

Income Tax Act 2007

2007 CHAPTER 3

PART 4

LOSS RELIEF

CHAPTER 6

LOSSES ON DISPOSAL OF SHARES

Share loss relief against general income

131 Share loss relief

- (1) An individual is eligible for relief under this Chapter (“share loss relief”) if—
- the individual incurs an allowable loss for capital gains tax purposes on the disposal of any shares in any tax year (“the year of the loss”), and
 - the shares are qualifying shares.

This is subject to subsections (3) and (4) and section 136(2).

- (2) Shares are qualifying shares for the purposes of this Chapter if—
- EIS relief is attributable to them, or
 - if EIS relief is not attributable to them, they are shares in a qualifying trading company which have been subscribed for by the individual.
- (3) Subsection (1) applies only if the disposal of the shares is—
- by way of a bargain made at arm's length,
 - by way of a distribution in the course of dissolving or winding up the company,
 - a disposal within section 24(1) of TCGA 1992 (entire loss, destruction, dissipation or extinction of asset), or
 - a deemed disposal under section 24(2) of that Act (claim that value of the asset has become negligible).

Status: Point in time view as at 21/07/2009.

Changes to legislation: There are currently no known outstanding effects for the Income Tax Act 2007, Chapter 6. (See end of Document for details)

- (4) Subsection (1) does not apply to any allowable loss incurred on the disposal if—
- (a) the shares are the subject of an exchange or arrangement of the kind mentioned in section 135 or 136 of TCGA 1992 (company reconstructions etc), and
 - (b) because of section 137 of that Act, the exchange or arrangement involves a disposal of the shares.

132 Entitlement to claim

- (1) An individual who is eligible for share loss relief may make a claim for the loss to be deducted in calculating the individual's net income—
- (a) for the year of the loss,
 - (b) for the previous tax year, or
 - (c) for both tax years.

(See Step 2 of the calculation in section 23.)

- (2) If the claim is made in relation to both tax years, the claim must specify the year for which a deduction is to be made first.
- (3) Otherwise the claim must specify either the year of the loss or the previous tax year.
- (4) The claim must be made on or before the first anniversary of the normal self-assessment filing date for the year of the loss.

133 How relief works

- (1) This subsection explains how the deductions are to be made.

The amount of the loss to be deducted at any step is limited in accordance with section 25(4) and (5).

Step 1

Deduct the loss in calculating the individual's net income for the specified tax year.

Step 2

This step applies only if the claim is made in relation to both tax years.

Deduct the part of the loss not deducted at Step 1 in calculating the individual's net income for the other tax year.

- (2) Subsection (1) is subject to sections 136(5) and 147 (which set limits on the amounts of share loss relief that may be obtained in particular cases).
- (3) If an individual—
- (a) makes a claim for share loss relief against income (“the first claim”) in relation to the year of the loss, and
 - (b) makes a separate claim for share loss relief against income in respect of a loss made in the following tax year in relation to the same tax year as the first claim, priority is to be given to making deductions under the first claim.
- (4) Any share loss relief claimed in respect of any income has priority over any relief claimed in respect of that income under section 64 (deduction of losses from general income) or 72 (early trade losses relief).

Status: Point in time view as at 21/07/2009.

Changes to legislation: There are currently no known outstanding effects for the Income Tax Act 2007, Chapter 6. (See end of Document for details)

- (5) A claim for share loss relief does not affect any claim for a deduction under TCGA 1992 for so much of the allowable loss as is not deducted under subsection (1).

Shares to which EIS relief is not attributable

134 Qualifying trading companies

- (1) In relation to shares to which EIS relief is not attributable (see section 131(2)(b)), a qualifying trading company is a company which meets each of conditions A to D.
- (2) Condition A is that the company either—
- (a) meets each of the following requirements on the date of the disposal—
 - (i) the trading requirement (see section 137),
 - (ii) the control and independence requirement (see section 139),
 - (iii) the qualifying subsidiaries requirement (see section 140), and
 - (iv) the property managing subsidiaries requirement (see section 141), or
 - (b) has ceased to meet any of those requirements at a time which is not more than 3 years before that date and has not since that time been an excluded company, an investment company or a trading company.
- (3) Condition B is that the company either—
- (a) has met each of the requirements mentioned in condition A for a continuous period of 6 years ending on that date or at that time, or
 - (b) has met each of those requirements for a shorter continuous period ending on that date or at that time and has not before the beginning of that period been an excluded company, an investment company or a trading company.
- (4) Condition C is that the company—
- (a) met the gross assets requirement (see section 142) both immediately before and immediately after the issue of the shares in respect of which the share loss relief is claimed, and
 - (b) met the unquoted status requirement (see section 143) at the relevant time within the meaning of that section.
- (5) Condition D is that the company has carried on its business wholly or mainly in the United Kingdom throughout the period—
- (a) beginning with the incorporation of the company or, if later, 12 months before the shares in question were issued, and
 - (b) ending with the date of the disposal.

135 Subscriptions for shares

- (1) This section has effect in relation to shares to which EIS relief is not attributable.
- (2) An individual subscribes for shares in a company if they are issued to the individual by the company in consideration of money or money's worth.
- (3) If—
- (a) an individual (“A”) subscribed for, or is treated under subsection (4) or this subsection as having subscribed for, any shares,
 - (b) A transferred the shares to another individual (“B”) during their lives, and

Status: Point in time view as at 21/07/2009.

Changes to legislation: There are currently no known outstanding effects for the Income Tax Act 2007, Chapter 6. (See end of Document for details)

(c) A was B's spouse or civil partner at the time of the transfer, B is treated as having subscribed for the shares.

(4) If—

- (a) an individual has subscribed for, or is treated under subsection (3) or this subsection as having subscribed for, any shares, and
- (b) any corresponding bonus shares are subsequently issued to the individual, the individual is treated as having subscribed for the bonus shares.

136 Disposals of new shares

(1) This section has effect in relation to shares to which EIS relief is not attributable.

(2) If—

- (a) an individual disposes of shares (“the new shares”), and
- (b) the new shares are, by virtue of section 127 of TCGA 1992 (reorganisation etc treated as not involving disposal), identified with other shares (“the old shares”) previously held by the individual,

the individual is not eligible for share loss relief on the disposal of the new shares unless one of conditions A and B is met.

This is subject to section 145(3).

(3) Condition A is that the individual would have been eligible for share loss relief on a disposal of the old shares—

- (a) if the individual had incurred an allowable loss in disposing of them by way of a bargain made at arm's length on the occasion of the disposal that would have occurred but for section 127 of TCGA 1992, and
- (b) where applicable, if this Chapter had then been in force.

(4) Condition B is that the individual gave for the new shares consideration in money or money's worth other than consideration of the kind mentioned in paragraph (a) or (b) of section 128(2) of TCGA 1992 (“new consideration”).

(5) If the individual relies on condition B, the amount of share loss relief on the disposal of the new shares must not exceed the amount or value of the new consideration taken into account as a deduction in calculating the amount of the loss incurred on the disposal.
