The National Debt Commissioners, in exercise of the powers conferred upon them by section 16 of the Revenue Act, 1903, and of all other powers enabling them in that behalf, with the concurrence of the Treasury hereby make the following Regulations:—

1. Any sum payable by the Commissioners in respect of the commutation of a pension shall be paid by a cheque drawn on the Bank of England.

2. Where a pensioner signs a form of mandate requesting that the sum payable to him in respect of the commutation of his pension shall be paid to a mandatory, the Commissioners will, on receipt of the form, make the payment to the mandatory, and payment to him shall be a good discharge to the Commissioners.

3.—(1) Where the pensioner notifies the Commissioners in writing that he is desirous of having the cheque sent to him or to his mandatory through the post, and gives to the Commissioners an address in the United Kingdom, the Channel Islands, the Isle of Man or the Republic of Ireland, to which the cheque is to be sent, the Commissioners may in their discretion send the cheque by post to him or his mandatory, as the case may require, and any cheque so sent shall be sent at the pensioner's own risk.

(2) Any cheque which is not sent by post under the last foregoing paragraph shall be delivered to the pensioner or his mandatory on the personal appearance of such pensioner or mandatory at the National Debt Office:

Provided that the Commissioners may deliver the cheque to a representative of the mandatory on the personal appearance of such representative at the National Debt Office, and such delivery shall be equivalent to delivery of the cheque to the mandatory.

EXPLANATORY NOTE

These Regulations lay down the procedure for payment by the National Debt Commissioners of sums payable in respect of the commutation of pensions.

The Regulations re-enact with amendments those provisions of the National Debt Office Payment Regulations, 1930⁽²⁾, which relate to pensions commutation payment. The principal changes are:

- (a) payments are to be made by cheque, instead of by warrant; and
- (b) provision is made for giving pensioners the right, by signing a form of mandate, to nominate a mandatory to whom payment is to be made.

The National Debt Office Payment Regulations, 1930, so far as they have not been previously revoked, are revoked by these Regulations.
