 - (b) telephone,
 - (c) television,
 - (d) radio, or
 - (e) any other kind of electronic or other technology for facilitating communication.
- (2) Remote gaming is “pooled prize gaming” for the purposes of this Part if all or any part of the gaming payment is assigned by or on behalf of the gaming provider to a fund (referred to in this Part as a “gaming prize fund”) from which prizes are to be provided to participants in the gaming.
- (3) Remote gaming is “ordinary gaming” for the purposes of this Part if it is not pooled prize gaming.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.
Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

 - (a) amend the definition of “remote gaming” in subsection (1), and
 - (b) make such consequential amendments of section 17(2A) of BGDA 1981 (cases in which bingo duty is not charged on bingo played by means of remote communication) as appear to the Treasury to be necessary.
- (5) Nothing in subsection (4)(b) affects the generality of section 194(1).

155 Remote gaming duty

- (1) A duty of excise, to be known as remote gaming duty, is charged on a chargeable person's participation in remote gaming under arrangements (whether or not enforceable) between the chargeable person and another person (referred to in this Part as a “gaming provider”).
- (2) In this Part “chargeable person” means—
 - (a) any UK person, and
 - (b) any body corporate not legally constituted in the United Kingdom if the person with whom the arrangements mentioned in subsection (1) are made knows, or has reasonable cause to believe, that at least one potential beneficiary of any prizes from remote gaming under the arrangements is a UK person.
- (3) Remote gaming duty is chargeable at the rate of 15% of the gaming provider's profits on remote gaming for an accounting period.
- (4) The gaming provider's profits on remote gaming for an accounting period are the aggregate of—
 - (a) the amount of the provider's profits for the period in respect of pooled prize gaming (calculated in accordance with section 156),
 - (b) the amount of the provider's profits for the period in respect of ordinary gaming (calculated in accordance with section 157), and
 - (c) the amount of the provider's profits for the period in respect of retained prizes (calculated in accordance with section 158).
- (5) Where the calculation for an accounting period under subsection (4) produces a negative amount—
 - (a) the gaming provider's profits on remote gaming for the accounting period are treated as nil, and
 - (b) the amount produced by the calculation may be carried forward in reduction of the gaming provider's profits on remote gaming for one or more later accounting periods.

156 Profits on pooled prize gaming

- (1) Take the following steps to calculate the amount of a gaming provider's profits for an accounting period in respect of pooled prize gaming.
 - Step 1* Take the aggregate of the relevant gaming payments made to the provider in the accounting period and deduct the aggregate of any of those payments that are assigned by or on behalf of the provider to gaming prize funds during the period.
 - Step 2* If in the accounting period any amount contained in a gaming prize fund to which relevant gaming payments have been assigned by or on behalf of the

provider is used otherwise than to provide prizes to participators in pooled prize gaming, multiply each amount so used in the accounting period by the relevant proportion that applies in relation to it.

Step 3 Add the aggregate of the amounts calculated under Step 2 to the amount calculated under Step 1.

Step 4 If in the accounting period any top-up payment is assigned to a gaming prize fund by the gaming provider, multiply the amount of each top-up payment so assigned in the accounting period by the appropriate proportion that applies in relation to it.

Step 5 Subtract the aggregate of the amounts calculated under Step 4 from the amount calculated under Step 3.

- (2) For the purposes of Step 2 the relevant proportion, in relation to any amount which is used otherwise than to provide prizes, is—
- (a) if the amount relates to a specific game of chance, the proportion of that amount that consists of relevant gaming payments made to the provider in respect of that game,
 - (b) if the amount does not relate to a specific game of chance but relates to amounts assigned to the fund during a specific period, the proportion of that amount that consists of relevant gaming payments assigned to the fund by or on behalf of the provider during that period, and
 - (c) in any other case, the proportion of the total amount contained in the fund immediately before the amount is so used which consists of relevant gaming payments assigned to the fund by or on behalf of the provider.
- (3) For the purposes of Step 4—
- (a) a top-up payment is assigned to a gaming prize fund if the gaming provider assigns an amount (other than a gaming payment) to the fund to satisfy a guarantee given by the gaming provider that prizes of a specified minimum amount will be available in respect of gaming under arrangements made with the provider, and
 - (b) the appropriate proportion, in relation to such a top-up payment, is the proportion determined in accordance with a notice published by the Commissioners.
- (4) A notice under subsection (3)(b) may provide for top-up payments to be ignored for the purposes of Step 4 in a specified case or class of cases.
- (5) In this section “relevant gaming payment” means a gaming payment in respect of pooled prize gaming.

157 Profits on ordinary gaming

- (1) To calculate the amount of a gaming provider's profits for an accounting period in respect of ordinary gaming—

- (2) The amount of the gaming provider's expenditure on prizes for an accounting period in respect of ordinary gaming is the aggregate of the value of prizes provided by or on

158 Profits on retained prizes

- (1) The amount of a gaming provider's profits for an accounting period in respect of retained prizes is the aggregate of the amounts which cease to be qualifying amounts during the accounting period.
- (2) An amount is a qualifying amount for the purposes of this section if, as a result of a person (“P”) being notified as mentioned in section 160(1), it has been taken into account in calculating the provider's profits for any accounting period under section 156 or 157.
- (3) An amount ceases to be a qualifying amount for the purposes of this section if, otherwise than by virtue of being withdrawn by P as mentioned in section 160(1), P ceases to be entitled to withdraw it.
- (4) The Commissioners may by notice published by them direct that subsection (3) is not to apply in a specified case or class of cases.

 - (b) any other amount payable for or on account of or in connection with the person's participation in the gaming.
- (2) If the gaming payment is made to a person other than the gaming provider, it is to be treated for the purposes of this Chapter as made to the gaming provider.
- (3) If the gaming payment has not been made at the time when the chargeable person begins to participate in the remote gaming to which it relates, it is to be treated for the purposes of this Chapter as being made at that time.
- [^{F20}(4) For the purposes of this Chapter—
 - (a) where the chargeable person participates in the remote gaming in reliance on an offer which waives all of a gaming payment, the person is to be treated as having made a gaming payment of the amount which would have been required to be paid without the offer (“the full amount”), and
 - (b) where the chargeable person participates in the remote gaming in reliance on an offer which waives part of a gaming payment, the person is to be treated as having made an additional gaming payment of the difference between the gaming payment actually made and the full amount.
- (5) Where a person is treated by subsection (4) as having made a gaming payment, the payment is to be treated for the purposes of this Chapter—
 - (a) as having been made to the gaming provider at the time when the chargeable person begins to participate in the remote gaming to which it relates, and
 - (b) as not having been—

 - (b) an appeal may ordinarily be brought against a decision on such a review or appeal, or
 - (c) proceedings on such a review, appeal or further appeal are in progress.
- (6) A person is a “registrable person” for the purposes of this Part if the person—
 - (a) is, or is required to be, registered under section 164, or

- (6) But an appeal may be entertained despite subsection (5) if, on the application of the registrable person, the Commissioners are satisfied or (the Commissioners not being so satisfied) the appeal tribunal decides that the requirement to pay the duty for which the person is liable would cause the person to suffer hardship.

CHAPTER 2

FOLLOWER NOTICES

Giving of follower notices

204 Circumstances in which a follower notice may be given

- (1) HMRC may give a notice (a “follower notice”) to a person (“P”) if Conditions A to D are met.
- (2) Condition A is that—
 - (a) a tax enquiry is in progress into a return or claim made by P in relation to a relevant tax, or
 - (b) P has made a tax appeal (by notifying HMRC or otherwise) in relation to a relevant tax, but that appeal has not yet been—
 - (i) determined by the tribunal or court to which it is addressed, or
 - (ii) abandoned or otherwise disposed of.
- (3) Condition B is that the return or claim or, as the case may be, appeal is made on the basis that a particular tax advantage (“the asserted advantage”) results from particular tax arrangements (“the chosen arrangements”).
- (4) Condition C is that HMRC is of the opinion that there is a judicial ruling which is relevant to the chosen arrangements.
- (5) Condition D is that no previous follower notice has been given to the same person (and not withdrawn) by reference to the same tax advantage, tax arrangements, judicial ruling and tax period.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.
Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) A follower notice may not be given after the end of the period of 12 months beginning with the later of—
- (a) the day on which the judicial ruling mentioned in Condition C is made, and
 - (b) the day the return or claim to which subsection (2)(a) refers was received by HMRC or (as the case may be) the day the tax appeal to which subsection (2)(b) refers was made.

205 “Judicial ruling” and circumstances in which a ruling is “relevant”

- (1) This section applies for the purposes of this Chapter.
- (2) “Judicial ruling” means a ruling of a court or tribunal on one or more issues.
- (3) A judicial ruling is “relevant” to the chosen arrangements if—
- (a) it relates to tax arrangements,
 - (b) the principles laid down, or reasoning given, in the ruling would, if applied to the chosen arrangements, deny the asserted advantage or a part of that advantage, and
 - (c) it is a final ruling.
- (4) A judicial ruling is a “final ruling” if it is—
- (a) a ruling of the Supreme Court, or
 - (b) a ruling of any other court or tribunal in circumstances where—
 - (i) no appeal may be made against the ruling,
 - (ii) if an appeal may be made against the ruling with permission, the time limit for applications has expired and either no application has been made or permission has been refused,
 - (iii) if such permission to appeal against the ruling has been granted or is not required, no appeal has been made within the time limit for appeals, or
 - (iv) if an appeal was made, it was abandoned or otherwise disposed of before it was determined by the court or tribunal to which it was addressed.
- (5) Where a judicial ruling is final by virtue of sub-paragraph (ii), (iii) or (iv) of subsection (4)(b), the ruling is treated as made at the time when the sub-paragraph in question is first satisfied.

206 Content of a follower notice

A follower notice must—

- (a) identify the judicial ruling in respect of which Condition C in section 204 is met,
- (b) explain why HMRC considers that the ruling meets the requirements of section 205(3), and
- (c) explain the effects of sections 207 to 210.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.
Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Representations

207 Representations about a follower notice

- (1) Where a follower notice is given under section 204, P has 90 days beginning with the day that notice is given to send written representations to HMRC objecting to the notice on the grounds that—
 - (a) Condition A, B or D in section 204 was not met,
 - (b) the judicial ruling specified in the notice is not one which is relevant to the chosen arrangements, or
 - (c) the notice was not given within the period specified in subsection (6) of that section.
- (2) HMRC must consider any representations made in accordance with subsection (1).
- (3) Having considered the representations, HMRC must determine whether to—
 - (a) confirm the follower notice (with or without amendment), or
 - (b) withdraw the follower notice,
 and notify P accordingly.

Penalties

208 Penalty if corrective action not taken in response to follower notice

- (1) This section applies where a follower notice is given to P (and not withdrawn).
- (2) P is liable to pay a penalty if the necessary corrective action is not taken in respect of the denied advantage (if any) before the specified time.
- (3) In this Chapter “the denied advantage” means so much of the asserted advantage (see section 204(3)) as is denied by the application of the principles laid down, or reasoning given, in the judicial ruling identified in the follower notice under section 206(a).
- (4) The necessary corrective action is taken in respect of the denied advantage if (and only if) P takes the steps set out in subsections (5) and (6).
- (5) The first step is that—
 - (a) in the case of a follower notice given by virtue of section 204(2)(a), P amends a return or claim to counteract the denied advantage;
 - (b) in the case of a follower notice given by virtue of section 204(2)(b), P takes all necessary action to enter into an agreement with HMRC (in writing) for the purpose of relinquishing the denied advantage.
- (6) The second step is that P notifies HMRC—
 - (a) that P has taken the first step, and
 - (b) of the denied advantage and (where different) the additional amount which has or will become due and payable in respect of tax by reason of the first step being taken.
- (7) In determining the additional amount which has or will become due and payable in respect of tax for the purposes of subsection (6)(b), it is to be assumed that, where P takes the necessary action as mentioned in subsection (5)(b), the agreement is then entered into.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(8) In this Chapter—

“the specified time” means—

- (a) if no representations objecting to the follower notice were made by P in accordance with subsection (1) of section 207, the end of the 90 day post-notice period;
- (b) if such representations were made and the notice is confirmed under that section (with or without amendment), the later of—
 - (i) the end of the 90 day post-notice period, and
 - (ii) the end of the 30 day post-representations period;

“the 90 day post-notice period” means the period of 90 days beginning with the day on which the follower notice is given;

“the 30 day post-representations period” means the period of 30 days beginning with the day on which P is notified of HMRC's determination under section 207.

(9) No enactment limiting the time during which amendments may be made to returns or claims operates to prevent P taking the first step mentioned in subsection (5)(a) before the tax enquiry is closed (whether or not before the specified time).

(10) No appeal may be brought, by virtue of a provision mentioned in subsection (11), against an amendment made by a closure notice in respect of a tax enquiry to the extent that the amendment takes into account an amendment made by P to a return or claim in taking the first step mentioned in subsection (5)(a) (whether or not that amendment was made before the specified time).

(11) The provisions are—

- (a) section 31(1)(b) or (c) of TMA 1970,
- (b) paragraph 9 of Schedule 1A to TMA 1970,
- (c) paragraph 34(3) of Schedule 18 to FA 1998,
- (d) paragraph 35(1)(b) of Schedule 10 to FA 2003, and
- (e) paragraph 35(1)(b) of Schedule 33 to FA 2013.

209 Amount of a section 208 penalty

- (1) The penalty under section 208 is 50% of the value of the denied advantage.
- (2) Schedule 30 contains provision about how the denied advantage is valued for the purposes of calculating penalties under this section.
- (3) Where P before the specified time—
 - (a) amends a return or claim to counteract part of the denied advantage only, or
 - (b) takes all necessary action to enter into an agreement with HMRC (in writing) for the purposes of relinquishing part of the denied advantage only,in subsections (1) and (2) the references to the denied advantage are to be read as references to the remainder of the denied advantage.

210 Reduction of a section 208 penalty for co-operation

- (1) Where—
 - (a) P is liable to pay a penalty under section 208 of the amount specified in section 209(1),

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the penalty has not yet been assessed, and
 - (c) P has co-operated with HMRC,
- HMRC may reduce the amount of that penalty to reflect the quality of that co-operation.
- (2) In relation to co-operation, “quality” includes timing, nature and extent.
 - (3) P has co-operated with HMRC only if P has done one or more of the following—
 - (a) provided reasonable assistance to HMRC in quantifying the tax advantage;
 - (b) counteracted the denied advantage;
 - (c) provided HMRC with information enabling corrective action to be taken by HMRC;
 - (d) provided HMRC with information enabling HMRC to enter an agreement with P for the purpose of counteracting the denied advantage;
 - (e) allowed HMRC to access tax records for the purpose of ensuring that the denied advantage is fully counteracted.
 - (4) But nothing in this section permits HMRC to reduce a penalty to less than 10% of the value of the denied advantage.

211 Assessment of a section 208 penalty

- (1) Where a person is liable for a penalty under section 208, HMRC may assess the penalty.
- (2) Where HMRC assess the penalty, HMRC must—
 - (a) notify the person who is liable for the penalty, and
 - (b) state in the notice a tax period in respect of which the penalty is assessed.
- (3) A penalty under section 208 must be paid before the end of the period of 30 days beginning with the day on which the person is notified of the penalty under subsection (2).
- (4) An assessment—
 - (a) is to be treated for procedural purposes in the same way as an assessment to tax (except in respect of a matter expressly provided for by this Chapter),
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.
- (5) No penalty under section 208 may be notified under subsection (2) later than—
 - (a) in the case of a follower notice given by virtue of section 204(2)(a) (tax enquiry in progress), the end of the period of 90 days beginning with the day the tax enquiry is completed, and
 - (b) in the case of a follower notice given by virtue of section 204(2)(b) (tax appeal pending), the end of the period of 90 days beginning with the earliest of—
 - (i) the day on which P takes the necessary corrective action (within the meaning of section 208(4)),
 - (ii) the day on which a ruling is made on the tax appeal by P, or any further appeal in that case, which is a final ruling (see section 205(4)), and
 - (iii) the day on which that appeal, or any further appeal, is abandoned or otherwise disposed of before it is determined by the court or tribunal to which it is addressed.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.
Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) In this section a reference to an assessment to tax, in relation to inheritance tax, is to a determination.

212 Aggregate penalties

- (1) Subsection (2) applies where—
- (a) two or more penalties are incurred by the same person and fall to be determined by reference to an amount of tax to which that person is chargeable,

- (2) A supplementary assessment may be made in respect of a penalty if an earlier assessment operated by reference to an underestimate of the value of the denied advantage.
- (3) An assessment or supplementary assessment may be revised as necessary if it operated by reference to an overestimate of the denied advantage; and, where more than the resulting assessed penalty has already been paid by the person to HMRC, the excess must be repaid.

214 Appeal against a section 208 penalty

- (1) P may appeal against a decision of HMRC that a penalty is payable by P under section 208.
- (2) P may appeal against a decision of HMRC as to the amount of a penalty payable by P under section 208.
- (3) The grounds on which an appeal under subsection (1) may be made include in particular—

- (4) An appeal under this section must be made within the period of 30 days beginning with the day on which notification of the penalty is given under section 211.

bringing the appeal by notice to HMRC, about HMRC's review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).

- (6) Subsection (5) does not apply—
 - (a) so as to require a person to pay a penalty before an appeal against the assessment of the penalty is determined, or
 - (b) in respect of any other matter expressly provided for by this Part.
- (7) In this section a reference to an assessment to tax, in relation to inheritance tax, is to a determination.
- (8) On an appeal under subsection (1), the tribunal may affirm or cancel HMRC's decision.
- (9) On an appeal under subsection (2), the tribunal may—
 - (a) affirm HMRC's decision, or
 - (b) substitute for HMRC's decision another decision that HMRC had power to make.
- (10) The cancellation under subsection (8) of HMRC's decision on the ground specified in subsection (3)(d) does not affect the validity of the follower notice, or of any accelerated payment notice or partner payment notice under Chapter 3 related to the follower notice.
- (11) In this section “tribunal” means the First-tier Tribunal or Upper Tribunal (as appropriate by virtue of subsection (5)).

Partners and partnerships

215 Follower notices: treatment of partners and partnerships

Schedule 31 makes provision about the application of this Chapter in relation to partners and partnerships.

Appeals out of time

216 Late appeal against final judicial ruling

- (1) This section applies where a final judicial ruling (“the original ruling”) is the subject of an appeal by reason of a court or tribunal granting leave to appeal out of time.
- (2) If a follower notice has been given identifying the original ruling under section 206(a), the notice is suspended until such time as HMRC notify P that—
 - (a) the appeal has resulted in a judicial ruling which is a final ruling, or
 - (b) the appeal has been abandoned or otherwise disposed of (before it was determined).
- (3) Accordingly the period during which the notice is suspended does not count towards the periods mentioned in section 208(8).
- (4) When a follower notice is suspended under subsection (2), HMRC must notify P as soon as reasonably practicable.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If the new final ruling resulting from the appeal is not a judicial ruling which is relevant to the chosen arrangements (see section 205), the follower notice ceases to have effect at the end of the period of suspension.
- (6) In any other case, the follower notice continues to have effect after the end of the period of suspension and, in a case within subsection (2)(a), is treated as if it were in respect of the new final ruling resulting from the appeal.
- (7) The notice given under subsection (2) must—
 - (a) state whether subsection (5) or (6) applies, and
 - (b) where subsection (6) applies in a case within subsection (2)(a), make any amendments to the follower notice required to reflect the new final ruling.
- (8) No new follower notice may be given in respect of the original ruling unless the appeal has been abandoned or otherwise disposed of before it is determined by the court or tribunal to which it is addressed.
- (9) Nothing in this section prevents a follower notice being given in respect of a new final ruling resulting from the appeal.
- (10) Where the appeal is abandoned or otherwise disposed of before it is determined by the court or tribunal to which it is addressed, for the purposes of the original ruling the period beginning when leave to appeal out of time was granted, and ending when the appeal is disposed of, does not count towards the period of 12 months mentioned in section 204(6).

Transitional provision

217 Transitional provision

- (1) In the case of judicial rulings made before the day on which this Act is passed, this Chapter has effect as if for section 204(6) there were substituted—

“(6) A follower notice may not be given after—

 - (a) the end of the period of 24 months beginning with the day on which this Act is passed, or
 - (b) the end of the period of 12 months beginning with the day the return or claim to which subsection (2)(a) refers was received by HMRC or (as the case may be) with the day the tax appeal to which subsection (2)(b) refers was made,

whichever is later.”
- (2) Accordingly, the reference in section 216(10) to the period of 12 months includes a reference to the period of 24 months mentioned in the version of section 204(6) set out in subsection (1) above.

“Theatrical production”

1217FA) In this Part “theatrical production” means a dramatic production or a ballet (and any ballet is therefore a theatrical production, whether or not it is also a dramatic production).

But see section 1217FB.

- (2) “Dramatic production” means a production of a play, opera, musical, or other dramatic piece (whether or not involving improvisation) in relation to which the following conditions are met—

- (4) For the purposes of this section a performance is “live” if it is to an audience before whom the performers are actually present.

Productions not regarded as theatrical

- (3) A production is of a sexual nature for the purposes of subsection (1)(d) if the performances are to include any content the nature of which is such that, ignoring financial gain, it would be reasonable to assume the content to be included solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).
- (4) “Relevant recording” means a recording of a performance—
- (a) as a film (or part of a film) for exhibition to the paying general public at the commercial cinema, or
 - (b) for broadcast to the general public.

- (2) No more than one company can be the production company in relation to a theatrical production.
- (3) If more than one company meets the conditions in subsection (1) in relation to a theatrical production, the company that is most directly engaged in the activities mentioned in subsection (1) is the production company.
- (4) If there is no company meeting the conditions in subsection (1), there is no production company in relation to the production.

- (2) The reference in subsection (1) to “live performances” is to be read in accordance with section 1217FA(4).

(4) For the purposes of subsection (3), a production company is associated with a person (“P”) if—

(2) In this Part “EEA expenditure” means expenditure on goods or services that are provided from within the European Economic Area.

(3) Any apportionment of expenditure as between EEA and non-EEA expenditure for the purposes of this Part is to be made on a just and reasonable basis.

The separate theatrical trade

Introduction to sections 1217IA to 1217IF

1217I Where a company is treated under section 1217H(3)(a) as carrying on a separate trade (“the separate theatrical trade”), the profits or losses of the trade are calculated for corporation tax purposes in accordance with sections 1217IA to 1217IF.

Calculation of profits or losses of separate theatrical trade

1217IA(1) For the first period of account during which the separate theatrical trade is carried on, the following are brought into account—

- (a) as a debit, the costs of the theatrical production incurred (and represented in work done) to date;
 - (b) as a credit, the proportion of the estimated total income from the production treated as earned at the end of that period.
- (2) For subsequent periods of account the following are brought into account—
- (a) as a debit, the difference between the amount (“C”) of the costs of the theatrical production incurred (and represented in work done) to date and the amount corresponding to C for the previous period, and
 - (b) as a credit, the difference between the proportion (“PI”) of the estimated total income from the production treated as earned at the end of that period and the amount corresponding to PI for the previous period.
- (3) The proportion of the estimated total income treated as earned at the end of a period of account is—

$$\frac{C}{T} \times I$$

where—

C is the total to date of costs incurred (and represented in work done);

T is the estimated total cost of the theatrical production;

I is the estimated total income from the theatrical production.

Income from the production

1217IB(1) References in this Part to income from a theatrical production are to any receipts by the company in connection with the making or exploitation of the production.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. - (2) This includes—
- (a) receipts from the sale of tickets or of rights in the theatrical production;
 - (b) royalties or other payments for use of aspects of the theatrical production (for example, characters or music);
 - (c) payments for rights to produce merchandise;
 - (d) receipts by the company by way of a profit share agreement.
- (3) Receipts that (apart from this subsection) would be regarded as being of a capital nature are treated as being of a revenue nature.

Costs of the production

- 1217I(1) References in this Part to the costs of a theatrical production are to expenditure incurred by the company on—
- (a) the activities involved in developing, producing, running and closing the production, or
 - (b) activities with a view to exploiting the production.
- (2) This is subject to any provision of the Corporation Tax Acts prohibiting the making of a deduction, or restricting the extent to which a deduction is allowed, in calculating the profits of a trade.
- (3) Expenditure which, apart from this subsection, would be regarded as being of a capital nature only because it is incurred on the creation of an asset (i.e. the theatrical production) is treated as being of a revenue nature.

When costs are taken to be incurred

- 1217IA(1) For the purposes of this Part, the costs that have been incurred on a theatrical production at a given time—
- (a) are those costs of the production that are represented in the state of completion of the work in progress, but
 - (b) do not include any amount that has not been paid unless it is the subject of an unconditional obligation to pay.
- (2) In accordance with subsection (1)(a)—
- (a) payments in advance of work to be done are ignored until the work has been carried out;
 - (b) deferred payments are recognised to the extent that the goods or services in question are represented in the state of completion of the work in progress (but this is subject to subsection (1)(b)).
- (3) Where an obligation to pay an amount is linked to income being earned from the theatrical production, the obligation is not treated as having become unconditional unless an appropriate amount of income is or has been brought into account under section 1217IA.
- (4) In determining for the purposes of this Part the amount of costs incurred on a theatrical production at the end of a period of account, any amount that has not been paid 4 months after the end of that period is to be ignored.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Pre-trading expenditure

1217I(1) This section applies if, before the company begins to carry on the separate theatrical trade, it incurs expenditure on activities falling within section 1217IC(1)(a).

- (2) The expenditure may be treated as expenditure of the separate theatrical trade and as if incurred immediately after the company begins to carry on that trade.
- (3) If expenditure so treated has previously been taken into account for other tax purposes, the company must amend any relevant company tax return accordingly.
- (4) Any amendment or assessment necessary to give effect to subsection (3) may be made despite any limitation on the time within which an amendment or assessment may normally be made.

Estimates

1217IF Estimates for the purposes of section 1217IA must be made as at the balance sheet date for each period of account, on a just and reasonable basis taking into consideration all relevant circumstances.

Amount of additional deduction

Amount of additional deduction

1217J(1) The amount of an additional deduction to which a company is entitled as a result of a claim under section 1217H is calculated as follows.

- (2) For the first period of account during which the separate theatrical trade is carried on, the amount of the additional deduction is E, where—

E is—

- (a) so much of the qualifying expenditure incurred to date as is EEA expenditure, or
- (b) if less, 80% of the total amount of qualifying expenditure incurred to date.

- (3) For any period of account after the first, the amount of the additional deduction is—

$$E - P$$

where—

E is—

- (b) if less, 80% of the total amount of qualifying expenditure incurred to date, and

P is the total amount of the additional deductions given for previous periods.

Anti-avoidance etc

Tax avoidance arrangements

1217L(A) A company does not qualify for relief in relation to a theatrical production if there are any tax avoidance arrangements relating to the production.

(2) Arrangements are “tax avoidance arrangements” if their main purpose, or one of their main purposes, is the obtaining of a tax advantage.

(3) In this section—

“arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable;

“tax advantage” has the meaning given by section 1139 of CTA 2010.

Transactions not entered into for genuine commercial reasons

1217L(B) A transaction is to be ignored for the purpose of determining a relief mentioned in subsection (2) so far as the transaction is attributable to arrangements (other than tax avoidance arrangements) entered into otherwise than for genuine commercial reasons.

(2) The reliefs mentioned in subsection (1) are—

(a) any additional deduction which a company may make under this Part, and

(b) any theatre tax credit to be given to a company.

(3) In this section “arrangements” and “tax avoidance arrangements” have the same meaning as in section 1217LA.

Use of losses

Application of sections 1217MA to 1217MC

1217M(I) Sections 1217MA to 1217MC apply to a company that is treated under section 1217H(3) as carrying on a separate trade in relation to a theatrical production.

(2) In those sections—

“the completion period” means the accounting period in which the company ceases to carry on the separate theatrical trade;

“loss relief” includes any means by which a loss might be used to reduce the amount in respect of which a company, or any other person, is chargeable to tax.

Restriction on use of losses before completion period

1217M(AI) Subsection (2) applies if a loss is made by the company in the separate theatrical trade in an accounting period preceding the completion period.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The loss is not available for loss relief, except to the extent that the loss may be carried forward under section 45 of CTA 2010 to be set against profits of the separate theatrical trade in a subsequent period.

Use of losses in the completion period

1217MB(1) Subsection (2) applies if a loss made in the separate theatrical trade is carried forward under section 45 of CTA 2010 to the completion period.

- (2) So much (if any) of the loss as is not attributable to relief under section 1217H (see subsection (4)) may be treated for the purposes of loss relief as if it were a loss made in the completion period.
- (3) If a loss is made in the separate theatrical trade in the completion period, the amount of the loss that may be—
- (a) deducted from total profits of the same or an earlier period under section 37 of CTA 2010, or
 - (b) surrendered as group relief under Part 5 of that Act,
- is restricted to the amount (if any) that is not attributable to relief under section 1217H.
- (4) The amount of a loss in any period that is attributable to relief under section 1217H is found by—
- (a) calculating what the amount of the loss would have been if there had been no additional deduction under that section in that or any earlier period, and
 - (b) deducting that amount from the total amount of the loss.
- (5) This section does not apply to loss surrendered, or treated as carried forward, under section 1217MC (terminal losses).

Terminal losses

1217MQ(1) This section applies if—

- (a) the company ceases to carry on the separate theatrical trade, and
- (b) if the company had not ceased to carry on the separate theatrical trade, it could have carried forward an amount under section 45 of CTA 2010 to be set against profits of that trade in a later period (“the terminal loss”).

Below in this section the company is referred to as “company A” and the separate theatrical trade is referred to as “trade 1”.

- (2) If company A—
- (a) is treated under section 1217H(3) as carrying on a separate theatrical trade in relation to another theatrical production (“trade 2”), and
 - (b) is carrying on trade 2 when it ceases to carry on trade 1,
- company A may (on making a claim) elect to transfer the terminal loss (or a part of it) to trade 2.
- (3) If company A makes an election under subsection (2), the terminal loss (or part of the loss) is treated as if it were a loss brought forward under section 45

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. of CTA 2010 to be set against the profits of trade 2 of the first accounting period beginning after the cessation and so on.

- (4) Subsection (5) applies if—
- (a) another company (“company B”) is treated under section 1217H(3) as carrying on a separate theatrical trade (“company B's trade”) in relation to another theatrical production,
 - (b) company B is carrying on that trade when company A ceases to carry on trade 1, and
 - (c) company B is in the same group as company A for the purposes of Part 5 of CTA 2010 (group relief).
- (5) Company A may surrender the loss (or part of it) to company B.
- (6) On the making of a claim by company B the amount surrendered is treated as if it were a loss brought forward by company B under section 45 of CTA 2010 to be set against the profits of company B's trade of the first accounting period beginning after the cessation and so on.
- (7) The Treasury may by regulations make administrative provision in relation to the surrender of a loss under subsection (5) and the resulting claim under subsection (6).
- (8) “Administrative provision” means provision corresponding, subject to such adaptations or other modifications as appear to the Treasury to be appropriate, to that made by Part 8 of Schedule 18 to FA 1998 (company tax returns: claims for group relief).

Provisional entitlement to relief

Provisional entitlement to relief

- 1217N) In relation to a company that has made a claim under section 1217H in relation to a theatrical production, “interim accounting period” means any accounting period that—
- (a) is one in which the company carries on the separate theatrical trade, and
 - (b) precedes the accounting period in which it ceases to do so.
- (2) A company is not entitled to relief under any of the relieving provisions for an interim accounting period unless—
- (a) its company tax return for the period states the amount of planned core expenditure on the theatrical production that is EEA expenditure, and
 - (b) that amount is such as to indicate that the EEA expenditure condition (see section 1217GB) will be met in relation to the production.
- If those requirements are met, the company is provisionally treated in relation to that period as if the EEA expenditure condition were met.
- (3) In this section “the relieving provisions” means—
- (a) section 1217H (additional deduction),
 - (b) section 1217K (theatre tax credits), and
 - (c) section 1217MC (terminal losses).

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Clawback of provisional relief

- 1217N(1) If a statement is made under section 1217N(2) but it subsequently appears that the EEA expenditure condition will not be met on the company's ceasing to carry on the separate theatrical trade, the company—
- (a) is not entitled to relief under any of the relieving provisions for any period for which its entitlement depended on such a statement, and
 - (b) must amend its company tax return for any such period accordingly.
- (2) When a company which has made a claim under section 1217H ceases to carry on the separate theatrical trade, the company's company tax return for the period in which that cessation occurs must—
- (a) state that the company has ceased to carry on the separate theatrical trade, and
 - (b) be accompanied by a final statement of the amount of the core expenditure on the theatrical production that is EEA expenditure.
- (3) If that statement shows that the EEA expenditure condition is not met—
- (a) the company is not entitled to relief under any of the relieving provisions for any period,
 - (b) the company is treated for corporation tax purposes as if section 1217H(3)(a) (treatment as a separate trade) did not apply in relation to the theatrical production for any period, and
 - (c) accordingly, sections 1217MA and 1217MB (provisions about use of losses) do not apply in relation to the theatrical production for any period.
- (4) Where subsection (3) applies, the company must amend its company tax return for any period in which (or in any part of which) it was treated as carrying on a separate trade relating to the theatrical production.
- (5) Any amendment or assessment necessary to give effect to this section may be made despite any limitation on the time within which an amendment or assessment may normally be made.
- (6) In this section “the relieving provisions” has the same meaning as in section 1217N.

- if notice of intention to rely on it is given to an officer of Revenue and Customs before 6 April 2017.
- (2) Part 4 of FA 2004 has effect in relation to the individual as if the standard lifetime allowance were—

“PART 8

NOTIFICATION OF SCHEMES, ANNUAL RETURNS AND ENQUIRIES

Notice of scheme to be given to HMRC

40A(1) For an SAYE option scheme to be a Schedule 3 SAYE option scheme, notice of the scheme must be given to Her Majesty's Revenue and Customs (“HMRC”).

(2) The notice must—

- (a) be given by the scheme organiser,
- (b) contain, or be accompanied by, such information as HMRC may require, and
- (c) contain a declaration within sub-paragraph (3) made by such persons as HMRC may require.

(3) A declaration within this sub-paragraph is a declaration—

- (a) that the requirements of Parts 2 to 7 of this Schedule are met in relation to the scheme, and
- (b) if the declaration is made after the first date on which share options are granted under the scheme (“the first grant date”), that those requirements—
 - (i) were met in relation to those grants of share options, and
 - (ii) have otherwise been met in relation to the scheme at all times on or after the first grant date when share options granted under the scheme are outstanding.

(4) If notice is given under this paragraph in relation to an SAYE option scheme, for the purposes of the SAYE code the scheme is to be a Schedule 3 SAYE option scheme at all times on and after the relevant date (but not before that date).

(5) But if the notice is given after the initial notification deadline, the scheme is to be a Schedule 3 SAYE option scheme only from the beginning of the relevant tax year.

(6) For the purposes of this Part—

“the initial notification deadline” is 6 July in the tax year following that in which the first grant date falls,

“outstanding”, in relation to a share option, means that the option—

- (a) has not been exercised, but
- (b) is capable of being exercised in accordance with the scheme (whether on the meeting of any condition or otherwise),

“the relevant date” is—

- (a) the date on which the declaration within sub-paragraph (3) is made, or
- (b) if that declaration is made after the first grant date, the first grant date, and

“the relevant tax year” is—

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. - (a) the tax year in which the notice under this paragraph is given, or
- (b) if that notice is given on or before 6 July in that tax year, the preceding tax year.

(7) Sub-paragraph (4) is subject to the following paragraphs of this Part.

Annual returns

40B (1) This paragraph applies if notice is given in relation to an SAYE option scheme under paragraph 40A.

(2) The scheme organiser must give to HMRC a return for the tax year in which the relevant date falls and for each subsequent tax year (subject to sub-paragraph (9)).

(3) If paragraph 40A(5) applies in relation to the scheme, in sub-paragraph (2) the reference to the tax year in which the relevant date falls is to be read as a reference to the relevant tax year.

(4) A return for a tax year must—

- (a) contain, or be accompanied by, such information as HMRC may require, and
- (b) be given on or before 6 July in the following tax year.

(5) The information which may be required under sub-paragraph (4)(a) includes (in particular) information to enable HMRC to determine the liability to tax, including capital gains tax, of—

- (a) any person who has participated in the scheme, or
- (b) any other person whose liability to tax the operation of the scheme is relevant to.

(6) If during a tax year—

- (a) an alteration is made in a key feature of the scheme, or
- (b) variations are made under a provision made under paragraph 28(3) to take account of a variation in any share capital,

the return for the tax year must contain a declaration within sub-paragraph (7) made by such persons as HMRC may require.

(7) A declaration within this sub-paragraph is a declaration, as the case may be—

- (a) that the alteration has, or
- (b) that the variations have,

not caused the requirements of Parts 2 to 7 of this Schedule not to be met in relation to the scheme.

(8) For the purposes of sub-paragraph (6)(a) a “key feature” of a scheme is a provision of the scheme which is necessary in order for the requirements of Parts 2 to 7 of this Schedule to be met in relation to the scheme.

(9) A return is not required for any tax year following that in which the termination condition is met in relation to the scheme.

(10) For the purposes of this Part “the termination condition” is met in relation to a scheme when—

- (a) all share options granted under the scheme—
 - (i) have been exercised, or
 - (ii) are no longer capable of being exercised in accordance with the scheme (because, for example, they have lapsed or been cancelled), and
 - (b) no more share options will be granted under the scheme.
- (11) If the scheme organiser becomes aware that—
- (a) anything which should have been included in, or should have accompanied, a return for a tax year was not included in, or did not accompany, the return,
 - (b) anything which should not have been included in, or should not have accompanied, a return for a tax year was included in, or accompanied, the return, or
 - (c) any other error or inaccuracy has occurred in relation to a return for a tax year,
- the scheme organiser must give an amended return correcting the position to HMRC without delay.

40C (1) This paragraph applies if the scheme organiser fails to give a return for a tax year (containing, or accompanied by, all required information and declarations) on or before the date mentioned in paragraph 40B(4)(b) (“the date for delivery”).

- (2) The scheme organiser is liable for a penalty of £100.
- (3) If the scheme organiser's failure continues after the end of the period of 3 months beginning with the date for delivery, the scheme organiser is liable for a further penalty of £300.
- (4) If the scheme organiser's failure continues after the end of the period of 6 months beginning with the date for delivery, the scheme organiser is liable for a further penalty of £300.
- (5) The scheme organiser is liable for a further penalty under this sub-paragraph if—
 - (a) the scheme organiser's failure continues after the end of the period of 9 months beginning with the date for delivery,
 - (b) HMRC decide that such a penalty should be payable, and
 - (c) HMRC give notice to the scheme organiser specifying the period in respect of which the penalty is payable.

(The scheme organiser may be liable for more than one penalty under this sub-paragraph.)

- (6) The penalty under sub-paragraph (5) is £10 for each day that the failure continues during the period specified in the notice under sub-paragraph (5)(c).
- (7) The period specified in the notice under sub-paragraph (5)(c)—
 - (a) may begin earlier than the date on which the notice is given, but
 - (b) may not begin until after the end of the period mentioned in sub-paragraph (5)(a) or, if relevant, the end of any period specified in

any previous notice under sub-paragraph (5)(c) given in relation to the failure.

- (8) Liability for a penalty under this paragraph does not arise if the scheme organiser satisfies HMRC (or, on an appeal under paragraph 40K, the tribunal) that there is a reasonable excuse for its failure.
- (9) For the purposes of sub-paragraph (8)—
- (a) an insufficiency of funds is not a reasonable excuse, unless attributable to events outside the scheme organiser's control,
 - (b) where the scheme organiser relies on any other person to do anything, that is not a reasonable excuse unless the scheme organiser took reasonable care to avoid the failure, and
 - (c) where the scheme organiser had a reasonable excuse for the failure but the excuse ceased, the scheme organiser is to be treated as having continued to have the excuse if the failure is remedied without unreasonable delay after the excuse ceased.

Notices and returns to be given electronically etc

40D(1) A notice under paragraph 40A, and any information accompanying the notice, must be given electronically.

(2) A return under paragraph 40B, and any information accompanying the return, must be given electronically.

(3) But, if HMRC consider it appropriate to do so, HMRC may allow the scheme organiser to give a notice or return or any accompanying information in another way; and, if HMRC do so, the notice, return or information must be given in that other way.

(4) The Commissioners for Her Majesty's Revenue and Customs—

- (a) must prescribe how notices, returns and accompanying information are to be given electronically;
- (b) may make different provision for different cases or circumstances.

40E (1) This paragraph applies if a return under paragraph 40B, or any information accompanying such a return—

- (a) is given otherwise than in accordance with paragraph 40D, or
- (b) contains a material inaccuracy—
 - (i) which is careless or deliberate, or
 - (ii) which is not corrected as required by paragraph 40B(11).

(2) The scheme organiser is liable for a penalty of an amount decided by HMRC.

(3) The penalty must not exceed £5,000.

(4) For the purposes of sub-paragraph (1)(b)(i) an inaccuracy is careless if it is due to a failure by the scheme organiser to take reasonable care.

“PART 7

NOTIFICATION OF SCHEMES, ANNUAL RETURNS AND ENQUIRIES

Notice of scheme to be given to HMRC

28A(1) For a CSOP scheme to be a Schedule 4 CSOP scheme, notice of the scheme must be given to Her Majesty's Revenue and Customs (“HMRC”).

(2) The notice must—

- (a) be given by the scheme organiser,
- (b) contain, or be accompanied by, such information as HMRC may require, and
- (c) contain a declaration within sub-paragraph (3) made by such persons as HMRC may require.

(3) A declaration within this sub-paragraph is a declaration—

- (a) that the requirements of Parts 2 to 6 of this Schedule are met in relation to the scheme, and
- (b) if the declaration is made after the first date on which share options are granted under the scheme (“the first grant date”), that those requirements—
 - (i) were met in relation to those grants of share options, and
 - (ii) have otherwise been met in relation to the scheme at all times on or after the first grant date when share options granted under the scheme are outstanding.

(4) If notice is given under this paragraph in relation to a CSOP scheme, for the purposes of the CSOP code the scheme is to be a Schedule 4 CSOP scheme at all times on and after the relevant date (but not before that date).

(5) But if the notice is given after the initial notification deadline, the scheme is to be a Schedule 4 CSOP scheme only from the beginning of the relevant tax year.

(6) For the purposes of this Part—

“the initial notification deadline” is 6 July in the tax year following that in which the first grant date falls,

“outstanding”, in relation to a share option, means that the option—

- (a) has not been exercised, but
- (b) is capable of being exercised in accordance with the scheme (whether on the meeting of any condition or otherwise),

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

“the relevant date” is—

- (a) the date on which the declaration within sub-paragraph (3) is made, or
- (b) if that declaration is made after the first grant date, the first grant date, and

“the relevant tax year” is—

- (a) the tax year in which the notice under this paragraph is given, or
- (b) if that notice is given on or before 6 July in that tax year, the preceding tax year.

(7) Sub-paragraph (4) is subject to the following paragraphs of this Part.

Annual returns

28B (1) This paragraph applies if notice is given in relation to a CSOP scheme under paragraph 28A.

(2) The scheme organiser must give to HMRC a return for the tax year in which the relevant date falls and for each subsequent tax year (subject to sub-paragraph (9)).

(3) If paragraph 28A(5) applies in relation to the scheme, in sub-paragraph (2) the reference to the tax year in which the relevant date falls is to be read as a reference to the relevant tax year.

(4) A return for a tax year must—

- (a) contain, or be accompanied by, such information as HMRC may require, and
- (b) be given on or before 6 July in the following tax year.

(5) The information which may be required under sub-paragraph (4)(a) includes (in particular) information to enable HMRC to determine the liability to tax, including capital gains tax, of—

- (a) any person who has participated in the scheme, or
- (b) any other person whose liability to tax the operation of the scheme is relevant to.

(6) If during a tax year—

- (a) an alteration is made in a key feature of the scheme, or
- (b) variations are made under a provision made under paragraph 22(3) to take account of a variation in any share capital,

the return for the tax year must contain a declaration within sub-paragraph (7) made by such persons as HMRC may require.

(7) A declaration within this sub-paragraph is a declaration, as the case may be—

- (a) that the alteration has, or
- (b) that the variations have,

not caused the requirements of Parts 2 to 6 of this Schedule not to be met in relation to the scheme.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

- (8) For the purposes of sub-paragraph (6)(a) a “key feature” of a scheme is a provision of the scheme which is necessary in order for the requirements of Parts 2 to 6 of this Schedule to be met in relation to the scheme.
- (9) A return is not required for any tax year following that in which the termination condition is met in relation to the scheme.
- (10) For the purposes of this Part “the termination condition” is met in relation to a scheme when—
- (a) all share options granted under the scheme—
 - (i) have been exercised, or
 - (ii) are no longer capable of being exercised in accordance with the scheme (because, for example, they have lapsed or been cancelled), and
 - (b) no more share options will be granted under the scheme.
- (11) If the scheme organiser becomes aware that—
- (a) anything which should have been included in, or should have accompanied, a return for a tax year was not included in, or did not accompany, the return,
 - (b) anything which should not have been included in, or should not have accompanied, a return for a tax year was included in, or accompanied, the return, or
 - (c) any other error or inaccuracy has occurred in relation to a return for a tax year,
- the scheme organiser must give an amended return correcting the position to HMRC without delay.
- 28C (1) This paragraph applies if the scheme organiser fails to give a return for a tax year (containing, or accompanied by, all required information and declarations) on or before the date mentioned in paragraph 28B(4)(b) (“the date for delivery”).
- (2) The scheme organiser is liable for a penalty of £100.
 - (3) If the scheme organiser's failure continues after the end of the period of 3 months beginning with the date for delivery, the scheme organiser is liable for a further penalty of £300.
 - (4) If the scheme organiser's failure continues after the end of the period of 6 months beginning with the date for delivery, the scheme organiser is liable for a further penalty of £300.
 - (5) The scheme organiser is liable for a further penalty under this sub-paragraph if—
 - (a) the scheme organiser's failure continues after the end of the period of 9 months beginning with the date for delivery,
 - (b) HMRC decide that such a penalty should be payable, and
 - (c) HMRC give notice to the scheme organiser specifying the period in respect of which the penalty is payable.

(The scheme organiser may be liable for more than one penalty under this sub-paragraph.)

- (7) The period specified in the notice under sub-paragraph (5)(c)—
 - (a) may begin earlier than the date on which the notice is given, but
 - (b) may not begin until after the end of the period mentioned in sub-paragraph (5)(a) or, if relevant, the end of any period specified in any previous notice under sub-paragraph (5)(c) given in relation to the failure.
- (8) Liability for a penalty under this paragraph does not arise if the scheme organiser satisfies HMRC (or, on an appeal under paragraph 28K, the tribunal) that there is a reasonable excuse for its failure.
- (9) For the purposes of sub-paragraph (8)—
 - (a) an insufficiency of funds is not a reasonable excuse, unless attributable to events outside the scheme organiser's control,
 - (b) where the scheme organiser relies on any other person to do anything, that is not a reasonable excuse unless the scheme organiser took reasonable care to avoid the failure, and
 - (c) where the scheme organiser had a reasonable excuse for the failure but the excuse ceased, the scheme organiser is to be treated as having continued to have the excuse if the failure is remedied without unreasonable delay after the excuse ceased.

Notices and returns to be given electronically etc

- 28D(1) A notice under paragraph 28A, and any information accompanying the notice, must be given electronically.
- (2) A return under paragraph 28B, and any information accompanying the return, must be given electronically.
 - (3) But, if HMRC consider it appropriate to do so, HMRC may allow the scheme organiser to give a notice or return or any accompanying information in another way; and, if HMRC do so, the notice, return or information must be given in that other way.
 - (4) The Commissioners for Her Majesty's Revenue and Customs—
 - (a) must prescribe how notices, returns and accompanying information are to be given electronically;
 - (b) may make different provision for different cases or circumstances.
- 28E (1) This paragraph applies if a return under paragraph 28B, or any information accompanying such a return—

 - (i) paragraph 28H is to apply,
 - (ii) paragraph 28I is to apply, or
 - (iii) neither paragraph 28H nor paragraph 28I is to apply.

Form and amount of relief

257JA(1) If an individual—

- (a) is eligible for SI relief in respect of any amount, and
- (b) makes a claim in respect of all or some of the amount,

This is subject to the provisions of this Part.

- (4) If an individual—
 - (a) is eligible for and claims SI relief in respect of an amount, and

- (5) The amount of the first receipt to which section 257Q(1) applies is treated as increased by the total amount of any earlier insignificant receipts.
- (6) In subsection (3)—
 - (a) the reference to the investor includes any person who at any time in the longer applicable period is an associate of the investor (whether or not an associate at the material time), and
 - (b) the reference to the social enterprise includes any person who at any time in the longer applicable period is connected with the social enterprise (whether or not connected at the material time).

Value received where there is more than one issue of investments

257Q(1) Subsection (3) applies if—

- (a) a time in the longer applicable period when the investor receives value from the social enterprise is within the period that for the purposes of this Part is the longer applicable period in relation to another investment in the social enterprise, and
 - (b) that other investment is one for which the investor has SI relief.
- (2) That other investment is an “overlapping investment” for the purposes of subsection (3).
 - (3) Section 257Q(2) has effect in relation to the investment as if the amount V were reduced by multiplying it by—

$$\frac{I}{T}$$

where—

I is the amount on which the investor has SI relief in the case of the investment, and

T is the total of that amount and the corresponding amount for each overlapping investment.

Value received where part of investment treated as made in previous tax year

257Q(1) Subsection (2) applies if—

- (a) section 257Q(1) applies to a receipt, and
 - (b) section 257JA(1) and (2) apply as if part of the amount invested had been invested in a previous tax year.
- (2) The calculation under section 257Q(2) in relation to that receipt is to be made as follows—

Step 1 Apportion the amount referred to as “V” between the tax year in which the investment was made and the preceding tax year by multiplying that amount by—

$$\frac{A}{B}$$

where—

A is the part of the amount invested on which the investor obtains SI relief for the tax year in question, and

B is the sum of—

- (a) that part, and
- (b) the part of the amount invested on which the investor obtains SI relief for the other tax year.

Step 2 In relation to each of the amounts (“V1” and “V2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if separate investments had been made in those tax years. In calculating amounts X1 and X2, apply section 257QD if appropriate but do not apply section 257QB.

Step 3 Add amounts X1 and X2 together. The result is the required amount.

Cases where maximum SI relief not obtained

257QD) If the investor's liability to income tax is reduced for any tax year in respect of the investment and—

- (a) the amount of the reduction (“A”), is less than
- (b) the amount (“B”) which is equal to income tax at the SI rate for that tax year on the amount on which the investor has SI relief in the case of the investment,

section 257Q(2) has effect in relation to any value received as if the amount referred to as “V” were reduced by multiplying it by—

$$\frac{A}{B}$$

- (2) If the amount of SI relief attributable to the investment has been reduced before the SI relief was obtained, the amount referred to in subsection (1) as “A” is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.
- (3) Subsection (2) does not apply to a reduction of SI relief as a result of section 257N(5) (attribution of SI relief where there is a corresponding issue of bonus shares).

When value is received

257QE) This section applies for the purposes of sections 257Q and 257QB.

- (2) The investor receives value from the social enterprise at any time when the social enterprise—

 - (b) repays, in pursuance of any arrangements for or in connection with the making of the investment, any debt owed to the investor other than a debt which was incurred by the social enterprise—
 - (i) on or after the investment date, and
 - (ii) otherwise than in consideration of the extinguishment of a debt incurred before that date,
 - (c) makes to the investor any payment for giving up on its extinguishment the investor's right to any debt, other than—

 - (f) provides a benefit or facility for the investor by providing, at a price less than the arm's-length price or free of charge, goods or services for whose provision the social enterprise ordinarily makes a charge,
 - (g) otherwise provides any benefit or facility for the investor,
 - (h) transfers an asset to the investor for no consideration or for consideration less than its market value or acquires an asset from the investor for consideration greater than its market value, or
 - (i) makes to the investor any other payment except—
 - (i) a payment of a kind mentioned in section 257LF(5), or
 - (ii) a payment in discharge of an ordinary trade debt.
- (3) For the purposes of subsection (2)(d), the social enterprise is treated as having released or waived a liability if the liability is not discharged within 12 months of the time when it ought to have been discharged.
- (4) For the purposes of subsection (2)(e), each of the following is treated as a loan made by the social enterprise to the investor—
- (a) the amount of any debt, other than an ordinary trade debt, incurred by the investor to the social enterprise, and
 - (b) the amount of any debt due from the investor to a third party which has been assigned to the social enterprise.

- (a) in respect of ordinary shares, or qualifying debt investments, held by the investor any payment or asset is received in a winding-up or dissolution of the social enterprise, and
 - (b) the winding-up or dissolution is for genuine commercial reasons, and is not part of any arrangements the main purpose or one of the main purposes of which is the avoidance of tax.
- (6) The investor also receives value from the social enterprise if—
- (a) a person—
 - (i) purchases any investments in the social enterprise which belong to the investor, or
 - (ii) makes any payment to the investor for giving up any right in relation to any investments in the social enterprise, and
 - (b) that person is an individual in relation to whom not all of the requirements in sections 257LF and 257LG would be met if references in those sections to the investor were read as references to that person.
- (7) If, because of the investor's disposal of investments in the social enterprise, any SI relief attributable to those investments is withdrawn or reduced under section 257R, the investor is not to be treated as receiving value from the social enterprise in respect of the disposal.
- (8) If the investor is a director of the social enterprise, the investor is not to be treated as receiving value from the social enterprise merely because of the payment to the investor of reasonable remuneration (including any benefit or facility) for any services rendered to the social enterprise as a director or employee.
- (9) In this section “ordinary trade debt” means any debt for goods or services supplied in the ordinary course of a trade or business if any credit given—
- (a) is for not more than 6 months, and
 - (b) is not for longer than that normally given to customers of the person carrying on the trade or business.

The amount of value received

257QF In a case falling within a provision listed in column 1 of the following table, the amount of value received for the purposes of sections 257Q and 257QB is given by the corresponding entry in column 2 of the table.

the social enterprise (whether or not that person is so connected at the material time).

Receipt of replacement value

257QH) If—

- (a) any SI relief attributable to the investment would, in the absence of this section, be reduced or withdrawn under section 257Q because of a receipt of value within section 257QE(2) or (6) (“the original value”),
- (b) the original supplier receives value (“the replacement value”) from the original recipient and the receipt is a qualifying receipt, and
- (c) the amount of the replacement value is at least the amount of the original value,

section 257Q does not, because of the receipt of the original value, have effect to withdraw or reduce the SI relief.

This is subject to section 257QI(1) and (2).

(2) For the purposes of this section—

“the original recipient” means the person who receives the original value, and

“the original supplier” means the person from whom that value was received.

(3) If the amount of the original value is, by virtue of section 257QB, treated as reduced for the purposes of section 257Q(2) as it applies in relation to the investment, the reference in subsection (1)(c) to the amount of the original value is to be read as a reference to the amount of that value ignoring the reduction.

(4) A receipt of the replacement value is a qualifying receipt for the purposes of subsection (1) if it arises—

- (a) because of the original recipient doing one or more of the following—
 - (i) making a payment to the original supplier, other than a payment within paragraph (c) or a payment to which subsection (5) applies,
 - (ii) acquiring any asset from the original supplier for a consideration the amount or value of which is more than the market value of the asset, and
 - (iii) disposing of any asset to the original supplier for no consideration or for a consideration the amount or value of which is less than the market value of the asset,
- (b) if the receipt of the original value was within section 257QE(2)(d), because of an event the effect of which is to reverse the event which constituted the receipt of the original value, or
- (c) if the receipt of the original value was within section 257QE(6), because of the original recipient repurchasing the investments in question, or (as the case may be) re-acquiring the right in question, for a consideration the amount or value of which is at least the amount of the original value.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. - (5) This subsection applies to—

 - (i) the original supplier, or
 - (ii) any other person who at any time in the longer applicable period is an associate of, or is connected with, the original supplier (whether or not the person is such an associate, or is so connected, at the material time),which is reasonable in relation to the market value of those goods, services or facilities,
 - (b) any payment of any interest which represents no more than a reasonable commercial return on any money lent to—
 - (i) the original recipient, or
 - (ii) any other person who at any time in the longer applicable period is an associate of the original recipient (whether or not the person is such an associate at the material time),
 - (c) any payment for the acquisition of an asset which does not exceed its market value,
 - (d) any payment, as rent for any property occupied by—
 - (i) the original recipient, or
 - (ii) any person who at any time in the longer applicable period is an associate of the original recipient (whether or not the person is such an associate at the material time),of an amount not exceeding a reasonable and commercial rent for the property,
 - (e) any payment in discharge of an ordinary trade debt, and
 - (f) any payment for shares in or securities of any company in circumstances that do not fall within subsection (4)(a)(ii).
- (6) For the purposes of this section, the amount of the replacement value is—
- (a) in a case within paragraph (a) of subsection (4), the sum of—
 - (i) the amount of any payment within sub-paragraph (i) of that paragraph, and
 - (ii) the difference between the market value of any asset to which sub-paragraph (ii) or (iii) of that paragraph applies and the amount or value of the consideration (if any) received for it,
 - (b) in a case within subsection (4)(b), the same as the amount of the original value, and
 - (c) in a case within subsection (4)(c), the amount or value of the consideration received by the original supplier.

Section 257QF applies for the purpose of determining the amount of the original value.

- (7) In this section—
- (a) any reference to a payment to a person (however expressed) includes a reference to a payment made to the person indirectly or to the person's order or for the person's benefit, and
 - (b) “ordinary trade debt” has the meaning given by section 257QE(9).

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Section 257QH: supplementary

257Q(1) The receipt of the replacement value by the original supplier is ignored for the purposes of section 257QH(1) to the extent to which it has previously been set under section 257QH against a receipt of value to prevent any reduction or withdrawal of SI relief under section 257Q.

- (2) The receipt of the replacement value by the original supplier (“the event”) is ignored for the purposes of section 257QH if—
- (a) the event occurs before the longer applicable period,
 - (b) where the event occurs after the time the original recipient receives the original value, it does not occur as soon after that time as is reasonably practicable in the circumstances, or
 - (c) where an appeal has been brought by the investor against an assessment to withdraw or reduce any SI relief attributable to the investment because of the receipt of the original value, the event occurs more than 60 days after the day on which the amount of the relief which falls to be withdrawn has been finally determined.

But nothing in section 257QH or this section requires the replacement value to be received after the original value.

- (3) This subsection applies if—
- (a) the receipt of the replacement value by the original supplier is a qualifying receipt for the purposes of section 257QH(1), and
 - (b) in consequence of the receipt, any receipts of value are ignored for the purposes of section 257Q as that section applies in relation to the investment or any other investments made by the investor, and
 - (c) the event which gives rise to the receipt is (or includes) the making of an investment by—
 - (i) the investor, or
 - (ii) any person who at any time in the longer applicable period is an associate of the investor (whether or not the person is such an associate at the material time).
- (4) If subsection (3) applies, the person who makes the investment concerned is not to be eligible for SI relief in relation to the investment concerned or any other investments in the same issue.
- (5) In this section “the original recipient”, “the original supplier” and “replacement value” have the same meaning as in section 257QH.

Repayments etc of investments to other persons

Repayments etc of share capital to other persons

257Q(1) This section applies if any SI relief is attributable to the whole or any part of the investment and, at any time in the longer applicable period, the social enterprise or any subsidiary—

- (a) repays, redeems or repurchases any of its share capital which belongs to any member other than—

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (i) the investor, or
 - (ii) a person who falls within subsection (5), or
 - (b) makes any payment to any such member for giving up the member's right to any of the share capital of the social enterprise or subsidiary on its cancellation or extinguishment.
- (2) The SI relief must—
- (a) if it is greater than the amount given by the formula set out in subsection (3), be reduced by that amount, and
 - (b) in any other case, be withdrawn.
- (3) The formula is—

$$A \times R$$

where—

A is the amount received by the member, and

R is the SI rate for the tax year for which the SI relief was given.

- (4) This section is subject to sections 257QK to 257QP; and sections 257QL to 257QO are to be applied in the order in which they appear in this Part.
- (5) A person falls within this subsection if the repayment causes any SI relief attributable to that person's shares in the social enterprise to be withdrawn or reduced by virtue of—
- (a) section 257QE(2)(a) (receipt of value by virtue of repayment of investments etc), or
 - (b) section 257R (disposal of whole or part of the investment).
- (6) A repayment is treated as having the effect mentioned in subsection (5)(a) if it would have that effect were it not an insignificant receipt; and here “insignificant receipt” is to be read in accordance with section 257QA(1).
- (7) A repayment is to be ignored, for the purposes of this section, to the extent to which SI relief attributable to any shares has already been withdrawn or reduced on its account.
- (8) In this section and sections 257QK to 257QP—
- (a) “repayment” means a repayment, redemption, repurchase or payment mentioned in subsection (1)(a) or (b), and
 - (b) references to a subsidiary of the social enterprise are references to a company which at any time in the longer applicable period is a 51% subsidiary of the social enterprise (whether or not it is such a subsidiary at the time of the repayment).

Insignificant payments ignored for the purposes of section 257QJ

- 257QK) A repayment is ignored for the purposes of section 257QJ if both—
- (a) the market value of the shares to which it relates (“the target shares”) immediately before the event occurs, and
 - (b) the amount received by the member in question,

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

are insignificant in relation to the market value of the remaining issued share capital of the social enterprise, or (as the case may be) the subsidiary, immediately after the event occurs.

This is subject to subsection (3).

- (2) For the purposes of subsection (1) it is to be assumed that the target shares are cancelled at the time the repayment is made.
- (3) Subsection (1) does not apply if repayment arrangements are in existence at any time in the period—
 - (a) beginning 12 months before the investment date, and
 - (b) ending at the end of the investment date.
- (4) For this purpose “repayment arrangements” means arrangements which provide—
 - (a) for a repayment by the social enterprise or any subsidiary of the social enterprise (whether or not it is such a subsidiary at the time the arrangements are made), or
 - (b) for anyone to be entitled to such a repayment,
 at any time in the longer applicable period.

Amount of repayments etc if there is more than one issue of shares

- 257Q(1) This section applies if, in relation to the same repayment, section 257QJ(2) applies to SI relief attributable to two or more issues of shares.
- (2) Section 257QJ(3) has effect in relation to the shares included in each of those issues as if the amount referred to as A were reduced by multiplying it by the fraction—

$$\frac{I}{T}$$

where—

I is the amount on which SI relief was obtained by individuals in respect of shares which are included in the issue and to which SI relief is or, but for section 257QJ(2)(b), would be attributable, and

T is the total of that amount and the corresponding amount or amounts in respect of the other issue or issues.

Single issue affecting more than one individual

- 257QM(1) This section applies if, in relation to the same repayment, section 257QJ(2) applies to SI relief attributable to shares held by two or more individuals.
- (2) Section 257QJ(3) has effect in relation to each individual as if the amount referred to as A were reduced by multiplying it by the fraction—

$$\frac{I}{T}$$

where—

I is the amount on which the individual obtains SI relief in respect of the shares to which SI relief is or, but for section 257QJ(2)(b), would be attributable, and

T is the total of that amount and the corresponding amount or amounts on which the other individual or individuals obtain SI relief in respect of such shares.

Single issue treated as made partly in previous tax year

257QN) This section applies if—

- (a) section 257QJ(2) applies to SI relief attributable to shares held by an individual, and
 - (b) part of the issue of shares has been treated as issued to the individual in a previous tax year for the purposes of section 257JA(1) and (2).
- (2) This subsection explains how the calculation under section 257QJ(3) is to be made.

Step 1 Apportion the amount referred to as A between the tax year in which the shares were issued and the previous tax year by multiplying that amount by the fraction—

$$\frac{I}{T}$$

where—

I is the amount on which the individual obtains SI relief in respect of the shares treated as issued in the tax year in question, and

T is the total of that amount and the corresponding amount in respect of the shares treated as issued in the other tax year.

Step 2 In relation to each of the amounts (“A1” and “A2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if there were separate issues of shares in those tax years. In calculating amounts X1 and X2, apply section 257QO if appropriate but do not apply section 257QL or 257QM.

Step 3 Add amounts X1 and X2 together. The result is the required amount.

Maximum relief not obtained for share issue

257QQ) This section applies if section 257QJ(2) applies to SI relief attributable to shares held by the investor and—

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

- (a) the amount of the reduction (“D”) in the investor's liability to income tax for any tax year in respect of the shares, is less than
- (b) the amount given by—

$$I \times R$$

where—

I is the amount on which the investor claims SI relief in respect of the investment, and

R is the SI rate for the tax year for which the SI relief was given.

- (2) Section 257QJ(3) has effect as if the amount referred to as A were reduced by multiplying it by the fraction—

$$\frac{D}{I \times R}$$

- (3) If the amount of SI relief attributable to any of the shares has been reduced before the SI relief was obtained, the amount referred to in subsections (1) and (2) as D is to be treated for the purposes of those subsections as the amount it would have been without that reduction.
- (4) Subsection (3) does not apply to a reduction of SI relief by virtue of section 257N(5) (attribution of SI relief where there is a corresponding issue of bonus shares).

Repayment of authorised minimum within 12 months

257Q(P) This section applies if—

- (a) a company issues share capital (“the original shares”) of nominal value equal to the authorised minimum (within the meaning of the Companies Act 2006) for the purposes of complying with section 761 of that Act (public company: requirement as to minimum share capital), and
 - (b) the registrar of companies issues the company with a certificate under that section.
- (2) Section 257QJ(2) does not apply in relation to any redemption of the original shares within 12 months of the date on which they were issued.

 - (b) is in receipt of, or entitled to receive, remuneration as such a director falling within section 257LF(5)(g) (reasonable remuneration for services),

then, in determining whether any SI relief attributable to the investment is to be withdrawn, the reference in subsection (2)(b) to any time in the longer applicable period is to be read as a reference to any time before the end of the longer applicable period.

- (4) Section 257LF(8) (director also an employee) applies for the purposes of subsection (3) as it applies for the purposes of section 257LF, and in subsection (3) “remuneration” includes any benefit or facility.

Relief subsequently found not to have been due

257QS1) Any SI relief obtained by the investor which is subsequently found not to have been due must be withdrawn.

- (2) SI relief obtained by the investor in respect of the investment may not be withdrawn on the ground that the requirements of Chapter 4 are not met unless the requirements of subsection (3) are met.

Disposals

Disposal of whole or part of the investment

257R(1) This section applies if—

- (a) the investor disposes of the whole or part of the investment,
 - (b) the disposal takes place before the shorter applicable period ends,
 - (c) SI relief is attributable to the shares, or qualifying debt investments, disposed of,
 - (d) the disposal is not to an individual who—
 - (i) is the spouse, or civil partner, of the investor, and
 - (ii) is living together with the investor at the time of the disposal, and
 - (e) the disposal does not occur as a result of the investor's death.
- (2) If the disposal is not made by way of a bargain at arm's length, the SI relief attributable to those shares, or qualifying debt investments, must be withdrawn.
- (3) If the disposal is made by way of a bargain at arm's length, the SI relief attributable to those shares or qualifying debt investments must—
- (a) if it is greater than the amount given by the formula set out in subsection (4), be reduced by that amount, and
 - (b) in any other case, be withdrawn.
- (4) The formula is—

$$C \times R$$

where—

C is the amount or value of the consideration received by the investor for the shares or qualifying debt investments, and

R is the SI rate for the tax year for which the SI relief was given.

Cases where maximum relief not obtained

257R(1) Subsection (2) applies if the investor's liability to income tax for any tax year is reduced under this Part in respect of the investment and—

R is the SI rate for that tax year.

- (2) Section 257R(3) and (4) have effect as if the amount or value referred to as C were reduced by multiplying it by the fraction—

$$\frac{D}{A \times R}$$

- (3) If section 257JA(1) and (2) apply in the case of the investment as if part of it had been made in a previous tax year, subsections (1) and (2) of this section have effect as if that part and the remainder had been invested by separate investments (and that part had been invested by an investment made on a day in the previous tax year).
- (4) If the amount of SI relief attributable to the investment or any part of it has been reduced before SI relief was obtained, the amount referred to in subsections (1) and (2) as D is to be treated for the purposes of those subsections as the amount that it would have been without that reduction.
- (5) Subsection (4) does not apply to a reduction of SI relief by virtue of section 257N(5) (attribution of SI relief if there is a corresponding issue of bonus shares).

Call options

- 257R(1) This section applies if the investor grants an option which, if exercised, would bind the investor to sell the whole or part of investment.
- (2) The grant of the option is treated for the purposes of section 257R as a disposal—
- (a) of the investment, or
 - (b) (as the case may be) of the part of the investment to which the option relates.
- (3) Nothing in this section prejudices section 257LB (no pre-arranged exits).

 - (b) (as the case may be) attributable to the part of the investment to which the option relates,
- must be withdrawn.
- (3) For the purposes of subsection (2)(b), the part of the investment to which an option relates is the part which, if—

Appeals against section 257QS(3)(b) notices

257SA For the purposes of the provisions of TMA 1970 relating to appeals, the giving of notice by an officer of Revenue and Customs under section 257QS(3)(b) is taken to be a decision disallowing a claim by the social enterprise.

 - (b) has given or received value within the meaning of section 257QE(2) or (6) which, but for the fact that the amount given or received was an insignificant receipt, would have triggered a requirement to give such a notice, or
 - (c) has made or received any repayment within the meaning given by section 257QJ(8) which, but for the fact that it falls to be ignored for the purposes of section 257QJ by virtue of section 257QK(1), would have triggered a requirement to give a notice under section 257SF.

SCHEDULE 15

Section 70

SUPPLEMENTARY CHARGE: ONSHORE ALLOWANCE

PART 1

AMENDMENTS OF PART 8 OF CTA 2010

1 Part 8 of CTA 2010 (oil activities) is amended as follows.

Onshore allowance

2 Section 357 (other definitions) is renumbered as section 356AA.

3 After Chapter 7 insert—

“CHAPTER 8

SUPPLEMENTARY CHARGE: ONSHORE ALLOWANCE

*Introduction***Overview**

356B This Chapter sets out how relief for certain capital expenditure incurred for the purposes of onshore oil-related activities is given by way of reduction of a company's adjusted ring fence profits, and includes provision about—

- (a) the need for allowance held for a site to be activated by relevant income from the same site in order for the allowance to be available for reducing adjusted ring fence profits,
- (b) elections by a company to transfer allowance between different sites in which it is a licensee (see section 356F), and
- (c) mandatory transfers of allowance where shares in the equity in a licensed area are disposed of (see sections 356H to 356HB and the related provisions in sections 356G to 356GD).

“Onshore oil-related activities”

356B(1) In this Chapter “onshore oil-related activities” means activities of a company which are carried on onshore and—

- (a) fall within any of subsections (1) to (4) of section 356BB, or
 - (b) consist of the acquisition, enjoyment or exploitation of oil rights.
- (2) Activities of a company are carried on “onshore” if they are authorised—
- (a) under a landward licence under Part 1 of the Petroleum Act 1998 or the Petroleum (Production) Act 1934, or
 - (b) under a licence under the Petroleum (Production) Act (Northern Ireland) 1964.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) In subsection (2)(a) “landward licence” means a licence in respect of an area which falls within the definition of “landward area” in the regulations pursuant to which the licence was applied for.

The activities

356B(1) Activities of a company in searching for oil or causing such searching to be carried out for the company.

- (2) Activities of a company in extracting oil, or causing oil to be extracted for it, under rights which—

- (a) authorise the extraction, and
- (b) are held by it or by a company associated with it.

- (3) Activities of a company in transporting, or causing to be transported for it, oil extracted under rights which—

- (a) authorise the extraction, and
- (b) are held as mentioned in subsection (2)(b),

but only if the transportation meets the condition in subsection (5).

- (4) Activities of the company in effecting, or causing to be effected for it, the initial treatment or initial storage of oil won from any site under rights which—

- (a) authorise its extraction, and
- (b) are held as mentioned in subsection (2)(b).

- (5) The condition mentioned in subsection (3) is that the transportation is to a place at which the seller in a sale at arm's length could reasonably be expected to deliver it (or, if there is more than one such place, the one nearest to the place of extraction).

- (6) In this section “initial storage”—

- (a) means, in relation to oil won from a site, the storage of a quantity of oil won from the site not exceeding 10 times the relevant share of the maximum daily production rate of oil for the site as planned or achieved (whichever is greater), but
- (b) does not include the matters excluded by paragraphs (a) to (c) of the definition of “initial storage” in section 12(1) of OTA 1975;

and in this subsection “the relevant share” means a share proportionate to the company's share of oil won from the site concerned.

- (7) In this section “initial treatment” has the meaning given by section 12(1) of OTA 1975; but for this purpose that definition is to be read as if the references in it to an oil field were to a site.

“Site”

356BC In this Chapter “site” (except in the expression “drilling and extraction site”) means—

- (a) a drilling and extraction site that is not used in connection with any oil field, or

- (b) an oil field (whether or not one or more drilling and extraction sites are used in connection with it).

Onshore allowance

Generation of onshore allowance

356(1) Subsection (2) applies where a company incurs any relievable capital expenditure in relation to a qualifying site.

- (2) The company is to hold an amount of allowance equal to 75% of the amount of the expenditure.
- (3) “Qualifying site” means a site whose development (in whole or in part) is authorised for the first time on or after 5 December 2013.
- (4) Capital expenditure incurred by a company is “relievable” only if, and so far as—
 - (a) it is incurred for the purposes of onshore oil-related activities (see section 356BA), and
 - (b) neither of the disqualifying conditions is met at the beginning of the day on which the expenditure is incurred (see section 356CA).
- (5) Allowance held under this Chapter is called “onshore allowance”.
- (6) Onshore allowance is said in this Chapter to be “generated” at the time when the capital expenditure is incurred (see section 356JA).
- (7) Onshore allowance is referred to in this Chapter as being generated—
 - (a) “by” the company concerned,
 - (b) “at” the site concerned.
- (8) Where capital expenditure is incurred only partly for the purposes of onshore oil-related activities, or the onshore oil-related activities for the purposes of which capital expenditure is incurred are carried on only partly in relation to a particular site, the expenditure is to be attributed to the site concerned on a just and reasonable basis.
- (9) In this section, references to authorisation of development of a site—
 - (a) in the case of a site which is an oil field, are to be read in accordance with section 351;
 - (b) in the case of a drilling and extraction site, are to be read in accordance with section 356J.

Disqualifying conditions for section 356C(4)(b)

- 356C(1) The first disqualifying condition is that production from the site is expected to exceed 7,000,000 tonnes.
- (2) The second disqualifying condition is that production from the site has exceeded 7,000,000 tonnes.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For the purposes of this section 1,100 cubic metres of gas at a temperature of 15 degrees celsius and pressure of one atmosphere is to be counted as equivalent to one tonne.

Expenditure not related to an established site

356C~~B~~) A company may make an election under this section in relation to capital expenditure incurred by it for the purposes of onshore oil-related activities if the appropriate condition is met.

- (2) The appropriate condition is that at the time of the election no site can be identified as a site in relation to which the expenditure has been incurred.
- (3) An election may not be made before the beginning of the third accounting period of the company after that in which the expenditure is incurred.
- (4) An election must specify—
- (a) the expenditure in question,
 - (b) a site (“the specified site”) every part of which is, or is part of, an area in which the company is a licensee, and
 - (c) an accounting period of the company (“the specified accounting period”).
- (5) The specified accounting period must not be earlier than the accounting period in which the election is made.
- (6) Where a company makes an election under this section in relation to an amount of expenditure, that amount is treated for the purposes of this Chapter as incurred by the company—
- (a) in relation to the specified site, and
 - (b) at the beginning of the specified accounting period.

Reduction of adjusted ring fence profits

Reduction of adjusted ring fence profits

356D~~I~~) A company's adjusted ring fence profits for an accounting period are to be reduced by the cumulative total amount of activated allowance for the accounting period (but are not to be reduced below zero).

- (2) In relation to a company and an accounting period, the “cumulative total amount of activated allowance” is—

$$A + C$$

where—

A is the total of any amounts of activated allowance the company has, for any sites, for the accounting period (see section 356E(2)) or for reference periods within the accounting period (see section 356GB(1)), and

C is any amount carried forward to the period under section 356DA.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Carrying forward of activated allowance

356D(A) This section applies where, in the case of a company and an accounting period—

- (a) the cumulative total amount of activated allowance (see section 356D(2)), is greater than
- (b) the adjusted ring fence profits.

(2) The difference is carried forward to the next accounting period.

Companies with both field allowances and onshore allowance

356D(B) This section applies where a company's adjusted ring fence profits for an accounting period are reducible both—

- (a) under section 333(1) (by the amount of the company's pool of field allowances for the period), and
- (b) under section 356D(1) (by the cumulative total amount of activated allowance for the period).

(2) The company may choose the order in which the different allowances are to be used.

(3) If the company chooses to apply section 333(1) first, then—

- (a) Chapter 7 and this Chapter are to be ignored in calculating the “adjusted ring fence profits” in accordance with section 356AA, and
- (b) if section 356D(1) is also applied: this Chapter, but not Chapter 7, is to be ignored in calculating the adjusted ring fence profits in accordance with section 356JB.

(4) If the company chooses to apply section 356D(1) first, then—

- (a) this Chapter and Chapter 7 are to be ignored in calculating the adjusted ring fence profits in accordance with section 356JB, and
- (b) if section 333(1) is also applied: Chapter 7, but not this Chapter, is to be ignored in calculating the “adjusted ring fence profits” in accordance with section 356AA.

Activated and unactivated allowance: basic calculation rules

Activation of allowance: no change of equity share

356(E) This section applies where—

- (a) a company is a licensee in a licensed area for the whole or part (“the licensed part”) of an accounting period,
- (b) the company's share of the equity in the site is the same throughout the accounting period or, as the case requires, throughout the licensed part of the accounting period,
- (c) the licensed area is or contains a site,
- (d) the company holds, for the accounting period and the site, a closing balance of unactivated allowance (see section 356EA) that is greater than zero, and

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (e) the company has relevant income from the site for the accounting period.
- (2) The amount of activated allowance the company has for that accounting period and that site is the smaller of—
 - (a) the closing balance of unactivated allowance held for the accounting period and the site;
 - (b) the company's relevant income for that accounting period from that site.
- (3) In this Chapter “relevant income”, in relation to a site and an accounting period of a company, means production income of the company from any oil extraction activities carried on at the site that is taken into account in calculating the company's adjusted ring fence profits for the accounting period.

The closing balance of unactivated allowance for an accounting period

356EA The closing balance of unactivated allowance held by a company for an accounting period and a site is—

Carrying forward of unactivated allowance

356EB) This section applies where X is greater than Y in the case of an accounting period of a company and a site, where—

X is the closing balance of unactivated allowance for the accounting period and the site;

Y is the company's relevant income for the accounting period from that site.

- (2) An amount equal to the difference between X and Y is treated as onshore allowance held by the company for that site for the next accounting period (and is treated as held with effect from the beginning of that period).

Transfer of allowances between sites

Transfer of allowances between sites

356F) This section applies if a company has, with respect to a site, an amount (“N”) of onshore allowance available to carry forward to an accounting period—

- (a) under section 356EB(2), or
 - (b) by virtue of section 356GC(3).
- (2) The company may elect to transfer the whole or part of that amount to another site (“site B”), if the appropriate conditions are met.
 - (3) The appropriate conditions are that—
 - (a) every part of site B is, or is part of, an area in which the company is a licensee, and
 - (b) the election is made no earlier than the beginning of the third accounting period of the company after that in which the allowance was generated.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) For the purposes of subsection (3)(b), a company may regard an amount of onshore allowance held by it for a site as generated in a particular accounting period if the amount does not exceed—

$$A - T$$

where—

A is the amount of onshore allowance generated in that accounting period for that site;

T is the total amount of onshore allowance generated in that period for that site that has already been transferred under this section.

- (5) An election must specify—
- (a) the amount of onshore allowance to be transferred;
 - (b) the site at which it was generated;
 - (c) the site to which it is transferred;
 - (d) the accounting period in which it was generated.
- (6) Where a company makes an election under subsection (2), then—
- (a) if the company elects to transfer the whole of N, no amount is available to be carried forward under section 356EB(2) or (as the case may be) by virtue of section 356GC(3);
 - (b) if the company elects to transfer only part of N, the amount available to be carried forward as mentioned in subsection (1) is reduced by the amount transferred.
- (7) Where an amount of onshore allowance is transferred to a site as a result of an election, this Chapter has effect as if the allowance is generated at that site at the beginning of the accounting period in which the election is made.

Changes in equity share: activation of allowance

Introduction to sections 356GA to 356GD

356G(1) Sections 356GA to 356GD apply to a company in respect of an accounting period and a licensed area that is or contains a site, if the following conditions are met—

- (a) the company is a licensee in the licensed area for the whole, or for part, of the accounting period;
 - (b) the company has different shares (greater than zero) of the equity in the licensed area at different times during the accounting period.
- (2) In a case where a company has three or more different shares of the equity in a licensed area during a particular day, sections 356GA to 356GD (in particular, provisions relating to the beginning or end of a day) have effect subject to the necessary modifications.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Reference periods

356G(A) For the purposes of sections 356GB to 356GD, the accounting period, or (if the company is not a licensee for the whole of the accounting period) the part or parts of the accounting period for which the company is a licensee, are to be divided into reference periods (each of which “belongs to” the site concerned).

- (2) A reference period is a period of consecutive days that meets the following conditions—
- at the beginning of each day in the period, the company is a licensee in the licensed area;
 - at the beginning of each day in the period, the company's share of the equity in the licensed area is the same;
 - each day in the period falls within the accounting period.

Activation of allowance: reference periods

356G(B) The amount (if any) of activated allowance that a company has with respect to a site for a reference period is the smaller of the following—

- the company's relevant income from the site in the reference period;
- the total amount of unactivated allowance that is attributable to the reference period and the site (see section 356GD).

- (2) The company's relevant income from the site in the reference period is—

$$I \times \frac{R}{L}$$

where—

I is the company's relevant income from the site in the whole of the accounting period;

R is the number of days in the reference period;

L is the number of days in the accounting period for which the company is a licensee in the licensed area concerned.

Carry-forward of unactivated allowance from a reference period

356G(C) If, in the case of a reference period (“RP1”) of a company, the amount mentioned in subsection (1)(b) of section 356GB exceeds the amount mentioned in subsection (1)(a) of that section, an amount equal to the difference between those amounts is treated as onshore allowance held by the company for the site concerned for the next period.

- (2) If RP1 is immediately followed by another reference period of the company (belonging to the same site), “the next period” means that reference period.
- (3) If subsection (2) does not apply, “the next period” means the next accounting period of the company.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Unactivated amounts attributable to a reference period

356G**D**) For the purposes of section 356GB(1)(b), the total amount of unactivated allowance attributable to a reference period and a site is—

$$P + Q - R$$

where—

P is the amount of allowance generated by the company in the reference period at the site (including any amount treated under section 356F(7) or 356HB(1) as generated by the company in that accounting period at that site);

Q is the amount given by subsection (2) or (3);

R is any amount to be deducted under section 356HA(1) in respect of a disposal of the whole or part of the company's share of the equity in a licensed area that is or contains the site.

- (2) Where the reference period is not immediately preceded by another reference period but is preceded by an accounting period of the company, Q is equal to the amount (if any) that is to be carried forward from that preceding accounting period under section 356EB(2).
- (3) Where the reference period is immediately preceded by another reference period, Q is equal to the amount carried forward by virtue of section 356GC(2).

Transfers of allowance on disposal of equity share

Introduction to sections 356HA and 356HB

356H**I**) Sections 356HA and 356HB apply where a company (“the transferor”)—

- (a) disposes of the whole or part of its share of the equity in a licensed area that is or contains a site;

F is the pre-transfer total of unactivated allowance for the reference period that ends with the day on which the disposal is made;

E1 is the transferor's share of the equity in the licensed area immediately before the disposal;

E2 is the transferor's share of the equity in the licensed area immediately after the disposal.

(2) The “pre-transfer total of unactivated allowance” for a reference period is—

$$P + Q$$

where P and Q are the same as in section 356GD.

Acquisition of allowance if equity acquired

356H(1) A transferee is treated as generating at the site concerned, at the beginning of the reference period or accounting period of the transferee that begins with, or because of, the disposal, onshore allowance of the amount given by subsection (2).

(2) The amount is—

$$R \times \frac{E3}{E1 - E2}$$

where—

R is the amount determined for the purposes of the deduction under section 356HA(1);

E3 is the share of equity in the licensed area that the transferee has acquired from the transferor;

E1 and E2 are the same as in section 356HA.

- (4) Section 5 of CAA 2001 (when capital expenditure is incurred) applies for the purposes of this paragraph as for the purposes of that Act.

Option to defer commencement

- 7 (1) This paragraph applies in relation to any oil field whose development (in whole or in part) is authorised for the first time on or after 5 December 2013 but before 1 January 2015.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) At any time before 1 January 2015, the companies that are licensees in the oil field may jointly elect that the law is to have effect in relation to each of those companies as if the date specified in—
- (a) section 352(2)(a) of CTA 2010 (as inserted by paragraph 4(4) of this Schedule),
 - (b) section 356C(3) of CTA 2010 (as inserted by paragraph 3 of this Schedule), and
 - (c) paragraph 6(3),

- 8 (1) Paragraphs 9 and 10 apply where a company has an accounting period (the “straddling accounting period”) that begins before and ends on or after commencement day.
- (2) In paragraphs 9 and 10 “commencement day” means—
- (a) 5 December 2013 (except where paragraph (b) applies);
 - (b) 1 January 2015, in relation to a company that makes an election under paragraph 7.
- (3) Expressions used in paragraph 9 or 10 and in Chapter 8 of Part 8 of CTA 2010 (as inserted by paragraph 3) have the same meaning in the paragraph concerned as in that Chapter.
- 9 (1) The amount (if any) by which the company's adjusted ring fence profits for the straddling accounting period are reduced under section 356D of CTA 2010 (as inserted by paragraph 3) cannot exceed the appropriate proportion of those profits.
- (2) Section 356DA of CTA 2010 (carrying forward of activated allowance) applies in relation to the company and the accounting period as if the reference in subsection (1) (b) of that section to the adjusted ring fence profits were to the appropriate proportion of those profits.
- (3) The “appropriate proportion” of the company's adjusted ring fence profits for the straddling accounting period is—

$$\frac{D}{Y} \times N$$

where—

D is the number of days in the straddling accounting period that fall on or after commencement day;

Y is the number of days in the straddling accounting period;

N is the amount of the company's adjusted ring fence profits for the accounting period.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) If the basis of apportionment in sub-paragraph (3) would work unjustly or unreasonably in the company's case, the company may elect for its adjusted ring fence profits to be apportioned on another basis that is just and reasonable and specified in the election.
- 10 (1) For the purpose of determining the amount of activated allowance the company has with respect to any site—
- (a) for the straddling accounting period (see section 356E of CTA 2010, as inserted by paragraph 3), or
 - (b) for a reference period that is part of the straddling accounting period (see section 356GB of CTA 2010, as so inserted),
- the company's relevant income from the site in the straddling accounting period is taken to be the appropriate proportion of the actual amount of that relevant income.
- (2) Accordingly, in relation to the company, the straddling accounting period and the site in question, section 356EB of CTA 2010 (carrying forward of unactivated allowance) has effect as if Y in subsection (1) of that section were defined as the appropriate proportion of the company's relevant income for the straddling accounting period from that site.
- (3) The “appropriate proportion” of the company's relevant income from a site in the straddling accounting period is—

$$\frac{D}{Y} \times I$$

D is the number of days in the straddling accounting period that fall on or after commencement day;

Y is the number of days in the straddling accounting period;

I is the amount of the company's relevant income from the site in the straddling accounting period.

- (4) If the basis of apportionment in sub-paragraph (3) would work unjustly or unreasonably in the company's case, the company may elect for its adjusted ring fence profits to be apportioned on another basis that is just and reasonable and specified in the election.

356L~~I~~) The definitions in this section have effect for the purposes of this Part.

- (2) “Oil contractor activities” means activities carried on by a company (“the contractor”), which are not oil-related activities (within the meaning of section 274), but are—

 - (b) can be used to—
 - (i) drill for the purposes of searching for, or extracting, oil, or
 - (ii) provide accommodation for individuals who work on or from another structure used in a relevant offshore area for, or in connection with, exploration or exploitation activities (“offshore workers”).
- (3) But an asset is not within subsection (2)(b)(ii) if it is reasonable to suppose that its use to provide accommodation for offshore workers is unlikely to be more than incidental to another use, or other uses, to which the asset is likely to be put.
- (4) In subsection (2)—
- “oil” means any substance capable of being won under the authority of a licence granted under Part 1 of the Petroleum Act 1998 or the Petroleum (Production) Act (Northern Ireland) 1964;

CHAPTER 4

CALCULATION OF PROFITS

Hire of relevant assets

Restriction on hire etc of relevant assets to be brought into account

356N) This section applies if the contractor makes, or is to make, one or more payments under a lease of—

- (a) a relevant asset, or
- (b) part of a relevant asset.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The total amount that may be brought into account in respect of the payments for the purposes of calculating the contractor's ring fence profits in an accounting period is limited to the hire cap.
- (3) The “hire cap” is an amount equal to the relevant percentage of TC for the accounting period, subject to subsection (4).
- (4) If payments in relation to which subsection (2) or section 285A(2) (restriction on hire for company carrying on a ring fence trade under Part 8) applies are also made, or to be made, by one or more other companies in respect of the relevant asset or part, the “hire cap” is to be such proportion of the amount mentioned in subsection (3) as is just and reasonable, having regard (in particular) to the amounts of the payments made, or to be made, by the contractor and each other company.
- (5) Subject to subsection (7), the “relevant percentage” is—

$$\frac{\text{UROS}}{\text{TU}} \times 7.5\%$$

where—

UROS is the number of days in the accounting period that the relevant asset is provided, operated or used in a relevant offshore service, and

TU is the number of days in the accounting period that the relevant asset is provided, operated or used (whether or not in a relevant offshore service).

- (6) Accordingly, the relevant percentage is zero if the relevant asset is not provided, operated or used in the accounting period.
- (7) If the accounting period is less than 12 months, the relevant percentage is to be proportionally reduced.
- (8) TC is—

$$\text{OC} + \text{CE}$$

- (9) Unless subsection (11) applies, OC is the sum of—
 - (a) any consideration given for the acquisition of the relevant asset or part when it was first acquired by an associated person, and
 - (b) any expenses incurred by an associated person in connection with that acquisition (other than the costs of financing the acquisition).This is subject to subsections (12) and (13).
- (10) Subsection (11) applies if the relevant asset or part—
 - (a) is leased by an associated person from a person who is not an associated person, and
 - (b) has never been owned by an associated person.
- (11) OC is the sum of—

- (a) the consideration that it is reasonable to suppose would have been given for the acquisition of the relevant asset or part, if it had been acquired by an associated person by way of a bargain at arm's length at the time it was first leased as mentioned in subsection (10)(a), and
- (b) the expenses (other than the costs of financing the acquisition) that it is reasonable to suppose would have been incurred by an associated person in connection with such an acquisition.

This is subject to subsections (12) and (13).

- (12) If the relevant asset or part was first acquired by an associated person, or (as the case may be) first leased as mentioned in subsection (10)(a), before the beginning of the accounting period, OC does not include any part of the consideration mentioned in subsection (9)(a) or (as the case may be) (11)(a) that it is reasonable to attribute to anything that no longer forms part of the relevant asset or part at the beginning of the accounting period.
- (13) If the relevant asset or part was first acquired by an associated person, or (as the case may be) first leased as mentioned in subsection (10)(a), in the accounting period, OC for the accounting period is—

$$OC \times \frac{D - DBA}{D}$$

where—

D is the total number of days in the accounting period,

DBA is the number of days in the accounting period before the day on which the relevant asset or part was first acquired or first leased, and

OC is the amount given by subsection (9) or (as the case may be) (11).

- (14) CE is capital expenditure on the relevant asset or part (other than capital expenditure in respect of its acquisition or the acquisition of a lease of it) incurred by an associated person—
 - (a) after it was first acquired by an associated person or (as the case may be) was first leased as mentioned in subsection (10)(a), and
 - (b) before the end of the accounting period.

This is subject to subsections (15) and (16).

- (15) CE does not include any capital expenditure mentioned in subsection (14) that is—
 - (a) incurred before the beginning of the accounting period, and
 - (b) not reflected in the state or nature of the relevant asset or part at the beginning of the accounting period.
- (16) If any capital expenditure mentioned in subsection (14) is incurred on a day in the accounting period, the amount of CE for the accounting period in respect of that capital expenditure is—

Restriction on debits to be brought into account

- 356N(B) Debits may not be brought into account for the purposes of Part 5 of CTA 2009 (loan relationships) in respect of the contractor's loan relationships in any way that results in a reduction of what would otherwise be the contractor's ring fence profits, but this is subject to subsections (2) to (4).

SCHEDULE 17

Section 74

PARTNERSHIPS

PART 1

LIMITED LIABILITY PARTNERSHIPS: TREATMENT OF SALARIED MEMBERS

Main provision

- 1 In Part 9 of ITTOIA 2005 (partnerships) after section 863 (limited liability partnerships) insert—

“863A Limited liability partnerships: salaried members

- (1) Subsection (2) applies at any time when conditions A to C in sections 863B to 863D are met in the case of an individual (“M”) who is a member of a limited liability partnership in relation to which section 863(1) applies.
- (2) For the purposes of the Income Tax Acts—
 - (a) M is to be treated as being employed by the limited liability partnership under a contract of service instead of being a member of the partnership, and
 - (b) accordingly, M's rights and duties as a member of the limited liability partnership are to be treated as rights and duties under that contract of service.
- (3) This section needs to be read with section 863G (anti-avoidance).

863B Condition A

- (1) The question of whether condition A is met is to be determined at the following times—
 - (a) if relevant arrangements are in place—
 - (i) at the beginning of the tax year 2014-15, or
 - (ii) if later, when M becomes a member of the limited liability partnership,
 at the time mentioned in sub-paragraph (i) or (ii) (as the case may be);
 - (b) at any subsequent time when relevant arrangements are put in place or modified;
 - (c) where—
 - (i) the question has previously been determined, and
 - (ii) the relevant arrangements which were in place at the time of the previous determination do not end, and are not modified, by the end of the period which was the relevant period for the purposes of the previous determination (see step 1 in subsection (3)),
 immediately after the end of that period.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(2) “Relevant arrangements” means arrangements under which amounts are to be, or may be, payable by the limited liability partnership in respect of M’s performance of services for the partnership in M’s capacity as a member of the partnership.

(3) Take the following steps to determine whether condition A is met at a time (“the relevant time”).

Step 1 Identify the relevant period by reference to the relevant arrangements which are in place at the relevant time. “The relevant period” means the period—

- (a) beginning with the relevant time, and
- (b) ending at the time when, as at the relevant time, it is reasonable to expect that the relevant arrangements will end or be modified.

Step 2 Condition A is met if, at the relevant time, it is reasonable to expect that at least 80% of the total amount payable by the limited liability partnership in respect of M’s performance during the relevant period of services for the partnership in M’s capacity as a member of the partnership will be disguised salary. An amount within the total amount is “disguised salary” if it—

- (a) is fixed,
- (b) is variable, but is varied without reference to the overall amount of the profits or losses of the limited liability partnership, or
- (c) is not, in practice, affected by the overall amount of those profits or losses.

(4) If condition A is determined to be met, or not to be met, at a time, the condition is to be treated as met, or as not met, at all subsequent times until the question is required to be re-determined under subsection (1)(b) or (c).

(5) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).

863C Condition B

Condition B is that the mutual rights and duties of the members of the limited liability partnership, and of the partnership and its members, do not give M significant influence over the affairs of the partnership.

863D Condition C

(1) Condition C is that, at the time at which it is being determined whether the condition is met (“the relevant time”), M’s contribution to the limited liability partnership (see sections 863E and 863F) is less than 25% of the amount given by subsection (2) (subject to subsection (7)).

(2) That amount is the total amount of the disguised salary which, at the relevant time, it is reasonable to expect will be payable by the limited liability partnership in respect of M’s performance during the relevant tax year of services for the partnership in M’s capacity as a member of the partnership.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

In this section “the relevant tax year” means the tax year in which the relevant time falls and an amount is “disguised salary” if it falls within any of paragraphs (a) to (c) at step 2 in section 863B(3).

- (3) The question of whether condition C is met is to be determined—
- (a) at the beginning of the tax year 2014-15 or, if later, the time at which M becomes a member of the limited liability partnership;
 - (b) after that, at the beginning of each tax year.
- (4) If in a tax year—
- (a) there is a change in M's contribution to the limited liability partnership, or
 - (b) there is otherwise a change of circumstances which might affect the question of whether condition C is met,
- the question of whether the condition is met is to be re-determined at the time of the change.
- This subsection is subject to section 863F(3).
- (5) If condition C is determined to be met (including by virtue of subsection (7)), or not to be met, at the relevant time, the condition is to be treated as met, or as not met, at all subsequent times until the question is required to be re-determined under subsection (3)(b) or (4).
- (6) Subsection (7) applies if—
- (a) the relevant time coincides with an increase in M's contribution to the limited liability partnership, and
 - (b) apart from subsection (7), that increase would cause condition C not to be met at the relevant time.
- (7) Condition C is to be treated as met at the relevant time unless, at that time, it is reasonable to expect that condition C will not be met for the remainder of the relevant tax year (ignoring this subsection).
- (8) If there are any excluded days in the relevant tax year (see subsections (9) to (11)), in subsection (1) the reference to M's contribution to the limited liability partnership is to be read as a reference to that contribution multiplied by the following fraction—

$$\frac{D - E}{D}$$

where—

D is the number of days in the relevant tax year, and

E is the number of excluded days in the relevant tax year.

- (9) Any day in the relevant tax year—
- (a) which is before the day on which the relevant time falls, and
 - (b) on which M is not a member of the limited liability partnership,
- is an “excluded” day for the purposes of subsection (8).

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (10) If, at the relevant time, it is reasonable to expect that M will not be a member of the limited liability partnership for the remainder of the relevant tax year, any day in the relevant tax year—
- (a) which is after the day on which the relevant time falls, and
 - (b) on which it is reasonable to expect that M will not be a member of the limited liability partnership,
- is an “excluded” day for the purposes of subsection (8).
- (11) If the relevant time coincides with an increase in M's contribution to the limited liability partnership, any day in the relevant tax year—
- (a) which is before the day on which the relevant time falls, and
 - (b) on which condition C is met,
- is an “excluded” day for the purposes of subsection (8).
- (12) In subsections (6) and (11) references to an increase in M's contribution to the limited liability partnership include (in particular)—
- (a) the making of M's first contribution to the capital of the limited liability partnership, and
 - (b) M being treated as having made a contribution by section 863F(2).

863E M's contribution to the limited liability partnership: the basic calculation

- (1) For the purposes of condition C in section 863D M's contribution to the limited liability partnership at a time is amount A.
- (2) Amount A is the total amount which M has contributed to the limited liability partnership as capital less so much of that amount (if any) as is within subsection (6).
- (3) In particular, M's share of any profits of the limited liability partnership is to be included in the amount which M has contributed to the partnership as capital so far as that share has been added to the partnership's capital.
- (4) In subsection (3) the reference to profits is to profits calculated in accordance with generally accepted accounting practice (before any adjustment required or authorised by law in calculating profits for income tax purposes).
- (5) Subsection (3) applies as well for the purpose of construing references to contributions to the capital of the limited liability partnership in sections 863D(12)(a) and 863F.
- (6) An amount of capital is within this subsection if it is an amount which—
- (a) M has previously drawn out or received back,
 - (b) M is or may be entitled to draw out or receive back at any time when M is a member of the limited liability partnership, or
 - (c) M is or may be entitled to require another person to reimburse to M.
- (7) In subsection (6) any reference to drawing out or receiving back an amount is to doing so directly or indirectly.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

863F M's contribution to the limited liability partnership: deemed contributions

- (1) This section applies if—
- (a) by the time mentioned in section 863D(3)(a), M has given an undertaking (whether or not legally enforceable) to make a contribution to the capital of the limited liability partnership but has not made the contribution,
 - (b) the undertaking requires M to make the contribution by the end of—
 - (i) the period of 3 months ending with 5 July 2014, or
 - (ii) if it ends after that date, the period of 2 months beginning with the date on which M becomes a member of the limited liability partnership, and
 - (c) when it is made, the contribution will be included in amount A under section 863E.

In the following subsections “the relevant period” means the period mentioned in paragraph (b)(i) or (ii) (as the case may be).

- (2) For the purpose of determining whether condition C in section 863D is met—
- (a) at the time mentioned in section 863D(3)(a), or
 - (b) at any subsequent time during the relevant period,
- M is to be treated as having made the contribution at the time mentioned in section 863D(3)(a) (so far as M has not (actually) made the contribution at the time at which it is being determined whether condition C is met).
- (3) If M (actually) makes the contribution (in whole or in part) during the relevant period, the question of whether condition C is met is not to be re-determined under section 863D(4) just because of the making of the contribution (in whole or in part).
- (4) If M does not (actually) make the contribution (in whole or in part) by the end of the relevant period, any determination in relation to which subsection (2) applied is to be made again (as at the time at which it was originally made).
- (5) In making a determination again—
- (a) if it is the whole of the contribution which M does not make by the end of the relevant period, subsection (2) is to be ignored;
 - (b) if M makes part of the contribution by the end of the relevant period, in subsection (2) references to the contribution are to be read as references to that part of it.

863G Anti-avoidance

- (1) In determining whether section 863A(2) applies in the case of an individual who is a member of a limited liability partnership, no regard is to be had to any arrangements the main purpose, or one of the main purposes, of which is to secure that section 863A(2) does not apply in the case of—
- (a) the individual, or
 - (b) the individual and one or more other individuals.
- (2) Subsection (4) applies if—

 - (b) X performs the services under arrangements involving a member of the limited liability partnership (“Y”) who is not an individual,
 - (c) the main purpose, or one of the main purposes, of those arrangements is to secure that section 863A(2) does not apply in the case of X or in the case of X and one or more other individuals, and
 - (d) in relation to X's performance of the services, an amount falling within subsection (3) arises to Y in respect of Y's membership of the limited liability partnership.
- (3) An amount falls within this subsection if—
- (a) were X performing the services under a contract of service by which X were employed by the limited liability partnership, and
 - (b) were the amount to arise to X directly from the limited liability partnership,
- the amount would be employment income of X in respect of the employment.
- (4) If this subsection applies, in relation to X's performance of the services, X is to be treated on the following basis—
- (a) X is a member of the limited liability partnership in whose case section 863A(2) applies,
 - (b) the amount arising to Y arises instead to X directly from the limited liability partnership,
 - (c) that amount is employment income of X in respect of the employment under section 863A(2) accordingly, and
 - (d) neither that amount, nor any amount representing that amount, is to be income of X for income tax purposes on any other basis.
- (4A) Section 863A(2) does not apply in the case of a member of a limited liability partnership if, apart from this subsection, it would apply in consequence of arrangements the main purpose, or one of the main purposes, of which is to secure that section 850C does not apply for one or more periods of account in relation to—
- (a) the member, or
 - (b) the member and one or more other members of the limited liability partnership.
- (5) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).”
- 2 In Part 17 of CTA 2009 (partnerships) after section 1273 (limited liability partnerships) insert—

(2) In relation to the charge to corporation tax on income, for the purposes of the Corporation Tax Acts—

- (a) M is to be treated as being employed by the limited liability partnership under a contract of service instead of being a member of the partnership, and

Supplementary provision: deductions

3 (1) ITTOIA 2005 is amended as follows.

(2) At the end of Chapter 5 of Part 2 (trade profits: rules allowing deductions) insert—

(3) In Chapter 3 of Part 3 (profits of property businesses: basic rules), in the table in section 272(2) (application of trading income rules), after the entry for section 94A insert—

- (3) After section 850B insert—

“850C Excess profit allocation to non-individual partners

- (1) Subsections (4) and (5) apply if—
- (a) for a period of account (“the relevant period of account”)—
 - (i) the calculation under section 849 in relation to an individual partner (“A”) (see subsection (6)) produces a profit for the firm, and
 - (ii) A's share of that profit determined under section 850 or 850A (“A's profit share”) is a profit or is neither a profit nor a loss,
 - (b) a non-individual partner (“B”) (see subsection (6)) has a share of the profit for the firm mentioned in paragraph (a)(i) (“B's profit share”) which is a profit (see subsection (7)), and
 - (c) condition X or Y is met.
- (2) Condition X is that it is reasonable to suppose that—
- (a) amounts representing A's deferred profit (see subsection (8)) are included in B's profit share, and
 - (b) in consequence, both A's profit share and the relevant tax amount (see subsection (9)) are lower than they would otherwise have been.
- (3) Condition Y is that—
- (a) B's profit share exceeds the appropriate notional profit (see subsections (10) to (17)),
 - (b) A has the power to enjoy B's profit share (“A's power to enjoy”) (see subsections (18) to (21)), and

- (ii) both A's profit share and the relevant tax amount (see subsection (9)) are lower than they would have been in the absence of A's power to enjoy.
- (4) A's profit share is increased by so much of the amount of B's profit share as, it is reasonable to suppose, is attributable to—
- (a) A's deferred profit, or
 - (b) A's power to enjoy,
- as determined on a just and reasonable basis.
- But any increase by virtue of paragraph (b) is not to exceed the amount of the excess mentioned in subsection (3)(a) after deducting from that amount any increase by virtue of paragraph (a).
- (5) If B is chargeable to income tax, in applying sections 850 to 850B in relation to B for the relevant period of account, such adjustments are to be made as are just and reasonable to take account of the increase in A's profit share under subsection (4).
- (This subsection does not apply for the purposes of subsection (7) or section 850D(7).)
- (6) A partner in a firm is an “individual partner” if the partner is an individual and “non-individual partner” is to be read accordingly; but “non-individual partner” does not include the firm itself where it is treated as a partner under section 863I (allocation of profit to AIFM firm).
- (7) B's profit share is to be determined by applying section 850 and, if relevant, section 850A in relation to B for the relevant period of account (whether or not B is chargeable to income tax) on the assumption that the calculation under section 849 in relation to B produces the profit for the firm mentioned in subsection (1)(a)(i).
- (8) “A's deferred profit”—
- (a) is any remuneration or other benefits or returns the provision of which to A has been deferred (whether pending the meeting of any conditions (including conditions which may never be met) or otherwise), and
 - (b) includes A's share (as determined on a just and reasonable basis) of any remuneration or other benefits or returns the provision of which to A and one or more other persons, taken together, has been deferred (whether pending the meeting of any conditions (including conditions which may never be met) or otherwise).
- (9) “The relevant tax amount” is the total amount of tax which, apart from this section, would be chargeable in respect of A and B's income as partners in the firm.
- (10) “The appropriate notional profit” is the sum of the appropriate notional return on capital and the appropriate notional consideration for services.
- (11) “The appropriate notional return on capital” is—
- (a) the return which B would receive for the relevant period of account in respect of B's contribution to the firm were the return to be calculated on the basis mentioned in subsection (12), less

- (b) any return actually received for the relevant period of account in respect of B's contribution to the firm which is not included in B's profit share.
- (12) The return mentioned in subsection (11)(a) is to be calculated on the basis that it is a return which is—
 - (a) by reference to the time value of an amount of money equal to B's contribution to the firm, and
 - (b) at a rate which (in all the circumstances) is a commercial rate of interest.
- (13) For the purposes of subsections (11) and (12) B's contribution to the firm is amount A determined under section 108 of ITA 2007 (meaning of “contribution to the LLP”).
- (14) That section is to be applied—
 - (a) reading references to the individual as references to B and references to the LLP as references to the firm, and
 - (b) with the omission of—
 - (i) subsections (5)(b) and (9), and
 - (ii) in subsection (6) the words from “but” to the end.
- (15) “The appropriate notional consideration for services” is—
 - (a) the amount which B would receive in consideration for any services provided to the firm by B during the relevant period of account were the consideration to be calculated on the basis mentioned in subsection (16), less
 - (b) any amount actually received in consideration for any such services which is not included in B's profit share.
- (16) The consideration mentioned in subsection (15)(a) is to be calculated on the basis that B is not a partner in the firm and is acting at arm's length from the firm.
- (17) Any services, the provision of which involves any partner in the firm in addition to B, are to be ignored for the purposes of subsection (15).
- (18) A has the power to enjoy B's profit share if—
 - (a) A is connected with B by virtue of a provision of section 993 of ITA 2007 (meaning of “connected” persons) other than subsection (4) of that section,
 - (b) A is a party to arrangements the main purpose, or one of the main purposes, of which is to secure that an amount included in B's profit share—
 - (i) is charged to corporation tax rather than income tax, or
 - (ii) is otherwise subject to the provisions of the Corporation Tax Acts rather than the provisions of the Income Tax Acts, or
 - (c) any of the enjoyment conditions (see subsection (20)) is met in relation to B's profit share or any part of B's profit share.
- (19) In subsection (18)(b) “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).

- (20) The enjoyment conditions are—
- (a) B's profit share, or the part, is in fact so dealt with by any person as to be calculated at some time to enure for the benefit of A, whether in the form of income or not;
 - (b) the receipt or accrual of B's profit share, or the part, by or to B operates to increase the value to A of any assets held by, or for the benefit of, A;
 - (c) A receives or is entitled to receive at any time any benefit provided or to be provided (directly or indirectly) out of B's profit share or the part;
 - (d) A may become entitled to the beneficial enjoyment of B's profit share, or the part, if one or more powers are exercised or successively exercised by any person;
 - (e) A is able in any manner to control (directly or indirectly) the application of B's profit share or the part.
- (21) In subsection (20) references to A include any person connected with A apart from B.
- (22) Subsection (23) applies if—
- (a) the increase under subsection (4), or any part of it, is allocated by A to the firm itself under section 863I (allocation of profit to AIFM firm), and
 - (b) B makes a payment to the firm representing any income tax for which the firm is liable by virtue of section 863I in respect of the amount of the increase allocated to it.
- (23) For income tax purposes, the payment—
- (a) is not to be income of any partner in the firm, and
 - (b) is not to be taken into account in calculating any profits or losses of B or otherwise deducted from any income of B.

850D Excess profit allocation: cases involving individuals who are not partners

- (1) Subsections (4) and (5) apply if—
- (a) at a time during a period of account (“the relevant period of account”) in respect of a firm, an individual (“A”) personally performs services for the firm,
 - (b) if A had been a partner in the firm throughout the relevant period of account, the calculation under section 849 in relation to A for the relevant period of account would have produced a profit for the firm,
 - (c) a non-individual partner (“B”) in the firm (see subsection (6)) has a share of that profit (“B's profit share”) which is a profit (see subsection (7)),
 - (d) it is reasonable to suppose that A would have been a partner in the firm at a time during the relevant period of account or any earlier period of account but for the provision contained in section 850C (see also subsections (8) to (10)), and
 - (e) condition X or Y is met.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

 as determined on a just and reasonable basis, and
 - (c) A's share of the firm's profit is chargeable to income tax under the applicable provisions of the Income Tax Acts for the tax year in which the relevant period of account ends.
- But A's share of the firm's profit by virtue of paragraph (b)(ii) is not to exceed the amount of the excess mentioned in subsection (3)(a) after deducting from that amount A's share of the firm's profit (if any) by virtue of paragraph (b)(i).
- (5) If B is chargeable to income tax, in applying sections 850 to 850B in relation to B for the relevant period of account, such adjustments are to be made as are just and reasonable to take account of A's share of the firm's profit under subsection (4).

- (8) The requirement of subsection (1)(d) is to be assumed to be met if, at a time during the relevant period of account, A is a member of a partnership which is associated with the firm.
- (9) A partnership is “associated” with the firm if—

 - (b) the AIFM firm is to be treated in accordance with subsection (4) as if it were itself a person who is a partner in the AIFM firm (and for this purpose, in the case of a limited liability partnership, it is the body corporate which is to be treated as that person), and

 - (c) that share is chargeable to tax under Chapter 2 of Part 2 for the tax year in which the period of account ends (with the person liable for the tax charged being the AIFM firm), and
 - (d) the tax is charged at the additional rate.
- (5) The Commissioners for Her Majesty's Revenue and Customs may make regulations modifying any of the following enactments applying to income tax as they apply by virtue of this section in relation to the AIFM firm—

 - (b) as upfront remuneration which vests in P in the form of instruments with a retention period of at least 6 months.
- (7) In order for any variable remuneration to count for the purposes of subsection (6) it must be awarded to P in accordance with arrangements which are consistent with the AIFMD remuneration guidelines (see section 863L).
- (8) In the case of a firm which is an AIFM firm by virtue of section 863H(3) (b) only, this section applies only in relation to partners who fall within a category of staff which is classified as identified staff.

- (5) A period specified under sub-paragraph (4) is a “special surcharge period”.
- (6) If a special surcharge liability notice is served in respect of a tax period which ends at or before the end of an existing special surcharge period, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 26 (1) If a person on whom a special surcharge liability notice has been served—
 - (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and

- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a non-UK return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 27 (1) A person who would otherwise have been liable to a surcharge under paragraph 26(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
 - (a) the non-UK return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
- (2) Where sub-paragraph (1) applies to a person—
 - (a) the person is treated as not having been in default in respect of the tax period in question, and
 - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
 - (a) it is the default which gives rise to the surcharge, under paragraph 26(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 25(4) and 26(1) if—
 - (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.

 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a non-UK special scheme, an amount by way of UK VAT that was not UK VAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK special scheme.
- (4) In section 78, as it applies as a result of this section, “output tax” has the meaning that that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

Default surcharge: exceptions for reasonable excuse etc

- 16G (1) A person who would otherwise have been liable to a surcharge under paragraph 16F(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—

- (a) it is the default which gives rise to the surcharge, under paragraph 16F(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 16E(4) and 16F(1) if—

 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.
- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 16E(4) and 16F(1).

- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a special scheme.
- (4) In section 78 in its application as a result of this section, “output tax” has the meaning that that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

- (2) The reinstatement of a remote operating licence pursuant to a direction given under sub-paragraph (1) does not prevent the Commissioners from giving a further direction under paragraph 3(1) in reliance on the final notice if—
- (a) the decision to give the notice is upheld (in whole or in part) in the proceedings on the appeal or any further appeal, or the proceedings on the appeal or any further appeal have been abandoned, withdrawn or discontinued, and

- 2 (1) The value of the denied advantage is the additional amount due or payable in respect of tax as a result of counteracting the denied advantage.
- (2) The reference in sub-paragraph (1) to the additional amount due or payable includes a reference to—
- (a) an amount payable to HMRC having erroneously been paid by way of repayment of tax, and
 - (b) an amount which would be repayable by HMRC if the denied advantage were not counteracted.
- (3) The following are ignored in calculating the value of the denied advantage—

- (4) This paragraph is subject to paragraphs 3 and 4.

Value of denied advantage: losses

- 3 (1) To the extent that the denied advantage has the result that a loss is wrongly recorded for purposes of direct tax and the loss has been wholly used to reduce the amount due or payable in respect of tax, the value of the denied advantage is determined in accordance with paragraph 2.
- (2) To the extent that the denied advantage has the result that a loss is wrongly recorded for purposes of direct tax and the loss has not been wholly used to reduce the amount due or payable in respect of tax, the value of the denied advantage is—
- (a) the value under paragraph 2 of so much of the denied advantage as results from the part (if any) of the loss which is used to reduce the amount due or payable in respect of tax, plus
 - (b) 10% of the part of the loss not so used.
- (3) Sub-paragraphs (1) and (2) apply both—
- (a) to a case where no loss would have been recorded but for the denied advantage, and
 - (b) to a case where a loss of a different amount would have been recorded (but in that case sub-paragraphs (1) and (2) apply only to the difference between the amount recorded and the true amount).
- (4) To the extent that a denied advantage creates or increases an aggregate loss recorded for a group of companies—
- (a) the value of the denied advantage is calculated in accordance with this paragraph, and

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. - (b) in applying paragraph 2 in accordance with sub-paragraphs (1) and (2), group relief may be taken into account (despite paragraph 2(3)).
- (5) To the extent that the denied advantage results in a loss, the value of it is nil where, because of the nature of the loss or P's circumstances, there is no reasonable prospect of the loss being used to support a claim to reduce a tax liability (of any person).

Value of denied advantage: deferred tax

- 4 (1) To the extent that the denied advantage is a deferral of tax, the value of that advantage is—
- (a) 25% of the amount of the deferred tax for each year of the deferral, or
- (b) a percentage of the amount of the deferred tax, for each separate period of deferral of less than a year, equating to 25% per year,

Giving of follower notices in relation to partnership returns

- 3
- (1) If the representative partner in relation to a partnership return is no longer available, then, for the purposes of section 204 the return, or an appeal in respect of the return, is to be regarded as made by the person who is for the time being the successor of that partner (if that would not otherwise be the case).

- 4
- (1) Section 208 applies, in relation to a partnership follower notice, in accordance with this paragraph.
 - (2) Subsection (2) applies as if the reference to P were to each relevant partner.
 - (3) References to the denied advantage are to be read as references to the increase or reduction in an amount in the partnership statement mentioned in paragraph 3(3) which is denied by the application of the principles laid down or the reasoning given in the judicial ruling identified in the partnership follower notice under section 206(a) or, if only part of any increase or reduction is so denied, that part.

- (a) the total amount of the penalties under section 208(2) for which the relevant partners are liable is 20% of the value of the denied advantage,
 - (b) the amount of the penalty for which each relevant partner is liable is that partner's appropriate share of that total amount, and
 - (c) the value of the denied advantage for the purposes of calculating the total amount of the penalties is—
 - (i) in the case of a notice given under section 204(2)(a), the net amount of the amendments required to be made to the partnership return to counteract the denied advantage, and
 - (ii) in the case of a notice given under section 204(2)(b), the net amount of the amendments that have been made to the partnership return to counteract the denied advantage,
 (and, accordingly, Schedule 30 does not apply).

- (6) For the purposes of section 212, a penalty imposed on a relevant partner by virtue of paragraph 4(2) is to be treated as if it were determined by reference to such additional amount of tax as is due and payable by the relevant partner as a result of the counteraction of the denied advantage.
- (7) The right of appeal under section 214 extends to—
- (a) a decision that penalties are payable by the relevant partners by virtue of this paragraph, and
 - (b) a decision as to the total amount of those penalties payable by those partners, but not to a decision as to the appropriate share of, or the amount of a penalty payable by, a relevant partner.
- (8) Section 214(3) applies to an appeal by virtue of sub-paragraph (7)(a) as it applies to an appeal under section 214(1).
- (9) Section 214(8) applies to an appeal by virtue of sub-paragraph (7)(a), and section 214(9) to an appeal by virtue of sub-paragraph (7)(b).

 - (b) the total entitlement is the sum of those separate entitlements.
- (7) “Eligible employee” has the same meaning as in section 236J.

- (3) No claim for relief under section 236H may be made in respect of the disposal on or after the day on which the disqualifying event (or, if more than one, the first of them) occurs.
- (4) Any claim for relief under section 236H made in respect of the disposal before that day is revoked, and the chargeable gains and allowable losses of any person for any chargeable period are to be calculated as if that claim had never been made.
- (5) Such adjustments must be made in relation to any person, whether by the making of assessments or otherwise, as are required to give effect to subsection (4) (regardless of any limitation on the time within which any adjustment may be made).
- (6) Section 236H(5) (restrictions on application of section 236L) applies for the purposes of subsection (2)(b).
- (7) Section 236N(4) applies for the purposes of subsection (2)(d) as it applies in relation to section 236N(2)(b) and (3).

236P Events which trigger deemed disposal and reacquisition by trustees

- (1) Where the trustees of a settlement acquire any ordinary share capital in a tax year in circumstances where section 236H applies, subsection (3) applies on the first occasion, after the end of the tax year following the tax year in which the acquisition occurs, when a disqualifying event occurs in relation to the acquisition.

- (3) The trustees are treated as having, immediately before the disqualifying event—
 - (a) disposed of any ordinary share capital of C held by the trustees which comprises shares acquired in circumstances where section 236H applied (and not subsequently disposed of and reacquired), and
 - (b) immediately reacquired that ordinary share capital, at its market value at that time.
- (4) For the purposes of subsection (2)(b)—
 - (a) unless the settlement met the all-employee benefit requirement at the time of the acquisition by virtue of section 236L, that section does not apply for the purposes of determining whether the settlement continues to meet that requirement after the acquisition, and
 - (b) if, at the time of the acquisition, the settlement met that requirement by virtue of section 236L and later continues to meet it otherwise than by virtue of that section, it may not again meet the requirement by virtue of that section.
- (5) Section 236N(4) applies for the purposes of subsection (2)(d) as it applies in relation to section 236N(2)(b) and (3).

236Q Relief for deemed disposals under section 71

 - (b) that settled property consists of ordinary share capital of a company,
 - (c) the relief requirements in section 236H(4)(a) to (d) are met, and

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The deemed disposal and acquisition by the transferring trustee under section 71(1) are to be treated for the purposes of this Act as being made for such consideration as to secure that neither a gain nor a loss accrues on the disposal.
- (4) For the purposes of section 236P the trustees of the acquiring settlement are treated as acquiring the ordinary share capital from the transferring trustee, at the time of the deemed disposal, in circumstances where section 236H applies.
- (5) In applying sections 236H(4), 236I to 236P and 236T for the purposes of this section—
 - (a) references in those provisions to the settlement are to be read as references to the acquiring settlement, and
 - (b) references in those provisions to C are to be read as references to the company mentioned in subsection (1)(b).
- (6) A claim under this section must include—
 - (a) information to identify the acquiring settlement,

 - (c) the date of the deemed disposal and the number of shares deemed to have been disposed of.

- (2) No claim for relief under section 236Q may be made in respect of the deemed disposal on or after the day on which the disqualifying event (or, if more than one, the first of them) occurs.
- (3) Any claim for relief under section 236Q made in respect of the deemed disposal before that day is revoked, and the chargeable gains and allowable losses of any person for any chargeable period are to be calculated as if that claim had never been made.
- (4) Such adjustments must be made in relation to any person, whether by the making of assessments or otherwise, as are required to give effect to subsection (3) (regardless of any limitation on the time within which any adjustment may be made).
- (5) “Disqualifying event” is to be construed in accordance with subsections (2), (6) and (7) of section 236O except that—

 - (b) other shares which, but for section 104(4A), would be shares of the same class as those shares.
- (2) If the trustees dispose of some, but not all, of the shares so held, they may determine what proportion of the shares disposed of are EOT exempt shares (up to the number of such shares held).
- (3) For the purposes of this section shares in a company are not to be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.
- (4) Nothing in subsection (2) applies in relation to a disposal by virtue of section 236P(3).

236T Further provision about significant and controlling interests

- (4) In determining whether section 236L(2)(d) or 236M(1)(d) applies, ignore any provision of—
 - (a) a mortgage or charge (or, in Scotland, a charge or security) granted by the trustees to a third party to secure any debt, or

- (b) a person who is, or has at any time in the preceding 12 months been, a participator in C or in a member of such a group, or
- (c) a person connected with a person within paragraph (b);

“close company” and “participator” have the same meaning as in Part 4 of the Inheritance Tax Act 1984 (see section 102 of that Act), and a reference to a participator in a company is, in the case of a company which is not a close company, to be construed as a reference to a person who would be a participator in the company if it were a close company.

(1) In sections 236H to 236T and this section—

- (b) references to a group are to be construed with any necessary modifications where applied to a company incorporated under the law of a country or territory outside the United Kingdom.

(3) In determining whether a person is connected with another for the purposes of those sections, section 286 applies as if subsection (8) of that section also mentioned uncle, aunt, nephew and niece.”

“CHAPTER 10A

EXEMPTIONS: BONUS PAYMENTS BY CERTAIN EMPLOYERS

Limited exemption for qualifying bonus payments

- 312A(1) This section applies in relation to qualifying bonus payments made, in a tax year (“the tax year”), by an employer which is a company to an employee or former employee of the employer.
- (2) No liability to income tax arises in respect of the qualifying bonus payments if, or to the extent that, the total chargeable amount in respect of those payments does not exceed £3,600 (“the exempt amount”).
- (3) If qualifying bonus payments are made to the same person by two or more employers in the tax year, subsection (2) applies separately in relation to the total payments made by each employer, unless subsection (4) applies.
- (4) If two or more employers are members of the same group at the time each of them first makes a qualifying bonus payment to the employee or former employee in the tax year, subsection (2) applies as if the reference to the qualifying bonus payments were to all the qualifying bonus payments made by those employers to the employee or former employee in that tax year.
- (5) If, in a tax year—
- (a) an employer makes a payment when it is a member of a group, and
 - (b) later in that tax year the employer ceases to be a member of that group,
- the employer is treated for the purposes of this section as remaining a member of that group for the remainder of the tax year (without prejudice to it also being a member of any other group).
- (6) In applying subsection (2)—
- (a) the exempt amount is set against payments in the order in which they are made, and
 - (b) if two or more payments are made on the same day, which together take the total payments made in the tax year over the exempt amount, subsection (7) applies to determine the amount of each of those payments which is exempt.
- (7) In a case within subsection (6)(b), the amount of a payment which is exempt is given by the formula—

$$\frac{P}{SP} \times REA$$

where—

P is the amount of the payment,

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

SP is the sum of that payment and the other payments made on the same day, and

REA is so much of the exempt amount as remains after taking account of any qualifying bonus payments previously made in the tax year.

- (8) Where subsection (2) applies separately to different payments by virtue of subsection (3), subsections (6) and (7) also apply to those payments separately.
- (9) The Treasury may by order increase or reduce the sum of money specified in subsection (2).
- (10) A statutory instrument containing an order under this section which reduces the sum of money specified may not be made unless a draft of it has been laid before and approved by a resolution of the House of Commons.
- (11) In this section “chargeable amount”, in respect of a qualifying bonus payment, means the amount of employment income which would be charged to tax in respect of that qualifying bonus payment, apart from this section.

“Qualifying bonus payments”

312B) A payment made by an employer (“E”) to an employee or former employee is a qualifying bonus payment if—

- (a) it does not consist of regular salary or wages,
 - (b) it is awarded under a scheme which meets the participation requirement and the equality requirement (see section 312C),
 - (c) E meets the trading requirement (see section 312D) throughout the qualifying period,
 - (d) E meets the indirect employee-ownership requirement (see section 312E) throughout the qualifying period,
 - (e) E meets the office-holder requirement (see section 312F) at the time the payment is made and on at least the requisite number of days in the qualifying period (whether or not those days are consecutive),
 - (f) E is not a service company (see section 312G),
 - (g) the payment is not excluded (see section 312H), and
 - (h) where it is a payment to a former employee, it is made in the period of 12 months beginning with the day the employment ceased.
- (2) In this section “the qualifying period”, in relation to a payment, means the period of 12 months ending with the day on which the payment is made.
 - (3) But in a case where E meets the indirect employee-ownership requirement on the day on which the payment is made—
 - (a) if the controlling interest requirement was first met during that 12 month period, the qualifying period does not include any time before it was met, and
 - (b) if the all-employee benefit requirement was first met during that 12 month period, the qualifying period does not include any time before that requirement was met.
 - (4) In this section “the requisite number of days” means—

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. - (a) if the qualifying period is 12 months, the number of days in that period reduced by 90, and
- (b) if the qualifying period is a shorter period by virtue of subsection (3), the number of days in that period reduced by the corresponding fraction of 90 days.

Section 312B: the participation and equality requirements

312(1) For the purposes of section 312B—

- (a) the participation requirement is that all persons in relevant employment when the award is determined must be eligible to participate in that and any other award under the scheme, and
 - (b) the equality requirement is that every employee who participates in an award under the scheme must do so on the same terms.
- (2) A person is in “relevant employment” if—
- (a) where E is a member of a group, the person is employed by any company which is a member of the group, and
 - (b) in any other case, the person is employed by E.
- (3) The participation requirement is not infringed by reason of a person in relevant employment being excluded from participating in an award because, at the time the award is determined, the person has less than the minimum period of continuous service in relevant employment required by E.

But the minimum period required by E for this purpose must not exceed 12 months.

- (4) The participation requirement is not infringed—
- (a) by reason of a person being excluded from participating in an award where—
 - (i) disciplinary proceedings have been taken against the person by E which have resulted in a finding of gross misconduct against the person, and
 - (ii) that finding was made in the period of 12 months immediately before the time the award is determined,
 - (b) by reason of a person's eligibility to participate in an award being conditional, in a case where the person is at the time of the award subject to disciplinary proceedings taken by E, upon those proceedings being concluded and no finding of gross misconduct being made against that person, or
 - (c) by a person being treated as never having been eligible to participate in an award where, after the award was made but before the payment is made—
 - (i) a finding of gross misconduct is made against that person in disciplinary proceedings taken by E after the award was made, or
 - (ii) that person is summarily dismissed from the employment.
- (5) The equality requirement is infringed if the amount of an award to an employee under the scheme is determined by reference to factors other than those mentioned in subsection (6).

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) The equality requirement is not infringed by reason of the amount of an award under the scheme to employees participating in the award being determined by reference to—
- (a) an employee's remuneration,
 - (b) an employee's length of service, or
 - (c) hours worked by an employee;
- but this is subject to subsections (7) and (8).
- (7) The equality requirement is infringed if an award is made on terms such that some (but not all) of the employees participating in the award receive nothing.
- (8) If the amount of an award is determined by reference to more than one of the factors mentioned in subsection (6), the equality requirement is infringed unless—
- (a) each factor gives rise to a separate entitlement related to the level of remuneration, length of service or (as the case may be) hours worked, and
 - (b) the total entitlement is the sum of those separate entitlements.
- (9) Subject to subsection (6), the equality requirement is infringed if any feature of the scheme has, or is likely to have, the effect of conferring benefits wholly or mainly on those participating in the award who are—
- (a) directors or former directors, or
 - (b) employees receiving the higher or highest levels of remuneration, or
 - (c) employees who—
 - (i) are employed in a particular part of the business carried on by E or, if E is a member of a group, the group, or
 - (ii) carry on particular kinds of activities.
- (10) In subsections (1)(b), (5), (6), (7) and (9) references to an employee include a former employee, so, when applying those subsections in relation to a former employee, any reference to remuneration, length of service, hours worked, being employed in a particular part of a business or carrying on particular activities is to be read as relating to that former employment.

Section 312B: the trading requirement

- 312B(1) For the purposes of section 312B, a company meets the trading requirement if—
- (a) it is a trading company which is not a member of a group, or
 - (b) it is a member of a trading group.
- (2) “Trading company” means a company carrying on trading activities whose activities do not include to a substantial extent activities other than trading activities.
- (3) “Trading group” means a group—
- (a) one or more of whose members carry on trading group activities, and
 - (b) the activities of whose members, taken together, do not include to a substantial extent activities other than trading group activities.

Status: Point in time view as at 01/01/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2014 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(4) In this section—

“trading activities” means activities carried on by the company in the course of, or for the purposes of, a trade being carried on by it;

“trading group activities” means activities carried on by a member of the group in the course of, or for the purposes of, a trade being carried on by any member of the group.

(5) For the purposes of determining whether a company is a trading company or a member of a trading group—

- (a) the activities of the members of a group are to be treated as one business (with the result that activities are disregarded to the extent that they are intra-group activities), and
- (b) a business carried on by a company in partnership with one or more other persons is to be treated as not being a trading activity.

Section 312B: the indirect employee-ownership requirement

312E) For the purposes of section 312B, a company meets the indirect employee-ownership requirement if—

- (a) a settlement meets the controlling interest requirement in respect of—
 - (i) the company, or
 - (ii) if the company is a member of a trading group, but not the principal company, that principal company, and
- (b) the settlement meets the all-employee benefit requirement.

(2) For this purpose—

- (a) section 236M of TCGA 1992 applies to determine if a settlement meets the controlling interest requirement in respect of the company mentioned in subsection (1)(a)(i) or (ii) (as the case may be), and
- (b) sections 236J and 236K of that Act apply to determine if the settlement meets the all-employee benefit requirement (but see subsection (3)).

(3) If a settlement would not otherwise meet the all-employee benefit requirement at any time during the qualifying period, section 236L of TCGA 1992 applies for the purposes of subsection (1)(b), unless the all-employee benefit requirement has (ignoring that section) previously been met at any time in the period—

- (a) beginning with 10 December 2013, and
- (b) ending immediately before that time.

(4) For the purposes of subsections (2) and (3)—

- (a) in sections 236I to 236M of TCGA 1992 references to C are to be read as references to the company in respect of which the settlement is required to meet the controlling interest requirement (see subsection (1)(a)), and
- (b) section 236L of that Act applies as if the reference in subsection (1)(c) of that section to the period of 12 months ending with the time in question were a reference to the period of 12 months ending with the

date the payment is made (even if the qualifying period is a period of less than 12 months by virtue of section 312B(3)).

Section 312B: the office-holder requirement

312(F) For the purposes of section 312B, a company meets the officer-holder requirement if the appropriate fraction does not exceed $\frac{2}{5}$.

(2) “The appropriate fraction” means—

$$\frac{ND}{NE}$$

where—

ND is the number of persons who are one or both of the following—

- (a) a director or other office-holder of the company;
- (b) an employee of the company connected with a person within paragraph (a);

NE is the number of persons who are employees (or office-holders) of the company.

“Service company”

312(G) For the purposes of section 312B, “service company” means—

- (a) a managed service company within the meaning of section 61B, or
- (b) a company (“SC”) in respect of which Conditions A and B are met.

(2) Condition A is that the business carried on by SC consists substantially of the provision of the services of persons employed by it.

(3) Condition B is that the majority of those services are provided to persons—

- (a) to whom subsection (4) applies, but
- (b) who are not members of the same group as the company which makes the payment.

(4) This subsection applies to—

- (a) a person who controls or has controlled, or two or more persons who together control or have controlled, SC or any company of which SC is a 51% subsidiary at the time the payment is made,
- (b) a person who, or two or more persons who together, at any time before the time the payment is made—
 - (i) employed all or a majority of the employees of SC, or
 - (ii) employed all or a majority of the employees of SC and other companies which are members of the same group as SC at the time the payment is made (taken together), and
- (c) any company which is a 51% subsidiary of, controlled by or connected or associated with, any person within paragraph (a) or (b).

(5) For the purposes of subsection (4)—
