 - (i) related to the qualifying site, and
 - (ii) would have been relievable under section 356C if this Chapter had been fully in force and had applied to expenditure incurred at that time.
- (4) For the purposes of subsection (3)(a)(ii) it does not matter whether the asset is acquired at the time of the transfer.
- (5) In subsection (3)(c) “this Chapter” means the provisions of this Chapter as those provisions have effect at the time when the capital expenditure mentioned in subsection (1) is incurred.
- (6) The reference in subsection (3)(c)(i) to the qualifying site includes an area that, although not a qualifying site when the expenditure mentioned in subsection (3)(b) was incurred, subsequently became the qualifying site.
- (7) Where expenditure mentioned in subsection (3)(b) related to an area which subsequently became the qualifying site, the following sub-paragraph is to be treated as substituted for subsection (3)(c)(ii)—
 - “(ii) would have been relievable under section 356C if the area in question had been a qualifying site when the expenditure was incurred, or if the area in question had been such a site at that time and this Chapter had been fully in force and had applied to expenditure incurred at that time.”
- (8) This subsection applies to the asset if—
 - (a) capital expenditure mentioned in subsection (1) would, in the absence of this section, be relievable under section 356C by reason of an election under section 356CB (treatment of expenditure not related to an established site), and
 - (b) capital expenditure which was incurred before the acquisition concerned, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset, either—
 - (i) has become relievable under section 356C by reason of an election under section 356CB, or
 - (ii) would be so relievable if such an election were made in respect of that expenditure.
- (9) In determining for the purposes of subsection (8)(b) whether particular expenditure was incurred “before” the acquisition concerned—
 - (a) paragraph (b) of section 356CB(6) is to be ignored, and
 - (b) accordingly, that expenditure is to be taken (for the purposes of determining whether it was incurred before the acquisition concerned) to have been incurred when it was actually incurred.
- (10) For the purposes of subsection (8)(b)(ii) it does not matter if an election is not in fact capable of being made.”

- (3) In subsection (3)(b) after “acquiring,” insert “ leasing, ”.
- (4) After subsection (4) insert—
- “(5) In this section any reference to expenditure which was incurred by a company in “leasing” an asset is to expenditure incurred by the company under an agreement under which the asset was leased to the company.”
- (5) The amendments made by this section have effect for the purposes of determining whether any expenditure incurred by a company on or after 16 March 2016 on the acquisition of an asset is relievably expenditure for the purposes of section 356JF of CTA 2010.

63 Cluster area allowance: power to expand meaning of “relevant income”

- (1) Section 356JH of CTA 2010 (activation of cluster area allowance) is amended as follows.

- (a) production income of the company from any oil extraction activities carried on in that area that is taken into account in calculating the company's adjusted ring fence profits for the accounting period, or
 - (b) income that—
 - (i) is income of such description (whether or not relating to the cluster area) as may be prescribed by the Treasury by regulations, and

- (5) Regulations under subsection (3)(b) or (4) may provide for any of the provisions of the regulations to have effect in relation to accounting periods ending before (or current when) the regulations are made.
- (6) But subsection (5) does not apply to—
 - (a) any provision of amending or revoking regulations under subsection (3)(b) which has the effect that income of any description is to cease to be treated as relevant income of a company from a cluster area for an accounting period, or
 - (b) provision made under subsection (4) in consequence of or in connection with provision within paragraph (a).
- (7) Regulations under this section may make transitional provision or savings.

“CHAPTER 2A

RELEVANT IP PROFITS: CASES MENTIONED IN SECTION 357A(6)

Steps for calculating relevant IP profits of a trade

357BF Relevant IP profits

- (1) This section applies for the purposes of determining the relevant IP profits of a trade of a company for an accounting period in a case where—
- (a) the accounting period begins on or after 1 July 2021, or
 - (b) the company is a new entrant (see section 357A(11)).

- (2) To determine the relevant IP profits—

Step 1 Take any amounts which are brought into account as credits in calculating the profits of the trade for the accounting period, other than any amounts of finance income (see section 357BG), and divide them into two “streams”, amounts of relevant IP income (see sections 357BH to 357BHC) and amounts that are not amounts of relevant IP income. The stream consisting of relevant IP income is “the relevant IP income stream”; the other stream is the “standard income stream”.

Step 2 Divide the relevant IP income stream into “relevant IP income sub-streams” so that each sub-stream is—

- (a) a sub-stream consisting of income properly attributable to a particular qualifying IP right (an “individual IP right sub-stream”),
- (b) a sub-stream consisting of income properly attributable to a particular kind of IP item (a “product sub-stream”), or
- (c) a sub-stream consisting of income properly attributable to a particular kind of IP process (a “process sub-stream”).

See subsection (5) for the meaning of “IP item” and “IP process” and see subsections (6) and (7) for further provision in connection with product sub-streams and process sub-streams.

Step 3 Take any amounts which are brought into account as debits in calculating the profits of the trade for the accounting period, other than any excluded debits (see section 357BI), and allocate them on a just and reasonable basis between the standard income stream and each of the relevant IP income sub-streams.

Step 4 Deduct from each relevant IP income sub-stream—

- (a) the amounts allocated to the sub-stream at Step 3, and
- (b) the routine return figure for the sub-stream (see section 357BJ).

But see section 357BIA (which provides that certain amounts allocated to a relevant IP income sub-stream at Step 3 are not to be deducted from the sub-stream at this Step).

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 5 Deduct from each relevant IP income sub-stream which is greater than nil following Step 4 the marketing assets return figure for the sub-stream (see section 357BK).

Step 6 Multiply the amount of each relevant IP income sub-stream (following the deductions required at Steps 4 and 5) by the R&D fraction for the sub-stream (see section 357BL).

Step 7 Add together the amounts of the relevant IP income sub-streams (following Step 6).

Step 8 If the company has made an election under section 357BM (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 7 any amount determined in accordance with subsection (3) of that section.

- (3) If the amount given by subsection (2) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.
- (4) If the amount given by subsection (2) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).
- (5) In this section—
 - “IP item” means—
 - (a) an item in respect of which a qualifying IP right held by the company has been granted, or
 - (b) an item which incorporates one or more items within paragraph (a);
 - “IP process” means—
 - (a) a process in respect of which a qualifying IP right held by the company has been granted, or
 - (b) a process which incorporates one or more processes within paragraph (a).
- (6) For the purposes of this section two or more IP items, or two or more IP processes, may be treated as being of a particular kind if they are intended to be, or are capable of being, used for the same or substantially the same purposes.
- (7) Income may be allocated at Step 2 of subsection (2) to a product sub-stream or process sub-stream only if—
 - (a) it would not be reasonably practicable to apportion the income between individual IP right sub-streams, or
 - (b) it would be reasonably practicable to do that but doing so would result in it not being reasonably practicable to apply any of the remaining steps in subsection (2).
- (8) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Finance income

357BG Finance income

- (1) For the purposes of this Part “finance income”, in relation to a trade of a company, means—
- (a) any credits which are treated as receipts of the trade by virtue of—
 - (i) section 297 of CTA 2009 (credits in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (credits in respect of derivative contracts),
 - (b) any amount which in accordance with generally accepted accounting practice falls to be recognised as arising from a financial asset, and
 - (c) any return, in relation to an amount, which—
 - (i) is produced for the company by an arrangement to which it is a party, and
 - (ii) is economically equivalent to interest.
- (2) In subsection (1)—
- “economically equivalent to interest” is to be construed in accordance with section 486B(2) and (3) of CTA 2009, and
- “financial asset” means a financial asset as defined for the purposes of generally accepted accounting practice.
- (3) For the purposes of subsection (1)(c), the amount of a return is the amount which by virtue of the return would, in calculating the company's chargeable profits, be treated under section 486B of CTA 2009 (disguised interest to be regarded as profit from loan relationship) as profit arising to the company from a loan relationship.

But, in calculating that profit for the purposes of this subsection, sections 486B(7) and 486C to 486E of that Act are to be ignored.

Relevant IP income

357BH Relevant IP income

- (1) For the purposes of this Part “relevant IP income” means income falling within any of the Heads set out in—
- (a) subsection (2) (sales income),
 - (b) subsection (6) (licence fees),
 - (c) subsection (7) (proceeds of sale etc),
 - (d) subsection (8) (damages for infringement), and
 - (e) subsection (9) (other compensation).

This is subject to section 357BHB (excluded income).

- (2) Head 1 is income arising from the sale by the company of any of the following items—

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) items in respect of which a qualifying IP right held by the company has been granted (“qualifying items”);
 - (b) items incorporating one or more qualifying items;
 - (c) items that are wholly or mainly designed to be incorporated into items within paragraph (a) or (b).
- (3) For the purposes of this Part an item and its packaging are not to be treated as a single item, unless the packaging performs a function that is essential for the use of the item for the purposes for which it is intended to be used.
- (4) In subsection (3) “packaging”, in relation to an item, means any form of container or other packaging used for the containment, protection, handling, delivery or presentation of the item, including by way of attaching the item to, or winding the item round, some other article.
- (5) In a case where a qualifying item and an item that is designed to incorporate that item (“the parent item”) are sold together as, or as part of, a single unit for a single price, the reference in subsection (2)(b) to an item incorporating a qualifying item includes a reference to the parent item.
- (6) Head 2 is income consisting of any licence fee or royalty which the company receives under an agreement granting another person any of the following rights only—
- (a) a right in respect of any qualifying IP right held by the company,
 - (b) any other right in respect of a qualifying item or process, and
 - (c) in the case of an agreement granting any right within paragraph (a) or (b), a right granted for the same purposes as those for which that right was granted.
- In this subsection “qualifying process” means a process in respect of which a qualifying IP right held by the company has been granted.
- (7) Head 3 is any income arising from the sale or other disposal of a qualifying IP right or an exclusive licence in respect of such a right.
- (8) Head 4 is any amount received by the company in respect of an infringement, or alleged infringement, of a qualifying IP right held by the company at the time of the infringement or alleged infringement.
- (9) Head 5 is any amount of damages, proceeds of insurance or other compensation, other than an amount in respect of an infringement or alleged infringement of a qualifying IP right, which is received by the company in respect of an event and—
- (a) is paid in respect of any items that fell within subsection (2) at the time of that event, or
 - (b) represents a loss of income which would, if received by the company at the time of that event, have been relevant IP income.
- (10) But income is not relevant IP income by virtue of subsection (8) or (9) unless the event in respect of which the income is received, or any part of that event, occurred at a time when—
- (a) the company was a qualifying company, and
 - (b) an election under section 357A(1) had effect in relation to it.

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (11) In a case where the whole of that event does not occur at such a time, subsection (8) or (9) (as the case may be) applies only to so much of the amount received by the company in respect of the event as on a just and reasonable apportionment is properly attributable to such a time.
- (12) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

357BHA Notional royalty

- (1) This section applies where—
 - (a) a company holds a qualifying IP right or an exclusive licence in respect of a qualifying IP right,
 - (b) the qualifying IP right falls within paragraph (a), (b) or (c) of section 357BB(1), and
 - (c) the income of a trade of the company for an accounting period includes income (“IP-derived income”) which—
 - (i) arises from things done by the company that involve the exploitation by the company of the qualifying IP right, and
 - (ii) is not relevant IP income, finance income or excluded income.
- (2) The company may elect that the appropriate percentage of the IP-derived income is to be treated for the purposes of this Part as if it were relevant IP income.
- (3) The “appropriate percentage” is the proportion of the IP-derived income which the company would pay another person (“P”) for the right to exploit the qualifying IP right in the accounting period concerned if the company were not otherwise able to exploit it.
- (4) For the purposes of determining the appropriate percentage under this section, assume that—
 - (a) the company and P are dealing at arm's length,
 - (b) the company, or the company and persons authorised by it, will have the right to exploit the qualifying IP right to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the qualifying IP right as it actually has,
 - (d) the right to exploit the qualifying IP right is conferred on the relevant day,
 - (e) the appropriate percentage is determined at the beginning of the accounting period concerned,
 - (f) the appropriate percentage will apply for each succeeding accounting period for which the company will have the right to exploit the qualifying IP right, and
 - (g) no income other than IP-derived income will arise from anything done by the company that involves the exploitation by the company of the qualifying IP right.
- (5) In subsection (4)(d) “the relevant day” means—

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the first day of the accounting period concerned, or
 - (b) if later, the day on which the company first began to hold the qualifying IP right or licence.
- (6) In determining the appropriate percentage, the company must act in accordance with—
- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “excluded income” means any income falling within either of the Heads in section 357BHB.

357BHB Excluded income

- (1) For the purposes of this Part income falling within either of the Heads set out in the following subsections is not relevant IP income—
- (a) subsection (2) (ring fence income),
 - (b) subsection (3) (income attributable to non-exclusive licences).
- (2) Head 1 is income arising from oil extraction activities or oil rights.

In this subsection “oil extraction activities” and “oil rights” have the same meaning as in Part 8 (see sections 272 and 273).

- (3) Head 2 is income which on a just and reasonable apportionment is properly attributable to a licence (a “non-exclusive licence”) held by the company which—
- (a) is a licence in respect of an item or process, but
 - (b) is not an exclusive licence in respect of a qualifying IP right.
- (4) In a case where—
- (a) a company holds an exclusive licence in respect of a qualifying IP right, and
 - (b) the licence also confers on the company (or on the company and persons authorised by it) any right in respect of the invention otherwise than to the exclusion of all other persons,

the licence is to be treated for the purposes of this Part as if it were two separate licences, one an exclusive licence that does not confer any such rights, and the other a non-exclusive licence conferring those rights.

357BHC Mixed sources of income

- (1) This section applies to any income that—
- (a) is mixed income, or
 - (b) is paid under a mixed agreement.
- (2) “Mixed income” means the proceeds of sale where an item falling within subsection (2) of section 357BH and an item not falling within that subsection are sold together as, or as part of, a single unit for a single price.
- (3) A “mixed agreement” is an agreement providing for—
- (a) one or more of the matters in paragraphs (a) to (c) of subsection (4), and

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) one or more of the matters in paragraphs (d) to (g) of that subsection.

(4) The matters are—

- (a) the sale of an item falling within section 357BH(2),
- (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357BH(6),
- (c) a sale or disposal falling within section 357BH(7),
- (d) the sale of any other item,
- (e) the grant of any other right,
- (f) any other sale or disposal,
- (g) the provision of any services.

(5) So much of the income as on a just and reasonable apportionment is properly attributable to—

- (a) the sale of an item falling within section 357BH(2),
- (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357BH(6), or
- (c) a sale or disposal falling within section 357BH(7),

is to be regarded for the purposes of this Part as relevant IP income.

(6) But where the amount of income that on such an apportionment is properly attributable to any of the matters in paragraphs (d) to (g) of subsection (4) is a trivial proportion of the income to which this section applies, all of that income is to be regarded for the purposes of this Part as relevant IP income.

Excluded debits etc

357BI Excluded debits

For the purposes of this Part “excluded debits” means—

- (a) the amount of any debits which are treated as expenses of a trade by virtue of—
 - (i) section 297 of CTA 2009 (debts in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (debts in respect of derivative contracts),
- (b) the amount of any additional deduction for an accounting period obtained by a company under Part 13 of CTA 2009 for expenditure on research and development in relation to a trade,
- (c) the amount of any additional deduction for an accounting period obtained by a company under Part 15A of CTA 2009 in respect of qualifying expenditure on a television programme,
- (d) the amount of any additional deduction for an accounting period obtained by a company under Part 15B of CTA 2009 in respect of qualifying expenditure on a video game, and
- (e) the amount of any additional deduction for an accounting period obtained by a company under Part 15C of CTA 2009 in respect of qualifying expenditure on a theatrical production.

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

357BIA Certain amounts not to be deducted from sub-streams at Step 4 of section 357BF

- (1) This section applies where a company enters into an arrangement with a person under which—
 - (a) the person assigns to the company a qualifying IP right or grants or transfers to the company an exclusive licence in respect of a qualifying IP right, and
 - (b) the company makes to the person an income-related payment.
- (2) A payment is an “income-related payment” for the purposes of subsection (1) if—
 - (a) the obligation to make the payment arises under the arrangement by reason of the amount of income the company has accrued which is properly attributable to the right or licence, or
 - (b) the amount of the payment is determined under the arrangement by reference to the amount of income the company has accrued which is so attributable.
- (3) If the amount of the income-related payment is allocated to a relevant IP income sub-stream at Step 3 of section 357BF(2), the amount is not to be deducted from the sub-stream at Step 4 of section 357BF(2) unless the payment will not affect the R&D fraction for the sub-stream.”

Routine return figure

357BJ Routine return figure

- (1) This section applies for the purpose of calculating the routine return figure for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (2) The routine return figure for the sub-stream is 10% of the aggregate of any routine deductions which—
 - (a) have been made by the company in calculating the profits of the trade for the accounting period, and
 - (b) have been allocated to the sub-stream at Step 3 in section 357BF(2).

For the meaning of “routine deductions”, see sections 357BJA and 357BJB.

- (3) In a case where—
 - (a) the company (“C”) is a member of a group,
 - (b) another member of the group has incurred expenses on behalf of C,
 - (c) had they been incurred by C, C would have made a deduction in respect of the expenses in calculating the profits of the trade for the accounting period,
 - (d) the deduction would have been a routine deduction, and
 - (e) the deduction would have been allocated to the sub-stream at Step 3 in section 357BF(2),

Status: Point in time view as at 11/09/2016. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Finance Act 2016, PART 2 is up to date with all changes known to be in force on or before 15 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

C is to be treated for the purposes of subsection (2) as having made such a routine deduction and as having allocated the deduction to the sub-stream.

- (4) Where expenses have been incurred by any member of the group on behalf of C and any other member of the group, subsection (3) applies in relation to so much of the amount of the expenses as on a just and reasonable apportionment may properly be regarded as incurred on behalf of C.

357BJA Routine deductions

- (1) For the purposes of this Part, “routine deductions” means deductions falling within any of the Heads set out in—
- (a) subsection (2) (capital allowances),
 - (b) subsection (3) (costs of premises),
 - (c) subsection (4) (personnel costs),
 - (d) subsection (5) (plant and machinery costs),
 - (e) subsection (6) (professional services), and
 - (f) subsection (7) (miscellaneous services).

This is subject to section 357BJB (deductions that are not routine deductions).

- (2) Head 1 is any allowances under CAA 2001.
- (3) Head 2 is any deductions made by the company in respect of any premises occupied by the company.
- (4) Head 3 is any deductions made by the company in respect of—
 - (a) any director or employee of the company, or

- (2) Where it is necessary for the purposes of section 357BF, as applied by this section, to determine the R&D fraction for a relevant IP income sub-stream, the company concerned is to be treated for the purposes of sections 357BLF and 357BLG as if it were a new entrant.
- (3) Where section 357BF applies by reason of this section for the purposes of determining the relevant IP profits of a trade of a company for an accounting period, the company may not make a global streaming election for the accounting period under section 357BN(2)(c).

 - (b) as a result of that agreement C, or a person connected with C, becomes entitled to income deductions (whether deductions in calculating income or from total profits), and
 - (c) a payment is payable to C, or a person connected with C, by way of consideration for that agreement.
- (2) The payment is treated for the purposes of corporation tax as income received by C in the period of account in which C takes over the obligations mentioned in subsection (1)(a).

 - (c) brought into account for the purposes of any provision of CAA 2001 as a disposal receipt, or proceeds from a balancing event or disposal event, of C or a person connected with C.
- (4) It does not matter how C takes over the obligations of D (whether by assignment, novation, variation or replacement of the contract, by operation of law or otherwise).
