

Pipe-lines Act 1962

1962 CHAPTER 58

*Provisions for avoiding Obstructions to Navigation
and Interference with telegraphic, &c, Lines*

40 Avoidance of interference with telegraphic, and c, lines

- (1) Electrical apparatus forming part of a pipe-line shall be so constructed, installed and used as to prevent interference with any telegraphic line belonging to, or used by, the Postmaster General or with communication by means of any such line or with any apparatus used by railway undertakers for the purpose of signalling, or of controlling, directing or securing the safety of, traffic on their railway or the proper functioning of such apparatus.
- (2) The expression " Act of Parliament" in section seven of the Telegraph Act, 1878 (which makes provision as to work done in pursuance of Acts of Parliament involving any telegraphic lines), shall be construed as including a compulsory rights order.
- (3) In this section " telegraphic line " has the same meaning as in the Telegraph Act, 1878.
