Certificate of fitness for employment of young persons

119 Power of inspector to require certificate of fitness for work

Where an inspector is of opinion that the employment of a young person in a factory or in a particular process or kind of work in a factory is prejudicial to his health or the health of other persons, he may serve written notice on the occupier of the factory informing him thereof and requiring that the employment of that young person in the factory or in the process or kind of work, as the case may be, be discontinued after the period named in the notice (which shall not be less than one nor more than seven days after the service of the notice) and the occupier shall not continue after that period to employ the young person (notwithstanding that a certificate under section one hundred and eighteen of this Act is in force in respect of him) unless the appointed factory doctor has, after the service of the notice, personally examined the young person and certified that he is fit for employment in the factory or in the process or kind of work, as the case may be.
