

Genetic Technology (Precision Breeding) Act 2023

CHAPTER 6

GENETIC TECHNOLOGY (PRECISION BREEDING) ACT 2023

PART 1

PRECISION BREEDING: DEFINITIONS

- 1 Precision bred organism
- 2 Meaning of “plant” and “animal”

PART 2

PRECISION BRED ORGANISMS: RELEASE, MARKETING AND RISK ASSESSMENTS

Release

- 3 Restrictions on release of precision bred organism in England
- 4 Release of precision bred organism: notification requirements

Marketing

- 5 Restrictions on marketing of precision bred organism in England

Precision bred confirmation

- 6 Application for precision bred confirmation
- 7 Report by advisory committee
- 8 Issue of precision bred confirmation
- 9 Revocation of precision bred confirmation

Changes to legislation: There are currently no known outstanding effects for the Genetic Technology (Precision Breeding) Act 2023. (See end of Document for details)

Relevant animals: precision bred animal marketing authorisation

- 10 Meaning of “relevant animal”
- 11 Application for precision bred animal marketing authorisation
- 12 Report by welfare advisory body
- 13 Issue of precision bred animal marketing authorisation

Protection of relevant animals following issue of marketing authorisation

- 14 Precision bred animal marketing authorisations: reporting obligations
- 15 Suspension and revocation of precision bred animal marketing authorisation

Reviews and appeals relating to Part 2

- 16 Reviews and appeals relating to Part 2

Risk assessments

- 17 Restrictions on importation and acquisition of precision bred organisms in England

Register

- 18 Precision breeding register

Monitoring and inspection

- 19 Inspectors
- 20 Monitoring and inspection of Part 2 obligations
- 21 Meaning of “Part 2 obligation”

Release and marketing: general provisions

- 22 Advisory bodies
- 23 Advisory bodies: time limits etc
- 24 Meaning of “qualifying progeny”
- 25 Precision bred animal marketing authorisation: adverse effects

PART 3

FOOD AND FEED PRODUCED FROM PRECISION BRED ORGANISMS

- 26 Regulation of food and feed produced from precision bred organisms
- 27 Food and feed marketing authorisations: register
- 28 Monitoring and inspection of Part 3 obligations
- 29 Meaning of “Part 3 obligation”
- 30 Interpretation of Part 3

PART 4

ENFORCEMENT

Enforcement of relevant breaches: general provisions

- 31 Meaning of “relevant breach” etc
- 32 Enforcement

Changes to legislation: There are currently no known outstanding effects for the Genetic Technology (Precision Breeding) Act 2023. (See end of Document for details)

Enforcement notices

- 33 Compliance notices
- 34 Stop notices
- 35 Monetary penalty notices
- 36 Content of enforcement notices: further provision
- 37 Enforcement notices: reviews and appeals

Costs

- 38 Costs

PART 5

GENERAL

- 39 Fees
- 40 Notices and documents
- 41 Consequential amendments of the Environmental Protection Act 1990
- 42 Power to make consequential provision
- 43 Regulations
- 44 Interpretation
- 45 Financial provisions
- 46 Crown application
- 47 Extent and application to sea areas
- 48 Short title and commencement

Changes to legislation:

There are currently no known outstanding effects for the Genetic Technology (Precision Breeding) Act 2023.
