*Submission and approval of schemes and procedure
for determining whether scheme to remain in force*

1 Submission of schemes.

- (1) A scheme regulating the marketing of an agricultural product by the producers thereof, other than a substitutional scheme, may be submitted to the Minister for his approval by any persons who satisfy the Minister that they are substantially representative of the persons who produce that product in the area to which the scheme is applicable, and, subject to subsection (4) of this section, a substitutional scheme may be submitted to the Minister for his approval by the board or boards administering the scheme or schemes revoked by the substitutional scheme.
- (2) A scheme may be applicable to Great Britain or any part thereof or to Great Britain or any part thereof and also to Northern Ireland or any part thereof but shall not be applicable only to Northern Ireland or a part thereof.
- (3) For the purpose of satisfying himself as mentioned in subsection (1) of this section, the Minister shall have regard both to the number of persons represented and to the

quantity of the agricultural product to which the scheme relates produced by them in the area to which the scheme is applicable during some recent period before the scheme is submitted.

- (4) Before a substitutional scheme is submitted to the Minister under subsection (1) of this section it shall be published in the prescribed manner to all producers registered under the scheme revoked by it or (where it revokes more schemes than one) to all producers registered under each of them, and if, within the prescribed period after it has been so published to producers registered under a scheme revoked by it, a poll on the question whether it shall be submitted to the Minister is demanded by the prescribed number or the prescribed proportion, as the case may be, of the producers registered under the scheme revoked, the substitutional scheme shall not be submitted to him unless a poll on that question has been taken and the result thereof shows that the requisite majority of those producers has voted in favour of its submission.

In this subsection “prescribed” means, in relation to a scheme revoked by a substitutional scheme, prescribed by the scheme revoked.

2 **Approval of schemes.**

- (1) Before approving a scheme submitted under the foregoing section, the Minister shall cause to be published, in the Gazette and in such other manner as he thinks best for informing persons affected, a notice—
- (a) stating that the scheme has been submitted to him.
 - (b) specifying the place where copies of the scheme may be obtained, on payment of such fee as may be specified in the notice, and inspected, and
 - (c) specifying the period, which shall not be less than six weeks after the date of publication of the notice in the Gazette, within which objections and representations with respect to the scheme may be made.
- (2) Every objection shall be made to the Minister in writing and shall state the grounds of objection and the specific modifications required.
- (3) Where an objection has been duly made to a scheme by a person affected thereby and has not been withdrawn, the Minister, unless he considers the objection to be frivolous, or unless he proposes to modify the scheme to meet the objection, shall, before taking any further action under this section, direct a public inquiry to be held and consider the report of the person who held the inquiry.
- (4) After considering any scheme duly submitted to him under the foregoing section and any objections and representations duly made with respect thereto, and after holding such inquiries, if any, as he thinks fit or is required to hold under this section, the Minister may, subject to the following provisions of this section, make such modifications in the scheme as he thinks proper.
- (5) No scheme shall be modified by the Minister so as to be applicable to any area to which it would not have been applicable without modification.
- (6) Before making any modifications in a scheme, the Minister shall give notice of the proposed modifications to such persons (not being less than nine nor more than twenty-one) as may be nominated for the purpose, at the time of the submission of the scheme, by the persons submitting the scheme, and unless, within four weeks after notice has been so given or such longer time as the Minister may allow, more than half the persons

so nominated notify the Minister that they assent to the modifications, the Minister shall take no further action under this section.

- (7) If the Minister, after making such modifications, if any, as aforesaid, is satisfied that the scheme will conduce to the more efficient production and marketing of the regulated product, he may, subject to subsection (9) of this section, lay before Parliament a draft of the scheme, and if each House of Parliament resolves that the scheme shall be approved the Minister shall make an order approving the scheme in terms of the draft.
- (8) The Minister, on laying before Parliament a draft of a scheme under the last foregoing subsection, shall at the same time lay before Parliament—
 - (a) if the scheme is not a substitutional scheme, a report as to the evidence by which he has been satisfied for the purposes of subsection (1) of section one of this Act that the persons submitting the scheme were duly representative; or
 - (b) if the scheme is a substitutional scheme, a report showing that the provisions of subsection (4) of the said section one have been complied with.
- (9) A draft of a scheme which, by the terms of the draft, is to apply to Northern Ireland or any part thereof shall not be laid before either House of Parliament under subsection (7) of this section unless each House of the Parliament of Northern Ireland has resolved that it is expedient that a scheme in the terms of the draft should, if approved under the said subsection (7), extend to Northern Ireland.
- (10) If the draft of a scheme which, by the terms of the draft, is to be applicable to Northern Ireland or any part thereof has been laid before either House of the Parliament of Northern Ireland and that House has resolved that it is not expedient that the scheme should extend to Northern Ireland, the Minister may thereupon make in the draft of the scheme such modifications as are necessary in order to prevent the scheme applying to any part of Northern Ireland and such other modifications, being modifications consequential on the modifications aforesaid, as he may think fit; and subsection (6) of this section shall apply in relation to the modifications and they shall be taken into account by the Minister under subsection (7) of this section before he lays the draft of the scheme before Parliament.
- (11) Where the Minister has made an order under subsection (7) of this section approving a scheme, the scheme shall, subject to the provisions of this Part of this Act, come into force on such date as may be specified in the order, being a date after the latest date on which either House of Parliament resolves that the scheme shall be approved; and the making of the order shall be conclusive evidence that the requirements of this Act have been complied with and that the order and the scheme approved thereby have been duly made and approved and are within the powers conferred by this Act.
- (12) As soon as possible after making an order under subsection (7) of this section, the Minister shall cause the order to be published in the Gazette and in such other manner as he thinks best for informing persons affected.
- (13) Any inquiry under this section shall be held by a competent and impartial person appointed by the Minister, and shall be held in accordance with rules made by the Minister for the purpose; and those rules may contain provisions as to the costs of the inquiry and shall be subject to annulment in pursuance of a resolution of either House of Parliament.
- (14) Such expenses of any inquiry under this section as may be incurred by the Minister with the approval of the Treasury shall be defrayed out of moneys provided by Parliament.

 - (b) subsection (3) shall apply, in relation to each poll, as if the provisions of the scheme, so far as they apply to the product in respect of which the poll is taken, were a separate scheme.

10 Losses sustained by boards to be recoverable in the same way as penalties.

- (1) Where a contravention of a provision of a scheme (being a contravention for which the disciplinary committee have the duty to impose, and the board the duty to recover, a penalty) causes loss to the board, the disciplinary committee may, if the written statement of the charge served on the producer in accordance with the provisions of subsection (4) of the last foregoing section embodies an estimate by the board of the amount of the loss, together with a statement of the grounds on which that estimate is based, require by their decision that the producer shall pay to the board, in addition to any penalty imposed, such sum, to be stated in the decision, as the committee may think fit, not exceeding the sum which appears to the committee justly to represent the amount of the loss.

Provided that the amount so stated in the decision shall not exceed the amount stated in the said estimate.

- (2) Where the written statement of the charge served on a producer in accordance with the provisions of subsection (4) of the last foregoing section embodies such an estimate of the loss caused to the board as is referred to in subsection (1) of this section, no loss caused to the board by the contravention to which the charge relates shall be recoverable from the producer otherwise than in the manner for which provision is made by subsection (1) of this section, and, whether or not the written statement of the charge embodies such an estimate as aforesaid, the penalty itself shall not be fixed with a view to recovering the whole or any part of any loss caused to the board by the contravention.
- (3) Where such a contravention as aforesaid is concerned with the giving of information or returns to the board and as a result of the contravention the board fail to assess on or demand from the producer a contribution or other payment, or the full amount of a contribution or other payment, which they are entitled to receive from him, the contribution or payment, or the amount not assessed or demanded, as the case may be, shall, if the board so elect by including an estimate of the amount thereof in the written statement of the charge served on the producer in accordance with the provisions of subsection (4) of the last foregoing section, be treated for the purposes of this section as lost to the board by reason of the contravention.

11 Power to postpone imposition of penalty.

So much of any scheme as, in pursuance of subsection (2) of section nine of this Act, requires the disciplinary committee to impose penalties on a registered producer and the board to recover penalties from such a producer shall not be construed as preventing the disciplinary committee, if they find that a contravention has occurred, from postponing the imposition of a penalty for such period, not exceeding twelve months, as may be specified in the scheme, but save as aforesaid nothing in this section, in subsections (4) to (8) of the said section nine or in the last foregoing section shall

be construed as derogating from the duty to impose and recover penalties which is required by the said subsection (2) to be provided for by every scheme.

12 Enforcement of decisions of disciplinary committee and power to state cases.

- (1) Section twenty-one of the ^{M2}Arbitration Act, 1950 (which relates to the statement of cases by arbitrators and umpires) and section twenty-six of that Act (which relates to the enforcement of awards) shall apply in relation to the hearing and determination of the matters which by virtue of any of the provisions of this Act are referred to the disciplinary committee of a board, and in relation to the enforcement of the decisions of that committee, as if the proceedings were an arbitration under an arbitration agreement to which the board and the producer were parties and as if the disciplinary committee were the arbitrator or umpire appointed by the agreement.
- (2) Subsection (1) of this section shall not apply to Scotland and the following provisions shall have effect in Scotland in lieu thereof—
 - (a) the disciplinary committee of a board may, and if so directed by the Court of Session shall, state a case for the opinion of that Court on any question of law arising in the proceedings relating to any matter referred to the committee by virtue of any of the provisions of this Act, and an appeal shall lie with the leave of the Court of Session or of the House of Lords from any decision of the Court of Session under this paragraph and such leave may be given on such terms as to expenses or otherwise as the Court of Session or the House of Lords may determine;
