- " the Tribunal " means the Lands Tribunal.
- 2 (1) The Board shall not be required to pay compensation in respect of expenses incurred in carrying out any work unless—
- (a) not less than the prescribed length of time before the work was begun, the person incurring the expenses gave to the Board, in the prescribed manner, notice in writing containing adequate particulars of the work, together with a statement of the time when it was proposed to carry out the work and an estimate of the cost of the work, and
- (b) at all reasonable times after the service of that notice, that person afforded to the Board reasonable facilities to inspect the land to which the notice related, in so far as he was in a position to afford such facilities.
- (2) In the following provisions of this Schedule "the applicant", in relation to a notice under this paragraph, means the person who gave that notice.
- 3 Where a notice has been given under the last preceding paragraph, the Board, within the prescribed time after the giving of that notice, may serve on the applicant a counter-notice, stating—

- (b) that they object thereto on such one or more grounds as may be specified in the counter-notice, being one or more of the grounds mentioned in the next following paragraph.
- 4 Subject to the next following paragraph, the said grounds, in relation to any work specified in a notice under paragraph 2 of this Schedule, are the following, that is to say,—

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) that the work could not reasonably be regarded as work falling within paragraph (b) of subsection (1) of section twenty-two of this Act;
  - (b) that the work is likely to be ineffective, or is by its nature unsuitable to the land in question, or is proposed to be carried out in an unsuitable way;
  - (c) that the estimated cost of the work is grossly disproportionate to any prospective increase attributable to the work in the value of the land;
  - (d) that the work, in a case where the former use of the land in question was agricultural, would not be appropriate to the use of that land for agriculture, or, in any other case, would not be appropriate to the use of that land for its former use;
  - (e) that the work would not be required but for dilapidation, deterioration or damage which has occurred since the end of the period of occupation and is attributable to default on the part of the owner or of an occupier of the land;
  - (f) that the work, if carried out at the time specified in the applicant's notice, would be premature;
  - (g) that the work, if carried out at the time specified in the applicant's notice, would not have been carried out at the first reasonable opportunity after the end of the period of occupation, or within a reasonable time after that opportunity arose.
- 5 (1) In so far as a notice given under paragraph 2 of this Schedule (in this paragraph referred to as "the current notice") specifies any work (in this paragraph referred to as "the new work ") in a case where the applicant has previously given one or more notices under that paragraph specifying similar work which he proposed to carry out in respect of the same land, the last preceding paragraph shall apply in relation to the new work with the substitution, for sub-paragraph (c) of that paragraph, of the following sub-paragraph (in this paragraph referred to as "the substituted sub-paragraph (c) "):—
- “(c) that the aggregate cost of that work and of all relevant work specified in previous notices relating to the same land is grossly disproportionate to the aggregate increase attributable to all such work in the value of the land”.
- (2) In the substituted sub-paragraph (c) the reference to the aggregate cost of the new work and of all other relevant work specified in previous notices relating to the same land is a reference to the aggregate of—
- (a) the estimated cost of the new work, and
  - (b) the estimated cost of any similar work specified in any previous notice given by the applicant which is still outstanding on the relevant date, and
  - (c) the proper cost of any similar work specified in any previous notice given by the applicant in respect of which a claim for compensation has been allowed before the relevant date or is still outstanding on that date.
- (3) In the substituted sub-paragraph (c) the reference to the aggregate increase attributable to all such work as is therein mentioned in the value of the land is a reference to the aggregate of—
- (a) the prospective increase in that value attributable to the new work, and
  - (b) the prospective increase in that value attributable to any similar work specified in any previous notice given by the applicant which is still outstanding on the relevant date, and
  - (c) the increase in that value attributable to any similar work specified in any previous notice given by the applicant in respect of which a claim for

compensation has been allowed before the relevant date or is still outstanding on that date.

- (4) For the purposes of sub-paragraphs (2) and (3) of this paragraph—
- (a) a previous notice specifying similar work shall be taken to be outstanding on the relevant date if—
    - (i) such a notice has been given before the relevant date and has not been withdrawn, and
    - (ii) either the Board have not before that date served a counter-notice objecting to that work, or, if they have served such a counter-notice, that objection has before that date been withdrawn or determined by the Tribunal not to be well-founded, and
    - (iii) no claim for compensation has before the relevant date been made in respect of expenses incurred in carrying out that work;
  - (b) a claim for compensation in respect of any work shall be taken to have been allowed before the relevant date if before that date—
    - (i) a claim for compensation has been made in respect of expenses incurred in carrying out that work, and
    - (ii) it has been agreed by the Board, or determined by the Tribunal, that compensation is payable in respect of those expenses, whether the amount of compensation so agreed or determined to be payable was the amount claimed or a different amount;
  - (c) a claim for compensation in respect of any work shall be taken to be still outstanding on the relevant date if at that date—
    - (i) a claim for compensation has been made in respect of expenses incurred in carrying out that work, and
    - (ii) that claim has not been withdrawn, and it has not been determined by the Tribunal that no compensation is payable in respect of those expenses, but
    - (iii) it has not been agreed by the Board, or determined by the Tribunal, that compensation is payable in respect of those expenses.
- (5) In this paragraph " similar work ", in relation to the new work, means work directed to the same aspect of restoration as the new work; " previous notice ", in relation to the current notice, means a notice given under paragraph 2 of this Schedule before the date on which the current notice was given; and " the relevant date ", in relation to the current notice, means the date on which the Board serve a counter-notice objecting to the new work, or the date on which the time for serving such a counter-notice expires, whichever is the earlier.
- (6) In the following provisions of this Schedule (except where the contrary is expressly provided) any reference to sub-paragraph (c) of the last preceding paragraph, in relation to work to which that paragraph applies in accordance with sub-paragraph (1) of this paragraph, shall be construed as a reference to the substituted sub-paragraph (c), and any reference in this Schedule to the grounds mentioned in the last preceding paragraph shall be construed accordingly.
- 6 For the purpose of determining whether an objection on the grounds mentioned in sub-paragraph (c) of paragraph 4 of this Schedule is well-founded, the estimated cost of any work shall be taken to be such amount as may be agreed, or determined by the Tribunal, to be a fair estimate of the cost of the work, whether that amount

---

*Status: This is the original version (as it was originally enacted).*

---

is equal to, or greater or less than, the estimated cost of the work as stated in the applicant's notice specifying that work.

- 7 (1) In sub-paragraph (e) of paragraph 4 of this Schedule, the reference to default on the part of the owner or of an occupier of the land shall be construed in accordance with the following provisions of this paragraph.
- (2) In relation to agricultural land, the reference to default on the part of the owner shall be construed as a reference to failure on his part to manage the land in accordance with the rules of good estate management, and the reference to default on the part of an occupier of the land shall be construed as a reference to failure on the part of such an occupier to fulfil his responsibilities to farm the land in accordance with the rules of good husbandry.
- (3) In relation to any other land, the reference to default on the part of the owner shall be construed as a reference to failure on his part to deal with the land in a proper and due course of management, and the reference to default on the part of an occupier of the land shall be construed as a reference to failure on the part of such an occupier to maintain and use the land in a reasonable manner.
- (4) Sections ten and eleven of the Agriculture Act, 1947 (which prescribe tests for determining good estate management and good husbandry) shall apply for the purposes of sub-paragraph (2) of this paragraph.
- (5) In the application of this paragraph to Scotland, for the reference to sections ten and eleven of the Agriculture Act, 1947, there shall be substituted a reference to the Fifth and Sixth Schedules to the Agriculture (Scotland) Act, 1948.
- 8 Where a notice has been given under paragraph 2 of this Schedule, and the applicant has incurred expenses in carrying out any of the work specified in that notice, and claims compensation in respect of those expenses.—
- (a) if the Board have not served a counter-notice under paragraph 3 of this Schedule in respect of that notice, they shall not be entitled to object to that claim on any of the grounds mentioned in paragraph 4 of this Schedule;
- (b) if the Board have served such a counter-notice, they shall not be entitled to object to that claim on any of the grounds mentioned in paragraph 4 of this Schedule, except in so far as the claim relates to items which were specified in the counter-notice and the objection is on grounds which were so specified in relation to those items.
- 9 (1) Where a notice has been given under paragraph 2 of this Schedule, and the Board have served a counter-notice objecting to the work specified in the notice, or to one or more items thereof, the applicant, before beginning to carry out any item to which such an objection relates, may require the question whether the objection is well-founded to be referred to the Tribunal.
- (2) If on such a reference the Tribunal determines that the objection is not well-founded, and the applicant incurs expenses in carrying out any of the work to which the objection relates and claims compensation in respect of those expenses, then (in addition to any grounds on which the Board are precluded by the last preceding paragraph from objecting to that claim) the Board shall not be entitled to object to that claim on any of the grounds which were the grounds of that objection.
- (3) If on such a reference the Tribunal determines that the objection is well-founded, and the applicant incurs expenses in carrying out any of the work to which the Objection relates, and claims compensation in respect of those expenses.—

- (a) if the objection was on the grounds mentioned in any of sub-paragraphs (a), (b), (c), (d) and (e) of paragraph 4 of this Schedule, no compensation shall be payable in respect of those expenses;
  - (b) if the objection was on the grounds mentioned in sub-paragraph (f) of the said paragraph 4, no compensation shall be payable in respect of those expenses by virtue of the notice referred to in sub-paragraph (1) of this paragraph, but without prejudice to the service of a further notice under paragraph 2 of this Schedule in respect of the work in question;
  - (c) if the objection was on the grounds mentioned in sub-paragraph (g) of the said paragraph 4, the expenses shall be disallowed by virtue of this sub-paragraph in so far as (but no further than) they were greater than they would have been if the work to which the objection related had been carried out at the first reasonable opportunity after the end of the period of occupation.
- 10 (1) If, in a case where a notice has been given under paragraph 2 of this Schedule, and the Board have served a counter-notice objecting to the work specified in the notice, or to one or more items thereof,—
  - (a) the applicant incurs expenses in carrying out work to which the objection relates, without having required the question whether the objection is well-founded to be referred to the Tribunal, and claims compensation in respect of those expenses,
  - (b) on a reference to the Tribunal with respect to that claim the Board maintain the objection, and
  - (c) on that reference the Tribunal determines that the objection is well-founded, the provisions of heads (a) to (c) of sub-paragraph (3) of the last preceding paragraph shall apply (subject to the following provisions of this paragraph) as they apply in the circumstances mentioned in that sub-paragraph.
- (2) Where the objection was on the grounds mentioned in sub-paragraph (c) of paragraph 4 of this Schedule (otherwise than in a case falling within paragraph 5 of this Schedule) so much of the preceding sub-paragraph as relates to the maintenance of the objection, and to a determination that the objection is well-founded, shall apply as if, in the said sub-paragraph (c), the reference to the estimated cost of the work were a reference to the proper cost of the work.
- (3) Where the objection was on the grounds mentioned in the substituted sub-paragraph (c), within the meaning of paragraph 5 of this Schedule, so much of sub-paragraph (1) of this paragraph as relates to the maintenance of the objection, and to a determination that the objection is well-founded, shall apply as if, in the said paragraph 5, any reference to the relevant date were a reference to the date on which the question whether compensation is payable in respect of expenses incurred in carrying out the new work (within the meaning of that paragraph) falls to be determined by the Tribunal, and the objection had been formulated accordingly.
- 11 (1) Subject to the next following sub-paragraph, expenses incurred in carrying out any work shall not be treated as having been reasonably incurred as mentioned in paragraph (b) of subsection (1) of section twenty-two of this Act, if the work was begun more than fifteen years after the end of the period of occupation.
- (2) The preceding sub-paragraph shall not apply to any work required for making good damage caused by the settlement of soil replaced in the course of restoring the land or any other damage to the land caused by subsidence which is attributable to anything done in the exercise of rights conferred by the compulsory rights order in question.

- 12        Where it is shown that the expenses incurred in carrying out any work exceeded the proper cost of the work, any claim for compensation in respect of those expenses shall (without prejudice to any other grounds on which the claim may be liable to be disallowed, wholly or in part) be disallowed to the extent of the excess.
- 13        (1) Except in so far as objection is made to any work on the grounds mentioned in subparagraph (c) of paragraph 4 of this Schedule, and subject to the provisions of this Schedule relating to any such objection, expenses incurred in carrying out any work shall not be disallowed (wholly or in part) on the grounds that the proper cost of that work (or of that work together with any other work) is greater than any increase attributable thereto in the value of the land.
- (2) Subject to the preceding sub-paragraph, nothing in the preceding provisions of this Schedule shall be construed as precluding the Board from maintaining any objection to a claim for compensation, in so far as the objection is on any grounds other than those mentioned in paragraph 4 of this Schedule.

incurred by the mineral operator in procuring the cancellation or modification of a contract in force immediately before the operative date, in so far as it is—

- (2) For the purposes of this paragraph there shall be assessed the profit which, for each year after the period of occupation, a person carrying on the relevant undertaking might reasonably have been expected to make by the exercise of the relevant rights and facilities, as those rights and facilities might reasonably have been expected to subsist at the end of the period of occupation, and in the circumstances which might reasonably have been expected to exist at the end of that period, if—
- (a) the compulsory rights order had not been made, and
  - (b) during the period of occupation, the person carrying on the relevant undertaking had exercised the relevant rights and facilities in the manner in which (had that order not been made) he might reasonably have been expected to exercise them.
- (3) There shall also be assessed the profit which, for each year after the period of occupation, a person carrying on the relevant undertaking might reasonably be expected to make by the exercise of the relevant rights and facilities, as those rights and facilities subsist at the end of the period of occupation, and in the circumstances existing at the end of that period, on the assumption that, during that period, he had exercised the relevant rights and facilities (so far as was reasonably practicable, having regard to the effect of the compulsory rights order) in such manner as in the circumstances he might reasonably have been expected to exercise them.
- (4) In this paragraph, and in paragraphs 8 to 10 of this Schedule, " year after the period of occupation " means a year which is either the year beginning with the end of the period of occupation or a year beginning with an anniversary of the end of that period.

- 8 (1) For each year after the period of occupation there shall be assessed the following values, that is to say.—

  - (b) the current value, as at the end of the period of occupation, of the expectation of making a profit for that year assessed in accordance with sub-paragraph (2) of that paragraph.
- (2) If the aggregate of the values assessed in accordance with head (a) of the preceding sub-paragraph is less than the aggregate of the values assessed in accordance with head (b) thereof, the mineral operator shall be entitled to compensation of an amount equal to the difference.
- 9 (1) The provisions of this and the next following paragraph shall have effect in relation to land to which this Schedule applies where, after the end of the period of occupation, it continues to be subject to a mining lease the benefit of which is held for the purposes of a mineral undertaking, and that mining lease contains a provision as to minimum rent.
- (2) For each year after the period of occupation there shall be assessed the minimum rent liability (if any) which the mineral operator might reasonably have been expected to incur under that mining lease if—
- (a) the compulsory rights order had not been made, and
  - (b) during the period of occupation, he had exercised the relevant rights and facilities in the manner in which (had that order not been made) he might reasonably have been expected to exercise them.
- (3) For each such year there shall also be assessed, in the circumstances existing at the end of the period of occupation, the minimum rent liability (if any) which the mineral operator might reasonably be expected to incur under that mining lease, on the assumption that, during that period, he had exercised the relevant rights and facilities (so far as was reasonably practicable, having regard to the effect of the compulsory rights order) in such manner as in the circumstances he might have reasonably been expected to exercise them.
- (4) In this and the next following paragraph any reference to a minimum rent liability for any year, in relation to a mining lease, is a reference to the difference between—
- (a) the rent payable for that year under that mining lease, and
  - (b) the rent which would have been payable for that year under that mining lease if the lease had not contained any provision as to minimum rent.
- (5) The preceding provisions of this paragraph shall have effect in relation to an order conferring working rights as they have effect in relation to a mining lease.
- (6) In this paragraph "rent" includes yearly or other rent, and any toll, duty, royalty or other annual or periodical payment in the nature of rent, whether payable in money or in money's worth or otherwise.
- 10 (1) The following capital equivalents shall be assessed, that is to say.—

- (3) For the purposes of this paragraph the capital equivalent of the aggregate minimum rent liabilities for any years (whether assessed in accordance with sub-paragraph (2) or sub-paragraph (3) of the last preceding paragraph) shall be taken to be the amount of a fund which, if set aside for the purpose at the end of the period of occupation, would afford a sufficient (but not more than sufficient) indemnity against those liabilities as so assessed.

*Compensation payable to owner other than mineral operator*

- 11 (1) The provisions of paragraphs 12 and 13 of this Schedule shall have effect in relation to land to which this Schedule applies where, immediately before the operative date of the order, the interest of the owner of the land, or a stratum thereof, is held by a person other than the mineral operator.
- (2) In those provisions " the separate interest" means the interest which is held as mentioned in the preceding sub-paragraph, and any reference to the owner of the separate interest is a reference to the person who is for the time being entitled to that interest.
- 12 (1) For the year beginning with the operative date of the order, and for each subsequent year which begins with an anniversary of that date and falls within the period of occupation, there shall be assessed the aggregate amount of the rent, royalties and other sums to which the owner of the separate interest might reasonably have been expected to be entitled for that year in respect of that interest, and in respect of any interest of his in any other relevant land, if—
  - (a) the compulsory rights order had not been made, and
  - (b) the person carrying on the relevant undertaking had exercised the relevant rights and facilities in the manner in which, in those circumstances, he might reasonably have been expected to exercise them.
- (2) For any such year there shall also be assessed the aggregate amount of the rent, royalties and other sums to which the owner of the separate interest might reasonably have been expected to be entitled for that year in respect of that interest, and in respect of any interest of his in any other relevant land, on the assumption that the person carrying on the relevant undertaking exercised the relevant rights and facilities during that year (so far as was reasonably practicable, having regard to the effect of the compulsory rights order) in such manner as in those circumstances he might reasonably have been expected to exercise them.
- (3) For any year for which the amount assessed under the last preceding sub-paragraph is less than the amount assessed under sub-paragraph (1) of this paragraph, the owner of the separate interest shall be entitled to compensation of an amount equal to the difference.

---

*Status: This is the original version (as it was originally enacted).*

---

- (4) In this paragraph " other relevant land" means land, other than the land in which the separate interest subsists, being land in which the mineral operator has an interest held for the purposes of the relevant undertaking.
- 13 (1) For the purposes of this paragraph there shall be assessed the market value which, at the end of the period of occupation, the separate interest might reasonably have been expected to have if—
- (a) the compulsory rights order had not been made, and
  - (b) the person carrying on the relevant undertaking had exercised the relevant rights and facilities in the manner in which in those circumstances he might reasonably have been expected to exercise them.
- (2) There shall also be assessed the market value which, in the circumstances existing at the end of the period of occupation, the separate interest might reasonably be expected to have, on the assumption that, during that period, the person carrying on the relevant undertaking exercised the relevant rights and facilities (so far as was reasonably practicable, having regard to the effect of the compulsory rights order) in the manner in which in those circumstances he might reasonably have been expected to exercise them.
- (3) If the value assessed under the last preceding sub-paragraph is less than the value assessed under sub-paragraph (1) of this paragraph, the owner of the separate interest shall be entitled to compensation of an amount equal to the difference.

*Provisions as to compensation under other provisions of Part II*

- 14 (1) Where any land to which this Schedule applies consists or forms part of land which constitutes a holding to which section seventeen, section twenty-one or section twenty-nine of this Act applies, the following provisions of this paragraph shall have effect.
- (2) Where for any year—
- (a) compensation would (apart from this sub-paragraph) be payable in respect of that holding by virtue of section seventeen of this Act, but
  - (b) it may reasonably be assumed that part of the holding would have been prevented from being used as mentioned in paragraph (c) of subsection (1) of section nineteen of this Act if the compulsory rights order had not been made, and the person carrying on the relevant undertaking had exercised the relevant rights and facilities in the manner in which, in those circumstances, he might reasonably have been expected to exercise them,
- the provisions of sections eighteen and nineteen of this Act shall apply in relation to that year as if that part of the holding were not comprised in the holding, and any reference in those sections to the entirety of the holding shall be construed accordingly.
- (3) Compensation under section twenty-two of this Act shall not be payable in respect of work carried out on land which forms part of the holding and is land to which this Schedule applies.

- (5) If only part of the holding consists of land to which this Schedule applies.—

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) section twenty-three of this Act shall have effect in relation to the holding, but

- (6) In this paragraph any reference to section seventeen, section eighteen, section nineteen, section twenty-two or section twenty-three of this Act includes a reference to the provisions of that section as applied by section twenty-nine of this Act.
- 15 (1) Where the land comprised in a compulsory rights order consists of or includes land of which, immediately before the operative date of the order, the surface is occupied by one person and any of the subjacent strata are occupied by another person, those subjacent strata shall not be treated as constituting a holding to which section seventeen, section twenty-one or section twenty-nine of this Act applies.
- (2) Where the land comprised in a compulsory rights order consists of or includes land of which, at the end of the period of occupation, the surface is owned by one person and any of the subjacent strata are owned by another person, the subjacent strata shall not be treated as constituting or forming part of a holding to which section twenty-one of this Act applies, or a holding in respect of which the provisions of that section have effect as applied by section twenty-nine of this Act.

- (2) As from the occurrence of that act or event, each of those parts of the holding shall be treated, for the purposes of sections seventeen to nineteen of this Act, as if it were a separate holding, and were a holding to which section seventeen of this Act applied:

Provided that no compensation shall be payable by virtue of section seventeen of this Act in respect of land which (in accordance with the preceding provisions of this sub-paragraph) is to be treated as a separate holding, but does not include any of the land comprised in the compulsory rights order.

- 2           Where a compulsory rights order comprises the whole or part of a holding to which section seventeen of this Act applies, and at any time on or after the operative date and before the end of the period of occupation a new tenancy is created which comprises the holding or any part thereof, that tenancy shall be disregarded for the purposes of sections seventeen to twenty of this Act, and for the purposes of the preceding paragraph, and the provisions of those sections and of that paragraph shall apply as if that tenancy had not been created.
- 3           (1) Where by virtue of section seventeen of this Act compensation is payable for any year in respect of a holding to which that section applies (or to which, in accordance with the preceding provisions of this Schedule, it is to be treated as applying), and the person entitled to that compensation is not the person who was entitled to occupy the holding on the operative date (in this paragraph referred to as " the original occupier ") and is not a person who has become entitled to the relevant interest in the holding—
- (a) on or after the death of the original occupier, in accordance with the disposition of the original occupier's estate effected by his will, or the law relating to intestacy, or the combination of his will and that law, or
- (b) under an agreement which was made for valuable consideration by the person entitled to the compensation and was in force immediately before the operative date, or under a disposition creating or transferring the relevant interest in the holding in pursuance of such an agreement,
- the compensation payable to him for that year shall not include any sum assessed in accordance with the provisions of section nineteen of this Act.
- (2) In this paragraph "the relevant interest", in relation to a person entitled to compensation for any year in respect of a holding, means the interest in or right over the holding by virtue of which he is entitled to that compensation ; " will " includes a codicil; and " disposition", where the reference is to a disposition creating or transferring an interest, does not include any provision contained in a will, but, with that exception, includes any conveyance, assignment, lease or other assurance.

- (2) For the purposes of sections twenty-one to twenty-three of this Act, each of those parts of the holding shall be treated as if it were a separate holding, and were a holding to which section twenty-one of this Act applied:
- Provided that no compensation shall be payable by virtue of any of those sections in respect of land which (in accordance with the preceding provisions of this subparagraph) is to be treated as a separate holding, but does not include any of the land comprised in the compulsory rights order.

- 7 For the purposes of section nineteen of this Act, the period preceding the operative date of a compulsory rights order, shall, in relation to a particular holding, be taken to be such period (either longer or shorter than four years) immediately preceding that date as may be agreed, or determined by the Lands Tribunal, to be appropriate, if it is shown that, in the case of that holding, a period of four years immediately preceding that date would be inappropriate for the purposes of that section.
- 8 (1) Where a person is entitled to compensation for any year in respect of a holding by virtue of section seventeen of this Act, then in so far as it is shown that—
- (a) reasonable opportunities were open to him (apart from the occupation and use of any part of the holding not comprised in the order) to mitigate any loss of profit from the holding by augmenting his income for that year in other ways, and
  - (b) those opportunities would not have been open to him if he had continued to be in occupation of the entirety of the holding,
- the amount of any profit assessed for that year under subsection (1) of section nineteen of this Act shall be reduced by the amount by which he has augmented his income for that year by availing himself of those opportunities, or by which he might reasonably have been expected to augment his income for that year if he had availed himself of those opportunities, as the case may be.
- (2) For the purposes of this paragraph no account shall be taken of any opportunities of which the person in question has not availed himself (notwithstanding that they were opportunities of the kind described in the preceding sub-paragraph) in so far as they would have involved his engaging (whether as an employed person or otherwise) in a substantially different occupation from that in which he was engaged during the period preceding the operative date of the order.
- (3) Paragraph (a) of subsection (8) of section nineteen of this Act, and the last preceding paragraph, shall apply for the purposes of this paragraph as they apply for the purposes of that section.

- (a) by virtue of section twenty-six of this Act, in respect of any improvements carried out on land comprised in that holding, being improvements of a description specified in Part I or Part VI of the Fourth Schedule to this Act, or
  - (b) by virtue of section twenty-seven of this Act, in respect of a forced sale of any property kept on or used for the purposes of that holding, or removed from that holding, as the case may be,
- the amount of any profit assessed for that year under subsection (1) of section nineteen of this Act shall be reduced by the amount of the income from that compensation which is attributable to that year.
- (2) For the purposes of the preceding sub-paragraph, the income from any compensation which is attributable to any year—
- (a) in a case where the compensation is shown to have been invested by the recipient thereof, shall be taken to be the amount of income accruing in respect of that year from the property representing the compensation, and
  - (b) in any other case, shall be taken to be an amount equal to the income which would have accrued for that year from property representing the

- 10 The provisions of paragraphs 8 and 9 of this Schedule shall have effect (with the necessary modifications) in relation to any compensation payable under paragraph 4 of the Fifth Schedule to this Act, and to any compensation received by virtue of paragraph 5 or paragraph 6 of that Schedule, as those provisions have effect in relation to compensation to which a person is entitled by virtue of section seventeen of this Act, and to compensation received by virtue of section twenty-six or twenty-seven of this Act.

  - (b) land in respect of which, immediately before the operative date, there was in force permission granted under Part III of the Act of 1947 for the land to be used for such a purpose,
- subsections (2) to (4) of section eighteen of this Act shall not apply, and for the purposes of that section, and for the purposes of paragraph (b) of subsection (1) of section nineteen of this Act, and (where applicable) for the purposes of subsection (3) of the said section nineteen, the annual value of the land for any year shall be determined in accordance with regulations made by the Minister under this paragraph.
- (2) Any regulations made under this paragraph may include provisions specifying purposes which, in relation to the provisions of this paragraph, are to be treated as purposes for which land would not normally be let from year to year.
- (3) In this paragraph any reference to any of the provisions of sections seventeen to nineteen of this Act includes a reference to that provision as applied by section twenty-nine of this Act.
- 13 (1) Where any land to which section thirty-two of this Act applies in relation to a compulsory rights order is—

- (2) For the purposes of the application of any such provision to property of a kind not normally the subject of sales in the open market, the Minister may make regulations providing for value to be ascertained by reference to such matters as may be specified in the regulations.

*Woodlands*

- 15 The Minister may by regulations make provision for modifying or adapting any of the provisions of this Act relating to compensation in respect of compulsory rights orders in their application to land which, immediately before the operative date of such an order, or the date of entry thereunder, was used as woodlands, or as woodlands of a particular description specified in the regulations.

- (2) Section twenty-two of this Act shall apply in relation to that holding as if any reference in that section to the condition in which the land was immediately before the date of entry (in so far as any such reference is applicable to the land referred to in the preceding sub-paragraph) were a reference to the condition in which that land would have been, immediately before the date of entry, if those improvements or other matters had not been carried out, or had not applied to that land, as the case may be.
- (3) Section twenty-three of this Act shall apply in relation to the holding as if, for the value mentioned in paragraph (c) of subsection (2) of that section, there were substituted the value which, at the end of the period of occupation, a freehold interest in the holding would have if—
- (a) those improvements or other matters had not been carried out, or had not applied to the land in question, as the case may be, but
  - (b) in all other respects the entirety of the holding were in the state in which it was immediately before the date of entry.

- (2) For the purposes of the preceding sub-paragraph the rent payable under a tenancy shall be taken to be subject to a liability to be reduced as therein mentioned if, under the terms and conditions of the tenancy or under any enactment applicable thereto, the tenant is entitled to require that rent to be so reduced, or is entitled to require the question whether the rent should be so reduced, or generally what rent should be payable under the tenancy, to be referred to arbitration or to any court or tribunal; and the reference in that sub-paragraph to a rent which has been so reduced in pursuance of such a liability shall be construed accordingly.
- 18 (1) No compensation shall be payable under subsection (2) of the said section thirty-two for any year for which the owner of the relevant land is entitled to compensation under subsection (2) of section thirty-one of this Act in respect of a right to which this paragraph applies.

  - (b) that the benefit of the right is annexed to the relevant land, or to that land together with other land, or (if the benefit of the right is not so annexed) that the right is exercisable by a person who is the owner of the relevant land ; and
  - (c) that the exercise of the right, in relation to any land comprised in the order, could (apart from the order) have prevented that land from being used for the purposes which, in relation to the authorisation referred to in the order, constitute the authorised purposes.
- 19 In paragraphs 17 and 18 of this Schedule any reference to the relevant land shall be construed in accordance with subsection (2) of section thirty-two of this Act.

*Restricted lettings, and easements and similar rights*

- 20 This paragraph applies to the following rights, that is to say.—

- 21 For the purposes of the following provisions of this Act, that is to say, subsections (2) and (3) of section seventeen, subsection (2) of section twenty-one, subsection (1) of section twenty-nine, and the provisions of subsection (3) of section seventeen as applied by subsection (2) of section twenty-nine, any right to which the last preceding paragraph applies shall be disregarded; and, in relation to any land which is subject to any such right, those provisions shall apply as if that right had not been conferred, reserved or otherwise acquired, as the case may be.

- 22 (1) Where in accordance with the provisions of section seventeen of this Act (as modified by the last preceding paragraph) any land constitutes a holding to which that section applies, and, during any year for which compensation is payable in respect of that holding by virtue of that section, any land comprised in the holding is subject to any right to which paragraph 20 of this Schedule applies, the provisions of the next following sub-paragraph shall have effect as to the assessment under section nineteen of this Act of profit or loss for that year in respect of that holding.
- (2) Any profit or loss required to be so assessed under subsection (1) of section nineteen of this Act, and (if the remainder of the holding referred to in subsection (3) of that section includes any of the land which is subject to the right in question) any profit or loss required to be so assessed for that year under subsection (3) of that section, shall be assessed on the basis of an occupation of the holding, or of the remainder of the holding, as the case may be.—
- (a) subject to that right, in so far as it would (if the compulsory rights order had not been made) have been exercisable during the year in question in relation to land comprised in the holding, or in the remainder of the holding, as the case may be, but
- (b) with the benefit of any rent which (if the order had not been made) would have been payable for that year in respect of the exercise of that right in relation to any such land, and
- (c) in all other respects, on the terms and in the circumstances specified in subsection (1) or subsection (3) of that section, as the case may be.
- (3) For the purposes of the last preceding sub-paragraph it shall be assumed that the manner and extent of the exercise of the right in question, during the year for which the profit or loss is required to be assessed, is such as it might reasonably have been expected to be during that year if the compulsory rights order had not been made.
- (4) Where the preceding provisions of this paragraph have effect in relation to the assessment of compensation for any year in accordance with section nineteen of this Act, and in respect of the right in question, in so far as it relates to land comprised in the holding, any rent is payable for that year (notwithstanding the compulsory rights order) to the person entitled to that compensation, the amount of that compensation (calculated apart from this sub-paragraph) shall be reduced by the amount of that rent.

- 24 Any agreement for the letting of land or the grant of a licence in respect of land, where, before the agreement was entered into, the letting or grant was approved by the Minister of Agriculture, Fisheries and Food for the purposes of section two

of the Act of 1948 (which relates to the effect of certain lettings and licences to occupy agricultural land, but excepts lettings and licences approved by the said Minister from the operation of the section) shall be treated for the purposes of section seventeen of this Act as conferring a right to occupy the land to which the agreement relates, if apart from this paragraph it would not be treated as conferring such a right.

25 Where the whole or part of a holding to which section seventeen of this Act applies consists of land occupied under a letting or licence approved by the Minister of Agriculture, Fisheries and Food for the purposes of section two of the Act of 1948, and—

- (a) by the agreement under which the land was let or the licence granted a right to use the land for specified purposes was reserved to the person letting the land or granting the licence, as the case may be;
- (b) the exercise of that right is prevented or injuriously affected by reason of the compulsory rights order or of anything done in the exercise of rights conferred by the order; and

- (a) in relation to the entirety of the holding, with respect to the part of that year ending with that act or event, and
- (b) in relation to each of those separate holdings, with respect to the part of that year after that act or event,

as if any reference in those provisions to a year included a reference both to the part of that year ending with that act or event and to the part of that year after that act or event.

(2) Where in consequence of any act or event occurring on or after the operative date of a compulsory rights order and before the end of the period of occupation, other than any such act or event as is mentioned in the preceding sub-paragraph,—

RESPECT OF MORTGAGES AND MINING LEASES AND ORDERS

- 1 (1) The provisions of this paragraph shall have effect where—
- (a) the land comprised in a compulsory rights order consists of or includes land falling within paragraphs (a) and (b) of subsection (1) of section twenty-four of this Act, and
  - (b) the tenancy under which the tenant could have claimed compensation for the improvements or special system of farming in question, or a subsequent tenancy under which the tenant has retained or succeeded to the relevant right to compensation, terminates on or after the date of entry, but before the end of the period of occupation, without being succeeded by another such subsequent tenancy.

- (2) In the circumstances specified in the preceding sub-paragraph, the provisions of the Act of 1948 as to compensation for long-term improvements, and as to compensation for a special system of farming.—
- (a) shall apply, in relation to the tenancy terminating as mentioned in that sub-paragraph, as if, at the termination of that tenancy, the land in question were in the state in which it was immediately before the date of entry, and
  - (b) if the tenant under that tenancy quitted the holding before the termination of his tenancy, shall so apply as if he had quitted the holding on the termination of his tenancy.
- (3) Subsection (5) of section twenty-four of this Act shall apply for the purposes of sub-paragraph (1) of this paragraph as it applies for the purposes mentioned in that subsection ; and subsection (6) of that section shall apply in relation to the last preceding sub-paragraph as it applies in relation to subsection (2) of that section.
- 2 (1) The provisions of this paragraph shall have effect where land comprised in an agricultural holding is comprised in a compulsory rights order (whether any other land is comprised in the holding, or comprised in the order, or not), and—
- (a) before the date of entry long-term improvements qualifying for compensation under the Act of 1948 (in this Act referred to as " the former improvements ") had been carried out on the land in question, or a special system of farming qualifying for compensation under that Act (in this paragraph referred to as " the former system") had been adopted on that land, and
  - (b) at the end of the period of occupation the circumstances are such that the provisions of the Act of 1948 referred to in subsection (2) of section twenty-four of this Act (as extended by subsection (6) of that section) would have applied as mentioned in subsection (3) of that section, but for the fact that the benefit of the former improvements, or the increased value attributable to the former system, as the case may be, has been replaced or regained, on the restoration of the land, by works (in this paragraph referred to as " the new improvements ") or the continuous adoption of a system of farming (in this paragraph referred to as " the new system ") of comparable benefit to the land.
- (2) In the circumstances specified in the preceding sub-paragraph, the said provisions of the Act of 1948 shall have effect in relation to the new improvements or the new system, as the case may be, as if those improvements had been carried out, or that system had been adopted, by the person who carried out or adopted the former improvements or the former system.

- (a) after the end of the period of occupation expenses are incurred in replacing the benefit of the improvements by other long-term improvements of comparable benefit to the land, or in regaining the increased value attributable to that system of farming by the continuous adoption of a special system of farming of comparable benefit to the land, as the case may be, and

- (b) the person incurring those expenses (whether he is the landlord or not) is entitled to compensation in respect of those expenses under section twenty-two of this Act,
- the provisions of the Act of 1948 shall apply as if the works in respect of which those expenses are incurred were improvements carried out by the landlord at the request of the tenant, if apart from this paragraph they would not constitute such improvements.
- (2) Subsection (8) of section fourteen of this Act shall not affect the operation of section nine of the Act of 1948 in so far as the said section nine applies in accordance with the preceding sub-paragraph.
- 4 (1) The provisions of this paragraph shall apply where—

- (2) The landlord or the tenant of the agricultural holding may, by notice in writing served on his tenant or landlord, demand a reference to arbitration under the Act of 1948 of the question whether any of the terms and conditions of the contract of tenancy (including any term or condition relating to rent) should be varied in consequence of any change in the state of the land resulting from the occupation or use of the land in the exercise of rights conferred by the order.
- (3) On a reference under this paragraph the arbitrator shall determine what variations (if any) should be made in the terms and conditions of the contract of tenancy, as mentioned in the last preceding sub-paragraph, and the date (not being earlier than the end of the period of occupation) from which any such variations are to take effect or to be treated as having taken effect; and as from that date the contract of tenancy shall have effect, or, as the case may be, shall be treated as having had effect, subject to any variations determined by the arbitrator under this paragraph.
- (4) Section seventy-seven of the Act of 1948 shall apply to references to arbitration by virtue of this paragraph as it applies to matters which by virtue of the Act of 1948 are required to be determined by arbitration thereunder.
- (5) The provisions of this paragraph shall not affect any right of the landlord or the tenant, or the jurisdiction of the arbitrator, under section eight or section nine of the Act of 1948 ; but where there is a reference to arbitration under either of those sections and under this paragraph in respect of the same agricultural holding, and it appears to the arbitrator that the reference under that section relates wholly or mainly to the consequences of the occupation or use of the land in the exercise of rights conferred by the order, he may direct that proceedings on the two references shall be taken concurrently.
- (6) In the last preceding sub-paragraph references to section nine of the Act of 1948 include references to the provisions of that section as applied by paragraph 3 of this Schedule.
- 5 (1) Where the land comprised in a compulsory rights order consists of or includes the whole or part of an agricultural holding, section thirteen of the Act of 1948 (which relates to the removal of fixtures and buildings) shall have effect in relation to the holding subject to the following provisions of this paragraph.

- (2) In relation to the service of a notice by the tenant on or after the operative date of the order, in respect of a fixture or building on a part of the holding which is within the land comprised in the order, paragraph (b) of subsection (2) of that section (under which the tenant is required to give at least one month's notice of his intention to remove a fixture or building) shall apply with the substitution, for the words " one month " , of the words " fourteen days " .
- (3) Where the tenant has given to the landlord notice under the said subsection (2) (or under that subsection as modified by the last preceding sub-paragraph) of his intention to remove a fixture or building on a part of the holding which is within the land comprised in the order, and that notice is given on or after the operative date of the order, or, if given before that date, expires on or after that date, subsection (3) of that section (under which the landlord can elect to purchase a fixture or building which the tenant has signified his intention of removing) shall not apply to that fixture or building.
- (4) The last preceding sub-paragraph shall have effect in relation to a notice served before the operative date of the order notwithstanding that the landlord has given a counter-notice in respect of the fixture or building before the operative date.
- (5) In this paragraph any reference to section thirteen of the Act of 1948 includes a reference to the provisions of that section as extended by paragraph (b) of subsection (1) of section sixty-seven of that Act (which relates to market gardens).
- 6 (1) Where an agricultural holding consists of or includes land which was comprised in a compulsory rights order, and after the end of the period of occupation the landlord proposes to carry out any such work as is mentioned in paragraph (b) of subsection (1) of section twenty-two of this Act, the landlord or any person authorised by him may at all reasonable times enter upon the holding for the purpose of carrying out that work.
- (2) Nothing in the preceding sub-paragraph shall affect any right exercisable by virtue of section seventeen of the Act of 1948 (which confers rights of entry for the purposes therein mentioned).
- 7 The provisions of paragraph 4 of this Schedule shall apply in relation to mortgages as they apply in relation to contracts of tenancy, as if any reference in that paragraph to such a contract, or to a tenancy, were a reference to a mortgage, and any reference to land consisting of or including an agricultural holding or part of an agricultural holding were a reference to agricultural land subject to a mortgage, and any reference to a landlord or to a tenant were a reference to a mortgagee or to a mortgagor, as the case may be.

## PART II

- (a) the tenancy under which that holding was held immediately before the operative date continues until after the end of the period of occupation, and
- (b) before the operative date improvements (in this paragraph referred to as " the former improvements ") had been carried out on the land in question, and
- (c) at the end of the period of occupation the circumstances are such that compensation would be payable in respect of the former improvements under section thirty of this Act, but for the fact that the benefit of those improvements has been replaced, on the restoration of the land, by works (in this paragraph referred to as " the new improvements ") of comparable benefit to the land.
- (2) In the circumstances specified in the preceding sub-paragraph, the provisions of Part I of the said Act of 1927 as to compensation for improvements shall apply to the new improvements as if they had been carried out by the person who carried out the former improvements.
- 10 Where a compulsory rights order comprises the whole or part of a holding to which section twenty-nine of this Act applies, and after the end of the period of occupation the tenant carries out improvements thereon, and, in respect of expenses incurred in carrying out those improvements, is entitled to compensation under section twenty-two of this Act as applied by section twenty-nine of this Act, those improvements shall be treated for the purposes of the Act of 1927, and for the purposes of Part II of the Landlord and Tenant Act, 1954, as if they had been carried out by the landlord.
- 11 (1) Where a holding to which Part I of the Act of 1927 applies consists of or includes land which was comprised in a compulsory rights order, and after the end of the period of occupation the landlord proposes to carry out any such work as is mentioned in paragraph (b) of subsection (1) of section twenty-two of this Act, the landlord or any person authorised by him may at all reasonable times enter upon the holding for the purpose of carrying out that work.

- (2) Nothing in the preceding sub-paragraph shall affect any right exercisable by virtue of section ten of the Act of 1927 (which confers rights of entry for the purposes therein mentioned).
- 12 (1) The provisions of this paragraph shall apply where—

- (2) The landlord or the tenant of the holding may, by notice in writing served on his tenant or landlord, demand a reference to the court of the question whether any of the terms and conditions of the contract of tenancy (including any term or condition as to rent) should be varied in consequence of any change in the state of the holding resulting from the occupation or use of the land in the exercise of rights conferred by the compulsory rights order.
- (3) On a reference under this paragraph the court shall determine what Variations (if any) should be made in the terms and conditions of the contract of tenancy, as mentioned in the last preceding sub-paragraph, and the date (not being earlier than the end of the period of occupation) from which any such variations are to take effect or to be treated as having taken effect; and as from that date the contract of tenancy shall have effect, or, as the case may be, shall be treated as having had effect, subject to any variations determined by the court under this paragraph.

  - (b) in consequence of the rights conferred by the order, or of anything done in the exercise of those rights, that obligation or restriction cannot be so performed or observed at that time,

the failure to perform or observe the obligation or restriction at that time shall be deemed not to be a breach of any of the terms and conditions of the tenancy or mortgage.

- 15 (1) Where at any time while any land was comprised in a compulsory rights order it was subject to a tenancy or mortgage which continues until after the end of the period of occupation, and at any time within twelve months after the end of that period proceedings are brought to enforce a right of re-entry, forfeiture or foreclosure, or a right to damages or any other remedy, in respect of any failure after the end of that period to comply with any of the terms and conditions of the tenancy or mortgage, the person against whom the proceedings are brought may apply in those proceedings for relief under this paragraph.
- (2) If, in a case where application is made for relief under this paragraph, the court to which the application is made is satisfied that the failure to comply with the term or condition in question was attributable to a change in the state of the land resulting from the occupation and use thereof in the exercise of rights conferred by the compulsory rights order, the court may grant such relief, in respect of the matters to which the proceedings relate, as the court may consider reasonable in the circumstances.
- 16 The provisions of paragraphs 14 and 15 of this Schedule shall be without prejudice to the provisions of paragraph 4 or paragraph 12 of this Schedule, or to any of those provisions as applied in relation to mortgages by paragraph 7 or paragraph 13 thereof.

- (a) the year beginning with the operative date of the compulsory rights order, or
  - (b) a year beginning with an anniversary of that date and falling within the period of occupation, shall not exceed the aggregate amount of the rent, royalties and other sums which would have been payable by the mineral operator thereunder for that year if the compulsory rights order had not been made, and he had exercised the relevant rights and facilities in the manner in which, and to the extent to which, he might reasonably have been expected to exercise them in those circumstances.

## PART V

### *Special provisions as to business, professional and other tenants*

- 19 (1) The provisions of this Part of this Schedule shall have effect where any of the land comprised in a compulsory rights order is land which, immediately before the operative date of the order, was subject to a tenancy to which Part II of the Act of 1954 applied ; and any reference in this Part of this Schedule to a tenancy to which this Part of this Schedule applies is a reference to a tenancy which—
- (a) immediately before the operative date of such an order, was a tenancy to which Part II of that Act applied, and
  - (b) comprises the whole or part of the land comprised in that order.
- (2) In this Part of this Schedule " the Act of 1954" means the Landlord and Tenant Act, 1954, and " business" has the same meaning as in Part II of that Act.
- (3) Sub-paragraph (4) of paragraph 12 of this Schedule shall apply for the purposes of this Part of this Schedule as it applies for the purposes of that paragraph.
- 20 (1) As from the operative date of the order and so long thereafter as the tenancy continues and the order continues to have effect, so much of the land comprised in the order as—
- (a) is comprised in the tenancy, and
  - (b) immediately before the operative date was occupied by the tenant for the purposes of the relevant business (or for those and other purposes) or was occupied by a person employed by the tenant for the purposes of the relevant business, and
  - (c) is not for the time being so occupied by the tenant or by such a person,
- shall be treated for the purposes of Part II of the Act of 1954 as if it had continued to be so occupied.
- (2) In this paragraph " the relevant business " means the business by reason of which, immediately before the operative date, the tenancy was a tenancy to which Part II of the Act of 1954 applied.
- 21 (1) For the purposes mentioned in the next following sub-paragraph, in relation to a tenancy to which this Part of this Schedule applies, paragraphs (f) and (g) of subsection (1) of section thirty of the Act of 1954 (which specify certain grounds on which a landlord may oppose an application for a new tenancy) shall apply as if any reference to the termination of the current tenancy were a reference to the end of the period of occupation.
- (2) The said purposes are—
- (a) the purposes of the operation of subsection (6) of section twenty-five of the Act of 1954 (which requires a notice by the landlord terminating a tenancy to state whether the landlord would oppose an application for a new tenancy, and, if so, on which of the grounds mentioned in section thirty of that Act he would do so) in relation to the service of a notice under the said section twenty-five at any time on or after the operative date of the order in question and before the end of the period of occupation ;
  - (b) the purposes of the operation of subsection (6) of section twenty-six of that Act (which enables a landlord, where the tenant has requested a new tenancy, to give notice that he will oppose an application for a new tenancy, and requires him to state on which of the grounds mentioned in section thirty

- of that Act he will do so) in relation to the service of a notice under that subsection at any such time;
- (c) the purposes of the operation of the said section thirty and of section thirty-one of that Act (which relates to the dismissal of an application for a new tenancy where the landlord successfully opposes it) in relation to the determination by the court of an application for a new tenancy, where that application falls to be determined at any such time.
- 22 (1) Where an application made under subsection (1) of section twenty-four of the Act of 1954 (whether before or after the commencement of this Act) falls to be determined by the court at a time when the current tenancy is a tenancy to which this Part of this Schedule applies (being a time on or after the operative date of the order in question and before the end of the period of occupation) and on that application an order for the grant of a new tenancy is made under section twenty-nine of that Act, the following provisions of this paragraph shall have effect.
- (2) If it falls to the court to determine the rent payable under the new tenancy, the court shall determine that rent as if the compulsory rights order had not been made, and as if so much of the property comprised in the current tenancy as is comprised in the compulsory rights order were in the state in which it was immediately before the operative date.
- (3) If it falls to the court to determine any of the terms and conditions of the new tenancy (other than any term or condition as to the rent payable thereunder) the court shall determine those terms or conditions as if the compulsory rights order had not been made ; but, in so far as any such terms or conditions of the new tenancy impose an obligation or restriction in respect of land comprised in the compulsory rights order, the court may suspend the operation of that obligation or restriction during the period of occupation.
- (4) If the new tenancy continues until after the end of the period of occupation, the landlord or the tenant may, by notice in writing served on his tenant or landlord, demand a reference to the court of the question whether any of the terms and conditions of the tenancy (including any term or condition as to rent) should be varied, having regard to the state of the land and other circumstances existing at the time when the reference is determined by the court:
- Provided that the court shall not entertain such a reference unless the proceedings are begun within twelve months after the end of the period of occupation.
- (5) On a reference under the last preceding sub-paragraph, the court shall determine what variations (if any) should be made in the terms and conditions of the tenancy, as mentioned in that sub-paragraph, and the date (not being earlier than the end of the period of occupation) from which any such variations are to take effect or to be treated as having taken effect; and as from that date the tenancy shall have effect, or, as the case may be, shall be treated as having had effect, subject to any variations determined by the court under this paragraph.
- 23 (1) The provisions of this paragraph shall have effect, in the case of a tenancy to which this Part of this Schedule applies, where an application under subsection (1) of section twenty-four of the Act of 1954—
- (a) is made by the tenant before the end of the period of occupation, but falls to be determined by the court after the end of that period, or
- (b) is made by the tenant within twelve months after the end of that period,

and the landlord opposes the application on grounds consisting of or including any of the grounds specified in paragraphs (a) and (c) of subsection (1) of section thirty of that Act (which relate respectively to the state of repair of the holding and to the tenant's use or management of the holding during the current tenancy).

- (2) If the court is satisfied that the matters to which the objection in question relates are attributable to a change in the state of the land resulting from the occupation and use thereof in the exercise of rights conferred by the compulsory rights order, the court, in so far as it considers it reasonable to do so in the circumstances, may disregard those matters in determining whether to make an order for the grant of a new tenancy.
  - (3) The provisions of the last preceding sub-paragraph shall be without prejudice to the operation of paragraph 14 of this Schedule in relation to things done or omitted during the period of occupation.
- 24 (1) In relation to an application made under subsection (1) of section twenty-four of the Act of 1954 (whether before or after the commencement of this Act) which falls to be determined by the court at a time when the current tenancy is a tenancy to which this Part of this Schedule applies (being a time on or after the operative date of the order in question and before the end of the period of occupation) section thirty-seven of that Act (under which a tenant is entitled to compensation from the landlord if an order for the grant of a new tenancy is precluded on certain grounds therein mentioned) shall apply subject to the following provisions of this paragraph.
- (2) In subsection (1) of that section—
    - (a) the reference to paragraphs (f) and (g) of subsection (1) of section thirty of that Act shall be construed as a reference to those paragraphs as modified by sub-paragraph (1) of paragraph 21 of this Schedule ;
    - (b) the reference to quitting the holding shall be construed as a reference to the termination of the current tenancy.
  - (3) In subsection (2) of that section, for any reference to the rateable value of the holding there shall be substituted a reference to the amount which would have been the rateable value of the holding on the material date if—
    - (a) the compulsory rights order in question had not been made, and the authorisation referred to in that order had not been granted and no application had been made for such an authorisation, and
    - (b) so much of the land comprised in the order as is comprised in the current tenancy had remained in the state in which it was immediately before the operative date of the order.
  - (4) Paragraphs (a) to (c) of subsection (5) of that section shall not apply ; but—
    - (a) the amount which, in the circumstances mentioned in the last preceding sub-paragraph, would have been the rateable value of the holding on the material date shall be taken to be the value which, in those circumstances, and apart from any exemption from assessment to rates, would on a proper assessment have been the value to be entered in the valuation list as the annual value of the holding ; and
    - (b) the provisions of subsection (5) of that section as to the determination of disputes and as to appeals, and the provisions of subsection (6) of that section (which authorises the Commissioners of Inland Revenue to make rules as to procedure) shall apply in relation to any dispute or reference relating to that amount as they apply in relation to any such dispute or reference as is mentioned in those provisions.

- (5) The modifications of the said section thirty-seven specified in the preceding provisions of this paragraph shall apply without prejudice to the operation, in relation to that section, of paragraph 20 of this Schedule.
- (6) In this paragraph " the material date ", in relation to an application under subsection (1) of section twenty-four of the Act of 1954, means the date of the landlord's notice under section twenty-five of that Act or under subsection (6) of section twenty-six of that Act, as the case may be, and " annual value " has the same meaning as in section thirty-seven of that Act.

  - " the Act of 1922 " means the Allotments Act, 1922 ;
  - " allotment tenancy " means a tenancy under which land is occupied by the tenant and is either—
    - (a) land let under that tenancy for use by the tenant as an allotment garden,
    - or
    - (b) an allotment, not being an allotment garden.

---

*Status: This is the original version (as it was originally enacted).*

---

- (2) Subsection (4) of section twenty-two of the Act of 1922 (whereby land used by the tenant thereof as an allotment garden is to be presumed to have been let for use by him as an allotment garden) shall apply for the purposes of this Schedule as it applies for the purposes of that Act.
- 2       Where the land comprised in a compulsory rights order consists of or includes any land which, immediately before the operative date of the order, is occupied (with or without other land) under an allotment tenancy, that tenancy (if not previously terminated) shall terminate by virtue of this paragraph on the date of entry.
- 3       (1) On the termination of an allotment tenancy by virtue of the last preceding paragraph, the tenant under that tenancy shall not be entitled to any compensation from his landlord by virtue of the Act of 1908 or the Act of 1922 or the Allotments Act, 1950, or by virtue of any other enactment relating to allotments, but the following provisions of this paragraph shall have effect as to compensation payable by the Board to the tenant in respect of the termination of that tenancy.
- (2) Subject to sub-paragraph (4) of this paragraph, the amount of the compensation payable in respect of an allotment tenancy under this paragraph shall be the amount of the compensation (if any) to which, under any of the enactments mentioned in the next following sub-paragraph, the tenant under that tenancy would have been entitled from his landlord, on quitting the land on the termination of his tenancy, if—
- (a) the tenancy had been terminated by the landlord as from the date of entry, and
- (b) in the case of an allotment garden, the tenancy had been so terminated by such re-entry as is mentioned in subsection (2) of section two of the Act of 1922.

- (a) sections two, three and five of the Act of 1922 ; and
- (b) section forty-seven of the Act of 1908.
- (4) In addition to any amount payable in accordance with sub-paragraph (2) of this paragraph, compensation shall be payable under this paragraph in respect of an allotment tenancy of an amount equal to one year's rent under that tenancy, at the rate at which rent was payable thereunder immediately before the date on which the compulsory rights order was made:
- Provided that, if the tenancy did not subsist at the time when the order was made, the amount payable by virtue of this sub-paragraph shall be equal to one year's rent at such rate as would have represented a reasonable rent in relation to that tenancy if the order had not been made.
- 4       In determining the amount of any compensation payable by the Board under the last preceding paragraph, no account shall be taken of any sum due to the landlord from the tenant, or of any right which the landlord would have had (under the Allotments Act, 1950, or otherwise) to deduct any sum so due.
- 5       (1) Where in consequence of the confirmation of a compulsory rights order the tenant under an allotment tenancy incurs a loss in respect of a forced sale of any trees, bushes, structures, improvements or other property which, in pursuance of section four or section five of the Act of 1922, or of subsection (4) of section forty-seven of the Act of 1908, he has removed from the land which was comprised in the tenancy, he shall, subject to the following provisions of this paragraph, be entitled to compensation from the Board of an amount equal to that loss.

- (3) The preceding provisions of this paragraph shall have effect without prejudice to any right to compensation under the said section twenty-seven as applied by section twenty-nine of this Act; but compensation shall not be payable under this paragraph in respect of a forced sale if compensation is payable in respect thereof under the said section twenty-seven as so applied.
- 6 (1) Any compensation payable under paragraph 3 of this Schedule shall accrue due on the date of entry.
- (2) Any compensation payable under the last preceding paragraph in respect of a forced sale shall accrue due on the effective date of the sale, or, if that date was before the operative date of the order, shall be treated as having accrued due on the effective date of the sale.
- (3) Subsections (7) and (8) of section thirty-five of this Act shall apply in relation to any compensation payable by the Board under this Schedule as they apply in relation to any such compensation as is referred to in subsection (7) of that section, and " effective date " in this paragraph has the same meaning as in that section.
- 7 Any dispute—
- (a) as to a right to compensation from the Board under this Schedule, or as to the amount of any such compensation, or
- (b) as to a right to compensation from the Board under section seventeen of this Act, as applied by section twenty-nine thereof, in respect of a holding consisting exclusively of land occupied under an allotment tenancy, or as to the amount of any such compensation,
- shall, notwithstanding anything in subsection (3) of section forty of this Act, be determined by a valuation made by a person appointed in default of agreement by the judge of the county court having jurisdiction in the place where the land in question is situated, on an application in writing made for the purpose by the person claiming the compensation or by the Board.
- 8 Subsection (2) of section six of the Act of 1922 (which relates to the charges of the valuer for a valuation under that section) shall apply in relation to a valuation under the last preceding paragraph as it applies in relation to a valuation under that section, with the substitution, for the reference to the landlord, of a reference to the Board.

- (2) The said section twenty-two shall apply in relation to the holding as if any reference in that section to the condition in which land was immediately before the date of entry were a reference to the condition in which the land in question would have been, immediately before the date of entry, if the matters qualifying for compensation had not existed.

---

*Status: This is the original version (as it was originally enacted).*

---

- (3) In the application of subsection (2) of the said section twenty-three to that holding, for the value mentioned in paragraph (c) of that subsection there shall be substituted the value which, at the end of the period of occupation, a freehold interest in the holding would have if it were then in the state in which it might reasonably have been expected to be, immediately before the date of entry, if the matters qualifying for compensation had not existed.
- (4) In this paragraph "the matters qualifying for compensation" means the matters in respect of which compensation is payable by virtue of sub-paragraph (2) of paragraph 3 of this Schedule.

(b) the land is either land owned by the Board, or land in which there is a Crown or Duchy interest, but no private interest other than any interest belonging to the Board, and accordingly possession of that land has not been taken, or is not for the time being retained, in the exercise of emergency powers, subsection (1) of section one of this Act shall not have effect in relation to that land ; but the powers conferred on the Minister by section two of this Act shall be exercisable in relation to that land as those powers would be exercisable by the Minister in relation thereto on granting an authorisation under section one of this Act comprising that land.

*Termination of emergency powers*

5 Where a compulsory rights order is made in respect of land requisitioned for opencast operations, any power to retain possession of land in the exercise of emergency powers shall cease to apply to that land as from the operative date of the order.

*Compulsory rights orders in respect of requisitioned opencast sites*

6 Subject to the following provisions of this Part of this Schedule, where the land comprised in a compulsory rights order consists of or includes land requisitioned for opencast operations, the period specified in the order, as the period for which the order is to have effect, shall not extend beyond the tenth anniversary of the date of requisition of that land.

7 Where the land comprised in a compulsory rights order consists exclusively of land requisitioned for opencast operations, then, notwithstanding anything in subsection (5) of section four of this Act.—

(a) the provisions of Part I of the First Schedule to the Acquisition of Land Act, as modified by Part I of the Second Schedule to this Act, except the provisions of paragraphs 2, 5 and 6 of the said First Schedule, as so modified, and

(b) the provisions of Part III of the said First Schedule, as so modified, shall not apply to that order:

Provided that this paragraph shall have effect subject to the provisions of paragraph 9 of this Schedule in cases falling within that paragraph.

8 A compulsory rights order falling within paragraph 6 or paragraph 7 of this Schedule shall not be varied by extending the period for which it has effect in such

- a way that, in respect of any of the land comprised in the order, that period extends beyond the tenth anniversary of the date of requisition of that land.
- 9 (1) Where the land comprised in a compulsory rights order consists of or includes land requisitioned for opencast operations, and it appears to the Board that, for either or both of the reasons mentioned in the next following sub-paragraph, it is necessary that the period specified in the order, as the period for which the order is to have effect, should extend beyond the tenth anniversary of the date of requisition of that land.—
- (a) the period specified in the order may extend beyond that anniversary, and shall (subject to the following provisions of this paragraph) be such period as the Board consider necessary in the circumstances ;
  - (b) the order shall state the reasons for which the Board consider it necessary that the period specified in the order should so extend ; and
  - (c) paragraph 7 of this Schedule shall not apply to the order, and the provisions as to the making and confirmation of the order shall be in accordance with subsection (5) of section four of this Act.
- (2) The said reasons are—
- (a) that a longer period is required for completing the restoration of land comprised in the order so as to be reasonably fit for use as agricultural land ;
  - (b) that there is in force an agreement relating to that land made between the Board and another person before the eighteenth day of December, nineteen hundred and fifty-seven, which provides for the working of coal by that person by opencast operations, and is not an agreement under which the coal is to become the property of that other person, and a longer period is required for completing the operations provided for by the agreement.
- (3) Where an order is made in the circumstances mentioned in sub-paragraph (1) of this paragraph, the period for which the order has effect shall not extend beyond the tenth anniversary of the commencement of this Act.
- (4) The Minister shall not confirm an order as being an order falling within sub-paragraph (1) of this paragraph unless he is satisfied that the reasons stated in the order in accordance with that sub-paragraph are well-founded and that it is necessary for those reasons that the period for which the order has effect should extend as mentioned in that sub-paragraph.
- 10 Where the land comprised in a compulsory rights order consists exclusively of land which, immediately before the operative date of the order, is land requisitioned for opencast operations, section five of this Act, and the Second Schedule to this Act, shall have effect in relation to the order subject to the following modifications:—
- (a) subsections (2) and (3) of that section, and Part II of that Schedule, shall not apply ;
  - (b) in subsection (4) of that section, for the words " date of entry" there shall be substituted the words " operative date ".
- 11 Subsection (2) of section nine of this Act shall not apply to land which, at the time when the compulsory rights order in question is confirmed, is land requisitioned for opencast operations.
- 12 Section thirty-six of this Act shall not apply to land comprised in an opencast site order which, immediately before the operative date of the order, is land requisitioned for opencast operations.

- 14 (1) In respect of any such land as is mentioned in the last preceding paragraph the Minister shall issue, and serve on each person who, at the commencement of this Act, is a person to whom in accordance with the existing arrangements any periodical payments are payable, a certificate stating—
- (a) the interest in land in respect of which those payments are payable to him ;
  - (b) the annual amount of the payments which are payable in respect of that interest; and

Provided that if, under the existing arrangements, periodical payments have been payable in respect of that interest for only part of that year, the Minister shall have regard to the amount of the sums paid or payable in respect of that interest for that part of that year, and shall adjust that amount proportionately to a full year and determine the annual amount of the periodical payments by reference to that amount as so adjusted.

- 15 In respect of any such land as is mentioned in paragraph 13 of this Schedule the Minister shall also issue a certificate and serve it on the person who, at the time of issue of the certificate, is the owner of that land, stating whether any sum has been paid in respect of that land on account of any prospective right to terminal compensation under the Act of 1939, and, if so, the amount of the sum so paid.
- 16 The Minister shall serve on the Board a copy of any certificate issued under paragraph 14 or paragraph 15 of this Schedule.

- (a) periodical payments shall continue to be payable in accordance with the existing arrangements, and
  - (b) if the land is subsequently comprised in a compulsory rights order, no annual compensation under this Act shall be payable, but periodical payments shall continue to be payable in accordance with the existing arrangements as if the order had not been made:

- 21 (1) In respect of any land which, at the commencement of this Act, is land already requisitioned for opencast operations, any person who claims that, if annual compensation under this Act were payable in respect of that land, he would be entitled to such compensation in respect of an interest in that land, may, at any time before the first anniversary of the commencement of this Act, serve notice on the Board requiring that annual compensation under this Act shall be payable in respect of that interest.

(2) The right to serve a notice under this paragraph shall apply whether the land in question is for the time being comprised in a compulsory rights order or not.

  - (c) the period of occupation under that order had been a period ending on the date which, in relation to that land, is the terminal date ; and
  - (d) anything done in relation to that land in the exercise of emergency powers had been done in the exercise of rights conferred by that order.
- (3) In the preceding sub-paragraphs any reference to the commencement of this Act, or to the terminal date, in relation to any land, shall (notwithstanding anything in the last preceding sub-paragraph) be construed as a reference to the actual date on which this Act comes into operation, or to the actual terminal date in relation to that land, as the case may be.
- 23 (1) At any time after the first anniversary of the commencement of this Act, any person who is entitled to an interest in land in respect of which a notice could have been, but has not been, served under paragraph 21 of this Schedule, may serve notice on the Board requiring that annual compensation under this Act shall be payable in respect of that interest.
- (2) Sub-paragraphs (2) and (3) of paragraph 21 of this Schedule, and the provisions of the last preceding paragraph, shall apply to a notice under this paragraph as they apply to a notice under the said paragraph 21, so however that in the application of the provisions of the last preceding paragraph to a notice under this paragraph any reference to the commencement of this Act, or to the date of service of the notice, shall be construed as a reference to the anniversary of the commencement of this Act which next occurs after the service of the notice.

  - (b) terminal compensation under this Act shall be payable as if the land had been comprised in a compulsory rights order which became operative on the date of requisition of the land, and the period of occupation under that order came to an end on the terminal date, and as if anything done in relation to that land in the exercise of emergency powers had been done in the exercise of rights conferred by that order.

27 For the purposes of the application of any of the provisions of this Act, other than this Schedule, to any land falling within paragraph 24, paragraph 25 or paragraph 26 of this Schedule, any reference in those provisions to the date of entry shall be construed as a reference to the date of requisition of the land.

28 Where compensation under section twenty-three of this Act, or under the provisions of that section as applied by section twenty-nine of this Act, would, apart from this paragraph, be payable in respect of any land falling within paragraph 24 or paragraph 26 of this Schedule, and in a certificate issued in respect of that land under paragraph 15 of this Schedule it is stated that a sum was paid in respect of that land as therein mentioned, the amount of that sum (as stated in the certificate) shall be deducted from the amount of that compensation.
