The Public Health (Ships) Regulations 1979

PART II

GENERAL

List of infected areas

6.—(1) The authorised officer for every district shall from time to time prepare and keep up to date a list of ports and other areas which are infected or believed to be infected with a disease subject to the International Health Regulations or which may serve other places or areas so infected or believed to be so infected.

(2) The authorised officer shall supply copies of every such list and any amendment thereof to the pilots and customs officers employed in the district.

(3) In preparing and amending such list the authorised officer shall take into account all information sent to him from time to time by the Secretary of State or issued by the World Health Organisation.
