TABLE A

PART I

REGULATIONS FOR MANAGEMENT OF A COMPANY LIMITED BY SHARES, NOT BEING A PRIVATE COMPANY.

Conversion of Shares into Stock.

- 40 The company may by ordinary resolution convert any paid-up shares into stock, and reconvert any stock into paid-up shares of any denomination.
- 41 The holders of stock may transfer the same, or any part thereof, in the same manner, and subject to the same regulations, as and subject to which the shares from which the stock arose might previously to conversion have been transferred, or as near thereto as circumstances admit; and the directors may from time to time fix the minimum amount of stock transferable but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose.
- 42 The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.
- 43 Such of the regulations of the company as are applicable to paid-up shares shall apply to stock, and the words “share ” and “shareholder ” therein shall include “stock ” and “stockholder ”.
