to—

- (a) annual payments under a life annuity as defined in section 473(2) of ITTOIA 2005, or
- (b) annual payments under an annuity which is pension income within the meaning of Part 9 of ITEPA 2003 (see section 566(2) of that Act).

[^{F751}809AZE] Exception: transfer by way of security

(1) This Chapter does not apply if—

- (a) the consideration for the transfer is the advance under a type 1 finance arrangement, and
- (b) the transferor is, or is a member of a partnership which is, the borrower in relation to the arrangement.

(2) This Chapter does not apply if—

- (a) the consideration for the transfer is the advance under a type 2 finance arrangement or a type 3 finance arrangement, and
- (b) the transferor is a member of the partnership which receives that advance under the arrangement.

(3) In this section—

“type 1 finance arrangement” has the meaning given for the purposes of Chapter 5B by section 809BZA,

“type 2 finance arrangement” has the meaning given for the purposes of Chapter 5B by section 809BZF, and

“type 3 finance arrangement” has the meaning given for the purposes of Chapter 5B by section 809BZJ.]

809AZF Partnership shares

(1) For the purposes of this Chapter a transfer of a right to relevant receipts consisting of the reduction in a transferor's share in the profits or losses of a partnership is to be regarded as a consequence of a transfer of an asset from which the right arose (that is, the partnership property) if condition A or B is met.

809BZBCertain tax consequences not to have effect

- (1) This section applies if a type 1 finance arrangement would have the relevant effect (ignoring this section).

- (1) This section applies if—
 - (a) there is a type 1 finance arrangement,

809J Section 809I: order of remittances

- (1) If section 809I applies, the following steps are to be taken for the purpose of determining the income or gains treated in a tax year (“the relevant tax year”) as remitted to the United Kingdom by the individual.

Step 1

Find the total amount of—

- (a) the individual's nominated income and gains, and
- (b) the individual's remittance basis income and gains,

that have been remitted to the United Kingdom in the relevant tax year.

This amount is “the relevant amount”.

Step 2

Find the amount of foreign income and gains of the individual for the relevant tax year (other than income or chargeable gains nominated under section 809C) that is within each of the categories of income and gains in paragraphs (a) to (h) of subsection (2).

If none of sections 809B, 809D and 809E apply to the individual for that year, treat those amounts as nil (and accordingly go to step 6).

Step 3

Find the earliest paragraph for which the amount determined under step 2 is not nil.

If that amount does not exceed the relevant amount, treat the individual as having remitted the income or gains within that paragraph (and for that tax year).

Otherwise, treat the individual as having remitted the relevant proportion of each kind of income or gains within that paragraph (and for that tax year).

“The relevant proportion” is the relevant amount divided by the amount determined under step 2 for that paragraph.

Step 4

Reduce the relevant amount by the amount taken into account under step 3.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 5

If the relevant amount (as reduced under step 4) is not nil, start again at step 3.

In step 3, read the reference to the earliest paragraph of the kind mentioned there as a reference to the earliest such paragraph which has not previously been taken into account under that step.

Step 6

If the relevant amount (as reduced) is not nil once steps 3 to 5 have been undertaken in relation to all paragraphs of subsection (2) for which the amount determined under step 2 is not nil, start again at step 2.

In step 2, read the reference to the foreign income and gains of the individual for the relevant tax year as a reference to such of the foreign income and gains of the individual for the appropriate tax year as had not been remitted by the beginning of the relevant tax year.

“The appropriate tax year” is the latest tax year which is—

- (a) before the last tax year for which step 2 has been undertaken, and
- (b) a tax year for which section 809B, 809D or 809E applies to the individual.

- (2) The kinds of income and gains are—
 - (a) relevant foreign earnings (other than those subject to a foreign tax),
 - (b) foreign specific employment income (other than income subject to a foreign tax),
 - (c) relevant foreign income (other than income subject to a foreign tax),
 - (d) foreign chargeable gains (other than gains subject to a foreign tax),
 - (e) relevant foreign earnings subject to a foreign tax,
 - (f) foreign specific employment income subject to a foreign tax,
 - (g) relevant foreign income subject to a foreign tax, and
 - (h) foreign chargeable gains subject to a foreign tax.
- (3) In this section the individual's “nominated income and gains” are the total income and chargeable gains nominated by the individual under section 809C for the relevant tax year or any earlier tax year.
- (4) In step 1 of subsection (1) the individual's “remittance basis income and gains” are the foreign income and gains of the individual for all the tax years (up to and including the relevant tax year) for which section 809B, 809D or 809E applies to the individual, apart from the individual's nominated income and gains.
- (5) In step 6 of subsection (1) the reference to income or gains being remitted is—
 - (a) as respects any tax year before section 809I applies, to income or gains being remitted to the United Kingdom, and
 - (b) as respects any tax year in relation to which that section applies, to income or gains treated under this section as so remitted.
- (6) In subsection (2) “foreign tax” means any tax chargeable under the law of a territory outside the United Kingdom.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (a) the property or consideration for the service is (wholly or in part), or derives (wholly or in part, and directly or indirectly) from, a transfer from a mixed fund, or
 - (b) a transfer from a mixed fund, or anything deriving (wholly or in part, and directly or indirectly) from such a transfer, is used as mentioned in section 809L(3)(c).

 - (b) if it is met, determining (under section 809P) the amount of income or chargeable gains remitted.
- (3) The extent to which the transfer is of the individual's income or chargeable gains is to be determined as follows.

Step 1

Status: Point in time view as at 31/01/2013.

For each of the categories of income and capital in paragraphs (a) to (i) of subsection (4), find (applying section 809R) the amount of income or capital of the individual for the relevant tax year in the mixed fund immediately before the transfer.

“The relevant tax year” is the tax year in which the transfer occurs.

Step 2

Find the earliest paragraph for which the amount determined under step 1 is not nil.

If that amount does not exceed the amount of the transfer, treat the transfer as containing the income or capital within that paragraph (and for that tax year).

Otherwise, treat the transfer as containing the relevant proportion of each kind of income or capital within that paragraph (and for that tax year).

“The relevant proportion” is the amount of the transfer divided by the amount determined under step 1 for that paragraph.

Step 3

Treat the amount of the transfer as reduced by the amount taken into account under step 2.

Step 4

If the amount of the transfer (as reduced under step 3) is not nil, start again at step 2.

In step 2, read the reference to the earliest paragraph of the kind mentioned there as a reference to the earliest such paragraph which has not previously been taken into account under that step in relation to the transfer.

Step 5

If the amount of the transfer (as reduced under step 3) is not nil once steps 2 and 3 have been undertaken in relation to all paragraphs of subsection (4) for which the amount determined under step 1 is not nil, start again at step 1.

In step 1, read the reference to the relevant tax year as a reference to the tax year immediately before the last tax year for which step 1 has been undertaken in relation to the transfer.

- (4) The kinds of income and capital are—
- (a) employment income (other than income within paragraph (b), (c) or (f)),
 - (b) relevant foreign earnings (other than income within paragraph (f)),
 - (c) foreign specific employment income (other than income within paragraph (f)),

 - (a) income or gains within any of paragraphs (a) to (h) of that subsection, or
 - (b) anything deriving from such income or gains.

809R Section 809Q: composition of mixed fund

- (1) This section applies for the purposes of step 1 of section 809Q(3) (composition of mixed fund).
- (2) Treat property which derives wholly or in part (and directly or indirectly) from an individual's income or capital for a tax year as consisting of or containing that income or capital.
- (3) If a debt relating (wholly or in part, and directly or indirectly) to property is at any time satisfied (wholly or in part) by—
 - (a) an individual's income or capital for a tax year, or
 - (b) anything deriving (directly or indirectly) from such income or capital,from that time treat the property as consisting of or containing the income or capital if and to the extent that it is just and reasonable to do so.
- (4) Treat an offshore transfer from a mixed fund as containing the appropriate proportion of each kind of income or capital in the fund immediately before the transfer.

“The appropriate proportion” means the amount (or market value) of the transfer divided by the market value of the mixed fund immediately before the transfer.
- (5) A transfer from a mixed fund is an “offshore transfer” for the purposes of subsection (4) if and to the extent that section 809Q does not apply in relation to it.
- (6) Treat a transfer from a mixed fund as an “offshore transfer” (and section 809Q as not applying in relation to it, if it otherwise would do) if and to the extent that, at the end of a tax year in which it is made—

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (9) If section 809Q applies in relation to more than one transfer from a mixed fund, when undertaking step 1 in relation to the second or any subsequent transfer take into account the effect of step 2 of section 809Q(3) (composition of transfer) as it applied in relation to each earlier transfer.

809S Section 809Q: anti-avoidance

- (1) This section applies if, by reason of an arrangement the main purpose (or one of the main purposes) of which is to secure an income tax advantage or capital gains tax advantage, a mixed fund would otherwise be regarded as containing income or capital within any of paragraphs (f) to (i) of section 809Q(4).
- (2) Treat the mixed fund as containing so much (if any) of the income or capital as is just and reasonable.
- (3) “Arrangement” includes any scheme, understanding, transaction or series or transactions (whether or not enforceable).

809VA Money or other property used to make investments

- (1) Subsection (2) applies if—
 - (a) a relevant event occurs,
 - (b) but for subsection (2), income or chargeable gains of an individual would be regarded as remitted to the United Kingdom by virtue of that event, and
 - (c) the individual makes a claim for relief under this section.
- (2) The income or gains are to be treated as not remitted to the United Kingdom.
- (3) A “relevant event” occurs if money or other property—
 - (a) is used by a relevant person to make a qualifying investment, or
 - (b) is brought to or received in the United Kingdom in order to be used by a relevant person to make a qualifying investment.
- (4) Subsection (1)(b) includes a case where income or gains would be treated under section 809Y as remitted to the United Kingdom by virtue of the relevant event.
- (5) Subsection (2) applies by virtue of subsection (3)(b) to the extent only that the investment is made within the period of 45 days beginning with the day on which the money or other property is brought to or received in the United Kingdom.
- (6) Where some but not all of the money or other property is used to make the investment within that 45-day period, the part of the income or gains to which subsection (2) applies is to be determined on a just and reasonable basis.
- (7) Subsection (2) does not apply if the relevant event occurs, or the investment is made, as part of or as a result of a scheme or arrangement the main purpose or one of the main purposes of which is the avoidance of tax.
- (8) A claim for relief under this section must be made on or before the first anniversary of the 31 January following the tax year in which the income or gains would, but for subsection (2), be regarded as remitted to the United Kingdom by virtue of the relevant event.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

809VB Failure to invest within 45 days

- (1) This section applies to any portion of the income or gains to which section 809VA(2) does not apply because the investment was not made within the period mentioned in section 809VA(5) (“the 45-day period”).
- (2) That portion is to be treated as not remitted to the United Kingdom to the extent that the remaining money or other property is taken offshore within the 45-day period.
- (3) Where some but not all of the remaining money or other property is taken offshore within the 45-day period, the part of the income or gains to which subsection (2) applies is to be determined on a just and reasonable basis.
- (4) If any remaining money or other property is taken offshore within the 45-day period, nothing in subsection (2) prevents anything subsequently done in relation to it (or anything deriving from it) from counting as a remittance of the underlying income or gains to the United Kingdom at the time when the thing is subsequently done.
- (5) A reference to the “remaining” money or other property is to so much of the money or other property brought to or received in the United Kingdom as is not used within the 45-day period to make the investment (which may in some cases be all of it).

809VC Qualifying investments

- (1) For the purposes of section 809VA, a person makes an investment if—
 - (a) shares in a company are issued to the person, or
 - (b) the person makes a loan (secured or unsecured) to a company.
- (2) The company is referred to as “the target company”.
- (3) The shares or the person's rights under the loan (or both) forming the subject of the investment are referred to as “the holding”.
- (4) The investment counts as a “qualifying investment” if conditions A and B are met when the investment is made.
- (5) Conditions A and B are defined in sections 809VD and 809VF.
- (6) A reference in this section to “shares” includes any securities.
- (7) If a loan agreement authorises a company to draw down amounts of a loan over a period of time—
 - (a) entry into the agreement does not count for the purposes of this section as the making of a loan, but
 - (b) a separate loan is to be treated as made each time an amount is drawn down under the agreement.
- (8) Accordingly—
 - (a) a separate investment is treated as made each time an amount is drawn down under the agreement, and
 - (b) the reference in subsection (3) to the person's rights under the loan applies only to so much of the person's rights as relate to the drawdown of that particular amount.

Status: Point in time view as at 31/01/2013.

809VD Condition A

- (1) Condition A is that the target company is—
 - (a) an eligible trading company,
 - (b) an eligible stakeholder company, or

- (2) A company is an “eligible trading company” if—
 - (a) it is a private limited company,
 - (b) it carries on one or more commercial trades or is preparing to do so within the next 2 years, and
 - (c) carrying on commercial trades is all or substantially all of what it does (or of what it is reasonably expected to do once it begins trading).
- (3) A company is an “eligible stakeholder company” if—
 - (a) it is a private limited company,
 - (b) it exists wholly for the purpose of making investments in eligible trading companies (ignoring any minor or incidental purposes), and
 - (c) it holds one or more such investments or is preparing to do so within the next 2 years.
- (4) The reference in subsection (3) to making investments is to be read in accordance with section 809VC.
- (5) A company is an “eligible holding company” if—
 - (a) it is a member of an eligible trading group or of an eligible group that is reasonably expected to become an eligible trading group within the next 2 years,
 - (b) an eligible trading company in the group is a 51% subsidiary of it, and
 - (c) if the ordinary share capital that it owns in the eligible trading company is owned indirectly, each intermediary in the series is also a member of the group.
- (6) “Group” means a parent company and its 51% subsidiaries.
- (7) “Parent company” means a company that—
 - (a) has one or more 51% subsidiaries, but
 - (b) is not itself a 51% subsidiary of any company.
- (8) A group is an “eligible group” if the parent company and each of its 51% subsidiaries are private limited companies.
- (9) A group is an “eligible trading group” if—
 - (a) it is an eligible group, and
 - (b) carrying on commercial trades is all or substantially all of what the group does (taking the activities of its members as a whole).
- (10) The reference in subsection (5) to owning ordinary share capital indirectly is to be read in accordance with section 1155 of CTA 2010.
- (11) A company is a “private limited company” if—

 - (b) it is not a limited liability partnership, and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) none of its shares are listed on a recognised stock exchange.

809VE Commercial trades

- (1) Section 809VD is to be read in accordance with this section.
- (2) A reference to a “trade” also includes—
 - (a) anything that is treated for corporation tax purposes as if it were a trade, and
 - (b) a business carried on for generating income from land (as defined in section 207 of CTA 2009).
- (3) A trade is a “commercial trade” if it is conducted on a commercial basis and with a view to the realisation of profits.
- (4) The carrying on of activities of research and development from which it is intended that a commercial trade will be derived, or will benefit, is to be treated as the carrying on of a commercial trade.
- (5) But preparing to carry on activities within subsection (4) is not to be treated as the carrying on of a commercial trade.

809VF Condition B

- (1) Condition B is that no relevant person has (directly or indirectly) obtained or become entitled to obtain any related benefit, and no relevant person expects to obtain any such benefit.
- (2) A “benefit”—
 - (a) includes the provision of anything that would not be provided to the relevant person in the ordinary course of business, or would be provided but on less favourable terms, but
 - (b) does not include the provision of anything provided to the relevant person in the ordinary course of business and on arm's length terms.
- (3) A benefit is “related” if—
 - (a) it is directly or indirectly attributable to the making of the investment (whether it is obtained before or after the investment is made), or
 - (b) it is reasonable to assume that the benefit would not be available in the absence of the investment.
- (4) For the purposes of subsection (2)—
 - (a) a reference to the provision of anything is to the provision of anything in money or money's worth, including property, capital, goods or services of any kind, and
 - (b) “provision” includes any arrangement that allows a person to enjoy or benefit from the thing in question (whether temporarily or permanently).

809VG Income or gains treated as remitted following certain events

- (1) Subsection (2) applies if—
 - (a) income or chargeable gains are treated under section 809VA(2) as not remitted to the United Kingdom as a result of a qualifying investment,
 - (b) a potentially chargeable event occurs after the investment is made, and

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) the appropriate mitigation steps are not taken within the grace period allowed for each step.
- (2) The affected income or gains are to be treated as having been remitted to the United Kingdom immediately after the end of the relevant grace period.
- (3) Where the step required by section 809VI(2)(a) is not taken within the grace period allowed for that step, “the relevant grace period” is the grace period allowed for that step.
- (4) Otherwise, “the relevant grace period” is the grace period allowed for the step required by section 809VI(1) or (2)(b).
- (5) “The affected income or gains” means such portion of the income or gains mentioned in subsection (1)(a) as reflects the portion of the investment affected by the potentially chargeable event.
- (6) The portion of the investment affected is—
 - (a) if the potentially chargeable event is a disposal of a part of the holding (or a part of the remaining holding), a portion equal to the portion of the holding (or remaining holding) being disposed of, and
 - (b) otherwise, the whole of the investment.
- (7) Sections 809VN (order of disposals etc) and 809VO (investments made from mixed funds) make further provision for the purposes of this section.
- (8) If a qualifying investment is made using the money or other property mentioned in section 809VA(3) together with other funds—
 - (a) that investment is to be treated as two separate investments, one made using the money or other property mentioned in section 809VA(3) and one made using the other funds, and
 - (b) references in the business investment provisions to “the investment” and “the holding” relate only to the investment made using the money or other property mentioned in section 809VA(3).
- (9) If the potentially chargeable event mentioned in subsection (1)(b) is not the first such event to affect the investment, the income or gains mentioned in subsection (1)(a) do not include, as respects that investment—
 - (a) any part already treated under subsection (2) as remitted to the United Kingdom as a result of an earlier event,
 - (b) any part contained in amounts already taken offshore or re-invested by way of appropriate mitigation steps following an earlier event, or
 - (c) any part contained in amounts already used to make a tax deposit without which an amount mentioned in paragraph (b) would not have been enough to satisfy section 809VI(1) or (2)(b) (see section 809VK).

809VH Meaning of “potentially chargeable event”

- (1) For the purposes of section 809VG, a “potentially chargeable event” occurs if—
 - (a) the target company is for the first time neither an eligible trading company nor an eligible stakeholder company nor an eligible holding company,
 - (b) the relevant person who made the investment (“P”) disposes of all or part of the holding,

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) the extraction of value rule is breached, or
 - (d) the 2-year start-up rule is breached.
- (2) The extraction of value rule is breached if—
- (a) value (in money or money's worth) is received by or for the benefit of P or another relevant person,
 - (b) the value is received—
 - (i) from an involved company, or
 - (ii) from anyone else but in circumstances that are directly or indirectly attributable to the investment or to any other investment made by a relevant person in an involved company, and
 - (c) the value is received other than by virtue of a disposal that is itself a potentially chargeable event.
- (3) But the extraction of value rule is not breached merely because a relevant person receives value that—
- (a) is treated for income tax or corporation tax purposes as the receipt of income or would be so treated if that person were liable to such tax, and
 - (b) is paid or provided to the person in the ordinary course of business and on arm's length terms.
- (4) Each of the following is an “involved company”—
- (a) the target company,
 - (b) if the target company is an eligible stakeholder company, any eligible trading company in which it has made or intends to make an investment,
 - (c) if the target company is an eligible holding company, any eligible trading company that is a 51% subsidiary of it, and
 - (d) any company that is connected with a company within paragraph (a), (b) or (c).
- (5) The 2-year start-up rule is breached if—
- (a) immediately after the end of the period of 2 years beginning with the day on which the investment was made, the target company is non-operational, or
 - (b) at any time after the end of that period, the target company becomes non-operational.
- (6) The target company is “non-operational” at any time when—
- (a) it is an eligible trading company but is not trading,
 - (b) it is an eligible stakeholder company but—
 - (i) it holds no investments in eligible trading companies, or
 - (ii) none of the eligible trading companies in which it holds investments is trading, or
 - (c) it is an eligible holding company but—
 - (i) the group of which it is a member is not an eligible trading group, or
 - (ii) none of its 51% subsidiaries in the eligible trading group of which it is a member is an eligible trading company that is trading.
- (7) In subsection (6), “trading” means carrying on one or more commercial trades (including the carrying on of any activities treated under section 809VE(4) as the carrying on of a commercial trade).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) If consideration for a disposal of all or part of the holding is or is to be paid in instalments, the disposal is to be treated for the purposes of this section as if it were separate disposals, one for each instalment (and each giving rise to a separate potentially chargeable event).
- (9) An event listed in subsection (1) does not count as a potentially chargeable event if it is due to an insolvency step taken for genuine commercial reasons (but this does not prevent the extraction of any value in connection with the insolvency step from counting as a potentially chargeable event).
- (10) For the purposes of subsection (9), an insolvency step is taken if—
 - (a) the target company enters into administration or receivership or is wound up or dissolved,
 - (b) the target company is an eligible stakeholder company and any eligible trading company in which it holds an investment enters into administration or receivership or is wound up or dissolved,
 - (c) the target company is an eligible holding company and any eligible trading company in the group that is a 51% subsidiary of it enters into administration or receivership or is wound up or dissolved, or
 - (d) a similar step is taken in relation to a company mentioned in paragraph (a), (b) or (c) under the law of a country or territory outside the United Kingdom.

809VI The appropriate mitigation steps

- (1) If the potentially chargeable event is a disposal of all or part of the holding, the appropriate mitigation steps are regarded as taken if the whole of the disposal proceeds have been taken offshore or re-invested.
- (2) For any other case, the appropriate mitigation steps are regarded as taken if—
 - (a) P has disposed of the entire holding (or so much of it as P retains when the potentially chargeable event occurs), and
 - (b) the whole of the disposal proceeds have been taken offshore or re-invested.
- (3) But if the disposal proceeds exceed X, subsections (1) and (2)(b) apply only to so much of the proceeds as is equal to X.
- (4) “X” is—
 - (a) the sum originally invested, less
 - (b) so much of that sum as has, on previous occasions involving the same investment—
 - (i) been taken into account in determining the affected income or gains under section 809VG(2),
 - (ii) been taken offshore or re-invested in order to avoid the application of that section, or
 - (iii) been used to make a tax deposit without which the amount actually taken offshore or re-invested would not have been enough to satisfy subsection (1) or (2)(b) (see section 809VK).
- (5) “The sum originally invested” means the amount of the money, or the market value of the other property, used to make the investment.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) Market value is to be assessed for these purposes as at the date of the relevant event (see section 809VA).
- (7) Proceeds are “re-invested” if a relevant person uses them to make another qualifying investment (or the proceeds are themselves a qualifying investment) whether in the same or a different company.
- (8) In cases where a breach of the extraction of value rule occurs in connection with the winding-up or dissolution of the target company—
 - (a) subsection (2)(a) does not apply,
 - (b) the reference in subsection (2)(b) to the disposal proceeds is to the value received, and
 - (c) references in this section and in succeeding provisions of the business investment provisions to the disposal proceeds are to be read as references to the value received.

809VJ The grace period allowed for the appropriate mitigation steps

- (1) The grace period allowed for the step mentioned in section 809VI(2)(a) is the period of 90 days beginning—
 - (a) if the potentially chargeable event is a breach of the extraction of value rule, with the day on which the value is received, and
 - (b) otherwise, with the day on which a relevant person first became aware or ought reasonably to have become aware of the potentially chargeable event.
- (2) The grace period allowed for the step mentioned in section 809VI(1) and (2)(b) is the period of 45 days beginning with the day on which the disposal proceeds first became available for use by or for the benefit of P or any other relevant person.
- (3) An officer of Revenue and Customs may agree in a particular case to extend the grace period allowed for an appropriate mitigation step in exceptional circumstances.
- (4) An officer of Revenue and Customs may agree in a particular case to extend the grace period allowed for an appropriate mitigation step in circumstances specified in regulations made by the Commissioners.
- (5) Regulations under subsection (4) may have effect in relation to investments made before the day on which the regulations are made.
- (6) Nothing in subsection (4) or in regulations made under it limits the power conferred by subsection (3).
- (7) The powers conferred on officers of Revenue and Customs by subsections (3) and (4) include power to agree to extend a grace period for a length of time that is indefinite but is capable of becoming definite by means identified in the agreement (such as the satisfaction of conditions).

809VK Retention of funds to meet CGT liabilities

- (1) This section applies if—
 - (a) there is a disposal of all or part of the holding,

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the disposal counts as a potentially chargeable event or is part of the appropriate mitigation steps taken in consequence of a potentially chargeable event,
 - (c) a chargeable gain (but not a loss) accrues to P on the disposal,
 - (d) P is chargeable to capital gains tax (but not corporation tax) in respect of that gain, and
 - (e) the actual disposal proceeds are less than Y.
- (2) The difference between the actual disposal proceeds and Y is referred to in this section as “the shortfall”.
- (3) “The actual disposal proceeds” means the disposal proceeds but disregarding section 809Z8(4).
- (4) “Y” is the sum of—
- (a) the amount (if any) that would, but for this section, be required to be taken offshore or re-invested in order to satisfy section 809VI(1) or (2)(b), and
 - (b) the amount found by applying the highest potential CGT rate to the amount (computed in accordance with TCGA 1992) of the chargeable gain accruing to P on the disposal.
- (5) The highest potential CGT rate is—
- (a) if the chargeable gain accrues to P as the trustees of a settlement or accrues to the personal representatives of P, the rate specified in section 4(3) of TCGA 1992, and
 - (b) otherwise, the rate specified in section 4(4) of that Act (regardless of the rate at which income tax is chargeable in respect of P's income).
- (6) If this section applies, the amount that is required to be taken offshore or re-invested in order to satisfy section 809VI(1) or (2)(b) is reduced by the permitted amount.
- (7) “The permitted amount” is so much of the shortfall as is used, within the grace period allowed for taking the disposal proceeds offshore or re-investing them, to make a deposit in respect of which a certificate of tax deposit is issued to P under section 12 of the National Loans Act 1968.
- (8) A reduction may not be made under subsection (6) unless—
- (a) when details of the deposit are confirmed to Her Majesty's Revenue and Customs, the confirmation letter states that this section is intended to apply to the deposit, and
 - (b) the amount of the deposit is no greater than the shortfall.

809VL Effect of taking appropriate mitigation steps within grace period

- (1) This section explains the effect for the purposes of this Chapter in cases where section 809VG(2) does not apply because the appropriate mitigation steps were taken within the grace period allowed for each step.
- (2) If disposal proceeds were taken offshore as part of those steps, nothing in section 809VA(2) prevents anything subsequently done in relation to those proceeds (or anything deriving from them) from counting as a remittance of the underlying income or gains to the United Kingdom at the time when the thing is subsequently done.

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) If disposal proceeds were re-invested as part of those steps—
 - (a) the underlying income or gains continue to be treated under section 809VA(2) as not remitted to the United Kingdom, and
 - (b) the business investment provisions apply to the re-investment as they apply to the original investment.
- (4) In the application of the business investment provisions to the re-investment—
 - (a) treat the potentially chargeable event mentioned in section 809VG(1)(b) as the relevant event,
 - (b) treat the underlying income or gains as the income or gains treated under section 809VA(2) as not remitted to the United Kingdom as a result of the re-investment, and
 - (c) treat the amount used to make the re-investment as the sum originally invested.
- (5) If the re-investment is made using more than the minimum amount of disposal proceeds required to satisfy section 809VI(1) or (2)(b)—
 - (a) that investment is to be treated as two separate investments, one made using the minimum amount of disposal proceeds and one made using the excess, and
 - (b) references in the business investment provisions to “the investment” and “the holding” relate only to the investment made using the minimum amount of disposal proceeds.
- (6) “The underlying income or gains” means the affected income or gains (within the meaning of section 809VG) or, if one part of the disposal proceeds is taken offshore and the other part re-invested, a corresponding proportion of the affected income or gains.
- (7) A further claim must be made in accordance with section 809VA in respect of the re-investment and, if no such claim is made on or before the first anniversary of the 31 January following the tax year in which the re-investment was made, section 809VG(2) applies, as respects the original investment, as if the appropriate mitigation steps had not been taken within the grace period allowed for each step.
- (8) Section 809VM makes further provision in cases involving a tax deposit.

809VM Cases involving tax deposits

- (1) This section applies in cases where—
 - (a) section 809VG(2) did not apply because the appropriate mitigation steps were taken within the grace period allowed for each step,
 - (b) the amount required to be taken offshore or re-invested in order to satisfy section 809VI(1) or (2)(b) had been reduced under section 809VK, and
 - (c) but for that reduction, the amount that was actually taken offshore or re-invested would not have been enough to satisfy section 809VI(1) or (2)(b).
- (2) The tax deposit that gave rise to the reduction is referred to in this section as “the tax deposit”.
- (3) Use of the tax deposit to pay the relevant tax liability does not count as remitting the underlying income or gains to the United Kingdom (and, accordingly, section 809VA(2) continues to apply to the income or gains).

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. - (4) If any of the CTD conditions is breached, the underlying income or gains are to be treated as having been remitted to the United Kingdom immediately after the day on which the breach occurs.
- (5) “The underlying income or gains” means such portion of the affected income or gains (within the meaning of section 809VG) as is—
 - (a) represented by the payment, in the case of subsection (3), or
 - (b) affected by the breach, in the case of subsection (4).
- (6) The CTD conditions are as follows—
 - (a) the tax deposit must not be used to pay a tax liability other than the relevant tax liability,
 - (b) if any of the tax deposit is withdrawn by the depositor, the amount withdrawn must be taken offshore or re-invested within the period of 45 days beginning with the day on which the withdrawal was made, and
 - (c) any part of the tax deposit that has been neither used to pay a tax liability nor withdrawn by the due date must be withdrawn by the depositor and taken offshore or re-invested within the period of 45 days beginning with that date.
- (7) Where the CTD conditions were not breached because the requisite amount was taken offshore or re-invested within the 45-day period mentioned in subsection (6)(b) or (c)—
 - (a) section 809VL applies to the amount taken offshore or re-invested as it applies to disposal proceeds, but
 - (b) read the reference in section 809VL(4)(a) to the potentially chargeable event as a reference to—
 - (i) the withdrawal, in a case within subsection (6)(b), and
 - (ii) the due date, in a case within subsection (6)(c).
- (8) For the purposes of this section—
 - (a) “the relevant tax liability” means P's liability to capital gains tax for the tax year in which the disposal took place,
 - (b) “the due date” means the date by which the relevant tax liability is required to be paid,
 - (c) “re-invested” has the meaning given in section 809VI(7), and
 - (d) references to withdrawal include repayment for whatever reason.

809VN Order of disposals etc

- (1) Subsection (2) applies if at any time income or chargeable gains of an individual are treated under section 809VA as not remitted to the United Kingdom as a result of—
 - (a) more than one qualifying investment made in the same target company,
 - (b) more than one qualifying investment made in companies in the same eligible trading group, or
 - (c) qualifying investments made in an eligible trading company and in an eligible stakeholder company that holds investments in that trading company.
- (2) In the application of section 809VG at that time—
 - (a) treat the investments and holdings as if they were a single qualifying investment and a single holding, and

- (b) assume that a disposal of all or part of that deemed single holding affects the deemed single investment in the order in which the qualifying investments were made (that is to say, on a first in, first out basis).
- (3) Subsection (4) applies if at any time—
 - (a) income or chargeable gains of an individual are treated under section 809VA as not remitted to the United Kingdom as a result of one or more qualifying investments,
 - (b) in addition to that investment or those investments, a relevant person holds at least one other investment in the same target company, the same eligible trading group or a related eligible company, and
 - (c) that other investment is not a qualifying investment.
- (4) In the application of section 809VG at that time—
 - (a) treat the investments and holdings as if they were a single investment and a single holding, and
 - (b) assume that a disposal of all or part of that deemed single holding is a disposal of a holding from a qualifying investment until the holdings from all the qualifying investments have been disposed of.
- (5) The reference to a “related eligible company”—
 - (a) in relation to an eligible trading company, is to an eligible stakeholder company that holds investments in that company, and
 - (b) in relation to an eligible stakeholder company, is to an eligible trading company in which that company holds investments.
- (6) Subsections (2) and (4) apply whether the investments in question are held by the same relevant person or different ones.

809VO Investments made from mixed funds

- (1) This section applies if—
 - (a) but for section 809VA(2), income or gains would have been remitted to the United Kingdom by virtue of a relevant event, and
 - (b) section 809Q (transfers from mixed funds) would have applied in determining the amount that would have been so remitted.
- (2) The relevant event counts as an offshore transfer for the purposes of section 809R(4).
- (3) The holding is to be treated as containing a proportion of each kind of income and capital contained in the invested property equal to the fixed proportion.
- (4) “The fixed proportion” is the proportion of that kind of income or capital contained in the invested property by virtue of subsection (2).
- (5) “The invested property” means the money or other property used to make the investment.
- (6) Subsection (7) applies in cases where—
 - (a) section 809VG(2) does not apply because an amount is taken offshore, re-invested or used to make a tax deposit, or
 - (b) section 809VM(4) does not apply because an amount is taken offshore or re-invested.

- (7) The amount taken offshore, re-invested or used to make a tax deposit is treated, immediately after that step, as containing the fixed proportion of each kind of income and capital contained in the holding.
- (8) In cases where section 809VG(2) applies—
- (a) the affected income or gains are so much of the fixed amount of each kind of income or gain mentioned in subsection (1)(a) as reflects the portion of the investment affected by the potentially chargeable event (see section 809VG(6)),
 - (b) “the fixed amount” is the amount of that kind of income or gain that the holding is treated as containing by virtue of subsection (3), and
 - (c) section 809Q does not apply in determining the affected income or gains.

- (2) Income tax is to be collected through trustees' self-assessment returns for the tax year (see Chapter 17).
- (3) The amount of income tax to be collected (“the collectable amount”) is the amount equal to the sum of the deemed deductions from the deemed payments.
- (4) But if the sum of the gross amounts of the deemed payments exceeds the trustees' modified net income for the tax year (see section 1025), the collectable amount is the amount calculated by taking the steps in subsection (5).
- (5) The steps to be taken are as follows.

Step 1

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Take the amount equal to the sum of the gross amounts of the deemed payments and reduce that amount by—

- (a) the amount of the trustees' income pool as at the start of the tax year (see section 943), or
- (b) if less, the amount by which the sum of the gross amounts of the deemed payments exceeds the trustees' modified net income.

Step 2

Apply the basic rate for the tax year to the result from Step 1.

[^{F947}(6) No relief under—

- (a) sections 2 and 6 of TIOPA 2010 (double taxation arrangements: relief by agreement), or
- (b) section 18(1)(b) and (2) of that Act (relief for foreign tax where no double taxation arrangements),

is allowed in relation to income tax to be collected by virtue of this section.]

943 Calculation of trustees' income pool

- (1) This is how the amount of the trustees' income pool as at the start of a tax year (“the current tax year”) is calculated.

The calculation to be used depends on which of the following cases applies.

But this needs to be read with subsections (2) and (3).

Case 1

This case applies if the trustees' modified net income for the previous tax year exceeded the sum of the gross amounts of the deemed payments treated as made by the trustees in that year.

The trustees' income pool as at the start of the current tax year is the sum of—

- (a) the amount of the trustees' income pool as at the start of the previous tax year, and
- (b) the amount by which the trustees' modified net income for the previous tax year exceeded the sum of the gross amounts of the deemed payments treated as made by the trustees in that year.

Case 2

This case applies if the trustees' modified net income for the previous tax year was less than the sum of the gross amounts of the deemed payments treated as made by the trustees in that year.

The trustees' income pool as at the start of the current tax year is—

Status: Point in time view as at 31/01/2013.

Changes to legislation: Income Tax Act 2007 is up to date with all changes known to be in force on or before 29 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the amount of the trustees' income pool as at the start of the previous tax year, less
- (b) the amount of the reduction made at Step 1 in section 942(5) for the purpose of calculating the collectable amount for the previous tax year.

Case 3

This case applies if the trustees' modified net income for the previous tax year equalled the sum of the gross amounts of the deemed payments treated as made by the trustees in that year.

The trustees' income pool as at the start of the current tax year is the same as the amount of the trustees' income pool as at the start of the previous tax year.

- (2) If the trustees were non-UK resident for the previous tax year, references in subsection (1) to the previous tax year are to be read as references to the last tax year prior to the current tax year for which the trustees were UK resident.
- (3) The income pool as at the start of the current tax year is nil if—
 - (a) the current tax year is the tax year during which the unauthorised unit trust is established, or
 - (b) the trustees have been UK resident for no tax year prior to the current tax year.

[^{F948}943A] Treatment of cases involving double tax relief

- (1) This section applies where—
 - (a) the trustees of an unauthorised unit trust are treated as making deemed payments to unit holders in a tax year (“the current tax year”),
 - (b) there is a reduction in the income pool in the current tax year, and
 - (c) the amount of the trustees' double tax relief pool as at the start of the current tax year is greater than zero.
- (2) Section 848 (income tax deducted at source treated as income tax paid by recipient) does not apply to the foreign element of the deemed deduction treated as made from any of the deemed payments.
- (3) Instead, for the purposes of the Tax Acts—
 - (a) the foreign element of the deemed deduction is treated as if it were tax payable under the law of a territory outside the United Kingdom with which there are not in force any arrangements under section 2(1) of TIOPA 2010 (double taxation relief by agreement), and
 - (b) the foreign element of the deemed income represented by the deemed payment is treated as if it were income that—
 - (i) arises in a territory of the kind mentioned in paragraph (a), and
 - (ii) is income by reference to which the tax treated under paragraph (a) as payable was computed.
- (4) A reference in this Chapter to a reduction in the income pool in a tax year is to the amount (if any) by which—
 - (a) the amount of the income pool at the start of the tax year, exceeds
 - (b) the amount of the income pool at the start of the following tax year.
- (5) See—

953 How a set-off claim works

- (1) A set-off claim is a claim for the net amount of income tax suffered at the end of the return period to be set off against the net amount of income tax payable at the end of the return period.
- (2) The effect of a claim is that, to the extent of the set-off—
 - (a) the income tax comprised in the net amount of income tax suffered is treated as repaid, and
 - (b) the income tax comprised in the net amount of income tax payable is treated as paid.
- (3) Accordingly—
 - (a) any liability of the person making the set-off claim to pay any of the income tax treated as paid under subsection (2)(b) is discharged, and
 - (b) any of that income tax which has been paid is to be repaid to the person.
- (4) A set-off claim must be made in a return under section 949 for the return period.
- (5) A return may be made under that section for the purposes of making a set-off claim despite the fact that the person making the claim may not have made any section 946 payments in the return period.
- (6) Income tax suffered which is taken into account in a set-off claim may not also be taken into account for the purposes of—
 - (a) [^{F950}section 967 of CTA 2010] (income tax deducted from payments to UK resident company to be set off against corporation tax), or
 - (b) [^{F951}section 968] of that Act (income tax deducted from payments to non-UK resident company to be set off against corporation tax).
- (7) Income tax suffered by a deposit-taker is to be taken into account in a set-off claim only if the payment on which the income tax is suffered is to be taken into account in calculating the deposit-taker's liability to corporation tax.

“Deposit-taker” has the same meaning as in Chapter 2 (see section 853).
