Charging for meeting needs during emergency period

- 10 (1) This paragraph applies where—
 - (a) at any time during an emergency period, a local authority begins to meet needs under section 18, 19, 20 or 62 of CA 2014,
 - (b) at that time, the authority would have been entitled to make a charge under section 14 of that Act for meeting any of those needs, but
 - (c) the authority decided not to carry out an assessment under section 17 of that Act before beginning to meet those needs.

In this paragraph “emergency period”, in relation to section 18, 19, 20 or 62 of CA 2014, means a period for which paragraph 4, 5, 6 or (as the case may be) 9 of this Schedule has effect.

- (2) The local authority is not prevented by that decision from subsequently carrying out an assessment under section 17 of CA 2014 (whether during or after the emergency period) and deciding to make a charge for meeting those needs during that period; and nothing in that section is to be taken to prevent the authority from carrying out such an assessment, even though the authority has already begun to meet, or has met, those needs.
- (3) In so far as there is any charge for meeting any needs under section 18 or 19(2) of CA 2014 during the emergency period, the fact that condition 1, 2 or 3 in section 18 of that Act is not met at the time of the making of the charge does not affect anything already done under section 18 or (as the case may be) 19(2) of that Act.
- (4) In so far as there is any charge for meeting any needs under section 20(1) of CA 2014 during the emergency period, the fact that condition 1, 2, 3 or 4 in that section is not met at the time of the making of the charge does not affect anything already done under that section.

- (3) If—
- (a) a person is convicted of an offence under subsection (1), and
 - (b) the court by which the person is convicted is satisfied that the failure or wilful obstruction constituting the offence has caused premises or things to become infected or contaminated or otherwise damaged them in a material way,
- the court may, if it considers it appropriate to do so, order the person to take or pay for such remedial action as may be specified in the order.
- (4) Subsection (5) applies if—
- (a) a Part 1A order imposes a requirement that a person be detained or kept in isolation or quarantine in a place, and
 - (b) the person leaves that place contrary to the requirement.
- (5) A constable may take the person into custody and return the person to that place.
- (6) But a person may not be taken into custody under subsection (5) after expiry of the period for which the requirement is in force.

Regulations under Part 1A: general

Assembly control

- 25P (1) Regulations under this Part are subject to negative resolution; but this does not apply to—
- (a) regulations to which subsection (2) applies;
 - (b) regulations contained in a statutory rule by virtue of subsection (6) or section 25Q(8) (composite instruments).
- (2) Regulations to which this subsection applies (as to which, see subsections (4) and (5)) may not be made unless a draft of the regulations has been laid before, and approved by a resolution of, the Assembly.
- (3) Subsection (2) is subject to section 25Q (emergency procedure).

Status: Point in time view as at 21/03/2023. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Coronavirus Act 2020. (See end of Document for details)

- (4) Subsection (2) applies to—
- (a) regulations under section 25C (but see subsection (5)),
 - (b) regulations which amend a statutory provision pursuant to section 25F(3),
 - (c) the first regulations to be made under section 25G(7),
 - (d) the first regulations to be made under section 25L(5), or
 - (e) the first regulations to be made under section 25N.
- (5) Subsection (2) does not apply to regulations under section 25C if the regulations contain a declaration that the Department is of the opinion that the regulations do not include any provision made by virtue of section 25C(3)(c) which imposes or enables the imposition of—
- (a) a special restriction or requirement, or
 - (b) any other restriction or requirement which has or would have a significant effect on a person's rights.
- (6) A statutory rule that (in accordance with subsection (2)) is laid before, and approved by a resolution of, the Assembly may contain regulations that would, but for subsection (1) (b) and this subsection, be subject to negative resolution.

Emergency procedure

25Q(1) This section applies to regulations to which subsection (2) of section 25P applies.

- (2) The regulations may be made without a draft having been laid and approved as mentioned in subsection (2) of that section if the regulations contain a declaration that the Department is of the opinion that, by reason of urgency, it is necessary to make the regulations without a draft being so laid and approved.
- (3) After regulations are made in accordance with subsection (2), they must be laid before the Assembly.
- (4) Regulations made in accordance with subsection (2) cease to have effect at the end of the period of 28 days beginning with the day on which they are made unless, during that period, the regulations are approved by a resolution of the Assembly.
- (5) But if on any day during that period, on proceedings on a motion that (or to the effect that) the regulations be so approved, the Assembly comes to a decision rejecting the regulations, they cease to have effect at the end of that day instead.
- (6) In reckoning any such period of 28 days, no account is to be taken of any time during which the Assembly is dissolved or is in recess for more than 4 days.
- (7) Subsections (4) and (5) do not—
 - (a) affect anything done in reliance on the regulations before they ceased to have effect, or
 - (b) prevent the making of new regulations.
- (8) A statutory rule that is made in accordance with subsection (2) may contain regulations that would, but for section 25P(1)(b) and this subsection, be subject to negative resolution.

Status: Point in time view as at 21/03/2023. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Coronavirus Act 2020. (See end of Document for details)

General

Powers of entry

- 25R(1) An authorised officer has the right (subject to subsections (2) to (4)) to enter any premises at all reasonable hours for any or all of the following purposes—
- (a) ascertaining whether there is, or has been, on, or in connection with, the premises any contravention of a provision of this Part, of regulations made under this Part, or of a Part 1A order;
 - (b) ascertaining whether or not circumstances exist which would authorise or require the Regional Agency to take any action, or execute any work, under such a provision or such regulations, or in relation to such an order;
 - (c) taking any action, or executing any work, authorised or required by such a provision or such regulations, or in relation to such an order, to be taken, or executed, by the Regional Agency;
 - (d) generally, for the purpose of the performance by the Regional Agency of its functions under such a provision or such regulations, or in relation to such an order.
- (2) The right may be exercised only on producing, if so required, a duly authenticated document showing the officer's authority.
 - (3) Admission to premises is not to be demanded as of right unless 24 hours' notice of the intended entry has been given to the occupier.
 - (4) Subsection (1) does not authorise entry to any part of premises which is used as a private dwelling (but this does not affect the power of a magistrates' court under subsection (5) to issue a warrant authorising entry to a private dwelling or to any part of premises used as a private dwelling).
 - (5) If it is shown to the satisfaction of a magistrates' court on sworn information in writing that the first and second conditions (set out in subsections (6) and (7)) are met in relation to any premises, the court may by signed warrant authorise the Regional Agency, by any authorised officer, to enter the premises, if need be by force.
 - (6) The first condition is that there is reasonable ground for entry into the premises for any such purpose as is mentioned in subsection (1).
 - (7) The second condition is that any of the following is the case—
 - (a) admission to any premises has been refused;
 - (b) if admission to the premises is requested, it will be or is likely to be refused;
 - (c) a request for admission would defeat the object of the entry;
 - (d) the occupier is temporarily absent;
 - (e) the premises are unoccupied; or
 - (f) the case is one of urgency.
 - (8) If the case falls within subsection (7)(a) to (d), a warrant must not be issued unless the court is also satisfied—
 - (a) that notice of the intention to apply for a warrant has been given to the occupier, or
 - (b) that the giving of such notice would defeat the object of the entry.

Status: Point in time view as at 21/03/2023. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Coronavirus Act 2020. (See end of Document for details)

- (2) On leaving any unoccupied premises which the officer has entered by virtue of such a warrant, the officer must leave them as effectively secured against trespassers as the officer found them.
- (3) The officer may for the purpose for which entry is authorised—
- (a) search the premises,
 - (b) carry out measurements and tests of the premises or of anything found on them,
 - (c) take and retain samples of the premises or of anything found on them,
 - (d) inspect and take copies or extracts of any documents or records found on the premises,
 - (e) require information stored in an electronic form and accessible from the premises to be produced in a form in which it can be taken away and in which it is visible and legible or from which it can readily be produced in a visible and legible form, and
 - (f) seize and detain or remove anything which the officer reasonably believes to be evidence of any contravention relevant to the purpose for which entry is authorised.
- (4) Every warrant issued under section 25R continues in force until the purpose for which the entry is necessary has been satisfied.
- (5) Nothing in section 25R or this section limits the other provisions of this Part, or of regulations made under it, with respect to entry into or upon, and inspection of, any premises.

Offence of obstruction

- 25T (1) A person who wilfully obstructs any person acting in the execution of a right under sections 25R and 25S, or of a warrant under section 25R, is guilty of an offence.
- (2) A person guilty of an offence under subsection (1) is liable on summary conviction to a fine not exceeding level 5 on the standard scale.
