

Planning Act 2008

2008 CHAPTER 29

PART 4

REQUIREMENT FOR DEVELOPMENT CONSENT

34 Welsh offshore generating stations

- (1) Section 33(2) does not prevent an order under section 3 of the Transport and Works Act 1992 (c. 42) from authorising the carrying out of works consisting of the construction or extension of a generating station that is or (when constructed or extended) will be a Welsh offshore generating station.
- (2) A “Welsh offshore generating station” is a generating station that is in waters in or adjacent to Wales up to the seaward limits of the territorial sea.
- (3) If, by virtue of subsection (1), an order under section 3 of the Transport and Works Act 1992 authorises the carrying out of any works, development consent is treated as not being required for the carrying out of those works.
