- (1) All the amounts and sums authorised by this Act and the other Act mentioned in Schedule 1 to this Act, for the service of the year that ended with 31 March 2010 and of the year ending with 31 March 2011, totalling, as is shown in the said Schedule, £41,539,482,000 in amounts of resources authorised for use and £13,899,545,000 in sums authorised for issue from the Consolidated Fund, are appropriated, and shall be deemed to have been appropriated as from the date of the passing of the Acts mentioned in the said Schedule 1, for the services and purposes specified in Schedule 2 to this Act.
- (2) Part 2 of Schedule 2 also sets out, for the services and purposes specified in that Part of that Schedule, modifications of the limits set for the purposes of section 2 of the Government Resources and Accounts Act 2000 on the resources applicable as appropriations in aid for the year ending with 31 March 2011.
- (3) The limits as modified by Part 2 of Schedule 2 shall be deemed to have been in force from 23 November 2010.

  - (a) a reduction set out in the Table in Part 2 of Schedule 2, or
  - (b) a modification so set out which, according to a note to that Part, comprises a reduction,

- (6) The payment of amounts into the Consolidated Fund is not required (by or under any enactment or otherwise) to the extent that permission for their retention is given by the Treasury in anticipation of the giving of directions, by reference to a Statement of Excesses, that will authorise the application of the amounts as appropriations in aid for the service of the year ending with 31 March 2011; but—
  - (a) a permission for the purposes of this subsection expires with the giving by reference to a Statement of Excesses of any direction that authorises the application of resources as appropriations in aid in relation to the Request for Resources or Estimate to which the amounts in question are referable; and
  - (b) if, having given such a permission, the Treasury decide before its expiry not to give the anticipated direction, they must withdraw the permission on making the decision.
